

Dont mess 1121

Chapter: 1121

For the rest of my life who has been watching the theater, I heard Wang Zhuangshi's first sentence when he raised his head. It turned out to be this? I almost died of anger, this is really useless.

"Do you want this kind of woman? It's the basic principle that you don't use it for a lifetime. A man must have spine." Yu Sheng couldn't stand it anymore, and said to Wang Zhuangshi.

Wang Zhuang really clenched his teeth, he also understood this truth in his heart, but he really loved Hongxia so much that he was humbled to such a degree.

"Brother Yu, you are right. Even if you give me this kind of woman, I won't want it anymore, she is not worthy!" Wang Zhuangshi said firmly after understanding it.

Hong Xia, who heard this, felt that her self-esteem had been severely hit. Wang Zhuangshi was nothing more than her licking dog since she was a child. Now it is too much to say that she is unworthy.

"Husband, look at him, he said I am unworthy, you help me clean him up! I want him to become a disabled person, unable to take care of himself for the rest of his life, it is best to spend the second half of his life lying in bed." Hongxia spoiled Said to Wang Huan.

Wang Huan also saw Wang Zhuangshi upset, not to mention that they grew up in a village, but Wang Zhuangshi has lived better than him since he was a child.

Whether it is academic performance, or loving his parents, and finally married a beautiful daughter-in-law.

But by coincidence, although Wang Zhuangshi was admitted to the university, he couldn't find a good job. He did a little business but made a name for himself when he left school early, and he also had tens of millions of assets. The village also exaggerated.

These are far from enough for him, so the first thing he does after earning money is to try his best to get Wang Zhuangshi's beautiful wife Hongxia.

She bought a few designer bags and two beautiful clothes. This woman was so easy to get, and then she humiliated Wang Zhuangshi severely, and Wang Huan relieved her anger.

Everything was settled, but I wanted to register here to apply to join the Thunder Sect, but I accidentally met Wang Zhuangshi and stepped forward and humiliated him severely.

Taking Hongxia into his arms, Wang Huan kissed her on the face and smiled: "Since my little baby wants to make him a disabled person, then I will ask someone to take his My legs are scrapped."

Wang Zhuangshi's face was a little pale when he heard this. He knew how much financial resources Wang Huan had, and it was so easy for a few people to deal with him.

"You are simply too much, don't you be afraid of retribution by doing this!" Wang Zhuang really has no way to do it, he is really anxious, so he yells at them.

Wang Huan curled his lips in disdain, as if he had heard the most ridiculous joke in the world: "When I say retribution, it is ridiculous. I have money, Wang Huan, what do I want to do? I have to see when the retribution will take place. On my head?

You will soon break your arm and leg. I will be sad for you when I think that you will spend the rest of your life in bed!"

Wang Zhuang's body couldn't help trembling, and she had lived a lifeless life, and today she wanted a man again.

The clenched fist slammed Wang Huan's face without saying a word, and the tremendous force hit him back a few steps and almost fell to the ground.

When he raised his head, his face was already red and swollen, and Wang Huan was beaten up for a long time without any reaction.

He didn't even think of this uselessness, so he really dared to beat him. He couldn't swallow anything in this tone. He didn't want to wait until the evening to call someone. Now he has to call someone over to clean up this Wang Zhuangshi.

"Well, you are a waste of money, you really dare to hit me, you wait for me to be called a man, I don't waste today, you will kneel down and lick your shoes!"

Wang Huan gritted his teeth and took out his mobile phone and dialed out.

Chapter: 1122

"I have already called someone, so don't think about going anywhere today, and you will be abolished for anything you say. It's impatient that a dog dare to beat me alive."

Wang Huan couldn't swallow the anger that he was beaten by knowing that he was useless. He raised his hand and slapped Wang Zhuangshi in the face. Even if the person he called was not available, he would have to return first.

When Wang Zhuangshi changed his style from the past, he knew that even begging for mercy would be useless now, and those people would never let him go.

If that's the case, I just fight with Wang Huan. The big deal is being beaten to death by those people. It doesn't matter anymore, all of them are so useless, and there is no meaning in being alive.

Facing Wang Huan's fist, Wang Zhuangshi dodged directly, raised his hand and grabbed Wang Huan's shoulder, then lifted him up hard and fell to the ground fiercely.

"Wang Huan, I have no grudges against you, but you have been aiming at me. It is not enough to destroy my family, but also to make me lose face. Since you are so invaluable, I will fight for you today, even if it is death today. I also want to pull your back!"

After that, Wang Zhuang kicked Wang Huan fiercely again. Even though Wang Huan was wailing painfully on the ground, he didn't mean to stop.

"Wang Zhuangshi, stop me!" Hongxia couldn't stand it anymore, and shouted in her throat.

