

Dont mess 141

## **Chapter: 141**

Everyone was stunned, and there was a brief gap in the brain.

At this moment, people couldn't believe that this scene was true.

Superstar Zuo Mingyue bowed to Yu Sheng 90 degrees, his tone was not respectful.

How does it feel so real?

Many people rubbed their eyes in disbelief, thinking that their eyes were blurred.

Especially Li Wenbing, he was completely stunned, his brain was tumbling, and he couldn't understand why such a thing happened. It's unscientific!

Wasn't he the son-in-law of the Yang family for the rest of his life?

Why?

Why is Zuo Mingyue so respectful to him!

The head teacher also opened his eyes wide and rubbed his eyes vigorously.

But the facts are right in front of him, and he can't help but believe it.

"Unexpectedly, it is all of us who are blind, not Yang Zihuan!"

The head teacher sighed, his face was hot.

Before that, he said that Yang Zihuan had a vision, and that he was married to a waste like Yu Sheng.

Unexpectedly, this slapped face is too fast.

"Yu Shao..." The agent next to him also hurriedly bowed to Yu Sheng.

"Yeah." Yu Sheng nodded, looking up and down Zuo Mingyue.

"Yu Shao, I, can I toast you a glass?" Zuo Mingyue glanced at the red wine in front of Yu Sheng, and looked at Yu Sheng pitifully.

That's really lovely, and people can't help but want to feel pity.

"What wine to drink?"

Yu Sheng's eyes turned cold, and he said indifferently: "The dignified first-line celebrity actually came out to sing to others. You are not afraid of embarrassment. Are you not afraid of embarrassing the contracted company behind you?"

Zuo Mingyue trembled and panicked.

"Yu Shao, I know I was wrong, and I will never dare to do something that would shame the company again!" Zuo Mingyue hurriedly apologized, fearing and wronged in her heart.

She didn't want to come and sing.

But.....

Until this time, everyone came back to their senses.

They finally realized that the door-to-door son-in-law they had always looked down upon was not simple.

For a moment, everyone was speechless and looked at Yu Sheng in shock.

Shao Yu!

Super star Zuo Mingyue will respectfully call him Yu Shao.

As for a successful person like Li Wenbing, in front of Zuo Mingyue, he must be shy and flattering.

This gap is not generally large.

Suddenly, everyone's attitude towards Li Wen became much colder, and they no longer respected and admired as before.

On the contrary, many people think that Li Wenbing is too pretending.

Isn't it just a section chief? What to show off?

Look at Yang Zihuan's husband, even superstars have to fawn, and the attitude is not good.

However, they are very low-key, even if they have been ridiculed, they still don't lose their temper.

This is the real big man, big boss.

At this moment, everyone looked at the crumpled clothes on Yu Sheng's body, and they all felt that it was a fashion.

In this regard, Li Wenbing's face was ugly to the extreme.

To put it ugly, it's worse than eating shit.

Even after killing him, he couldn't understand why such a superstar as Zuo Mingyue would be so respectful to Yu Sheng, a young girl!

At this moment, he really wanted to vomit blood.

Obviously he made Zhao Tianyu spend five million, and he also begged his uncle to come forward and invited Zuo Mingyue.

Unexpectedly, when he was forced to finish pretending, his face was beaten to shreds.

"Remember, it is the company that has made you. As long as you have a contract with the company, your words and deeds cannot affect the company's image." Yu Sheng said again.

"Well, I see!" Zuo Mingyue nodded hurriedly.

“You go back first. If the follow-up of this matter can’t be solved, let Xia Jun come forward to you and say that I said it.” Yu Sheng waved his hand and signaled Zuo Mingyue to go first.

“Okay, thank you Shao Yu!” Zuo Mingyue nodded hurriedly, and then quickly left the hotel with everyone.

## **Chapter: 142**

This scene, in the eyes of everyone, is even more shocking and tender.

Zuo Mingyue, the star of Zuo, is actually obedient to the rest of his life, which is incredible.

“Miss Zuo, we signed the contract...” Li Wenbing chased behind Zuo Mingyue, his expression ugly.

“Prince Li, I’m sorry, the company will talk to you about the contract. You didn’t say that Yu Shao was there, so we didn’t have any preparations, and we didn’t ask Yu Shao in advance. This is your negligence, no Blame us.” The agent said coldly.

