

Divorce 1241

Chapter 1241, whether money is omnipotent or not

Thus, when ru Yu heard Lei Taihe's words, not only did she not get angry, she even said with a smile, "Mr. Lei, I think the problem of love is deep love, and love is also divided into several types. The kind of selfless love that you just mentioned, for example, asking me to think about the overall situation of Zhenyu, should endure humiliation and even abandon my own family members so that he doesn't lose everything."

Ru Yu paused at this point Then she said faintly, "it's just that, unfortunately, there is another way to love, and that is selfish love. And what is selfish love like It is to hope that I will be together with the person I love for a long time. Let's not talk about whether I really love Lei Zhenyu, let's talk about whether Lei Zhenyu really loves me. To me, doesn't Mr. Lei feel that this is a good opportunity to test whether Lei Zhenyu really loves me "If Lei Zhenyu really loves me, then he wouldn't abandon me at this moment because I have an illegitimate daughter. Don't you think so?"

"You..." Lei Taihe was so angry that his face turned red. He really didn't expect that Che ru Yu's eloquence was so good. It seemed that it wouldn't work if he tried to reason with her.

Therefore, his attitude immediately became more unyielding Then, he said in a very stiff tone, "Che Ru Yu, you're speaking from the perspective of a little woman, but men and women are completely different. Men can't only have love. They have a career in addition to love and a family. Love can't be used as food. Do you want a man who is penniless to stay by your side?"

"Of course, love can not be used as food." Ru Yu did not care much about Lei Taihe's stiff tone She just raised her head and said indifferently, "in today's society, not only men need a career, but women also need a career. No one would be foolish enough to stay in love and not work hard."

"since you know that love can not be used as food, then why do you want to leave Zhenyu with no money Just tell me, how much money do you want to let Zhenyu go before you are willing to Divorce Zhenyu A woman like you originally didn't have the qualifications to stay in the Lei family. Lei Zhensheng stood up and walked over He looked coldly at ru Yu and mu Yao. It was as if money was everything, and he couldn't do anything without it.

"Big Brother, what right do you have to make decisions for me?" LeiiZhenyuu was very unhappy withLeiiZhensheng's words at this moment His tone also became stiff. "Is being rich really that big of a deal? Ru Yu also has her own studio, and she earns quite a lot from painting for a year. Don't bring out the money so easily, okay?"

"A studio is rented, how much can paintings be sold for?" Lei Zhensheng scoffed at Lei Zhenyu's words. "Zhenyu, you are overseas, so you don't understand the domestic market. In fact, the painter is just a poor painter. The money from selling the paintings is only enough to cover the expenses of her and her illegitimate daughter."

“Name your price, Che Ru Yu.” Lei Taihe saw that his eldest son had already said so much, so he did not plan to use his emotions to reason with him anymore. Hence, he said coldly, “as long as your price is not too outrageous, our Lei family will be able to satisfy you.”

“Hehe, the Lei family is really rich.” Mu Yao could not help but laugh out loud. Then, she raised her head to look at Lei Taihe and Lei Zhensheng and said, “first, we have to know how much money the Lei family actually has. As a member of the Lei family, Che Ru Yu, no matter what, we have to divide it according to the ratio, right?”

Chapter 1242: Zhang Muyao beat Lan Ruoshui with a whip

“divide it according to the ratio?” Lan Ruoshui couldn’t help but open the door when she heard Mu Yao’s words. Thus, she walked to Mu Yao in two steps and snorted coldly, “little bastard, you haven’t seen money, right?”

“Even if she hasn’t seen money, she wouldn’t be thrown into an orphanage to wait for relief, right?” Ru Yu took over the words indifferently. Then, she looked at Lan Ruoshui coldly and said, “No matter how poor I am, I am still a painter. I have a legitimate career. No matter how poor I am, I still use my own hard-working hands to earn money. Unlike some people, I have indeed seen a lot of money, but how did I see it at that time? It was nothing more than being someone else’s mistress. To destroy other people’s family and steal the successful husband that they have painstakingly raised. Even if such a person sees a lot of money, it is not necessarily glorious, right?”