Hearing this sound, Wang Zhuangshi was like a frustrated ball. He no longer had the ambitions he had before, and his raised foot didn't kick Wang Huan's body, and he put it back silently.

"Hongxia, you are the most beloved woman in my life, but you treat me like this, and now you have to protect other men. Do you know how uncomfortable I feel?" Wang Zhuangshi's eyes showed sadness and looked at Hong. Xia said heartbroken.

"Do you deserve a fat man? If you dare to touch my husband a finger, I will fight with you today!" Hong Xia didn't care about Wang Zhuangshi's mood, and she said something cruel.

For the rest of my life, who had been watching all this silently, felt very worthless for Wang Zhuangshi, and fell in love with such a woman.

Recalling that I have also experienced this kind of thing?

At that time, Yang Zihuan also saw him all kinds of dislikes. Even if the two people lived together for so many years, she still fell in love with the rich and powerful people. She said in words how to use him and how to use it.

As everyone knows, the rich and powerful person she fell in love with was just another identity of her own.

Yu Sheng couldn't help feeling pity for Wang Zhuangshi. After all, what Wang Huan and Hongxia did was too much.

At this moment, Wang Huan got up from the ground after suffering a swollen nose and swollen nose. This time he pulled a certain distance from Wang Zhuangshi with a little fear, and then he began to speak harshly.

“You...you dare to beat me as a waste of money, you are dead! I must ask someone to beat you to death today!” Wang Huan said bitterly.

Yu Sheng on the side did not intend to continue watching the theater, but sneered and said: “The reason why you were beaten is because you owe it to clean up, but if you are beaten, you just think that you are the one who makes people feel bad, right?”

At this time, Wang Huan noticed that Wang Zhuangshi was still standing next to him for the rest of his life. After carefully examining the rest of his life, he was also classified as someone who was just as inexperienced as Wang Zhuangshi. After all, what kind of friend could a wimpy friend have?

“What the hell are you, do you know who I am? You dare to say that I am a waste. When the person I call comes, believe it or not, I will pack you up!” Wang Huan said as he went to the rest of his life. The direction went over.

He couldn't beat Wang Zhuangshi and was a little fat man, and he couldn't deal with this ordinary-looking person if he didn't believe it, so he stood up on his own, and then sprinkled his anger on his head first.

Wang Huan is not afraid that Wang Zhuangshi will come to help, after all, Hongxia is still there! Wang Zhuangshi still knows the degree of Hongxia's infatuation.

Seeing Wang Huan walking in his direction, Yu Sheng guessed what this guy thought and smiled contemptuously. Yu Sheng asked, “Are you really going to shoot me?”

Chapter: 1123

“Looking at you like this, I feel owed. I will be careful when talking. I will teach you how to be a man today!” Wang Huan didn't plan to talk too much nonsense, and slapped Yu Sheng in the face.

In the eyes of others, Wang Huan made a quick move, but in the eyes of Yu Sheng, his move was like a turtle crawling. It was impossible to hit him.

Yu Sheng's movements were almost completed in the blink of an eye, and everyone around couldn't see how Yu Sheng escaped Wang Huan's punch.

“Teach me to be a human being. You really treat yourself as a person without looking at how many cattles you have and how many bad money you have, thinking that others will be afraid of you?” Yu Sheng said coldly.

“Yes, Lao Tzu is rich. I can kill you with money. You and Wang Zhuangshi's wimps are all the same. I just let you get away with it and I won't give you such a chance.”

Not to mention that Wang Huan used his kicks or punches against someone for the rest of his life, and that the way of fighting was mixed with the gangsters on the street.

However, he survived this busy period, and in the end he didn't even touch Yu Sheng's clothes. On the contrary, he was so tired and panting, he didn't have the strength to make a move on Yu Sheng.

This time Wang Huan was completely dumbfounded. It was a coincidence to hide it once, and it would be a bit scary to hide it all this time.

“How did you escape...”

Wang Huan hadn't finished asking what he said, and he was kicked up in the chest. This kick directly kicked him into the air. He flew out dozens of meters and then stopped.

The people who watched the heat are also scared by Yu Sheng's way of shooting. They have seen

ordinary people fight, and powerful people can only kick people out of two or three meters with one kick. This fucking kicks out dozens of meters directly. What the hell is it?

“Oh my god, am I wrong? This person was kicked and flew out. The car doesn’t have the strength of his kick, right?”

“That Wang Huan was really unlucky enough to beat that fat man. He actually found another one who offended a terrible one. When the person he invited came, he stayed there honestly!”

“Today’s trip was really not in vain. Even if I didn’t join the Thunder Sect successfully, I watched a good show. Unfortunately, there is no Coke popcorn in this place or it would be more perfect.”

