

Dont mess 1481

Chapter: 1481

“Eh, do you know me? But why have I never seen you?” The man buttoned his nose, and he didn’t even know the person in front of him, not to mention the swollen nose and swollen nose. .

Jia Ming walked up angrily and grabbed the man by the collar. He said angrily: “During the day, you fucking want to ask me for directions! At the time, you said I was a good match for that bitch, Lao Tzu. Up to now, you have caused all this fate.”

“Did you admit the wrong person? How could I know you? Besides, it was my first time in Qiancheng, and I was rushing around, and I was given a pigeon. If you continue to be like this, I’m not polite with you!” The man wanted to break Jia Ming’s hand away, but he couldn’t do it anyway, he could only let go of harsh words.

Although Jia Ming is a dude, he has also practiced his abdominal muscles for two days seriously. The man in front of him is different. He is a thoroughly otaku, facing the computer all day and doing some physical exertion to the comics. The matter is not Jia Ming’s opponent at all.

Looking closer, the scruffy man suddenly recognized who Jia Ming was, and asked with a surprised expression: “You weren’t like this when I saw you during the day? I saw you wearing a suit, but it was so handsome. It seems that all the famous brands are old and expensive, what about your girlfriend? How come you are doing this now?”

It’s not enough to mention this. When I mention this, Jia Ming is about to be mad, knowing that his current situation is inseparable from the man in front of him.

If it weren’t for an imposter to take the woman to the hotel, you wouldn’t have encountered this kind of incident, but if you go into details, the fault of this matter is still with him, and Jia Ming is also reasonable and can only swallow the words back.

Snapped!

Jia Ming was so angry that he couldn’t help but slapped the sloppy man’s face, and said angrily: “I the fuck you asked so much? Rob, quickly take off your clothes, and you Give me all the money and the phone, otherwise I will kill you.”

“Brother, how can you be like this? Anyway, we also know one another? You see, I am reduced to eating instant noodles. Where is the money?” The sloppy man wants to cry without tears, and he is full of stomachs. The sad place told me that he was still robbed by Jia Ming.

Seeing this sloppy man, Jia Ming suddenly thought that when he was caught and beaten by Wang Mang in the hotel, his experience was exactly the same as his situation at the time.

Even though he felt that the sloppy man in front of him was so similar to his own experience, Jia Ming didn’t have any pity in his heart. Apart from anything else, he made a punch in his face again, using the way Wang Mang hit him at the time.

“Don’t talk nonsense to me here. If you force me, I will kill you, and then throw your corpse into the trash can. Who knows who you are?”

Hurry up, give me all the money for the clothes and mobile phones, I don’t have the patience to kill time with you, hurry up!”

To learn and apply, Jia Ming directly used all the tricks learned from Wang Mang on the scruffy man. Jia Ming still didn’t dare to kill or discard a corpse. He simply wanted to scare him.

Seeing that the sloppy man’s face was pale with fright, he knew that he had never seen anything in the world that stayed at home all day long.

“Big Brother, Big Brother, Big Brother, don’t kill me, I still don’t have enough life. I can give you whatever you want. Clothes, right? I will take off your things and I will give you everything.” They cried while crying. Taking off his clothes, he honestly gave the phone and money to Jia Ming.

Looking at the crumpled shirt and the washed jeans, although I feel a little disgusted, it is better than not being cold.

The sloppy man is thin and weak, and Jia Ming’s figure is well-proportioned. After all, he is still a handsome boy! He wore a sloppy man’s loose and loose clothes, but it was tight on Jia Ming.

I took a look at the cell phone. An ordinary brand cell phone was outdated and looked like two thousand yuan. There was also a box of Huangshan cigarettes with only three sticks left, a lighter one by one, and three hundred yuan in cash.

Chapter: 1482

“You fucking bring 300 yuan in cash, so you are embarrassed to come out and run with my girlfriend? You really have a face, brother!” Jia Ming’s red tickets for 300 yuan patted the scruffy man’s face.

“My family is not rich either. If I had money, who would fall in love with the Internet? Isn’t it? I was thinking of inviting her to have a spicy meal or something, he said she opened the house by herself!” Some embarrassedly turned his face to the side and muttered quietly.

“If you dislike it, then you can give me back the money. I still want to save 100 yuan to take the car home! You see, I gave you all my clothes, you can’t let me just stay here in Qiancheng. Rice?”

Hearing the words of the scruffy man, Jia Ming couldn’t help but think of what he looked like when he begged Wang Mang in the hotel. At that time, Wang Mang could be so cruel that he had robbed him several million, and he would have robbed him of 300 yuan. If there is any sympathy, it is really damn it!

“Fucking three hundred dollars, you have a face, go away, you!” Jia Ming still kicked them and kicked them.

Jia Ming’s face at this time showed vividly what is called bullying and fear of hardship.