“Che Ru Yu, don’t flaunt yourself so high and mighty, and don’t make yourself sound like a saint,” Lan Ruoshui immediately refuted. “You didn’t destroy other people’s family. If you didn’t destroy other people’s family, why are my father and my aunt angry about the divorce? You don’t have to interfere with her marriage if you want to destroy her family. It’s also destroying her family if you continue to be a troublemaker.”

Lan Ruoshui saw that Lei Zhensheng didn’t say anything to stop her. Thus, she said proudly, “also, didn’t you destroy her marriage? If you didn’t destroy her marriage, why didn’t you divorce my uncle? Yu Xi came back to look for her uncle and wanted to marry him. She was once his fiancée. You’re the one who kept my uncle. If you don’t do that, what does that count as? Do you consider yourself a rotten woman who deliberately sabotaged his marriage?”

“PA!” A CRISP and powerful whip sound rang out. The furious Mu Yao used all her strength. Her whip was not long, and was more than a foot long. However, it was enough to raise her hand to hit Lan Ruoshui. Although she was small, this whip was enough to hit her. Lan Ruoshui’s mouth immediately began to bleed. Moreover, the whip mark on her face was clearly visible, and even the corner of her mouth was red and swollen.

“You...” Lan Ruoshui used her hand to cover her burning mouth and face. Then, she shouted angrily, “how dare you! Where did this little B * Stard come from? No, maybe it’s a little B * stard. He actually dared to beat people in the Lei family. Someone, throw this little B * Stard out! Throw him as far away as possible!”

Following Lan Ruoshui's shout, two security guards immediately walked in from outside the door. Lei Zhenyu's face darkened and he scolded coldly, "who dares to touch her? All of YOU, get out! Who is the master of this family? Can't you get a share?"

The two security guards tactfully left immediately. In the Lei family, no matter how much Lei Zhenyu was disliked, his status was still much higher than Lan Ruoshui's, right Moreover, wasn't Lan Ruoshui no longer the eldest miss but only Miss Lan?

"Zhenyu, are you determined to go your own way?" Lei Zhensheng looked at the faint whip mark on Lan Ruoshui's face and his heart immediately ached. Although Lan Ruoshui wasn't his biological daughter, she was still Lan Yunxi's daughter Moreover, Lan Ruoshui looked so much like Lan Yunxi. At this moment, it was as if he saw Lan Yunxi's face being beaten to such a state.

This damned little bastard really lacked upbringing since young. He was only seven years old and already had a whip on him. He even started hitting people. He really wanted to immediately throw this little bastard into the Pacific Ocean to feed the fish.

Chapter 1243. Che Ru Yu was the best woman in the world

However, when he thought about it, he glanced at the seven-year-old child. In the end, he did not call for help like Lan Ruoshui did. He thought that it was good to let his younger brother see clearly who this mother and daughter were It was also good to let his younger brother completely give up on this idea.

"stubborn?" Lei Zhenyu laughed when he heard his brother's words He could not help but say mockingly, "then according to what big brother means, I will divorce ru Yu and then marry Song Yuxi according to your wishes. Then, I will help the Lei family get the approval for that piece of land. That way, I won't be stubborn, right?"

"Zhenyu, you're also a member of the Lei family. It's only right and proper for you to contribute to the Lei family," Lei Zhensheng said to his younger brother with a solemn face. "Also, Yu Xi was indeed wrong in the past. She only betrayed you once, but you ignored her because of that time. Now that she knows that she's wrong and has changed her mind, you still ignored her. I admit that Yu Xi is bad, but no matter how bad she is, she's still much better than Che Ruyu, right At least, she hasn't married anyone. At least, she doesn't have an illegitimate child waiting outside for her to secretly take care of him... .."

"Since you think Yu Xi is good, you can marry her. Anyway, sister-in-law wants to divorce you. In that case, you can also get the Lei family's approval letter, right?" Lei Zhenyu retorted without hesitation. "there is a saying that 'beauty comes from the eyes of the lover' . Therefore, what big brother thinks is good is what big brother sees. In my eyes, there is no woman better than Che Ru Yu."

When Mu Yao heard Lei Zhenyu's words, she immediately secretly gave a thumbs up to ru Yu and said in a low voice, "well, didn't he just pass? He is about to score eighty points."

