

Dont mess 201

Chapter: 201

As soon as the voice fell, Du Fei rushed in with Chen Bin and dozens of brothers.

As soon as he entered the door, he immediately greeted the other younger brothers: "Seal the door, no other people are allowed to enter!"

The younger brothers nodded immediately: "I know Brother Fei!"

Brother Seven looked at Chen Bin and Du Fei dumbfounded, his brain was completely cut off.

Du Fei!

The king of the underground circle of Qiancheng!

Chen Bin, one of Du Fei's generals.

And his seventh brother is just one of many little bosses under Chen Bin.

He couldn't even dream that he would help Gu Jian handle a little thing by himself, and it would alarm Brother Fei, the king of the underground circle!

Gu Jian didn't know Du Fei and Chen Bin. Seeing Brother Seven's look dumbfounded, he frowned and asked, "Brother Seven, what's going on? Who is this old guy?"

As soon as these words came out, Brother Qi was trembling in shock.

He grabbed Gu Jian by the hair and slammed his face with a fierce punch, directly breaking the bridge of his nose.

Seeing the bleeding from his nostrils, Brother Seven gritted his teeth and cursed: "You fucking want to die, don't drag me down! This is Brother Fei, my eldest brother's eldest brother!"

"Ah?!" Gu Jian was frightened suddenly!

Big brother's big brother!

The king of the underground circle of Qiancheng? !

Why is he here? !

At this time, Chen Bin walked over with a dark face and kicked the seventh brother's crotch. The kick made him feel terribly painful. He knelt on the ground and his face was extremely pale.

Chen Bin stared at him and said coldly: "Even Shao Yu dares to provoke you, are you living enough?"

After speaking, Chen Bin immediately rushed to Yu Shao, and said ashamed: "Yu Shao, Xiao Qi is my brother. He taught me no way. I ran into Yu Shao. Please punish him!"

Chen Bin's respectful attitude towards the rest of his life shocked everyone at the scene.

Only then did Gu Jian realize what kind of character he had provoked, and he was shaking all over with fright.

Yu Sheng nodded to Chen Bin, pointed at Seventh Brother and asked, "You brother is a bit profligate, and you will destroy me when you come in. You must know that if you threaten to destroy me, there will be no good end, and I will not be cruel. If you have a hand, you can break his leg. Did you do it or I do it?"

Brother Seven was scared suddenly!

I just relied on fighting and fighting to eat. If I really broke my leg, how would I get mixed up in the future? Wouldn't it be over for a lifetime!

He knelt on the ground with a bang, crawled in front of Yu Sheng with his knees, and cried, "Yu Shao, I don't know Taishan. Please forgive me. I will never offend you again! "

Yu Sheng said coldly: "I gave you a chance, but you are not sure."

Seventh brother thought of what Yu Sheng had said to himself just now: Kneel down and spare your life.

He still felt that he was looking for death for the rest of his life, but now he realized that it was not him who was looking for death, it was himself!

Panicked, he immediately knocked his head to the floor, crying and said, "Yu Shao, please give me another chance and spare my dog's life!"

Yu Sheng ignored him, but looked at Chen Bin and asked, "Do you want me to do it myself?"

Chen Bin's expression froze, this is his little brother.

But thinking of the horror for the rest of his life, he didn't even dare to ask Du Fei, and hurriedly shouted: "Come on! Break my kneecap to pieces!"

Immediately several younger brothers rushed up and pressed the big font of Brother Seven to the floor.

One of the younger brothers pulled out an iron rod at this time and strode forward.

Seventh brother wanted to beg for mercy, but the little brother gathered the iron rod directly above his head and slammed it down with force.

Shout!

Brother Seven's right kneecap was smashed into powder!

This kind of crushing injury, it is impossible to cure well in this life!

Seventh brother let out a miserable cry, and the pain was extremely painful.

Du Fei said to Chen Bin, "Should something in his mouth, so as not to noisy Yu Shao!"

"Good Fei!"

Immediately afterwards, Chen Bin personally stuffed a few pieces of gauze into Brother Seven's mouth and threw him on the ground curled up like a dead dog.

Chapter: 202

Gu Jian was already pale with fright, and he finally understood what kind of existence he angered!

