

## Divorce 2009

### Chapter 2009-you don't find this surprising

"where's my sister?" Fang Chen had already lost his temper for the umpteenth time. He looked at the strange man standing beside him. He questioned angrily, "you said my sister was in a car accident, so where is she now? I've been here for a long time, why didn't you let me see my sister?"

These people shrugged when they heard Fang Chen's words and directly chose to ignore him. Anyway, their task was to look at him. Moreover, this man looked tall and strong, but his mind seemed to be very simple. As long as they said a word, he would let them see his sister. He would immediately believe them.

"where did you hide my sister?" Fang Chen saw that these people ignored him and could not help but raise his voice and growl, "If you don't take me to see my sister, I will go out and look for her myself."

After saying this, Fang Chen stood up and immediately walked out of the door. The two men who were guarding him at the side panicked and quickly stood up to stop him.

"GET OUT OF THE WAY!" Fang Chen was angry and could not help but shout loudly, "did you hear that? GET OUT OF THE WAY! I want to find my sister, what right do you have to stop me?"

"Your sister will be here very soon." The person who answered Fang Chen was not the two men who stopped him, but a woman who walked in from the main entrance.

This woman was none other than the person who came to look for him at the gate of the Special School in the morning. Fang Chen still remembered that this woman said that her surname was Gu and that she was taking care of Gu. She even said that she would take good care of him in the future.

"Sister Gu, didn't you say that my sister was in a car accident?" Fang Chen felt that this sister Gu's smile was charming and her voice was very sweet, so he immediately believed her.

"Your sister was indeed in a car accident, but it's not a big problem." Gu Chenchen looked at the pure and handsome Fang Chen and could not help but sigh secretly. He was very handsome, but it was a pity that he was an idiot. If he was smarter, he would probably be a popular man.

"Oh, it's not a big problem?" Fang Chen frowned slightly, then looked at Gu Chenchen and asked, "then what's the problem? Is She injured? Can she walk? Is She bleeding?"

Gu Chenchen frowned. It seemed that it was difficult to talk to an idiot. She could not even tell what the problem was. It seemed that she would have to waste more words.

Gu Chenchen was about to explain to Fang Chen what the problem was, but she did not expect an underling to rush in from the door. He panicked and shouted, "Oh no, Dongfang Yunheng is here. He brought... he brought..."

"What else?" Gu Chenchen was very dissatisfied with the underling's stuttering. She could not help but glare at him. "Can you finish your words in one go? Don't stutter like that. You're a woman."

“Hehehe, if that’s the case, then Miss Gu does have a bit of manliness.” A familiar voice came from the door. Gu Chenchen hurriedly turned around, and then her face instantly turned as white as a sheet.

She knew that Dongfang Yunheng was coming because her goal was to wait for Dongfang Yunheng to come. However, she did not expect that the person standing beside Dongfang Yunheng at this moment was actually Fang Xiao, who had been kidnapped by Du Caiwei.

Why was this woman, Fang Xiao, here Wasn’t she kidnapped by Du Caiwei And didn’t du Caiwei use Fang Xiao to blackmail Qiu Yitang?

“Are you surprised that I’m here?” Fang Xiao couldn’t help but ask when she saw Gu Chenchen’s Pale face.

### **Chapter 2010 should be fine**

In fact, Fang Xiao was confused when she woke up and found that Dongfang Yunheng’s car was driving to the suburbs. She quickly asked Dongfang Yunheng why he was driving to the suburbs. She said that she was going to a special school and that she had barely escaped death She had to go see her younger brother, Fang Chen.

Dongfang Yunheng said that he would take Fang Xiao to see Fang Chen. However, Fang Chen was no longer at the special school. Instead, she was at a factory in the suburbs. Therefore, if she wanted to see her younger brother, she had to go to the factory in the suburbs.

At that time, Fang Xiao was stunned and quickly asked what was going on Her brother was studying at the special school, so why would he go to the factory Besides, what was he doing at the factory?

In the end, Dongfang Yunheng calmly said that Fang Chen did not go to the factory by himself, but was invited by someone. The person who invited him was surnamed Gu Chenchen and was currently accompanying her brother in the factory.

Only then did Fang Xiao know that not only was she kidnapped by Du Caiwei, but her brother, Fang Chen, was also kidnapped by Gu Chenchen. However, she did not understand why Gu Chenchen kidnapped her brother?

Dongfang Yunheng did not explain in detail to Fang Xiao the purpose of Gu Chenchen’s kidnapping of Fang Chen. He only brought her to the old factory in the suburbs, saying that he wanted her to save her younger brother by herself.

Therefore, when she and Dongfang Yunheng walked in just now, they were the first to ask Gu Chenchen if they felt that her appearance was very unexpected.

Gu Chenchen was indeed very surprised because this was completely out of her expectations. Moreover, it completely disrupted her plans, causing her to be a little flustered for a moment.

“Yun Heng, what are you... what do you mean?” Although Gu Chenchen was flustered.. However, her face quickly calmed down. Without waiting for Dongfang Yunheng to reply, she added, “I invited Fang Chen over because I wanted him to experience the life in the factory, experience the environment outside the school, and experience interacting with different people. “

“In that case, we still have to thank you, don’t we?” Dongfang Yunheng coldly interrupted Gu Chenchen’s words. Then, he indifferently said, “since this is the case, then, can we bring Fang Chen back now?”

“this... should be possible.” Gu Chenchen gestured to the two people guarding Fang Chen behind him. The two people immediately stepped forward to Stop Fang Xiao who was about to rush towards Fang Xiao ...

“since you can, then why did you get someone to Stop Fang Chen?” Dongfang Yunheng stood there. One of his hands tightly gripped Fang Xiao’s hand while the other clenched into a fist, trying his best to control his temper.

“Hehe, of course, it’s because our conditions haven’t been negotiated yet, right?” Gu Chenchen ignored the intimate moment when Dongfang Yunheng and Fang Xiao were holding hands. Instead, she looked at Dongfang Yunheng with deep affection. She said in an incomparably desolate voice, “Yun Heng, do you really have the heart to kill your child in my stomach?”

Fang Xiao’s body trembled almost instinctively. She immediately struggled to pull her hand out of Dongfang Yunheng’s hand, but she was held tightly by Dongfang Yunheng. She could not pull her hand out at all.

She knew that Dongfang Yunheng and Gu Chenchen had been in love for several years. She also knew that Dongfang Yunheng used to love Gu Chenchen very much. She even knew that the two of them were even engaged.

Of course, it was impossible for such two people to be as pure as water between them. It was very easy for such things to happen between men and women nowadays.