Upon hearing Mu Yao's words, ru Yu could not help but laugh. She felt that Mu Yao was not just any ordinary cutie. Thinking about the whip that she had just given Lan Ruoshui, she could not help but give her a thumbs up as well Lowering her head, she whispered into her ear, "that whip of yours just now was also very handsome!"

Lei Taihe saw that ru Yu and mu Yao were whispering to each other He could not help but snort coldly and said, “no matter what strategy you two mother and daughter are discussing, in short, our Lei family will not accept both of you at the same time. Che Ru Yu, if you want to stay by Zhenyu’s side, if you want to stay in the Lei family, then quickly throw your illegitimate daughter out. ”

“Dad, aren’t your words funny? ” Lei Zhenyu spoke before ru Yu did He reminded faintly, “back then, when big brother found an illegitimate daughter in her twenties from outside, you let her in. Now, the facts have proven that the illegitimate daughter is not big brother’s daughter. She is only the daughter of big brother’s ex-lover. You also allowed big brother to acknowledge her as his goddaughter and let her stay in the Lei family. Why should ru Yu’s daughter be thrown out? ”

Lei Taihe was stunned when he heard this Then, his face darkened, “Ruoshui’s situation is different from this little bastard’s situation. Moreover, Ruoshui’s Mother did not come to marry your big brother, did she “If her mother brought Ruoshui to marry your big brother, I also don’t want her to stay in the Lei family. ”

“Alright, then I understand. ” Lei Zhenyu obviously didn’t want to nag his father and brother Then, he said indifferently, “anyway, it’s not the first time I’ve been chased out of the Lei family by you guys. Since the Lei family can’t tolerate ru Yu and her daughter, of course, they can’t tolerate me. Because I want to stick to our marriage with ru Yu, so I won’t waste your words. I’ll take them away now. ”

Chapter 1244: The Stubborn Lei Zhenyu

Lei Zhensheng gritted his teeth in anger when he saw that his younger brother was still stubborn He could not help but warn, “Zhenyu, if you walk out of the Lei family’s door today, don’t blame me for not reminding you. Can you still find a job in Seoul? Can Che Ru Yu’s studio in Seoul continue to operate? I think you should consider whether her paintings can still be sold in Seoul. ”

Lei Zhenyu’s heart immediately thumped when he heard Lei Zhensheng’s words. The Lei family was a company that could not be underestimated in Seoul. They also had dealings with various government departments. As for Song Yuxi’s father, he was even the Minister of culture He also had a very important right to decide on ru Yu’s studio.

Ru Yu could clearly feel Lei Zhenyu holding her hand more tightly. It was obvious that Lei Zhensheng’s threatening words had greatly shaken his heart.

“Uncle... why don’t you leave me and Che Ru Yu alone? If you become penniless because of the two of us, you’ll be in trouble. The Lei family looks so rich. ” Mu Yao could not help but remind Lei Zhenyu Don’t lose all your family assets just because of a loveless marriage.

Lei Zhenyu laughed when he heard Mu Yao’s words. His heart, which had been slightly shaken, calmed down in an instant He looked at Lei Zhensheng and said indifferently, “thank you for your reminder, brother. But brother, don’t forget that this world is very big. No matter how strong the Lei family is, they can only be strong and prosperous in Seoul. And I don’t necessarily have to live in Seoul. I’ve been living very well in the United States for the past seven years, and ru Yu’s paintings don’t necessarily have to be sold in Seoul. Don’t forget, she has participated in countless international art exhibitions, and not all of her paintings are sold to Korea. Besides, how big is Korea “Her paintings are sold all over the world. ”

Lei Zhenyu's words made Lei Zhensheng's face turn red. He never thought that Lei Zhenyu would be so stubborn to such an extent. He could not help but say fiercely, "alright, now that you've grown up, you think that Che ru Yu is also very capable. Then, you should leave the Lei family and try to see if life outside is really as easy as you think."

Lei Zhenyu nodded. He immediately held ru Yu and Mu Yao's hands and walked out of the door. He was already very disappointed with this family and with his father and big brother.

If his father was old and confused, would his big brother be confused as well? Would they believe anything Lan Ruoshui said? Or was it the chairman and President of the Lei Corporation?

Lei Zhenyu had made two trips when he moved back today. He had originally driven his own car, but now that he was leaving, he naturally wouldn't drive the Lei family's car anymore. Therefore, he walked out of the door and sent the car keys back.

