

Cutie Please Marry Me Again Chapter 26

The man's pretty eyebrows wrinkled, his eyes slightly cold, and he grabbed Gu shengxia's chin.

She heaved her head against the wall and pulled out a beautiful arc around her neck.

White skin does not have the slightest fine lines, has been extended to the clavicle depression.

Gu shengxia frowned. It was like going back to that night, which made her afraid but also disgusted.

She has been trying to stay away from him, no longer close to him, why he is still so reluctant?

"Mr. Xi, please let go!"

Gu shengxia's hands on her legs tightly clenched into fists. She was afraid that she would give the man a punch in front of her.

"Gu shengxia, I'll go back!"

Xi Nianchen quickly draws the distance between the two people closer again. He looks at Gu shengxia face to face, as if joking, and says word by word.

That pair of black jade like eyes are staring at the woman in front of her, as if appreciating her constantly changing application.

Sure enough, after hearing what he said, Gu shengxia really raised his voice and asked, "what did you just mean?"

Xi Nianchen loosened Gu shengxia's chin and said in a low voice: "literally."

With that, Xi Nianchen turned and walked towards the direction of the study.

But his words for Gu shengxia, that unconscious day big blow.

Because she didn't know what he meant by "going back on his word."?

Are you not going to be a test tube baby, or are you going to go back and tell her not to take ruiruirui, or

Thinking of the last possibility, Gu shengxia shakes his head and dispels the unrealistic idea in his mind. He is eager for a divorce as soon as possible!

Even now the body is really tired, but Gu shengxia is really afraid that Xi Nianchen's so-called repentance is related to Ruirui. She is really afraid!

She has nothing but Ruirui!

"Mr. Xi, please tell me what you mean just now? What's going back?"

Xi Nianchen smell speech, turn around, Junyi's face has a touch of surprise, a flash, he did not expect Gu shengxia even will catch up to ask.

"You'll know!"

Leaving this sentence behind, he continued to walk towards the study.

Gu shengxia, who can't get a partner, is even more scared.

Just when she wanted to ask, the mobile phone in the man's pocket suddenly rang.

Xi Nianchen takes out his mobile phone and stares at the caller ID above. His eyes are suddenly dim.

Deep as the vast pool, people can not see any emotion.

Thin beauty's lips light pursed, said to Gu shengxia next to him: "don't want me to take Ruirui, just disappear from my eyes."

Take back the indifferent line of sight, his eyes fall on the mobile phone again.

He gave a slight pause before answering the phone.

A sweet and tender voice came from the phone, with a trace of anger: "ah Chen, why did it take so long to answer the phone?"

Xi Nianchen gathered his eyes, and the indifferent expression on Junyi's face was soft, and his voice was also gentle: "baby, how can I call at this time?"

Ah Chen, baby?

Listening to their mutual appellation, Gu shengxia shakes his head helplessly, turns around and walks towards Ruirui's room.

He obviously likes that woman so much, why can he tease her so calmly, or even go to bed with her?

Is this the so-called man without love, only desire?

She didn't understand that man, and she never wanted to.

She only hopes that one day, she can live her own life, and live a life that is no longer used by others!

The next day.

Gu shengxia is still a biological clock. He wakes up early. It's not until he receives a phone call from the old lady that he knows that they left yesterday.

From last night to this morning, there were only three of them in the old house.

Gu shengxia didn't think about it. He quickly got up and went downstairs to prepare breakfast.

She quickly prepared a nutritious breakfast and went upstairs to call Ruirui to get up.

Today, she is still going to work as a studio. After all, she was burned down, and they still need to find a temporary place to work as a studio and apologize to customers.

In short, today will still be busy and dark.

"Ruirui, are you up? Is Mommy coming in?" Gu shengxia knocked on the door symbolically, then turned the doorknob and went in.

Looking at the hill bulging in the middle of the bed, Gu shengxia smiles. I'm afraid this little guy is still angry because she pigeoned him twice yesterday!

She went to the bed, did not take the quilt, but sat by the bed, smiling and said: "Oh, I remember yesterday I really want to make a mistake."

"Well, yes, I made a mistake and made ruiruirui of our family very unhappy, but I thought ruiruirui of our family would understand me." Gu shengxia said, also noticed that the hill on the bed moved a little, it means like telling her, forgive her will not be so simple.

"Xi Zerui, I know it was all my fault yesterday, and I didn't mean what I said. This is a very serious mistake."

"Now, I have a deep understanding of my mistakes, so I would like to ask the adults have a large number of Xi Zerui children, can you forgive me?"

See Ruirui Rui is still no movement, Gu shengxia helpless, as long as the killer mace – poor.

“In fact, mommy was busy in the studio yesterday. She didn’t come back until early in the morning. She just slept for four hours. She didn’t get enough sleep.”

“Ruirui, look, Mommy’s dark circles are coming out.”

“And I didn’t eat anything all day yesterday. When I got up to fry eggs for Ruirui Rui this morning, I was scalded by oil. It hurt so much...”

Ah, the words didn’t come out. The hill on the bed, which was angry with her, immediately lifted the quilt, rushed to her and began to check her hands without saying a word.

Gu shengxia just saw that the little guy had already put on his clothes. He must have been waiting for her to come in and apologize.

The more she thought about it, the more Gu shengxia felt that her son was too cute, although sometimes she was too smart to resist.

“Where’s the burn?” Rui Rui is wrinkling the good-looking brow, the facial expression is still very not happy of ask a way.

Gu shengxia quickly put away the smile on her face and continued to pretend to be pitiful and said, “Mommy’s heart is scalded.”

Ruirui immediately took Gu shengxia’s hand away with disgust on his face. His lovely little face said angrily: “Xi Xia, I’m very angry.”

“Since you stood me up twice yesterday, it must not be so easy to compromise with you this time!”

Rui Rui with a small adult general, haughty turn, Leng is not to look after summer.

“But I already know I’m wrong. Can’t Ruirui forgive Mommy?” Continue to act poor, anyway, his son is the softest.

“No discussion!”

He must persist in the end, or his mother, if there is a first time, there will be a second time.

He doesn’t want to be stood up again.

“Can’t you really forgive me?” Keep pretending to be pathetic.

Ruirui shakes his head. The Jedi won’t!

Suddenly, Gu shengxia, unconventional, suddenly sat up from the bed, pinched his waist with both hands, ready to scold women.

“Xi Zerui, are you looking for a beating?”
