

Cutie Please Marry Me Again Chapter 8

With his approach, Gu shengxia could not help but stagger back two steps. In his pupils, when he saw the irony in the man's eyes, he was full of fear, confusion and uneasiness!

She could guess why the man called her to the hotel, but her body was still shaking.

She wants to escape!

But reason is always telling her, no, absolutely not.

He is the only one who can save Ruirui. She can't shrink back. Her baby Ruirui is still waiting for her in the hospital!

Gu shengxia's all facial expressions, just like a horse watching a lantern, are staged on his face, which also brings a funny smile to the corner of his mouth at the beginning of the year.

"I promise you, do your..."

With that, Gu shengxia's eyes are slightly astringent, his brows are tight and wrinkled, and his heart is extremely complicated. His hands on the bag are tightly entangled.

But just a pause, then slowly said: "lover."

These two simple words, in Gu shengxia's words, are full of irony.

Two people are clearly the most intimate relationship between husband and wife legally.

But who can imagine that in order to save her son, the young grandmother of the Xi family is reduced to becoming Mr. Xi's lover.

“Oh, I feel wronged by your lover’s identity?” Xi Nianchen sneered coldly, as if laughing at her self righteousnes.

Xi Nianchen’s deep narrow eyes narrowed slightly, striding to her body and leaning down slightly.

His slender white fingers lifted a wisp of hair from her sideburns to her ears. His action was gentle and ambiguous, but his breath was so frightening.

Sharp eyes fell on her beautiful face, thin lips near her ears, thin lips still attached to her ears.

The zero distance between two people makes Gu shengxia more uneasy.

She carefully side head, then one eye looked into his dark eyes.

Looking at his dim and unclear pupil eyes, the heart can’t stop noisy, what does he mean in the end?

Suddenly, without waiting for Gu shengxia to open her mouth, Xi Nianchen’s cold eyes narrowed. Her white hand squeezed her jaw hard, and her eyes glared at her fiercely. “Gu shengxia, don’t you think that lovers have raised your value?”

“You’d better keep in mind that you are at best a tool for Xi Nianchen to relieve his desires.”

The light from Xi Nianchen’s eyes was like a raging flame, which was enough to burn Gu shengxia to ashes in an instant.

She subconsciously wants to step back and break Xi Nianchen’s grip, but his strength is too strong. If she moves a little, his strength will only become heavier.

“Why, it hurts?”

A man's pleasant low voice, with a trace of no feelings of ambiguity, but that pair of ink color eyes, will only make people feel terrible.

"What do you want?"

Gu shengxia tried to make his tone calm down. However, no matter how hard he tried, his words were still trilling.

"Afraid of me?"

Aware of Gu shengxia's emotion, Xi Nianchen's thin lips were slightly raised, and his angular face was full of a sneer.

Gu shengxia's drooping hands once again tightly grasped the corner of her clothes. She felt that Xi Nianchen was more terrible at this moment.

The smiling face made her feel that she was a toy in his hand at this time. When she pinched it, it would be broken!

"Gu shengxia, you are not the first one who dares to design me, but you are the first one who can succeed."

Smell speech, Gu shengxia eyes flashed a thick wound.

Design him?

What about her? Isn't it designed? And I'm the closest person to myself.

But she can't!

Suddenly, she raised her eyes to him, coldly pulled down the hand he held her jaw, the voice was clear and thin, with the meaning of alienation, "Mr. Xi, three years ago, I have nothing to say."

That's all she can say!

Because of Gu shengxia's sudden resistance, the indoor air suddenly became heavy.

"Well, of course you have nothing to say."

Xi Nianchen raised a smile on his lips and then said, "Gu shengxia, I will let you know what the consequences of designing me are."

Gu shengxia frowns slightly, thinking is not Xi Nianchen will do what revenge, she just hope he can give a clear commitment.

Promise to save Ruirui.

"If revenge can make you feel better, you can do whatever you want, but you must promise me that you will have the operation in two days."

The operation time is determined by the doctor!

She came to the appointment this afternoon, in large part because she wanted to tell him the operation time and get his promise.

"Want me to promise you?" Xi Nianchen's eyes flashed the light of teasing, "then let me see what you have."

His eyes fell on her, too aggressive.

Looking at Gu shengxia's subconscious tightening neckline, suddenly, she has the illusion that she is naked at the moment."I, I, can I go to the hospital after Ruirui's operation? I promise I will do what I promised you."

She doesn't want to have a relationship with Xi Nianchen like she did three years ago.

Although she knew that she could not escape, she could at least escape for a while.

"What qualifications do you have to make with me?" Xi Nianchen sneered coldly, as if laughing at her self righteousness.

"Ten minutes, get in and wash up!"

Xi Nianchen's words make Gu shengxia deeply realize that she really can't escape tonight.

No matter what she said, the man in front of her is not going to let her go today.

"No?"

See Gu shengxia still standing in the same place motionless, Xi Nianchen's heart suddenly rose a fury.

This woman is really shameless.

"I, please, after Ruirui's operation, you can do whatever you want. I have to go back to the hospital in the evening."

Gu shengxia almost put his self-esteem on the ground and begged in a low voice.

"Good."

The man indifferent words, let Gu shengxia eyes suddenly light up.

But just when she thought that men were not so difficult to speak, she heard his cold and heartless voice.

“You can go away. Don’t come to me for your son’s operation in two days!”

Xi Nianchen’s face was gloomy and his anger was obvious.

But even if he talks to Gu shengxia like this, he can’t not show up in two days.

The sick child, for him, though not affectionate, was his son after all!

He is not so cruel as to watch his son leave the world.

Suddenly, Xi Nianchen’s heart suddenly contracted when he thought that the little guy was likely to leave the world.

A wave of pain, instantly swept his whole body!

Gu shengxia looks at Xi Nianchen’s resolute expression, and his heart suddenly aches.

She won’t question what he said, so now she really has no other way to go.

Only in accordance with his requirements to do!
