

Dont mess 151

## Chapter: 151

After receiving his son for the rest of his life, he took his son's hand and walked towards his car.

At this time, Liu Changqing and Zhou Yan had gotten up from the ground. They wanted to seek the rest of their lives, but seeing the coldness in Yu Sheng's eyes, they felt even cooler in their hearts.

Seeing my daughter came out and was looking for them everywhere, although they were afraid, they still went to pick up their daughter first.

After Yu Sheng got in the car, he took out the phone and called Xia Jun.

"Have you found the person behind the rumors?" Yu Sheng asked.

"There are still no, but Yu Shao can rest assured, at most tomorrow, I will be sure to find out." Xia Jun replied.

"You can focus on Liu Changqing, the deputy manager of the human resources department," Yu Sheng said.

"Huh? Yu Shao suspected Liu Changqing did it?" Xia Jun was a little surprised.

"It's not a suspicion. If I guess wrong, it should be him." Yu Sheng said.

"Okay, I will check Liu Changqing now, if it's really that bad, I have to mutilate him!"

Xia Jun was a little angry. The executives of his company, the chairman of his company and the contracted artists of the company, were simply a traitor, and he certainly would not let him go.

"Well, you can take care of it." Yu Sheng said and hung up the phone.

If it was Liu Changqing, he believed that Xia Jun would definitely not let him go.

This kind of damage to the company's interests is undoubtedly the same as the traitor. No boss can be taken lightly.

If it was Liu Changqing, it would be inevitable to go in and squat for a few years, just to see if Xia Jun would mutilate him first.

With Xia Jun's background and methods, it was obvious that Liu Changqing was crippled, and Liu Changqing couldn't make any waves.

Looking at Liu Changqing's family of three coming towards his car from the rearview mirror, Yu Sheng flashed a bitterness in his eyes, ignited, started the car and left.

Back home, to Yu Sheng's surprise, Yang Zihuan returned today.

Generally speaking, Yang Zihuan won't be back until seven or eight o'clock, and it's only five o'clock today, which is a bit rare.

"Remember how you answered me when I asked you about your relationship with Zuo Mingyue last night?" Yang Zihuan looked at Yu Sheng with a sarcasm.

Yu Sheng was taken aback, and said: "The relationship between colleagues, what's wrong?"

"It's also a colleague relationship, do you think I'm blind? Your scandals have spread all over the Internet, do you still have to defend? Do you want me to open the news to you?" Yang Zihuan looked sarcastically.

Last night, before Yu Sheng? didn't tell her the truth, she had already figured out that she was going to divorce Yu Sheng.

Originally, she was still going to wait.

But today after Yu Sheng and Zuo Mingyue's scandal spread across the Internet, she changed her mind.

She always felt that the chairman of Sihai Group didn't treat herself much, it must be because she had never been divorced from Yu Sheng.

Compared with other people's chairman, the rest of his life is not a little bit worse.

The most important thing is that, even if the rest of her life is waste, she still drives the chairman's luxury car to mess with flowers, which is something she must not allow.

In her opinion, for Yu Sheng to get to Zuo Mingyue, she must have borrowed the name and car of the chairman.

"You said it, it's a scandal, it must be fake." Yu Sheng said with a bitter smile helplessly.

"Huh, do you treat me as a three-year-old child?"

Yang Zihuan snorted coldly, took out the prepared divorce agreement, and patted it in front of Yu Sheng.

"Sign it, Yang Zihuan, I can tolerate your incompetence, and can tolerate your waste, but I will never tolerate you carrying me out and making trouble!"

She waved her hand and left the house without knowing what she was going to do.

Looking at the divorce agreement in his hand, Yu Sheng trembled.

## **Chapter: 152**

Do you really have to get to this point?

At this moment, he didn't know what it was.

For the relationship of four or five years, he devoted himself wholeheartedly, and in the end, in Yang Zihuan's eyes, it was her one-sentence thing to leave or not to leave.

He suddenly discovered that in recent years, although he deliberately concealed his identity, but this love.

He loves very humble!

"Then leave."

There was a touch of sarcasm at the corner of Yu Sheng's mouth. This time, he was ready to complete Yang Zihuan.

Since Yang Zihuan is no longer nostalgic, he also has nothing to nostalgia for.

At least once he loved it.

Love without regrets and regrets is enough.

He took out his pen and was about to sign.

At this moment, Xiao Shui suddenly pulled Yu Sheng's sleeves, and his father said angrily: "Dad, I just cried when I saw my mother go out. You don't want to fight anymore, okay?"