Not to mention the surprise of the people watching Rehan, even Wang Zhuangshi would have thought that Yu Sheng was so powerful, not only could he easily escape Wang Huan’s fists and kicks, but he could also kick someone tens of meters away. It’s not something that ordinary people can do!

What they think is very powerful is just something that can be done easily for the rest of his life. If he wants that kick, he can directly kick Wang Huan to death.

In the early stage of the Grand Master Realm, it was easier for a strong man to deal with an ordinary person than to crush an ant. It is no exaggeration to say that a person like Wang Huan can kill him directly by moving his mind.

Hongxia gave Yu Sheng a fierce look and finally she didn’t dare to trouble him. She ran to Wang Huan’s side to help him up, and asked worriedly, “My husband, are you doing anything? Does it matter? I’ll take you there. Hospital!”

Wang Huan, who had suffered a kick for the rest of his life, was kicked and spit out a mouthful of blood, and he was not injured to the extent that he could not move. He stood up from the ground. At this time, Wang Huan’s anger towards Yu Sheng was stronger than that of Wang Zhuangshi.

He didn’t dare to act rashly anymore, for fear that the two wimps would join forces and kill him before the people he called.

“Brother Yu, I’m sorry I caused you. You can leave as soon as Wang Huan and others are still here, or you will be unlucky with me.” Wang Zhuangshi said to Yu Sheng anxiously.

If possible, he would also like to leave, but he and Wang Huan are from the same village. He knows where he lives in his own home. If he cannot find him then, he will definitely find his parents to settle the accounts, so Wang Zhuangshi can’t leave today. No way to go.

This matter started because of him, so you can’t let the rest of your life be with him, right?

At this moment, Wang Huan’s triumphant scream came from behind: “Don’t be chirping there, don’t both of you want to leave, the person I called is here!”

Chapter: 1124

When Wang Zhuangshi looked back, he saw people number 40 or 50 coming down from a dozen or so cars not far away. Everyone had steel rods or kitchen knives in their hands. Walked in this direction. Seeing this hot crowd, they couldn’t help but step back a few meters to make room for them, so as not to stand too close and injure themselves by mistake.

“No! I never thought that Wang Huan called so many people. The kid who kicked Wang Huan just now is dead this time!”

“No matter how high the skill is, I am afraid of kitchen knives. Those big iron rods and big knives are smashed on the body and the master is useless. These two boys are finished.”

“These forty and fifty people can play a role alone. These two people were kicked to death. These two people are also unlucky enough. If you don’t have the ability, don’t offend the rich! This is not a helper,

so dumbfounded. Bar?"

There was a constant voice in the surrounding discussion that one person believed that Yu Sheng and Wang Zhuangshi could follow the hands of No. 40 or 50 intact.

Wang Huan clutched his chest and walked in the direction of the visitor. With a flat face, he said to the man with the gold necklace at the head: "Brother Ding, you are here. If you come here a little bit later, I But I will be beaten to death by these two men."

The man named Ding Ge heard Wang Huan's words and threw the cigarette out of his mouth on the ground. He curled his mouth and asked with disdain: "I brought brothers No. 4 and 5 today. It is not a problem to help you clean up a few people. , But how much do you plan to pay for this fee?"

The friendship between the two is not deep, and they are just friends of wine and meat. It is natural to ask Ding Ge to help him.

Although Wang Huan felt a little distressed about the money, the thought of Yu Sheng and Wang Zhuangshi being cruel to him in front of so many people made him shame. As long as he could abolish these two people and spend more money, he would be willing.

Thinking of this, the expression on Wang Huan's face became more determined: "Ge Ding, you helped me beat these two people. I am willing to spend two hundred thousand to honor Ding Ge and your friends."

Ding Ge was very satisfied when he heard this number. It was enough for him to eat, drink and play for a while, and then he looked at the crowd not far away.

Although there were hundreds of people waiting at the door of Bai's house, those people deliberately kept a certain distance from Yu Sheng Wang Zhuangshi.

Yu Sheng and Wang Zhuangshi, who were isolated by the crowd, were directly exposed to Ding Ge.

Taking a casual glance, Ding Ge didn't put these two people in his eyes. A fat man was still a little bit strong, and the other was as long as a little white face. At first glance, he couldn't help but feel weak.

"Brothers, surround me with these two people!"

With an order from Ding Ge, brothers No. 40 and 50 directly surrounded Yu Sheng and Wang Zhuangshi. Seeing this posture, Wang Zhuangshi was scared enough, but he was more worried about the comfort of the rest of his life.

"Brother Yu, I'm really sorry, it's unlucky to drag you with me..." Wang Zhuangshi said helplessly.