Before Yu Sheng could speak, he took the initiative to kneel on the ground and kept kowtow: "Yu Sheng, Yu Shao, I was wrong. I shouldn't be rude to you, please, my lord!"

Du Yue was also shocked. Seeing Gu Jian kneeling down and begging for mercy, she knelt down and kept kowtow apologizing.

Yu Sheng said coldly: "You couple of dogs, do you really think that if you ask for mercy, I will let you go? You are really stupid and naive!"

The two shuddered in fright.

At this time, a few people in black walked in with two middle-aged and elderly people who were tied up.

The middle-aged and elderly people in Liangxie have been beaten, bruised and dying.

They threw these two middle-aged people to the ground, and then bowed to Yu Sheng: "Yu Dong, the person you want is here!"

Gu Jian and Du Fei glanced at them, and almost passed out in shock on the spot!

The two middle-aged and elderly people lying on the ground are Gu Jian's father, Gu Haifeng, and Du Yue's father, Du Qisheng!

Yu Sheng let out a cold snort, letting people pour cold water on the faces of Gu Haifeng and Du Qisheng, pour them sober.

Then he questioned Du Qisheng: "The surname is Du, your daughter is sloppy and casually cuckolding her fiance. Do you know this?"

Du Qisheng was frightened. He was beaten up before he came. Knowing that his daughter had caused stubborn stubbornness this time, he kept shook his head in order to protect himself: "I don't know, I don't know..."

Yu Sheng nodded and said, "I don't know, is it? I don't know it's your father's oversight and negligence! Chen Bin, break his left knee for me! It's the same as the dead dog just now!"

"Good!" Chen Bin immediately said to the people around him: "Hold him down for me!"

Du Qisheng frightened and shouted: "No! Help!"

Du Yue also shouted in shock: "Dad!"

Chen Bin didn't have any hesitation, when his subordinates pressed Du Qisheng's leg, he immediately swung a steel rod and slammed it down.

"what....."

Du Qisheng only felt the pain and wanted to die. His knees had been completely shattered, and he was afraid that it would be impossible to recover in this life.

At this time, Yu Sheng asked again: "I'll ask you again, your daughter is sloppy and cuckolds her fiance casually. Do you know this?"

Du Qisheng cried and said, "I know, I know, it's because I can't discipline her, I will definitely discipline her in the future..."

Yu Sheng snorted: "Since you know about this, why don't you stop it? You know your daughter is making mistakes but don't care about teaching, that's because your father's three views are not righteous, and he is abusive!"

After finishing speaking, he shouted angrily at Chen Bin: "Chen Bin, give me his other leg!"

Chapter: 203

Du Qisheng thought that admitting mistakes would not work, and for the rest of his life he was not ready to let him go!

The whole person he frightened fell into a coma.

However, Chen Bin's steel rod made him awakened by severe pain in an instant!

"what!!!"

Du Qi has lived for most of his life. When did he suffer such a crime?

He was always in tears, crying desperately: "Mr. Yu, I really know that I was wrong. From now on, I will strictly discipline this unfilial girl, and I will never let her do this kind of hurtful things."

Yu Sheng said disdainfully: "You are quite shirk of responsibility!"

In a word, let Du Qisheng tremble instantly!

Du Qisheng looked at Li Kai on the hospital bed and begged: "Xiao Kai, uncle really didn't know that Du Yue would do this kind of thing. For the sake of his uncle's treatment of you, you would spare uncle this time. Bar."

Du Qisheng crawled on the ground and tried to kowtow to Li Kai.

Li Kai was still soft-hearted after all, sighed, and said to Yu Sheng: "Brother Sheng, I..." Remember for a second <http://>

Yu Sheng waved his hand and said, "Okay, if you want to plead with him, I will let him go. Do you ask for love for others?"

Looking at the three of Gu Jian, Li Kai firmly shook his head and blurted out: "No! I won't intercede for any of them!"

"it is good!"

Yu Sheng nodded in satisfaction: "You are still a man!"

After finishing speaking, he turned his head and said to the desperate Du Qisheng: "If you are lucky today, if you run into my brother's softheartedness, I will spare you a dog's life first."

Du Yuesheng shuddered in shock, crying and thanking him: "Thank you Mr. Yu, thank you Xiaokai!"
Looking at Du Qisheng's miserable situation.