Yu Sheng was shocked, squatted down and touched Xiao Shui's head, the corners of his eyes were also a little moist.

He still stayed at this home, mainly because of his son.

Otherwise, he would have moved out a long time ago, and would not stay at all to be angry with Gao Qing every day.

"Dad, I want you and mom to be good, I want our family to be good, don't quarrel, don't get angry, OK?" Xiao Shui looked at Yu Sheng expectantly, and said seriously.

Yu Sheng's mind trembled again, looking at his son, he couldn't believe that these words could actually be said from his four-year-old child.

Although still a little naive, Yu Sheng heard from it that he and Yang Zihuan's relationship crisis during this period of time caused a lot of trouble to his son.

In fact, this is also normal.

During this period of time, Yang Zihuan lost his temper at every turn. Xiao Shui looked at his parents' grudge every day, and it had been a long time since he even saw his mother smile at him. It was strange that he was not upset.

However, Xiao Shui has gradually become more sensible, and he feels that he has matured a bit earlier than his peers.

"Okay, Dad promises you not to quarrel with your mother, and you won't be angry anymore." Yu Sheng held his son in his arms and changed his mind about signing a divorce.

For the sake of his son, he thinks it is better to endure it first, at least not until the son's director, it is better not to divorce, or it will definitely bring a great psychological shadow to his son's growth.

"Well, you watch TV first. Dad is going to cook." Yu Sheng put down Xiaoshui, turned on the TV, called up the cartoon, and went to the kitchen to cook.

Walking up to the kitchen, he tore the contract in his hand to shreds a few times.

Even if you want to divorce, you have to wait for your son to reach adulthood.

...

After Yang Zihuan left home, he went directly to the bar.

She made an appointment to have a drink with Xu Qianqian. It happened that she was in a very bad mood today, and it was a good opportunity to have a drink.

Xu Qianqian was also a little upset during this time.

She came to Qiancheng for a clear purpose, but she found that she also had a lot of time in Qiancheng, but she was far from her goal.

The chairman Yuyan doesn't get in, and she doesn't have a better way.

She is waiting now. When the Yu family in Beijing comes to trouble Yusheng, she will be able to find Yusheng for a showdown.

It's a pity that the Yu family in Beijing didn't know the Yusheng, waiting left and right, but couldn't wait.

Sometimes, she even wanted to reveal the identity of Yu Sheng to Li Hongsu.

The two were drinking sullen wine, and at this moment, a few bastards with colorful hair sat beside them.

"Two beauties, don't you have a male companion?" A prickly bastard looked at the two, his eyes full of possessiveness.

### **Chapter: 153**

Seeing a few gangsters coming over, Yang Zihuan and Xu Qianqian were a little flustered.

Especially Xu Qianqian, she had only hurt her thigh last time by being confounded. If the chairman hadn't appeared in time, she wouldn't know what to do.

Knowing that these people are not easy to deal with, Xu Qianqian quietly sent a WeChat message to Yu Sheng while Yang Zihuan was talking to them.

She knew that Yu Sheng was also a good fight, and she was a master second only to the chairman, and she was going to let Yu Sheng come to rescue them.

Why is it second only to the chairman?

Because in Xu Qianqian's heart, the chairman is her superhero.

"Go away, don't bother me!" Yang Zihuan said coldly while looking at the gangster.

"Oh, the little lady is quite individual." The tied-up bastard smiled and didn't take Yang Zihuan's words seriously.

Even if Yang Zihuan's son is four years old, he is not at all inferior to Xu Qianqian's eldest daughter Xu Qianqian.

Moreover, because of marrying a woman, Yang Zihuan, who drank a little wine, had the taste of a mature woman even more than Xu Qianqian.

These little gangsters felt that Yang Zihuan was more attractive than Xu Qianqian.

“Zi Huan, let’s go first.” Xu Qianqian saw that some gangsters were too rascal, got up and wanted to go back.

“Let’s go? If you don’t accompany us to have a drink with Brother Cha today, no one will want to leave.”

As soon as the two stood up, they were directly held on their shoulders by the other gangsters.

“This is a legal society, don’t mess around, or we will call the police!” Yang Zihuan felt a little scared when he saw this kind of jade.

“Report, you report.” The gangsters looked at Yang Zihuan with a joking expression.

Among them, the bastard with his hair tied up took out a bright dagger and stuck it on the wooden table with a chick.

