

Divorce 1921

Chapter 1921 Mr. Qiu, don't worry about me

Fang Xiaocai bade farewell from the principal's office. As she walked on the spacious stadium of the special school, she looked up at the sky and felt that today's sky was especially blue.

Her agreement with Dongfang Yunheng would expire in eight days. In other words, after eight days, she would be free.

As for her younger brother, Fang Chen, he finally lived up to her expectations and slowly walked out on his own path. In the future, even if his iq never reached the level of a normal person, he would still have his own career.

She walked out of the gate of the special school and let out a long breath. She only felt extremely relaxed. At this moment, her phone rang, and the screen showed an unfamiliar number.

She hesitated for a moment before she pressed the answer button. Before she could speak, Qiu Yitang's voice came from her phone, "Fang Xiao, the date of the surgery I helped Fang Chen with last year is almost up. Do you want to take Fang Chen to the United States for surgery? "

Fang Xiao never thought that Qiu Yitang would actually remember Fang Chen's surgery, and she had long forgotten about this matter.

To be honest, when she married Qiu Yitang, her goal at that time was to perform surgery on Fang Chen. However, after her marriage with Qiu Yitang broke down and a series of things happened, she had completely given up on performing surgery on Fang Chen.

Now, Fang Chen had already walked down another path. In other words, even though his iq had always remained at the level of a four-or five-year-old child, he could still have his own career and still earn his own money to eat.

Therefore, when Qiu Yitang asked about her on the phone, she pondered for a moment and then said indifferently, "thank you, Mr. Qiu, but there's no need for that. My brother is very well now and doesn't need any surgery. "

"Fang Xiao, how could you do this? " Qiu Yitang immediately took over Fang Xiao's words on the other side of the phone and then hurriedly said, "Fang Xiao, Fang Chen is already so old. The surgery can't be delayed any longer. I think you should think about Fang Chen's future. After all... "

"Qiu Yitang, of course, I will think about my own younger brother, " Fang Xiao coldly interrupted Qiu Yitang's words Then, she said extremely coldly, "So, don't trouble Mr. Qiu to worry. The two of us will live very well. As for what Mr. Qiu said about the surgery, I'm sorry. Fang Xiao is already a one-eyed person. There's really nothing worthy for Mr. Qiu to negotiate with... ". " " " " "

"Fang Xiao, I didn't mean that, " Qiu Yitang hurriedly said. Then, he quickly confessed, "Fang Xiao, I know you only have one eye. Don't worry. I've been helping you find your cornea. I believe... "

“Mr. Qiu, you shouldn’t worry about Fang Xiao like this, ” Fang Xiao interrupted Qiu Yitang again Then she said righteously, “Mr. Qiu, please don’t be kind to me anymore, because I only have one eye, and I don’t want to lose another eye because of my relationship with Mr. Qiu. If that happens, my life is probably over. “

After saying that, Fang Xiao immediately cut off the phone, not giving Qiu Yitang a chance to speak. At the same time, she quickly turned off the phone after hanging up, not giving Qiu Yitang a chance to call again.

After hanging up the phone, she looked up at the sky, took a deep breath, and then let out a long breath. Silently, she apologized to her younger brother, Fang Chen.

Chapter 1922, two messages

She also knew that the surgery was very important to her younger brother, but she did not dare to take the risk. She was not only thinking from her own point of view, but also from Fang Chen’s physical side.

Any surgery had a good side and a bad side, and Fang Chen’s surgery was no exception. The surgery might allow him to slowly recover his intelligence that had stopped growing, but it was also very likely to make him a fool.

If Fang Chen had not made a path in sports, perhaps she would have taken the risk to do the surgery for her younger brother. After all, the success rate of that surgery was 80% .

However, now that Fang Chen had made her way in sports, she felt that there was no need for her to take the risk, either from her own perspective or from Fang Chen’s point of view.

Fang Xiao took the bus back from the special school. By the time she arrived at the Yunxiao pavilion, it was already seven o’clock in the evening. Dongfang Yunheng had not returned. He must have gone to comfort his fiancée, Gu Chenchen.

