

Dont mess 181

## Chapter: 181

"What are you doing?" The security guard bit the bullet and stepped forward, but was stunned by the shot.

Seeing the other party is not joking, everyone is scared.

"I'll squat all over for Lao Tzu and take out all the mobile wallets. If anyone dared to call the police, Lao Tzu shot him!" A big man swept across the crowd with stern eyes, and the muzzle of Hei'ao made everyone tremble.

Several other big guys walked to the counter and yelled at the staff who had already scared to pee: "Prepare the money for me and throw it out!"

The staff shivered, nodded hurriedly, picked up the bag and filled it with money.

Xu Qianqian was a little frightened, for fear that these robbers caught fire.

She hid behind Yu Sheng, holding Yu Sheng's clothes with both hands, Yu Sheng could feel the fear in her heart.

But Xia Feixue next to Yu Sheng was angry.

As a criminal police officer, of course, these robbers cannot be tolerated.

But there were a lot of people on the other side, at least seven or eight, and several of them had guns in their hands. She didn't dare to be impulsive, so she obediently took out the phone and put it on the floor on her body.

"These people are really social worms. Sooner or later they will be Fa-rectified!" Xia Feixue gritted his teeth.

"Do you want to go up and rob them?" Yu Sheng heard the words and laughed in a low voice.

"Are you crazy, they all have guns in their hands!" Xia Feixue was startled, thinking that he would do something stupid for the rest of his life.

As everyone knows, Yu Sheng is afraid that she wants to be a hero and reminds her.

Seeing Xia Feixue didn't dare to mess around, Yu Sheng was also relieved.

You know that seven or eight people on the other side have guns in their hands. He has a certain degree of confidence to protect himself, but what about Xu Qianqian behind him?

Where are the innocent people around?

Who protects them?

Seeing everyone honestly took out their mobile phones, the man was very satisfied. He walked a few steps forward, his gaze fell on Xia Feixue's face, his eyes lit up suddenly.

He waved to Xia Feixue and smiled evilly: "You, come here."

Isn't it a pity to let such a delicate and sexy chick let it go?

I have to enjoy it tonight.

Xia Feixue was shocked, and everyone else looked at her.

But everyone sees only sympathy and regret, but no one dares to fart.

Xia Feixue glanced at Yu Sheng and whispered: "Don't mess around!"

Then he got up and raised his hand and walked over.

The big man was very satisfied with Xia Feixue's cooperation, his eyes suddenly saw most of Yu Sheng's beautiful legs exposed behind him, and his muzzle pointed at Yu Sheng.

"You, get out of the way." The big man pointed his gun to the side.

Yu Sheng spread his hands, and had to move to the original Xia Feixue's position.

As soon as he stepped aside, Xu Qianqian was exposed to everyone.

The moment he saw Xu Qianqian, the big man's eyes suddenly brightened, and this little girl was also very punctual. Damn, some of them were refreshed tonight.

"Little girl, come here too." The big man beckoned to Xu Qianqian with an evil expression on his face.

"Ah!" Xu Qianqian was pointed at by the gun, and she was extremely scared in her heart. She subconsciously seized the rest of her life and wanted the rest of her life to protect her.

But seeing Yu Sheng unmoved, she was suddenly disappointed to the extreme.

This man, how could he be so useless, he was pregnant with his child in his stomach, he didn't care at all?

Seeing that Yu Sheng was unmoved, Xu Qianqian had to stand up trembling and walk over.

When Xu Tingting and Wu Xiyao saw that Yu Sheng didn't even save their wife, their eyes showed contempt.

But thinking that the robbers were carrying live ammunition, they were relieved again.

Under this circumstance, whoever comes first will die.

The rest of his life was unmoved because he felt that it was not the best time for him to take action.

He wants to save everyone, but he is not a fool.

With so many guns, even if he could dodge the bullet, it would be counterproductive if he injured other people on his impulse.

At this moment, the guy standing by the counter shouted angrily: "I'm damn your mother, you're looking for death!"

It turned out that a female staff member at the counter wanted to press the alarm to call the police.

But seeing the muzzle of the black faint in front of him, he was suddenly scared to pee.

### **Chapter: 182**

“I’m wrong! I’m wrong! Don’t kill me... please don’t kill me!” In the great panic, the female clerk spoke uncomfortably.

“Mom is forced, dare to call the police, you are looking for death!”