Yu Shao?

Li Wenbing was shocked, and subconsciously asked, “Who is he for the rest of his life, and why are you all so afraid of him?”

The agent looked at Li Wenbing, with a sneer in his eyes: “It’s someone at the level of your uncle who is far from offending.”

Uncle Li Wenbing is just a game, and there are too many people who can’t afford it.

So the agent added: “The richest man in Xia must obey him, so you should go slowly for Li Gongzi, and take a closer look at Yu Shao’s identity.”

As she said, she stopped talking to Li Wenbing and others, and left the hotel directly with Zuo Mingyue and others.

But Li Wenbing, Zhao Tianyu and others trembled all over, and they couldn’t calm down for a long time.

After Yu Sheng saw that Yang Zihuan hadn’t come out for a long time, he sent her a WeChat message, saying that he was leaving first.

Then he put out the cigarette butt, got up and walked outside. The party ended here, and there was nothing interesting behind it.

Everyone hurriedly gave way.

They followed Yu Sheng one after another.

They don’t know what the psychology is, they just want to send the rest of their lives out of the hotel in person.

Finally, Li Wenbing and Zhao Tianyu looked at each other and followed them one after another.

Only Xu Zhiheng was still on the spot in a daze, with a look of disbelief.

He ridiculed the rest of his life this morning, and even laughed at Yu Sheng by arranging work for the rest of his life.

Who knows, Yu Sheng is such an awesome existence!

At this moment, he was a little scared.

Looking at Xu Zhiheng, whose face was pale, Yu Qin's eyes were full of disappointment.

This is the gap!

She shook her head, she had a choice in her heart, and then no longer cared about Xu Zhiheng, and followed the crowd for the rest of her life.

For the rest of his life, there were no people in charge, so he got into his car after leaving the hotel, and disappeared into the sight of everyone.

Because of the shock before, at this time, looking at the millions of luxury cars that Yu Sheng drove, everyone didn't feel anything.

It's just that everyone feels a little regretful, why didn't they see what kind of car they were driving before?

"You guys, why did you all come out?"

At this moment, Yang Zihuan also came out, watching everyone standing outside, watching the r8's back figure drifting away, feeling a little puzzled.

Didn't you say that the star Zuo Mingyue is coming to sing?

People?

"Yang Zihuan, you are not interesting enough, we are old classmates, your husband is so good, you didn't even tell us."

Seeing Yang Zihuan, everyone immediately surrounded him.

### **Chapter: 143**

Yang Zihuan was startled, he didn't know what they were talking about, and he was a little confused for a while.

"Yes, I obviously married a golden turtle son-in-law, but I blamed my bad marriage. Are you afraid that we will take your husband away?"

"Let me just say, Zihuan is our class flower plus school flower, how could it be possible to marry a trash?"

"That's right, the door-to-door talk is nothing more than a courtesy."

As soon as Yang Zihuan came out, she was surrounded by everyone, and she was slapped with flattery. She didn't know what was going on, and the whole person was still confused.

“Zi Huan, this is your fault. Married to such a good husband, even the teacher has to hide it. You have to ask us all to make up the wedding drink.” The head teacher laughed.

Yang Zihuan looked at the head teacher and smiled bitterly: “Teacher Liu, what are you talking about, why can’t I understand a word?”

“Still pretending to be afraid that we will snatch your husband? Your husband is a big boss who has to respect and respect even the big star on the left. People don’t look down on us.” A female classmate laughed.

“By the way, Zihuan, what does your husband do, so majestic?” someone asked again.

Li Wenbing and others all looked at Yang Zihuan and listened.

At this time, Yang Zihuan finally understood that it was Zuo Mingyue who saw Yu Sheng and made a respectful move. No wonder these people praised Yu Sheng so much.

No, isn’t Yu Sheng just a driver driving the chairman? Why should Zuo Mingyue be afraid of him?

When Yang Zihuan thought about the situation in the playground before, he suddenly became puzzled.

She felt that something must be hiding from her for the rest of her life.

During this time, she also discovered that Yu Sheng was getting something wrong. She even suspected that Yu Sheng, the so-called chairman driver, was also a fake.

But for a while, she didn’t know what was wrong.