It made sense. Gu Chenchen had rushed to his side five years ago when he was on the verge of death. She had also taken care of him so meticulously. Everyone would feel that a man would fall in love with such a talented, beautiful, and kind-hearted girl.

She had originally wanted to buy vegetables and cook, but after today’s incident, she was no longer in the mood. However, she really could not eat the noodles, so she turned on her phone again, ready to order takeout.

Unfortunately, just as she pressed open her phone, a few text messages popped up. Three of them were from Qiu Yitang, and the other two were from Dongfang Yunheng.

She deleted Qiu Yitang’s text messages directly because there was no need to read them, not to mention it would be annoying. As for Dongfang Yunheng’s, she hesitated for a moment and pressed open the text messages.

Dongfang Yunheng was an extremely lazy person. He usually made phone calls and rarely did such elegant things as sending text messages. That was why Fang Xiao was slightly surprised when she found his text message.

Dongfang Yunheng's text message was indeed a text message. The content was extremely short. The first message only had a few words: Where are you Why is your phone turned off?

The second message was: don't go out at home. I'll come back to pick you up at six.

After reading the text message, she shrugged. She was still on the bus back to the city at six o'clock, so she did not know if he had actually come back. Moreover, he got off work at six o'clock. Logically speaking, it was impossible for him to come back to this place.

After reading the two messages, she didn't think much and deleted them. Anyway, the contract between her and Dongfang Yunheng was only a few days away, and she would leave after it expired.

At night, she had planned to order fast food, but after reading the two messages, she didn't even have the mood to order takeout. In the end, she found a piece of instant noodles in the refrigerator to cook and eat, even though she was so sick of eating the instant noodles that she wanted to throw up.

Dongfang Yunheng didn't come back at night, nor did he call. And she never took the initiative to call him when she had nothing to do, so the night was still very quiet.

Fang Xiao thought that she would not meet the girl from yesterday. However, the next morning, the doorbell rang before she could even wash up.

The ringing of the Yunxiao Pavilion's doorbell was definitely a strange thing, because she and Dongfang Yunheng lived in this place, and they both had keys, so they should not have rung the doorbell.

However, the doorbell was indeed ringing, which made her depressed. No one would come to look for her in this place, because she had never told anyone that she lived here.

Chapter 1923 I am called Dongfang Mu Yao

Then, the person who rang the doorbell should be looking for Dongfang Yunheng. After all, he had many people, and his family doctor, secretary, assistant, and so on all knew about this place.

Fang Xiao wanted to not open the door, but the doorbell kept ringing. It was completely as if if you don't open the door, I will keep pressing it. I am even sure that there is someone in this room.

Fang Xiao was finally disturbed by the doorbell. In the end, she walked over to open the door. The moment she pulled the door open, she was completely stunned, because outside the door stood a young girl with a smile on her face.

This young girl was the one who sprained her ankle yesterday and asked her to help buy shoes. She was also the one who Dongfang Yunheng's friend, the full moon wine, said that she had lost gold and picked up coal.

Fang Xiao was completely stunned, but the young girl did not look surprised when she saw her. She only said indifferently, "Hehe, what a coincidence to meet you here. "

Even if Fang Xiao was a fool, she knew that this matter was definitely not a coincidence anymore, so she said indifferently, “you’re looking for Dongfang Yunheng, right? But he’s not here. You should meet him another day...”

“Hehe, I know he’s not here.” The young girl could not help but laugh. She pushed the door open and walked in. As she placed the bag in her hand on the dining table, she said with a smile, “my big brother told me that you’ve been eating instant noodles for a week, so he asked me to buy you some breakfast to send over.”

“Your Big Brother?” Fang Xiao looked at her with a puzzled gaze. She frowned slightly and asked, “who’s your big brother?”

“Dongfang Yunheng.” The young girl’s face was beaming with a bright smile. She pointed at the lunch box on the dining table and said, “big brother said that you like to eat soup dumplings and bratwurst the most, and Binhai’s soup dumplings are the best at the Bamboo pavilion at the East Gate, and the Bratwurst is the best at Li Wan at the West Gate. So, I ran to the east gate and the West Gate in the morning. For these two kinds of breakfast, I ran half of Binhai.”