The big man snorted coldly, with a cruel touch at the corner of his mouth, and his fingers clasped the trigger.

The whole bank was silent, everyone held their breath, only the sound of the female employee’s teeth trembling.

The big man said that as soon as he raised the muzzle, he immediately pointed it at the head of the female employee.

At this moment, everyone thought that the female staff was dead, and closed their eyes one after another.

These robbers are desperadoes at first sight, how can they call a life?

A few courageous people fainted, only the female staff members knelt on the ground and kept begging for mercy.

But a cruel flash flashed in Han’s eyes, and the fingers on the trigger were slowly squeezed.

“stop!”

At this moment, Xia Feixue, who was closest to Dahan, yelled and jumped up, and his whole body quickly slammed into Zaihan.

clatter!

As soon as the big man pulled the motive, Xia Fei knocked the opponent away.

As soon as the muzzle was lifted, the bullet hit the ceiling.

At the same time, the big man was not lightly hit by Xia Feixue, his waist hit the counter, and he fell down at once.

When the guardian saw this, he turned around and shot Xia Feixue.

Xia Feixue was shocked, thinking that she was going to be shot.

But at this moment, the rest of his life finally moved.

He turned into an afterimage, and rushed out from beside Xu Qianqian.

Just as the big man was about to pull the trigger, Yu Sheng grabbed his wrist and violently lifted it up, hitting the ceiling with three bullets in a row.

Then, Yu Sheng broke it forcefully and directly broke the big man’s right arm.

The big man lay on the ground and rolled in pain.

“Damn, looking for death!” Several other people shot at Yu Sheng one after another.

But their speed was not as fast as the rest of their lives. When their guns were still not being raised, the rest of their lives had already pulled the trigger several times in a row.

His marksmanship is not very accurate.

But he knows that this ak47 is a strafing type, just shoot at a few robbers indiscriminately.

Sure enough, under his random shooting, five or six big men were shot and fell down.

But at this moment, the big man who was knocked down by Xia Feixue pulled the trigger at Yu Sheng.

The rest of his life will be out of the way immediately.

But Yu Guang suddenly saw Xu Qianqian who had been frightened behind him. If he avoided him, Xu Qianqian would definitely be shot.

If he doesn't escape, he will be shot.

“Be careful!” Xia Feixue was shocked, and loudly reminded Yu Sheng.

She believed that with the strength of the rest of her life, she would definitely be able to avoid it.

Xu Qianqian's heart trembled. At this moment, when Yu Sheng just turned sideways, she also saw a bullet shooting her at the positive point.

Her brain is in chaos, and there is only one thought in her heart, I'm dead!

### **Chapter: 183**

Huh!

Just when Xu Qianqian thought that he was dead, he saw that Yu Sheng's body that had already avoided it turned back again, and the bullet that came at an extremely fast speed hit his shoulder at that moment.

With a loud snoring, Yu Sheng's body subconsciously paused, and a puff of blood rushed out.

He was shot.

At this zero and one second, he chose to block the bullet for Xu Qianqian.

Everyone was stunned.

He, he actually chose to block bullets for his women, isn't he afraid of death?

This is the real man!

Xu Qianqian was also dumbfounded, shocked inexplicably.

She never thought that in a critical moment, she would block bullets for the rest of her life!

What gives him courage!

The pain came, Yu Sheng grinned, and couldn't help taking a breath.

Ak's power is strong, even if he is already a warrior who is close to the master, and he is shot, he can't stand the destructive power of this abnormality.

At this time, Xia Feixue took the opportunity to directly subdue the big man.

At this point, all the robbers have fallen, and no one knows it.

Yu Sheng also breathed a sigh of relief, pulled off the t-shirt, and bandaged himself.

Everyone looked at Yu Sheng and Xia Feixue with admiration and gratitude in their eyes.

Especially the female staff member came out and knelt down to thank Xia Feixue.

"Get up quickly, I am a policeman. These are what I should do. If you really want to thank him, please thank him, or we will all die today." Xia Feixue pointed to Yu Sheng and said.

It turns out that this big beauty is a policeman!

No wonder he is so bold and courageous.

Everyone nodded.

The female clerk came to Yu Sheng again and knelt down to thank her.

"Don't do this, I just want to protect myself." Yu Sheng said modestly.

"Thank you great benefactor, if it weren't for you and the police sister, I would be dead today, and you gave me my life!" She knelt down and kowtow directly, regardless of the rest of her life.

