

Dont mess 1451

Chapter: 1451

Looking at Xu Jingjing, who was holding herself tightly, she didn't know for the rest of her life whether to push her away from her. Seeing her so sad must be aggrieved. In addition, she was Aunt Huang's daughter for the rest of her life. There are so unfeeling to do.

"Okay, okay, don't cry. If Aunt Huang knows you are like this, she will definitely feel distressed. Tell me what happened to you!" Yu Sheng comforted softly.

Xu Jingjing shook her head, and didn't intend to tell Yu Sheng about this. It was so embarrassing that she didn't want to mention it again.

"You also know that I am the chairman of Sihai Group. As long as I ask, I can quickly find out what happened?"

But I don't want to hear about you from other people's mouths, I want to hear you tell me personally, in my impression you are a very good girl, don't be disobedient!" Yu Sheng said in a slightly serious tone. Xu Jingjing bit her lower lip with her teeth, and finally told Yu Sheng the truth about her, Sun Youqiang and Liu Yanling.

Listening to Xu Jingjing's words, Yu Sheng's face slowly sank. Aunt Huang has become a member of the Yu family unknowingly in his eyes. In her feelings for Xiaoshui and Yueyue, the rest of her life There is no way, just treat her as a nanny.

As for Xu Jingjing, she is the son and daughter of Aunt Huang, just like his sister. Her sister was wronged and was still on his turf, so she couldn't just let it go.

"Go, I'll help you evaluate!" Yu Sheng's face was still cold and scary, and he took Xu Jingjing's hand and walked into the company.

...

"The chairman is looking for me? Okay, I'll go over." Sun Youqiang was a little surprised, but Secretary Xiao, but the chairman's special assistant could not be fake.

To be honest, he has been in this company for a while. As a young director, he has no chance to see the chairman. He never thought that the chairman would let him pass in person.

Thinking of this, Sun Youqiang's face is full of expectation and joy. The chairman must have called himself because he was doing a good job and he was going to be promoted.

Sun Youqiang ran into Liu Yanling just after leaving the office.

"Brother-in-law chairman suddenly came to me. Do you think the chairman is interested in me?" Liu Yanling tidied up her hair and her face was full of expectation. If she didn't suddenly meet Sun Youqiang, maybe she would like to run away now. Just the chairman's office.

Sun Youqiang was taken aback. He didn't even think that the chairman would suddenly call Liu Yanling. He might be promoted with good performance. Why is Liu Yanling called Liu Yanling?

It's impossible to see Liu Yanling, how could the chairman see Liu Yanling? Will it...

Thinking of this, Sun Youqiang shook her head quickly and drove all of his things out of her mind. Xu Jingjing is just a wild girl from the countryside. She can only bite her teeth in her stomach when she is wronged. She can know the chairman. That is simply a fantasy.

If she really knew the chairman, how could she be just an intern? So what is absolutely impossible, Sun Youqiang comforted himself.

If it wasn't for Xu Jingjing's business, why would the chairman who had never asked about the company's affairs suddenly call him and Liu Yanling? The more Sun Youqiang thought about this matter,

the more difficult it became.

"Maybe it's not as simple as you think, I just hope it won't be a catastrophe!" Sun Youqiang reminded Liu Yanling indifferently.

However, Liu Yanling looked dissatisfied, and she took out a small mirror to look at her makeup:

"Brother-in-law! The chairman suddenly called me. It must be interesting to me. If I become prosperous, I will naturally want to pull you out. That's right, so don't talk nonsense about our affairs!"

Sun Youqiang nodded helplessly. His sister-in-law's IQ was really touching. He didn't say much when he reminded her that he didn't use it. He took a deep breath and knocked on the door of the chairman's office.

Chapter: 1452

"Come in!"

A majestic voice came from the chairman's office. Sun Youqiang and Xu Jingjing, look at me, I look at you. Liu Yanling, who was still trembling before, also did not look like when she came. Fear of sharing.

"Brother-in-law, why did I hear this voice like the one who asked the teacher first? I was a little scared before you go!" Liu Yanling shrank her neck, although she still didn't see the specific appearance of the chairman, people were a little scared NS.

Sun Youqiang was also scared in his heart, but he couldn't act like Liu Yanling, and could only endure it quietly.

The chairman let them in. How dare Sun Youqiang stand with Liu Yanling at the door, even if he was scared, he bit the bullet and opened the door.

When the office door was opened, Sun Youqiang saw a person standing inside, Xu Jingjing, whom he knew so much that he could no longer be familiar with it!