Yang Zihuan was shocked at once, and the hand holding the phone to call the police was shaking slightly.

She glanced at the dagger that was dazzling on the table, and did not dare to call the police again.

“Come on, sit on your elder brother’s lap, and have a good drink with your brother.” Cha Ge pulled Yang Zihuan and wanted to pull her over and sit on his lap.

Yang Zihuan screamed and shouted: “Help, it’s indecent!”

But after she shouted, she was a little dumbfounded.

I saw that the surrounding guests just raised their heads and glanced at them, then indifferently lowered their heads to drink their own wine and chat about their own days.

“How can these people be so indifferent?”

Not only Yang Zihuan, but Xu Qianqian was also a little dumbfounded.

The two looked at each other, and both saw fear and fear in each other’s eyes.

“Yeah, shouting to break your throat doesn’t work, don’t struggle, just sit here.” Brother Cha said with a smile.

“You guys, why don’t you teach anything about the king’s law?” Yang Zihuan said tremblingly.

“Wang Fa.”

Cha Ge laughed and said: “Here, I Cha Liangbing is Wang Fa.”

“Do you know why no one took care of you just now?”

Zha Liangbing joked: “Because the police in this area have to give me a bit of face.”

Yang Zihuan and Xu Qianqian trembled, their eyes were full of fear when they looked at Zha Liangbing.

Especially Yang Zihuan, who doesn’t understand the underground circle, has a bottom line in his heart.

Xu Qianqian gave Yang Zihuan a look and motioned her to sit down first.

Yang Zihuan had no choice but to sit down first.

But the next moment, a bastard suddenly kicked Yang Zihuan's chair away, and Yang Zihuan fell to the ground.

"Let you sit on our brother Cha's lap, did you hear it?" The bully scolded.

Yang Zihuan did not fall lightly, and tears of grievance flowed out.

"And you, sit here too." Zha Liangbing waved to Xu Qianqian, motioning for her to sit on his lap too.

Xu Qianqian was shocked, of course he refused to sit there.

But looking at the playful eyes of a few gangsters, her heart went straight.

#### **Chapter: 154**

"Why doesn't that waste come for the rest of my life? Does he even care about his wife?" Xu Qianqian gritted his teeth and thought angrily.

"Damn, you two stinky bitches, don't you understand human words?" Cha Liangbing was unmoved, and immediately became angry. He slapped the table and stood up, first slapped Yang Zi with a slap in the face. Huan turned around and quickly slapped Xu Qianqian on the face.

Since the two of them were frustrated and afraid, they looked at the cruel meaning in Zha Liangbing's eyes, and they finally sat weakly on Zha Liangbing's lap.

"That's right, why bother to suffer from flesh and blood?" Zha Liangbing smiled triumphantly, put his arm around the two of them, and then gave a gangster a look.

The bastard understood, picked up the wine bottle on the table, poured two glasses, put the two pills into the wine glass in front of Yang Zihuan and Xu Qianqian, and put them in front of them.

Cha Liangbing laughed and said, "Drink it, let's play a fun multiplayer sports game after drinking it."

Xu Qianqian and Yang Zihuan's faces were pale. When they heard this, they immediately guessed what the two glasses of wine were.

The white pill that was put in just now must be an aphrodisiac or something.

"Drink!" Cha Liangbing shouted in a deep voice, seeing the two people having no reaction for a long time.

"Ah! I drink!" Yang Zihuan shrieked, a little scared.

The moment Yang Zihuan reached out to lift the glass, he suddenly grabbed the beer bottle and smashed it into Cha Liangbing's stall.

Cha Liangbing snorted and shrank into a ball in pain.

Xu Qianqian and Yang Zihuan took the opportunity to run outside.

"Damn, looking for death!" Seeing this, several other gangsters chased after him.

The two of them didn't even ran to the door, and they were immediately caught by a few gangsters.

Happiness!

One of the gangsters raised his hand and slapped them with a few slaps.

The two screamed, but no one came to rescue them.

Everyone in the bar had the mentality of watching a good show, and no one dared to provoke Cha Liangbing.

Just when several gangsters forced Xu Qianqian to pass, suddenly, a figure stood in front of everyone.

"Dong, Dong, chairman!"

Both Xu Qianqian and Yang Zihuan's eyes widened, and they couldn't believe it.

Then came ecstasy.

It is not others who stand in front of everyone, it is the rest of his life.

But Yu Sheng didn't want Yang Zihuan to know it was him, so he put on a clown mask.