I was bandaging the wound for the rest of my life, and my arm was suffering terribly, so I didn't bother to care about her.

Kneeling three times, the female clerk stood up and had to go to the police again.

At this moment, a police sirens came from the door of the bank.

It turned out that someone outside found that something was wrong and called the police, who had already rushed over.

The police rushed in with real guns and ammunition and found that all eight robbers had fallen in a pool of blood, and one eye couldn't help showing shock.

Seeing a few people standing in the field, one of them was still shot, they subconsciously pointed their guns at the rest of their lives.

"He's not a robber!" Xu Qianqian, who had been in a daze, reacted and stopped in front of Yu Sheng.

She didn't know why she would stop Yu Sheng in front of Yu Sheng to help Yu Sheng speak, is it because he just blocked the bullet for himself?

"He is today's hero, hurry up and take him to the hospital." Xia Feixue stepped forward and said.

“Captain Xia.”

“Captain Xia.”

The policemen greeted Xia Feixue one after another, and all the guns pointed at Yu Sheng were put away.

“Well, if it weren’t for this hero today, all of us would die here. You split up and take all these robbers away, and then send someone to the hospital.” Xia Feixue ordered.

#### **Chapter: 184**

She had a rest today, just to get some money, and she was going to go out to play, but unexpectedly encountered this kind of thing.

But when she met Yu Sheng and was saved by Yu Sheng again, she was too emotional.

This injury, I originally wanted to deal with it myself for the rest of my life.

But the police wanted him to go back and record a confession, so he had to follow the police to the hospital.

When she arrived at the hospital, Xu Qianqian stayed with Yu Sheng, but she didn’t speak.

When taking bullets for Yu Sheng, when the nurse came with an anesthetic needle, Yu Sheng waved his hand and said, “You don’t need to use anesthetics.”

Anesthetics have a great impact on the nerve center, and the power of martial arts requires very high nerve responses.

“This, it hurts.” The nurse said in surprise.

“Come on, nothing wrong.” Yu Sheng smiled faintly, and he could bear the pain.

There was a painful expression in the nurses’ eyes, but since Yu Sheng asked so, they had to bite the bullet and take bullets for the rest of life.

The bullet was a bit deep, and even the nurses felt pain when the pliers were inserted.

Xu Qianqian turned his head away and dared not look at it. Yu Guang grinned his teeth in pain when he saw Yu Sheng, and he felt a little disdain: He deserved it for telling you to be a hero and not to take narcotics!

I have to say that these nurses are still very dexterous, and took out the bullets for the rest of their lives in a few minutes.

Then he quickly stopped the bleeding, sutured the wound quickly, and bandaged it up.

After everything was busy, Xia Feixue brought a few police officers to the ward.

Looking at Yu Sheng’s bandaged shoulders, Xia Feixue smiled and said, “Now, you can always tell me your name.”

Yu Sheng smiled faintly and said: “For the rest of my life, I don’t want to see you for the rest of my life.”

Xia Feixue was startled, Yu Sheng smiled and said, "Because every time I see you, there is always nothing good."

"Puff, it's your own luck."

Xia Feixue was amused, and then realized that he was in the office, coughed lightly, and said, "Just take your ID to come out and have a look."

For the rest of his life, he had to take out his ID card and hand it to Xia Feixue.

"You're from a foreign city, I'm pretty silly to hear your Qiancheng dialect. I thought you were our Qiancheng native." Xia Feixue smiled.

"It's okay, I've been in Qiancheng for almost ten years." Yu Sheng smiled.

"Well, if you leave your phone or WeChat, nothing will happen to you." Xia Feixue returned his ID card to Yu Sheng.

For the rest of his life, he had to give Xia Feixue his cell phone number.

"You have a good rest, thank you for today." Xia Feixue said and took the police officer to go out.

"By the way, police officer, are some of the robbers killed?" Xu Qianqian suddenly looked at Xia Feixue and asked.

Before, she saw that the six robbers were all shot and lying down by Yu Sheng. If they were all dead, would Yu Sheng be guilty?

"Those robbers are quite dead, and none of them are dead, but with their crimes and the wounds healed, they can't escape." Xia Feixue said, and went out.

Xu Qianqian secretly breathed a sigh of relief.

She didn't know why she had to worry about the rest of her life.

"Sorry, I also said to accompany you to check today..." After the person walked, Yu Sheng looked at Xu Qianqian and apologized.