“Hoho, a small problem with eating, I will invite everyone another day. By the way, I have something to do, so I’ll leave first.” Yang Zihuan smiled apologetically, and went to the rs7 that Yu Sheng gave her, and went straight away. .

She has many questions in her mind, and she wants to ask Yu Sheng to ask them one by one tonight.

Otherwise, she always feels a little uneasy in her heart.

Seeing that Yang Zihuan opened the nearly two million rs7, everyone was envious.

Of course, some people liked the party today, but some were very sad.

This person is Li Wenbing.

Li Wenbing’s face was pale as he watched the classmates go away one by one and leave one after another.

Had it not been for the rest of his life, this party tonight would not have reached this point.

At this time, he hated Yu Sheng very much in his heart.

Obviously, it is him who is respected and worshipped by everyone, and for this, he has worked hard.

All the expenses of the party, as well as the five million yuan that Zuo Mingyue was invited to come over to sing, although Zhao Tianyu contributed all the money.

But he still has to find a way to help Zhao Tianyu earn it back.

But all these fruits were picked by Yu Sheng alone.

Not only that, but many old classmates finally looked at him with a little disdain.

What irony!

“Yu Sheng, Yu Sheng, you’d better not let me find out your true identity, otherwise Lao Tzu will let you have the rest of your life!”

Li Wenbing secretly clenched his fists, his eyes were full of anger and murder!

#### **Chapter: 144**

Liu Changqing was very excited. He finally put together a picture of Yu Sheng and Zuo Mingyue, and found a chance to ruin the two of them.

Last time at the playground, Zuo Mingyue actually helped Yu Sheng’s trash slap him in the face, making him lose face. At that time, he secretly vowed that he would not let Yu Sheng and Zuo Mingyue get better.

Today, he finally began to retaliate.

“Bitch, if you dare to offend me, let you taste the ruin!” After sending the manuscript, Liu Changqing’s eyes were proud and fierce.

After Yu Qin came to the company, Yu Qin had cleaned up his office, spotlessly clean.

“Yu Dong.” Yu Qin greeted Yu Sheng with respect in his eyes.

Yu Sheng nodded, sat down in a chair, and called Xia Jun to ask him to come to his office.

During this period of time, there are many things that I have not had for the rest of my life. He asked Xia Jun to come over, just to ask about his recent project progress.

He hung up the phone, took out a cigarette, and soon Xia Jun came to his office.

“Yu Shao.” Xia Jun greeted Yu Sheng.

“Sit down.” Yu Sheng pointed to the chair next to him.

Xia Jun sat down on the chair next to Yu Sheng, and Yu Sheng leaned back on the chair and asked, “How has the project progressed recently?”

He likes to get straight to the point.

“It’s okay. We have launched several free apps, and we have done a lot of activities to send red envelopes and send cash, and the drainage effect is very good.

However, the other three giants seem to have seen our road to success, and they seem to want to learn from us and spend money to grab traffic. “Xia Jun said.

“Well, as long as we stick to our spending philosophy, the three of them will not be able to surpass us.

On this road, we have already seized the first opportunity. Our advantage is that we are willing to spend money so that users can really benefit.

Therefore, unless the three of them dared to spend the same amount of money as we did, they won't be able to hold on for long. Yu Sheng took a puff of smoke and analyzed.

"Yes, because we have a complete ecological chain, the three of them have to invest twice as much money in this regard to follow the same path as us."

Xia Jun nodded, took a sip from his teacup, and said, "By the way, Yu Shao, I have a suggestion. I think we should expand the copyright library at the bottom of the ecological chain."

After a pause, he continued: "One of the biggest reasons why our company can be so successful is that we reserve a large amount of high-quality copyrights.

I heard that Singularity is splitting internally, which is a great opportunity for us to acquire it.

As long as the acquisition of Singularity, we occupy an absolute advantage in copyright reserves.

I think this is a strategic investment and it is necessary to make it."

Yu Sheng nodded, he also knew this singularity, the real mobile copyright library, the three giants are all thinking about it.

"Yes, this plan is good, you should hurry up and do it, first use the money raised last time, if it is not enough, then the board of directors will make a decision." Yu Sheng said.

"Okay." Xia Jun nodded, and was about to leave when the public relations manager rushed in in a panic.