"Damn, get out, or you'll be killed!" A bastard drew a dagger, pointed at Yu Sheng and shouted.

For the rest of his life, he didn't speak, just clasped his wrists and smashed it forcefully.

哧!

The bastard's wrist was snapped, the dagger fell to the ground, and he wailed in pain.

"court death!"

The other three dropped Yang Zihuan and Xu Qianqian one after another, and rushed to Yu Sheng desperately.

Yu Sheng gave a cold snort, and before the three of them leaped forward, he took a step forward and slapped the three of them directly.

Everyone was shocked when they saw this, and there was fear in their eyes.

### **Chapter: 155**

"You go back first." Yu Sheng said hoarsely.

"Well, Chairman, thank you!" The two were also scared tonight, thanked Yu Sheng, and went straight out of the bar.

Only then did the rest of his life look at Cha Liangbing.

When he first came in, he saw Zha Liangbing forcing Yang Zihuan and Xu Qianqian to drink medicinal wine, and a murderous intent flashed in his heart.

He slowly walked towards Zha Liangbing, only then did Zha Liangbing relax.

“Who the hell are you, dare to take care of my Zha Liangbing’s nostalgia, aren’t you afraid that I will kill you?”

Cha Liangbing got up and stared at Yu Sheng ferociously.

Snapped!

Without saying anything, Yu Sheng raised his hand and slapped it.

“You fucking want to die!”

Snapped!

“I killed you!”

Snapped!

Finally, Cha Liangbing was stunned and scared.

He stared at the mask on Yu Sheng’s face, with murderous intent in his eyes.

“Scream, why don’t you scream?” Yu Sheng sneered, then slapped it again.

Cha Liangbing was so angry that his whole body was shaking.

But Yu Sheng was better than him, he had to stare at Yu Sheng, but he didn’t dare to let it go.

The people in the bar looked at Zha Liangbing being pumped and had no temper, and all of them looked at Yu Sheng with fear in their eyes.

Cha Liangbing is the gangster boss in this area, and even the sub-office here has to give him a bit of face. When has he been so humiliated?

His eyes flashed with rage, and he had already sentenced the rest of his life to death.

Seeing a little brother quietly approaching Yu Sheng with a dagger in his hand, there was a worrisome look in the eyes of everyone else.

But no one reminded the rest of his life.

In order to distract Yu Sheng’s attention, Zha Liangbing suddenly said: “Who are you? Where did I, Zha Liangbing, offend you?”

“You dare to move even Laozi and women, why did you offend me?” Yu Sheng sneered.

“I didn’t know they were your women...”

As Cha Liangbing spoke, seeing the little brother stab Yu Sheng back with a dagger, he also suddenly attacked Yu Sheng with a punch.

There was a hint of irony in Yu Sheng’s eyes. As he turned around, he grabbed Cha Liangbing’s arm and slammed up against the dagger behind him.

“what!”

Suddenly, Zha Liangbing screamed, and saw that the gangster's dagger was stabbed in Cha Liangbing's fist.

With a vaguely angry knife, coupled with the blessing of Yu Sheng's internal energy, the entire dagger was pierced into Zha Liangbing's fist.

In the end, it broke because of too much force.

Everyone was dumbfounded, but for the rest of his life, he swept away the thug who assassinated him.

At this moment, Yu Sheng turned around, grabbed Cha Liangbing's head, and slammed into the table.

哧!

The entire wooden table fell apart directly.

A blood hole pierced through Cha Liangbing's forehead, and blood was flowing.

At this moment, he was directly dizzy.

But the rest of his life didn't stop there.

Instead, he threw Cha Liangbing into the air all at once, and when Cha Niangbing fell, his right knee slammed up.

哧!

Everyone trembled.

For the rest of his life, Cha Liangbing's entire back was broken directly.

With a scream, Cha Liangbing lay on the ground, clutching the position of his waist. The pain was heart-piercing.

The whole bar was silent, and everyone was afraid to show up.

Those few gangsters who had just gotten up and were about to sneak attack the rest of their lives were even more frightened, their feet soft, and they almost sat down.

Too ruthless!

They were not as fierce as one-tenth of the rest of their lives.

"You, you, what are you doing?" Seeing Yu Sheng slowly squatting down, Zha Liangbing was finally scared.

He came out and mixed for so many years, and felt fear for the first time!

## **Chapter: 156**

He wanted to know what a face would look like after this clown mask.

This is the hottest person he has ever seen, there is no one!

