

## Cutie Please Marry Me Again Chapter 5

The next day.

Early in the morning, Ruirui got up.

With a small face and a silent look at Gu shengxia sitting beside him, for a long time, he took the milk sound that still did not fade and said, "Mommy, can you not see it?"

Gu shengxia a listen, slightly pause for a while, just smile to say: "why?"

"I, I'm not ready." Ruirui said, then lowered his head.

Compared with other children of the same age, ruiruirui in her family is really like a precocious child. He has his own ideas for everything.

After she came last night, Ruirui hasn't gone to bed, and has been waiting for her stubbornly.

When she told him that Xi Nianchen would come to the hospital to see him today, Ruirui was as silent and expressionless as before.

After all, it's his own son. She knows his little thoughts.

Although Xi Nianchen has been indifferent to their mother and son for three years, she can't let Ruirui think so.

"Ruirui, are you angry with your father?"

"Mommy, Daddy won't like me." Ruirui said, the pale face became more pale.

Looking at his son, Gu shengxia immediately clapped in his heart. Why did Ruirui RUI suddenly say that?

“Ruirui, I haven’t seen your father yet. How do you know he won’t like you?”

“He must not like me.”

Ruirui’s tone is more firm than just now.

“Ruirui, Mommy doesn’t know why you think so, but if your father doesn’t like you, will he carefully prepare a gift for you at every festival?”

Gu shengxia gently holds Ruirui’s hand and says patiently.

Because of illness, little Ruirui looks very pale.

But the same pair of ink eyes as Xi Nianchen, let Gu shengxia often see, will be cold in the heart sigh: blood this thing, is really wonderful.

“Ruirui, you are so cute and sensible. Your father will like you for sure.”

Seeing that Ruirui is still unhappy, Gu shengxia turns around and leans on the bed, holds Ruirui in his arms and continues: “Ruirui, don’t you believe what Mommy said?”

“No

“Then tell mommy, why do you think your daddy doesn’t like you?”

Smell speech, Ruirui frown, serious thinking up.

Gu shengxia looked at it and felt a great pain in his heart.

But I can't help thinking of what happened last night. She ran out like that. She doesn't know whether Xi Nianchen will come today.

She was very afraid of what he would do for today's examination because of yesterday's event.

She couldn't see through the cold man, so she didn't know what he would do.

The only thing she worries about now is that he doesn't come, or he doesn't want to save Ruirui.

If so, what will Ruirui do?

"Mommy, I'm just not ready to see daddy."

After thinking for a while, Ruirui suddenly frowned and said.

Since he was born, only mommy has been with him. He has never seen daddy.

He knows a lot of things, even though his mother thinks he doesn't know anything.

There are many things that he knows, but he doesn't want to say, because in that case, Mommy will be very worried.

Kindergarten children, every time bullying him, will say that their parents tell them that he is no father to the child!

And then there was the conversation between grandma Tai and grandfather housekeeper.

Adults think that children don't know anything, but he knows.

He is really a child his father doesn't want!

Since we don't want him, why do we come back to see him now?

"Ruirui, not everything will give you time to be ready, and the person you want to see is your daddy. What else do you need to prepare for?"

Gu shengxia is enlightening Ruirui when he hears a knock outside the door.

"Ruirui, grandma is here."

Before Gu shengxia could get up to open the door, the old lady opened the door and came in, followed by the housekeeper and Xi Nianchen.

Suddenly seeing Xi Nianchen, Gu shengxia's breath stopped for a moment, but soon she covered it up.

"Granny."

Ruirui looked at the old lady with a lovely smile and said happily.

At the sight of Ruirui, the old lady was very distressed.

"We Ruirui suffered in the hospital, too grandma distressed."

The old lady sat by the bed and touched ruiruirui's hair gently.

"Granny, don't worry about Ruirui. Just when the doctor came to check, he told mommy that Ruirui is good. Granny, if you don't believe it, you can ask Mommy." Smell speech, the old lady and Gu Sheng Xia are a burst of sad.

Ruirui in their family is really good. They know how to pacify the people around them when they are so young.

As soon as the old lady turned her head, she thought of Xi Nianchen, so she quickly put away her emotion, took Ruirui Rui's little hand and said to him, "ruiruirui, you see, who I brought to you? Didn't you tell Grandma that you miss daddy before?"

"Now that daddy is back, is Ruirui very happy?"

Originally happy atmosphere, but because the old lady suddenly introduced Xi Nianchen, and become a bit embarrassed.

The old lady looked at Ruirui and Xi Nianchen's silence. She was worried.

Gu shengxia thought of what Ruirui had just said to her.

She didn't wait for the old lady to speak again. She quickly came forward with a smile and said to ruiruirui, "Ruirui, are you happy?"

Hearing Gu shengxia's voice, Ruirui just smiles at the old lady and says, "Granny, thank you for bringing daddy."

With that, Ruirui's eyes looked at Xi Nianchen, who had never said a word since he entered the door.

The tall man in front of him, Ruirui, has seen many times in newspapers, magazines and TV, but it's the first time to stand in front of him so vividly.

This man, is his father, is not his father!

But it has to be said that seeing daddy standing in front of him with his own eyes made him nervous.

He's just like walking out of the TV. Ruirui doesn't even dare to blink. He's afraid that in the blink of an eye, the person in front of him will disappear as before.

Xi Nianchen is the same as yesterday, a pure handmade black suit.

The proud man is over 1.85 meters tall. He is handsome and has a beautiful face. His eyes are sharp and cold. His lips are thick and thin. His face is handsome and his expression is firm and resolute.

This is exactly the idea of daddy in Ruirui's mind!

He I like the man in front of me.

But he didn't want him!

Ruirui's silence makes the atmosphere of the whole ward fall down again.

But even so, Xi Nianchen still did not mean to speak, just like Ruirui, two people look at each other.

Just when Gu shengxia was worried, Ruirui said slowly, "Hello, daddy, I'm Ruirui."