"Dad, the keys to both of my cars are here. Let's drive ru Yu's car." Lei Zhenyu's tone was very indifferent. Then, he looked upstairs and said, "I'll get someone to move my and Ru Yu's things tomorrow. Don't worry, I won't move a single thing from the Lei family. I'll only move the things I bought with money and ru Yu's things. Please ask the housekeeper to arrange for our luggage to be packed tomorrow."

Lei Zhensheng looked at the two sets of keys at the door and was so angry that he almost vomited blood. He really had the urge to take these two keys and smash open his brother's head to see if there was any brain matter inside. For a woman.. He really did not want anything.

Chapter 1245: The exhausted Lei Taihe

"Have you seen enough?" Lei Taihe stared coldly at Lan Ruoshui who was standing at the side. Then, he snorted coldly and said, "Zhen Yu and ru Yu just moved out of the Lei family to live, but they are still the son and daughter-in-law of the Lei family, and you are still an outsider. Therefore, this Lei family is not Lan Ruoshui's world."

Lei Taihe's words were directed at her pointing fingers at Ru Yu and asking the security guards to come in and deal with Mu Yao. He didn't say anything just now, but it didn't mean that he supported her doing so.

Lan Ruoshui's face alternated between red and white. The little bit of joy and ambition that had just emerged in her heart was actually seen through by old Ye Lei, and it was pointed out by old master Lei. She immediately didn't dare to reveal any traces.

She originally thought that Lei Zhenyu's obstinacy in wanting to follow che ru Yu would best infuriate old master Lei and Lei Zhenyu into breaking off their father-son relationship, and Lei Zhensheng would also be unable to give birth. In this case, she, as the Goddaughter, would be able to play a role. With the addition of Jin Zhengnan's ability, the Lei family was just around the corner.

However, she did not expect that although Lei Taihe had chased Lei Zhenyu out of the Lei family, he did not have the intention of breaking off their father-son relationship. Moreover, from his tone just now, it seemed that he still liked che ru Yu. It was just that he could not accept her illegitimate daughter.

No, she had to think of a way. This time, she could not just target Che Ru Yu. She had to think of a way to make Lei Taihe Hate Lei Zhenyu. It would be best if he hated Lei Zhenyu until he broke off his father-son relationship with Lei Zhenyu.

Of course, she might be a little weak on her own, but it did not matter. Wasn't there still Song Yuxi who wanted to marry Lei Zhenyu and Zheng Junji who wanted to marry Che Ru Yu She could join forces with them.

Thinking of this, Lan Ruoshui was not angry after being scolded by Lei Taihe. Instead, she looked like she was listening to his teachings. It was as if she was extremely regretful and annoyed by her actions just now. She even said that she was too excited just now This was also because che ru yu suddenly had an illegitimate daughter who angered her. At that time, she only wanted to keep her uncle.

Lei Taihe saw that Lan Ruoshui had a good attitude towards admitting her mistake, so he did not pursue the matter any further. He just waved his hand and told her to leave quickly. At this moment, he did not want to see anyone. He just wanted to be quiet for a while.

Lei Zhensheng looked at his father and pondered for a moment before asking, "Um, dad, why don't we use a little more strength to force Zhenyu into a desperate situation? He will naturally come back. "

"Use more strength to force him?" Lei Taihe shook his head when he heard this. "forget it. He just said that at worst, he won't stay in Seoul and will go to the United States instead. As for Che Ru Yu, she is at least a famous painter for ten years. Do you think a minister of the Ministry of Culture Can Force her to death "Zhenyu was right. We won't be able to kill them. "

"then... Che Ru Yu, that illegitimate daughter of yours, will accept it?" Lei Zhensheng frowned and smiled bitterly. "Dad, if that's your plan, then why do you have to make things difficult with Zhenyu and the others tonight? "

"Sigh, I'm tired. You should go and rest first. We'll talk about this another day. " Lei Taihe waved his hand. He looked extremely tired. The messy matters at home had given him a headache.

Lei Zhensheng immediately nodded. He did not want to discuss this matter anymore. After all, his own wife had gone back to his mother's house. He had to think of a way to get his wife back tomorrow.