"What's the situation?" Yu Sheng frowned and looked at Zhao Xiaoling, the manager of the public relations department, together with Xia Jun.

"Chairman, it's not good. Someone spread rumors on the Internet about you and Zuo Mingyue, and now good multimedia is spreading wildly." Zhao Xiaoling said and passed the mobile phone interface to Yu Sheng.

Yu Sheng took it and took a look. On the screen of his mobile phone, there was a picture of him holding hands with Zuo Mingyue. The title was Yunyun, the mysterious boyfriend of the superstar Zuo Mingyue.

Yu Sheng frowned, a murderous intent flashed in his eyes.

This slanderer is obviously going to ruin Zuo Mingyue!

## **Chapter: 145**

In a few days, Zuo Mingyue's new drama will be broadcast, but at this time Zuo Mingyue suddenly broke out such a lace scandal. Popularity will definitely be greatly affected, which will directly affect the broadcast volume of the new drama.

Xia Jun also stretched his head to look over, frowning.

This photo is obviously a computer synthesis, but netizens don't care about it, they only identify news papers.

“Will it be a companion?” Xia Jun looked at Yu Sheng solemnly.

Yu Sheng shook his head and said, “It’s hard to tell, but no matter who it is, you must find him out for me!”

Murderous aura flashed in his eyes, he didn’t care, the key was Zuo Mingyue.

Zuo Mingyue is now the most famous traffic star cultivated by his company. It is the guarantee of traffic. If Zuo Mingyue is destroyed, it will definitely be a huge loss for the company.

“Well, leave it to me. I will find it out within three days!” Xia Jun said firmly.

“Go.” Yu Sheng nodded.

Xia Jun got up and said to Zhao Xiaoling: “I will use all resources immediately to delete all the negative news on the Internet to minimize the impact.”

“Good Mr. Xia.” Zhao Xiaoling answered, and went out of Yusheng’s office with Xia Jun.

At this time, Yu Sheng called the secretary Yu Qin: “Call me Zuo Mingyue to my office, no matter what she has arranged now, let her put it down and come over immediately.”

Of course, the biggest victim of this incident must be Zuo Mingyue, maybe her stardom will be abandoned.

Yu Sheng called her over, in addition to comforting her, but also to stabilize the military spirit.

At this time, Zuo Mingyue looked at her photo with Yu Sheng, watched various comments under the news, watched various questions from her fans, and she was going crazy.

The agent Xu Fen and others are busy with public relations and clarification, saying that this is a man-made rumor and so on.

However, most netizens believe the rumors on the Internet, and few people recognize that the photo is a composite, so it is a bit difficult for public relations.

The most important thing is that there are too many rhythms that affect the correct judgment of other fans.

At this moment, Zuo Mingyue’s phone rang, and it was Yu Qin.

Ordinary people can only call their agent Xu Fen first, and then forward them to Zuo Mingyue.

But Zuo Mingyue must answer the phone call from the chairman’s office.

“Hello.” Zuo Mingyue connected.

“Hello, this is Yu Qin, secretary to the chairman, and the chairman wants you to come to his office now.” Yu Qin said.

Zuo Mingyue was shocked. Is the chairman trying to put the blame on me? This is a rumor made by others!

Zuo Mingyue was very confused. She didn't know what the chairman meant, or whether the chairman would block her because of this incident.

"Miss Zuo, the chairman said, no matter what job you have now, put it down immediately and come first." Seeing Zuo Mingyue's absence for a long time, Yu Qin reminded again.

Although she is also a fan of Zuo Mingyue, the idol is nothing in front of the chairman.

"Okay, okay, I'll go over now!" Zuo Mingyue hung up the phone in a panic.

Yu Qin's tone made her feel that the chairman asked her to go over, and most of it was going to settle accounts with her.

Zuo Mingyue feels very bitter, she feels wronged.

Obviously she is the victim, why should the chairman blame her?

With a sense of anxiety, Zuo Mingyue went out by herself, not even her agent Xu Fen, and drove directly to the Sihai Group Building.

After stopping the car, she dared not delay for a moment, so she hurried to Yusheng's office.

#### **Chapter: 146**

"Beauty, is the chairman here?" When he came to the outside of Yu Sheng's office, Zuo Mingyue asked Yu Qin in the secretary's office next to him as he came out.

