

Divorce 2003

Chapter 2003 only needed to control du Caiwei

Fang Xiao completely ignored du Caiwei's jeers and jeers. Instead, she looked at Qiu Yitang and Dongfang Yunheng under the big rock and shouted, "I'm here. I'm fine, but you have to be careful. Du Caiwei is a very scheming woman. Don't fall for her tricks, and don't agree to any of her conditions. "

"Get in. " Du Caiwei came over and pushed Fang Xiao a little with her hand. She immediately pushed her head into the window. Then, she snorted coldly and said, "I let you out just to let them see if you're here. To prove to them that I'm not lying. I didn't let you be long-winded here. "

Fang Xiao still wanted to say something, but du Caiwei didn't give her a chance. Because the wooden block that had just been lifted fell with a clang, the window was gone again.

"See? Did I lie to you? " Du Caiwei said to Qiu Yitang with a smile, "Yitang, as long as we get the marriage certificate, I'll immediately release Fang Xiao. Anyway, what she's thinking, thinking, and hoping for is that Dongfang CEO. So, I'm not worried that she'll become the third party between us again. "

Qiu Yitang's face darkened when he heard this. Although he knew that Du Caiwei had said this on purpose, he had unintentionally told the truth. That was that Fang Xiao really did not have the slightest bit of nostalgia for him now.

He did not know if he was too stupid now, because Fang Xiao was already very far away from him. Even if he saved her, she would still not return to his side.

However, he also knew that if he did not save her, then Du Caiwei, this ruthless woman, would definitely torture Fang Xiao to death. And he owed Fang Xiao too much. He did not want to owe Fang Xiao anything more. At the same time, he also wanted to try his best to make up for it.

Therefore.. He looked at Du Caiwei and said indifferently, "that's fine. Hand over your documents. I've brought the staff of the Civil Affairs Bureau's Marriage Registration Office over. He has brought his seal over. Now, he can help our class with the marriage procedures and also fulfill your long-cherished wish. "

"That's good. " When du Caiwei heard that she could marry Qiu Yitang, she was immediately as happy as anything. Therefore, she hurriedly took out her identity card and household register from her bag and threw them down. However, she did not come over.

Dongfang Yunheng frowned. He had thought that when Du Caiwei came over to hand over the ID card, he could grab her arm and pull her down from the big rock.

As long as they could control du Caiwei, everything would be much easier. They could exchange Du Caiwei for Fang Xiao, and the other party would not refuse. After all, Du Caiwei was their financier. Without du Caiwei, they could not even get the money.

But who knew that Du Caiwei, this woman, was so cunning that she threw the ID card down. From this, it could be seen that she was already prepared for this.

In fact, Du Caiwei did not have this kind of awareness of prevention. It was because the Ah Kun beside her had this awareness of prevention. That was why Du Caiwei would use this method to throw down her documents. In fact, it was all because of that Ah Kun who taught her.

Dongfang Yunheng gave the so-called Civil Affairs Bureau staff a look. That person immediately understood. He picked up Du Caiwei's evidence and pretended to look at it. Then, he took out the two red marriage certificates he brought and wrote them.

Chapter 2004, you lied to a three-year-old child

The so-called complete set of tools was not false at all. The official seal and the steel seal were all brought, so the marriage certificate was handled very smoothly. It did not take much time. In less than twenty minutes, it was all done.

"here." Qiu Yitang threw the marriage certificate to Du Caiwei and then said indifferently, "well, now we are a legal couple. You can let Fang Xiao go, and then you can come down with Fang Xiao. We will go back together."

Qiu Yitang's words were extremely sincere, as if he and Du Caiwei were a legal couple. Du Caiwei actually enjoyed hearing it very much.

Du Caiwei was very happy immediately. She took the red marriage certificate and looked at it again and again. Then, she turned around and walked towards the small wooden house. She took out the key and was about to open the door to let Fang Xiao out.

The matter suddenly changed at this time because Du Caiwei found that her key could not open the lock of the small wooden house, so she frowned slightly. She could not help but shout at Ah Kun, "Ah Kun, what's going on? Why can't the lock be unlocked?"

Ah Kun's face was dark as he said coldly, "I don't know. If it can't be unlocked, then it can't be unlocked. What does it have to do with me?"

Du Caiwei was a smart person. She immediately knew that AH KUN was behind it, so she quickly walked to his side. She asked in a low voice, "what do you mean? Aren't you going to say it? If they meet my conditions, they will release Fang Xiao. Now, Qiu Yitang has already registered his marriage with me. Hurry up and release her."

"I can let her go, but you have to stay." Ah Kun looked at DU CAIWEI and snorted coldly, "Miss Caiwei, I remember that you haven't paid me off yet, and once you go down the mountain, you will become the young madam of the Qiu family. At that time, you will still recognize who I am?"

"I will pay you later." Du Caiwei quickly whispered to Ah Kun, "hurry up and let her go. Didn't we agree that in the future, I will..."

"Are you lying to a three-year-old child? If you become the young Madam of the Qiu family, will you still come out and fool around with me?" Ah Kun scoffed at DU CAIWEI's words. Then, he said coldly, "now, I'll give you two conditions. First, I'll immediately release Fang Xiao, but you have to stay. Second, I

won't let anyone go. Don't even think about leaving with that Qiu guy. Everyone stays on this mountain. You know very well who will suffer in the end. "

Du Caiwei was a little anxious when she heard Ah Kun's words. She didn't expect that AH KUN would actually take a fancy to her, and she was no fool. Of course, she wouldn't want to be together with this hooligan.

Thus, her eyes darted around Then, she hurriedly said, "Ah Kun, I know you like me, but Qiu Yitang and I have already gotten our marriage certificate, right "How about this, you pretend to let Fang Xiao go first. Anyway, you have many people. Then, during the process of us going down the mountain, you can think of a way to kidnap this woman, Fang Xiao. Wouldn't it be better to leave her as your woman? "

"Hehe, do you take me, Ah Kun, as a big fool? " Ah Kun couldn't help but laugh when he heard her words He snorted coldly and said, "Miss Du Caiwei, I think you should understand that the woman in this room has a backer. I can't afford to offend that Dongfang Yunheng alone, not to mention Qiu Yitang. Look, I've locked her up here. Have I ever provoked her? "

Du Caiwei was furious when she heard Ah Kun's words. She couldn't help but say angrily, "Do you think you can afford to provoke me? Let me tell you, I'm now the young Madam of the Qiu family, the wife of the richest man in Hui city. Do you think... "