“Do you know what happened to the last person who hit my woman?” Yu Sheng squatted in front of Cha Liangbing, his eyes full of murderous intent.

“Big brother, I know I was wrong, I don’t know that the two of them are your eldest brother’s women, otherwise I would give me ten courage, and I would not dare to use their ideas!” Cha Liangbing was really scared.

With this look alone, he doesn’t doubt at all, whether the rest of his life will kill him today!

“The last person who hit my woman’s idea, his family went bankrupt, and both father and son died in prison, and you...” Yu Sheng said and stood up.

“Big brother, please, don’t kill me, I am willing to be your loyal dog and listen to you!” Cha Liangbing trembled in fear and hurriedly interceded.

With the strong murderous in Yu Sheng’s eyes, he didn’t doubt Yu Sheng’s determination to kill him.

For the rest of his life, he did not have Richard Liangbing, but took out the phone and called Du Fei.

“Bring a few brothers, come to Jinyang

“Is there any smoke?” Yu Sheng looked at a little green-haired lady.

His cigarette was in the car below, but no one brought it up.

“Yes, yes, yes, it’s just elder brother, I only smoke a pack of ten dollars...” Little Taimei trembled.

“Well, bring me one.” Yu Sheng nodded.

Little Taimei hurriedly took out a pack of ten yuan expensive cigarettes, took out one and handed it to Yu Sheng.

“Fire.” Yu Sheng put the smoke in his mouth.

Little Taimei hurriedly lit a cigarette for the rest of her life.

The smoke burned, Yu Sheng took a sip and looked at the two little sisters.

“How long have you been out for mixing?” Yu Sheng asked.

“Big brother, we’ve only been out for a while...” Little Taimei nodded with a trembling, wondering what she wanted to do for the rest of her life.

“High school student?” Yu Sheng asked again.

The two little sisters hesitated, but nodded: “Sophomore in high school.”

“What about your parents? What do you do?” Yu Sheng asked again.

“They are all ordinary workers!” the two said in a trembled voice.

“Call them now and let them come over right away. I’m going to ask them how they educate the children. They can’t discipline them, I will discipline them for them!” Yu Sheng’s tone changed and he said in a deep voice.

“Big brother, we were wrong!” The two of them trembled, and knelt in front of Yu Sheng with a bang. They wanted their parents to come, and they wouldn’t want their lives.

“No, you are wrong. It is your parents who taught me no way. You should let them accept punishment.” Yu Sheng said coldly.

“Big brother, we are really wrong. We will never dare to come out again in the future. We must study hard and repay our parents for their nurturing!” The two little sisters were directly scared and cried by Yu Sheng’s momentum, and kept begging for mercy.

“real?”

“Really, really! We must study hard in the future and dare not come out and mix!” The two hurriedly nodded.

Yu Sheng smiled, then put the cigarette in his mouth, and walked to Cha Liangbing.

Seeing that there was a small scimitar on the ground, with a hook on his right foot, the scimitar flew up.

He grabbed the small scimitar and swung it down fiercely.

“what!”

Cha Liangbing let out a miserable howl, and Yu Sheng’s entire right wrist was directly chopped off by Yu Sheng.

Yu Sheng carried Zha Liangbing’s broken wrist, came back to the table of the two little sisters, and threw the broken wrist on the table with a snap.

The two little sisters almost fainted directly.

### **Chapter: 157**

Seeing the bloody broken wrists on the table, the two little sisters turned pale in fright, and they were extremely scared.

“I remember what you said, next time I see you come out and fool around, I will cut off your right hand in the same way.” Yu Sheng said without emotion.

The two of them turned pale in fright, and only felt that their right hand jumped sharply, and they were almost not theirs.

“Go back.” Yu Sheng waved his hand, indicating that the two can go.

“Thank you, brother.” The two got up and left.

“Wait.” Yu Sheng shouted suddenly.

The two of them trembled, and hurriedly turned around: “Big brother...”

“What is your name?” Yu Sheng asked.

“My name is Xia Zi.”

“My name is Xia Wei.”

The two spoke in unison, and didn't dare to neglect at all.

Yu Sheng took out his mobile phone and took a picture of the two of them before waving his hands to indicate that they could leave.

The two were released and hurriedly walked out of the bar.

“Xia Zi, Xia Wei...”

Yu Sheng looked at the faces of the two on the phone, shook his head, and called Xia Jun.

“Yu Shao.”

“What are you doing?” Yu Sheng asked.

