## 6 A marriage proposal

My dad wanted me to get married but I disagreed. They forced me to accept but I decided to stand for myself . The next day an old lady came to our house and she wanted me to marry her grandson . Her grandson was Junnaid, he was one of the richest person in the city . I couldn't believe and why would she choose me. She said that Junnaid liked me . I started having hiccups whenever I am shocked I have hiccups . I have never met or even seen him so how could he like me . It was a good opportunity for my dad to get more money so he asked me to accept the proposal. I said I need time to think . They said they would come the next day for answer. I didn't wanted to be married so soon I was only 19 . But my greedy parents forced me a lot . I beaten up until I agreed to be married . I was afraid a lot so I did as they said . The next day Mrs Wilson came again and she asked me if I agreed I nodded . She gave me a beautiful necklace as a gift that was taken by Aisha. The wedding was going to take place in three days . It was too early for me . But I had no other option. I was beaten daily by mom, she asked me to be obedient. I cried whole night. Those days were the worst in my life . But I didn't knew my life was going to change totally.
