Young master Damien's pet Chapter 1 - Note before you read the book

Young master Damien's pet Chapter 1 - Note before you read the book

1. The book is going to have mature content, and it has been warned.
2. The book is part of the series, but you can read it as a standalone. There is no compulsion to read the others. Other books in the series are:

Valerian Empire, Heidi and the Lord, Bambi and the Duke.

3. If you have anything to ask me, feel free to ask in the Discord directly where there are other readers who share the same interest. To join Discord, the author's server: discord.gg/K63uVqN

4. The book is usually updated from Sunday to Thursday. If I have time you will have bonus chapters or mass release.

5. Be mindful and polite to other users or the author when you leave the comments. If you don't like the book, you are free to stop reading.

6. You can show your support by voting for the book with your power stones which helps in ranking of the book on the site. There's also a gift function option where one can gift the author.

7. Do not advice the Author on how to write his/her book.

MORE IMPORTANTLY: in the future chapters the spirit stones (SS) are set depending on the length of the chapter, therefore do not ask the author to reduce the price as it's not in the author's hand.

I hope you enjoy the book~