“While reading a novel, ho ho, I found a very good ip, I am going to see if there is any value in adaptation.” Xia Jun laughed.

“Well, come out and drink at the bar.” Yu Sheng said.

“Where?” Xia Jun asked.

“It's a pleasant place, Dihao Bao, I'll be there in about half an hour.” Yu Sheng said.

“it is good.”

As soon as he hung up the phone, Du Fei and a few people came to the bar.

“Here.” Yu Sheng waved to Du Fei.

Hearing Yu Sheng's voice, Du Fei walked over quickly.

“Is this yours?” Yu Sheng pointed to Cha Liangbing who had passed out in pain on the ground.

Several Du Fei looked around, shook their heads and said, “My power still doesn't reach Jinyang.”

“That's fine, I don't want him to see the sun tomorrow.” Yu Sheng said and walked outside.

The reason why he hadn't killed Cha Liangbing all the time was because he wanted Du Fei to come and see if it was his subordinate.

If it was Du Fei's men, he could spare his life.

But it is impossible for him to live until tomorrow without Du Fei's.

Even the woman of the rest of his life dared to move, she must die!

Du Fei gave Chen Bin a look and went out with Yu Sheng.

Chen Bin and the other two younger brothers looked at Cha Liangbing.

“Brother Bin, let me come.” said the younger brother Zhang Jun.

Chen Bin nodded, and Zhang Jun walked to Cha Liangbing.

“Bin, Brother Bin, forgive me, I really don’t know that it is your friend...”

Of course, Zha Liangbing also knew Chen Bin. Seeing Zhang Jun walking towards him with a dagger, he immediately knew that the other party was going to kill him.

“If Shao Yu wants you to live, you will live, and if Shao Yu wants you to die, you will die. Send him on the road.” Chen Bin said and walked outside.

Zhang Jun walked to Cha Liangbing and sneered: “Even our boss, Du, has to call Yu Shao brother. You fucking dare to offend Yu Shao, you don’t know whether you live or die.”

“Brother...” Cha Liangbing trembled all over, terrified to the extreme.

He doesn’t want to die!

“Next time you reincarnate, keep your dog’s eyes wide open. If you shouldn’t offend people, it’s best not to offend, otherwise, this will be your fate!”

As soon as Zhang Jun’s voice fell, he pierced into Cha Liangbing’s heart, twisted hard, then let go, turned around and followed Chen Bin out.

Cha Liangbing was full of withdrawals, his eyes full of unwillingness and regret.

He glared a few times with his feet, and died directly.

Don’t look down!

It took a long time before the bar staff dared to take out the phone to call the police.

The others all scattered, and not a few dared to stay.

## **Chapter: 158**

Soon after arriving at Yirenju, Du Fei arranged a banquet.

After Xia Jun arrived, Yu Sheng introduced them to each other and drank and ate food.

“Do these two people know each other?” After thirty, Yu Sheng took out his mobile phone, pulled out the photos of the two young ladies, and handed them to Xia Jun.

Xia Jun took a look, his face suddenly changed, looking at Yu Sheng, he felt a little nervous: “Yu Shao, they are my daughters, if they don’t have eyes to offend you...”

“I knew they should be your daughters, their eyes are too similar.”

Yu Sheng took the phone, put a slice of fish into his mouth, and said, “They didn’t offend me, but I guessed that they might be your daughter. After educating them, I don’t know if it’s useful.”

“Thank you Shao Yu! Alas...”

Xia Jun sighed and said: “After I divorced their mother, they didn’t live with me, they wanted to live with their mother. In the past few years, my main energy has been on the company, to the point of ignoring the two sisters.”

Yu Sheng nodded and said: "They are the most rebellious time at their age, and you are still divorced, which has a great impact on their growth.

I don't think your ex-wife can control them either. Let me give you an idea. Give your ex-wife a large sum of money and ask her to let you raise their sisters."

Xia Jun smiled bitterly: "My ex-wife was willing, but their sisters did not want to live with me. I have no way to beat them, alas." Remember for a second <http://>

Yu Sheng shrugged and said, "Okay, then you find a way to deal with it yourself, but Lao Xia, let me remind you, if your two twin daughters, if you leave them alone, you will really hurt them. NS."

Xia Jun nodded and said, "Thank you, Shao Yu, I will go to them tomorrow to have a good talk. In any case, I can't let their temperament come anymore."

In fact, there is no need for Yu Sheng to say more. After looking at the photo that Yu Sheng took, he couldn't let his two daughters mess around.