Although he changed his clothes, he couldn’t get rid of the instant noodle smell. The angry Jia Ming spit on the scruffy man again, and he left the alley unwillingly.

Just now under his coercion and temptation, they had already told Jia Ming the password of the mobile phone. Jia Ming was thinking of calling the old sister for emergency, but after thinking for a long time, he still didn’t have to carry the phone number of the old sister on his back. NS.

Relying on the mentality of trying to see, Jia Ming casually hit two, either empty or wrong, and was scolded, but Jia Ming could only give up.

The idle pseudonym, casually flipping the sloppy man’s phone, looking at his wretched chat history and the mysterious video on the phone, sneered at him.

Guru Guru Guru!

After rubbing his somewhat dry belly, Jia Ming remembered that he didn’t even eat lunch, and it’s night now. It’s strange if you are not hungry!

Looking at the 300 yuan in his hand, Jia Ming was speechless for a while, usually eating in Yuncheng is a lot of delicacies, seafood, abalone and the like. Can you buy a fart for just 300 yuan?

I had to wear the whole outfit in total! After all, wearing other people’s clothes doesn’t fit well, and the smell of a sloppy man makes Jia Ming a little unbearable.

Now that funds are limited, they can only choose one of the two. Out of the alley, Jia Ming walks aimlessly on the streets of Qiancheng. It is not that people will cast weird glances, but he ignores them all.

“Pancake fruit, pancake fruit, delicious pancake fruit!”

I heard the screaming of the stall, and a scent came over. The gluttons in my stomach seemed to smell the smell, so they screamed again.

The pancake fruit is a middle-aged woman who seems to be slightly fat. Now it is a time when the passenger flow is relatively small. Office workers are also going to work. She has no customers at the stall, so she just noticed Jia Ming. .

“Do you want a pancake fruit for this guy? The pancake fruit from Auntie is delicious, delicious and cheap, and absolutely affordable!” the middle-aged woman greeted enthusiastically.

Jia Ming glanced over, watching the middle-aged woman holding the batter and putting it on something that looked dark, then took a thing, flattened the batter, knocked an egg, and sprinkled some ingredients and so on, and finally made two thin crisps and put them on top.

Immediately, the middle-aged woman didn’t roll up the pancakes with her hands and put them in the bag, and handed it to the person who bought the goods.

Jia Ming saw all this in his eyes. He was used to enjoying the fine clothes and jade food. The picture like me was a little unacceptable, and he felt very unhygienic.

What’s so delicious about the batter? If you want to eat it, eat seafood and abalone. That’s what people eat, okay?

Jia Ming shook his head, curled his mouth in disgust and said: “Forget it, forget it, I’m not hungry yet.”

If this thing is really eaten in the stomach, maybe it will coax the stomach? When he went to the hospital when he got sick, there was only 300 yuan left on him, which was not enough to see the doctor. He said no, but looking at the young man who was eating Beiexiang with pancakes and fruits, Jia Ming was moved in the next second, licking his dry lips, greedy.

“Give me one!”

“Do you add spicy strips? Sausage or something?”

“Gagaga!”

“Okay, wait a while, you will be ready soon!”

The middle-aged woman didn’t say anything, but with an expected smile on her face, she spread out the pancake fruit. His movements were so smooth that she spread the pancake fruit at first glance. It’s been a few years, and it’s ready soon.

Packed in a plastic bag, the middle-aged woman handed the pancake fruit to Jia Ming: “Boy, your pancake fruit totals eight yuan.”

As a result, Jia Ming was stunned by the pancake fruit. He didn’t think that this thing was so cheap, and he thought that this thing is so cheap, it must be so delicious.

But since I bought it, there is no reason to return it. Jia Ming Jia Ming directly took out a 100 and handed it to the middle-aged woman.

In the time when middle-aged women were looking for money, Jia Ming was already too hungry, and he couldn’t take into account that much, and he took a bite of the pancake fruit.

After two bites of chewing, his eyes lit up: “It’s so fragrant!”

Chapter: 1483

“Young man, this is 92 yuan for you, how about it? The pancakes made by my lady are delicious, right?”

The middle-aged woman handed the counted money to Jia Ming’s years ago, and she couldn’t help but want to laugh as she watched the pseudonym gobbled it up.

At this time, Jia Ming had eaten the pancake fruit in his hand with three mouthfuls. He was used to

eating the delicacies of mountains and seas. He didn't know why he thought this pancake fruit in his hand was so delicious. I was afraid that he was too hungry. Will be so hungry and will not choose food. "It's delicious, madam, you can give me another one!" After Jia Ming finished eating, he couldn't help but want to eat a second one.

"Good!" The middle-aged woman was also unambiguous, and immediately started tossing to make the second pancake fruit.

At this time, Jia Ming stared at the middle-aged women eating pancakes and fruits, not as disgusting as the first time he saw them, but looking forward to his face, his mouth began to flow, showing the law of true fragrance. Incisively and vividly.