“...” Fang Xiao was speechless. What was Dongfang Yunheng up to? They were clearly in a romantic relationship, but why did he want his family to know that she lived here?

“Hurry up and get some chopsticks to eat.” Mu Yao saw Fang Xiao standing there and couldn’t help but push her arm. “If you don’t eat, it will get cold, and these two things won’t taste good when they get cold.”

“Oh.” Fang Xiao finally reacted and quickly said, “I haven’t brushed my teeth and washed my face. I’ll eat after I brush my teeth and wash my face.”

As Fang Xiao spoke, she quickly turned around and walked into the bathroom. Since Dongfang Yunheng’s sister had brought her breakfast, and she had traveled half of Binhai City, she had no objection to Dongfang Yunheng’s arrangement. She couldn’t help but appreciate her younger sister’s kindness.

When Fang Xiao came out of the bathroom, Mu Yao was already waiting for her at the dining table. Fang Xiao didn’t know her name, so she called her very politely, “Miss Dongfang, I’ve troubled you too much. It’s just a breakfast...”

“What Miss Dongfang?” Mu Yao was obviously dissatisfied with Fang Xiao’s words. She quickly interrupted her, then corrected her in a serious manner, “my name is Dongfang Mu Yao. You can call me Mu Yao in the future, or you can call me Mu Yao.”

Mu Yao smiled when she said this. She saw the confusion on Fang Xiao’s face. Then, she quickly explained, “Mu Yao’s nickname was given to me by my big sister. She even called me little devil. Later, I strongly objected to the nickname of little devil, so she changed it to Mu Yao for me.”

Chapter 1924: My brother and I are best friends

Fang Xiao listened quietly during breakfast. She had met Dongfang Yunheng's eldest sister, Dongfang Yu, once at the full moon wine where Dongfang Yunheng's friend was. She was a top-notch beauty, and it was said that she was an artist.

After breakfast, Fang Xiao wanted to go to work because Dongfang Yunheng gave her a week's holiday. Her holiday ended yesterday, and today was work time. She had to clean up his lakeside villa and Jiangnan famous city.

"Mu Yao, I'm going to work." Fang Xiao saw that Mu Yao had no intention of leaving, so she said to her, "you can sit here by yourself. There's a computer over there, and there's a hanging basket on the balcony..."

"Work?" Mu Yao quickly interrupted Fang Xiao's words and looked at her with a puzzled face. "where do you work? It's already past nine in the morning. Aren't you late for work?"

"I..." Fang Xiao hesitated for a moment Then she said indifferently, "I'm doing a part-time job. There are two houses that need cleaning today, and the owner of your house didn't strictly set my schedule, so there's no problem of being late."

"Oh, part-time job?" Mu Yao immediately understood So she came over and pulled her hand, saying, "Sigh, since there's no time limit for part-time jobs, then why are you rushing to work? The weather is so good today, let's go out and play. I know a place that's very fun."

"I..."

"Let's go, my treat." Mu Yao immediately pulled Fang Xiao out of the door and said, "we're going to play golf. In this weather, the sun is bright and the grass is green. It's a good time to play golf."

Fang Xiao did not know how to play golf. Although the Fang family was considered a wealthy family in Huicheng, Huicheng was a third-tier city after all. Moreover, Huicheng did not have golf, so she had never been to a golf course.

However, Dongfang Mu Yao was a golf expert at such a young age, and Fang Xiao was forcibly dragged away by her. She was even dragged to the underground parking lot of Yunxiao court.

A car was waiting for them. Mu Yao pulled Fang Xiao into the car and instructed the driver to drive. Fang Xiao guessed that this person was probably the Dongfang family's driver.

It took Yunxiao court about half an hour to walk to the golf course in the suburbs. They arrived not long after. When Fang Xiao got out of the car, she found out that Mu Yao had arranged to play golf with a group of friends.

The golf course had a professional coach. Mu Yao asked Fang Xiao to learn golf. Fang Xiao shook her head and said that she did not like golf and asked her to play. There was no need to care about her. She just wanted to watch them play.