There was a trace of nervousness and fear on Yu Sheng's face. These people in the 40s and 50s looked quite alike. It was completely problematic to scare an ordinary person, but it was not enough in Yu Sheng's eyes.

But this time for the rest of his life, he didn't think he could solve it directly. He thought of other ways to deal with Hongxia and Wang Huan, who didn't know good or bad.

"If you can't beat it, I will spend money to invite a group of people. Now I look like a fox and tiger. I really look down on you as a man!" Yu Sheng said to Wang Huan.

This sentence not only irritated Wang Huan but made him amused. After a while, Wang Huan looked at Yu Sheng like a fool and said, "For them, I paid for them, so what can I do? ?

What I have is money, so I can buy both of you two worthless lives. "

Speaking of Wang Huan, he looked at Ding Ge and couldn't wait to say: "Ding Ge, these are these two people. Let the brothers take action and teach them a lesson! I can't wait to see these two people die in pain. Looks like."

Ding Ge is not a gritty person, after all, Wang Huan has promised to give him 200,000, so he still has to

do things beautifully, so he has to give orders to the brothers behind.
At this moment Yu Sheng suddenly spoke up.

Chapter: 1125

“This Wang Huan spends 200,000 yuan for you to take care of me and Wang Zhuangshi, right? If that’s the case, then I will pay the price of fifty.”

Five hundred thousand, hearing this number, Ding Ge made a pause gesture to his brothers and told them to wait.

Five hundred thousand! Ding is still a little excited when he thinks about it! After all, so much money is enough for him to buy a good car. Wouldn’t it be so cool to bring a beautiful girl?

As for Wang Huan’s thoughts at this time, Ding Ge didn’t care, he only looked for money in his eyes, and he would help whoever paid more.

“You kid can really come up with half a million?” Ding Ge asked Yu Sheng with some uncertainty.

Yu Sheng smiled confidently and said: “That’s natural. I don’t care about the small number of 500,000.

The premise is that you will help me tidy up Wang Huan and the sleek woman next to him.”

Looking at Yu Sheng’s confident look, Ding Ge didn’t think he was lying.

“That’s natural. As long as you give money, I will do it beautifully and absolutely satisfy you. Putting away Wang Huan and that bitch, right? There is absolutely no problem.”

As soon as Ding Ge’s voice fell, the brothers No. 40 and 50 he led immediately surrounded Wang Huan and Hongxia in the middle.

In just a few minutes, the situation has changed drastically. I thought Yu Sheng and Wang Zhuangshi were the unlucky ones, but in the end, Wang Huan picked up a rock and hit him in the foot.

At this time, Wang Huan also didn’t expect things to be like this, and said to Ding Ge with a bitter face:

“Ding Ge, you are the one I called! How can you help them deal with me in turn?”

Ding Ge snorted disdainfully, and said lightly: “People give me half a million, if you can pay more than them, I will help you do things! In my eyes, I only recognize money, who pays? Who can I help with more money!”

Five hundred thousand!

This number is already a very large number for Wang Huan. Now that his company has just been established, only less than 1.2 million can be used.

But this time he used all the money to sign up in order to join the Thunder Sect, how could he still come up with half a million?

“Ge Ding, these two people look like a country bumpkin, and they don’t look like rich people. Whatever you say is a lie, don’t believe his nonsense!

Look at the clothes they both wear. Together, they are not worth a thousand dollars. You know that bragging there. My 200,000 is a real deal. Ding Ge don’t talk nonsense with them here and let the brothers. Let’s do it! “Wang Huan urged.

“Are you scared? You said that I can’t take out 500,000, so I will transfer the money now, of course only 250,000, and the other half will wait for him to clean you up until I am satisfied. “Yu Sheng said lightly.

Ding Ge rolled his eyes when he heard this, and immediately reported his bank card number.

Yu Sheng also didn’t hesitate, and directly sent a message to Xia Jun to ask him to transfer the card number for two hundred and fifty thousand.

Wang Huan believed most of Yu Sheng’s serious appearance. He didn’t really offend someone with ability, right?

But how can Wang Zhuangshi's wimps know a wealthy friend!

Don't dare to delay any longer, if the rest of his life is really transferred to Ding Ge 250,000, then he will be over today.

"Ge Ding, please don't believe him, he is a liar." Wang Huan was lying. Ding Ge was not moved at all. He really had no way of doing it. Man number 50 shouted: "Brothers, how can I say we also ate together, please help clean up those two guys."

While Wang Huan was talking, a message came from Ding Ge's mobile phone, which was a reminder that the two hundred and fifty thousand yuan should be transferred to his card.

