

Divorce 1431

Chapter 1431 are you a woman

He grabbed her in annoyance as she was about to walk towards the bathroom door. He could not help but growl, "Che Ru Yu, are you a woman or not? You drank so much that it was the most expensive and you still want to sleep without taking a shower? "

"Don't you know if I'm a woman or not?" The corner of her mouth curled into a mocking smile. Her body, which was only wearing a fig leaf, took a step towards him. She reached out, grabbed his brain, and lightly pressed it on his thin lips. Then, she laughed softly and said, "Lei Zhenyu, tell me, am I a woman or not? "

His brain was instantly deprived of oxygen, and his entire body froze for a second. However, just as she was about to quickly retreat and turn around, he quickly hugged her, turned around, and forcefully pulled her onto the Tatami in the bathroom.

"Lei Zhenyu," ru Yu finally woke up a little bit. She could not help but push him away and shout, "you can't... Lei Zhenyu... you can't..."

"You can't, why can't I?" He was so angry that his eyes were dark red and he gritted his teeth. He was her husband, and she was his wife. They were a legal couple, so what could he not do?

She refused and struggled desperately. He insisted on not giving her any chance to escape. Originally, because of her training, the two of them were evenly matched when it came to fighting.

However, she was really drunk tonight, so her entire body was a little weak. And he was in a rage, so he used even more strength, so he quickly subdued her.

She only felt uncomfortable, very uncomfortable. She did not hear what he said clearly, but she knew that he was trying to coax her. Every time he wanted her, it was always to coax her. It was all to coax her... ..

As the saying goes, a dry wood meets a raging fire. This couple had not been together for a long time. This time, they were finally together, so Lei Zhenyu naturally would not let go of this opportunity

"Lei Zhenyu." Ru Yu finally woke up a little bit. She could not help but push him away and shout, "No... Lei Zhenyu... no..."

"No, why not?" He was so angry that his eyes were dark red and he gritted his teeth. He was her husband and she was his wife. They were a legal couple, what could not be done?

She refused and struggled desperately. He insisted on not giving her any chance to escape. Originally, because of her training, the two of them were evenly matched when it came to fighting.

However, she was really drunk tonight, so her entire body was a little weak. And he was in a rage, so he used even more strength, so he quickly subdued her.

She only felt uncomfortable, very uncomfortable. She did not hear what he said clearly, but she knew that he was trying to coax her. Every time he wanted her, it was always to coax her. It was all to coax her... ..

As the saying goes, a dry wood meets a raging fire. This couple had not been together for a long time. This time, it was not easy for them to be together. Of course, Lei Zhenyu would not let go of this opportunity

..

Therefore, from the bathroom to the room, from the carpet to the Sofa, from the sofa to the bed, and finally back to the bathtub in the bathroom... ..

For the entire night, ru Yu did not know how many times Lei Zhenyu had tormented her. The main reason was that at the beginning, her brain was muddled. After all, she was drunk. Later on, she woke up a little, but she was so tired that she could not resist him at all.. She could only let him continue torturing her... ..

She did not know when it stopped because before he finished his last time, she could not resist at all. Then, she was the first to fall asleep... ..

By the time she woke up, the bright and beautiful sunlight had already shone through the light curtains. Because of the pattern, the room was covered in a layer of gorgeous colors, just like the fur of a spotted dog.

Chapter 1432: Lei Zhensheng is back

She lazily got up from the bed, her whole body still sore and aching. Reality proved that she had not done any exercise in bed for a long time. This exercise from Meng Meng had indeed almost broken her bones.

That damned Lei Zhenyu. He was clearly a gentle and gentle man, but he had turned into a beast as soon as he got into bed. As she got up, she cursed him in her heart.

By the time ru Yu washed up and got up, it was already 12 o'clock in the afternoon. Well, she had made an invisible contribution to the world environmental protection organization and saved a breakfast of food.

She went downstairs with her whole body aching. Fortunately, although it was late February and spring was coming, it was still cold and there were no signs of spring.

She wore a turtleneck sweater and a thin coat. When she arrived at the hall on the first floor, she was surprised to find Lei Taihe and Lei Zhensheng sitting by the dining room, as if they were ready to have lunch.