"It's nothing, I'll check it myself, so take care of your injury, I'm leaving." Xu Qianqian said and went out.

Yu Sheng raised his eyebrows, his arm wound was indeed still aching, and he didn't chase it out.

He lay down on the hospital bed for a while, and Yang Zihuan came to see him.

For the rest of his life, he was a little surprised, watching Yang Zihuan speechless for a while.

## **Chapter: 185**

"Is the injury serious?" Yang Zihuan asked after the two looked at each other for a while.

After all, she felt a little distressed in her heart.

"It's okay, no problem." Yu Sheng smiled faintly, not serious.

"Are Xu Qianqian not going to tell me if you don't call me?" Yang Zihuan stared at Yu Sheng's eyes.

"It's just a small injury, which makes it impossible for you to skip work. Moreover, the chairman has just given you 10% of the shares. You should work harder and make more money, and the chairman will be happy." Yu Sheng casually said.

He meant that the speaker had no intention, but Yang Zihuan's face changed slightly.

She suddenly felt that for the rest of her life, there was something in the words.

"What do you mean?" Yang Zihuan's face sank, staring at Yu Sheng angrily.

"What?"

Yu Sheng reacted, and smiled bitterly: "What do I mean, I mean, this kind of opportunity is rare, you have to take it well, where did you think of it?"

He did not mean to mock Yang Zihuan.

"Humph." Yang Zihuan snorted coldly and turned off the topic.

"Before you want to be a hero in the future, can you think about your son first? It's refreshing for you to be a hero for a while, I'm afraid one day your son suddenly won't have a father!"

"I know, I don't know what I'm sure about." Yu Sheng raised his eyebrows.

"Then you are so sure, why are you injured?"

Yang Zihuan sarcastically said: "What if this bullet is not on your shoulder, but on your head or heart? Are you sure?"

Yu Sheng shrugged, not wanting to talk about this topic with Yang Zihuan.

"You will pick up your son in a while." Yu Sheng interrupted the conversation.

"I know, you don't need to remind you." Yang Zihuan snorted coldly.

Yu Sheng curled his lips, speechless.

"Have you eaten? Do you want me to order you a takeaway?" Yang Zihuan asked.

"No, you don't care about me, I don't want to eat." Yu Sheng shook his head.

"Whatever you want." Yang Zihuan snorted and left the hospital.

I slept until 5:30 in the afternoon, and I was discharged from the hospital for the rest of my life.

This injury is not a problem for him. Going back and regaining his luck, he will be intact in a few days.

...

After several days of training, Yu Sheng got some Chinese medicine to recover, and the gunshot wound on his shoulder was almost healed.

Originally, Yang Zihuan was going to the company for the rest of her life today. Yang Zihuan told him that today was the wedding day of her cousin Yang Yinzhu and Hu Hai. She was going to discuss business by herself and let the rest of her life buy some gifts.

“You rubbish, why did you come here?” Young brother-in-law Yang Ling couldn’t help but scolded when he saw Yu Sheng walk into the lobby unhurriedly.

Yu Sheng frowned, but he didn’t care about Yang Ling and passed the gift box in his hand to Gao Qing.

Gao Qing grabbed the box very uncomfortably and said angrily: “It’s been all day long, can you be a little motivated!”

Yu Sheng shrugged. He has nothing to say about Gao Qing when she doesn’t exist anymore.

Gao Qing turned his eyes to the crumpled t-shirt for the rest of his life, and couldn’t help but angrily said: “Are you stupid, don’t look at what day it is, you are like this, you want to lose the face of our family. ?”

“Okay, don’t talk about him, younger brother and sister. Who doesn’t know that your door-to-door son-in-law is notoriously useless, and no one will care about him.”

At this moment, a middle-aged woman Yixie came over. It was Yang Yinzhu’s mother Lu Ping.

When she spoke, she thought she was going to speak for the rest of her life, but she didn’t realize that the next sentence was her purpose.

Even satires are so innovative now.

When Gao Qing heard this, she was extremely disappointed in Yu Sheng.

## **Chapter: 186**

Lu Ping gave Yu Sheng a scornful look, and went to the door to greet the guests.

“Ah, it’s Xiaolian, Xiaolian, you’re really getting more and more beautiful, don’t be polite, don’t be polite, just come and sit down.”

“Uncle Si, you are here too, oh, what gift to give, come, sit inside, sit inside.”