Eating the second pancake fruit contentedly, this time Jia Ming didn't eat as fast as the first one, but slowly savored the taste, and it was not delicious to the point of exaggeration, but don't There is a flavor.

"Madam, I'll give you a salary of 50,000 yuan a month, so you can make me pancakes and fruits!" Jia Ming said with five fingers while eating.

This sentence, Jia Ming is very serious, to be able to eat such delicious pancakes and fruits. For him, this dude, spending 50,000 yuan is nothing at all. After all, he spends more than once when he goes to nightclubs. At this price.

Although he was serious, he heard the middle-aged woman's ears that the young man who looked sloppy and sloppy in front of her was joking with her.

The normal price of his pancake fruit is five yuan. If there are more things, it is only about eight yuan. He sells two to three hundred a day. Excluding the cost, he can't make much money. He will give her fifty thousand yuan this month. I have never heard of such a good thing.

"Young man, don't joke with my auntie. My auntie has been spreading the pancakes here. If you think it is delicious, you can come often!" The middle-aged woman took out a towel and wiped the sweat from her forehead. The smile is honest and simple.

After eating enough, Jia Ming had to say goodbye to this warm-hearted aunt, and walked alone in this strange city.

A meal cost 16 yuan, which is far lower than Jia Ming's budget. There are more than 200 yuan just to buy a piece of clothes on the street, which is better than wearing clothes that others wear and don't fit. Many.

Jia Ming, who was walking aimlessly, looked at people not far away, his eyes suddenly straightened, as if he was spotted in a martial arts novel, standing there blankly, his eyes staring unblinking. A woman not far away.

The woman has long hair like seaweed scattered behind her back, her skin is as white as jade, looks smooth and delicate, her facial features are just fine in every place, and there is no trace of blemish on her face, but she is just too beautiful when she is slightly powdery. .

She was wearing a white dress, and Jia Ming even thought, even if Fairy Chang'e in Guanghan Palace stood in front of her, she would look pale!

Jia Ming, who was used to seeing beautiful women, was also lost and lost. At this moment, the goddess Li Xingyun in his heart looked very ordinary compared to her.

The woman was standing in front of a car. Soon a man came out from a company. The woman showed a bright smile on her face. She smiled and ran over and took the man's arm, and the two got into the car together. left.

Until the car completely disappeared, it took a long time for Jia Ming to relax. When he saw such a

beautiful beauty, his heart almost melted when he laughed. At that moment, he was completely intoxicated, and he was stunned. What is the look of a man who is holding a woman?

"It's really a flower, stuck in the cow dung! How can such a beautiful beauty have a boyfriend?" Jia Ming thumped his chest in annoyance, but he had to turn around and leave.

On the car, Magnolia whispered to Yu Sheng, "When I was waiting for you just now, a beggar kept staring at me. I was a little hairy by him. If it wasn't for your company's more security guards, I thought he would come here."

Yu Sheng smiled and comforted: "There is no way, who made my wife look so beautiful? I can't get the eyeballs of every man who has seen you, right?"

Chapter: 1484

"Hey, how much does this dress cost?" Jia Ming casually picked up a piece of clothing he could wear from the stall and asked the boss.

The hawker at the street stall is a young man in his 20s, picking his nose and saying, "30 yuan?"

When Jia Ming heard the price, he couldn't believe it. He looked at it carefully. The white shirt he picked up looked okay.

"Boss, you are sure that the clothes cost 30 yuan, are you kidding me?"

In the past, when buying clothes in a brand-name store, it cost tens of thousands to hundreds of thousands of them. Now this looks okay. The shirts only cost 30 yuan, which surprised Jia Ming.

After all, it's okay to feel the material of the clothes, not particularly unacceptable.

At this time, the boss pulled out a gray thing from his nose and stuffed it directly into his mouth. After seeing this scene, Jia Ming's eyeballs were about to fall to the ground, and his stomach felt nauseous. He was about to eat pancakes with fruits before. Spit it out.

"30 yuan is too expensive, then give me 22, give me 22 and I will sell it to you, the price is honest, don't bargain with me!" The stall owner looked at Jia Ming and said arrogantly.

Jia Ming was even more surprised this time. He didn't even think that this piece of clothing could be even cheaper. For fear that the vendor would regret it, he directly took out 22 yuan and handed it to the vendor. Finally, he bought another pair of pants and found a man. The place is replaced.

With this little money in his hand, Jia Ming still found a shabby hotel to live in. If he didn't quickly find a way to contact Yuncheng's family, he would starve to death here sooner or later.

When you are hungry, you can eat pancakes and fruits. No matter how delicious things are, you will get tired of eating them all the time. Finally, Jia Ming's interest in pancakes and fruits is also lost. Heart.

Of course, in the past few days, he also wants to understand a truth. It is definitely not accidental that he himself caught the rape in bed, but the immortal jump that had been planned!

