

Dont mess 161

Chapter: 161

“For the rest of your life, do you think they can keep me with these mud legs?”

Seeing Yu Sheng came out, Fu Renxue turned her head and sneered.

“They can’t keep you, but I can.” For the rest of his life, he passed.

Fu Renxue looked up and down for the rest of her life, and then said with a smile: “Do you treat me as Song Feng’s level?”

“It doesn’t matter which level you are, Fu Renxue, if you want to survive, she will return my black card and disuse martial arts.” Yu Sheng said.

Fu Renxue had no intention of killing him, and he planned to keep Fu Renxue for his life.

If Yu Zhong didn’t tell him many things, he would control Fu Renxue first, and then inquire about it from Fu Renxue.

“Well, since you insist on forcing me to shoot, you are offended.”

Fu Renxue smiled faintly, and as soon as the voice fell, the whole person was like a sharp arrow from the string, swishing before Yu Sheng.

For the rest of his life, he didn’t rush or slow, and his body was slightly to one side, and Fu Renxue’s lightning attack was resolved.

Fu Renxue missed with one move, and then struck again with lightning.

Yu Sheng’s eyes narrowed slightly, and Fu Renxue’s strength surprised him a bit.

Although he had just fought, he could feel that Fu Renxue’s combat power was at least twice that of Song Feng.

But he is not afraid.

During this period of time, he cultivated the Nine Profound Heaven Scriptures and refined the relics of the high monks.

Fu Renxue’s offensive was quickly suppressed.

At this time, Fu Renxue was finally not calm, her face gradually became serious.

He didn’t expect the rest of his life to have such a deep internal strength.

With Yu Sheng’s step by step pressing on, Fu Renxue was in danger, and was almost hit by Yu Sheng several times.

Yu Zhong, who was next to him, was surprised when he saw that Yu Sheng was so strong, and then very excited.

Fu Renxue ranked third in combat power among Li Hongsu’s subordinates.

Yu Sheng can easily defeat Fu Renxue, doesn't it mean that his combat power has already caught up with the other two generals under Li Hongsu?

Revenge is hopeful!

Yu Zhong thought excitedly.

Xia Jun, Du Fei and the others were shocked to the extreme as they watched the battle between them.

The air burst with every punch and every palm of the two of them. If it hits them, how many punches can the bones hold?

too strong!

"It's over here!" Suddenly, Yu Sheng shouted, and the whole body turned into an afterimage.

Before Fu Renxue ran out of moves, he slammed a fist on his chest.

boom!

Fu Renxue snorted and flew out directly.

"Fu Zun!" Upon seeing this, the young men rushed over.

But it was stopped by Du Fei and others.

Fu Renxue smashed the floor firmly, and the floor tiles were all smashed by him.

"puff!"

Fu Renxue opened her mouth and sprayed blood, her face pale.

"You...haha, you deserve to be the son of the master, you deserve to be from the Yu family, we look down on you." Seeing Yu Sheng walking over, Fu Renxue smiled miserably.

He knew he was finished, and even, he had a feeling that Li Hongsu must still be planted in Yu Sheng's hands.

Yu Sheng's strength is beyond their imagination. Li Hongsu has always been arrogant and arrogant, and he must be planted in Yu Sheng's hands.

"You win, the card is returned to you." Fu Renxue smiled miserably, then took out the black card and threw it to Yu Sheng.

Yu Sheng took the black card, put it in his wallet, and said, "You have only two ways now. I abolished your martial arts, life, or I killed you directly."

He has a low tone that can't be questioned.

The reason why Fu Renxue was given another choice was because from the very beginning, Fu Renxue had no intention of killing him.

Of course, he couldn't let Fu Renxue go.

Because of his intelligence, Li Hongsu could not be known yet.

“Life is better than dead, isn’t it?”

Fu Renxue smiled miserably, a flash of determination flashed in her eyes, raised her hand, and slapped her palm on her Qihai hole.

The Qihai acupoint is the key point for the successful gathering of Qi. Once the Qihai is broken, the internal force stored in Danli will quickly vent like a ball breaking through the hole.

Fu Renxue’s face was pale, her face as gray as death.

The whole person was ten years old instantly.

Chapter: 162

“You know the current affairs well.” Yu Sheng snorted and looked at the young people controlled by Du Fei and others.