"Yes, the chairman is waiting for you, go in by yourself." Yu Qin nodded, looked at Zuo Mingyue, and wondered if the photo was really synthesized?

Out of a woman's instinct, she always feels that this superstar Zuo Mingyue and the chairman may have a very close relationship. The scandals on the Internet are not necessarily fake.

"Okay, thanks." Zuo Mingyue nodded and walked over to knock on the door.

"Come in."

Hearing Yu Sheng's voice, Zuo Mingyue took a deep breath, opened the door, and walked in cautiously.

With a worried mood, Zuo Mingyue came to Yu Sheng.

"Chairman, I... I really don't know how that photo came from. My team is doing its best in public relations. The chairman can rest assured that we will definitely minimize the impact on the chairman..." Zuo Mingyue is afraid After misunderstanding for the rest of his life, he explained hurriedly.

Yu Sheng glanced at Zuo Mingyue, and seeing her panicked, he knew that Zuo Mingyue had misunderstood herself.

Yu Sheng smiled and said: "Don't be nervous, I asked you to come here to tell you one thing. I already know about this scandal, and I have asked them to investigate it. You don't have to worry too much, the company will The impact of this incident was minimized..."

Ah?

Zuo Mingyue was stunned, and she couldn't believe that the chairman would not only blame herself, but also help herself to minimize the negative impact.

"By the way, the company is going to launch a large-scale entertainment program, with you as the main force, while selecting a few newcomers, you are ready to go." Yu Sheng said again.

The scandal this time will definitely have a lot of impact on the company and Zuo Mingyue.

He engages in this large-scale entertainment show, firstly to find newcomers, and secondly, to make a wave of income.

At the same time, it can also cover up the influence of this scandal.

"Ah, really?" Zuo Mingyue was excited at once.

Large-scale entertainment shows can not only stabilize her current fan base, but also bring her a new wave of traffic.

She looked at Yu Sheng, her eyes flowed with excitement on her face. If it weren't for the fear of Yu Sheng being angry, she almost couldn't help but rush to hold Yu Sheng and give it a kiss.

The chairman not only blamed her, but also praised her vigorously. Such good things, why not make her excited.

"Of course it is true, at most next month." Yu Sheng smiled slightly.

"Chairman, thank you, you are so kind!" Zuo Mingyue said excitedly.

"I said, as long as you work hard, I won't treat you badly." Yu Sheng said.

"Well, the chairman can rest assured, Mingyue can do anything for the company!" Zuo Mingyue hurriedly showed loyalty.

"The company won't let you do anything illegal. Okay, you go back first." Yu Sheng said.

Zuo Mingyue nodded, a hesitant look appeared on his face, as if hesitated to speak but stopped.

"Is there anything else?" Yu Sheng asked.

Zuo Mingyue nodded, looking expectantly at Yu Sheng: "Chairman, I really want to invite you to dinner..."

## **Chapter: 147**

Yu Sheng smiled, and said, "I will talk about the meal when this matter is dealt with."

Seeing Yu Sheng changed his mouth, Zuo Mingyue was overjoyed and nodded hurriedly: "Okay, then I'll go back first."

Seeing Zuo Mingyue's excitement, a smile appeared on Yu Sheng's face.

He took out a cigarette and put it on, feeling a little bit emotional.

The same goes for big stars, and they are also his employees.

His employees sometimes have low demands.

Just like Zuo Mingyue, although he is not a superstar now, he is still a famous first-line traffic star.

Both income and reputation, but just to be able to treat herself to a meal, she just gave her hope, and she was so excited.

Leaning on the sofa for the rest of his life, Erlang's legs were lifted, and suddenly he felt like he was going to hold a staff meeting or something?

In fact, the biggest motivation for all those who go to work is nothing more than the hope that the company has drawn for him in the future and the current salary.

After thinking about it, Yu Sheng felt that it was necessary to improve the company's salary system. In this way, it would also greatly stimulate the positive attitude of the employees.

But this matter must be discussed afterwards.

At the moment, it is still necessary to find out who is behind the rumors and slander.

No matter who it is, as long as it is found out, he will have to pay the corresponding price for the rest of his life.

