

Cutie Please Marry Me Again Chapter 4

Xi Nianchen's words, let her face a pale, stunned to turn to look at him, such as by thunder!

"I don't have time for you to think about it!"

Deep, like ink like paint ink, slightly squint, once again burst out no one dares to ignore the air conditioning.

Lover!

Is she really going to say yes? But she won't. is there any other way?

"Why?" Perhaps subconsciously, Gu shengxia stood in the same place with cold, his big eyes tightly looking at the cold man in front of him.

He doesn't want to have anything to do with her, does he?

But why such a request?

"Agree or disagree?"

Xi Nianchen directly ignores Gu shengxia's question and continues to ask.

He has never been patient with women. He looks after Sheng Xia and doesn't want to answer, so he despises the woman in front of him even more.

Just as soon as he turned around, his arm was tightly held by the woman, accompanied by her eager tone: "I promise you!"

She said, for the sake of Ruirui, anything is OK.

But what she didn't know was that when she said the four words "I promise you", the tears in her eyes suddenly burst out.

Looking at the crying pear flower with rain, but silent woman, if there is no just that phone call, he may be pitiful.

It's just that she doesn't deserve it!

"False woman, put away your tears, don't cry in front of me, I feel dirty!"

Men's cold words once again run through Gu shengxia's already fragile heart.

He really hates her!

"Would you be happy to insult me like that?"

I don't know how, Gu shengxia had a pause, then said such a sentence without thinking.

Then, "ruiruirui is very cute, you will like it when you see it."

This is a common sentence, but it is like a thorn in Xi Nianchen's heart, making him restless, and his heart has a kind of unspeakable feeling.

Gu shengxia turns around and goes upstairs.

Just after changing clothes, Xi Nianchen pushed the door and came in.

Gu shengxia, with his back to the door to clean up his clothes, suddenly feels a strong masculine atmosphere surrounding him. His cold body sticks to him, but his hot breath is in his ears.

“Now that I’ve agreed, I’ll start it tonight.”

After Gu shengxia’s meal, his body began to struggle fiercely.

“Mr. Xi, please let go!”

She knew that Xi Nianchen didn’t want to touch her, which could be seen from the moment he entered the room, but she didn’t know why he wanted her to be his lover.

Just want to get back at him?

Can be high above him, want to revenge a person, what way no, so will she stay around, is for what?

“What else do you want to play with?”

Xi Nianchen said, suddenly will Gu shengxia mercilessly in his arms, lip side is with a strong anger, mercilessly kiss her lips.

But it wasn’t a kiss at all, it was a bite!

“Isn’t that what you want?”

“What do you want now for the position of the Xi family’s little grandmother, family property?”

Sarcasm, ruthlessness and even disdain are always reminding Gu shengxia how dangerous the man is and how much he hates her.

“Mr. Xi, please don’t do that.”

Gu shengxia's repeated struggle finally made Xi Nianchen's little patience disappear. His hand suddenly tore Gu shengxia's white shirt.

"Just so eager to promise to be my lover, now want to go back? It seems that you really don't want to save your son!"

As soon as he heard his son, Gu shengxia's pupils tightened again. What did he do for?

"I promised you, but tonight I'm going to the hospital to take care of Ruirui."

She promised, will do, but she promised Ruirui Rui to go to the hospital tonight to accompany her, she does not want to see Ruirui Rui disappointed expression.

"You want to bargain with me? Woman, you'd better know who you are

Xi Nianchen's suddenly gloomy face made her more nervous subconsciously. His eyes turned to be deep and quiet, staring at her for a moment.

Gu shengxia's eyes are still full of defense, looking at the man who is more than one head higher than her, his tone becomes more pleading and says: "tomorrow is OK? I really can't tonight."

"Just a lover, not qualified to make terms with me!"

Xi Nianchen said, the action on the hand is more fierce, the expression also becomes more angry. After a while, Gu shengxia's coat was still torn.

"No, no, no..."

Like nightmares, scenes reappear in Gu shengxia's mind. She doesn't want them, and never wants them again.

In the heart of fear, let her resist the strength can not help but increase, even the strength is big enough to push Xi Nianchen away from her. She stood up, flustered picked up the coat on the bedside, wrapped herself tightly, and ran towards the door.

“Stop! I don’t want to save your son. Just run out now!” Xi Nianchen roared angrily.

However, Gu shengxia just looked at him and left in a hurry.

But that one eye, but let Xi Nianchen stunned.

It was not until two minutes later that the sound of the car driving away sounded in the hospital that Xi Nianchen regained his consciousness.

Xi Nianchen’s narrow eyes, like ink, squinted at Gu shengxia’s door which rushed out of the room and opened wide. His deep eyes flashed a little surprised, but soon recovered to a calm.

Thin beautiful cherry lips slightly pursed, spit out three words: “why!”

The old lady’s bedroom.

“Madam, you’re right. The young lady just drove away.”

Smell speech, the old lady that closes an eye to lie in sleep slowly opened an eye, helpless light sigh tone.

“He, when on earth can we see clearly!”

“Old lady, the young master is still young. If you wait, the young master will understand your painstaking efforts.” The housekeeper said respectfully.

“Understand?” The old lady said with a wry smile.

When that smelly boy wants to understand, maybe it's too late for anything.

"In fact, old lady, children and grandchildren have their own fortune. Young master is so old now, he knows what he is doing."

The housekeeper's words, the old lady ignored, just said: "it's late, you go down to have a rest."

"Yes, old lady."

When the bedroom door closed, the old lady said to herself, "ah Chen, you will regret it."

At night, when the lights are on, the city has a magnificent color.

Especially because of the heavy rain, the night in the city always has a moist atmosphere.

Let people breathe, can't help but feel relaxed and happy.

Driving the car to the parking lot of the inpatient department of the hospital, Gu shengxia felt that his fear and uneasiness had just been a little better.

She took a deep breath again and again, and finally calmed herself down.

Look at the time. It's already ten o'clock in the evening. She promised that Ruirui would arrive at nine o'clock. Now it's an hour late.

She didn't dare to stay any longer. She turned around and took the clothes from the car, got off the car, went to the hospital to find the bathroom, quickly changed them, and rushed to the ward.