These young people’s cultivation is not high, but for the rest of their lives they still can’t let them go.

“So do you, either die or disuse martial arts.” Yu Sheng said coldly.

When several people saw that Fu Renxue had abandoned martial arts, they had already accepted their fate in their hearts.

Xiangren didn’t even think about it, and when he raised his hand, he slapped his Qi Hai acupuncture points one after another.

After martial arts was abandoned, several people seemed to be suddenly ill. They were ill and there was no threat.

“Take their communication tools away, lock them up first, and prepare three meals a day for them as usual.” Yu Sheng said to Du Fei.

“Okay.” Du Fei nodded, and let people take Fu Renxue away.

After returning to the cherry blossom meeting, Yu Sheng personally healed Yu Zhong.

After Yu Zhong fell into Li Hongsu’s hands, his tortured inhuman form even abolished his martial arts.

Had it not been for the high martial arts in the past and the physical quality that was different from ordinary people, he would have died in Li Hongsu’s hands long ago.

Yu Sheng prescribed Zhang Fangzi and asked Du Fei to send someone to grab the medicine and boil it for Yu Zhong himself.

To be honest, when he was young, although Yu Zhong was his father’s housekeeper, he was like an uncle to him.

In his heart, he has never regarded Yu Zhong as a presenter.

Yu Zhong was seriously injured, and he could not be cured in a day or two.

After boiled the medicine for Yu Zhong, Yu Sheng went to the basement of Sakura Club.

Yu Sheng carried a bowl of medicine in his hand, which was the medicine for internal injuries that was just boiled to Yu Zhong.

At this time, Fu Renxue leaned weakly against the wall of the basement, her face pale and her lips dry.

“Just ask what you want, and I will tell you what I know.” Seeing Yu Sheng came, Fu Renxue immediately knew what Yu Sheng wanted to do, and a sorrowful smile appeared on her face.

“You know current affairs well.” Yu Sheng sneered and placed the medicine bowl in front of Fu Renxue.

He originally planned to use this healing medicine to let Fu Renxue answer his questions.

Now it seems that there is no need for this.

“If you are treating internal injuries, don’t be afraid to drink the poison.” Yu Sheng said.

Fu Renxue smiled and took a sip without saying anything.

If he were to kill him for the rest of his life, he would have been killed long ago, and it would not have been so troublesome.

“How many masters does Li Hongsu currently have? What level are they?” Yu Sheng asked directly.

He knew that Fu Renxue understood what he meant.

“Li Hongsu has no masters in his own hands, and there are two others who are better than me, but they may not necessarily be your opponents. Li Hongsu relies on the Li family, and the Li family has master-level powerhouses. You are not their opponent.” Fu Renxue said.

“Where is my dad now?” Yu Sheng looked at Fu Renxue’s eyes. This was something he had always wanted to know.

Chapter: 163

“Doomsday prison.” Fu Renxue said.

“Apocalypse?”

Yu Sheng was shocked and asked, “Where is the doomsday cell? What kind of existence is it? Also, why is my dad in the doom cell?”

Faced with a series of question marks for Yu Sheng, Fu Renxue said calmly: “The Doomsday Prison is a very mysterious organization. It is filled with powerful people in the world. Except for the heads of a few families in Beijing, few people know the Doomsday Prison. Wherever it is, few people know how it exists.

But there is one thing you have to remember. Grandmaster-level powerhouses are going to the doomsday jail, which is also a dead end.

The ones in it are at least grand masters, powerful masters at the great master level.

As for why your father was imprisoned in the Doomsday Prison, he wrote the Tao of Li Hongsu and was imprisoned by Li Hongsu through the Li family forces. ”

Fu Renxue put down the medicine bowl, looked at Yu Sheng, and said, "Yu Sheng, I know that your cultivation is very strong, and there are even faint signs of breaking through the master.

But if you want to save your father, you are still too far away. Even if you are above the Great Master, you may not be able to save your father."

There was a long silence for the rest of his life, and then he nodded.

He still knows some martial arts level.

Samurai, samurai, samurai, grandmaster, grandmaster...

He heard that there was a higher realm behind, but he didn't know it anymore.

He is now in the late stage of the martial arts, and he doesn't know when it will be until the breakthrough master, let alone there is a master in the middle, and he wants to train above the master...

For the rest of my life I don't know when it will be.