Chapter 1246: the Clever Mu Yao

"Let's go back to the apartment. " Lei Zhenyu helped ru yu drive. He turned to look at Ru Yu, who was holding Mu Yao in the passenger seat. "The apartment has two rooms and two living rooms. Mu Yao can have the guest room. "

Ru Yu nodded and turned to look at him. She said in a low voice, "I've really implicated you. "

"What are you talking about? Didn't we agree to advance and retreat together?" Lei Zhenyu smiled. He quickly turned the car around and drove in the direction of the apartment.

"Uncle, did you buy your apartment with the money of the Lei family?" Mu Yao also turned her head and looked at Lei Zhenyu who was driving and asked seriously.

"What's the difference?" Lei Zhenyu felt that Mu Yao's question was a little strange.

"Of course I did." Mu Yao answered seriously, "didn't your brother just say that you can't have anything that belongs to the Lei family? I'm afraid that when I sleep until midnight, the Lei family will suddenly rush in and force me out of bed. That would be troublesome. If that's the case, why not go to a hotel now?"

"Hehehe, you're such a small child. How can you have such a rich imagination?" Lei Zhenyu laughed. He reached out to stroke Mu Yao's head and said, "don't worry. The apartment we went to was rented by me, and I rented it with my own salary. It has nothing to do with the Lei family. No one can chase us away."

"Oh, a crafty rabbit has three burrows." Mu Yao looked like she suddenly understood. Then she looked at Lei Zhenyu and asked in a low voice, "then did the Lei family buy the other two burrows? Otherwise, how did you take us to rent the apartment instead of buying it yourself?"

Lei Zhenyu looked at Mu Yao with a surprised look, then shook his head and said, "well, you're so young, but you actually know the story of a crafty rabbit in three caves. Who taught you that? Your academic results must be very good, right? Do you want to come to Seoul to study?"

"No," Mu Yao refused immediately. Then, she sighed softly and said, "actually, what I dislike the most is studying. Besides, Seoul is so close to you guys, and my grades are poor. I'll have to listen to you guys every day. I'd better stay far away."

Lei Zhenyu couldn't help but laugh when he heard Mu Yao's words. Fortunately, they were already at the apartment. Ru Yu asked him to bring Mu Yao upstairs first and said that everything in the apartment had been moved away. There wasn't even a blanket to cover them tonight. She still had to drive home to get a few blankets.

Lei Zhenyu only just thought of this matter. It was true. The Lei family had sent people to move all their things away today. So, he nodded and told Ru Yu to drive carefully on the road. Then, he brought Mu Yao out of the car.

Because everything had been moved away, it was almost impossible for him to cook for himself. Thus, Lei Zhenyu held Mu Yao's hand and went to the restaurant outside the community to order dinner. Tonight, they could only settle it outside. After all, everyone was hungry.

Lei Zhenyu originally wanted to let Mu Yao eat first, but Mu Yao refused. She insisted on waiting for Ru Yu to come back and eat together. Lei Zhenyu had no choice but to send a text message to Ru Yu about the restaurant that he and Mu Yao were at.

When Ru Yu returned with a blanket and some bedding, Lei Zhenyu and Mu Yao had already ordered a table of dishes for her. She looked at the dishes and found that they were Chinese dishes. Moreover, two of them were Mu Yao's favorite dishes. It was likely that she had ordered the dishes herself.

Chapter 1247 the children of the poor are in charge

"The food here is not delicious, " Mu Yao commented as she put the food into her mouth. "It's not as good as my cooking. "

Lei Zhenyu immediately widened his eyes and looked at Mu Yao. He asked in disbelief, "Mu Yao, do you know how to cook? "

"Why not? " Mu Yao answered without raising her head. "I'll go and buy the ingredients tomorrow. I'll cook it for you to see if it's better than this restaurant's. "

Lei Zhenyu felt incredulous when he heard this. He could not help but look up at ru Yu and asked, "does Mu Yao really know how to cook? "

Ru Yu rolled her eyes at him and said, "do you think everyone misses a young master like you? Maybe you haven't gone through the kitchen before you turn 20? "

"Of course. " Lei Zhenyu did not deny it. He immediately nodded and said, "I went into the kitchen because I could not stand the foreign fast food in America. Isn't there an old saying in Korea that a gentleman cooks from afar? "

