

Dont mess 1441

Chapter: 1441

In today's scene, if Yu Sheng refuses to accept it, it will be a bit unreasonable. Seeing the expectant eyes of the two in charge of the Jia family, he only felt speechless for a while.

If Yu Sheng had not known in advance that he had given this blood jade to Jia Ming, he would have suspected that his family wanted to use some shameful means to kill himself.

"Master Jia, you like this blood jade so much, what I want to ask is, do you know the origin of this jade." Yu Sheng asked lightly.

When asked about this question, a trace of surprise flashed across Jia Xing's face. He was just giving his treasure to Yu Sheng as a thank you, so how could it still be said?

However, Jia Xing shook his head: "I don't know this. It was taken at an auction with a lot of money. It seems to have a magical power. It makes me feel like I can't put it down. Does Mr. Yu know this? Blood jade?"

Yu Sheng nodded, if anyone who has a good understanding of jade pendants does not understand the origin of blood jade, and those who want to make money with this kind of thing, they will not tell others about the source of this blood jade. People, otherwise how could others buy it.

In fact, this piece of blood jade of Jia Xing is also the best and reddest piece of blood jade I have seen so far in his life. This is closely related to his age and the geographical environment of the burial world.

The ordinary blood jade on the market is not terrible even if it is carried. At most, the fortune will be affected, or it may be a nightmare.

And this blood jade is full of red light, and it is also full of evil spirits that can most attract some ghosts. If those things are attracted, what will happen to the person wearing this jade pendant?

This thing, to ordinary people, is completely evil.

Yu Sheng told Jia Xing all he knew about the origin of this blood jade, but Jia Xing didn't take it seriously, but felt that Yu Sheng was alarmist.

"Is Mr. Yu joking? Maybe it's a mistake! I have been collecting this blood jade for some years. It is as powerful as you said. Then I should have had an accident long ago, but I am still standing peacefully now. Here!" Jia Xing said with a smile on his face.

"You have a portrait of Guan Erye in your house, plus the things you brought with you to ward off evil spirits. Is it strange that those things dare to provoke you?"

If it weren't for the many evil things in Jia Xing's family, Yu Sheng felt that even if Jia Xing's current realm as a master is entangled with those things, it would be inevitable to die.

I have to say that luck for him and his son to live is not so good.

Jia Xing still didn't believe it. After all, this piece of blood jade was his apex treasure. After collecting it for so long, he was told that it was the jade that the dead man had in his mouth, and he also recruited evil things. As a result, he couldn't accept it.

"Mr. Yu, you said that I have something to ward off evil spirits, and that's nothing, but my son has kept this blood jade for two days. Isn't he doing anything?" Jia Xing continued, he wanted to prove his. The blood jade is not problematic.

Who thought he had just finished speaking, Jia Ming walked over and said with a bitter face, very aggrieved: "Dad, there were so many things at home, I almost forgot about that night.

Actually, the first day I took care of the blood jade, I ran into something wicked. Now that I heard what the master said, it was because of this blood jade. I was almost killed by it. "

Speaking of Jia Ming, he explained the evil he encountered, the two ghosts who came to look for him, and hid in Li Xingyun's room, Li Xingyun gave him the amulet.

As for the fact that he was so scared to pee his pants, Jia Ming didn't mention a word...

Chapter: 1442

"Is this true?" Although Jia Xing believed most of it in his heart, he still wanted to confirm that if he really gave such an evil spirit to a lifesaver, it would really be a sin.

Jia Ming nodded anxiously: "Dad, why don't you even believe me? How could I lie to you?"

Looking at the father and son, he held his forehead helplessly for the rest of his life. He really didn't want to say anything more. Explaining things to these two father and son was too troublesome. One was a hundred thousand why, and the other was stubborn.

Fortunately, Jia Xing is confused about what he likes, but he is very clear about his life. Yu Sheng broke the bloody jade matter and saved his son's life. He is very grateful to Yu Sheng. a lot of.

With the kind invitation of Jia's family, Yu Sheng had no choice but to come to Jia's house again.

"Mr. Yu is young and promising, and he has reached this level at such a young age. He has a bright future! I don't know what kind of school Mr. Yu is? Why didn't I mention it?"