Seeing her coming downstairs, Lei Taihe immediately called her, "Ru Yu, you went out after lunch, right? Are you busy today?"

“Yes, I have a lot of things to do today,” ru Yu replied. Then, she looked at Lei Zhensheng and asked politely, “Big Brother is back?”

Lei Zhensheng nodded at her, “yes, I’m done with Taiwan. I’ll come back to do my own things now.”

Do My own things Ru Yu didn’t understand what Lei Zhensheng meant. However, there had always been a gap between her and Lei Zhensheng because of Cai Shaofen’s matter, so she wouldn’t be stupid enough to ask him what he meant by his own things.

Lei Zhensheng had gone to Taiwan a year ago. He seemed to be in charge of the Lei’s branch in Taiwan. There used to be someone in charge of the branch, but he transferred it back, and then it was his turn to go.

On the contrary, it was Lei Zhenyu, now the CEO of the Lei’s, who was busy all day. It was the CEO who sent Lei Zhensheng to the Taiwan branch, but he had nothing to do. He left for a year.

Ru Yu didn’t have lunch at home because yesterday’s art exhibition had ended. She was probably very busy today. Before she went downstairs, Jing Jing was already calling to urge her to hurry over.

She politely greeted Lei Taihe and his father, explaining the reason why she was not having lunch at home. Then, she quickly went out and drove towards her studio.

Actually, when Lei Taihe was not at the Lei residence, she did not come back to stay at the Lei residence. Instead, she stayed in her original apartment, which was the apartment that she had lent Cai Shaofen.

Lei Zhenyu rarely went back to the Lei residence. He also had his own apartment. Moreover, he heard that he had bought an apartment near the Lei Corporation to facilitate his commute.

Her lunch was settled with lunch boxes. There were indeed many things to do at the studio. When she went there, Cui Jingying was extremely busy. She even said that for the past three days, she had lost two paintings for some reason.

Good Heavens, it was impossible to guard against the opening of an art exhibition and the loss of paintings. It was said that many artists had experienced this situation before. Although she had already strengthened her precautions, she still could not completely guard against it.

If she lost it, so be it. There was no other way. This kind of thing was like losing your wallet. The chances of you finding it back were almost zero. She did not plan to look for it.

She was busy the whole afternoon, but she did not forget Lin Yuxin’s appointment, so she still got off work half an hour early in her busy schedule. Then, she drove to the old tree barbecue shop next to the university.

Chapter 1433: Lin Yuxin is getting married

Ru Yu thought she was getting married early enough, but by the time she arrived, Lin Yuxin was already waiting for her at the window seat of the barbecue shop.

She walked in and found that Lin Yuxin, who had big waves of electricity, had matured. Moreover, she seemed to have become a lot more beautiful. She even vaguely felt that she was a little younger than the gynecologist she used to be.

“Yu Xin, where have you been for the past year?” Ru Yu patted her shoulder and looked at her with an interrogative gaze. “Tell me honestly, where exactly have you been?”

“I went to Taiwan,” Lin Yuxin answered truthfully. Then, she sighed and said, “I’m getting married.”

“really?” Ru Yu was slightly stunned, then she laughed out in surprise. She grabbed her wrist and said with a little excitement, “you’re really getting married? Then congratulations, have you found your ideal husband?”

“How can a man who doesn’t want to be with you be your ideal husband?” Lin Yuxin smiled bitterly and shook her head. Then, she took a sip of the white water on the dining table.

“who doesn’t want a man?” Ru Yu also took a sip of the water and asked casually, “who is so blind?”

“Cai Shaofen,” Lin Yuxin said faintly.

“PFFT... cough cough cough... cough cough cough...” ru Yu just spat out a mouthful of water from her mouth and then choked until she coughed. This cough was almost out of control ...

After a long time, she finally calmed down and looked at Lin Yuxin. She couldn’t believe her ears and asked, “you mean... you want to... marry Lei Zhensheng?”

Lin Yuxin nodded and smiled bitterly, “you didn’t expect it, right? Ru Yu, we are so fated. Not only did we become best friends, but we will also be sisters-in-law in the future.”