Mu Yao saw that Fang Xiao insisted on going She could not help but laugh. "Fang Xiao, how can you not even learn golf?" My big brother loved to play golf, and my big brother was so handsome, just like a prince. There were naturally many female friends outside, but you were so inflexible. How could you keep him after marriage?

“AFTER MARRIAGE?” Fang Xiao was stunned for a moment before she reacted, so she quickly explained to Mu Yao, “Mu Yao, you misunderstood. The relationship between your big brother and I is not what you think. We are just...”

“misunderstanding? Who Misunderstood?” Mu Yao quickly interrupted Fang Xiao’s words She looked at Fang Xiao’s embarrassed face and smiled, “don’t worry. My Big Brother and I are best friends. We are in the same trenches. Although some people feel that you are doing well, I feel that you are not bad. I will definitely support you and my big brother. “

Chapter 1925-we’re not that kind of relationship

“What’s good about my place?” Fang Xiao became more and more anxious when she heard Mu Yao’s words Thus, she hurriedly said, “Mu Yao, you’re really mistaken. I’ve always been a bad person, and I don’t have that kind of relationship with your big brother. I don’t know if you’ve just returned from abroad, but perhaps you don’t know about your big brother’s situation. In fact, his fiancée is Miss Gu Chenchen, and Miss Gu is both talented and beautiful. She’s kind from the bottom of her heart... “... “...”

“When you put it that way, I think you’re even better,” Mu Yao interrupted Fang Xiao with a smile She held the golf club in her hand and said, “many people have said bad things about you in front of me, but you’ve never said anything bad about anyone in front of me. I think you’re very good. Besides, who is my brother? How can his taste be bad? “

“The relationship between your brother and I is far from what you see,” Fang Xiao was really anxious. Her contract with Dongfang Yunheng was going to expire in a few days, and she didn’t want any more trouble.. Then, Dongfang Yunheng would find some reason that she could not handle. Then, she would probably not be able to leave smoothly.

“If it’s not what I see, then what is it?” Mu Yao looked at her like a little adult and said with a smile that was not a smile, “could it be that the two of you have already secretly received the certificate? “

“No, of course not.” Fang Xiao immediately denied Mu Yao’s guess. When she saw the smile on her face, she knew that she had been tricked Thus, she quickly said, “actually, there is nothing between me and him. The reason why he let me stay in his apartment is because...”

Fang Xiao stopped talking. Her contract with Dongfang Yunheng ended in a few days, so there was no need to let mu Yao know.

“What’s the reason?” Mu Yao felt that Fang Xiao’s words were a little strange. She was actually stuttering, so she quickly asked.

“nothing.” Fang Xiao immediately shook her head, and then quickly changed the topic. “Mu Yao, aren’t you here to play golf? Hurry up and go. He’s been waiting for you for a long time. “

“You really don’t want to learn golf?” Mu Yao saw that Fang Xiao really did not have the intention to follow her to learn, so she did not wait for Fang Xiao’s reply and continued, “then it’s fine if you don’t want to learn. My brother is a golf expert. Let him accompany you to play golf another day. “

Fang Xiao smiled bitterly at Mu Yao's words and did not respond. Mu Yao's friend kept calling her from not far away, so Mu Yao could not be bothered to chat with Fang Xiao and quickly ran towards her friend.

Fang Xiao sat on the chair next to her and looked at the little Mu Yao who was playing golf not far away. Her figure was light and agile, like a deer running on the grassland, and her laughter was like a Silver Bell.

Mu Yao had many friends. They were all young people in their twenties. There were six or seven men and women. Everyone was laughing so happily that the golf clubs danced in their hands.

Fang Xiao felt that such an environment and such an occasion were completely out of place for her. Mu Yao did not introduce her friends to her. Of course, she did not want to know those so-called rich second-generation kids.

She sat there quietly and looked at the group of young children laughing and laughing on the green grass. Her mind was thinking about Mu Yao's words today. Only then did she realize that her relationship with Dongfang Yunheng was probably in the eyes of some so-called insiders It was no longer the so-called relationship of ordinary friends.