Jia Xing thinks that he knows a lot about martial arts, but he hasn't heard of any famous world in Qiancheng with the surname Yu. It was for this reason that he underestimated Yu Sheng.

"There are no sects, they are all self-taught." Yu Sheng picked up the tea cup on the table and took a sip. It was because of the Nine Profound Heavenly Sutras that changed him. If there is no book, no matter how talented he is. It is also difficult for different talents to get to this point, and it is not an exaggeration to say that it is self-study.

Hearing what Yu Sheng said, Jia Ming on the side became interested. He stretched his head to look at Yu Sheng and said excitedly: "Master, you are so good at self-study. If I learn from you in the future, will I be able to become better? Actually, I don't expect to be able to. More than you, it would be nice to have half of yours."

Jia Xing glared at Jia Ming. In an instant, Jia Ming sat up straight, not daring to speak any more.

"I asked you to learn what you didn't learn before, but now I'm on the pole and pester Mr. Yu again. Do you think everyone has such a talent as Mr. Yu? Even if you have been practicing hard for a lifetime, it's not as good as one-tenth of Mr. Yu's.!"

Jia Xing said these words harshly. In fact, if a character like Yu Sheng could accept his son as a disciple, wouldn't it be a good thing?

However, it is obvious that people do not have this meaning at all, and they are also very disgusted. In order to make the rest of his life leave a good impression on the Jia family, Jia Xing can only say that.

"I see, I have something to do with Mr. Yu, father, I will go out first." Jia Ming was a little frustrated by Jia Xing's lesson, and was shocked, and could only go out faintly.

Jia Xing took the opportunity to talk with Yu Sheng, while Jia Rou sat quietly beside him, serving tea to the two from time to time.

"Let you laugh Mr. Yu, my sons and daughters have not followed me to practice martial arts since they were young. The eldest daughter likes to do business, so her family's business is all handled by her. coax. Sometimes I just think! If Jia Rou is a boy and Jia Ming is a girl, and their personalities are interchanged, maybe I can have a lot of heart left. I will feel more at ease when Jia Rou is in the hands of a son like Jia Rou, but God Not as expected!"

Jia Xing said he sighed heavily and looked at Jia Rou with a little disappointment. Perhaps, as he said, he

hoped Jia Rou was a son.

For the rest of his life, there was no point in these things. He didn't think that Jia Xing left him here to talk about these trivial family affairs, which must have other purposes.

Sure enough, Jia Xing was asked to speak again: "Mr. Yu, my eldest daughter is reasonable and reasonable, whether it is family matters or company matters can be handled properly.

He is not my boast. My daughter's appearance and knowledge are really awkward, but now she is also thirty years old. She is a big girl. No matter how good her daughter is, she still needs to be married. Can she stay with her all the time?"

Chapter: 1443

Standing on the side, Jia Rou took a secret glance at Yu Sheng and then lowered her head. She is still rather shy in terms of feelings.

If her father had said something like this to Yu Sheng two days ago, she would interrupt it if she didn't even think about it. She has a plan in this life, that is, not marrying anyone for the rest of her life, and staying by her father's side to take care of him. The company revitalizes Jia's family.

Now that I have met Yu Sheng, it's not that I fell in love with someone in two days. I can only say that Yu Sheng is the man she has ever seen that most impresses her. If she really wants to marry someone, she would be willing to marry such a man. .

So she didn't talk any more, just secretly took a look at Yu Sheng's reaction. In terms of appearance, she thought that her appearance was not worse than Li Xingyun's, and the two had their own charms.

Yu Sheng naturally understood the meaning of Jia Xing's words, and praised his daughter to heaven, didn't he just want to marry his daughter?

Thinking of this for the rest of her life, she took a look at Jia Rou. She is indeed a very good woman. She must have a figure, a good appearance, and be able to help manage the company. Marrying home is definitely a good help.

Putting this kind of good thing on someone else may agree without thinking, but Yu Sheng has no love for Jia Rou besides being interested in it. For the rest of his life, he can't marry her and go home. Or being together or something, just like rejecting Li Xingyun before.