Lifting his leg is just a kick. Ding directly kicked Wang Huan in the stomach, kicked him to the ground, and said, "What is it that you step on a horse, brothers, give me a hand, and the woman will fight together!" "

Chapter: 1126

"Ge Ding, no matter how you say Ge Ding, I am also your friend? You can't be so ruthless!" Wang Huan struggled to death, hoping that he could escape the disaster.

But it didn't have any use. The group of men brought by Ding Ge didn't show any mercy, and punches and kicks hit Wang Huan like rain.

"Be careful not to kill you!" Ding Ge hurriedly reminded him when he saw that his subordinates were so light and heavy.

Then he looked at Yu Sheng and asked with a smile: "Brother, are you satisfied? Are there any special requirements, such as broken arms and legs? You can be satisfied without any additional money."

Hearing what Ding Ge said, Yu Sheng really thought about it seriously. Wang Huan had to abolish Wang Zhuangshi's legs before, so he said, "Stop his legs!"

Ding Ge was still very happy to fulfill Yu Sheng's request. After all, Yu Sheng only gave him half of the money, so naturally he wanted to satisfy his family!

"Don't, please don't waste my leg. I'll give you money. Can I give you money? Can you please let me go?" Wang Huan cried and begged for mercy.

His cries were useless, and the two of them smashed Wang Huan's leg with the steel pipes in their hands.

Immediately there was a stern wailing, and everyone who was watching Hot Huan turned their heads a little frightened.

The rest of his life watched all this coldly. Those who harm others will eventually harm himself. All that Wang Huan has done is what he deserves. If he didn't do things so excessively, how could he end up like this?

"Stop it, I've already sent the remaining 250,000 yuan to you." Yu Sheng said to Ding Ge.

Ding took out his mobile phone and looked at it. Sure enough, there was an incoming message. He greeted the brothers quickly, thanked Yu Sheng and left.

All this is back to the scene again, except that Wang Huan, who is lying on the ground, has blue eyes and swollen eyes, is hurting everywhere. Lucky.

If you faint, at least it won't hurt. If you faint, you have to endure the pain of a broken leg.

Yu Sheng originally wanted Ding's people to teach Hongxia that ridiculous woman a lesson, but Wang Zhuangshi preferred to kneel and plead with her or let him move her. Yu Sheng still didn't even start with that woman in the end.

But Hong Xia was not so good either. She had witnessed the whole process of Wang Huan being beaten,

and she was really shocked. She thought it was to ask someone to teach Wang Zhuangshi, but it turned out that they were the one who was unlucky in the end.

Hong Xia's beautiful face was pale with fright, watching Wang Huan who was wailing on the ground quickly walked over, and hugged him in her arms distressedly.

"Husband, are you in trouble? I'll call the police and let the police arrest them." Hongxia cried and said.

Wang Zhuangshi on the side felt extremely ironic when he saw this situation. It turns out that someone's heart is never warm, no matter how good she is to her, she can't even look at herself.

"Where is the end of the world without fragrant grass, why bother to love a single flower? I have a beautiful skin, but only the money is in my eyes. Is this kind of woman worth paying?" Yu Sheng patted Wang Zhuangshi on the shoulder and said.

Yes!

Wang Zhuang really wanted to understand, and finally sighed in relief, and a relaxed smile appeared on his fat face: "Brother Yu said that today I caused the trouble, and even let you spend money. I'll pay you back half a million, but it will take a little longer..."

Yu Sheng pulled out a playful smile at the corner of his mouth and said, "You don't care about the 500,000 yuan. Besides, they don't have a chance to spend the money when they get it. It's mine for them, and they won't be blessed."

Wang Zhuang really was confused when he heard it. He didn't understand what Yu Sheng meant by saying this, but he didn't know that Yu Sheng had other arrangements.

.....

Ding Ge happily took the money and wanted to spend it. When they walked into an entertainment club, the forty and fifty people were all locked in a room, and there was no way to get out.

Until the people in the patrol room came, all of them were caught in the patrol room, and none of them ran away.

Chapter: 1127

Wang Huan was seriously injured and his legs were interrupted. Finally, an ambulance came and sent him to the hospital.

"Bump this woman down to me, don't let her get in the car!" Wang Huan said to the medical staff with a throat.

"Husband, you used to call me a little baby, how do you call me a dog woman, don't you love me? Why don't you let me get in the car to take care of you?" Hong Xia said with a grieved face with misty eyes.

If Wang Huan saw Hong Xia's pitiful appearance in the past, he would be very distressed, but now if he still has the strength, he will definitely beat this woman to death, because of this stupid woman, his legs are useless. It's all because of her.

"Just your broken shoes, the reason why I slept with you was all because I wanted to humiliate Wang Zhuangshi, otherwise I wouldn't touch you.