“No, no, you have too much money, we can’t afford it in the future.”

Lu Ping’s family is greeting the guests enthusiastically, watching the gifts from the guests are more valuable than each, and they are polite, but they are happy in their hearts.

“What kind of gift is this you bought?” Gao Qing asked with a frown when she glanced at the gift box in her hand.

“Watch, the one with more than one hundred dollars.” Yu Sheng said.

“Are you stupid, Yinzhu, you are a cousin. On the day of her engagement, you only gave a watch worth more than 100 yuan?” Gao Qing became angry when she heard it, and raised the gift box to throw it at Yu Sheng.

“I’m going to talk about it first, you can buy it yourself if it breaks.” Yu Sheng sneered when he saw it.

Gao Qing didn’t have the time when she saw it, so how could she go to buy gifts? The gift box that was about to be smashed out was taken back abruptly, and her heart was annoyed.

“It’s really not enough, and it’s more than a failure. You can buy a watch for more than 100 yuan, and you can get it. I don’t know what my sister thinks. Do you still leave you as a waste for the New Year?” Yang Ling shook it disdainfully. Shook his head.

Recently, Yang Zihuan arranged a good job for him, which made him a little arrogant, and he did not put the rest of his life in his eyes.

“What is Pipi? If you want to give an expensive gift, why don’t you buy it yourself?” Yu Sheng looked at Yang Ling coldly, Yang Ling’s courage was getting fatter and fatter.

Hearing Yu Sheng’s words, Yang Ling didn’t feel awkward anymore, Gao Qing snorted coldly, and had to cheekily give the present.

“Sister-in-law, this is something from our family...” Gao Qing sent the gift box with a shy face.

“Oh, what kind of gift did Aunt Gao give? This box is pretty exquisite.” Yang Jian, who was next to him, said with a playful smile.

“Well, I bought it for the rest of my life, and I don’t know what it is,” Gao Qing said in a chattering way.

“I’ll take a look.” Yang Yinzhu took the box and tore it open in public.

“Standing table!”

Everyone was a little dumbfounded. Yang Yinzhu even smashed his watch on the ground and said angrily: “Aunt Gao, today is my big day. What do you mean by giving me this bad watch? What do you want to metaphor?”

Everyone also reacted immediately, and all of them were gloating.

The table is through’bitch’.

Gao Qing, is this a metaphor that Yang Yinzhu is a bitch?

Lu Ping and others were also angry at once, glaring at Gao Qing one after another.

After Yang Zihuan took control of the family business, everyone in the Yang family was very upset with the Yang Zihuan family.

Now that Gao Qing came back like this again, he immediately ignited the anger of Yang Jian’s family.

“Aunt Gao, my sister didn’t offend your family, are you so excessive?” Yang Jian also pointed at Gao Qing’s nose and yelled.

“It’s not me, this watch was bought by the rest of my life, I don’t even know!” Gao Qing hurriedly dismissed the relationship.

Even if their family is gaining power now, she is not good to offend Yang Jian’s family.

After hearing this, everyone looked at Yu Sheng, especially Yang Jian’s family, and the anger in their eyes almost dazzled.

**Chapter: 187**

“Trash, what do you mean? Are you fucking looking for death!” Yang Jian snorted, going forward to fight for the rest of his life.

Yu Sheng clasped Yang Jian’s wrist, and Yang Jian flicked desperately, but couldn’t get it out.

“What’s your logic? I gave Yang Yinzhu an ordinary watch to imply that she is a bitch?”

Then Hu Hai gave her a famous watch, is it a metaphor that she is a super bitch? “Yu Sheng said sarcastically.

There is no one in this family.

The reason why I bought a stall watch was because Yu Sheng didn’t want to give a gift, but Yang Zihuan asked him to send it. He happened to drive by and bought one by the way.

In terms of actual value, this watch is not worth thirty yuan. The reason why it is one hundred is that Yu Sheng has no counter-offer at all. When the owner of the stall sees the luxury car he drives, he calls it casually.

If he bargained, it would cost him twenty or thirty yuan.

“Can you compare with Hu Hai? You don’t look at what kind of rubbish you sent, and you are embarrassed to know it!”

Yang Yinzhu looked at Yu Sheng with disdain, and raised the hand watch on his wrist: “More than fifty thousand, can you afford it? You, take your crappy stuff and fuck off!”