"Xu Jingjing, why are you here? Shouldn't you get out of the company at this time?"

Sun Youqiang still didn't speak, and Liu Yanling, who had a deep grievance with Xu Jingjing, couldn't help but speak in advance, and the words were full of despise and contempt for Xu Jingjing.

Sun Youqiang clearly saw that the man sitting at the chairman's seat heard Liu Yanling's face instantly darkened.

The previous thoughts became stronger and stronger, and Sun Youqiang quickly reached out to pull Liu Yanling, just thinking that his own hand did not even touch Liu Yanling, Liu Yanling was beaten to the side.

"Didn't you tell you in advance when you came here? I told you not to do anything to me. You still come in front of the chairman, and you have to let me spit out all your nasty things in front of my sister. "Liu Yanling looked at Sun Youqiang in disgust and threatened.

Sun Youqiang who heard this was very uncomfortable. Originally, he wanted to remind him of this confused little sister-in-law, but at such a juncture, this little sister-in-law still wanted to threaten him, so she didn't say much, she loved to do it. It's what it looks like.

Xu Jingjing in the office saw two people come in, and she was afraid to lean in the direction of Yu Sheng. Liu Yanling was completely angry when she saw this. She was the one who could really be the girlfriend of the chairman. Xu Jingjing had such good luck to meet the chairman in advance, and she was almost jealous of her being so close to the chairman. died.

"The chairman, Xu Jingjing, is an agent of our company. Her company files were leaked to others, and when she was in school, she heard that she had knocked out children. Her private life was extremely corrupt. You should stay away from her. Don't be fooled by her hypocritical appearance!"

Liu Yanling was cheering for the rest of her life, making Xu Jingjing a really bad student.

“Brother Yu, I am not, she is wronging me!”

Xu Jingjing was about to explain to Yu Sheng in a hurry, for fear that Yu Sheng might have misunderstood her, Yu Sheng’s big hand was gently pressed on her hand, and she nodded slightly to signal him to understand that Xu Jingjing calmed down.

Yup! Brother Yu was thinking of her, how could he believe Liu Yanling’s one-sided words.

Liu Yanling never thought that the chairman she was thinking of was very handsome and very handsome, but he just patted Xu Jingjing’s hand. This act shocked her a lot. The swear word was suffocated again abruptly.

The rescuer looked at Sun Youqiang, and Liu Yanling asked in a low voice: “Brother-in-law, why do I think there is something wrong with the two people? I always feel that they know each other!”

Sun Youqiang didn’t speak, but there was a playful expression on his face. When he entered the door, he found that something was wrong. He also reminded the stupid woman. As a result, she only understood it now. She was really stupid and pathetic.

Chapter: 1453

The two of them talked in a low voice. Naturally, Yu Sheng didn’t want to use strong ear power for the rest of his life. Yu Sheng didn’t plan to continue inking with these two people, and he looked at Sun Youqiang and asked in a deep voice: “Do you know that I am calling you to come this time? What purpose?”

As soon as Yu Sheng’s words fell, Sun Youqiang walked over quickly, as if he immediately understood his mind, and knelt directly in front of Xu Jingjing. All of the proud and incompetent expressions facing Xu Jingjing before disappeared, and some were only afraid of begging. Look.

“Miss Xu’s thousands of mistakes are all my fault. I shouldn’t aim at you like that. I’m sorry if you are angry, you will have any anger directly on me! Don’t be angry with your body.”

Sun Youqiang’s humble tone and attitude were about to fall into the dust, and he could only hope that Xu Jingjing could forgive him.

The sudden reaction of Sun Youqiang made Liu Yanling a little stunned. Her people were so stupid that she had thought that her brother-in-law would behave in a humble attitude towards people whom she looked down on. She was almost ashamed of her face.

No matter what Sun Youqiang did, even if Xu Jingjing had a relationship with the chairman, she would definitely not be able to kneel in front of her.

What Liu Yanling didn’t know was that Sun Youqiang’s actions had saved his own life, but she was stubborn and refused to admit her mistake and pushed herself into the abyss.

Watching the confession on the ground, Yu Sheng stood up from the office chair, came to Xu Jingjing’s side, pointed her finger at the big gray footprint on her white shirt: “You must be familiar with this, right?”

She is my sister, and there is no special treatment when I came to my salary, even if I didn’t care about you, but even kicked her, do you know that even I have not touched a finger of her. ”

Said that the voice of the rest of his life became more and more majestic, because the aura of his great master of anger spread, Sun Youqiang was so scared that he knelt there and shivered, but he still kept begging for mercy like Xu Jingjing.