"Stay well, when will Li Hongsu die? When will you get free." Yu Sheng got up, opened the iron gate and walked out.

Doomsday prison!

Above the Grand Master!

Yu Sheng secretly clenched his fists, no matter how difficult it was, he wanted to save his father!

When I got home, it was already 12 o'clock in the evening.

Yang Zihuan wasn't asleep yet, and when she heard the door opening, she came out and saw that she was the rest of her life. Without talking, she was about to go back to the room.

Suddenly, she saw that Yu Sheng's clothes were somewhat familiar.

Wasn't the chairman wearing this t-shirt also in the bar before?

Yang Zihuan was shocked, and he couldn't believe it.

She couldn't believe that it would be the rest of her life who went to the bar to save them before!

impossible!

Absolutely impossible!

If the person before was Yu Sheng, then he would be the chairman.

How is this possible?

Yang Zihuan shook his head, feeling that his idea was crazy just now.

She actually thinks that she will be the chairman of the board for the rest of her life, which is really ridiculous.

Thinking about this, Yang Zihuan asked in a cold voice: "Where have you been, come back so late?"

“Drink.” Yu Sheng said.

“How are our considerations?” Yang Zihuan asked after thinking about it.

The rest of my life stopped, looked at Yang Zihuan, and said firmly: “Zi Huan, Xiao Shui is only four years old. If we divorce, it will definitely have a great impact on his growth.

You think that many children from divorced families are not very healthy.

So, for the sake of Xiaoshui, I will not divorce you.”

Yang Zihuan fell silent, she did not think so much.

She just feels that she and Yu Sheng are no longer suitable for being a husband and wife, and just want to break the marriage with Yu Sheng.

“Do you think the two of us are still suitable now?” Yang Zihuan said sarcastically.

“For the healthy growth of your son, you can’t sacrifice a little?” Yu Sheng frowned.

“I have the ability to educate my son, and you don’t need to worry about it.” Yang Zihuan said.

“Hoho, okay, you can leave, Xiaoshui must be given to me, I only have this condition, you can come to me again when you think about it.” Yu Sheng hummed coldly, opened the door of his son’s room, and went in to rest. went.

Yang Zihuan was stunned on the spot, and of course she could not give her son to the rest of her life.

But Yu Xiandu was so determined that she hesitated.

Yang Zihuan thought a lot, finally sighed and turned back to the house.

Since no consensus can be reached, then come slowly.

Chapter: 164

The next day, Yu Sheng sent his son to school and went to work as usual.

When you arrive at the company, go directly to the office as always.

“Yu Dong, your tea.” Xiao Zixin came to work today and took the initiative to make a cup of hot tea for Yu Sheng.

Yu Sheng looked up at Xiao Zixin and nodded.

He lifted his teacup and sipped his mouth, then suddenly said, “You said, there are no women under the world, who would take her husband’s ex-wife’s child as his own?”

“what?”

Xiao Zixin was startled, and didn’t know what the rest of her life meant for a while.

“Yu Dong, me, I don’t know this question either.”

After a pause, she said again: "I think there should be such a woman. If this woman loves her husband very much, she will definitely raise the children of her husband and ex-wife as her own."

"Well, I see. By the way, where is Yu Qin? Are you still here?" Yu Sheng asked, turning the subject off.

Now he also has two secretaries, and he thinks it is time to divide the work between them so as not to mess up their work.

According to Yu Sheng's thoughts, Yu Qin and Xiao Zixin should be both inside and outside.

Yu Qin's personality is a bit more open, and his communication skills are pretty good. He is going to let Yu Qin be the master.

Xiao Zixin's personality is a bit more introverted, and she is responsible for his collusion with major managers in the company and the work arrangements for major departments.

"She sent the files to President Xia, and she should be back soon." Xiao Zixin said.

Yu Sheng nodded and asked, "How is your mother's recovery?"

Xiao Zixin said gratefully: "Thanks to Yu Dong, my mother's body has improved a lot in the past two days, and her complexion has also improved a lot. If you rest for a few days, it should be nothing."

Yu Sheng nodded, and didn't speak any more.

Within two minutes, Yu Qin returned.

For the rest of his life, Yu Qin was also allowed in, and then arranged for the division of work between them, and then they were allowed to go out to do their affairs.

A few minutes later, Xiao Zixin knocked on the door again and came in.