"Shh, that's Chinese. " Mu Yao immediately corrected her. "Don't take all the Chinese allusions and say that they are Korean. Korea is indeed a little too much in this aspect. They even dare to say that the mid-autumn Festival of the Dragon Boat Festival is theirs. "

Lei Zhenyu could not help but laugh when he heard ru Yu's words. He reached out and caressed Mu Yao's head. "little fellow, you're a Korean yourself, yet you still say that about Korea. It's a little unethical. "

"I'm just stating the facts. " Mu Yao's mouth was wrapped with food She said somewhat ambiguously, "what's more, the saying 'a gentleman cooks far away' is already outdated. In this society where there are more men and fewer women, if a man doesn't know how to cook, it's probably difficult for him to marry his wife. So you're right to learn how to cook in the United States. "

Lei Zhenyu didn't know whether to laugh or cry when he heard this. Wasn't this girl Mu Yao a little too smart He even suspected that she was really only seven years old?

Therefore.. He quickly changed the topic and said, "Mu Yao, uncle entered the kitchen under the last resort in the United States. How about you? You are so young. Who let you into the kitchen Is it because your mommy doesn't treat you well Does she abuse you all day long If it's true, I will help you take care of your mommy."

Mu Yao became interested when she heard this. She put down the chopsticks in her hand and stared at Lei Zhenyu with her big watery eyes. Then, she asked with a meaningful smile, "is it true? Can you take care of my mommy? "

"Yes, of course. " Lei Zhenyu pretended to wave his hand at ru Yu as he spoke. "You are not allowed to mistreat Mu Yao in the future. How can you bear to mistreat such a young child? If you want to mistreat Mu Yao, I will mistreat you in the future. "

"HAHAHA. " Mu Yao immediately laughed happily Then, she could not help but ask, "then why did you mistreat Che Ru Yu? " However, the ugly words had to be said first. If you think that Che Ru Yu, I'm

afraid that I will be anxious with you. Therefore, I advise you not to mistreat her. Under normal circumstances, she will not mistreat me."

"She won't mistreat you?" Lei Zhenyu was really convinced by Mu Yao. "You're so young, yet she wants you to cook in the kitchen. If this isn't mistreatment, then what is?"

"Sigh, this isn't considered mistreatment." Mu Yao acted like an adult and sighed. "In fact, it's all forced out by reality. The children of the poor should be at home early. If no one cooks for them, what if they don't do it themselves? Could it be that they starve themselves to death?"

Chapter 1248: Did you pick up Zhang Muyao

"Poor?" Lei Zhenyu felt that there was a contradiction in Mu Yao's words. Although Ru Yu was not considered rich, she was an artist who had been famous for ten years. How could she be considered poor? It shouldn't be a problem to feed and clothe the child, right? Moreover, her father lived in a villa.

"Let's eat, let's eat. Let's cut to the chase." Ru Yu knocked on their bowls with her chopsticks. "Hurry up and eat. After eating, I went upstairs to tidy up the bed."

After eating, they went upstairs. Ru Yu and Lei Zhenyu moved two big bags of bedding upstairs. Ru Yu went to make the bed for Mu Yao first, while Lei Zhenyu went downstairs to move some things.

"Mu Yao, you will stay here tonight. I also brought your pajamas from Daddy. You should go take a shower and sleep. It's getting late." Ru Yu instructed her sister, who was pulling the curtains.

"Okay, I got it. Go and do your own things." Mu Yao closed the window and waved her hand, indicating that Ru Yu could leave.

Ru Yu nodded. She walked to the door and turned her head. "Oh right, Mu Yao, how many days of vacation do you have this time? I remember that Binhai's Christmas isn't fake, right?"

"Binhai's school usually doesn't have a fake Christmas." Mu Yao nodded and then added, "but I went to Hong Kong school, so there's a holiday. I'll go back in two days."

Hearing Mu Yao's words, Ru Yu didn't ask anymore. She went back to her room. Lei Zhenyu had already prepared the quilt, bedsheets, and other things. At this time, he was laying out the pillows.

"Is Mu Yao asleep?" Lei Zhenyu saw her enter and immediately asked with concern.

"She's taking a bath. She'll fall asleep once she takes a bath." Ru Yu sat down beside the bed and yawned. "It's been a tiring day."

