

Cutie Please Marry Me Again Chapter 25

Until three o'clock in the morning, Gu shengxia rushed home.

Things in the company are really too busy, and other people are working overtime. As a boss, she can't go first.

I'm relieved to know that there is an old lady at home.

She rushed upstairs and wanted to go to Ruirui's room to see her son.

Just as she went upstairs, she saw that the door of the study was opened, and then a gloomy face appeared, which she really didn't want to see.

"Do you know how to come back?"

Xi Nianchen's voice spread to her ears without any barrier, and the air was filled with the cold.

"I..." Gu shengxia subconsciously wants to explain, but finds that the man has been walking his long thighs, constantly walking in his direction.

"The company had something to do, so I came back late. I..."

Before she explained, she smelled the strong smell of wine. She had a meal and he drank!

Xi Nianchen didn't mean to ask why. He just stood in front of Gu shengxia and locked his prey like a lion.

So close was the distance between the two that he found that the woman had no make-up.

But when he got closer, he could see that her skin was very white and tender. Thinking of her touch that night, he couldn't help but look away.

Although her features are flat, her temperament is very easy to attract people's attention.

Even if it's a plain face without makeup, it will still let her get the attention of others at the first time.

"Gu shengxia."

Suddenly, Xi Nianchen kept close to her, and even stretched out his hand to pull Gu shengxia into his arms, chin on her shoulder.

The slender finger slowly caresses the delicate and white skin.

That little bit of action is like scratching the heart, full of people's imaginative ambiguity.

In an instant, Xi Nianchen's pure Yang flavor and strong red wine flavor made Gu shengxia shudder and attack his whole body.

Xi Nianchen's hand extended to her back, and the movement was even slower.

At that moment, Gu shengxia only felt a sudden electric current on his back.

The distance between the two people is so close that Gu shengxia has the illusion that he will be swallowed by Xi Nianchen in a moment.

White cheeks slowly floating up a suspicious blush.

Xi Nianchen raised his head and put his hands on Gu shengxia's shoulder. His dark eyes swept her: "Gu shengxia, what kind of woman are you?"

Gu shengxia frowned. How could he ask her repeatedly every time he saw her?

But he didn't believe what she said. Why did he ask again and again?

"Mr. Xi, please let me go. You are drunk. Go back to your room earlier and have a rest."

Gu shengxia, who had just attacked her, shuddered all over her body and let her brain spin at this moment.

"Oh, Mr. Xi? Didn't Xi Nianchen shout before?" Xi Nianchen couldn't help laughing at the corners of his mouth.

Hearing what he said, Gu shengxia raised her head, slightly stunned, and saw his dark eyes with sarcastic disdain. She immediately felt that the man in front of her wanted to insult her again.

She has been busy with the work in the studio all day and is already exhausted. At the moment, she just wants to go back to her room and have a good sleep.

So she suddenly waved the man's hand on her shoulder and said in a cold and alienated tone, "Mr. Xi, I'm going to see Ruirui Rui. Please get out of the way."

"Ruirui, you've been fooling around outside until now. Do you remember that you have a son?"

Xi Nianchen's deep narrow eyes narrowed, and a trace of anger crossed his dark pupils.

Instead of leaving, he put his hands directly behind Gu shengxia and patted her closer.

"I didn't..."

She wanted to explain that she was not fooling around outside, but was always busy with all kinds of things in the studio.

But the man didn't give her a chance to explain.

"Shut up, Gu shengxia. Do you want to play infiltration? Or do you want to use Ruirui to make me not divorce you?"

Xi Nianchen's Mo Yu like eyes dissipated with a cold smile.

Into the bottom of the eyes is even colder than before indifference, bright eyes to restore the dark, deep people ponder.

The lines on the handsome face are cold and hard, the thin lips are tight, and the whole body exudes a sense of hostility.

This kind of hostility makes Gu shengxia want to escape from him even more.

He's too dangerous, she won't let herself so close to him!

She once said to herself, some things once is enough, never let that happen to her again.

However, sometimes God just likes to joke with people like this.

Xi Nianchen ignores Gu shengxia's struggle. When his dark eyes narrow, his cold thin lips tightly cover Gu shengxia's trembling lips. The handsome and suffocating face seemed to be covered with a layer of frost, which was sending out a seeping cold.

The thin lips cut by the knife are tight, and the lines are cold and hard, which makes Gu shengxia's struggle bigger.

His long and narrow eyes narrowed up again. His eyes coldly glanced at her who was kissing by him. The anger on his handsome face reached the top.

Thin beautiful lips suddenly turn to attach in her ear, voice low, "Gu shengxia, you have no right to refuse!"

"Don't let go of me. You can't do this to me. You said you won't touch me again."

"We agreed to be a test tube baby!"

"Well You..." Gu shengxia's clear eyes narrowed with mist and glared at him with thin anger.

"Xi Nianchen, let go."

She was about to push him away, but her hands were in control and pressed against the wall of the corridor.

She struggled to twist the body, trying to get rid of the man's siege.

"Xi Nianchen, if you want to talk, don't touch me!"

Suddenly, Xi Nianchen stopped, thin lips still attached to her lips.

Dark and deep pupil eyes lock her clear face, low voice hoarse attractive.

The man seemed to hear a big joke and said, "no? In my Xi Nianchen's world, I'm the only one who wants or doesn't want it, and there's no certainty!"

Finish saying, don't wait for her reaction, he some shortness of breath again sealed her breath.

The man's eyes are hot and can melt the human completely, and the dark and deep eyes are filled with the continuous burst of emotion.

It seems to annihilate Gu shengxia at this moment.

The man's kiss is not like the bite of the previous tear, but to deliberately tease her in general, let Gu shengxia up and down suddenly lit.

"Think..."

The man's mouth, let her suddenly whole body a shock, as if by electric shock general, dry hot body is instantly cooled down.

She didn't understand why her heart was so lost for a moment. She never held any hope for this relationship, and even kept away from this man.

All she wanted was her own son!

Tired body, the heart of boredom, let Gu shengxia do not want to bite Xi Nianchen's lips again.

And Xi Nianchen seemed to have a premonition, suddenly released the hands that clamped her hands.

"Oh Want to bite me? "