Du Yue was already scared and almost mad.

Gu Jian is the same.

The same goes for Gu Jian's father, Gu Haifeng!

He looked at Gu Jian, slapped angrily, and cursed: "Dog bastard! Who made you mess around outside!
You are going to kill me!"

Yu Sheng looked at Gu Haifeng with a smile, and asked, "What? Your son got together with my brother's fiancée and gave my brother a cuckold. Don't you know how to be a father?"

Gu Haifeng was so scared to cry.

He didn't know how to answer.

Because Du Qisheng's lessons for the past are just there.

If you say you know, your right leg will be broken;

If you don't know, your left leg will be broken...

Seeing that he didn't dare to answer, Yu Sheng directly said to Chen Bin: "This old guy seems very shrewd and thinks he can escape punishment without speaking, Chen Bin, you just scrapped his legs!"

"Yes, Shao Yu!"

Yu Sheng looked at the flustered Gu Haifeng, and said coldly: "The blame is your son for harming you!"

Immediately afterwards, with two desperate wailings, both of Gu Haifeng's legs were completely scrapped!

Seeing his father being smashed into a disability, Gu Jian felt out of control for a while. Then, a piece of yellowish smelly liquid leaked out of his crotch.

It was scared to pee!

Yu Sheng smiled coldly: "Okay, it seems that you are really a mess that can't control the thing. Today, all of this is caused by your failure to control it. I think you can use it if you keep it."

After finishing speaking, he told Chen Bin: "Let him never become a man!"

Chen Bin's expression flashed with amazement.

The same man, he couldn't help but tighten his crotch when he heard this command.

The most important thing is that he once also put a hat on Li Kai. If Yu Shao had also abolished his stuff, he still doesn't know what to do.

Du Fei immediately snarled, "What are you doing in a daze? Don't you hurry to follow Yu Shao's instructions!"

Chen Bin immediately recovered his senses and said to the people around him: "Put the bastard's legs apart!"

Gu Jian was desperate and cried loudly: "Yu Shao, Dad Yu, Grandpa Yu, please forgive me! Even if you abolish my hands and feet, don't let me fail to be a man!"

Chapter: 204

Yu Sheng laughed: "Do you think it's a question of abolishing hands and feet, and abolishing the thing?"

You are wrong, this is a double choice question, you can't escape either!"

Immediately afterwards, Chen Bin lifted his foot and stepped on it suddenly...

With a terrible cry, Gu Jian became an eunuch!

However, this is not over yet!

According to Yu Sheng's request, Chen Bin abolished his hands and feet!

The arrogant Gu Jian who cuckold others and even sent others into the hospital has completely become a waste in a dual sense.

But no one sympathizes with him, and everything he does today is self-inflicted!

Now, only Du Yue remained intact.

At this time, Du Yue was almost insane. She knelt and crawled to the hospital bed, took Li Kai's hand, and cried and said: "Husband, husband, I'm sorry, I shouldn't betray you, in fact, I really love you. I was only assaulted by the surname Gu once, and he took a nude photo of me. I have no choice but to let him at his mercy!"

Gu Jian angrily scolded: "Du Yue, you dare to slander me! Obviously you think Li Kai can't satisfy you, you take the initiative to seduce me, otherwise, I can't get together with you!"

As he said, he cried and said to Yu Sheng: "Yu Shao, don't believe this frame. I have a chat history. She took the initiative to add me to WeChat to confess to me, saying that she fell in love with me at first sight, and she took the initiative to send me several copies. Nude photos and close-ups seduce me! These pictures are in my photo album, you can take out my phone to have a look!"

Du Yue suddenly paled and scolded, "The surname is Gu, didn't you promise me to delete the photo after reading it?"

Gu Jian gritted his teeth and said: "Your frame is really snake-hearted! Fortunately, I didn't listen to you and saved the photos, otherwise I won't be killed by you!"

Du Yue hurriedly said to Li Kai again: "Husband, I am confused for a while! You loved me so much before, please forgive me!"

Yu Sheng asked Li Kai: "What do you think?"

Li Kai took a deep look at Du Yue, stretched out his hand to push her aside, and said, "I don't know this bitch."

Du Yue collapsed and cried!