“We may not be sisters-in-law anymore.” Ru Yu wiped her mouth with a tissue and sighed, “heaven is playing tricks on us. We haven’t seen each other for more than a year. You are going to marry Lei Zhensheng, and I may divorce Lei Zhenyu.”

“What happened?” This time, it was Lin Yuxin’s turn to be surprised. She widened her eyes and looked at ru Yu, “what happened? Aren’t you close with Lei Zhenyu?”

“Jin Zhengnan is dead,” ru Yu’s voice sounded faintly. It sounded elegant, as if it didn’t come out of her mouth.

“When did this happen?” Lin Yuxin widened her eyes and looked at ru Yu, “how come I don’t know? How long has he been dead?”

“One year and twenty days,” ru Yu’s voice sounded slightly choked, “last year, February 5th. Now, it’s already February 25th.”

“Why did he die?” Lin Yuxin didn’t expect that in just a little more than a year, ru Yu’s life trajectory had changed because of her.

The most unexpected thing was that Jin Zhengnan died. Although she didn’t like Jin Zhengnan because he abandoned ru Yu with Lan Ruoshui, in the end, Jin Zhengnan was also their friend. He was also someone they knew?

“Last year, there was a snowstorm in Seoul that was hard to come by in fifty years...” ru Yu recounted what happened a year ago on the day of the snowstorm When she talked about how Jin Zhengnan risked his life to save her, and how Jin Zhengnan asked her to be happy in the end, she was already sobbing.

“Ru Yu, ” Lin Yuxin handed her a tissue and said softly, “Ru Yu, don’t cry. He wants you to be happy. He’s watching you from the sky. He definitely doesn’t want to see you cry...”

Chapter 1434: The devil that fell from the sky

Ru Yu finally stopped crying and took a deep breath She looked at Lin Yuxin and said, “alright, I’m fine. Let’s talk about you. Why did you suddenly go to Taiwan You didn’t even inform us. Now that you’re back, you suddenly say that you’re going to marry Lei Zhensheng. Why is that When did you get together with him?”

Lin Yuxin smiled bitterly. When did they get together That had to start from more than a year ago.

It was January last year. It was New Year’s Day then. Ru Yu worked overtime for two days. After three difficult Caesarean sections, she finally welcomed her New Year’s holiday.

She originally wanted to sleep well at night, call ru Yu tomorrow, and ask her out for a day. She heard that the nearby ski resort could ski.

However, when she opened the door with her key and walked in, she was shocked to find that there was a person sitting in her apartment. And this person was the famous Lei Zhensheng, the CEO of the Lei Corporation.

She was so scared that the key in her hand fell to the ground. A bad premonition welled up in her heart. She and Lei Zhensheng had never met before. The only reason she knew him was because he had appeared in newspapers, magazines, and television. He was an entrepreneur.

Lei Zhensheng just looked at her, who was so scared that she was like a little rabbit. The corners of his mouth curled into a cold smile as he approached her step by step. She stepped back step by step, wanting to retreat to the door and turn away.

However, she was fast, and Lei Zhensheng’s legs and hands were fast. Just as she was about to retreat to the door, he took a step forward and closed the door, locking it from the inside. He did not give her a chance to escape at all.

She hurriedly took out her phone to call the police. Unfortunately, just as she pressed a number, her phone was snatched by Lei Zhensheng. Then, she threw it on the ground and broke it into pieces.

“What exactly do you want to do?” Lin Yuxin finally became afraid. When Lei Zhensheng forced her into a corner and had no way to retreat, she finally asked in a trembling voice.

“What do you want to do?” Lei Zhensheng’s eyes were full of flames of anger. He lifted her chin with his hand and snorted, “what do you think I want to do? You took away my wife, so of course you have to compensate me with a wife, right?”

"I didn't take her away. The problem is all on you," Lin Yuxin quickly explained, "I just did what a doctor should do and helped her test the sperm. If there's nothing wrong with your sperm..."

Lin Yuxin tried to reason with Lei Zhensheng, but Lei Zhensheng didn't listen to her. While she was chattering, he quickly reached out and picked her up like a chicken, walking directly to the bedroom.

