

Cutie Please Marry Me Again Chapter 9

Holding the collar tightly, he walked quickly to the bathroom.

As soon as you enter, close the door firmly.

And she relies on the body of the door, it is more like all of a sudden was emptied of all the strength in general, decadent drop sit on the ground.

The eyes have no God of looking at, but don't know what to see into the eyes!

In the hall just one door away, Xi Nianchen stood in front of the French window and poured himself a glass of red wine.

On such a large floor mirror, his beautiful face is displayed incisively and vividly.

However, at the moment, he is different from the man just like Satan.

His brow slightly wrinkled, as if troubled by something, the whole temperament suddenly became a little melancholy, and the eyes projected on the mirror also became dark.

Although only wearing the most common bathrobe in the hotel, it still makes people feel so elegant and natural.

However, just like this, he showed his ruthlessness and determination in killing.

But the next moment, when he was alone, he became so different.

These two completely different temperament, it is really difficult to associate with a person.

Xi Nianchen looked down at the flashing lights outside the window, and his heart was very complicated. The wine glass in his hand was also unconsciously shaken by him.

In his mind, all that flashed was the miniature version of him!

Suddenly, his mobile phone on the table made a “hum” vibration sound, his eyes narrowed, and a trace of unhappiness flashed.

As early as before he came to the hotel, he had already told him not to contact him today, no matter what.

Put the glass on the table, then pick up the phone.

When you see the phone calls clearly, the whole person becomes even colder.

Originally some melancholy breath disappeared in an instant, and then the whole body exuded a dangerous and evil breath.

If it wasn't for the word “father” on the screen of the mobile phone, I'm afraid those who see Xi Nianchen at this time will mistakenly think that he is staring at his enemy.

Xi Nianchen, with a sneer on his lips, picked up the phone and said coldly, “Dad.”

“Now that I'm back, why don't you tell me?” On the other side of the phone, a cold voice without the slightest emotion rang out.

Smell speech, Xi Nianchen feel ridiculous, when he comes back, still need to report to him?

“Dad, you are joking. This is my home after all. Do I need to report to you when I go home?” Xi Nianchen's tone became displeased.

Indifference, Mori Leng!

The dialogue between the two is not like that between father and son at all.

It's really like an enemy!

"Xi Nianchen, what's your tone?" Obviously, Xi Nianchen's unhappy words also made the people on the other side of the phone unhappy.

"Normal tone."

"Xi Nianchen, you can do whatever you want to do outside these three years, but now that you're back, you'd better have a good life with Xia Xia. The woman outside had better break the contact."

Broken?

Xi Nianchen felt even more ridiculous.

"Are you teaching me now?"

"Xi Nianchen, Xia Xia gave birth to Ruirui for you. Don't you know how to turn back?" The tone of the person on the phone was mixed with anger.

Even so, Xi Nianchen did not mean to be restrained at all. Instead, he said, "so what?"

"So what? I tell you, if you don't break up with that woman outside, don't blame me

"Oh, wait for good news!"

Xi Nianchen finished, completely ignore the phone there are people to say, just hang up the phone.

In the heart of anger, all concentrated in the hands of the mobile phone, not a moment, mobile phone fragmentation.

“Gu shengxia, Gu shengxia, it’s you again, it’s all because of you!”

If it wasn’t for his design in those years, he would have lived the life he wanted, not like now!

The more you think about it, the more anger you feel.

Gu shengxia, who just came out of the bathroom wrapped in a bathrobe, subconsciously exclaimed when he saw Xi Nianchen’s hand injured and bleeding due to the broken mobile phone.

Xi Nianchen heard the speech, turned around, his face became more gloomy.

“Oh, so I think that you have the habit of eavesdropping on people’s phone calls in addition to scheming!”

His indifferent eyes sharp a few minutes, Gu shengxia was so staring at him, inexplicably some uncomfortable.

She slightly lowered her head and said in a low voice, “I didn’t listen to your call. I just came out.”

When she came out, he had already hung up.

Make a sound, just see his hand bleeding.

“Your hand is bleeding. You’d better bandage it.” The more he said, the lower Gu shengxia’s voice was, like the “buzzing” voice of a mosquito, which made Xi Nianchen hard to hear. Xi Nianchen doesn’t speak any more, just stares at Gu shengxia.

Dark eyes can not see the slightest emotion, just like a deep lake, can not see what is hidden in his depths.

Gu shengxia in his eyes is the same as she was three years ago.

Other hard to say, but at least the figure has not changed.

Still waist thin as willow.

Her eyes are like a spring, bright as obsidian, but they hide her dirty eyes.

Gu shengxia is not a beautiful woman, but she is a woman with elegant temperament.

Suddenly, Xi Nianchen moves very fast to hold Gu shengxia up.

Turning her head, she threw her on the big bed full of reverie.

Without waiting for Gu shengxia to react, Xi Nianchen leaned down.

Then, as if expecting that Gu shengxia would resist with his hands, he had the foresight to hold Gu shengxia's hands and lift them over his head.

It's holding her back!

"No, let go!"

Both hands are grasped by the man fiercely, but the foot is still restless resistance.

No, she doesn't want to. Even if she can't escape, can't she be psychologically prepared?

Doesn't he have another woman he likes?

Why can you even say that if you want to have sex with a woman, you can concentrate on it?

She didn't understand. Didn't the man care about the woman's feeling at all?

"Gu shengxia, do you think I will let you escape at this moment?"

The man's words fall, and then the overbearing kiss falls.

Suddenly, the man who kisses Gu shengxia's mouth stops, and his dark eyes are full of disbelief.

Taking advantage of this gap, Gu shengxia wants to escape.

But did not expect to just sit up, did not have time to stand up, heard the voice of men more angry.

"You asked for it!"

His husky voice was full of anger.

She did not respond, a whirl, he once again was thrown into bed.

"No, you let me go, you can't do this, Xi..."

"Gu shengxia, are you afraid now? When you designed me three years ago, you should have thought that sooner or later you would have such a day! "

Aware of Gu shengxia's shaking, Xi Nianchen becomes more excited.

“Don’t you think about her feelings when you have a relationship with me?”