"Come for a drink." Yu Sheng picked up his glass and touched several people.

Several Du Fei hurriedly picked up their wine glasses and met Yu Sheng in the air.

Putting down the cup, Xia Jun said suddenly: "By the way, Shao Yu has been found out. It is indeed Liu Changqing's servant. I have interrupted his legs, but I haven't handed it over to the police."

Yu Sheng nodded. As expected, he took out a cigarette and asked, "Does Liu Changqing have a backstage in the company?"

Xia Jun nodded hurriedly, "Well, Liu Changqing's uncle is a minority shareholder, but he interrupted one of Liu Changqing's legs."

Yu Sheng asked: "How are people?"

Xia Jun thought for a while and said: "Good old man, average ability, but one of the founders of the company, so I gave him 5% of the shares at the beginning."

Yu Sheng nodded, took a mouthful of cigarettes, and said: "Since he is a veteran, then give him a bit of face, let Liu Changqing apologize from the whole network, clarify this matter, and fire the company."

Xia Jun nodded, this is also what he hopes to see the result.

After all, Liu Changqing's uncle had a good relationship with him, and his relatives interrupted Liu Changqing's leg, which was a superficial expression of his attitude.

If Liu Changqing was really sent in again, it would be a bit of the heart of the cold elders.

At this moment, Yu Sheng's phone rang.

Yu Zhong took it out for the rest of his life.

"If you want Yu Zhong's life as a dog, come to Xiyuan Villa. I believe you are a wise man. You already know who I am. I will wait for you for an hour, more than an hour, and then you will collect his body."

As soon as the phone was connected, and without speaking for the rest of his life, he heard an indifferent voice.

### **Chapter: 159**

Yu Sheng's mind was shocked. He said why he couldn't get through Yu Zhong's phone call before. It turned out that something happened to him.

"Okay, I'll go over now!" Yu Sheng's voice was low, with a murderous intent in his eyes.

The other party was talking too much and hung up.

"What's the situation?" Du Fei and others frowned upon seeing Yu Sheng's eyes flashing murderously.

"Go, go to Xiyuan Villa." Yu Sheng got up and walked outside.

"Do you want to take someone?" Du Fei asked.

"You can bring as much as you can. If you are better, I will go first and follow my password later." Yu Sheng said.

"Okay." Du Fei nodded and asked Chen Bin to start calling people.

Xia Jun caught up with Yu Sheng and asked, "Do you want to use Bai Dao relationship?"

Yu Sheng shook his head, "No, you go back, you can't solve this matter."

As he said, he got on his r8 and drove directly to Xiyuan Villa.

Xia Jun thought for a while, still going to go with Du Fei and the others to have a look.

He has a hunch that this matter is probably related to the identity of the rest of his life.

He has always been curious about his identity for the rest of his life, and this time he can finally understand a little bit.

Of course, he was just curious in his heart, and he had no idea to investigate the rest of his life.

Xiyuan Villa is not very far from the pleasant living, it will be there in half an hour.

Yu Sheng parked his car outside the villa and walked towards the villa.

The lights are shining in the villa, and there are security guards on duty at the gate.

Seeing Yu Sheng, the security guard asked, "But the last name is Yu, the first name?"

"Yeah." Yu Sheng nodded.

"Come with me." The security guard took a look for the rest of his life and walked to the manor.

For the rest of his life, following the security guard, the two soon arrived in a hall.

At this time, in the hall, a middle-aged man with an indifferent expression was sitting on a chair drinking tea. Behind him were five or six young people.

These young people have serious expressions and unusual temperaments.

On the other side of the hall, an old man was tied to a pillar, covered in blood, hiding his breath.

Looking at the old man, Yu Sheng suddenly revealed a murderous intent in his eyes!

“Sir, the person you are talking about is here.” The security guard said to the middle-aged man in the chair.

Without him speaking, the middle-aged man is also looking at the rest of his life.

“Yu Shao, can you still recognize me?” The middle-aged man showed joking in his eyes.

“Fu Renxue, should Li Hongsu just let you die?” Yu Sheng coldly snorted.

This middle-aged man was called Fu Renxue, who was under his father’s work.

Yu Sheng remembered that Fu Renxue was quite strong back then, but after cultivating the Nine Profound Heavenly Scriptures and absorbing the essence of internal power from the relics of high monks, his strength is no longer what it used to be.

He didn’t put Fu Renxue in his eyes at all.

“It seems that Shao Yu has a great resentment towards Li Xia.”