"Hey, what are you doing?" Lin Yuxin was lifted into the air by him and couldn't help but shout in fear. Because of her fear, her voice was trembling.

"What are you doing? You'll know soon enough." Lei Zhensheng threw her heavily on the bed. Before she could jump up, he pounced on her and pressed her on the bed.

"No..." no matter how idiotic Lin Yuxin was, she finally understood Lei Zhensheng's bestiality, so she quickly refuted him, "Mr. Lei, we're not related at all. You can't treat me like this. What you're doing is Qj. Qj is illegal, understand?"

Chapter 1435: the Angel Meets the devil

"QJ?" Lei Zhensheng stopped pulling at her clothes. Then, he looked at her and nodded. "Yes, you remind me that it's not worth it to break the law for you. So, you choose. Do you want me to have sex with you willingly, or do you want me to give you something to drink so that you can have sex with me in a dream?" "choose one or the other. Make a decision quickly!"

"Mr. Lei, be reasonable." Lin Yuxin tried to persuade Lei Zhensheng. "I really didn't offend you. Your wife wanted a divorce. The main reason for her divorce is not that you can't have children, but that you're outside..."

Unfortunately, Lin Yuxin's words were like air to Lei Zhensheng. Seeing that she didn't choose and was still nagging, he simply didn't wait for her and directly stripped her of her clothes.

"No." Lin Yuxin tried to cover the beauty on her chest with her hands, but she didn't know that such a move would only arouse the bestiality of men, especially when they were angry.

"No?" Lei Zhensheng's lips curled into a mocking smile. He reached out and grabbed her legs, pulled them apart slightly, and sat on them.

Lin Yuxin, like ru Yu, was two years older. She was already 28 years old, so Lei Zhensheng thought that she should be very familiar with this kind of life. Therefore, he did not think of taking pity on her from the beginning. Instead, he directly... ..

How many women had Lei Zhensheng experienced? He had experienced both real and fake virginity. Of course, his wife, Cai Shaofen, was a real virgin when she married him. At this moment, the feeling that Lin Yuxin gave him made him feel as if he had returned to the wedding night with Cai Shaofen twenty years ago.

That night, Cai Shaofen was also in so much pain that her face was full of tears. At that time, his heart ached for her, so he was especially gentle. However, now that he really had sex with this woman, it was not worth his heart's pain. Because it was this woman who caused his divorce and caused his wife to leave.

Therefore, under the cries of Yu Xin, Lei Zhensheng's actions did not become gentle. Instead, he became even more courageous. He completely ignored Lin Yuxin's pain and ruthlessly vented his bestial nature...

...

Lin Yuxin's three-day holiday, her incomparably beautiful three-day holiday, was ruined by Lei Zhensheng, this demon. He lived in her house like a devil. When he was hungry, he would order takeout. When he was tired, he would lie on her bed and sleep. When he recovered his energy, he would get up and torment her.. He completely ignored the bloodstains on the bed sheet.

Three days, three nights, and seventy-two hours. She was his tool to vent his lust. He did not allow her to wear clothes. He said that he was too lazy to help her tear them up. Anyway, he had seen and touched them all. Whether she wore them or not was the same in his eyes.

She was so angry that she gritted her teeth and said that she wanted to sue him. He said that it was fine, and he even told her openly, "you can't sue me, and your lawyer fees will fall into my hands. "

So, she looked forward to her arrival at work. However, three days later, Lei Zhensheng did not allow her to go to work. He even took the initiative to cancel her house, quit her job, and then, in the middle of the night, when it was quiet.. He forcefully brought her to an apartment in the suburbs.

Chapter 1436: the Angel Meets the Devil 1

"So, Lei Zhensheng went to Taiwan after the Lantern Festival last year, and he took you directly to Taiwan?" Ru Yu couldn't help but guess when she saw Yu Xin stop.

Last year, the Spring Festival holiday had just passed, and Lei Zhenyu didn't want to go to work at first. He said that he would give the position of president to his brother. He wanted to accompany her to travel and relax, because at that time, Jin Zhengnan had just died half a month ago.