In a few days, 300 yuan was spent. Jia Ming walked hungry wherever he saw everything. He couldn't see anything. Unknowingly, he came to the villa area that he had inquired about before.

The difference from the last time is that the security guard did not let Jia Ming in this time. Last time he was dressed up and could see that he was definitely a rich lord. Now that he looks poor, how could he let him in? Looking for someone?

"Smelly beggar, this is not a place where people like you can come, go quickly, go quickly!" the security guard said impatiently.

Jia Ming was smirked directly. He grew up so old, or was he called a stinky beggar for the first time. Can he bear this kind of grievance?

"Who are you talking about the stinky beggar? You don't want to ask, but I am the second young master

of the Jia family in Yuncheng. You said that I am a stinky beggar and don't want to live anymore, right?" The security guard scolded and went back without losing his momentum.

The security guard also has a temper. When a beggar said that, he became angry and took an electric baton and left the security room.

"You still want to enter the villa area in your clothes, and you still want to find the rest of your life. Can someone like Mr. Yu know someone like you? The second young master of the Jia family in Yuncheng, what if you are? Second Young Master? I'm the damn Jade Emperor!"

Jia Ming was angry and laughed. It was the first time he was questioned about his identity. He pointed his finger at the security guard holding the electric baton. After a long time unable to say a word, he finally squeezed out a few words from his throat: "Okay, You have a kind! I won't go in, right? If I just sit here, I don't believe I can't wait for anyone!"

The security guard curled his lips in disdain, sneered, and then went into the security room again, she wanted to see how long the young man could wait.

For about an hour, a luxury car drove over, and Jia Ming raised his eyes and closed it again.

After such a long period of time, Jia Ming has lost hope again and again. He has no hope now. The reason for staying in this place is because of his reluctance to admit defeat.

"Mr. Yu, Miss Bai."

Hearing the flattering voice of the security guard, Jia Ming jumped up like a spring and looked in the direction of the car. As expected, he saw the familiar face sitting in the car.

Jia Ming's tears fell down without hesitation: "Master!"

Chapter: 1485

As soon as Yu Sheng turned his head, he was hugged tightly by a person. An inexplicable smell mixed with sweat poured into Yu Sheng's nose, and he frowned with some discomfort.

"Master, do you know how difficult it is for me to find you? I almost died here." Jia Ming saw the rest of his life like seeing the savior, and tears of excitement kept streaming down.

Yu Sheng recognized that the man in front of him turned out to be Jia Ming, which surprised him:

"Aren't you in Yuncheng? Why did you suddenly come to Qiancheng? And dressed like this..."

After being touched and sad, Jia Ming cried even more fiercely, and said more and more jealous of what he had experienced.

He became the one who came to a strange city in order to find a master, because he kindly helped others to be robbed and robbed him of all the money. , And only then found the rest of his life.

I didn't know the truth for the rest of my life, but seeing Jia Ming's appearance also felt a bit pitiful. A rich second-generation mixed up like this must have been a hard life for a few days.

"Okay, it's okay. When I turn back, I will contact Yuncheng's father and let him pick you up!" Yu Sheng touched Jia Ming's head like a child.

"Master, I finally found you. I didn't want to go back anymore. I will follow you in my life." Jia Ming swayed like a child and said to Yu Sheng in a coquettish tone.

"By the way, you said you don't know your home phone number, but you have 300 yuan, why don't you just go home by car?" Yu Sheng suddenly thought of this question.

Jia Ming's body was taken aback, the expression on his face froze, yes! At that time, the scruffy man was kidnapped, but he had 300 yuan in his hand, which was enough for the ticket money to go home.

Thinking of Jia Ming's chest-beating moments, he wouldn't have to suffer so many grievances if he went straight home in the car. Now that he thinks of this, who is going to make sense?

"I...I..." Jia Ming couldn't tell, crying even more fiercely holding the rest of his life.

For the rest of his life, he wanted to pull people away. Even if he was a woman, he felt uncomfortable holding him. What's more, he still had a heavy smell of Jia Ming. The two men hugged him and thought he was gay. , Not to mention that Magnolia was still watching.

"Let go, come home with me, I'll take you to wash and have a delicious meal." Yu Sheng pushed Jia Ming, and he let go.

"Yeah, I'm dying, I want to eat abalone seafood!" Jia Ming immediately became energetic when he heard that he was eating. There is no money these days, and he even fell into the trash can. So He was desperately eager for a good meal.

When he was about to leave, Jia Ming Yuguang saw the security guard, and his anger immediately rose up. He directly complained to Yu Sheng: "Master, this is the man who scolded me as a stinky beggar and didn't let me in. He still wanted to get electricity. Hit me, you must be the master for me, master!"

The security guard immediately panicked when he heard this, and quickly shook his head and said apologetically to Yu Sheng: "I'm sorry, Mr. Yu can't tell you in his clothes, and he wants to go in. There are regulations in our villa area. , You can't just let people in."

