

Divorce 2007

Chapter 2007, what were you thinking about

“Fortunately, I was able to stand steadily,” Dongfang Yunheng deliberately teased. “If I wasn’t able to stand steadily, I would definitely have been knocked down by you.”

Fang Xiao’s face turned slightly red. She quickly broke free from his embrace, but the moment her feet stepped on the ground, she leaned back and almost slipped again. Fortunately, Qiu Yitang held her from behind with his hand.

Fang Xiao’s face turned even redder. She quickly reached out to grab Dongfang Yunheng’s arm and quickly broke free from Qiu Yitang’s hand. Then, she said extremely politely, “thank you!”

Qiu Yitang was slightly stunned. He looked at Fang Xiao, who had already grabbed Dongfang Yunheng’s arm. After a long while, he said in a low voice, “you don’t have to thank me. Actually, I didn’t lose anything when you came out, and I didn’t pay anything.”

“How could it be?” This time, it was Fang Xiao’s turn to be surprised. She couldn’t help but look at du Caiwei, who was standing on top of the big rock with an angry face. Then, she looked at Qiu Yitang and asked, “didn’t Miss Du say that you could only release me after you married her? It’s rare that she released me before you married her?”

“The person who released you wasn’t Miss Du, but that Ah Kun,” Dongfang Yunheng answered for Qiu Yitang. “The current situation is that AH KUN has taken a liking to Miss Du, and Qiu is also happy to not continue to be entangled with Miss Du, so you were released.”

“Then, what about Miss Du?” Fang Xiao still didn’t understand too much, so she asked again.

“Miss Du, of course, you have to stay here and be the village wife,” Qiu Yitang answered faintly, then looked at the two of them and said, “let’s go. It’s getting late, and it’s not good to go down the mountain after dark.”

Dongfang Yunheng nodded and signaled the staff of the Civil Affairs Bureau and the lawyer to pack up their things and go down the mountain together. As for the police halfway up the mountain, he naturally had to let them evacuate.

He, Dongfang Yunheng, always kept his word. If he said that it was not difficult, AH KUN would not make it difficult for him. As for Du Caiwei, who was still crying, he and Qiu Yitang did not turn around to look at her because she had asked for it.

Fang Xiao’s hand was held tightly by Dongfang Yunheng as they walked down the mountain together. However, Du Caiwei’s cry for help came from behind them. Each cry was louder and more desolate.

She finally could not help but return to the country. Only then did she realize that Ah Kun was actually using all his strength to push du Caiwei into the small wooden house that had locked her up. From the looks of it, Ah Kun was afraid that Du Caiwei would run away, so he wanted to lock du Caiwei up in that small wooden house as well.

She could not help but sigh softly. It seemed that Du Caiwei had indeed schemed too deeply this time. In the end, she had included herself. Ah Kun was a * sshole. She wondered if he would treat du Caiwei well in the future?

“What are you thinking about?” Dongfang Yunheng noticed that Fang Xiao’s footsteps were slowing down. He could not help but look sideways at her and ask.

Fang Xiao shook her head and sighed softly. “nothing much. I’m just a little hungry. I haven’t eaten for a long time. “

Hearing her words, Dongfang Yunheng only remembered that Fang Xiao was locked up in that small wooden house. Ah Kun only said that he did not hurt Fang Xiao, but he did not say that he had taken good care of Fang Xiao.

“Here, I drank it before.” Dongfang Yunheng handed her a bottle of water that he had drunk half of. Then, he felt like explaining, “I was in a hurry when I went up the mountain, so I forgot to bring some dry food up. Now, there’s only this bottle of water. Drink it to quench your thirst first. When we get to the small town at the foot of the mountain, I’ll let you have a big meal first. “

Fang Xiao could no longer care that this water was something that Dongfang Yunheng had drunk before. Her throat was almost smoking from the thirst because she had not drunk water for a long time, so she took the bottle of water and drank the whole bottle in one gulp.

Chapter 2008: Fang Chen was deceived

She had just finished the half bottle of water when du Caiwei’s angry curses came from the mountain. “Qiu Yitang, you godd * MN IT! How dare you abandon me? I’m telling you, I will never let you go even if I have to be a ghost for the rest of my life. “

Hearing this, Fang Xiao handed the empty bottle to Dongfang Yunheng and then looked at Qiu Yitang who had stopped walking. She thought to herself, he used to love Du Caiwei so much. Now, could he really abandon her?

When Fang Xiao saw that Qiu Yitang’s footsteps had stopped, she originally thought that Qiu Yitang would return to the mountain to save du Caiwei. However, she did not know that Qiu Yitang’s footsteps had only stopped for three seconds before he walked down the mountain without looking back.

On the way down the mountain, Fang Xiao had been silent. Although Dongfang Yunheng had always been by her side, for some reason, she had an instinctive resistance to Dongfang Yunheng’s approach.

Of course, Dongfang Yunheng could feel Fang Xiao’s resistance to him. Although she had drunk the water that he had drunk when she was thirsty, it did not mean that she had completely believed him or completely accepted him.

In fact, he really wanted to explain to her about the incident at the Cloud Pavilion restaurant yesterday afternoon. However, Qiu Yitang and the lawyer were both there at this time, and there was also a group of police following them. It was indeed not a place to explain.

Therefore, on the way back to Bincheng from the northern region of Guangdong, Dongfang Yunheng and Fang Xiao were both silent. The two of them hardly spoke.

In fact, Dongfang Yunheng wanted to communicate with her when there were only the two of them in the car. However, after Fang Xiao ate the food he bought, she fell asleep in the back seat. He did not have the heart to disturb her.

On the way back, Dongfang Yunheng took a few calls. His voice was very low. Fang Xiao was in a daze in the back seat, and she did not hear what Dongfang Yunheng was saying.

It was already evening when they arrived in Bincheng. The lights were on, and the neon lights made the entire city look dreamy and dreamy. People who had just arrived would think that this was heaven on earth.

However, it was precisely because of the gorgeous exterior that many sins were being quietly carried out under the dreamy neon lights. For example, at this moment, in an abandoned old factory building on the outskirts of Bincheng.

Fang Chen sat on the sofa in the old factory building. He was somewhat baffled that he had been invited to this place. To be more precise, he was not quite sure why these people had invited him here.

Fang Chen had been invited here by these people in the early morning this morning. He woke up at six in the morning because the whistle had sounded. He was a basketball player, so he had to get up in the morning to go jogging.

When he had just come downstairs, he had been watched by the guard at the door. The guard had said that there was a young and beautiful girl at the door looking for him. At that time, he had thought it was his sister, Fang Xiao, because in his mind, only his sister, Fang Xiao, was a young and beautiful girl.

However, when he walked out of the school gate, what he saw was not Fang Xiao, but an unfamiliar woman. Although she could be considered young, she was definitely not as beautiful as his sister, Fang Xiao.

This woman told him that her sister was injured in a car accident in the suburbs and asked him to hurry over to see his sister. Fang Chen had always been innocent and did not know that there was a type of person called a liar in this society, so he followed this woman.

Unfortunately, when he followed this woman to the suburbs, this woman brought him to this big house. However, he had never seen his sister, which made him very angry.