"Then let's take an early bath and rest." Lei Zhenyu placed the pillows beside her and sat down. He reached out and pulled her into his embrace. "Ru Yu, Mu Yao isn't your child, right?"

"Why not?" Ru Yu raised her head and looked at him with a slightly surprised expression.

"That night when we were together, it was your... first time," Lei Zhenyu pointed out mercilessly ...

Ru Yu's face turned red. She had really forgotten about this matter. It seemed that Lei Zhenyu had not imagined what Lan Ruoshui had said in the beginning. That was why he had accepted Mu Yao without a care.

"maybe... I went to repair that layer of membrane?" Ru Yu pondered for a moment and said, "Korea is a big fake country to begin with. This person's face is a lot of fake, let alone that layer of membrane."

"Hahaha," Lei Zhenyu laughed when he heard her words. Then, he shook his head and said, "you and Jin Zhengnan have been married for three years. Is there a need for you to repair the membrane before you marry me? It's not like I don't know that you're married."

"This..." ru yu was speechless. This was true. Even if she was not with Lei Zhenyu, it was not strange. She was a married woman. It was normal for her to not have the membrane ...

"Ru Yu, you picked Mu Yao up, right? Is She the child of your relative?" Lei Zhenyu saw that she did not say anything and immediately changed the topic. He immediately asked the question in his heart.

Mu Yao looked somewhat like ru Yu, but he knew that Mu Yao was not ru Yu's child. Therefore, he could only guess that she was the child of Ru Yu's relative. In fact, she was more or less a distant relative of ru Yu.

Ru Yu smiled when she heard this. Then, she followed Lei Zhenyu's words and nodded. "Yes, I picked her up. But don't tell Mu Yao. Otherwise, she will be sad."

Chapter 1249 marriage that was not based on love did not seem so embarrassing

"Yes, yes, of course I know that." Lei Zhenyu nodded, then smiled and said, "Mu Yao is such a good child. She's smart, capable, and sensible. She even said that she can cook. If only she was really our child."

"..."

When ru Yu heard this, her forehead immediately broke out in cold sweat. Well, it was fortunate that these words were said far away from Dongfang Mo. if Dongfang Mo really heard it, Lei Zhenyu would probably be thrown to the South Pole if not the Pacific Ocean. F * CK.. Who would dare to snatch Dongfang Mo's daughter?

"Alright, hurry up and go take a shower. Let's not talk about Mu Yao anymore." Ru Yu used her hand to push Lei Zhenyu who was still in deep thought. "It's getting late. You ran up and down tonight, and you're covered in sweat. I still have a lot of things to do at the studio tomorrow. What about you? Are you still going to work at the law firm tomorrow Will you be fired by your boss and good friend the moment you go tomorrow?"

"Who knows? Let's talk about tomorrow's matters tomorrow. Aren't we still not done with today?" Lei Zhenyu stood up as he spoke He looked at her meaningfully, then whispered in her ear, "well, why don't we take a shower together? Let me help you scrub your back and do some exercise in the bathroom."

Ru Yu immediately glared at him, looking very angry. Lei Zhenyu laughed proudly. She looked so good when she was angry, just like a seventeen or eighteen-year-old girl. Her face was red, and she was shy.

Lei Zhenyu went to the bathroom to take a shower. Ru Yu stood up and simply cleaned up the house. Thinking of Lei Zhenyu's words, her face turned red again.

It was not that she had not heard of exercising in the bathroom. After all, it was often mentioned in those melodramatic sayings. It was just that she was not that bold and open. Moreover, she had only been with Lei Zhenyu for one night.

Of course, she reckoned that she would not be able to avoid sleeping in the same bed with him tonight. Since they had already become a real couple, there was no need to avoid it, right?

That kind of thing did not seem to hurt as much as she had imagined. Of course, she could not remember how painful that membrane was because she was drunk that night. In fact, the whole process was a little blurry.

Tonight, she did not drink, and she was very clear-headed. When she thought about sharing a bed with him later, and how she would have sex with him later, her heart, which was originally a little shy and afraid, actually began to look forward to it.

In the past, she had thought that the wedding banquet must be based on love. Of course, this was all misled by Xiaoyan. That was why she had recklessly married the person she loved so badly.