"Master Jia, you are right. Ms. Jia is indeed at the age to marry. Ms. Jia should like to pick a daughter, and people really like Ms. Jia."

Speaking of this, the rest of my life aggravated the tone: "If others don't like it, then it will be bad if both parties are unhappy. You can't pick it slowly!"

Yu Sheng's thoughtful words, the smile on Jia Xing's face solidified, and Jia Xing had already rejected Jia Rou overtly and secretly, which made Jia Xing a little surprised.

If the blood jade is Jia Xing's second apex baby, then Jia Rou is his most proud daughter, and naturally his most precious baby. He was rejected twice in one day, and Jia Xingjue felt very much in his heart. Big blow.

If you use one word to describe Yu Sheng, you can only use oil and salt.

"Well, you are right, I should be able to pick a son-in-law slowly, after all, this is Jia Rou's lifelong event!"

Jia Xing nodded, and after a few polite words with Yu Sheng, he took the opportunity to leave. He was depressed by himself. Today he was really shocked by Yu Sheng.

Jia Xing feels uncomfortable, and Jia Rou, as the client, is naturally not much better. Her heart can be described as mixed, but she is still as plain as water without any performance, which seems to be better than her father. Be calm and calm.

Jia Xing had left, and he was still a little awkward to get along with Jia Rou alone. For the rest of his life, he was afraid that Jia Rou would be in trouble like Li Xingyun, so he left with a reason.

When I left this time, Yu Sheng didn't tell the Jia family and his party, and Li Xingyun also didn't have any notice. Yu Sheng got on the plane back to Qiancheng alone.

Yu Sheng's departure caused a commotion between the Jia's and Li's two first-class families. Because they didn't know the specific address of Yu Sheng, there was no way to look for it.

As for the very evil blood jade, after Yu Sheng told Jia Xing of the details, he sent it to the temple. When the evil spirit on it was consumed, he might continue to collect it. It is absolutely impossible to think about it. The same as the baby on the cusp of my heart.

As for when the Heavenly Killing organization came to chase Jia Xing, it was later made clear to Jia Ming. All of this was done by Li Zhongcheng to annex Jia's wolf ambitions, but now the Li family is taken over by Li Xingyun, and Li Zhongcheng is already dead, so this thing won't stop...

Chapter: 1444

Qiancheng.

Yujia.

A few days apart, when the rest of my life came back and saw Xiao Shui lying on the bed, his heart was tasteless. There was no big change in his current appearance when he walked with him. He was still lying on the bed very well. Eyes are closed tightly, as if a snooze child is slow to wake up from sleep.

Gently touched Xiao Shui's cheek, Yu Sheng bent over and kissed him on the forehead, and opened his mouth and said, "Xiao Shui, it's my father's use. If you go like this, I still won't wake you if I find it. Way. Dad doesn't believe what he really said to that poisonous woman, don't worry, I will definitely find a way to wake you up!"

Xiao Shui didn't respond to him, he was still lying there like a vegetative, with drips hanging on his hands, there was no way to wake him up and he could only rely on these to maintain the nutrients his body needed.

The door of the room was pushed open. Aunt Huang walked in with a basin of warm water. When she opened the door, she was shocked to see a person standing in the room. The water in her hand was almost stable. He fell to the ground.

"Yu...Mr. Yu, when did you come back?" When Aunt Huang saw that it was Yu Sheng, she let go of her flustered heart.

"Sorry, I just came in in a hurry." Yu Sheng glanced at the open window on the side, then walked over and took the basin held by Aunt Huang.

The water in the basin was hot and cold. Yu Sheng twisted the water on the towel soaked in the basin, and immediately helped Xiao Shui wash his arms and cheeks.

Aunt Huang who saw this scene sighed slightly: "How can a child like Xiao Shui become like this? It hurts to look at it."

At the end of the story, Aunt Huang's voice was a little choked, leaving Yu Sheng aside to help her daughter. She has been in the Yu family for a while. She loves the child Xiao Shui from the bottom of my heart, and sincerely feels sorry for him. .

