

Cutie Please Marry Me Again Chapter 21

She watched the man release his hand, then stare at him coldly, sneer, tears in her eyes.

“Don’t threaten me with Ruirui, and don’t feel how wronged you were. Xi Nianchen, I never owe you anything!”

Gu shengxia was really upset.

At this moment, she completely ignored the other, just want to stay away from this man, forever away!

Gu shengxia’s words make the lover’s temper more irritable and his face colder.

“Gu shengxia, who said you don’t owe me?”

If it wasn’t for Ruirui who just walked away, he really wanted to strangle the woman in front of him.

Gu shengxia really feels that she is about to be blown up, but she can only tell herself over and over again, don’t be angry, she can’t.

“Xi Nianchen, you agreed to test tube baby, and I did what you asked. Ruirui, you can’t take it away.”

“If you say no, you can’t?”

Xi Nianchen’s deep narrow eyes narrowed slightly and his indifferent eyes glared at Gu shengxia.

See her eyes firm, as if the next second will rush up with him in the end in general.

His thin and beautiful lips slightly pursed, once again overflowing with deep and clear words: “Gu shengxia, the game starts with me, and the rules will naturally follow my requirements.”

“And at this moment, it’s just the beginning, isn’t it?”

Suddenly, Xi Nianchen turns around again, and his dark eyes stare at her tightly.

At that moment, Gu shengxia’s arm, goose bumps also because of his eyes, all cold.

Men’s eyes in the cruel, let Gu shengxia can’t help but think of his three years of suffering all the grievances.

As soon as the tip of his nose was sour, he drew closer to Xi Nianchen step by step, and Xi Nianchen stood in the same place, as if he were a statue, motionless.

With Gu shengxia’s approach, his eyes narrowed more severely. He wanted to see what tricks this woman could play.

As they approach, Gu shengxia grabs Xi Nianchen’s collar tightly with both hands. His clear face is angry, resentful and alienated

Xi Nianchen looked at it and couldn’t help but be stunned.

If a woman had dared to do this to him, he would have waved it away.

“Mr. Xi, I didn’t count on you in those years, because I was also counted. Believe it or not, I’ll tell you.”

“If you use Ruirui to threaten me again, I will not let you bully me like before.”

Some things, once is enough.

“Bullying?” When Xi Nianchen heard this word, he suddenly seemed to hear a big joke.

“Sexual intercourse between husband and wife is also called humiliation?”

“Have you ever seen a couple like us?” Gu shengxia can’t help frowning.

“Oh? I don’t know. What kind of relationship are we? ”

Xi Nianchen seems to be ready to deal with Gu shengxia.

Gu shengxia also knows that it’s useless to talk more. No matter what she says, he won’t believe it.

She knew it, but she couldn’t help but didn’t want him to misunderstand him.

Gu shengxia grabs Xi Nianchen’s collar with a slightly oppressive posture, which makes him feel uncomfortable.

Her height is not short, just slightly look up can clearly see his eyes.

Xi Nianchen frowned slightly, and he was very dissatisfied with this posture.

Suddenly, Xi Nianchen put his arm around Gu shengxia’s waist and closed his arm tightly. With a low alcohol and soft voice, he said vaguely: “do you want it?”

Since they saw her three years later, every time Xi Nianchen saw her, he always wanted to strangle her eyes, but why did it suddenly change now?

because of his change, Gu shengxia couldn’t help staring at her.

His eyes are beautiful in shape, with deep dark pupils.

Deep in her eyes, she was attracted by the stone.

Looking back at his eyes, slightly stunned.

At that moment, the study became very quiet, and the atmosphere gradually became ambiguous.

His slow breathing, more and more hot, all sprinkled on her cheek, causing her eyelashes to tremble.

She seems to be a little nervous, lip gently moved, then whispered his name: "Xi Nianchen!"

He was yelled by her and heard the movement of approaching her lips.

And Gu shengxia is also at this moment, quickly drooping eyes, nodding, covering the moment of trance.

"What? Think I'm going to kiss you?"

"Oh, you are a woman who makes me feel hypocritical from the beginning to the end. I'm really curious. What's your purpose?"

"Since you don't want to say it, it doesn't matter. I have plenty of ways for you to say it."

"Go away!"

The soft expression on his face suddenly turned sunny and cloudy, humming coldly with infinite disdain, disdain and even surprise. Yes, he was a little surprised, and still surprised at his reaction.

Just now, if Gu shengxia didn't speak, he would kiss her without thinking about anything.

And he was damned to recall the touch of kissing this lip at that moment.

Gu shengxia turns to open the door in a hurry and walks towards the bedroom without stopping for a moment. Her heart beats wildly.

.....

In the view of Ruirui, who is only three years old, it is the qualification of adults to talk in the study.

And his father asked him to come to the study to talk.

He was sitting on the sofa in his study, with a lovely and delicate face full of seriousness, to show how serious he was talking to him now.

“Are you going back?”

Smelling speech, Xi Nianchen sat on the chair behind the desk, slightly raised his eyebrows and asked with interest, “do you want me to stay?”

“I asked first.” Ruirui learns Xi Nianchen’s appearance, picks his eyebrows and is serious.

Xi Nianchen never thought that one day he would be so happy to stare at the small one.

And this kind of feeling, although strange, he is surprisingly not exclusive, and even very enjoy, even the eyes are rendering the soft light.

“So, do you want me to stay?”

Xi Nianchen continued to repeat, teasing his son, feeling very good.

“Forget it, anyway, you won’t stay.” Ruirui was silent for a while, then he raised his head and twisted his eyebrows. The light tone showed his disappointment at the moment.

“How do you know I won't stay if you don't say it?”

The disappointed expression on Ruirui's face makes Xi Nianchen's heart ache. He doesn't want to let his son down.

From this moment on, the feeling that he wanted to give Ruirui the best filled his brain again.

He didn't want his childhood without company to happen to him again.

His son deserves to enjoy the best in the world.

“That you will stay?” Rui Rui smell speech, Mou Guang suddenly shine, some small excitement, also some uneasy.