However, Lei Zhensheng refused to be the president of the Lei family no matter what. He insisted that something had happened to the Taiwan branch, and he had to go personally. In the end, Lei Zhenyu couldn't do anything about it, so Lei Zhensheng went to Taiwan after the Lantern Festival.

This trip lasted for more than a year because this year's Lantern Festival had already passed by more than a week.

"Yes." Lin Yuxin nodded Then, she sighed deeply and said, "in Taiwan, I don't have any identification. Because he confiscated it, I have no family. Other than following him, I have no other choice. Because without any identification, it is impossible to find a job. Moreover, he doesn't allow me to go out and look for a job."

"then you have already returned." Ru Yu said very angrily, "Yu Xin, it is Seoul now. What are you afraid of him for "As long as you don't agree to marry him, he won't dare to force you to marry him. If you

want to sue him, I'll help you hire a lawyer. Lei Zhensheng is really not a human being. Does he think that he can do anything just because he has money?"

"Sue him? Do you think your husband, Lei Zhenyu, will help me sue his brother?" Yu Xin laughed when she heard Ru Yu's words. She shook her head and said, "Ru Yu, you know that no matter how bad their relationship is, they won't fall out and become enemies."

"WHO said they want to look for Lei Zhenyu?" Ru Yu rolled her eyes at her. Then she said in a bad mood, "fine, I know many lawyers. Lei Zhenyu hasn't been a lawyer for a long time. I guess he won't be going to court anymore. Don't forget, my uncle is the true master of the legal world."

"Oh, I really forgot if you didn't mention it." Lin Yuxin looked as if she suddenly understood and quickly asked, "Um, did your aunt wisdom come back to Seoul? Did she have a child smoothly? Is the mother and child safe?"

"Mother and child are safe, mother and child are safe," ru yu quickly repeated two sentences. Then, she sighed and said, "on the Lantern Festival, Auntie Hui hugged her son and was still talking about you. She said that if it weren't for you, she probably wouldn't have had a child in her entire life. She even said that she wanted the child to call you godmother."

"PFFT..." Lin Yuxin could not help but laugh out loud. Then, she nodded and said, "alright then. When you have time, you can visit your aunt."

"Oh right, are you really going to marry Lei Zhensheng?" Only then did ru yu remember the serious matter and quickly asked, "is there no other way?"

"What if I don't marry him? I've been living with him for a year." Yu Xin sighed and looked at ru Yu. "Do I have any other choice?"

"Cai Shaofen wants to divorce him even after living with him for 20 years. So what if you live with him for a year?" Ru Yu said indifferently, "just think of it as being eaten by a dog this year. As long as you don't want to marry him, he doesn't have the power to force you to marry him, right?"

"Of course he can't force me, but the point is, I have to marry him now," Yu Xin bit her lip and said.

"Why?" Ru Yu was even more puzzled. "Why do you have to marry him?"

Chapter 1437 the difference between a good man and a bad man

"because..." Yu Xin stopped after saying 'because'. Then she took a deep breath and said, "because I think it's not a bad thing to live with him. Because he's not as bad as I thought."

Ru Yu laughed when she heard this. Then she nodded and said, "well, Lei Zhensheng is definitely not a good man. After all, we believe that a good man would not cheat on his wife. Of course, the relationship between him and Lan Ruoshui's mother is not considered cheating. After all, he was not married to Cai Shaofen at that time. Moreover, that was his first love. I'm talking about after he married Cai Shaofen. I think you know that he also has a woman outside."

Ru Yu paused for a moment when she said this. Then she said, “of course, Lei Zhensheng isn’t a bad man. There are many men who cheat on their wives in this society. Let alone Lei Zhensheng, who is the CEO of a corporation, even ordinary men who have a little money, or those who don’t have much money in the workplace, some even rent a house and live in it. There are also men who cheat on their wives when they have a marriage and a family. It’s very common for rich men to have mistresses.”

“You will analyze men very thoroughly when the time comes.” Yu Xin had no choice but to admit defeat to Ru Yu. This guy usually didn’t talk about marriage. When he talked about it occasionally, he was quite talkative.