"Yu Dong, your wife is here again, she said she wants to report to you about her work." Xiao Zixin said, wanting to laugh a little in her heart.

This couple was so funny, she didn't know what to say.

Yu Sheng frowned, and asked what Yang Zihuan was doing again?

He thought for a while, and was still ready to see Yang Zihuan.

"You let her in." Yu Sheng said, then took out the clown mask and put it on.

He still doesn't want Yang Zihuan to know his identity.

Seeing Yu Sheng took out the clown mask and put it on again, Xiao Zixin suppressed her laughter, answered, and left the office.

Soon, Yang Zihuan opened the door and walked in.

Chapter: 165

Seeing that the chairman was still wearing a clown mask, Yang Zihuan was slightly disappointed.

She walked slowly to Yu Sheng's desk and said with a smile: "Chairman, I will report to you on the work during this period."

"Yeah." Yu Sheng nodded and motioned to Yang Zihuan.

"Chairman, during this period, no Yang family was involved in the company, and the company quickly resumed normal operations. I talked about three businesses.

One is the cooperation with Wu Group, with a project budget of over 30 million.

One cooperated with Hyatt, with a project budget of 40 million.

The last one is the cooperation with Xinli Film and Television Company. I took their star packaging project. The income that this project can bring to the company is unlimited."

Yang Zihuan looked at Dong Zhengchang flatly, and wanted to see if the face behind the mask was also smiling.

She believes that her three big orders are enough to win the trust of the chairman.

This is how she dare to meet the chairman today.

Yu Sheng was slightly startled, not thinking that Yang Zihuan would also cooperate with Xinli Film and Television, which was quite clever.

Xinli Film and Television is a wholly-owned subsidiary of Sihai Group. Yang Zihuan was able to talk about it, and it was probably Xia Jun who secretly helped.

If not for his understanding of Yang, that would not be a professional packaging team, and would not have any advantage over packaging stars.

"Well, you did a good job, I will honor my promise, and let the Legal Department transfer 10% of the shares to you today." Yu Sheng said.

"Chairman, you are so kind, thank you!"

Yang Zihuan became excited, and took the opportunity to grab Yu Sheng's arm, the deep gully exposed on his chest directly flooded his arms, and he looked overexcited.

Yu Sheng was startled, and then a hint of sarcasm appeared at the corner of his mouth.

This is his wife, and there is no divorce from him, she has already cheated on her spirits a long time ago.

Although the object of her derailment is another identity of her own.

But at this moment, in Yu Sheng's eyes, Yang Zihuan was as disgusting as he was.

"Chairman, will I invite you to dinner tonight? I'm really too excited. I must thank you very much." Yang Zihuan looked at Yu Sheng expectantly, and the two groups on his chest twisted deliberately.

Being seduced by my own wife, for the rest of my life not only has no interest, but also feels nauseous.

He opened his mouth and wanted to make Yang Zihuan roll.

But he was silent and changed his mind.

A sneer appeared at the corner of Yu Sheng's mouth, and said: "Okay, are we the two?"

"Yes, just the two of us." Yang Zihuan said with a wink.

"Okay, then you send me information tonight." Yu Sheng said without a trace, and took out his hand.

Yang Zihuan didn't doubt it had it, and asked with a smile: "Chairman, what's your phone number?"

Yu Sheng told Yang Zihuan his other number.

"Chairman, why don't we go have morning tea now?" Yang Zihuan asked suddenly.

"No, you go back first, see you later." Yu Sheng refused.

Yang Zihuan was a little disappointed, but he went out anyway.

Looking at the back of Yang Zihuan going out, Yu Sheng took off the mask and leaned on the chair, his face was ugly to the extreme.

He took out a cigarette and took a deep breath, only to feel disgusting.

At this moment, Xiao Zixin knocked on the door again and walked in.

"Yu Dong, Xu Qianqian has come to see you again." Xiao Zixin said.

Chapter: 166

Yu Sheng frowned and wanted to say no, Xiao Zixin said again: "She said she was discussing a cooperation project with the Hu family, and the Hu family deliberately made things difficult for her. She was a little afraid to talk, and wanted to ask your opinion."

"Hu's family?" Yu Sheng was startled and said: "Go and tell her, let her wait below, and I will let the driver accompany her."

It stands to reason that Hu Daokun is a classmate of their university, so he shouldn't embarrass Xu Qianqian. Does he want to play Xu Qianqian's idea?

