

## Divorce 1995

### Chapter 1995 was all about you

“Sell you to the mountains?” Du Caiwei heard her words and coldly said with disdain, “Fang Xiao, look at yourself. You have one eye. How much do you think you are worth? Moreover, even if you are a fairy beauty, which poor man in the mountains can afford to buy you?” “I, Du Caiwei, kidnapped you and spent tens of thousands of dollars on this trip. Can I sell you to the mountains for tens of thousands of dollars?”

“Then why did you kidnap me?” Fang Xiao could not help but raise her voice by two decibels. Then, she deliberately provoked her and asked, “don’t tell me you want to use me to blackmail Qiu Yitang?”

“Why not?” Du Caiwei sneered and asked Fang Xiao, “do you think you have any other use value besides this?”

“If you use me to blackmail Qiu Yitang, then you must have made the wrong move.” Fang Xiao looked at Du Caiwei coldly and said, “first of all, I have no relationship with Qiu Yitang at all. Secondly, Qiu Yitang would not agree to any conditions just because of me.”

Fang Xiao paused at this point and then said, “I have an idea for you. Why don’t you use me to blackmail Dongfang Yunheng? Maybe he will agree to some conditions that are not too excessive for me.”

“Hehehe, Dongfang Yunheng?” Du Caiwei couldn’t help but laugh when she heard Fang Xiao’s words. Then, her face darkened. She said sternly, “Fang Xiao, are you showing off how good you are at seducing men in front of me? Look, Qiu Yitang won’t marry me because of you, and Dongfang Yunheng broke up with Gu Chenchen because of you. Do you think that you are very successful as a woman?”

Fang Xiao’s face darkened when she heard Du Caiwei’s words. She couldn’t help but say coldly, “what does it have to do with you whether I am successful as a woman or not?” The important thing is whether you succeed as a woman or not. There are indeed foolish men in this world, but not all men are fools. At the same time, not all men will be foolish to the end. You think that by blindly deceiving others, you will eventually obtain happiness, but after men know what you have done, they will definitely not want you anymore.”

Fang Xiao’s words, of course, stabbed into Du Caiwei’s pain. Du Caiwei’s face, which was still quite proud just now, turned red in an instant, so she blamed Fang Xiao for Qiu Yitang’s refusal to marry her.

“PA!” The clear sound of a slap rang out in the small wooden house leaning against the edge of the cliff. In her fury, Du Caiwei used a lot of strength and immediately left five finger prints on Fang Xiao’s face.

“It’s all you, it’s all you.” Du Caiwei was like an angry hen. She pointed at Fang Xiao and scolded angrily, “it’s you, you damn woman. It’s you who bewitched Yi Tang. It’s you who pretended to be innocent. It’s you who deliberately got pregnant with a bastard child and didn’t go to the hospital for an abortion. In the end, you ended up unable to lay eggs anymore to win Yi Tang’s sympathy. It’s you, you damn woman. You pretended to be kind, but in fact, you have a vicious heart. “. “...”

Du Caiwei's curses were very unpleasant to hear, and in her rage, she cursed quickly and urgently. Fang Xiao had never cursed, so she did not react quickly to these curses. So when Du Caiwei scolded her, she stood there in a daze.

Du Caiwei cursed a lot, but Fang Xiao actually did not understand much. However, there was one sentence that she understood. Du Caiwei called her a chicken that could not lay eggs.

Even Fang Xiao, who did not know how to curse, understood that this sentence was not a good one. It was as if it was used to scold women that could not have children. She had clearly miscarried a child, so how did it become that she could not have children?

### **Chapter 1996 is all your fault**

Therefore, Fang Xiao frowned and waited for du Caiwei to finish scolding her. When she was panting and foaming at the mouth, she frowned and asked, "Du Caiwei, what did you mean when you said that I'm a chicken that can't lay eggs? "

Du Caiwei was originally gasping for air with her mouth wide open. When she heard Fang Xiao's question, she was so angry that she almost fainted. Therefore, she glared at her and scolded again.

"Are you a pig? A chicken that can't lay eggs means that you won't be able to have children from now on," Du Caiwei explained to Fang Xiao in a huff. Then, she snorted and said, "Do you understand now? You're a chicken that can't lay eggs! "

"PA!" The crisp sound of a slap rang out again in this small wooden house. However, this time, it was not du Caiwei who hit Fang Xiao, but Fang Xiao who slapped du Caiwei's face.

"whether I will have children in the future is not up to you," Fang Xiao said coldly to Du Caiwei, who was covering her face with her hands. "Who do you think you are "This social science is so advanced. Men can have children now, but I, a woman, can't have children? "

"Besides, even if I can't have children, so what What does this have to do with you Why are you so smug Don't tell me that if I can't have children, you can take the opportunity to have a few more You're giving birth to all the children that I can't have?"

Du Caiwei didn't expect Fang Xiao to scold people, and she didn't even use swear words, so she answered angrily, "Yes, I'm giving birth to all the children that you can't have. I'm going to give birth to eight or ten children to anger you to death. "

"Humph, when my family was in the countryside, my grandmother could raise eight or ten sows at a time in the pig pen. Are you trying to be like the sows? "

Fang Xiao's words made du Caiwei so angry that she almost vomited blood. She gritted her teeth in hatred and raised her hand, wanting to ruthlessly throw it at Fang Xiao's face.

Unfortunately, this time, Fang Xiao was already prepared. Just as she raised her hand, she quickly reached out and grabbed her wrist Then, she said indifferently, "Du Caiwei, I think you need to change your temper of slapping people. Otherwise, Qiu Yitang might be even more unwilling to marry you. After

all, old Madam Qiu is very picky about her granddaughter-in-law. It is said that she likes docile and obedient women who are sensible and obedient. Moreover, they can follow her heart. “

Du Caiwei’s hand froze in the air because her wrist was grabbed by Fang Xiao. At the same time, Fang Xiao’s words reminded her that her temper was indeed a little too hot-tempered.

“It’s all your fault. ” Du Caiwei fiercely shook off Fang Xiao’s hand, but she did not slap Fang Xiao’s face anymore. Instead, she angrily said to Fang Xiao, “my temper has always been very good. If you had not come back from America to get engaged to Qiu Yitang, if you had not wanted to marry Qiu Yitang, if you had not pretended to be obedient and docile in front of old Madam Qiu, would Yitang not have married me? “

“In the end, weren’t you the one who ruined the relationship between me and Qiu Yitang? ” Du Caiwei said this with anger. She wasn’t looking for a reason why she couldn’t marry Qiu Yitang.. But now, she was completely focused on blaming Fang Xiao.

Fang Xiao was really speechless at Du Caiwei. She didn’t know why she had become such a person, and Du Caiwei had lived in her house for a few years. In her memory, Du Caiwei was also a person who knew how to behave. How did she become a village vixen now?
