

## Cutie Please Marry Me Again Chapter 27

Hearing Gu shengxia's words, Ruirui turns his head very calmly, looks at his mother's feigned fierce anger and shakes his head helplessly.

Like a little adult, he sighed: "Mommy, you'd better practice your acting skills again, or I'll feel ashamed for you!"

Gu shengxia immediately laughed.

"So, baby, are you not angry?"

Gu shengxia immediately close, smiling at the moment is a face of disgust with his son.

And then he added: "honey, Mommy is deeply aware of the mistakes, so you don't remember the villains, do you? Don't be angry, OK? "

" Mommy, can you still laugh? "

Ruirui blinks. She feels powerless to her mother.

Gu shengxia sat down, raised her eyebrows, shrugged her shoulders and said, "why can't I laugh?"

Ruirui that pair of dark eyes, a deep look at Gu shengxia, just continue to say: "nothing, eat."

"Hello, honey, what's the matter with you?" Gu shengxia quickly pulls Ruirui who is ready to go out.

Intuition tells her that her son is unhappy, very unhappy.

And this is not happy, obviously not because she broke her promise twice yesterday.

I don't know when Xi Nianchen, standing at the door, frowned when he heard Gu shengxia's fierce Rui.

I just didn't think that was the way they got along with their mother and son.

But now, he can't help wondering whether Gu shengxia's relaxed appearance at the moment really doesn't care, or is it just that she is too good at camouflage?

He got the news yesterday as soon as there was an accident in her studio.

He just wanted to see how she would deal with it.

It's said that her studio was founded by herself, and she didn't rely on the aura of Xi family, but he didn't believe it!

"Mommy, what happened in your studio yesterday? Do you want to keep it from me?"

Inside the door, Rui Rui is very unhappy.

"Well? Do you know all about it?"

Gu shengxia's words seemed to have lost her confidence in a moment, but she also said: "Ruirui Rui, don't tell your grandmother about this, you know?"

"Mommy, do you think it's possible to hide it?"

And it's all in the news. He knew it yesterday when he was watching TV.

"Well, I can't hide it, but you believe Mommy, it's not busy at all. Mommy can solve it."

Gu shengxia gives Ruirui a smile to make him feel at ease.

And Xi Nianchen, standing at the door, squints his indifferent eyes again and turns to walk downstairs.

She said she could solve it, but he didn't think she could solve such a big problem.

So, he looks forward to her performance!

When Gu shengxia takes Ruirui to the restaurant, he sees Xi Nianchen sitting calmly at the table eating the breakfast she prepared for herself.

She was stunned and subconsciously wanted to speak. It was her, but after thinking about it, she didn't say anything.

"Good morning, daddy."

Ruirui sees Xi Nianchen and trots to him happily to say hello.

Xi Nianchen also showed a very gentle smile, stretched out his hand to pinch Ruirui's small face, and said, "Ruirui, good morning."

Gu shengxia looks at the father and son who are in a relaxed relationship. Although they are a little surprised, they feel very warm. After all, they are the father and son who are related by blood.

However, Gu shengxia did not know that Ruirui would be so close to Xi Nianchen, because his performance in front of the media yesterday completely made him accept the father.

"Daddy, are you going to the company today?" Ruirui asked as he ate.

Xi Nianchen looked at Gu shengxia sitting opposite him for a long time, then raised his eyebrow and looked at the little guy: "No."

“What’s daddy going to do?”

“Home.”

Ruirui listen, feel the media to his father’s evaluation is really to the point, after all, he speaks, is really a thousand words.

“Mommy, you can go to work safely. Daddy said he was at home today, so you don’t have to worry about what I’m going to do.”

Gu shengxia was stunned and said at random: “OK, but if your dad handles his work, you should remember not to disturb him.”

Ruirui nodded cleverly.

At this time, Xi Nianchen suddenly got up and walked straight to the study on the first floor. As soon as he got to the door, he said in a deep voice, “come to the study.”

Even without calling Gu shengxia’s name, she knew he was talking about her!

“Mommy, come on, go!”

Ruirui also finished his breakfast at the moment. Looking at Gu shengxia’s face, he walked up to her, stretched out his little hand and made a gesture of refueling.

Gu shengxia was immediately embarrassed.

Son, do you know that your mother is like a lamb on a chopping board in front of your father now, and you can be slaughtered by him!After hesitating at the door for a long time, Gu shengxia knocked at the door.

After getting the consent of the people inside, she took a deep breath, turned the doorknob and went in.

Xi's study, whether it's upstairs or downstairs, has a feature. The decoration is all of the same old Phoebe.

As soon as I came in here, I felt like I was crossing.

In the past three years at Xi's home, Gu shengxia finished her work in her bedroom even if she had a job. She never went to her study, because it affected her design inspiration.

"Test tube baby, remember?"

As soon as he entered, Xi Nianchen said without warning.

Gu shengxia, who is standing at a certain distance from his desk, nods and looks away.

"Miss Gu, it seems that you are also a famous lady. Is this what you call the etiquette of Miss Gu?"

Suddenly, Xi Nianchen's slightly mocking voice sounded again.

Gu shengxia really thinks that the man is not looking for trouble. He doesn't like to see her!

She has tried so hard to avoid the chance for two people to meet each other. He even said that she was impolite.

"Mr. Xi." Gu shengxia raised his head and looked directly at Xi Nianchen.

Seeing Gu shengxia raise his head, Xi Nianchen immediately said, "I don't need you to do it, and you don't have to be pregnant."

Xi Nianchen looked at Gu shengxia slowly raised his head that unwilling appearance, heart suddenly feel interesting.

Gu shengxia was surprised. "Mr. Xi, I don't understand what you mean just now."

"Literally."

Gu shengxia frowned, again!

That's what he said last night and today. What does he want to do?

However, if she is not allowed to be a test tube baby, she will not be pregnant. This is exactly what she thinks in her heart, but

"Mr. Xi, you said you didn't need me to do that, but what about the old lady?"

Without waiting for Gu shengxia to finish his speech, Xi Nianchen's cold face suddenly gave birth to a trace of anger, and his tone was even more sarcastic: "old lady?"

"Are you worried about the old lady, or don't you want to lose the identity of Xi's young grandmother?"