All the guests were envious when they saw the famous watch in Yang Yinzhu’s hands.

The Hu family in Qiancheng is much stronger than the Yang family. If Yang Yinzhu married into the Hu family, it is considered to be married to a wealthy family.

Looking at Yu Sheng, who is also the son-in-law of the Yang family, it is simply not comparable.

One is the second young master of the Hu family, and the other is the son-in-law of the Yang family, who eats soft food.

“Coax what? What is the system!”

At this moment, the old lady Yang walked out and asked with a frown.

“grandmother!”

“mom!”

“Old Madam!”

Everyone came forward to say hello.

“Today is Yinzhu’s big day, is there something to coax you? Is it a joke?” the old lady taugt.

“Grandma, it’s like this. Today is my sister’s big day. Everyone was happy at first, but for the rest of his life, he implied that Yinzhu is a bitch. Isn’t it a shame to our Yang family?” Yang Jian Explained uncomfortably.

The old lady frowned, her eyes visibly angry.

“Grandma, I suggest blasting their family out, they are really ashamed!” Yang Yinzhu said.

“Well, let’s go out.” The old lady looked at Yang Yinzhu, and agreed without thinking about it.

Among the many descendants, Yang Yinzhu is now married into a wealthy family, and it can be regarded as supporting the Yang family for them.

Besides, the Yang family now only holds 39% of the shares of the Yang family. The Yang family is no longer owned by the Yang family. They have always wanted to sell the 39% of the shares, and then think about stoves.

If you start a new stove, you will need the support of a wealthy family like the Hu family.

So of course the old lady has to hold some Yang Yinzhu.

Gao Qing almost vomited blood when she heard the old lady’s words.

What a shame!

She looked at the indifferent rest of her life, and hated not to kick the rest of her life away.

If it were not for the rest of her life, she would not lose such a big face!

“Trash, go back in a while and see how I can accommodate you!” Gao Qing pointed at Yu Sheng’s nose, grunted, and waved his hand before going out.

At this moment, only two police officers came in.

Everyone was startled, they didn’t even know what happened.

Especially everyone in the Yang family felt faintly disturbed.

Although they didn’t commit anything, today is Yang Yinzhu’s happy day.

What’s the matter with the police coming home?

Let others guess!

“Is Yu Sheng alive?” When everyone was at a loss, a police officer asked.

### **Chapter: 188**

“He is Yu Sheng!” Yang Jian was relieved when he heard the words and pointed at Yu Sheng.

As long as it is not troublesome for their house.

The last time he had pitted Xu Qianqian, he was always in fear, fearing that Xu Qianqian would make trouble for him someday.

“You are Yu Sheng?” The policeman looked at Yu Sheng and asked.

“Well, I am.” Yu Sheng nodded lightly.

“That’s good, let’s go, and lie down with us.” Without a word, the two of them took the rest of their lives out.

Seeing Yu Sheng being taken away, everyone was relieved.

“Aunt Gao, you, the door-to-door son-in-law, have done something illegal outside, right?” Yang Jian looked at Gao Qing and laughed.

“I saw a news story two days ago. It was said that a woman came home from get off work at night and was followed by a mysterious man, and then she was robbed of money. In the end she was sexually assaulted. Will that mysterious man be the waste of the rest of her life? Oh.” said a Yang family’s child.

“It must be, or why would the police take him away.”

“Yeah, he is just a waste who eats soft food. If he didn’t commit such a big thing, how could he be caught.” Remember for a second <http://>

“Oh, that guy looks quite honest, he can’t tell if he even did such an inferior thing.”

Everyone said something to me. Although there was no mention of the Yang family, at this moment, the Yang family only felt that the rest of their lives had lost their faces to grandma’s house.

“Grandma, Yu Sheng committed such a big thing and lost our Yang family’s face. I suggest that their family be removed from the genealogy directly, so as not to let people laugh at us.” Yang Jian suddenly mentioned, he said to Yang Zihuan. The family has been upset for too long, and just took advantage of this opportunity to completely get their family out of the Yang family.

“Yes, grandma, for the rest of her life, she was not only a robber, but also a rapist. If they don’t drive their family out of the family, our Yang family will be laughed at for a lifetime.” Lu Ping also said.

The old lady’s face was extremely gloomy. In her eyes, the reputation of the Yang family surpassed everything else.

She looked at Gao Qing coldly, and said solemnly: “What else do you have to say?”