“I’ve always been a little disappointed in men since I was young, okay?” Ru Yu rolled her eyes at her. “You don’t know the story between my parents. Back then, my mother was bullied terribly by my father. Now, people only see Xi Muru’s happiness, but they never know that it was almost a life-and-death exchange for her happiness.”

“okay, ru Yu.” Lin Yuxin comforted her instead. “Isn’t your marriage pretty good now? “Zhenyu treats you well. He definitely won’t mess around outside like his brother did when he was young. You don’t have to follow the sad path your mother walked.”

Ru Yu shook her head. She knew that there were some things that she couldn’t explain clearly to Yu Xin, so she quickly changed the topic. “Alright, let’s not talk about me. Let’s talk about you. From now on, you won’t leave Seoul, right?”

“I came back with him specifically to get married. Once we get married, we’ll immediately return to Taiwan.” Yu Xin sighed softly. “Ru Yu, my stories are also very long. A lot of things have happened between me and him. In short, it’s a long story. When there’s a chance in the future, I’ll slowly tell you about it.”

“You really want to marry him?” Ru Yu finally understood. She tried to persuade him for a long time, but it was useless. He still wanted to get married.

“Of course I want to get married. Why did you come back to Seoul without getting married?” Yu Xin smiled bitterly. Then, she put the roasted pork belly on Ru Yu’s plate and said, “hurry up and eat. This is the best pork belly. I remember you like roasted pork belly.”

“Damn, that was before. I like roasted pork belly now.” Ru Yu put the pork belly into her mouth and teased, “I was influenced by Mu Yao. That girl loves roasted pork belly.”

“By the way, has your sister come back to Seoul these few days?” When Yu Xin heard her mention Mu Yao, she quickly asked, “I really want to see her. I haven’t seen her for a long time.”

“She just went back last week and came to celebrate the Lantern Festival.” Ru Yu rolled her eyes at her. “when she went back, she was grounded by my father. She probably won’t be able to come to Seoul for a year and a half.”

Chapter 1438: Lei Zhenyu’s strange behavior

Ru Yu and Yu Xin's barbecue was eaten a little late. Yu Xin originally wanted to drink some wine, but ru yu just drank wine last night. Moreover, when she got drunk, Lei Zhenyu ate her until not even her bones were left.

She didn't want to pay the price like last night, so she resolutely refused to drink with her. She only wanted to drink her wedding wine when she got married.

Lin Yuxin just smiled and didn't say anything. After eating the barbecue with Ru Yu, she waved her hand to pay the bill. Ru Yu wanted to pay, but she didn't let her. She only said that it was her treat, so there was no reason for her to pay.

When she walked out of the barbecue shop, it was already late. Ru Yu asked Yu Xin if she wanted to drive her. Yu Xin shook her head and said that she lived nearby and did not need to drive her. She walked back.

Ru Yu did not insist because Lei Zhenyu had already sent her more than five messages. He kept asking her where she was, asking her to go back earlier.

On the way back, ru Yu was still thinking, why is Yu Xin willing to marry Lei Zhensheng Lei Zhensheng was 20 years older than her. Although a 49-year-old man was not old, to Yu Xin who was only 29 years old, he was indeed old.

It had only been a year, and she could no longer understand Yu Xin's thoughts. In fact, as long as Yu Xin said that she was not willing to marry Lei Zhensheng, she would definitely be able to help her settle this matter.

However, since Yu Xin was willing to marry, she could not forcefully stop her. Moreover, Yu Xin had said before that as long as she liked it, she could marry anyone she wanted. Moreover, the age gap between Yu Xin and Lei Zhensheng was not that big.

Lei Zhenyu sent her a few text messages. When she returned home, there was no sign of him. Well, he probably saw that she was not back for a long time, so he went out again... ..

Forget it, forget it. He could do whatever he wanted to do outside. She could not be bothered with him. Anyway, she also wanted a divorce, so it was good that he got tired of her earlier. After all, he would only be willing to divorce if he got tired of her.

Ru Yu thought about it and took her clothes to the bathroom to take a shower. As she took a shower, she heard footsteps outside the door. She could tell from the sound of footsteps that he should be back.

After taking a shower, she walked out. It was indeed Lei Zhenyu. He was sitting on the Sofa in a daze. No one knew what he was thinking. She had already walked to his side, but he still had not noticed her.