It’s just that his begging for mercy was trembling and apprehensive, and his eyes were full of urgency. I hope Xu Jingjing can forgive him quickly!

What did he do? What's the difference between offending the sister of the chairman of the Sihai Group and seeking death directly? If Xu Jingjing's forgiveness was so demanding, even if he could leave the Sihai Group without incident, he might encounter an accident one day, and the company outside or outside would dare not ask him at all!

Yu Sheng glanced at Sun Youqiang coldly, then lifted his leg and kicked him directly on his chest. This kick directly kicked him a few meters away.

Sun Youqiang slammed into the office door with a muffled noise, and then his energy was reduced by half, and a large gray footprint remained on his clothes.

Xu Jingjing had already covered her mouth, her eyes widened. She didn't expect that Big Brother Yu would directly kick Sun Youqiang, her heart was very relieved, and she was more moved.

Liu Yanling on the side stared at all this blankly. Just now, her cousin had already apologized, and she didn't even think that the chairman of the board would even put such a heavy hand on him.

The brother-in-law was already leaning against the corner of the wall and couldn't get up. There was still a blood spilling out of the corner of his mouth. Even if Sun Youqiang kicked Xu Jingjing before, he didn't have such a heavy hand!

Liu Yanling walked over, thinking about helping Sun Youqiang up. Sun Youqiang beat her hand to the side and said in disgust, "Don't touch me, I don't know you."

I have become like this now. All the fucking is yours. If you didn't have eyes, I wouldn't have been offended by such a case. A relative like you will be killed sooner or later!"

Liu Yanling couldn't believe it, she didn't think that her brother-in-law would be so unfeeling, and she didn't have the eagerness to speak, and she spoke again for the rest of her life not far away.

"You caused the wound on my sister's face, right?"

Chapter: 1454

"What? Chairman, are you kidding me? Xu Jingjing is just a wild girl from the country, how could it be your sister?"

Liu Yanling had an extremely embarrassed smile on her face. Although she didn't believe what she said, her tone of voice trembled and she was scared. She really knew she was scared.

Yu Sheng smiled faintly and came to Liu Yanling's side: "Do you think I am joking with you?"

"No! No!" Liu Yanling shook her head in a panic, looked at Xu Jingjing subconsciously, and looked at her simple look and her slightly inferior face. How could such a person be the chairman's sister? She is still very reluctant to accept this fact.

Yu Sheng didn't pay any attention to her, and he went to Xu Jingjing's hand with a clean and put on slippers: "Take it, how she beats you, you can beat me back. It's more painful to use this It's nothing, remember to work harder!"

Liu Yanling looked at the slippers Xu Jingjing was holding in surprise, she wanted to slap her face! If you slap your face a few times without getting swollen, let alone being beaten by Xu Jingjing, this is definitely not good!

"What qualifications do you have to beat me? The big deal is that I am no longer working for the Sihai Group. I will resign from the head office! Anyway, it is absolutely impossible for me to let Xu Jingjing's wild girl beat me!" Liu Yanling said loudly about her dissatisfaction.

Isn't it the chairman of a Four Seas Group? No matter how capable she is, she can't bully her human rights! What can I do even after hitting Xu Jingjing? If I can't open it, I won't dare. Anyway, she can't be hit by a wild girl. She can't stand the anger.

Sun Youqiang on the side looked at his stupid little sister-in-law Liu Yanling, but she was thinking about it. Did she fall in love with her before? The brain is the size of Sesame, and now this situation is still unable to analyze the pros and cons, and even insists on confronting the chairman!

The chairman of Sihai Group! He is also the chairman of the Science Park 100 billion investment, what kind of character he is that ordinary people like them dare not even imagine.

Not to mention that such a person can't afford to offend at all. What's more, when he has offended him and has done an unforgivable mistake, it is his sister-in-law who doesn't have to apologize quickly and still live and die.

It is a miracle that Liu Yanling's IQ can live for two minutes in the Gong Dou TV series. Before, she even dreamed of marrying the chairman and flying on a branch to become a phoenix. It was simply a dream. Sure enough, Liu Yanling was about to open the door and leave. Outside the door, two strong security guards stopped her from going.

"You leave me, I want to go, I want to resign!" Liu Yanling yelled with her slightly sharp voice.

The security guards just stood outside and stopped. Liu Yanling wanted to rush out, but the two security guards threw them directly into the office, and then she was shut down.