“Mom, that’s for the rest of my life, it has nothing to do with our family!” Gao Qing said tremblingly.

If they were removed from the genealogy, they would no longer belong to the Yang family. She would be sorry for her husband if she died.

Moreover, as long as the matter of being removed from the family is spread, her son and daughter will be despised by others pointing at the bridge of their noses.

“Grandma, when we go back, we will drive Yu Sheng’s waste out of the house and prevent him from entering our house again!” Yang Ling also pleaded.

“Cut, he was taken away by the police and he is about to go to jail, how can he enter your house?” Yang Jian contemptuously said.

“Enough, don’t say anything, I will now announce that the Yang Qinghai family will be removed from the genealogy, and their family will have nothing to do with my Yang family!”

The old lady snapped a crutches and said angrily.

Yang Qinghai is not only dead, but also her biological son.

Seeing that the old lady was so ruthless, even the dead son would not let it go.

Everyone was also embarrassed.

Gao Qing and Yang Ling were even more pale and their brains roared.

After being blasted out of the Yang family, Gao Qing went to the company to find Yang Zihuan as soon as possible.

“Zi Huan, Mom left you and that waste a long time ago, you just didn’t listen to Mom, now it’s alright, our family has been killed miserably!” Gao Qing sighed.

“Mom, what’s wrong, what happened?” Yang Zihuan frowned, she was going out to see a client.

“Sister, don’t you know? Just now, the waste of Yu Sheng was captured by the police, saying that he was guilty of robbery and rape. Grandma said that he had lost the Yang family’s face and gave us all directly from the Yang family tree. It’s been removed!” Yang Ling said unwillingly.

What?

Yang Zihuan trembled when he heard this, and his face instantly turned pale.

### **Chapter: 189**

“This bastard, why do I still have illusions about him!”

Yang Zihuan staggered, and the file folder in his hand fell to the ground.

To be honest, she prefers a man like the chairman in spirit.

But the rest of her life is her husband, and the two also have a son, both are four years old, and she is also very hesitant.

Every time she called for a divorce, although it seemed decent, but in fact, she had to coax the rest of her life without divorcing her.

At this time, I heard that Yu Sheng had committed rape, so why didn’t she make her angry.

She was the first to think of Li Kai’s girlfriend.

In her opinion, Li Kai should have gone to sue Yu Sheng.

Last time, at the Li Kai Hotel, she still felt that the situation should not be what she thought, and then when she saw that there was nothing wrong with the rest of her life, she didn’t worry about it.

Unexpectedly, the rest of his life was finally taken away by the police today.

Yang Zihuan was really angry to the extreme.

You can go to jail for the rest of your life, it’s his own responsibility.

But it hurt her and Xiao Shui.

Later, when their mother and son go out, they are afraid that they will be poked at the bridge of the nose and scolded the wife and son of the rapist.

“Sister, this is your fault. You have left him a long time ago and you just didn’t listen. Now it’s alright. Our family has been hurt by the waste!” Yang Ling shook his head and sighed, and blamed Yang Zihuan a little bit. Not decisive.

“Zi Huan, take this opportunity today and leave him. I think the chairman of Sihai Group must be interesting to you, or else he will give you 10% of the shares for nothing. If you leave with that waste, take the initiative to find someone. Chairman.”

Gao Qing paused, and then persuaded: “Zi Huan, women are afraid of men being entangled. This is the same for men. Women take the initiative, and they can’t stand it. This is the so-called men chasing women and women chasing men apart. The truth of the paper is broken in one hit.

As long as you take the initiative, won’t the chairman be taken down by you? ”

“Yes, sister, if you hook up with the chairman, our family will really rise.”

Yang Ling also persuaded: “Don’t you know that Yang Yinzhu just married a Hu’s family, and their family will be very excited. If this is married to a real rich man, it is estimated that the butt will be up to the sky.

Sister, if you really have anything to do with the chairman, grandma will definitely let our family return to the family. ”

“Your grandma is really cruel. Even your dad’s tablet will be removed from the Yang family. Your dad’s coffin board probably won’t be able to suppress him.” Gao Qing said again.

Yang Zihuan frowned, but his heart was a little loose.

To be honest, after being let off by the chairman a few days ago, the restlessness in her heart calmed down.

Since that night, she has been holding a normal mentality in her heart. The chairman has helped her so much, so she can do whatever she likes, and she doesn’t want to take the initiative anymore.