Yu Sheng said: "In this case, interrupt her legs, and then disfigure her so that she can't hook up with men for the rest of her life!"

For the rest of my life, I have no sympathy for a femme-hearted woman like Du Yue!

Chen Bin immediately abolished Du Yue's legs and her face according to his instructions, and even cut off her hair with medical scissors!

Seeing Du Yue wailing on the ground, Li Kai didn't have any sympathy in his heart.

On the contrary, Chen Bin, who had done his own work, felt a little throbbed in his heart when he saw the miserable situation of the five people.

He dared not watch the rest of his life.

For the rest of his life, he was one of the most ruthless people he had ever seen.

"Thank you, Brother Sheng, Brother Fei, Brother Bin!" Li Kai wanted to get up and salute several people.

"Okay, take care of your injury. After your injury, go to the Sihai Group to find me, and I will arrange things for you," Yu Sheng said.

"Okay, thank Sheng brother." Li Kai nodded hurriedly.

Yu Sheng looked at Du Fei again: "Old Du, the follow-up will be left to you. By the way, let a few brothers come and watch my brother."

Du Fei nodded, signalling Yu Sheng to rest assured that he knew what to do.

"Then I will go back first." Yu Sheng said and went out.

Chapter: 205

I left the hospital for the rest of my life and was about to go back. When passing an antique street, there were a lot of pedestrians and vehicles in front of me, and it was blocked at once.

For the rest of his life, he opened the window to smoke and looked out. There were street stalls everywhere.

The antique jade shops on both sides were very densely opened, and the vendors who came out to set up stalls were also densely packed, and all of a sudden the whole street was blocked.

There are also many vendors who just spread a plastic sheet on the ground, filled with various antiques and jade, to welcome guests on the spot.

Yu Sheng glanced at it casually, and almost saw nothing authentic. It was all black-hearted vendors who deceived laymen and foreign tourists.

Many tourists who bought the fakes were completely blindfolded, holding the imitations and grinning, thinking that they were taking a big advantage.

Suddenly, a familiar figure appeared in Yu Sheng's vision.

A short white T-shirt, a pair of gray denim shorts, and a pair of white casual shoes with flat soles.

Today's Xiao Zixin dresses very purely, she looks very youthful and beautiful in sexy professional attire.

At this time, Xiao Zixin also happened to see Yu Sheng.

"Yu Dong." Xiao Zixin walked over a few steps with a sweet smile on her face.

"You want to buy antiques?" Yu Sheng smiled lightly.

"Yes, tonight my grandmother's 70th birthday, I want to buy a gift for her, my grandmother usually likes bracelets, I want to visit Antique Street." Xiao Zixin said.

"These stalls are basically fake, don't be fooled." Yu Sheng reminded.

Xiao Zixin's eyes lit up and she suddenly said, "Yu Dong, you are not an expert in this field, or you can help me see it."

Yu Sheng hesitated. Seeing that he could not go for a long time, he nodded and said, "OK, wait for me to park the car."

As he spoke, he reversed backwards.

Xiao Zixin felt a little joyful when she thought of Yu Sheng being so simple.

After Yusheng parked the car, he came down to buy gifts for Xiao Zixin.

"Yu Dong, do you have anything else this afternoon?" Xiao Zixin asked.

"No." Yu Sheng shook his head. He originally wanted to go to the company for a while, but after thinking about it, he had to forget it. Anyway, there was nothing wrong with it.

"Then I, can you..." Xiao Zixin looked at Yu Sheng's eyes, and hesitated whether to continue.

When Yu Sheng saw this, he was amused and said: "Just tell me if you have anything, I will help you if I can help."

He guessed that Xiao Zixin was mostly going to borrow some money from him. After all, it was not cheap to buy real antiques.

The last time Xiao Zixin bought a house was the money he borrowed, and it is normal to buy antiques without money.

Xiao Zixin didn't hesitate anymore and asked directly: "Can I invite you to my grandma's birthday banquet?"

As she spoke, she looked at Yu Sheng expectantly, without blinking her eyes.

Yu Sheng was stunned, not thinking that Xiao Zixin was actually inviting him to celebrate her grandma's birthday. After thinking about it, he nodded and said, "Yes, no problem."

Anyway, it was just going to eat a meal. It didn't take much time, and the rest of my life simply agreed.