Liu Yanling fell to the ground with her ass, her mouth was so painful that she was grinning, and she kept cursing and grinning: "Do you think you can be lawless if you have money? Today, if I say anything, Liu Yanling won't let you do anything to me. That Xu Jingjing deserves it, she deserves to be beaten by me!" Unrepentant!

Now there are only four words to describe her most appropriately.

Sun Youqiang had already covered his eyes and didn't want to continue watching. He couldn't wait to beat this woman to death directly, and save himself from being tired.

Yu Sheng laughed, and the smile was very brilliant. This woman really didn't repent. It was really interesting that she was the first to bully Xu Jingjing.

"Sun Youqiang hold her down for me!" Yu Shengming ordered.

How can Sun Youqiang dare to be scornful? Even if he was kicked by Yu Sheng before, he still bounced like a spring before he came to Liu Yanling's face, facing her face. She slapped her hand and immediately locked her hand.

Chapter: 1455

"You who killed a thousand swords hit me. Believe it or not, I shook everything out of you that day." Liu Yanling looked at Yu Sheng angrily. Just when she wanted to speak, Sun Youqiang was ruthless on her face. Slapped twice.

Click!

Liu Yanling's mouth directly spit out two teeth that were knocked out by Sun Youqiang. It can be seen how ruthless Sun Youqiang was.

"You crazy woman, you're still talking nonsense when you die, shut up honestly, or your sister will be unlucky with you too!" Sun Youqiang pinched Liu Yanling's chin and threatened in a low voice.

At this time, Liu Yanling was not as glamorous as she was when she came here. Now she was beaten into a mess, even worse than Xu Jingjing, her eyes were a little loose, and she was obviously beaten by Sun Youqiang.

"Sun Youqiang, you bastard with the help of job corruption, at least one million away from the company!" Liu Yanling was anxious, this Sun Youqiang was so cruel to her, she couldn't swallow this breath, and couldn't beat two people. Even if the fish die and the net is broken, Sun Youqiang can't be at

ease!

“Chairman, this woman is crazy. There is absolutely no such thing. You have to believe what I said. There is no such thing. I am loyal to the company and there is absolutely no possibility of corruption. This woman is talking nonsense!” Sun Youqiang said and knelt down to Yu Sheng.

The corner of Yu Sheng’s mouth still had his calm smile, Xu Jingjing on the side was already shocked and could not be shocked anymore, she didn’t think of the two people who treated her like that before, but now they have become the same, they really are things. It’s wrong!

“Grab Liu Yanling.” Yu Sheng looked at Xu Jingjing, patted her on the shoulder and said, “Go, you can fight back how she hits you. If you want to hit you a few times, hit you until you are satisfied. until!”

Xu Jingjing shrank her neck. She was just a college student who had just graduated. She had never done anything like this before. As a good girl, she couldn’t do anything.

After struggling inwardly, he shook his head at Yu Sheng: “Brother Yu, I...I can’t do it...”

Yu Sheng took the corner of his mouth and said lightly: “It’s not a bad thing for a girl to be weak, but it’s cowardice to be bullied to this extent and dare not fight back.

This society is very cruel. The better you are to bully others, the more bully you will be. Only if you dare to fight back and show your stinging side, no one else knows that you are not bullying, so they don’t dare to bully easily. is you.”

Xu Jingjing bit her lower lip tightly, the slippers she held in her hand tightened, and then nodded.

Brother Yu was right. She can’t always be so cowardly, she must be strong so that she can stand on his side one day. Behind.

After thinking about all this, Xu Jingjing lifted her foot and walked towards Liu Yanling. The insults Liu Yanling had made to her flashed in her mind. The more she thought about it, Xu Jingjing became more angry. She held the slippers in her hand and moved towards his face. Hit the past.

Snapped!

The sound of shoe soles hitting a person’s face sounds much louder than a hand fan on the face. Only Liu Yanling knows how much it hurts.

Liu Yanling’s angry lungs were about to explode, and the whole person was forced to walk away. The whole person was struggling, but her hand was tightly confined by Sun Youqiang, so she struggled to kick Xu Jingjing with quick eyes and quick hands. Sun Youqiang raised her knee joint and knelt directly in front of Xu Jingjing.

“Xu Jingjing, you bitch, bitch, you dare to beat me, I want to kill you! You wild girl from the country, I don’t know what means you have to climb onto the chairman’s bed and let him protect you like that. , You bitch, pretend to be innocent shit!”