But now, the facts proved that this marriage without a foundation of love was actually quite good. Only everyone followed a principle, kept a promise, and moved toward a common goal. Marriage naturally had its more attractive aspects than love.

Given the situation today, if it was Jin Zhengnan, would he walk out of the rich Man's home with her?

She really didn't have much confidence in this answer. It was probably not even possible, even though she and Jin Zhengnan had never encountered such a thing.

However, Lei Zhenyu, this man who was based on a marriage agreement with her, actually moved out of the Lei family without hesitation for the sake of his promise not to divorce no matter what difficulties or reasons he encountered. He had even given up half of the shares of the Lei family, which originally belonged to him.

Chapter 1250: Help me get something

Lei Zhenyu came out of the shower very quickly. He was not wearing pajamas. Instead, he had a loose towel wrapped around his waist. Ru Yu was so embarrassed that her face turned red. However, he smiled and asked shamelessly, "how is your husband's body?"

Ru Yu was so angry that she glared at him. Then, she stood up and ran to the bathroom. The result was a burst of laughter from Lei Zhenyu. Then, she said beautifully, "Ru Yu, I've helped you warm your bed."

Ru Yu ran into the bathroom and leaned against the door. Her heart was pounding. Although she knew that she would not be able to escape tonight, in the end, she was still a little afraid. And in this fear, there was a faint hint of expectation.

She took a shower in the bathroom and slowly took a shower. In fact, she wanted to take a shower until Lei Zhenyu fell asleep. But as she took a shower, she felt that something was wrong.

Because, she suddenly realized that she had run in too hurriedly just now. She actually didn't bring her pajamas in.

Oh my God, what did she mean by making a mistake while she was busy This was called making a mistake while she was busy, okay She only cared about rushing in, but she forgot the most important thing.

So, she turned off the water and pondered for a while. Then, she softly shouted at the bathroom door, "Zhenyu, can you help me get something? "

There was no response from the bedroom. She did not know if Lei Zhenyu had fallen asleep. She sighed to herself. Forget it, he was tired enough today. He had moved the things back to the Lei family in the morning and was chased out by the Lei family at night. It was normal for him to fall asleep at this time.

With this thought in mind, her eyes darted around the bathroom and immediately saw her bath towel. She could not help but let out a long sigh. She wrapped a bath towel and went out. She went straight to the cloakroom to change into her pajamas.

With this thought in mind, she immediately pulled down the bath towel and wrapped it around her body. Then, she was slightly stunned as she pulled open the bathroom door. She stepped out and was surprised to find that Lei Zhenyu had already arrived outside the bathroom door.

Lei Zhenyu did not expect that before he could ask ru Yu what she wanted to take out, ru Yu had already come out. At this moment, the towel wrapped around her body and wrapped around her exquisite curves. A pair of slender long legs extended out from under the towel On her sparkling white skin, there were droplets of water hanging. It was so beautiful that it was soul-stirring.

Seeing Lei Zhenyu staring at her without blinking, ru Yu's small and delicate face suddenly seemed to be covered with a red cloth. Her cheeks were like a ripe apple, so delicate that it could drip water It made people unable to resist the urge to take a bite directly.

Lei Zhenyu looked at her just like that. His pitch-black eyes were flickering with flames. His burning gaze landed on ru Yu's face without a blink of an eye. It was as if he had seen the thing he wanted the most, afraid that she would disappear into thin air in the blink of an eye.

Ru Yu was a little embarrassed by his gaze. She immediately avoided his burning gaze and said incoherently, "um... I'm going to the cloakroom... to change into my pajamas. "

"Ru Yu. " Lei Zhenyu called out to her in a low voice.

Ru Yu's heart pounded like a little rabbit. She tried to brush past him, but her footsteps were as heavy as a thousand pounds. Moreover, if she brushed past him, would she be closer to him? Would he be the instant she brushed past him... ..

Before ru Yu could finish fantasizing, she saw Lei Zhenyu walking towards her step by step. She instinctively retreated, but she only took a few steps before she retreated to the wall. There was no room for retreat anymore.

Lei Zhenyu stretched out his hand and pulled the nervous ru yu into his embrace. He hugged her tightly, and his thin lips exhaled a warm breath on her delicate neck Bewitching words whispered in her ear, “Ru Yu, tonight, let me love you again, okay?”