"Mr. Yu, I have been taking care of you during the period of your absence. Mr. Du will often come and have a look. When he comes, he sits on the bed of Xiaoshuitou, confessing to himself, and sometimes he can see him a big man. The man wiped his tears.

I don't know if I should tell you these things, but I can't hide things in my heart. I always want to talk to

you when I encounter something, so don't bother me. "Aunt Huang said.

Yu Sheng put the exactly right towels in the basin again, looked at Aunt Huang, gratefully said: "Aunt Huang, why should I be bothered by you? I should be grateful that you are too late!

Thank you for taking care of Xiao Shui during this time. Don't cry. I will wake Xiao Shui.

When I left, I was thinking of arranging an extra babysitter, but I was not at ease when others came. This allowed you to take two children by yourself, and you have to take into account the hard work of the house. I will give you an increase of 10,000 yuan. Money salary.

Find a babysitter to do housework specially these days, you just need to focus on taking care of the children, and help me take care of Xiaoshui!"

Hearing the salary increase, Aunt Huang shook her head heavily: "No, no, no, Mr. Yu, your family's salary is already high enough, I really can't afford it! Taking good care of Xiao Shui Yueyue is my part.

Responsibility, needless to say, I will also remember it.

I still have no time for your kindness to my family, so I can only ask you so much money? My daughter has now graduated, and she is still talking about you all day in her internship at Sihai Group!"

Xu Jingjing's innocent and lovely face appeared in Yu Sheng's unconscious mind. For so long, I hadn't seen it before or even thought that she would go to the Four Seas Group now.

Without her own special instructions, Xu Jingjing had applied for the job with her own ability, and she must be very good now when she was applied for by a leading enterprise in Qiancheng like Sihai Group.

"Hmm, I will definitely visit her at the company if I get the chance, Xiao Shui Yueyue will trouble you."

"No trouble, no trouble!" Aunt Huang said quickly.

Yu Sheng came to Yueyue's room, and now it is noon that Xiao Yueyue is taking a nap, sleeping very sweetly, Yu Sheng just wanted to reach out and touch her, the little guy seemed to have noticed it, and generally turned sideways, avoiding Took the rest of his life.

With her children by her side, Yu Sheng couldn't help but think of Magnolia, not knowing that she was okay in the United States alone...

Chapter: 1445

"Xu Jingjing, are you really ignorant of the rules, or are you falsely understanding the rules? Didn't I just send you a text message? Ask you to bring me a cup of American coffee, why didn't you bring it for me?"

A young woman in her twenties who looks like a young woman with heavy make-up on her face and wearing a miniskirt reveals a deep career line. She is aggressively reprimanding the young girl on the side.

"Sorry, Sister Ling, someone called me when I came and said that there was something wrong with the file that was handed in yesterday. I just wanted to check it out. What went wrong? So I told you about it. I forgot.

I'll take it for you now, don't be angry with Sister Ling, this matter is all my fault. "Xu Jingjing lowered her head slightly, keeping her hands on her body, as if she had done something wrong.

Who ever thought that the woman named Ling was not happy at all, she slapped the table and said angrily: "Xu Jingjing, Xu Jingjing, I didn't think that you, an intern, would have such a big shelf. Even my old employee doesn't respect it at all.

I just want you to bring me a cup of American coffee, even if you don't bring me a cup of coffee on purpose, who would you show me a pitiful look now? Want a man to see you pitifully, come and help you teach me, right?

I was so scheming at a young age, maybe some method was used to join the Four Seas Group. I feel sick

when I see you like this!”

Sister Ling spoke very loudly. Many colleagues who passed by had heard it. Those who didn't understand what happened, they all looked at Xu Jingjing with strange eyes, but they didn't say much.

It's just that these eyes pierced Xu Jingjing's heart like a knife, and she was about to suffocate because of her discomfort.

If this matter is left in this way, then others will definitely misunderstand that she is a woman who has deep thoughts and entered the Four Seas Group by improper methods.

In the final analysis, all of this is because she forgot to bring coffee to the old staff when she came, so she had to do it like this.