Before leaving get off work, Yu Sheng was going to pick up his son first. In the elevator, a man suddenly broke in. It was Liu Changqing, the deputy manager of the human resources department.

"It's you?" Liu Changqing saw Yu Sheng with a smug smile in his eyes.

"It's me." Yu Sheng glanced at Liu Changqing. He remembered the last time he was in the amusement park when this guy pretended to be forceful in front of him, and suddenly felt a little funny in his heart.

When he waits for a staff meeting in a few days, what will Liu Changqing look like when he sees him?

"Have you watched the news? Do you know if you are famous?" Liu Changqing laughed playfully.

"Really? How famous is it?" Yu Sheng smiled faintly.

"The headlines of the major mainstream media are all your news, aren't you curious?" Liu Changqing looked at Yu Sheng and saw Yu Shengyun's calm appearance, wondering if this little security guard reads the news?

Besides, wouldn't their security department know about such a big thing?

"Oh, that seems to be a bit famous." Yu Sheng smiled.

Liu Changqing frowned, the rest of his life's reaction was too calm, he didn't see the desired result, which made him feel uncomfortable.

"Look, Zuo Mingyue's countless fans have said that they want human flesh, and they want to pull you out and whip the corpse." Liu Changqing turned on the phone, pulled it to the comment area and handed it to Yu Sheng.

Yu Sheng glanced, his eyes were calm, and even a smile appeared.

“What are you laughing at?” Liu Changqing frowned and asked.

“Famous, of course it is worth laughing.” Yu Sheng said.

“Are you not afraid that Zuo Mingyue’s fans will get you after they find you?” Liu Changqing looked at Yu Sheng in confusion.

The reaction for the rest of his life made him feel a little uncomfortable as if he had eaten a fly.

Yu Sheng smiled, without speaking, just when the elevator reached the first floor, Yu Sheng walked out.

At this time, the security manager Xu Jingzheng was waiting outside the elevator, and when he saw Yu Sheng, he hurriedly greeted him respectfully: “Brother Yu, you want to go out.”

“Well, pick up my son.” Yu Sheng nodded.

Liu Changqing, who was following Yu Sheng, was a little dumbfounded. Xu Jing called this little security guard?

Isn’t he a security guard? Why does Xu Jingtang’s security manager call him brother?

Liu Changqing was very puzzled. Although Xu Jing’s manager was the security department manager, the administrative level was one level higher than his deputy human resources manager, so he couldn’t ask Xu Jing directly.

With doubts, Liu Changqing followed Yu Sheng out of the front hall.

He also wanted to pick up his daughter from school, and took leave in advance.

“Are you going to pick up your son? Or I’ll see you off.” Liu Changqing smiled after catching up with Yu Sheng.

Of course he couldn’t really want to give away the rest of his life, he just wanted to take the opportunity to humiliate the rest of his life.

Yu Sheng looked back at Liu Changqing and saw the vicious meaning flashing in his eyes. He immediately understood what Liu Changqing meant.

He smiled, then took out the r8 car key and pressed it.

### **Chapter: 148**

Seeing the r8 lights flashing, the smile on Liu Changqing’s face froze, and his expression became extremely exciting.

“Yours?” Liu Changqing looked at Yu Sheng in shock.

“Who do you think it will be?” Yu Sheng smiled faintly.

Liu Changqing was dumb, Yu Sheng pulled the car door to the door, lit the fire, and drove out of the company as soon as the smoke slipped.

At this moment, watching a security guard approach, Liu Changqing hurriedly asked: “Brother, whose r8 is the car that just drove out?”

The security guard glanced at the back of the r8, and said, "Isn't that the chairman's sports car, you don't know?"

"What? Chairman?"

Liu Changqing's eyes widened, staring at the security guard in disbelief: "You said Yu Sheng is the chairman?"

The security guard was even more surprised, looking up and down Liu Changqing, and said: "No, you are a manager-level executive, you don't even know the chairman? Dude, are you kidding me?"

"Hoho, I'm just kidding you, come to smoke, work hard brother." Liu Changqing said as he took out a soft zun and handed it to the security guard, and then quickly walked towards his Mazda.

Sitting in the car, Liu Changqing's excitement still couldn't calm down for a long time.

Yu Sheng turned out to be the chairman!

His face is quite ugly, and the big beads of sweat on his forehead are ticking down.