Indeed, it is impossible for Jia Ming to go in in this outfit. The security guards do his duty. Yu Sheng patted Jia Ming on the shoulder and comforted him: "People also need work, let's go!"

Jia Ming was still a little reluctant: "Hey, can you prove that I know Yu Sheng now? Didn't you say that I am the second young master of the Jia family in Yuncheng, and you are the Jade Emperor? You can fly and show me!"

The security guard's face was flushed with shame, and scratched his head and said embarrassedly: "I'm sorry, I didn't know Tarzan before, you are a big man, so don't care about me."

Jia Ming curled his mouth in disdain, and then went straight to the car for the rest of the class. After going to the car, he discovered that there was still a person in the car.

Looking at the figure from the back, Jia Ming unconsciously thought of the beauties he had met before, and then opened his mouth and said, "Sister Fairy!"

Chapter: 1486

"Sister Fairy, I'm not mistaken? I ran into my sister Fairy here, my God!" Jia Ming's eyes widened, covering his mouth and his face in disbelief.

At this time, Magnolia didn't know whether she was right, she turned her head and glanced at Jia Ming with a surprised look. With just a glance, she felt that the person in front of her was a bit familiar, but she couldn't remember who this person was for a while.

"Don't yell at me, and Sister Fairy, do you think you are in Duan Yu?" Yu Sheng said angrily, and he even had the urge to throw Jia Ming down.

No matter how beautiful his girlfriend looks, it still feels a little uncomfortable to be stared at Yu Sheng by other men like this.

When Magnolia looked back, Jia Ming was fascinated, and she was so beautiful when she looked at it from a distance. Only when she got closer, she discovered that she was really beautiful and impenetrable.

"Sister Fairy, my name is Jia Ming, I never thought that I could take a look at you so close, even if I let me die now, I am willing to be true!" Jia Ming's brain automatically covered the rest of his life, and his eyes were full of eyes. Magnolia.

Magnolia laughed dryly. At this moment, he also remembered who this young man was. It was the

beggar who stared at him that day. He didn't even think that this person would meet Yu Sheng. Out of polite education, Magnolia still had a faint smile on her lips, nodded and said: "My name is Magnolia, Yu Sheng's fiancée!"

The master's fiancée, these words struck Jia Ming like a thunderstorm. He felt sad that he was broken in love.

"Master's fiancée? Master's fiancée? Such a beautiful fairy sister, actually has a boyfriend? And still with..." Jia Ming's face was bitter, and the whole figure seemed lost and lost.

Magnolia finally smiled politely and didn't speak any more. Although she doesn't reject others' praise of her beauty as a woman, she is still a little weird when she is called Fairy Sister.

Jia Ming didn't have any words any more along the way, but looked at Bai Magnolia and felt sad. Yu Sheng held the steering wheel's hand hard, if he could, he really wanted to give this Jia Ming directly.

Throw it out, regardless of him.

The group of people got out of the car, and took Magnolia's hand for the rest of their lives, and Jia Ming silently followed behind. It really seemed like a broken love.

"Sister Fairy, how did you and my master meet? What methods did he use to chase you? Why aren't you cautious?" Jia Ming said openly, completely caring about the rest of his life. How about it.

Magnolia smiled and took a look at Yu Sheng, and then said: "It was not he who was chasing me, but I was chasing him. I tried my best to get her in my hands. Of course, I must hold him tightly. He likes the new and dislikes the old, and abandoned me."

"If he dares to abandon you, I'll put his head..." Jia Ming originally wanted to smash his head, saying that he would blow his head to the ground, but only halfway through the conversation did he think of Bai Yulan. 'S boyfriend is Yu Sheng, the man who is too powerful to save his family.

Yu Sheng gave Jia Ming a blank look, knowing that this kid was outspoken, he didn't mean anything bad, but out of man's possessiveness, he put Magnolia into his arms and kissed him on his face. Said: "Don't worry, I won't let go in this life!"

"Then you have to speak up! Mr. Jia is here to testify!" Magnolia's cheeks were dyed blush.

Jia Ming's heart is broken. She has already made up a picture in her mind. A fat and dirty pig is arching a white and crystal clear cabbage, which is extremely ugly.

Although Yu grew handsome and was the life-saver of Jia Ming's family, Magnolia was so beautiful, and Jia Ming's three views were directly distorted.

After being forcibly fed with dog food, Jia Ming's expression was extremely ugly, and his appearance was much uglier than eating flies. Just when he was depressed and wanted to turn his grief and anger into appetite, he found out where the rest of his life was. Seems familiar!

He has been here!

Chapter: 1487

"Yes, what about my house?"

Yu Sheng took Magnolia's hand and looked at Jia Ming, who was standing there blankly. He didn't know what he was thinking like this. This guy has a very strange brain circuit, and he can't guess it.

After Jia Mingzai made a careful confirmation, he turned his head and looked at Yu Sheng again, panting heavily, and he seemed to know that the anger was not light.