"You're daydreaming again." Ru Yu pushed his shoulder. "What are you thinking about? Why are you daydreaming so much?"

"Oh, I'm not thinking about anything." Lei Zhenyu turned his head and looked at her from the side. He looked like he wanted to say something, but he hesitated.

"You have something to say to me." Ru Yu immediately guessed it. Then, she sat down beside him and said softly, "say it. You keep urging me. What's the matter?"

"I . . . Nothing much." Lei Zhenyu played a joke and then quickly changed the topic. "about that, big brother came back to marry Lin Yuxin. You know about this, right?"

"Yes, Lin Yuxin told me tonight." Ru Yu nodded and then said, "what's wrong? Do you want me to help them organize the wedding?"

"ORGANIZE THE WEDDING?" Lei Zhenyu smiled and shook his head, "they don't have a wedding. They will go to register the wedding tomorrow morning and fly to Taiwan in the afternoon. The wedding should be held in Taiwan, right? As for when it will be held, big brother didn't say, so I don't know."

"They are leaving tomorrow. Then, don't I have to find time to send Yu Xin off tomorrow afternoon?" Ru Yu didn't expect Yu Xin to come back so suddenly and leave so quickly.

Chapter 1439: Lei Zhenyu's strange behavior

"Don't go. Big Brother doesn't want any of us to send him off." Lei Zhenyu quickly tried to dissuade her. "Alright, go to sleep. It's getting late."

Ru Yu nodded and got up. She walked towards the bedroom. When she reached the door, she couldn't help but turn around and ask him, "Um, you really don't have anything to say to me, do you?"

Lei Zhenyu shook his head. "I really don't have anything to say. Go to sleep early. I'll come back after I'm busy with some things in the study."

Ru Yu didn't say anything else and quickly walked into the room. Regarding Lei Zhenyu's strange behavior tonight, she felt that something was wrong. However, she couldn't tell what exactly was wrong.

Forget it, forget it. Anyway, she and Lei Zhenyu had less interaction now, especially in the past six months. The two of them had very little contact with each other. Sometimes, they did not even look like a couple anymore.

Of course, the responsibility was on her. The main reason was that she had been away from Seoul frequently in the past six months. She also often went rock climbing with Leng Rong and the others, racing cars, and so on. Therefore, the relationship between the husband and wife naturally did not get better.

If one day, Lei Zhenyu could not stand it anymore and he proposed a divorce, it would be good. She still thought about it before she went to bed. She really hoped that Lei Zhenyu could not stand her one day earlier. It would be good if he could not stand her anymore.

That night, Lei Zhenyu did not come to her bed again. She was also happy to have a good sleep. After being tormented by him last night, she really did not sleep well.

Ru Yu had always thought that the divorce between her and Lei Zhenyu would take at least one or two years. Because Lei Zhenyu was extremely patient, based on her understanding of Lei Zhenyu's character, he could at least tolerate her for another one or two years.

However, sometimes, things happened so quickly that it was impossible to predict. Just like the divorce between her and Lei Zhenyu.

The next morning, she didn't wake up late. Because she picked an alarm clock before she went to sleep, the very responsible alarm clock woke her up on time.

She naturally got up and went downstairs. It was the same as usual, but it was very early today. When she went downstairs, Lei Zhenyu and Lei Zhensheng were not in the restaurant, but Lei Taihe was sitting at the dining table.

"Good Morning, Dad." Ru Yu walked over and sat down at the dining table to greet Lei Taihe.

"Good Morning." Lei Taihe looked a little tired. He didn't know if it was because he was tortured by illness last night and didn't sleep well.

After all, the breakfast in the Lei family was sumptuous. It had been a long time since ru Yu had breakfast in the Lei family. Today, Meng's breakfast was still better than the breakfast in the restaurant outside.

It was the rule of the Lei family to eat without saying anything and sleep without saying anything. Therefore, she and Lei Taihe had breakfast in silence. No one said anything.

After breakfast, she went upstairs to get her bag and was ready to go to work. Unexpectedly, she was stopped by Lei Taihe who was sitting on the Sofa in the living room when she went downstairs.