Although Xu Jingjing was just a fresh graduate, she still couldn't swallow this breath and was wronged. She unconsciously thought about the rest of her life, the elder brother who had made her way for her. Recalling that when he was in school, he helped him clear his grievances, he would stand in front of him and help him solve any obstacles he encountered. Xu Jingjing was moved for a while, and now she should learn to be alone when her elder brother is gone. One side up!

At this time, Sister Ling didn't know what Xu Jingjing was thinking about, but Gu Zi looked at the bright red nails she applied, and some scenes of the overbearing president were still crooked in her mind.

The reason why I came to this company is to find out that the chairman of Sihai Group is still single now, so I thought of a scene in the novel of a domineering president and a chance encounter with the chairman, and a love that cannot be separated and lingering.

She dreamed that the chairman took her waist and kissed her lips, but an untimely loud noise came from her ears. Sister Ling's thoughts were pulled back, and she waited for Xu Jingjing with anger.

“Xu Jingjing, you are sick! Don't bring coffee for you. What kind of table do you take when you are idle? A bunny has no quality at all. I don't know that other people are working! People like you are not worthy of being in this company. Stay!”

Xu Jing took a heavy breath. She didn't have a good grasp when she just patted the table. Now her hands are hurting. She silently retracted her red and swollen hands behind her back, and she looked at each other with Sister Ling undiminished.

“Liu Yanling, I call you Sister Ling because you entered the company earlier than me, but counting the time, you are only more than a month earlier than me.

Normally I am very self-esteem and let me bring you coffee and meals. It doesn't matter, but if you use the files I handed in, you still insult my reputation like this is a question of your quality!”

There was a lot of movement here, which completely attracted the onlookers of many colleagues. I wanted to see what the two beauties were arguing about, and if they would fight, it would be interesting.

Chapter: 1446

“Xu Jingjing, what are you talking about nonsense here? What do you mean by my hands and feet on your files? I don't have such a free time. A wild girl from the countryside is really good at wronging people.

Besides, I am a top student of Jianhua University in the United States. It's not something you can compare. I will do all the indiscriminate things. It's really funny!” Liu Yanling said with a smirk.

What I have to say is that although Liu Yanling only came one month earlier than Xu Jingjing, her academic qualifications are there! Jianhua University in the United States is one of the best universities in the United States, and it is also an urban registered permanent residence. Liu Yanling relies on her

conditions to look down on Xu Jingjing from the countryside.

She thinks that her education and background are not worthy to work in such a large company. Of course, there is also one aspect that she is jealous that Xu Jingjing's face is longer and more beautiful than her.

Xu Jingjing gritted her teeth. Her college entrance examination scores were not bad or even better than Liu Yanling's. The Jianhua University in the United States also sent her an email, but the family's conditions could not afford it, so Xu Jingjing gave up. Now being pressured by someone with her academic qualifications again makes her feel uncomfortable.

"Birth is not something I can choose, but what I can choose is to be myself. I don't think I am inferior to you at all. At the very least, I will not do anything on other people's files.

You and I are both employees of the Four Seas Group. I don't want to talk about things like you being lazy and slippery. But I have the right not to bring you coffee. You don't need to continue to insult me for this reason!" Xu Jingjing said word by word, her eyes very firm.

Rather than staying with her in the usual way, it's better to make it clear today and don't have to suffer such grievances. If the eldest brother is here, she will definitely agree with her decision.

No matter where you go in the workplace, it is very unfair. The same is true for the Four Seas Group.

People with no identity or background are often the targets of bullying.

It was Yu Sheng who taught Xu Jingjing that she must be strong, dare to face, and dare to fight!

"Do you have evidence?" Liu Yanling asked with a sneer.

When Xu Jingjing secretly changed the important files that Xu Jingjing had made that day, there was no one in the company. Even if this wild girl knew, no one would believe him if there was evidence!

"I..." Xu Jingjing didn't know what to say, indeed, she didn't fight for it, but seeing Liu Yanling's proud look made her feel very uncomfortable.

"If you have any evidence, I like to talk nonsense here. Let's judge, whether I slander people or Xu Jingjing is slandering people. Such people should be expelled from the Four Seas Group!" Liu Yanling saw Xu Jingjing's appearance very much. Proud, so he began to chase after victory.