Liu Yanling’s whole body was like a wild horse. She utterly cursed Xu Jingjing at any ugly word, which was quite ugly.

Xu Jingjing originally thought that beating like this is not a good thing, but seeing Liu Yanling like this, she felt guilty at all, and she slapped Liu Yanling’s face a few times.

Chapter: 1456

Seeing that Xu Jingjing was a little tired from playing, Yu Sheng stood up and greeted the security guard outside.

“This woman, slap me a hundred slaps. One slap can’t be missed. After the slap, she will be sent directly to the mental hospital, where she can take care of her care!” Yu Sheng said indifferently, clearly a command to control other people’s lives. What he said was so calm.

Immediately, Yu Sheng looked at Sun Youqiang. Sun Youqiang was frightened by the sudden look, and when his legs were soft, he almost fell to the ground like this.

“Dong...Chairman, do you have any more orders?” Sun Youqiang asked Yu Sheng nervously.

Yu Sheng didn't care about him, and continued to tell the security guard: “This person likes to embezzle the money in the company so much, so he will use his hands and feet and send him to the patrol room!” Sun Youqiang originally didn't react when Liu Yanling said those words for the rest of his life. He thought he believed in himself, but he didn't even think that he had to free his hands and feet to settle the account.

Isn't he different from a crippled person if his hands and feet are abolished? This is even more uncomfortable than killing him, not to mention that Sun Youqiang collapsed in the dark patrol room, he was just...

It was the younger sister who bullied the chairman, yes! He bullied the chairman's sister, offended the big man, and embezzled the company's money. All this is retribution!

“No, chairman, I am wrong, please don't treat me like this? I'm really wrong, I don't dare anymore, I should move the company's money, I shouldn't treat Xu Jingjing like that, please, My lord, can you spare me a lot?”

Sun Youqiang knelt on the ground and pulled Yu Sheng's trouser legs. When the security guard saw him, he pulled him aside, watching Yu Sheng still smile without any change, Sun Youqiang collapsed, and he knew that no matter what it was. There is no way for Yu Sheng to change his mind, and all this is a foregone conclusion!

A hundred slaps were over very quickly, and the security guards started with no mercy, after all, this was the order of the chairman.

Liu Yanling's face was swollen into a pig's head, her mouth full of teeth were clean, her hair was messy, her mouth was full of blood, she was like a madman, there was no beauty at all, such a normal man she was thrown on the street is definitely No interest at all.

Xu Jingjing avoided her eyes and didn't dare to watch the fate of Liu Yanling and Sun Youqiang now. It was too miserable. Although she felt that Brother Yu was out for herself, she still felt too heavy to start. Looking at these two unadults, Yu Sheng directly waved to the security guard, and the security immediately understood where they should go.

When these two people were dragged out, they were seen by many people in the company, and many of them were unclear. The kind chairman actually put such a heavy hand on these two people. They must have done it. Things that are angry and complaining.

As soon as someone inquired, they found out the reasons, all because Sun Youqiang and Liu Yanling offended an intern of Xu Jingjing. Because the young intern was the sister of the chairman, these two talents were retributed.

When everyone heard that Xu Jingjing, who had not met before, was anxious, they secretly vowed not to let themselves offend that little ancestor.

The reason why the entire company that this incident has spread knows that it is definitely impossible to acquiesce for the rest of his life. It is to hope that Xu Jingjing will be less right and wrong in this company, so that others will not dare to bully her.

This can be regarded as some reward for Aunt Huang's careful care of Xiaoshui and Yueyue.

I took a look at the time in his hand. I thought about calling Xia Jun and asking him to book himself a ticket to the United States. Later, I didn't know what to do and I just booked it on my mobile phone. It

doesn't take much longer to start a phone call.
Magnolia, wait for me in a few days, I will look for you!

Chapter: 1457

"Yu Da... Chairman? I have something to ask him." Xu Jingjing asked with her hands behind her back, looking at Xiao Zixin.

"The chairman went to the United States, what can you do with her? I can make a call for you." Xiao Zixin responded, but her eyes noticed the lunch box Xu Jingjing was holding on her back.

In the company, things about her and Yu Sheng had been spread. How could Xiao Zixin, Yu Sheng's secretary, not know?

For the rest of his life, she had always had no interest in female sex. Xiao Zixin had a deep understanding of this. Otherwise, he would not have reacted every time after he had thrown his arms many times. Looking at Xu Jingjing in front of him, Xiao Zixin knew that this little sister was also touched by Yu Sheng. Yu Sheng is a very good person. There will be people who are tempted by him wherever he goes. Xiao Zixin feels jealous when she thinks of this.