Chapter 1926: People who can not be avoided

Therefore, she could not help but think of the words that the mother of Dongfang Yunheng's friend said to her at the full moon banquet, "did Yunheng bring you to meet the parents? "

At that time, she did not take the woman's words to heart. However, according to the analysis of Mu Yao's words now, in the eyes of that group of people, the relationship between her and Dongfang Yunheng was indeed somewhat ambiguous or fantastical.

Thinking about it, at such a banquet, the host invited his own relatives and friends, and at such an occasion, the man usually brought his partner or the person who was about to become his partner.

Dongfang Yunheng did not bring his fiancée, Gu Chenchen, that night. Instead, he brought her. Therefore, this gave people a chance to misunderstand. People might think that she was the mistress between Dongfang Yunheng and Gu Chenchen They even thought that she was an ambitious mistress.

Fang Xiao thought so, and her heart started to panic inexplicably. She did not want to be misunderstood by others between her and Dongfang Yunheng, and of course, she did not want to be the mistress who destroyed Dongfang Yunheng and Gu Chenchen.

She did not know why Dongfang Yunheng wanted her to meet his family now, and she also did not know why little Mu Yao appeared in front of her like this.

However, she knew that Dongfang Yunheng and her were not what Mu Yao thought. Even though Dongfang Yunheng had been treating her well recently, she knew that it was because of the business relationship between them.

Gu Chenchen's conversation with her yesterday had made her realize the seriousness of the situation. Later, she met that young girl. Only today did she know that she was Dongfang Yunheng's sister. This fully proved that she existed. She had already attracted the attention of Dongfang Yunheng's family.

Not Far Away, little Mu Yao was still playing golf. However, she seemed to be running further and further away. Sitting here alone was really boring and she was a little thirsty, so she thought of going to the leisure hall to drink some water or something.

However, as soon as she reached the entrance of the Golf Leisure Hall, she bumped into a pair of beautiful people who came out. And this pair of beautiful people was actually Dongfang Yunheng and Gu Chenchen.

Dongfang Yunheng and Gu Chenchen walked out together. Both of them held golf clubs in their hands. Dongfang Yunheng was wearing a white golf shirt, and Gu Chenchen was wearing a sea-blue dress. The two of them stood side by side, and the man was handsome and handsome. The woman's bright eyes and white teeth were indeed comparable to the celebrities in Korean dramas.

Fang Xiao obviously wanted to avoid these two people, but this place was empty except for the Green Lawn, so she could not find a place to hide, so she lowered her head. She only prayed in her heart that Dongfang Yunheng and Gu Chenchen would walk with their heads held high and their chests puffed out. She could not see anyone lower than her eyes.

However, her unrealistic dream was quickly shattered by reality. Just as she lowered her head and wanted to turn around quietly, Dongfang Yunheng saw her, and his gaze naturally looked at her with a smile in his eyes.

Fang Xiao knew that she could not hide, so she had no choice but to brace herself and raise her head. She thought to herself that she should openly greet the two of them, "Hi, CEO Dongfang, Miss Gu. What a coincidence to see you here. "

However, the words that came out of her mouth were, "Yun Heng, tell Mu Yao later that I'm going back first. I don't know how to play golf. It's a waste of time to stay here. "

Chapter 1927, why are You spouting nonsense

"Oh, that's fine. I'll call her later and tell her." Dongfang Yunheng glanced at Gu Chenchen beside him as he spoke. "Then, I won't be playing golf today. I'll accompany Fang Xiao back first. "

Gu Chenchen was momentarily stunned. Then, he forced a smile and nodded. He looked at Fang Xiao and said warmly, "Miss Fang, long time no see. Where have you been working recently? "

"Fang Xiao Works at my place, " Dongfang Yunheng answered before Fang Xiao could. Then, he smiled and introduced Fang Xiao, "this is Miss Gu Chenchen. You used to meet her when you were my secretary. Now, she is preparing to leave the modeling industry and enter the entertainment industry. "

"Miss Gu is amazing. " Fang Xiao looked at Gu Chenchen and followed Dongfang Yunheng's words to compliment her. "Miss Gu is so beautiful. I believe that she will soon become very popular in the entertainment industry. "

“Chenchen, you have met Fang Xiao before.” Dongfang Yunheng said to Gu Chenchen, “she used to be my personal secretary. Now, she is my girlfriend!”