"Okay." Xiao Zixin nodded and went out.

"The chairman asked you to go down, and he asked his driver to accompany you." Xiao Zixin came out and said to Xu Qianqian.

Xu Qianqian was a little disappointed, but turned around and went back.

She wanted to take the opportunity to thank the chairman. If it weren't for the chairman last night, she and Yang Zihuan didn't know what would happen.

After returning to his office and getting the information, Xu Qianqian went downstairs.

Soon, I saw that Yu Sheng had been waiting for her at the door while driving the r8.

Xu Qianqian walked over and got into the car, feeling a little contemptuous in her heart.

"I sent you WeChat last night, why didn't you go? Are you not afraid of your wife being defiled by others?" Xu Qianqian said contemptuously.

"I didn't see that when I saw WeChat, Yang Zihuan went back." Yu Sheng replied lightly, and started the car to the Hu's company.

Xu Qianqian shook her head, her eyes showing disdain.

Finding a man like Yu Sheng, Yang Zihuan is really good enough.

If the chairman suddenly passed by last night, the two of them...

Xu Qianqian didn't dare to think about it anymore, so she took out her headphones and put on them to listen to the song.

After listening for a while, she took off the earphones and said: "The chairman told you about it. You will accompany me up to talk to Hu Daokun for a while."

"The chairman said that, I am waiting for you below. Whenever I call or send a WeChat message, I will go up as soon as possible." Yu Sheng said.

He only killed Hu Daokun once that day. If he went up, it would be strange that Hu Daokun didn't go crazy.

Xu Qianqian frowned. She knew that Hu Daokun wanted to make her mind. Although they were college classmates, they had been in Qiancheng for a few periods of time. After a lot of things, she herself became more cautious.

"All right, but you must always pay attention to your mobile phone, don't see the information for a long time like last night, otherwise this girl will not end with you!" Xu Qianqian threatened.

"Don't worry, I am here, no one dares to move you." Yu Sheng smiled slightly.

Xu Qianqian wanted to say something more, so the car got downstairs from Hu's company.

For the rest of her life, she didn't really doubt it.

When it comes to fighting, she feels that if the chairman ranks first, this waste can rank second for the rest of his life.

After finishing the haircut, she picked up the files and got out of the car, then twisted Xiaoman's waist and walked towards the building.

Looking at Xu Qianqian's slender and sexy back, Yu Sheng reached out and touched his chin, a faint smile appeared in his eyes.

This chick is really in good shape.

Yu Sheng thought to himself, took out the cigarette, and waited for Xu Qianqian's message.

Xu Qianqian entered the building and soon saw Hu Daokun.

“Ah, Qianqian, you’re here, why don’t you call me in advance, so I can pick you up.” Seeing Xu Qianqian, Hu Daokun’s eyes suddenly showed light.

Xu Qianqian and Yang Zihuan, the two great goddesses in college, he was tempted.

It’s a pity that he hasn’t caught any of them.

Now looking at Xu Qianqian’s sexy and proud figure, Hu Daokun’s Dantian suddenly became a little bit ready to move.

He casually knocked the office door back and greeted Xu Qianqian.

Chapter: 167

Seeing Hu Daokun unexpectedly locked the door, Xu Qianqian suddenly felt a little cramped. This Hu Daokun really had no good intentions.

Xu Qianqian wrung his hands and sat on the sofa, looking at Hu Daokun.

Hu Daokun smiled slightly and said, “Qianqian, I think we have to talk about this cooperation, what do you think?”

Xu Qianqian nodded, with a smile on his face, and said, “Well, there are indeed many details that have not been discussed.

By the way, I talked with our leader. She said that in terms of benefit distribution, your Hu family still has to give up at least 5%. This is a prerequisite for continuing the talks. ”

“Five percent profit.”

Hu Daokun groaned and laughed: “If we make too much profit, we will lose too much, Qianqian, you see we are all old classmates, or else you and your leaders will talk about it, we can only make 2%. .”

Xu Qianqian spread his hands apologetically, and said: “Then I have no idea. This is what the leader meant. Although our company really looks at your materials, you should also be aware that there are more companies vying to cooperate with us. very.”

“Well, it’s not the first time we have cooperated.

Hu Daokun smiled bitterly and said, “Now let’s talk about the details.”