The purpose of going to the United States for the rest of her life this time was naturally clear to her. The one that really made Yu Xianxing was afraid that only the white magnolia was the only one who could really make Yu live.

.....

On the plane to the United States, Yu Sheng ordered a commercial car. After turning off his hand, Yu Sheng planned to take a break and wait until he arrived in the United States to wake up.

However, the few blond young foreign men next to him talked and talked endlessly, during which the stewardess also came to persuade them, but they didn't have any effect.

For the rest of his life, there was no interference and they directly covered them, thinking about how to ask for forgiveness when seeing Magnolia, how the two people would resolve the misunderstanding, and the best thing is to bring her back directly this time.

"Hua Xia's women are really stupid! I don't have to do anything, as long as I show a foreigner's face, they will accompany me willingly. I just post a lot of praise on the Internet to praise China's goodness. They really People are stupid and have a lot of money.

To be honest, if I don't want to go back to China, I really don't want to go back. China is so comfortable. Their women voluntarily send them to the door, and the money goes into their pockets."

A blond and blue-eyed look a little skinny, looks very ordinary, his cheeks are sunken when talking, but those blue eyes have a somewhat clever look, and the words are full of mockery of China. And all kinds of look down upon.

His two companions are all Americans just like him. They look dignified. They have brown hair and dirty braids on their ears and they wear orange stud earrings.

"Isn't it! Huaxia is really a good place. The legendary Huaxia martial arts has no experience. I have beaten a lot of Huaxia people, and the people in the Huaxia patrol house don't have much right to catch me. That's cool!" Liu Dingnan is full of face. Said proudly.

A few people say what you say to me, they are all talking about the feats they have done in China, and they are so powerful in China, so proud, in the United States, they are just a humble little bastard, even food and clothing. Is the problem.

For the rest of his life, he didn't want to listen, but he had learned the American language and didn't want to understand their conversations, so he squeezed them into his ears and couldn't control them.

In recent years, some women in China have indeed been a little fond of foreigners, and they went straight up and posted when they saw that they were foreigners. Blacks and whites did not pick them. I remember there was a case on the Internet. A woman fell in love with a black man on a short video platform, and she gave birth to a black child, and then the other side ran away, leaving her with a child who was a few months old. The most important thing is Unfortunately, he also contracted AIDS. At a very good age, because I don't understand blindly believing a person, it's ruined like this. If I want to find that person, I feel like a needle in the sea, and I can't find it at all. Soon the short video platform brought a lot of fun to life, and it was also a great opportunity for foreigners to come to China for foreigners. This kind of thing is inevitable, but the most unseen thing for the rest of their lives is that they make money and have to talk about it in the end. Everyone in Huaxia has a lot of stupid money, which is really outrageous!

Chapter: 1458

Yu Sheng still didn't take the initiative to provoke them. Those three people just said something to you, and then their eyes fell on Yu Sheng, all of them wanting to play Yu Sheng for fun.

"You see that Huaxia is pretty good, and I can hit three of them directly!" The man who looked dangling and wore oranges on his ears brags.

When he was in the United States, he was not a particularly strong type regardless of his size or height. He often suffered a lot when fighting. He couldn't change his temper when he came to China, and he was fighting because he was a foreigner.

The other two foreigners just smiled and didn't speak. Liu Dingnan felt that his dignity had been hit, and he wanted to prove that he was competitive.

"If it weren't for the inability to fight on the plane, I would really like to find him to practice. The world says that Huaxia Kungfu is very good, but I am absolutely not. There is no one who can fight among the Huaxia people I have been taught so far. "The orange man said triumphantly.

"It's true that you can't fight on the plane, but you can ask him to break your wrists, which can also prove that you are better than him!"

His two foreign companions started to think about not being able to play with mobile phones on their mobile phones, so they wanted to play Huaxiaren for fun.

The orange man rubbed his nose, looked at Yu Sheng who was sitting next to him with narcissism and confidence, and said in his crappy Chinese: "Hey! Boy, I want to compare your wrists!"

Yu Sheng raised his eyelids and glanced at Liu Dingnan casually: "Okay!"

His promise caused restlessness among the orange male comrades. They laughed and laughed. The stewardess not far away shook his head slightly when seeing the movement here. They really said it so many times that they kept talking, and she didn't bother to say it at all. NS.

