Chapter 2011: I love you so much

However, having that kind of relationship and getting pregnant were two completely different concepts. In Fang Xiao's understanding, if a man was willing to let a woman help him get pregnant, or if a woman was willing to help a man get pregnant and give birth.. This was an expression of extreme love for the other party, because there were simply too many contraceptive knowledge and methods nowadays.

Fang Xiao's retreat and trembling were instantly felt by Dongfang Yunheng. He knew that at this moment, she would definitely want to hide in her turtle shell like a turtle and never dare to stick her head out again.

However, he did not want her to cower. He wanted her to understand that no matter when, no matter where, the person he had chosen from the beginning to the end was her, Fang Xiao. There was no other woman, nor could there be another woman.

After controlling this woman, Fang Xiao, Dongfang Yunheng looked at Gu Chenchen Then, he said indifferently, "Miss Gu, I think I've already told you what I should have said yesterday. I really don't want to talk any more nonsense today. You'd better release Fang Chen quickly. "

After hearing Dongfang Yunheng's words, Gu Chenchen could not help but laugh again. However, this laugh seemed particularly desolate. She looked at Dongfang Yunheng and spoke leisurely.

"Yun Heng, I love you. You can not deny this. Although I have used some methods to gain and lose from you, it was all because of love, because I love you. "

When Gu Chenchen said this, her tears rolled down like broken beads. Her delicate little face looked even more delicate and pitiful because of the sadness. The crystal clear tears rolled down her sparkling white face, shining like diamonds.

Fang Xiao used to think that Gu Chenchen's beauty was more or less related to makeup because Gu Chenchen always wore exquisite makeup. However, at this moment, when she looked at Gu Chenchen, who still looked beautiful even with his face facing the sky, she understood So Gu Chenchen was naturally beautiful.

Because Dongfang Yunheng's hand had always been holding Fang Xiao's hand, Fang Xiao could clearly feel his hand trembling. Gu Chenchen's words did not really have no effect on him at all.

Gu Chenchen looked at Dongfang Yunheng, who was still standing there indifferently, and tears rolled down her cheeks Her voice sounded leisurely again, "Yun Heng, I know you don't love me, and your love for me is also discarded like a piece of trash. But, you can't stop my love for you. Even if I got pregnant by using some means to get pregnant with you, if I didn't love you, why would I think of every way to get pregnant with your child "Why didn't I think of a way to get pregnant with someone else's child? "

"many times, the things that you put in so much effort to obtain don't necessarily mean that you can use them as leverage, " Dongfang Yunheng finally spoke He looked at Gu Chenchen coldly and said,

“thank you for your love for me. It can be said that you put in so much effort. However, I can’t bear your love, so... “

“I know you can’t bear it, ” Gu Chenchen quickly took over Dongfang Yunheng’s words Then, she smiled bitterly and said, “So, all these years, you’ve always treated me as if I was distant. Although you acted with me in front of others, behind others, you were actually extremely cold to me, but... “

Gu Chenchen paused for a moment when she said this Then, she took a deep breath and said, “but, Dongfang Yunheng, I have fallen in love with you. I love you so much that I can’t extricate myself. I love you so much that I don’t have myself. You can not accept my love for you, but you can not stop me from continuing to love you. I have always loved you this way... “

Chapter 2012 love is a wonderful thing

“enough, Chenchen, ” Dongfang Yunheng interrupted Gu Chenchen impatiently Then, he said a little irritably, “Chenchen, it’s useless for you to say these things. Yes, I can’t stop you from doing anything, because what you want to do is up to you. But, I know clearly what I want, so I won’t accept your love. How about this? “

Dongfang Yunheng was so cruel Even Fang Xiao felt that Dongfang Yunheng was too cruel. A woman loved him to the extent that she did not love him, yet he could still say such cruel words.

“You are indeed a person with a heart of stone. ” Gu Chenchen smiled, but that smile was even uglier than crying. She took two steps towards Dongfang Yunheng, then looked at Fang Xiao Her Gaze was fixed on Dongfang Yunheng as she asked, “tell me, how am I inferior to her? Is it my looks, knowledge, figure, or ability? “

Dongfang Yunheng instinctively stopped, and his body involuntarily took half a step back, because he did not expect that Gu Chenchen would bully him and ask him such a question.

Fang Xiao also did not expect that this question actually did not require much thought, and the answer was clearly placed there.

Whether it was appearance, knowledge, body, or ability, she was not one-tenth of Gu Chenchen. Therefore, when Dongfang Yunheng abandoned Gu Chenchen for her, Gu Chenchen was so unwilling.

Unwilling, this matter would not be reconciled to any woman’s head. Therefore, Gu Chenchen would do such a thing, even breaking the law and kidnapping her younger brother, Fang Chen, to ask Dongfang Yunheng for an explanation.

Dongfang Yunheng frowned slightly when he heard Gu Chenchen’s question. He looked at Gu Chenchen, who was standing there with a sad face. To be honest, he was tired of seeing Gu Chenchen’s face because her expression was always too fake Most of the time, it was due to a certain scene.

But at this moment, he had to admit that the expression on Gu Chenchen’s face was very sincere. His heart trembled slightly.

He knew that Gu Chenchen liked him and loved him. However, he could ignore it or ignore it. He always thought that her love for him was more of vanity and more of the identity of Dongfang Yunheng's girlfriend The Halo of Dongfang Yunheng's fiancée.

Now, looking at Gu Chenchen like this, he felt a headache coming on. He was certain that he did not love Gu Chenchen. This had nothing to do with the questions that Gu Chenchen asked.

Therefore, he took a deep breath He looked at Gu Chenchen and said, "Chenchen, a man loves a woman. It has little to do with that woman's appearance. Maybe that woman is not particularly beautiful, or maybe she doesn't have good knowledge. She doesn't even have a good figure or ability to surpass others. "

Dongfang Yunheng paused for a moment before continuing However, "Chenchen, love is a very wonderful thing. Sometimes, it's not controlled by the outside world. You have a beautiful face, a very high level of knowledge, a body with a golden ratio, and abilities that ordinary women can't compare to. "

Dongfang Yunheng took a deep breath as he said this. Then, he looked at Gu Chenchen, who had stopped crying, and said, "Chenchen, I can't love all of these things about you, nor can I be moved by them. Although you work very hard, actually — "

"actually, there was a period of time when I was also working hard. I was constantly working hard, working hard to fall in love with you, working hard to let you walk into my heart, working hard to let you fill up another shadow in my heart, and even never remember it, but... ". "..."
