

《Do angels exist》

7 Meeting him

In the morning a man came to our house he said that Mr Junnaid wanted to see me . I got ready and went with him . I was to frightened as mom told me not to make a single mistake she twisted my arm too harshly . We reached a cafe it was the same where I argued with Jake and was kissed by a stranger . It was empty . The bodyguard took me to him . He was so handsome and tall . I was afraid and didn't said a word . After seeing me it was clear that I was frightened. He said , " There is no need to be afraid of me I won't do anything to you " He asked me if I was happy . I nodded . I dare not reject otherwise It would affect me . He took me for a walk . The beach nearby was so pretty I had never seen a beach before . I ran to the beach and just felt the breeze with my closed eyes . It was the first time I felt free . I wanted to be like this forever . But I don't know what kind of person he was. What if he was like my parents and tortured me . I was afraid and nervous . He dropped me home . When I entered every one stared at me . I was frightened . They told me to obedient. I hoped that I could get out of this hell although there was a just a little hope. The wedding gown was delivered by night it was really beautiful .