"Ru Yu, come here." Lei Taihe pointed at the single-seater Sofa next to her and looked at her. "Dad wants to talk to you."

"Oh." Although ru Yu felt a little puzzled, she still walked over and sat down on the single-seater Sofa. She turned to look at Lei Zhenyu. "Dad, do you want to say something to me?"

"Um... did Zhenyu say anything to you last night?" Lei Taihe hesitated for a moment and asked first.

"He said that big brother went to register his marriage this morning and seems to be going to Taiwan in the afternoon. It's said that he won't hold the wedding in Seoul," ru Yu said truthfully. Lei Zhenyu had indeed agreed to it last night.

"He didn't... tell you anything else?" Lei Taihe frowned. It seemed that he had really guessed it ...

"anything else?" Ru Yu shook her head. "No, why?"

Chapter 1440-song Yuxi is pregnant

"Yuxi is pregnant," Lei Taihe said. He looked at ru Yu with guilt. "It's Zhenyu's child!"

Ru Yu sat there. She had thought of thousands of reasons for her divorce with Lei Zhenyu. Every reason was her own, but she had never thought that something like this would happen to Lei Zhenyu.

Lei Taihe was shocked when he saw ru Yu standing there in a daze Hence, he hurriedly said, "Ru Yu, I don't have any other intentions, nor do I have any intention of asking you to step down. You will always

be the second young madam of the Lei family. No one can change that. I just want to discuss with you. My Body probably won't be able to endure for long. I want to see my grandson. Please understand the feelings of an old man. "

"I will divorce Lei Zhenyu." Ru Yu finally came back to her senses. Then, she looked at Lei Taihe and said, "Dad, I understand your feelings. I won't be so ignorant..." "

"That's not what I meant." Lei Taihe quickly cut off ru Yu's words Then, he quickly said, "Ru Yu, Zhenyu doesn't mean that either. I don't mean that either. I mean that I want that child. I don't want anything else. Look... Can I let that child be brought back for you to raise?" "

"Zhenyu, does he mean that too?" Ru Yu took a deep breath. At this moment, she was only concerned about Lei Zhenyu's attitude. As for Lei Taihe's attitude, she couldn't be bothered to care about it.

"Zhenyu, he... He didn't say anything." Lei Taihe stammered Then, he looked at ru Yu with a pleading gaze and said, "this is what I meant. I hope that you can understand my feelings as an old man who wants to see his grandson. I'm not saying that I want Yu Xi to marry into the Lei family. Of course, she doesn't have the qualifications. It's just that the child..." "

"enough." Ru Yu stood up and looked at Lei Taihe. "Father, I understand and understand your feelings very well. Now, the problem is not with me but with your son, Lei Zhenyu. I'm very easy to talk to. The divorce can be signed at any time. Alright, that's it. "

After saying that, ru Yu immediately turned around and walked towards the door. Lei Taihe's voice could be heard from behind her. "Ru Yu, I don't have any intention of divorcing you and Zhenyu. I really don't have that intention. I just want that child. I just want a child..." "

Ru Yu quickly got into the car and started driving out of the Lei family's courtyard. She was no longer interested in Lei Taihe's shouts. She had to contact Lei Zhenyu to talk about their divorce.

After driving out of the Lei family's courtyard, she quickly found a spacious roadside and stopped. Then, she took a deep breath and took out her phone to call Lei Zhenyu.

The phone rang for three seconds and was picked up. Before she could say anything, Lei Zhenyu's voice was heard, "ru Yu, what's the matter?" "

"En, are you free at noon?" Ru Yu's mood had calmed down, and her tone was very natural and calm.

"noon." The sound of flipping paper came from the other side of the phone. It was probably Lei Zhenyu checking his work schedule for the day Then, his voice came over. "I'm meeting a French client at noon. I don't think I have time. I'm free tonight. I can cancel a social event that I can go to or not go to..." "

"Then let's do it tonight." Ru Yu quickly interrupted him and then said indifferently, "let's go back to the apartment you had when we first got married tonight. "

"okay." Lei Zhenyu answered from the other side. Ru Yu quickly hung up the phone.