Seeing that Hu Daokun had any extra thoughts, Xu Qianqian was also relieved, and took out the information and talked seriously with Hu Daokun.

The two of them dashed and dotted on the paper, and they talked in a trance.

At this moment, Hu Daokun got up to pour water. He turned around to see Xu Qianqian immersed in writing and painting, and a wicked light flashed in his eyes.

He quickly took out a white pill and put it in the water glass, and with a slight shake, the pill immediately melted.

Holding two glasses of water, Hu Daokun handed Xu Qianqian the cup with the pills, and said softly, "Qianqian, drink a glass of water first."

Xu Qianqian didn't doubt that he had it, and without raising his head, he took a sip from the cup and continued.

While she was writing and painting, she talked about the details with Hu Daokun.

Seeing Xu Qianqian taking a sip, Hu Daokun was happy, his eyes were full of greed.

Xu Qianqian is so beautiful.

The beauty made Hu Daokun a little breathless.

In recent years, for the purpose of family marriage, Hu Daokun married a yellow-faced woman, who was ugly and dry. Compared with the naturally beautiful Xu Qianqian, it was simply unsightly, a hundred thousand miles away.

This is why he wanted to play Xu Qianqian's idea.

Xu Qianqian's appearance is very beautiful in nature, and it is beyond challenge.

The body is even more irritating, and it is completely the best in the world.

Hu Daokun had already reacted at this time.

Thinking about it this way, Hu Daokun felt like ants were crawling in his heart.

He felt that for so many years, he had no chance to cheat. At a young age, he was dragged by a yellow-faced mother-in-law to pay public food every day, and he felt that he was about to be impotent.

Today, he will break the shackles of this fate!

Yes, if he gets Xu Qianqian people, and then raw rice and cook mature rice, will he still be afraid that Xu Qianqian will not follow him?

Only by climbing to the Xu family is his chance to kick Huang Lian Po away!

"Qianqian, don't worry, drink saliva first, let's sort it out and talk slowly." Hu Daokun urged without a trace.

After saying so much, Xu Qianqian did have a dry mouth, and took two more sips after holding up the cup.

"Mr. Hu, take a look, if there is a problem, just sign it." Xu Qianqian put down the pen and handed the paper she had just drawn to Hu Daokun.

"Okay." Hu Daokun nodded, then took it and pretended to look at it.

He stared at the paper, but he was counting down the time in his heart, waiting for Xu Qianqian's medicinal power to strike.

Xu Qianqian didn't bother Hu Daokun, and took his last sip of water.

After another half a minute, Xu Qianqian suddenly realized that his body was a little hot.

Chapter: 168

She glanced at Hu Daokun, and when she saw Hu Daokun peeping at her from time to time, she suddenly screamed in her heart.

Xu Qianqian pretended that there was nothing wrong, but hurriedly took out his mobile phone and sent a message to Yu Sheng.

But as soon as her information was sent out, she realized that her body was too hot, and her face was even hotter...

Seeing Xu Qianqian's strangeness, Hu Daokun was overjoyed, and his whole body was agitated.

He stared at Xu Qianqian with fiery eyes, watching her slender and straight legs, slender waist, perfect figure, pretty face...

This woman is now covered in aphrodisiac that provokes people to commit crimes all over her body.

Xu Qianqian couldn't help groaning softly, she was extremely frightened in her heart.

She knew that she had been given aphrodisiac by Hu Daokun, and it would be of no use even if the rest of her life came up, unless the rest of her life could send her to the hospital in time.

But she often reads novels, and sees that there are many powerful aphrodisiac hospitals in the novels that there are no solutions. Only the sex of men and women can eliminate the effects of the drugs.

She only hopes that the aphrodisiac that Hu Daokun gave her will not be so perverted.

"Qianqian, what's the matter with you?" Hu Daokun pretended to be concerned to help Xu Qianqian.

"Don't touch me!" Xu Qianqian stepped back hurriedly, staggering, almost falling down.

At this moment, when she smelled the hormones on the man's body, she couldn't control the irritability of her body.

Her eyes were blurred, and she hurried to the direction of the door.

But he fell into Hu Daokun's arms at once.

Xu Qianqian's mind was shocked, and she was temporarily sober, trying to push Hu Daokun away, but was suddenly hugged by Hu Daokun.