You don't think I really like you, do you? I just want to have fun. I want you to be like that fool that Wang Zhuangshi treats you sincerely. Don't let me see you, or I will see you once and hit you once!"

As Wang Huan's yelling ended, the door of the ambulance was closed, but Hongxia was left standing there, always unwilling to believe this fact.

In the past, she thought that with Wang Huan, a rich man, she would be able to fly on a branch to become a phoenix, and she would not have to live a hard life in the future.

But now she realized that Wang Huan didn't really like her and wanted to use her to humiliate Wang

Zhuangshi.

Now that I have used it up, I was ruthlessly discarded. Thinking about Hongxia, I feel ridiculous. People in the village know about Wang Huan when she cheated on her during her marriage.

In the past, people in the village did not dare to point to her because of Wang Huan's power and power. Now Wang Huan doesn't want her. If she goes back, she won't be drowned by the spitting stars of the people in her village. She looks a little more beautiful, but when this kind of red apricot goes out of the wall, no one dares to marry her again.

Thinking of this, Hongxia felt regretful in her heart. If she was given another chance, she still wanted to live honestly with Wang Zhuangshi. After all, although the man was a little fatter, he was sincerely kind to her.

Looking at Wang Zhuangshi again, Hongxia raised her hand to hold Wang Zhuangshi's fat hand, and cried and said: "Brother Zhuangshi, Hongxia knows that she was wrong, and I will definitely live with you in the future, okay?"

After seeing this scene for the rest of my life, I remembered his wedding with Magnolia. Why didn't Yang Zihuan beg him like this?

Why do some people know who is really good to her after making mistakes? If they cherish it from the beginning, wouldn't they have everything?

At that time, Yu Sheng was able to reject Yang Zihuan very resolutely. I wonder if Wang Zhuangshi can make the same choice as him, or forgive everything she did for love.

Wang Zhuangshi lowered his head and looked at Hongxia's hand that was holding her. He felt unwilling to give up, and finally gritted his teeth and threw away.

"Hongxia, you can do it yourself! There are some things that you can't redeem. I said that a woman like you is not worthy of my love."

Hongxia still wanted to say something to save Wang Zhuangshi, but at this time the door of Bai's house suddenly opened, and two people came out of it.

A group of people watching Rehan showed excitement on their faces when they saw the two people walking out of the Bai's house, and they all stood up straight, even Rehan didn't bother to look.

"The people from the hidden door have come out to pick someone, you must pick me! God bless!"

"The Hidden Master finally came out after waiting for so long. Choose me! Choose me!"

"Oh my god! I thought I had waited for nothing today! I didn't expect to see the gods of the hidden gate."

The people around were talking about it, and Yu Sheng also understood that these two people who suddenly came out of Bai's house were hidden people, and they came to pick people.

Chapter: 1128

Hong Xia, who was still begging Wang Zhuangshi to let him accept her again and live with her, wiped away the tears on her face when she saw the immortal of the hidden gate come out.

Today, she came with Wang Huan in order to spend one million to sign up and hope to join the Hidden Gate. At that time, Wang Huan was a little tired in the line, so it was Hongxia who went to pay for the name of the money report. In her hand.

Now, Wang Huan was seriously injured and sent to the hospital. Doesn't that mean that she can take this one million report list as her own. If the hidden gods take a fancy to the income sect, this matter? Make a lot of money.

Thinking of this, Hong Xia showed a smile on her face. Wang Zhuangshi, the guy who didn't know what

was good or bad, didn't want to accept her again after begging him so much. As expected, a man had no good things. Some things still depend on himself.

"Wang Zhuangshi, I beg you like this. You still look down on me. I really thought I would give you this fat man for a lifetime." Said Hongxia waved her list in front of Wang Zhuangshi. He said: "Even if you can successfully enter the hidden gate, you are just a bad cook, an unused servant, and I am different."

Wang Zhuang really didn't care about Hongxia, but he was even more convinced that the decision he made before was correct and that this woman was really saved.

The two people at the Hidden Gate wore the unique clothing of Thunder Sect, and their black robes were embroidered with lightning patterns.

Two men from the Thunder Sect in black robes scanned the crowd, randomly selected for no purpose, and pointed a few people at random. The people pointed to were almost about to fly happily, but were ignored by the Hidden Master. Both of the people showed loss of expression on their faces.

Unknowingly, the two people from the hidden door came to the place where Yu Sheng was. It was a coincidence that one of the hidden door people stopped beside Yu Sheng and pointed his finger at Yu Sheng.

"You do not have a report." The black robe man looked at Yu Sheng and asked.

As soon as these words came out, the surrounding people looked at Yu Sheng with envious eyes. What your gods meant was to bring this young man into the sect!

On the contrary, Yu Sheng shook his head calmly, and said, "There is no list!"

