

Chapter 14: Don't Mess with this Son-in-Law, Don't Mess with this Son-in-Law novel, Dont, Mess,

"Yeah, the time is up, but I'm fine now, is there anything wrong with me?"

Wang Wenxue looked at Yu Sheng sarcastically.

But as soon as his voice fell, his cell phone rang suddenly, and it was his father who called.

Connected, his father's violent voice came from inside:

"You b*****d, what big man have you offended?"

"The Wang family is going to be killed by you, you wait for me, I don't personally beat you to death, my d**n surname is like you!"

This?

Wang Wenxue was stunned on the spot, what's the mess?

Before he came back to his senses, there was a loud noise, and the phone was smashed over there in despair.

Then, another call came:

"Master, it's not good, the two hundred million loan contract signed last week was urgently stopped by the bank!" Remember for a second <http://>

"Wh, what? Why?"

Wang Wenxue exclaimed in exclamation.

"The bank said that our Wang family is going to die, and now we are lending money to us. That's because the meat buns and the dogs have never returned!"

"F**k him, he's done, we won't end up in the Wang family!"

Wang Wenxue hung up the phone angrily, but immediately rang again!

There is no interval of one second, one call after another comes in!

"Wang Shao, it's not OK. The firefighter at the factory said that our firefighting inspection failed and the factory was forcibly shut down!"

“Shao Wang, the three suppliers have announced that they will not supply our company!”

“Shao Wang, the master was arrested by the police.”

“...”

The bad news came one after another, Wang Wenxue’s face became pale a little, and his whole body trembled uncontrollably.

Cold sweat kept dripping on his forehead, and he looked at Yu Sheng with a look of horror and disbelief:

“It’s you... it’s you, right?”

“Aren’t you a door-to-door son-in-law, how can you have such a big energy?”

Yu Sheng looked indifferent: “Remember what I said the day before yesterday? I said, I will make you kneel down and beg me today.”

Puff!

Wang Wenxue softened his legs and knelt directly in front of Yu Sheng. It was just a brief message that could kill the Wang family in an instant. This energy was simply terrifying.

Wang Wenxue was completely panicked and scared.

He knew that this time it was kicked on the iron plate, no, it was kicked on the steel plate.

For the rest of my life, it was hidden too deeply!

There is definitely a huge force behind him that he can’t imagine!

“Yu Sheng, Brother Yu, the old squad leader, I was wrong, I know it was wrong, I am bored with lard, I don’t know Taishan, please give me another chance!”

“Please let the Wang family go!”

He banged his head frantically, begging as he banged, and his forehead was bleeding.

The others were dumbfounded.

One by one, his eyes widened and his mouth opened wide, and he couldn’t believe the scene before him.

For the rest of his life, a door-to-door son-in-law, just a short message, gave the whole of the royal family of Nuo Da.

Wang Clan and Young Scholar Wang Wenxue knelt directly in front of Yu Sheng.

Constantly kowtow begging for mercy.

For the rest of his life, is their old squad leader really just a door-to-door son-in-law?

At this moment, even Yang Zihuan opened his eyes wide in horror.

He looked at his husband fiercely, with a strange look on his face!

Yes.

At this time, the rest of his life was very strange to her!

She remembered that the rest of her life had always emphasized that she could give her 30 million to help the Yang family.

But she couldn't believe it at the time, thinking that for the rest of her life, she would be swollen and fat.

And now...

She felt bitter...

She knows the relationship between her and the rest of her life for five years. After today, it is impossible to go back to the beginning.

Once a piece of porcelain has cracks, it cannot be restored.

Just as a bucket of water falls on the ground, it is impossible to put back a lot of drops.

There has been a crack in the relationship between the two of them.

Cracks that cannot be repaired!

But at the same time, she was also very angry.

He has so much energy for the rest of his life, but he wants to lie to himself.

He would rather be a useless door-to-door son-in-law, who was ridiculed by her mother every day, he did not want to expose his identity.

This man is so terrible and hateful!

“Brother Yu, no, I call your father, no, I call your grandfather, grandfather Yu, please let go of my Wang family, as long as you raise your hands and let go of my Wang family, I will be a loyal dog by your side in the future!”

Wang Wenxue is really scared.

He is a rich second generation, and he has enjoyed the prosperity and wealth of the world since he was a child.

This made him fall from the sky to the ground, and he simply couldn't adapt.

Most importantly, his father was taken away by the police.

He believed that with this terrifying energy for the rest of his life, his father would never leave prison for the rest of his life with just one word.

How long he can live in prison depends entirely on the face of Yu Sheng and the forces behind him.

Also, he designed to revenge against Yang Zihuan and humiliate the rest of his life. Will he let him go for the rest of his life?

the answer is negative.

Sure enough, at this moment, a group of police officers rushed in.

“Who is Wang Wenxue?” one of the police officers asked.

Wang Wenxue trembled and almost fainted.

The result he feared the most was finally here!

“Dad Yu, Grandpa Yu, please, for the sake of our former classmates, please give me a way to survive. As long as you let me go, I will promise you everything!”

Wang Wenxue cried, the blood on his forehead mixed with tears dripped from his face, and the whole person looked abnormally hideous.

When the other people saw the police coming in, they didn't dare to come out one by one.

“Take them all back to investigate, there are always some people who have done stupid things.” Yu Sheng kicked Wang Wenxue away and said to the police officer.

These old classmates, didn't they laugh at him so much just now?

Today, let them have a long memory.

Hearing Yu Sheng's words, all the old classmates' expressions changed drastically.

For the rest of their lives, the entire Wang family was finished in minutes. Compared with the Wang family, they couldn't even count as farts.

"Yu Sheng, Brother Sheng, we were wrong, we shouldn't laugh at you, we are not human!"

Many people immediately begged for love.

But Yu Sheng didn't want to talk to them at all, just stood there silently.

The police officer didn't know Yu Sheng, but when Yu Sheng could say this, they immediately guessed Yu Sheng's identity.

It must be the mastermind behind the Wang family this time.

This time, even the top leaders were alarmed. Of course, they did not dare to offend the rest of their lives.

"Take all away." A police officer in the lead gave an order, and the police officers escorted everyone out.

The police officers didn't know Yang Zihuan, and even Yang Zihuan was taken into custody.

"She is my wife." Yu Sheng said lightly.

The police officer holding Yang Zihuan was shocked and hurriedly released Yang Zihuan.

Seeing everyone being taken out by police officers, Yang Zihuan seemed to be in a dream.

Yu Sheng glanced at the blood he vomited before, then turned around silently and walked outside.

"The rest of my life!" Yang Zihuan gritted his teeth and shouted.

Stopped for the rest of his life, without looking back.

"You did all this, right?" Yang Zihuan asked in a deep voice.