"Qianqian, do you know, you are so beautiful, since I was in college, I have always regarded you as my goddess, but you never gave me a chance..."

He hugged Xu Qianqian and walked on the sofa.

"Hu Daokun, you, if you dare to move me, you will definitely send your Hu family to hell!" Xu Qianqian threatened with a trembling voice.

But seeing Hu Daokun not only not afraid, but also pressing himself on the sofa, Xu Qianqian's mind suddenly collapsed.

Two lines of clear tears flowed out of her pupils unwillingly, and her heart hated to the extreme.

Seeing Xu Qianqian not only powerless to resist, but the whole body writhing underneath him, Hu Daokun knew that Huohou was almost over.

He couldn't wait to take off his shirt and started to pull Xu Qianqian's coat.

At this moment, the door of the room was suddenly kicked open by a few big men, and an ugly woman rushed in aggressively.

"Hu Daokun, how dare you make a woman with your old mother behind?" The ugly woman just kicked up and kicked Hu Daokun directly.

Seeing the woman clearly, Hu Daokun was shocked and dumbfounded.

Chapter: 169

Why did you find this yellow-faced woman?

Hu Daokun's face changed drastically, and he knew that almost all the people around him were bought by his wife.

His every move is basically in the hands of his wife.

When his wife learned that Xu Qianqian was a beautiful woman, she came to sign the contract, and her heart was suddenly alert, not thinking that she would really be arrested.

Hu Daokun's wife was Chen Xiaomei, the eldest lady of the Chen family. She became an ugly woman only because she had a serious illness when she was a child and her face was disfigured.

However, the Chen family was very powerful in Qiancheng, and the Hu family married Chen Xiaomei. With the help of the Chen family, she gradually got up.

Speaking of which, Chen Daokun is also very courageous.

For the family, he sacrificed his own happiness cruelly and resolutely married the ugly woman Chen Xiaomei.

It just made him a little surprised that Chen Xiaomei was stronger than he thought.

Especially with the backing of the Chen family, there is no one from the Hu family in the eyes.

"Wife, wife, listen to my explanation, it's her, this bitch seduce me!" Hu Daokun panicked when he saw his wife coming, and hurriedly explained.

Xu Qianqian on the sofa almost vomited blood. Hu Daokun, this man, is so damn shameless.

Chen Xiaomei saw that Xu Qianqian was also disheveled and her face was ruddy. She immediately believed a little bit, and said coldly: "Tie me these two dog men and women. My mother must make them look good today!"

Soon, a few bodyguards strongly tied Hu Daokun and Xu Qianqian together.

Chen Xiaomei stepped forward and slapped Hu Daokun's face with a slap in the face, and said angrily: "You bastard, our Chen family treats you very well, you are thinking of putting a hat on your old lady, are you facing your conscience?"

Chen Xiaomei cursed while beating, "If it weren't for our Chen family to give you a chance, your Hu family would have been bankrupt. Your father and son would have gone to jail and squatted up. You dared to betray your old mother and see if your old mother wouldn't kill you today. !"

Chen Xiaomei became more and more angry, so she asked her bodyguard to find her a leather whip, slapped the whip on Hu Daokun's face, and immediately drew a blood mark on Hu Daokun's face.

"Wife, I really don't blame me, they are all those bitch women. In order to make us more profitable, she desperately seduce me!"

Hu Daokun shivered, looking at Chen Xiaomei, just like looking at a cannibal tigress.

"Really?" Chen Xiaomei wondered.

"Really, she said let us make another 5% profit. I disagree. She tried her best to seduce me. If you don't believe it, look at the contract she just filled out on the table!" Hu Daokun hurriedly nodded.

"Little bitch, I dare to seduce my husband and see if my old lady doesn't suck your broken face!" Chen Xiaomei immediately believed, turned to look at Xu Qianqian, and drew a whip to Xu Qianqian's pretty face.

She is so ugly that she is born to be jealous of good-looking women.

Xu Qianqian not only looks beautiful, but also seduce her husband. Of course, she will not let Xu Qianqian go.

Xu Qianqian let out a frightening scream, the effects of the aphrodisiac in his body seemed to be temporarily ineffective, and his eyes were extremely scared.

Just when she thought she was going to be beaten miserably, suddenly, a hand seemed to drop from the sky, and she grabbed the whip that was about to be drawn on her face.