"I've been to this place once before! The address I asked people to check is here. When I was about to go in and ask for details, it happened that a woman came out because she was young. I asked her if you know one. It's called Yu Sheng? Does Yu Sheng live here? She said she didn't know if she knew him.

Master, tell me now, you live here, isn't that woman lying to me? If she didn't lie to me, I would have found you a long time ago, I don't have to meet a liar, I don't have to be beaten, I don't have to suffer so many days, it's all because of that woman, don't let me Goodbye her!"

What Jia Ming said was filled with righteous indignation. Yu Sheng even felt that if the person who lied to him was on the scene, he would definitely be severely beaten by Jia Ming. This feeling can be understood for the rest of his life.

"Alright, okay, more experience, more experience, you didn't meet me in the end, walk in and take you to eat delicious food!" Yu Sheng patted Jia Ming on the shoulder and laughed.

Although Jia Ming was angry in his heart, he saw the anger in Bai Yulan's heart cut by more than half, and entered the villa with a well-behaved hum.

"Master, what do you do? Looks like you are quite rich. The security guard also said that you are a big mission. You won't be the boss of Qiancheng? But I seem to have heard that there is one in Qiancheng. The boss is called Du Fei!" Jia Ming asked Yu Sheng curiously while eating the food made by Aunt Huang. Magnolia covered her mouth and laughed. Others only knew that there was a boss in Qiancheng who was Du Fei, but they didn't know Yu Sheng's name. Perhaps what left others in the impression was the image of the son-in-law of the Yang family, but this was only a long time ago. It's something.

They don't know that the chip Yu Sheng studied has been popularized throughout China, and even other countries have begun to use it. His science and technology park can be described as the world's top enterprise. Such success has made Yu Sheng also rise to the top of the global rich list. The existence of a few.

For the rest of his life, acting low-key didn't show off this kind of thing, but worked hard in obscurity, trying to make himself better.

"You can't eat, sleep, and eat honestly! Be careful to choke." Yu Sheng said lightly.

What did Jia Ming want to ask? After all, there is no way to ask that he can only eat honestly, for fear that he will be unhappy for the rest of his life, and will sneak a glance at Magnolia, as if the food on the table is more delicious.

I have to say that although Jia Ming is a little dull, he is not too stupid. Knowing that the rest of his life is hard and soft, he just put all his thoughts on Yueyue.

Of course, although Magnolia likes Xiaoshui, when she sees Yueyue who looks a bit similar to Xu Qianqian, she feels a little bit uncomfortable in her heart.

Not every woman can achieve the spirit of generosity and selfless dedication. When Magnolia saw Xiao Yueyue, she couldn't help but think of Xu Qianqian, knowing that the grievances of adults should not be brought to children. But Bai Yulan still couldn't make it through her body.

She is not as close to Yueyue as she is close to Xiaoshui, but she also has no intentional targeting. What she can do is to be as indifferent as a stranger!

"Sister Fairy, do you have any brothers and sisters? For example, sisters and sisters who are similar to your age." Jia Ming on the side saw Magnolia standing there in a daze, so she leaned over.

Magnolia naturally understood the meaning of this sentence. She smiled politely and then shook her head: "I'm afraid this will disappoint you, and there is no such thing."

"Oh!" Jia Ming uttered disappointedly, and then asked again: "Sister Fairy is so beautiful, not at all like a mother of two children."

Chapter: 1488

As soon as Jia Ming's words fell on his head, he was knocked on his head. Looking back, it was the rest of his life with a somewhat ugly expression on his face.

"What is your kid talking nonsense? I have already booked the ticket for you back to Yuncheng. Pack your things tomorrow and go quickly!" Yu Sheng said angrily.

Jia Ming looked reluctantly at Bai Magnolia, grabbing Yu Sheng's hand and begging: "Master, don't you hurry me away, okay? I finally came here. After so much hardship, I always let me go. Stay for a few days!

Besides, if you think Yueyue likes me so much, he must be reluctant to let me go, so he should let me stay with Yueyue?"

As soon as Jia Ming's voice fell, Yueyue sitting on the sofa grabbed the toy in her hand and yelled milkily: "Uncle, uncle."

Jia Ming didn't think that the little guy was so cooperating with him, and he was immediately happy: "Master, you see! Yueyue doesn't want me to leave. You leave me here for a while, just as I am the head of travel. Bar?"

Yu Sheng looked at Yueyue, and then sighed helplessly: "Why do you have to pester me? Even if you want to learn martial arts from me, your father is in the realm of a grandmaster, and he can teach you, why bother Me?"

"Different master, I used to be afraid of hardship, so I didn't learn it, but since I met you, I have changed my mind. I just want to learn from you, and the effect is definitely not comparable to that of my dad."

What he said was very serious, but Jia Ming's serious appearance proved that he was still very serious. He himself couldn't tell what it was like. When learning martial arts with his father, he always felt that he was being forced, and he always tried his best to be lazy with his relatives.