Fang Xiao and Gu Chenchen were both stunned. Neither of them had expected Dongfang Yunheng to make such an introduction for the two of them. Such an introduction was unacceptable to both of them.

Fang Xiao was faster. She was about to open her mouth to explain, but Dongfang Yunheng did not give her a chance to speak. He grabbed her wrist and tried to scold her in front of her. However, he said in a very dotting manner, “Xiao Xiao, why is your hand so hot? Do you have a fever?”

Before Fang Xiao could answer, she was trying her best to break free from Dongfang Yunheng’s hand. Dongfang Yunheng turned to Gu Chenchen, who was still standing there, and said, “well, Chenchen, Fang Xiao’s hand is cold. I’m afraid she has a cold. I have to take her to the hospital. I won’t play golf with you today. We can play again when we have time.”

Dongfang Yunheng didn’t care what Gu Chenchen was thinking. Of course, he didn’t wait for her answer. He immediately pulled Fang Xiao, who was still in a daze, and walked to the entrance of the golf course.

“Hey, Dongfang Yunheng, how can you say such nonsense?” Fang Xiao finally came to her senses and began to panic. She quickly retorted, “you and I are clearly...”

Before Fang Xiao could finish her words, and of course, before she had the chance to finish, Dongfang Yunheng lowered his head. His thin lips accurately landed on Fang Xiao’s pink lips, just like the lid of a teacup landing on the mouth of a teacup. He immediately sealed Fang Xiao’s chattering mouth.

Fang Xiao only felt a wave of dizziness. With this sudden kiss from Dongfang Yunheng, Fang Xiao instinctively lost her footing and leaned back. Dongfang Yunheng quickly stretched out an arm to support her... ..

This sudden kiss, such intensity, such intensity, Fang Xiao could not even resist, let alone fight back.

Therefore, she was completely muddled in an instant. She forgot to struggle, forget to resist, and even forgot that her feet were free. She could totally use her feet to kick Dongfang Yunheng, who was attacking her.

Dongfang Yunheng’s kiss was so swift that it blocked all her breathing passages. Just when Fang Xiao thought that she would suffocate and die from Dongfang Yunheng’s kiss, Dongfang Yunheng finally let her go. ...

Chapter 1928 clearly knew that the result would be like this

Fang Xiao panted heavily, not even bothering to glare at Dongfang Yunheng. Dongfang Yunheng, on the other hand, looked at her with a smile on his face. His slightly rough fingers gently wiped away the saliva at the corner of her lips. Then, he whispered to her, “Fang Xiao, you are an adult, and I am also an adult. Let’s not talk about the past. When I bring you to appear in front of my family, I think you should understand what I mean. It is impossible for me, Dongfang Yunheng, to bring a mistress to appear in front of my family and friends. So, you should understand what I mean by doing this.”

This time, Fang Xiao was completely stunned. Actually, it wasn't that she hadn't thought about it, but the moment this thought appeared in her mind, she would consciously suppress it.

It was no longer possible between her and Dongfang Yunheng. Back then, she had hurt him like that, and now, she had married someone. Not only had she lost her virginity, but she had also had a miscarriage, and now, she was a one-eyed man with only one eye.

With this kind of her, even if Dongfang Yunheng didn't care about the harm she had done to him five years ago, she still understood that she had lost the ability to make him fall in love with her. At the same time, the Dongfang family would never accept such a person into their family.

It was her principle not to dream about things that she should not have. Because she had long passed the age of seventeen or eighteen, no matter what Dongfang Yunheng did to her, she had always put herself in the position of a prostitute. Dongfang Yunheng was her sugar Daddy.

"Dongfang Yunheng, I think you have misunderstood me. I did not..."

"My parents said that they would meet you in two days," Dongfang Yunheng quickly interrupted Fang Xiao before she could finish her sentence. Then, he reached out to grab her and walked to his car.