Chapter: 170

"Who are you?" Chen Xiaomei stared at Yu Sheng angrily, trying to pull the whip out, but she didn't move.

"Yu Sheng!" Hu Daokun's expression changed when he saw Yu Sheng.

The last time he was in Li Kai's restaurant, he was forcibly fed a lot of pastries by Yu Sheng, so he went directly to the hospital for a stomach lavage to get better.

Until now, as soon as he saw the cakes, he couldn't help feeling nauseous.

Unexpectedly, he would come again for the rest of his life today.

“Wife, he is the door-to-door son-in-law of the Yang family, he is just a trash, he must have seduce me with this bitch!” Hu Daokun flashed a cruel look in his eyes, planning to borrow his wife’s hand to give a vicious lesson for the rest of his life.

For the rest of his life, he can play very well.

But the bodyguards around his wife are super mercenaries hired by the Chen family from the battlefield in the Middle East for the rest of their lives. They are definitely not their opponents for the rest of their lives.

“Hmph, a waste who eats soft food, dare to catch my whip, are you going to die?” Chen Xiaomei dismissed.

“You’re the one looking for death, right?”

Yu Sheng pulled out a sneer at the corner of his mouth, and said, “I dare to tie my company’s executives and tortured her, who gave you the courage? Ah?” Remember for a second http://

The last word of Yu Sheng was roared, and Chen Xiaomei trembled in shock, and slumped on the floor.

“court death!”

Upon seeing this, the bodyguards rushed over, and they were about to spend the rest of their lives.

Yu Sheng’s eyes flashed a bit of cruelty, and he waved the whip in his hand.

Snapped! Snapped! Snapped!

The bodyguards were still not close, so they were knocked down by a whip.

Every whip drawn for the rest of his life contained a lot of internal energy.

Every time the whip goes down, it is heavy, and it directly breaks the skin of the other party.

These so-called high-priced mercenary bodyguards from the Middle East were even more unbearable with a whip, so they were directly stunned.

“You, who are you? Dare to take care of my Chen Xiaomei’s business, believe it or not, I will let my dad make your company go bankrupt!” Chen Xiaomei saw that Yu Sheng was too strong, so she threatened.

“What are you talking about? Are you going to bankrupt our company?” Yu Sheng smiled. In Qiancheng, he still didn’t know which family could bankrupt his Sihai Group.

Xu Qianqian was also funny in her heart.

This Huang Lian Po was too ignorant, she didn’t even know that she was a member of the Four Seas Group.

Hu Daokun’s expression changed. Just as he was about to remind Chen Xiaomei Yusheng and Xu Qianqian’s company, she heard Chen Xiaomei proudly say: “My father is Chen Guangxing, the head of the Chen family. Our Chen family has a century-old family, a big family, and even black and white. Take it all, what are you, dare to laugh at my old lady?”

“Is the Chen family very strong?” Yu Sheng said amusedly.

“What do you say? If I were you, I would kneel down and apologize to me now. If I calm the anger in my heart, maybe I will let you go. Otherwise, both of you will go to jail, and your company will have to go bankrupt, God can’t save you!” Chen Xiaomei immediately became confident when he talked about her back family.

She got up from the ground and pointed at Yu Sheng proudly. If Yu Sheng didn’t apologize to her, she would call her father.

At this moment, Yu Sheng untied the rope from Xu Qianqian’s body and looked at Chen Xiaomei: “Although the ignorant is not guilty, you are too arrogant. If you don’t give you a little punishment, the Four Seas Group is not worthy to dominate in Qiancheng. .”

As he said, he took out the phone and called Xia Jun: “Use all your strength to make the Hu family bankrupt within today. If the Chen family dares to intervene, then notify me.”

As he said, he hung up the phone and went out with Xu Qianqian.

“You stop for my old mother and dare to threaten my old mother. My old mother will let you die without a place to be buried!” Chen Xiaomei said fiercely.

“enough!”

At this moment, Hu Daokun suddenly shouted: “Do you know which company they belong to?”

Chen Xiaomei was startled, but Hu Daokun yelled at her for the first time, and couldn’t help asking, “Which company?”

“The Four Seas Group!

The Four Seas Group that your Chen family dare not provoke!” Hu Daokun roared.

What?

Those two are actually from the Four Seas Group?

Chen Xiaomei staggered and her face was quite ugly.