But it is different from Yu Sheng. It is his idol, which is unmatched by others, and the effect will be obvious.

"Then why do you want to practice martial arts?" Yu Sheng looked at Jia Ming, he was so stalking, there must be his purpose.

"Crazy and cool! All in all, very cool, very handsome, do you understand?" Jia Ming said and blinked at Yu Sheng, looking like a fellow in the same way.

As soon as his voice fell, he was hit on his head again. The painful Jia Ming was grinning, and he kept rubbing his head and said, "Master, why are you hitting me suddenly? Don't tell me. Wu De!"

"The reason why you want to practice martial arts is nothing more than freshness. The kind of idea you just said is not enough for you to stick to it!" Yu Sheng said solemnly.

"Master, if I can't keep going, why would I try my best to come to you? If you say that, I will prove it to you!" Jia Ming's tone was extra serious.

In the past, he was addicted to pleasure, and always felt that the big thing was his father and sister, but that day the three giants of the Tiansha organization came to the door, their Jia family was almost destroyed, and they still depended on a foreigner to keep it.

After experiencing these things, Jia Ming wanted to understand that he was a man and couldn't put all the burden on his sister. He had to learn to support this family.

Seeing him like this, the rest of my life didn't say much, thinking about waiting for this guy's freshness to fade, maybe I figured it out, how can the rich kids who live in luxury can not stand the pain of practicing martial arts? ?

At this moment, a familiar voice came.

"Lao Yu, is it true that I heard that Miss Bai is back?"

Yu Sheng looked in the direction where the voice came from, and it was Du Fei that came, but he was a little different from Yi Qian, he was really thinner, and he looked a little tired.

“Why did your kid lose so much? What happened? Did you encounter something?” Yu Sheng looked at Du Fei worriedly.

Du Fei waved his hand indifferently: “I lost weight because of weight loss! Miss Bai hasn’t seen her for a long time. Have you solved the misunderstanding of the two of you?”

“Yeah, it’s solved.” With an unconcealed smile on Yu Sheng’s face, the two people solved the misunderstanding of each other. Perhaps it was the most comfortable thing he encountered in his immediate life.

“Hello, I am Yu Sheng’s apprentice, and my name is Jia Ming.” Jia Ming on the side greeted Yu Sheng very well, thinking that the person in front of him has a very good relationship with Yu Sheng. A good relationship is not the same. A bad thing.

“My name is Du Fei.” Du Fei shook hands with Jia Ming politely, then turned his gaze on Yu Sheng’s body and asked in surprise: “Lao Yu, you actually started accepting apprentices!”

But Jia Ming was stunned, his hands still in the air for a long time, and he felt relieved. In his mind, he kept reminiscing about the man in front of him saying that he was Du Fei, and then thinking of his slightly familiar face. Understood, the man in front of him is Du Fei, the underground king of Qiancheng!

Chapter: 1489

Jia Mingzhen thought that his master would know such a big person. He could also see the way two people get along. Obviously Du Fei respected Yu Sheng very much.

At first glance, this master himself is a very powerful character. Regardless of his identity and background, his ability alone is enough to break out of the world.

“Brother Fei, you and my master are brothers, then should I call you Master Uncle?” Jia Ming put a respectful smile on his face and put his posture very low.

“Uncle Master?” Du Fei scratched his head as if thinking. The decisive Du Fei in front of outsiders looked a little simple and honest at this time, and maybe he would only let go of all his postures in front of the rest of his life.

“Uncle Master, let me just call me Brother Fei. Most of the people around me call it that way, and I’m not used to other things.”

“That’s OK, I will call you Brother Fei. I never thought that this time I came to Qiancheng and I would meet a legendary figure like Brother Fei. You have always been an idol that I admire very much! Now when I see a real person, I feel that I am about to go. Happiness is dead, and being able to talk to you is worth it all my life!

By the way, Brother Fei, I know all the heroic deeds you have done. You are the toughest man I have ever seen. Not to mention the kindness to your brothers. Brother Fei, I really want to be a man like you. ! You have always been my role model. ”

Jia Ming had an admiring look, telling his admiration for Du Fei, and the bragging and slapped Du Fei said that Du Fei was smiling.

Yu Sheng sat on the sofa and looked at the two quietly. At this time, he had to admire Jia Ming. A dude who only knew how to eat, drink and have fun did not expect to have such an ability.

Do what you want to build a good relationship with your daughter Yueyue, play with her to make her happy and buy her delicious food, everything follows her heart, and Yueyue left him at the critical moment.

Now I started to put my mind on Du Fei's body, talking about some sloppy beards and horses, and Du Fei was so happy to coax Du Fei, this guy's mouth is not ordinary sweet.

"Lao Yu, I think this kid is pretty good. Anyway, you have a little boy. You can get an extra apprentice and pay for it. This kid is smart, and it looks like he will become a big one in the future!" Du Fei was right. Jia Ming admired.