He even slandered the rumored chairman and Zuo Mingyue's scandal, he knew he must be over.

"Damn, Zuo Mingyue was so respectful to him that day, I should have thought of his identity, really stupid!"

Liu Changqing slapped his forehead, feeling that he was really a stupid pig.

Zuo Mingyue's attitude that day has said everything, he thought there might be something invisible between the two.

I don't even think about what my identity is for the rest of my life. This is not ordinary stupidity!

He took out the phone, turned out his wife's phone, and he dialed it.

"Quickly, let people delete all the news!" Liu Changqing said anxiously as soon as the call was connected.

He wants to minimize the impact of the incident and see if there is a chance of salvation.

"Do you treat me as your chairman? You can do everything? How can I have the right and ability to let those news media delete news?"

Liu Changqing was stunned by the ironic voice of his wife on the phone.

Yes, what right and ability do they have to influence the news media?

"No, I have to take the initiative to apologize to the chairman. In this case, I can clarify on the Internet that this matter is fake. There may be a chance!"

Liu Changqing knows the serious consequences of this incident. As long as he is found out, he will not only be expelled, but also face jail.

The only thing he can do now is to minimize the impact, and then ask his uncle to come forward. There may be a chance.

Thinking of this, he drove to the kindergarten.

Twenty minutes later, Yu Sheng came to the kindergarten. He parked the car and saw that there were still a few minutes left, so he leaned on a tree and smoked.

At this moment, someone suddenly hit him.

“You don’t have eyes, you can’t see the way!”

A woman shouted in a pungent voice.

Yu Sheng turned his head to see that it was Liu Changqing’s wife Zhou Yan.

### **Chapter: 149**

Zhou Yan was very annoyed. Seeing that it was Yu Sheng’s little security guard, she immediately sent her anger on Yu Sheng’s body.

Yu Sheng looked back at Zhou Yan, frowning and said: “I leaned here and moved. You ran into it on your own initiative. Did you say that I have long eyes or you have long eyes?”

“Trash, it’s just that you don’t have eyes and hit me, so you dare to talk back?” Zhou Yan shouted angrily.

Her voice was very loud and immediately attracted the attention of many parents nearby.

Many parents immediately gathered around.

“You give me a comment. The door-to-door son-in-law of the Yang family hit me without having eyes, and said that I hit him. It really makes sense!” Zhou Yan said to everyone.

It was the Yang family’s son-in-law for the rest of his life. Everyone showed contempt. In addition, most of these parents knew that Zhou Yan’s husband was an executive of the Four Seas Group, and they all helped Zhou Yan.

“I said that you ate soft rice, you elders, you ran into Ms. Zhou, you should be more demeaned and apologize to Ms. Zhou.”

“Yes, you should point your face to being a human being. This is the first time I have seen a cheeky person like you.”

“What are you talking about, people don’t even want dignity, and they are willing to be the door-to-door son-in-law at the Yang family, but will they still have a face?”

Seeing everyone mocking Yu Sheng, Zhou Yan’s mouth turned up.

“Boy, kneel down and apologize to my elder mother, otherwise you will be embarrassed by your son following you!” Zhou Yan said arrogantly.

Yu Sheng looked at Zhou Yan, his eyes narrowed slightly: “Are you sure you want to die?”

“Oh, you, a stinky security guard who eats soft rice, still want to beat me and fail?” Seeing Yu Sheng was about to get angry, Zhou Yan straightened her chest and sneered at Yu Sheng.

“Come on, hit my old mother if you have a seed, and I will despise you if you don’t do anything!” Zhou Yan was extremely arrogant.

Everyone looked at Yu Sheng, gloating in their eyes.

Rubbish is rubbish, I don’t dare to do it, he’s not a man!

“Snapped!”

At this moment, a slap in Zhou Yan’s face, a crisp sound made the whole scene silent.

“You, you, are you hitting me?” Zhou Yan looked at Liu Changqing with disbelief in her eyes.

She didn’t expect her husband to hit her.

“I’m fucking a bitch!” Liu Changqing yelled, raising his hand and slapped Zhou Yan’s face again.

what’s the situation?

Everyone was dumbfounded.

Even Yu Sheng is a little dumbfounded. Which one did this guy play?

A bitter trick?