Xu Jingjing took a few steps back in a daze. This matter was indeed careless. She thought that someone would believe her if she tells the truth, but she forgot that not everyone is willing to be a person with no identity or background. Early.

Not everyone is the rest of her life, not everyone is her elder brother. Now in this situation, Liu Yanling is determined to force her away. In addition, Liu Yanling has a chief brother-in-law, and she wants to stay in this company. It's even more difficult.

However, at that time, she was very urgent, and one day she could stand by her elder brother to help him with his worries and help him at work.

Obviously, they have already taken the first step now, and they have all successfully come to Sihai Group for internship, but the road ahead is really difficult! With difficulty, she is almost unable to go on now.

Just as Xu Jingjing was at a loss and didn't know what to do, Liu Yanling suddenly shouted in surprise:

"Sister... Director! Come and review, this is Xu Jingjing's important file. It's fine if there is an error. Now she is still working. Shouting and yelling affect others. I think there is no need for this kind of person to continue the three-month internship period, so let's just drive her away!"

Chapter: 1447

The visitor is a middle-aged man with a blessed figure. His head is a little bald, a few sparse hairs are lying on his side, barely covering his scalp, and his eyes are very small and look a little bit of color.

This person is Liu Yanling's brother-in-law, Sun Youqiang, the director of a small department of the Sihai Group. Although the official is not a big one, it is different if this is the Sihai Group.

Sun Youqiang stared at Xu Jingjing with his small eyes, and asked seriously: "Xu Jingjing, even if you are a little intern who causes trouble, why don't you have any quality? Do you see that this is working time? If you don't work, don't others need to work? It seems that a quiet little girl is so unqualified."

As Liu Yanling's brother-in-law, Sun Youqiang showed the guarding of the calf to the fullest. Hearing Liu Yanling's one-sided words, he immediately screamed at Xu Jingjing.

In front of all the colleagues, she was insulted by Liu Yanling first, and now she was misunderstood by the director. Xu Jingjing was aggrieved to death. The workplace is often so cruel. She wants to stand in front of her elder brother one day. There will be more, she must learn to face it.

"Director, don't you ask what happened? I didn't initiate this matter. It was because I forgot to bring Liu Yanling coffee, she directly insulted me. I just wanted to judge it?"

Xu Jingjing gritted her teeth, and she could only swallow the grievances in her heart, pretending that she didn't have anything to do with them.

Who would have thought that Sun Youqiang directly filtered Xu Jingjing's previous words, but pulled out her mistakes as a topic.

"Appraisal? You are still embarrassed to tell me about appraisal. How much damage did your previous omissions cause to the company? Who do I call for an appraisal?"

Otherwise, Liu Yanling kept talking about you, how could I hand over such a file to you? She was so kind to you, what happened to you bringing her a cup of coffee? I never thought that you are so white-eyed wolf, you will avenge your grievances, and quickly tidy up, I can't keep a person like you in the Four Seas Group!"

At this moment, Xu Jingjing suddenly understood how she was very curious about how this kind of file could be made for her intern.

I wanted to take this opportunity to perform well, or to spend the internship earlier, but Liu Yanling touched her computer, not who she would be, all of this was set for herself, just to make I was embarrassed and couldn't work in this company.

"The file made a mistake because Liu Yanling did her hands and feet. It's not my omission. I don't want to go like this!" Xu Jingjing's voice was choked up, her eyes were red, and there was a layer in her eyes. Water mist, tears may fall anytime and anywhere.

She didn't want to leave like this, and she hadn't seen her elder brother. How could she be wronged and left in such an unclear way?

"Do you have any evidence!" Sister Ling folded her shoulders with her arms around her shoulders. The expression on her face was very proud. She felt relieved when she looked at Xu Jingjing's appearance. If this girl stays in the Four Seas Group, how could that mysterious chairman look after herself, and she will leave at will.

It's good to have a backer. It's easy to run a wild girl out of the company. Who would let Xu Jingjing have a backer and a background, and he deserves it if he leaves.

Xu Jingjing's silver teeth were about to be crushed. She was aggrieved in her heart, and she was unwilling to leave like this. She had no idea for a while, and her tears could not be controlled.

