## 16 The life I wanted

They reached hotel late and Junnaid slept right after entering the room . Zaira was smiling and looked at him for some time . She thought he was really cute while sleeping and she didn't realise when she slept .

Next day , Junnaid woke up and saw Zaira sleeping beside him . He turned towards her and starred at her , he kept smiling . Zaira woke up and was shocked after seeing him . "How long have you been looking at me ?"

" Just a few minutes . Aren't you hungry ?"

" Of course . "

"Then I'll cook for you ."

" No , yesterday you broke a number of utensils . Not again . I will cook instead ."

Zaira went to the kitchen and Junnaid followed her . She walked around a lot looking for utensils and he kept following her .

" Will you stop following me ? "

"At one condition ."

"Tell me "

" Can you teach me how to cook. " "Don't you already know?"

"No but why do you think so ?" "Didn't you cook once earlier at home ?"

" Ohh home ! Ok jokes apart . I lied to you I ordered that food ."

"You lied but why ? "

" I wanted to impress you. "

"You are totally mad. "

" yeah mad in love. "

Zaira got shy and turned around again . He made a cute face in front of her and she nodded . She started cooking and he observed her quietly . She tried to take the flour from the higher drawer but it was too high . He smiled and came to help her . He came near her but the box of flour slided and the whole flour was on them both . They both were shocked and Zaira started laughing as he looked too funny . Junnaid was happy after seeing a bright smile on her face . The food was going to burn but Zaira noticed and prevented it from burning .Junnaid hugged her and they both laughed a lot . They freshened and had breakfast . They went out after lunch and saw almost whole city and had lot of fun . Zaira was really happy because this was the life she wanted . Calm life and with a loving partner . They returned hotel in evening but other students and Sofia already left so Terrence came to pick them . Zaira received a message from Dad she was really happy because her dad contacted her after a long time but Zaira wasn't happy at all after reading the message . It was a invitation....
