" If you apologised once again I'll go away ." She said in anger .

" Ok I won't ." He was quite .

" You know what you are the most beautiful part of my life . And you don't have to say sorry about anything to me . I would have been more hurt if you tried to keep me away from this and hid everything from me ." She said holding his hand .

" Ok my princess ." She smiled on hearing this .

" Now let me get water ." She said as she was thirsty .

" Oh I forgot about that ." He let go of her hand .