When the people around heard this, they couldn't help feeling a pity for the rest of their lives. They were all taken by the gods of the hidden gate. After a long time, there was no report list, which is a shame.

"It doesn't work if there is a list of reports. You are not a rich person in this way. If this is the case, then you are responsible for serving the three elders!" The black robe man said, and handed a piece of jade to Yu Sheng's hand. .

This jade pendant is a symbol of being successfully selected into the sect. Although the rest of his life is only being selected to be a servant, the people who can hide the door do things and the people in the line are also very envious.

Yu Sheng took this jade pendant and took a casual look, and then put it in his pocket indifferently. Since he was selected, let's just wait and see what happens!

"Two gods, I have a list!"

The person who said this was Hongxia. Seeing that the two gods had chosen Yu Sheng, she started to feel a little anxious, so she simply walked over.

Hongxia deliberately twisted her buttocks to make a sexy and sultry gesture, and reached the two men in black robe with the list in her hand.

Then Jiao Didi said: "Two gods, you have accepted him. Do you want to consider me? I can do anything, and I am very obedient. Whatever you ask me to do, I will do it!"

The subconsciousness of these words couldn't be more obvious, and Hong Xia was still a little bit charming, the two black-robed men looked at each other, and then took the report list handed over by Hong Xia.

"If this is the case, you will be from Thunder Sect in the future. It seems that your appearance is not suitable for cultivation. From now on, you can be responsible for the daily life of our brothers." The black robe man said, but his eyes were on Hongxia's body. Looking unscrupulously.

Hongxia was overjoyed when she heard this, she didn't even think that she could actually enter the

hidden gate, and that was simply out of luck.

Anyway, her reputation is already so bad, the village has no way to go back, it is better to serve the gods in the hidden gate, will there be fewer good days in the future?

Chapter: 1129

Wang Zhuangshi on the side looked at him eagerly, hoping that the two hidden gods could also take a fancy to him. He didn't bother to care about what Hongxia did. After all, the two people have nothing to do with each other.

"Do you have a list?" The black-robed man also noticed Wang Zhuangshi. After all, he is really strong, and it is good to be a security guard.

The people who used to be in charge of the gatekeepers in the hidden gates have now turned into uncles in the secular world, calling on ordinary people at will.

Wang Zhuang saw the black robe man talking to him, with an excited smile on his face, he hurriedly said, "Two gods, I don't have any list, but my cooking is very delicious. If I don't lack a cook, I can do it. Be a bodyguard."

The black-robed man nodded in satisfaction, then handed Wang Zhuangshi a piece of jade pendant, and began to pick people.

Wang Zhuangshi held the jade pendant in his hand and held it in his palm as if he was holding the world's most precious treasure. He was so happy.

In these days, he has been to many places and tried, but he still wasn't selected, but he didn't think he was actually picked at this last moment.

"Brother Yu, you are really my noble person! After meeting you, not only helped me a lot, but also was so lucky." Wang Zhuangshi said gratefully to Yu Sheng.

Yu Sheng smiled and said nothing, thinking that even if Wang Zhuangshi was selected by the hidden door, he would not be able to do it for two days. After all, his purpose of coming here was to trouble them and drive them away.

The reason why I still don't have any hands on it now is that I want to figure out the specific strength of this Thunder Sect, and don't run into people who are too strong than him, it will not be worth planting here by then.

Later, the two black-robed men chose a few more and each gave them to jade pendants, a total of 30 people, following the black-robed men into the door of the Bai family in the enviable eyes of others.

"Second brother, why do you choose a man to serve the third elder? Wouldn't it be better to find a beautiful woman? Maybe the third elder is happy and can reward us brothers with something good!"

The black robe man approached him. Asked his companion.

"You don't understand this! The third elders don't like any women. No one knows about this. Even I didn't know before. Before coming, he called me over and asked me to pick him a good-looking one. Men come to serve him." The man in the black robe whispered.

Immediately the two people talked about other nonsense, which were all trivial things.

Although their conversation was very quiet, the rest of their lives with them had already heard clearly.

After a long time, they were elected to ask him to accompany the third elder.

After taking Zhu Ji Dan, Yu Sheng's appearance has undergone a qualitative transformation compared to before. His skin is smooth, delicate and fair. Coupled with his sharp facial features, he can be called an out-and-out handsome guy.

For the rest of his life, there is no such habit, if that is the case, then start with the abnormality of the

third elder, and get a good understanding of the Thunder Sect from his mouth.

At this time, the black-robed man took the 30th person to a place where the Bai family rested, and the men and women moved in separately.

Even where the people of the Bai family live, everyone who looks decent has a separate room. After all, the Bai family used to be a top family.

