

Cutie Please Marry Me Again Chapter 28

“No, it’s not.”

Men suddenly strong air conditioning field, let Gu shengxia no reason to feel fear from the heart again.

She despised her countless times, why several times, she still can’t face the man calmly?

“Yes.”

With that, Xi Nianchen does not wait for Sheng Xia’s reaction, so he puts his contract on the table.

Although he didn’t know what the dangerous man wanted to do, Gu shengxia hesitated for a moment, then walked to the desk and picked up the contract.

There are only two pieces of paper in the contract, but when you see the first one, Gu shengxia can’t help but ask: “Mr. Xi, why?”

Didn’t he hate her so much already?

“Well?”

The man sat on the customized high-grade ancient Phoebe chair, hands crossed, a very comfortable look, with a fascinating low alcohol voice, slowly spit out a word.

“Don’t you mean I’m not pregnant? But why do you want me, I...”

Looking at the words written on the paper, “Party A requires Party B to bear Party A’s desire all the time, after all, Party B is a tool to vent his desire”, Gu shengxia looks pale.

After all, she still can’t escape to become his tool of catharsis?

“What do you want? As a tool for catharsis?”

“Gu shengxia, this is my condition to save Ruirui, isn’t it?” Xi Nianchen’s face is calm to say the conditions Gu shengxia had given.

Gu shengxia smell speech, the whole person Lengzheng don’t know how to react, at the beginning really is she promised, but he really want to do so to her?

“Want to go back?”

Xi Nianchen got up from the ancient nanmu chair and walked gracefully to Gu shengxia.

Junting’s body tilted slightly, his dark eyes narrowed slightly, and her thin and beautiful lips stirred up a smile, spitting out a low voice: “it seems that you want to give up the custody of Ruirui Rui.”

“What?” Gu shengxia suddenly turned pale.

He still wants to fight for the custody of Ruirui with himself!

“Why do I have to do this? I don’t want anything else, but I absolutely can’t do without ruiruirui.” Gu shengxia clenched his hands tightly because he was angry.

“You agree to all these conditions, and I can even help you solve the problem of your studio.”

Gu shengxia looks up, looks at Xi Nianchen’s tall and straight figure, turns around gracefully, and walks to the French window. His deep eyes are cold and thin, dark and inexplicable, and his whole body is full of deterrence. It’s hard to guess what he wants to do.

This is undoubtedly an olive branch for Gu shengxia. As long as he is willing to come forward, all the problems of the studio will be solved.

After all, it's man-made, not nature!

But how would she choose?

Xi Nianchen's eyes couldn't help squinting again.

"How do you know about my studio?" As soon as Gu shengxia asked, he wanted to bite off his tongue.

What a big thing happened, Ruirui can know, let alone him!

Although it's really tempting for her to come forward to solve this condition, she doesn't need it.

"I will take care of my company's affairs by myself."

Refuse?

when Xi Nianchen hears the speech, when he doesn't notice, his lips slowly tick out a satisfied smile!

He turned and walked back to Gu shengxia. He only heard Gu shengxia say, "Mr. Xi, I hope there is a time limit."

Last time, she asked, but did not answer, but this time, as he said before, she had no choice, and she had no ability to fight with him for ruiruirui.

"To be my tool until I'm tired of it!"

The answer is the same as the previous one.

Gu shengxia just want to retort, but suddenly feel a tight waist, the next second lip side was blocked!

He kisses her again!

I hate her so much. Every time I see her, I try my best to say something insulting to her, but why do I kiss her!

Gu shengxia couldn't figure out how he could go to bed with her behind his back when he liked women in B city so much?

"No, you let me go!" Gu shengxia struggles.

Xi Nianchen's face sank because Gu shengxia struggled again.

It seems that as long as he kisses her, she will struggle desperately. Is this her way of seducing men?

Xi Nianchen's heart disdained cold hum.

"Refuse me?"

"Gu shengxia, do you still want to refuse and welcome this time, or do you want to change the routine and make progress by retreating?"

Xi Nianchen's mouth coldly stirred up a radian of disdain. In this hot summer, some cold hands caressed her chin without emotion.

The thumb seemed to taste slowly, and she had just been kissed on her red and swollen lips.

Gu shengxia can't stop shaking all over. In front of this man, what kind of person is she? Anyway, she's still his wife in name, isn't she?

Even if he was angry, he couldn't insult her like this again and again, could he?

Looking at Xi Nianchen again, Gu shengxia's eyes were filled with anger.

"Hate..."

"Pop."

Xi Nianchen just opened his mouth and said a word, then Gu shengxia slapped him on his left face.

Gu shengxia wanted to roar angrily, but knowing that Ruirui was still at home, she could only lower her voice, "Xi Nianchen, don't push an inch, let alone challenge my endurance again and again."

"Don't forget that Ruirui also called you daddy. You deliberately showed that you didn't want to save Ruirui, so that I could beg you and insult me."

"For the sake of Ruirui, I will endure, but what qualifications do you have to treat me like this?"

Xi Nianchen a handsome face, now showing a very obvious palm print of you, his eyes suddenly become gloomy, silent, tight lips.

That pair of eyes with the same Ruirui, closely staring at her, dark deep bottomless, just like looking into a deep pool, enough to let people not help sinking, slowly sinking, slowly torturing you, eroding all of you.

Suddenly, the man's gloomy face, constantly approaching Gu shengxia, until she had no way back against the corner, the man stopped.

But that pair of dark eyes, burst out with manic anger, like a tiger disturbed to sleep.

Can't help but, Gu shengxia feel just like a chicken blood general anger, in an instant because of the man so strong anger, to pressure down.

She even felt that she was shaking and avoiding. Yes, she really felt afraid.

She is not a soft persimmon that can be easily manipulated.

Although she runs a studio, she also has to deal with people. If she doesn't have a little temper, how can she bring the company to its present scale?

Although now a fire is gone.

Staring at his angry eyes, Gu shengxia has no doubt that he will kill her in the next second!

Since he was born, he has always been superior. No one will disobey him, and no one will look on his face.

Then don't say anyone dares to beat him.

Just when Gu shengxia was in a trance because of fear, she only felt that her neck was tightly held by a pair of big hands. The next second, Xi Nianchen's angry voice immediately rang out in her ear: "Gu shengxia, you are looking for death!"