"What? Your parents want to see me?" Fang Xiao was completely stunned. She had never thought that Dongfang Yunheng would tell his parents everything about her. How could her parents be willing to see her?

"I... Can I not see your parents?" Fang Xiao asked carefully. Her heart could not withstand such a sudden incident ...

"Of course not." Dongfang Yunheng glared at her and said in a bad mood, "do you think that my parents are very idle people who can meet anyone they want?"

Of course not, that was for sure. Dongfang Yunheng's parents were the chairman and the wife of the chairman of the Dongfang Group, and the chairman of the Dongfang Group, Dongfang Mo, was a world-famous person. He was not someone that anyone could meet just because they wanted to. It was said that many CEOs of large companies had to make an appointment in advance to meet.

But because of this, she did not dare to meet him. Moreover, Mrs. Dongfang had a lot of opinions about her. Five years ago, she had told her that she was not good enough for Xi Lingheng, and now, of course, she was not good enough for Dongfang Yunheng.

She knew the outcome, and she knew that going to meet him would only humiliate herself. What was she going to do? Let Dongfang Yunheng's parents humiliate her again?

So, just as she was about to open her mouth to reject him again.. However, Dongfang Yunheng spoke before she could. "Fang Xiao, I know that you have a lot of concerns. I Apologize For chasing you away when I returned from France last year, but this time, I sincerely want to be with you. I sincerely want to introduce you to my family."

Fang Xiao bit the corner of her lips when she heard this. She was not interested in the so-called sincerity because any sincerity would only hurt her even more, so she had to avoid it.

Chapter 1929. If you're willing, give me a kiss

“Xiao Xiao, I’m 28 years old this year, and I’m the eldest son of the Dongfang family. My father was already old when he gave birth to me, so he hopes that I can get married as soon as possible. “

Dongfang Yunheng paused at this point, then looked at Fang Xiao and said, “as for you, you’ve experienced so much, and now you still have to manage your younger brother. The burden is also so heavy. I believe that you also need someone to help you share some of the burden. “

“When we separated five years ago, I already stopped asking who was right and who was wrong. In short, we can still meet again five years later, and we can still get together. I think it’s a kind of fate, a fate destined by the heavens. “

“since this kind of fate is destined by heaven, then I don’t plan to escape, and I hope you don’t escape. Love is indeed too unrealistic and unreal, so I won’t talk to you about love or anything like that. “

Dongfang Yunheng took a long breath and then said, “Fang Xiao, what I’m talking to you about now is marriage. I want to marry you, and I want to spend my life with you like an ordinary couple in the world. “

At this point, Dongfang Yunheng stopped again and looked down at Fang Xiao. Then he said seriously, “Fang Xiao, tell me now, are you willing to marry me? “

Fang Xiao stood there blankly. The golf course beside her was covered with green grass. At the end of summer and the beginning of autumn, the southern golf course was as green as the midsummer in the north. It made people’s hearts light up.

She was only wearing a shirt and simple jeans. In fact, standing on the golf course with the wind blowing, it should not be hot. However, at this moment, she felt very hot. Her palms were sweating, and she could not breathe.

Dongfang Yunheng was actually proposing to her. Was She hallucinating Between her and him, it was clearly just a business relationship. Moreover, he even had a fiancée?

“Do you have a cold or a fever?” Fang Xiao finally calmed herself down. She reached out to his forehead and said, “yes, it’s a little hot. Do you want to go to the hospital? I’m worried that you’re... “

“I’m not confused. “ Dongfang Yunheng quickly pulled her hand down from his forehead. Then, he put his hands on her shoulders and looked down at her again. “Xiao Xiao, are you willing to marry me? “

Fang Xiao was stunned again. She did not expect Dongfang Yunheng to be so persistent about such a thing, so she did not know how to answer for a while.

“Alright, don’t be in a daze. “ Dongfang Yunheng saw that she was stunned like a fool He smiled and shook her shoulder. “Alright, if you can’t say it, then forget it. Use your actions to show it. If you’re willing, then kiss me. If you’re not willing, then kiss me. “

Fang Xiao did not know whether to laugh or cry when she heard Dongfang Yunheng’s words. was there a difference between a kiss and a kiss He was obviously taking advantage of a loophole, alright?