I was thinking silently in my heart, that Chinese compatriot must teach these three foreigners a good lesson, and make a long face for the Chinese people.

Seeing Yu Sheng's promise, Liu Dingnan showed a disdainful expression on his face, and he held out Yu Sheng's hand without any ink marks.

When the two hands were held together, Liu Dingnan had an idea in his mind that he must defeat the Chinese in the time of the flashing light, so that he would have face in front of his companions, thinking of this, Liu Dingnan began to exert his strength.

The muscles of his whole body were tense, and his biceps were bulging high, and he felt full of strength just by looking at it. With a violent force, he wanted to directly press the rest of his life to end the game.

But there was no such thing. The force he had just exerted was like sinking into the sea, and there was no arm that would shake Yu Sheng. In the eyes of outsiders, he would just grit his teeth, but in fact Yu Sheng's hand did not move at all.

Liu Dingnan suddenly raised his head and looked at Yu Sheng with a look of surprise. His heartbeat was much faster, and his heart was full of questions, and he even felt that his memory was missing for a moment.

Yu Sheng looked very plain, with a slight smile on his face, looked at him like that, watching his every small expression, it seemed that he could see clearly what he was thinking in his heart for the rest of his life.

"Jonny, can you do it! It's almost a minute, why haven't you solved this weak-looking Huaxia guy?"

He heard the urging of his companion, the orange man named Jonny was obviously a little anxious, and then he once again made an effort to Yu Sheng, but this time still did not shake the rest of his life. surprise!

Jonny is really full of experience in his heart. Even if this Huaxia is amazingly powerful, he is not his opponent, but how can he not be able to cook?

The rest of his life was like a copper wall and iron wall indestructible in his heart. He tried his best to push it down and it had no effect at all.

"It's me next, you are ready!"

Chapter: 1459

"Wait...wait a minute!" Jonny felt nervous when he heard what Yu Sheng said, his forehead was still sweating, and the sweat was dripping onto his eyelids.

Jonny quickly wiped off the sweat on his face, adjusted his mentality, and then said to Yu Sheng, "Okay, let's start!"

The companions on the side began to feel that Jonny had made a fuss, and he was still haggling when he treated a Chinese person. Can you just turn him over?

Little did he know that the current Bush had stirred up a huge wave in his heart, and a force strong enough to break his arm was transmitted from his wrist, and he didn't even dare to have any thoughts to contend with. The wrist was directly pressed down, and his hand muscles were directly torn apart by that huge force.

what!

Jonny's arm was trembling constantly, and the facial features on his face were twisted together because of the pain. This scream caused many people on the plane to look in this direction.

For the rest of my life, I didn't see Jonny as much, and as if nothing happened, I closed my eyes and became calm.

The beautiful stewardess who had been watching all this unconsciously showed a smile, and there was a trace of admiration in her eyes when she looked at Yu Sheng.

"What are you doing? With such idiotic eyes, do you see who is rich, rich and handsome? Looking for someone to go to first class, what rich people can there be in business class?" Another flight attendant came over and hit her shoulder. Give her a bit.

"I'm not looking for someone, I won't talk to you, I still have something." The beautiful stewardess who was watching the rest of her life before, blushed and left.

Yu Sheng didn't know about this episode, but the three foreigners kept talking in the U.S. language, and the young man who was cut off by Yu Sheng was stopped by Liu Dingnan when his companion wanted

to settle accounts for the rest of his life. .

Even though I didn't give Yu Sheng a shot on the plane, I still used the U.S. language to insult Yu Sheng on the way.

For the rest of his life, he was not a good-tempered person, but he didn't want to cause trouble on the plane, he was able to hear it all the time.

After getting off the plane, Yu Sheng called Xia Jun.

"How about it, have you found the address of Magnolia?"

"Well, I just found it. I will send you the detailed address. By the way, the chairman of our company also has a branch in the United States. The main person in charge is Quyi. I will send it to you with his phone number. If anything happens You can call him about things."

Xia Jun said something, and then hung up the phone.

Xia Jun is very relieved to do things for the rest of his life. Many things will be left to him. Every time he can satisfy Yu Sheng, he can think clearly and carefully in all aspects.

Looking at the address sent over on the phone, Yu Sheng's mind unknowingly showed the beautiful and impeccable face of Bai Yulan. Her beauty cannot be replicated. She is amazing for a long time and won't get tired of it. Of course, the reason for the rest of her life Like her so much, it's not just beauty.