Obviously she didn't want to let the wind fall in front of Liu Yanling, but she couldn't help it! She was targeted like this when she first entered society, and she really couldn't hold on to it.

Sun Youqiang's voice heard again.

“Why are you still staying here? Hurry up! Where should I go? Anyway, our Four Seas Group can’t tolerate your big Buddha.” Sun Youqiang waved his hand impatiently.

Chapter: 1448

“If you still want to make a face, then you should get out of here! You have done so many wrong things, so what kind of face is there to stay with the Sihai Group?”

I was so good to you in the past, and you will avenge your grievances and avenge your wrongdoing on me. I am really blind. People with character problems like you don’t even have a company that wants you! “Sister Ling cast a cold glance at Xu Jingjing, and said sarcastically.

Xu Jingjing was so angry that her chest was constantly rising and falling. She raised her hand and slapped Liu Yanling’s face fiercely. Anyway, she was about to be run away by this bad woman, saying nothing could make herself so wronged.

“Liu Yanling is my character problem? Or is your character problem. God knows the best, one day the truth will come to light.

Since you are all like this, I also don’t help you to hide it. On the surface, the two of you are the relationship between brother-in-law and sister-in-law. I don’t know how shameless it is. I went to Director Sun’s office and ran into it. After you walked out in disheveled clothes, does your sister know about this? Does she feel shame for you? ”

Once when Xu Jingjing entered the office, she accidentally saw a lipstick mark on Sun Youqiang’s neck. The lipstick number on it was exactly the same as Liu Yanling’s. Sun Youqiang wiped it off with great caution. Xu Jingjing remembered this matter. In my heart.

Although she didn’t want to see Liu Yanling and Sun Youqiang in disheveled clothes as she just said, the relationship between the two of them was absolutely improper.

Since these two people are working together to slander herself and want to drive herself out of this company, she also has no need to swallow her crushed teeth into her stomach.

Those who work hard and will not fight back are bullied and are about to step on their feet. They are not stupid and sweet but stupid. Although Xu Jingjing has a more docile personality, she is not willing to be such a stupid!

As soon as Xu Jingjing’s words fell, all the onlookers present were shocked at the same time. They didn’t even think that Liu Yanling, who was self-respecting and high-minded, would actually have a leg with his brother-in-law. This is simply breaking news.

Liu Yanling once mentioned that she came to this company because she wanted to have an inseparable love story with the chairman of Sihai Group, but she and her brother-in-law are so unclear, the chairman. Why would you fall in love with such a woman?

Liu Yanling was overwhelmed by Xu Jingjing’s words. If this kind of thing really reaches the chairman’s ears, then she really has no hope.

It’s not as if Xu Jingjing’s flushed face was beaten. Liu Yanling pretended to be calm and said: “What nonsense are you talking about? I am innocent with the director. Do you have any evidence to slander us like this? You are slander, believe me or not. Sue you!”

Although she said that, Liu Yanling couldn’t wait to tear Xu Jingjing’s mouth apart, because she was afraid that she was too agitated now, and that she really had a leg up on Sun Youqiang after sitting down.

Sun Youqiang’s fat face was full of anger, and if this matter reached his wife’s ears at home, the tigress would still strip him alive.

“Security guard! Get out of this mad woman, she is a lunatic, nonsense!”

Xu Jing sighed quietly, things were so stiff, it was really impossible for her to stay in the Sihai Group this time, but it was a pity that she would not be able to see her big brother after she left.

“What I said is true or false, you know best in your heart. Anyway, I have told the truth. You must not tolerate me. Just leave!”

Xu Jingjing turned her head and wanted to pack her things and leave. Suddenly Liu Yanling grabbed her clothes by her hand and drew her back. Then she slapped her face severely with a strong slap.

“I slapped you not because of a guilty conscience, but because you think your behavior disgusts me, so you should be slapped to slander my reputation.”

Speaking, Liu Yanling raised her hand and slapped Xu Jingjing’s face with another slap and continued:

“This slap is to return the slap you slapped me before, so you can get out of here!”

