

《Do angels exist》

3 He lied

As usual I put on a fake smile and walked towards him. He hugged me and said "I missed you a lot . You are the only love of my life and I will love only you." Those words touched my heart and I felt like he could be trusted . We went on a date and I felt really happy . I actually did fall for him but I didn't knew it was my biggest mistake . It was sunday and I was going to Sofia's house but I forgot my phone so I returned to take it . I heard some noises coming from the lobby . I ignored it because everyone was home . But then I heard mom saying , "Jake you are doing a great job , just make that fool zai fall in love with you blindly " Dad said, "Yes, that stupid girl doesn't even knows that we are doing this all to get her shares that my father gave her." Aisha said , "Marry her first get all the shares in your hand and then just let her die alone in heartbreak . After that we will get married and live happily ." First I didn't believed that Jake would do such things but then I heard him saying , "Don't worry Aisha I only love you she is just a puppet in our plan to get money ." I couldn't believe my ears I ran out of the house crying and suddenly it started raining. I was totally drenched in rain and was crying the rain covered my tears . The next movement a car came in front of me the light was so bright that I couldn't see clearly. A man came out and left a umbrella near me but I couldn't see his face as he had covered it . I took the umbrella and went home .Mom and Aisha were very angry on me for not coming early and cooking food for them .Mom slapped me really hard that I fell on the ground and Aisha threw boiling water on my hand and told me that I deserved it. My dad was watching silently . He could stop them but he didn't because he hated me and took me as a burden . This was my life . This was the torture I faced daily .