Fu Renxue smiled indifferently, and said: “Yu Shao, we know that people don’t talk secretly. You should know that I am looking for you, not to kill you. Of course, what your aunt meant is, of course, to smash the corpse. But after all, I have received a lot of favor from the master, and I still have to remember the favor.”

“Go ahead, what do you want?” Yu Sheng asked knowingly.

“Hand over the international black card that your father gave you eight years ago. I know you still don’t have much use for it, and the 10 billion or more used, just forget it.” Fu Renxue said.

“You are so confident that I will give you the card?” Yu Sheng sneered.

“When you come, I will have confidence. I was afraid that you would not show up before, and I will spend time looking for you again.”

Fu Renxue smiled very confidently, “By the way, I know that you are a person of love and righteousness. You have been taken care of by Yu Zhong since you were a child. You won’t watch him die, right.”

Yu Sheng’s eyes narrowed, and murderous intent flashed in his eyes.

## **Chapter: 160**

“Let him go first, I’ll give you the card.” Yu Sheng said.

Fu Renxue glanced at Yu Zhong next to him, and smiled: “Although I believe you dare not play lazy, this is your site after all, and Song Feng died in your hands. Of course I have to be careful, right? .”

As soon as his voice fell, the short knife in a young man’s hand was directly placed on Yu Zhong’s neck.

Yu Sheng was shocked, and listened to Yu Zhong weakly said: "Master, don't worry about the old slave, if you give him the black card, you will never have any chance of revenge in your life!"

"Uncle Zhong..." When Yu Sheng listened to Yu Zhong's lack of breath, he knew that Yu Zhong's martial arts had been abolished.

Murderous flashes in his heart, if it were not for him, Yu Zhong would not have fallen to this point, let alone Li Hongsu's abolition of the martial arts he had worked hard for most of his life.

"Master, go quickly. If you can kill Song Feng, it means that you are already very strong. If you run away with all your strength, Fu Renxue may not be able to catch up with you..." Yu Zhong shook his head and persuaded.

"Cut off his tongue first." Fu Renxue said coldly.

The young man guarding Yu Zhong responded and was about to insert the knife into Yu Zhong's mouth.

"stop!"

Yu Sheng's face changed drastically, and he shouted in a deep voice: "I'll give you a black card!"

"I know Shao Yu is a person who values love and righteousness." Fu Renxue smiled and waved his hand, the young man stopped.

Yu Sheng took out the black card and threw it to Fu Renxue without hesitation.

Fu Renxue took the black card, verified the balance with a professional machine, and then smiled: "Yu Shao, don't blame me, all this is what your aunt meant, and I'm just doing things for her."

Yu Sheng squinted and said nothing.

Fu Renxue smiled, waved a big hand, and took a few young people out.

Although Li Hongsu wanted him to kill the rest of his life.

But it's not really necessary to kill the rest of your life.

He knew that Li Hongsu wanted this black card most.

With this black card, the Yu family will once again become a first-class power.

What does it matter if you don't have a black card for the rest of your life?

Yu Sheng ran over quickly and untied the rope on Yu Zhong's body.

"Uncle Zhong, blame me for harming you..." Yu Sheng was very self-blaming. If he hadn't revealed his identity in advance for Yang Zihuan, he would not have attracted Li Hongsu's attention.

There would be no such thing as Yu Zhong being scrapped by Li Hongsu in order to hold Li Hongsu.

"Oh, master, you...oh, now that Li Hongsu has got the black card, his power will only get stronger and stronger, and it will be even more difficult for you to save the master!" Yu Zhong sighed.

"Where is my father now?" Yu Sheng was shocked and hurriedly asked.

“It’s not useful to tell you, you can’t even deal with Li Hongsu, the other party is countless times stronger than Li Hongsu.”

Yu Zhong sighed, shook his head and said, “Master, what the master said was right at the beginning. Your biggest weakness is that your heart is too soft.”

Yu Sheng took a deep breath, and didn’t force Yu Zhong, anyway, now Yu Zhong’s martial arts have been abandoned, he is going to let Yu Zhong stay, and then slowly ask him to forget it.

“Let’s go, Uncle Zhong, my black card, one Fu Renxue can’t take it away.”

Yu Sheng helped Yu Zhong and walked outside.

Yu Zhong was shocked and looked at Yu Sheng puzzled.

After walking out of the manor soon, Yu Zhong was surprised to see Fu Renxue and others surrounded by hundreds of gangsters.