Dig a hole for yourself to jump?

Rake upside down?

Yu Sheng thought about many possibilities, but didn’t understand what Liu Changqing meant.

“Liu Changqing, my mother is fighting with you!” Zhou Yan shouted angrily, lifting the bag in her hand and smashing it into Liu Changqing’s face.

But at this moment, I saw Liu Changqing kneeling in front of Yu Sheng and trembling: “Yu Shao, I’m sorry, I’m not a fucking human, I’m covered with fucking lard...”

boom!

Zhou Yan’s brain roared and she was dumbfounded on the spot.

The audience around was also dumbfounded.

Is Liu Changqing crazy?

Why should you kneel down to a door-to-door son-in-law?

For the rest of his life, some Zhang Er monks were puzzled, not knowing which play Liu Changqing played.

“Are you fucking crazy? What are you doing when you kneel to him?” Zhou Yan slammed a bag on Liu Changqing’s head, feeling extremely angry in her heart.

Liu Changqing almost lost her face!

“You fucking kneel down to me and apologize to Shao Yu!” Liu Changqing yelled angrily and knelt Zhou Yan next to him.

“You!” Zhou Yan was very angry, and hit Liu Changqing when she lifted it up.

Liu Changqing slapped Zhou Yan’s face and shouted loudly: “You fucking don’t want to die, just kneel for Lao Tzu, otherwise God won’t be able to save you!”

### **Chapter: 150**

Zhou Yan’s heart trembled. After five or six years of marriage, it was the first time that Liu Changqing had such a big inflammation at her, and she suddenly panicked.

She is not stupid either. Liu Changqing knelt down and apologized in front of so many people for the rest of his life. His eyes were full of fear and fear, indicating that something important must be happening.

Thinking of this, Zhou Yan knelt in front of Yu Sheng and didn’t dare to say any more, but she couldn’t do it for a while when she asked her to apologize to Yu Sheng.

“Okay, let’s go back to the company tomorrow.” Yu Sheng’s eyes flashed coldly, and he guessed why Liu Changqing had to apologize.

At this time when school was over, he stopped paying attention to Liu Changqing and his wife, and went to look for his son Xiaoshui.

When Liu Changqing saw that Yu Sheng would not give him a chance at all, his heart became cold to the bottom.

As soon as his legs became weak, he immediately slumped on the ground.

A face is ashamed!

Other people looked at this scene, their eyes were very puzzled.

But it just happened to be over at this time, and they couldn’t take care of that much anymore. It was the business to go up and pick up the children first.

“Changqing, what’s the matter? What is his identity for the rest of his life? Isn’t he a security guard? Why are you so afraid of him?” Seeing Liu Changqing’s face gray, Zhou Yan was also frightened, grabbing Liu Changqing’s arm and asked road.

“I’m so fucking hurt by your stinky lady!” Liu Changqing looked at Zhou Yan feebly, not wanting to choke her to death.

In the playground that day, if it weren’t for Zhou Yan’s constant chatter and humiliation of Yu Sheng’s family, how could things have grown to where they are today?

If it weren’t for Zhou Yan, he wouldn’t have thought of pretending to be forceful in front of Yu Sheng, then Zuo Mingyue wouldn’t be able to slap her face.

Then he would not think of revenge on Yu Sheng and Zuo Mingyue.

It’s just that there is no regret medicine in the world, and he regrets it now is no longer useful.

“Why did I harm you again? You have made it clear!” The more Liu Changqing was like this, the more frightened Zhou Yan was.

“Do you know who he is?” Liu Changqing said angrily, looking at Yu Sheng’s back.

“Isn’t he the son-in-law of the Yang family?” Zhou Yan said weakly.

“He is the son-in-law of the Yang family, but he is also the chairman of our Four Seas Group!”

Liu Changqing looked at his wife sarcastically, lowered his voice and shouted, “If you hadn’t been blind and humiliated him that day, would things have progressed to where they are today?

Did you know that we spread rumors and slandered him on the Internet. If we can’t get his forgiveness, we will both go to jail, you know! ”

boom!

Liu Changqing’s words were like thunder and lightning, which immediately pierced Zhou Yan’s pride.

At this moment, Zhou Yan’s face turned pale, and she immediately slumped down beside Liu Changqing.