"Brother Fei praises me too much. Whether the master is willing to accept me as an apprentice this time? But being able to get acquainted with heroes like Brother Fei is already a great blessing to me." Jia Ming said.

Yu Sheng just watched quietly from the side, wondering that Du Fei had just heard a few compliments before being bought by others, and his ears were too soft!

Magnolia, who had gone shopping with Aunt Huang, came back, with Xu Jingjing next to her. The three women sat together and talked and laughed, and they looked very peaceful.

Magnolia is kind and gets along very well with all the relationships she knows. Du Fei is a good brother for the rest of her life. Magnolia will naturally have a good relationship with him, so the two of them also had a good chat before.

"Miss Bai, you are finally back. It has been a long time to see you more beautiful and moving." Du Fei hurriedly walked over, took the things bought by the three of them, and chatted with Magnolia as they walked. Some old words.

Until Du Fei mentioned that Xiao Shui was in a coma, Bai Yulan could see that Du Fei's eyes were full of self-blame, thinking that he had lost a lot of weight now, perhaps because of Xiao Shui's guilt.

Xiao Shui is unconscious for a day, and Du Fei's stress in his heart is even more serious. For the rest of his life, there is no way to wake Xiao Shui. They are even more powerless and the only thing they can do. Poor poor Xiao Shui, a life-stricken child.

"It's you?" Jia Ming looked at Xu Jingjing, and he burst into anger, and the whole person was like a spring, stood up from the sofa and walked towards Xu Jingjing.

Chapter: 1490

"Why, do you know each other?" Seeing Jia Ming looking at Xu Jingjing with such strange eyes, Yu Sheng knew that something was definitely going on between the two of them, and it was an unpleasant thing.

"It's her. I can already confirm that Master you live here according to the address, but when I saw her coming out of the villa, I asked, this woman told me that there is no such person for the rest of her life, so I eat After so much suffering, nothing can be said about this matter!" Jia Ming said with a beard and stared.

I had heard Jia Ming talk about this before Yu Sheng, but I never thought that that person would be Xu Jingjing. Looking at Jia Ming's current appearance, I knew that he would not let it go.

As the client, Xu Jingjing only raised her eyelids a little. When she saw Jia Ming clearly, the expression on her face was still very light. Maybe he was not looking like a teacher, so she would apologize to him properly. But Xu Jingjing was a little uncomfortable looking at his appearance.

"I wasn't in a good mood that day. Besides, you won't forget what your attitude was like at the time? Do you still expect me to retaliate with virtue?"

"You!" Jia Ming was gasping and gasping. The person in front of him had suffered for a few days, and he still looks like this now. If Xu Jingjing hadn't been a woman, he would have punched him. Hit it down.

"Okay, okay, everyone is friends. Is there anything that can't be solved by one meal?" Magnolia stood up at this time and began to be a peacemaker.

When Jia Ming saw that his fairy sister had said this, the anger in his heart disappeared in an instant, and he nodded obediently: "Sister fairy, are you going to cook by yourself?"

Magnolia nodded: "Well! I cook by myself. If there is anything I like to eat, just tell me."

The fighting here ceased. Bai Yulan followed Aunt Huang into the kitchen. Jia Ming was talking and laughing with Du Fei, and for the rest of her life she watched cartoons with Yueyue.

Peppa Pig is a cartoon that children like to watch in recent years. Although Yueyue still couldn't understand the content, she giggled when she heard the sound of pig humming.

Xu Jing was sitting quietly on the side with an apple in her hand. Today, she just wanted to ask Aunt Huang and her mother about Yu Sheng. She didn't expect to meet Aunt Huang to go out to buy vegetables. White magnolia.

Xu Jingjing is jealous of this beautiful woman in front of her, but she can do nothing, secret love may be the most tiring affection in the world! Especially when I see the man I like has a better woman next to her.

When she saw Magnolia, Xu Jingjing felt uncomfortable and she stepped forward to greet her. After a short understanding, she discovered that this beautiful woman not only looks good, but also has a very kind heart. She is also very friendly to Aunt Huang. This made Xu Jingjing wonder what to do.

On the way, she also wanted to understand one thing. To love someone does not necessarily have to be with him. Perhaps it is enough to see him happy. It is enough to be able to see him from a distance, such as now!

Xu Jingjing handed the peeled apple to life, with a simple and harmless smile on her face, and said sweetly: "Brother Yu, eat an apple!"

Yu Sheng smiled and took the apple that Xu Jingjing handed over. He thanked him and gave the apple to Yueyue for a half to continue watching TV with Yueyue.

After the meal, Jia Ming looked at Xu Jingjing, who was about to pack up and leave, with a smirk at the corner of his mouth and followed.

"Hey! Don't think I can't see your careful thoughts, you like my master for the rest of your life, right!"