But now, when she heard what her mother and brother said, she was a little loose.

Also, her grandma’s actions also made her a little angry.

Her father had been dead for several years, but her grandmother directly removed the tablet from the Yang family. This was an insult to them and a blasphemy to her father.

“I see.” Yang Zihuan nodded, thinking already in his heart.

She is going to find a lawyer again to draw up a divorce agreement.

This time, regardless of whether the rest of her life agrees, she must leave.

This time, he will be in jail for the rest of his life, even if he disagrees.

“Ah, Mr. Yang, isn’t that your husband?”

Suddenly, Yang Zihuan’s help pointed at the TV screen in the company lobby and said in surprise.

### **Chapter: 190**

Yang Zihuan and the others turned to look, only to see that Yu Sheng was standing side by side with Xia Feixue on the TV screen, and the surrounding was the ceremony of the police.

“What’s the situation?” Gao Qing asked puzzledly.

The assistant smiled and said: “Auntie, this is the award ceremony of the police. It seems that a few days ago, your son-in-law and this female police officer jointly broke a big bank robbery case for the rest of their lives.

It is said that there were more than a dozen robbers who wanted to kill all the staff of the bank. Then at a critical moment, it was your son-in-law and this female police officer who fought with more than a dozen robbers regardless of their own safety, and finally robbed all of them. The bandits were all subdued and rescued all the bank staff.

By the way, it is said that your son-in-law was shot once, don’t you know? ”

The assistant looked at the three in surprise.

“Ah? Is there such a thing?” Gao Qing opened her mouth, she really didn’t believe the rest of her life had such a great ability.

“It’s bragging, that trash dare to fight with the robbers?” Yang Ling didn’t believe it at all.

Yu Sheng has been in their family for four or five years, and he knows Yu Sheng too well.

Sometimes people point to his nose and scold him for trash, but he doesn’t dare to say a word. It’s useless, such a person, dare to fight with the robbers?

He felt his IQ was insulted.

“It’s true. He was shot in the left shoulder. I went to the hospital to see him.” Yang Zihuan said lightly.

But my heart is very restless.

Why?

Why can you always touch my heart when I am sure to leave you?

Yang Zihuan’s heart is really contradictory to the extreme.

Just a second ago, thinking that Yu Sheng had committed a crime and was going to jail, she was angry and decided that she must divorce Yu Sheng this time.

In the next second, Yu Sheng turned from a rapist to a hero. Their Yang family was also awarded the House of Heroes. Can she still be separated from Yu Sheng?

“This, this, how could this be?”

Gao Qing was also dumbfounded.

This crap turned out to be a hero, how does it feel a bit ironic?

At this time, on the TV screen, I only heard the host saying loudly: "If it weren't for our civilian hero for the rest of his life and Captain Xia risking their lives to fight with the robbers and subdue the robbers, finally our bank staff and People with money don't know how many will be brutally killed by robbers.

To this end, the bureau deliberately awarded the honorable title of the hero of the rest of his life, and also issued a cash bonus of 10 million to encourage the brave behavior of the rest of his life.

Awarded Xia Feixue the title of hero captain, and remembered the first-class merit..."

Looking at the plaque in Yu Sheng's hand with a reward of 10 million yuan, Gao Qing and others' eyes suddenly brightened.

Ten million, this is not a small amount.

Although Yang Zihuan currently owns 10% of Yang's shares, there is still no time to pay dividends, so their family does not have any money right now.

Moreover, Yang's current business is only average, and it is impossible to give them 10 million in dividends.

At this moment, even Yang Zihuan's heart was beating.

With ten million for the rest of my life, is it still a waste?

Who would dare to say that he was a waste?

The provincial bureau gave him the title of popular hero. Who the hell would dare to say that he is a trash?

I don't know why, at this moment, across the TV screen, Yang Zihuan has never felt so handsome for the rest of his life.

This is the ideal husband in her mind!

And Yang Ling was even fantasizing how to please this good brother-in-law and ask him to buy him a good car.

At this moment, the host smiled and asked Yu Sheng: "Yu Yingxiong, I heard that your reputation was not very good before, and others thought you were a wasteful creature. Now that you have this title, with 10 million, you are ready to do it. What can I order?"

Whether it is the current personnel or all the viewers of the TV opportunity, they are watching Yu Sheng, wanting to know that he, a door-to-door son-in-law, suddenly has 10 million, how will he deal with it?