Chapter: 1449

These two slaps came very suddenly, and Xu Jingjing didn’t react, and she was already a little confused by Liu Yanling’s slap.

The pain on his face was fierce, but it was not as good as in my heart. Not only was he beaten and lost his job, but he also lost all his face in front of his colleagues.

Except every time at school, this is the biggest grievance Xu Jingjing has ever suffered. She has always worked steadily and peacefully. She has never thought of offending anyone or dared to offend anyone, but now she still ends up like this.

“What do you look at? I still feel dirty when hitting you! My hands hurt when it shook, so I hurriedly pack my things and roll, and the other person asked the security guard to throw you out?” Liu Yanling said angrily.

Xu Jingjing wanted to fight back as soon as she bit her teeth, but Sun Youqiang saw all of her actions. She raised her leg and kicked Xu Jingjing’s stomach, directly kicking Xu Jingjing to the ground.

There was a big footprint on her white shirt that was particularly dazzling, and her cheeks were red and swollen and her hair was a little messy. Xu Jingjing just lay on the ground like that and slowly got up, crying in a low voice.

It was really embarrassing to be thrown home, this time the blow was really too big for a girl of hers, she couldn’t wait to disappear where she was.

If you don’t resist, you will be bullied and trampled on your dignity. If you resist, you will end up like this.

Can honest people with no background and backstage really be able to stay in such a big company?

Brother, I just want to stay by your side. Why is it so difficult? Big brother, I really want to see you, not to make you help me out, but I don’t feel so uncomfortable in that way.

Liu Yanling stepped on high heels and came to Xu Jingjing’s heels, squatting down and looking at her with a faint smile, her eyes filled with the triumph of the winner.

She whispered in Xu Jingjing’s ear: “Tsk tusk, look at your embarrassed look now, but you really look like a bereaved dog. I reminded you before. If you want to show your face, you will be obedient. Leaving the Four Seas Group, but you don’t listen!

Now that you have to be so embarrassed, do you know you regret it? I’m telling you, if you have a background or a backstage, just listen to me honestly, but you don’t listen! All this is what you deserve! Do you deserve to know? ”

Xu Jingjing stared at Liu Yanling fiercely with a pair of red eyes, and then she could only get up from the ground, tidy up her things, and leave silently with her things.

Don't think about Xu Jingjing and know that she is already embarrassed now, right? There must be many people laughing at her like Liu Yanling at her jokes, right?

It must be. She has lost all her dignity. No matter where she goes in the future, this matter will be a stain on her life.

"Xu Jingjing is destined to see you again." Liu Yanling looked like she had said something wrong, she covered her mouth very exaggeratedly, and then said again: "Perhaps there is no chance to meet at all. I and you are originally from two worlds. I'm afraid you won't have the chance to get into such a big company in your life!"

Word by word, sentence by sentence, Xu Jingjing's heart is so painful that she is almost out of breath. With so much effort, she wants to join the Sihai Group and wants to see her big brother. There will be no chance in the future. There is no chance...

She got on the elevator in despair, and Xu Jingjing walked out of the Sihai Group building like this, attracting a lot of people's attention along the way. It is because her image is so embarrassing that others who are embarrassed will look at it more.

"Why is there such a person in our company!"

"It seems to be an intern, but you see her face was beaten, her stomach was swollen, her stomach was kicked, and she was beaten like this, she must have done something bad! This woman is definitely not something. Good people."

"That's right! Why else is she acting like this?"

These few words are undoubtedly worse for the current Xu Jingjing. She even wonders if this society is really so black and white. Is she really doing something wrong? Is she wrong just to defend herself? How come you become a sinner in someone else's mouth?

Xu Jingjing wanted to argue a few words, but in the end she still didn't say a word, explaining that no one would believe her...

Looking back at the building rising into the clouds, Xu Jingjing finally couldn't help but tears down. Goodbye to Sihai Group, goodbye to big brother!

Just as she turned to leave, suddenly a familiar voice came from behind. Xu Jingjing's body trembled when she heard this voice, and her heart was about to stop beating at this moment!

"Hey? Are you Xu Jingjing? Aunt Huang's daughter?"