Everyone has been arranged to live, only the rest of their lives are still behind the two black-robed men, and it has been a long time to find a room for him to settle down.

“You don’t need to live in this place, just take you directly to the place where the third elders are.

Remember that you can’t say something, especially about the third elders.” The man in the black robe warned.

How could Yu Sheng not understand the meaning of the words? This is not to tell him in advance that even if he finds out that the Third Elder likes men, he cannot tell outsiders.

Yu Sheng nodded blankly.

Following the two men in black robes, Yu Sheng came to the residence of the third elders. This place was magnificent and magnificent. Compared with the place where the Bai family members lived before, it was a heaven and a ground.

It’s not the first time in my life to come to the Bai’s house. Such luxurious decoration is not what Mr. Bai likes. At first glance, it is known that the people at the Hidden Gate occupied the Bai’s house and renovated it.

After sending the rest of their lives in, the two men in black robes left, leaving the rest of their lives idly wandering around.

Hearing the sound of laughter and coaxing in the distance, he walked in that direction, but he was completely dumbfounded when he saw what was going on.

Chapter: 1130

The scene before him completely reorganized the three views of the rest of his life, and there was even an urge to vomit on the spot, which is simply damn spectacular.

The place where the sound came from was a hot spring not far away, and there were all men in the hot spring, and this group of men served this 60-year-old man in the hot spring.

Massagers, leg beating, shoulder rubbing, and... wait, the old man was intoxicated by these good-looking men serving him, and he was holding a man in his arms.

And this old man is not someone else, it is the third elder of the Thunder Sect. He opened his eyes when he heard the footsteps. When he saw Yu Sheng, his eyes became straight, pushing the men around him and those who served him. To the side.

“Beauty, are you new here? What are you doing standing stupid, take off your clothes and play together!” The third elder urged Yu Sheng, but his eyes kept walking around Yu Sheng’s body, immediately revealing a touch of greed. color.

Yu Sheng didn’t dislike the existence of such feelings in this world for such things between men and men, but if he was asked to accompany that man, there would be no discussion.

“I advise you to put on your clothes now, I’m afraid I will dirty my eyes.” Yu Sheng said coldly.

As soon as the third elder heard this, his direct smile instantly solidified. This new kid is here to make trouble!

“Do you know who I am? Just come down and accompany me honestly. I assume you didn’t say this just now.” The third elder’s tone was a bit displeased, and he didn’t like a behaved person. For the rest of his

life, let him be like this Some don't like it.

For the rest of his life, he leaned on the rockery and looked at the third elder contemptuously. He had already sensed it with his mind just now. This third elder was only at the level of the late Grandmaster Realm, and Song Wanwan could easily clean him up when he came.

"You are an old pervert, quickly put on your clothes and roll out. When I give you three minutes, or I will do it directly." Yu Sheng glanced at the third elder contemptuously, then shifted his gaze to one place. And Yu Sheng's words completely angered the three elders. This young man who didn't know what was good or bad actually called him an old pervert, and he was so fearless and fearless, and he simply didn't put him in the eyes.

All the Yaxing of the three elders was completely disturbed by the rest of his life, and stood up from the hot spring, the elder on the third floor put on his clothes, his eyes were cold.

The men present all showed fearful eyes when they saw the appearance of the third elder. The third elder was really angry!

"Don't think you can be lawless with me if you are a bit handsome, I will teach you the rules here now!" The third elder took out a piece of talisman paper from the black robe, chanted Fa Jue in his mouth, and then threw the talisman paper in his hand in the direction of Yu Sheng.

Thunder symbol.

Yu Sheng recognized the talisman paper that the third elder threw to him, and it happened that he had seen the making process of thunder talisman on the Nine Profound Heaven Scriptures.

Yu Sheng also used thunder talisman to suppress Liu Aijuan's evil spirit, but the two are both thunder talisman, but there is a certain gap, such as the magic tricks that the three elders just said, greatly increasing the power of thunder talisman.

This is the secret of the Thunder Sect, and will not be known for the rest of his life.

Facing the Lei Fu Yusheng who was thrown at him by the Third Elder, he didn't carelessly shook his body and avoided it very quickly.

The third elder on the side knew that he was not an ordinary person when he saw Yu Sheng's reaction speed, and said with a cold snort, "It seems that you are here to make trouble for the hidden door, and it is your death date when you meet my head!"

"That's wrong. Today is your death date. I don't even care about your ability to be an old pervert. The elder of the hidden gate is nothing but that."

After Yu Sheng said it, he attacked the Third Elder, and grabbed the third elder's neck with this palm.

The third elder subconsciously wanted to get out of this posture, but his retreat route was all in the rest of his life's expectation. There was no accident, the rest of his life directly choked the third elder's neck.