However, she thought about it carefully. There seemed to be a difference between a kiss and a kiss. A kiss seemed to be a kiss on the cheek, but a kiss?

If a kiss was not combined with a kiss, it seemed to be a kiss with his lips. This was the least she could do.

Alright, she was not willing. At most, she would take the initiative to kiss him. Anyway, she had just been kissed by him. If she took the initiative to kiss him now, she would not lose a piece of meat.

With this thought, Fang Xiao's heart immediately relaxed a lot. She took the initiative to walk to Dongfang Yunheng. Because she was short, she had to use both hands to grab his shoulders and stand on tiptoe. Her Pink Lips pressed against his tightly pursed lips.

Chapter 1930 was a little confusing

However, just as her pink lips were about to touch Dongfang Yunheng's lips, she didn't expect Dongfang Yunheng to turn his face slightly in an instant. As a result, her pink lips that were about to touch his thin lips landed on his cheek without warning.

"Okay, you have agreed to marry me." Dongfang Yunheng looked at Fang Xiao with a cunning face, but the smile on his face was even more brilliant than the sun.

Fang Xiao was completely stunned. Both of her hands were still grabbing Dongfang Yunheng's shoulders, and she even forgot to put down the tip of her toes. She couldn't recover from the fact that she had kissed Dongfang Yunheng's cheek just now.

Qiu Yitang rubbed his forehead. He had not seen Fang Xiao in a week since the last time he saw her at the special school. He still spent half of the week in Binhai.

"Ah Biao, it has been a week. You can't even find out where Fang Xiao lives?" Qiu Yitang was very dissatisfied with his subordinates.

"Boss Qiu, how big is Binhai? There are more than ten million people. We are looking for a person among more than ten million people. This is actually like looking for a needle in a haystack," Ah Biao explained to Qiu Yitang in a low voice. "Besides, even if you say that you know she is with Dongfang Yunheng, who knows how many properties Dongfang Yunheng has in Binhai? Moreover, his properties are all invisible. There's no way to find out."

"That Bastard Dongfang Yunheng is clearly engaged to Gu Chenchen. He's Gu Chenchen's fiancé, and now he's actually interested in Fang Xiao." Qiu Yitang was extremely frustrated when he said this. He had never dreamed before that.. His love rival actually had such a powerful background.

Qiu Yitang's thoughts were really a little funny. He listed Dongfang Yunheng as his love rival, and there was no so-called love between him and Fang Xiao. There was still a marriage in the past, and now there wasn't even a marriage.

Ah Biao also didn't understand Qiu Yitang's personality. As far as he knew, Qiu Yitang had always doted on Du Caiwei. Du Caiwei was blind, and he was more anxious than anyone else. It was as if he couldn't wait to find a cornea to replace her.

Now, Du Caiwei's eyes were bright again, and she was becoming more and more beautiful. Qiu Yitang suddenly ignored Du Caiwei, and even wanted to find his ex-wife, Fang Xiao, whom he used to hate.

"By the way, how are the immigration procedures for Du Caiwei going?" Qiu Yitang immediately remembered this matter, so he quickly asked his assistant.

"The immigration procedures are not easy to handle now," Ah Biao reported truthfully to Qiu Yitang. Seeing Qiu Yitang glaring at him, Qiu Yitang quickly explained. So he quickly explained, "moreover, Miss Du Caiwei requested you to emigrate to France, and the French immigration is the slowest, so I estimate that it will take at least half a year."

Hearing Ah Biao's words, Qiu Yitang thought about the conditions of the French immigration and finally did not say anything more. He just waved his hand to show that he understood and asked Ah Biao to quickly leave.

Ah Biao hesitated for a moment when he turned around. Actually, he had found out another matter and did not know if he should report it to Qiu Yitang. However, seeing that Qiu Yitang was so impatient, in the end, he did not say anything and walked away.

However, it was precisely because Ah Biao did not say anything this time that it caused a lot of trouble for Qiu Yitang later on. Of course, this was a later topic, so he did not say anything for now.