Just as Yu Sheng was waiting for Quyi to pick him up, Yu Sheng discovered that the three people he met on the plane, and a few men who did not know but who looked big and full of muscles came towards him.

There was a playful smile on Yu Sheng's mouth. I thought I would let them go for a yard like this. I didn't expect them to find them on the pole again.

"It's this kid. He deliberately broke my hand. Boss, you have to be the master for me!" Jonny looked aggrieved at one of the muscular men with a hot body.

"It's really embarrassing to be bullied by a Chinese kid, that kid?" The fiery woman spit out the chewing gum in her mouth, not far away for the rest of her life.

"Yes, yes, Sister Dao, you must call me the shots!"

Chapter: 1460

The reason why Sister Dao, the leader of the largest black-hand organization in the United States, would help Jonny, this little bastard, was because Sister Dao was planning to go to China to learn about the rest of her life who had killed some of her men.

When the plane was free, there was nothing wrong, and I came to this place when I met the humble people in the organization asking for help and thinking about activities.

Sister Dao hooked her finger, and the men next to her immediately understood, and quickly passed the baseball bat dedicated to Sister Dao.

Holding the baseball bat, Sister Dao waved a few times in her hand, and then walked towards where Yu Sheng was.

Without any ambiguity, Sister Dao hit Yu Sheng's head with a baseball bat whistling and whistling, Yu Sheng lifted the corner of her mouth, and squatted over easily with her head on her side.

"Boy, do you know who I am? You dare to hide? Believe it or not, I will kill your family!" Sister Dao was extremely dissatisfied with Yu Sheng's reaction that she had just avoided, and stared at Yu Sheng angrily. She was in the United States, but no one dared to provoke the existence. Even the American nobles dared to destroy her. The Chinese person in front of her was so courageous, it was just looking for death!

"I'm not hiding, do you still let you fight there now? Those who know will think you are very naive, and those who don't know think you have a problem with your brain!" Yu Sheng said word by word in a fluent American language.

If Sister Dao didn't say that he killed his family, Yu Sheng might think she was a woman and wouldn't care about him, but this woman just didn't cover her mouth and didn't understand the truth of misfortune coming out of her mouth. Don't blame him for being cruel.

"I'm going to see if I make a move, can you hide or not!" Yu Sheng's voice hit Sister Dao's mouth as soon as he fell his fist.

The action was really too fast. Her brain reacted and wanted to hide, but her body was so fast that she could only take the punch abruptly.

The fist hit Sister Dao's mouth impartially, and her whole person was beaten on the ground by Yu Sheng. This scene completely stunned the men of the black hand organization who followed Sister Dao. There are really people in this world who dare to do this, and actually dare to hit Sister Dao.

A few of his subordinates did not dare to be negligent, and hurriedly went up to help Sister Dao to check where there was any injury to Sister Dao!

"I..." Sister Dao was anxious. She wanted to say that I was going to kill your whole family, but the teeth of one mouth fell down, and the bloody chin of the mouth was bright red, even her chest. The front was dyed red.

Several of Sister Dao's men saw that their boss was so wronged. After enlightenment, they gave up. One or two of them stood up from the ground with fierce faces and attacked Yu Sheng.

Although these people in front of Sister Dao are more capable cadres, it goes without saying that the skills of hands and feet are naturally revealed to be cruel, but no matter how powerful they are, they are only ordinary people, not martial arts, and they will deal with them naturally for the rest of their lives.

It's a matter of moving your fingers.

For those who wanted to kill himself, Yu Sheng didn't think he would be soft, and then he sent a palm to the young people who rushed towards him.

Under a palm, the expressions of the young men changed drastically, and then they lay on the ground like puppets whose souls were drained, without any reaction.

Sister Dao, who watched this scene, showed horror for the first time in her life. This time she provokes a martial artist, who is a very small part of the existence in this world, how could it happen by coincidence? ?

Don't say that she rushed to China this time and brought all the people from the Black Hand Organization, even if she brought tens of thousands of people, with the strength he just demonstrated, would he be his opponent?

The most famous in the U.S. is the black hand organization, but only a few people know that the most powerful one is the heavenly killing organization. The people there are all martial arts practitioners. They don't accept ordinary people's assassination missions, but only kill martial arts people, because Because of this relationship, the black hand organization, which has a large number of famous people, is strong.

"You...who are you?" Sister Dao looked at Yu Sheng in horror, desperately wanting to know who the young man in front of her was. She couldn't just die inexplicably, because there were so many words!

"The rest of my life!"