Yu Sheng is still very satisfied with Xiao Zixin, this Xiaomi.

“Yu Dong, you are great!” Xiao Zixin grabbed Yu Sheng’s arm with a look of excitement. If it were not for the identity of the two, she almost kissed Yu Sheng on the cheek.

“But I have a request. It’s okay to congratulate your grandmother on birthday, but you can’t reveal my identity.” Yu Sheng reminded.

Chapter: 206

He could believe that as long as Xiao Zixin said that he was the chairman of the Sihai Group, the entire Shouyan would immediately lose its essence, and all the focus would be on him.

That would be ridiculous.

He is not a person who likes to steal the limelight, especially the old people to steal the limelight.

“Then what do I call you?” Xiao Zixin asked in a daze.

“Call my name, what else do you want to call?” Yu Sheng said funny.

“Okay.” Xiao Zixin nodded.

“Let’s go, buy you a gift first.” Yu Sheng said.

“Yeah.” Xiao Zixin nodded and followed Yu Sheng, looking at the things on the surrounding stalls.

“There are so many things on that stall, why don’t we go take a look.” Xiao Zixin suddenly pointed to the stall in front of her and said.

That stall was nothing more than spreading a piece of oiled paper on the ground, and placed a dozen pieces of antiques stained with mud, such as blue and white horses, five emperors copper coins, copper wine glasses, blood jade bracelets, yellowed calligraphy and painting...

There is a dazzling array of things, but Yu Sheng just took a casual look and found that these were all fakes.

The stall owner was a thin, dark-skinned man. He was wearing a blue coarse cloth. His hair was greasy and disheveled. He grew a simple and honest appearance. He looked dull and stupid.

Looking at Yu Sheng, he knew that this was only his appearance, and the stall owner was actually shrewd.

There were many people beside the stall, and it seemed that the stall was pretty good.

“Yeah.” Yu Sheng nodded and walked to the booth.

“How much is this?” Yu Sheng squatted down, picked up a blood jade bracelet and asked the boss.

The boss glared at the blood jade bracelet in Yu Sheng’s hand, and said: “This is our family heritage. It is a blood jade bracelet left by my grandma back then. It costs at least 100,000, and one point is indispensable.”

One hundred thousand?

The people nearby also looked at the blood jade bracelets in Yu Sheng’s hands, and they were all appreciative of the fact that they were indeed polished by blood jade.

“One hundred thousand yuan? So expensive?” Xiao Zixin asked in surprise.

“Yes, ancestral objects, heirlooms, of course they are expensive.” The boss said.

Yu Sheng smiled, put down the blood jade bracelet, picked up a blue and white horse and asked, “What about this?”

The boss glanced at it and said, “This blue and white horse is a treasure that my grandfather got from the ancient tomb. It costs 80,000 yuan.”

Yu Sheng smiled and said, “It seems that your family’s ancestors are quite developed. With so many heirlooms, why do you even set up a street stall?”

The things on this stall will be fakes, basically industrial imitations, and the cost is only tens of hundreds of dollars. The boss is always a family treasure, and the rest of his life can only laugh.

Everyone heard the meaning of Yu Sheng's words, and immediately understood that most of what the boss sold was fake.

It's right to think about it. If there are tens of thousands of treasures, he dare to just sell them on the street?

"Little brother, if you like this blue and white horse, the price can be lower." Seeing Yu Sheng got up to leave, the boss said hurriedly.

"How much can you lose?" Yu Sheng asked,

"How much can you give?" the boss asked.

"One hundred." Yu Sheng laughed.

"One hundred?" The boss glared, "Brother, what international joke are you making, I am..."

Before he could finish speaking, Yu Sheng turned around and left.

The boss had to shout: "At least one thousand!"

Yu Sheng turned around and said with a smile: "I think your bag seems to have a lot of antiques, let me take a look at it first."

"Yes, but you have to buy this blue and white horse after you see it." The boss said.

"I don't want a blue and white horse, but I can buy something else." Yu Sheng smiled.

The boss hesitated, but took out all the things left in the bag.

Suddenly, a white pebble caught the attention of the rest of his life.

Chapter: 207

This white pebble has the size of a fist, just like the pebble on the river beach, gray and matt.

But one difference is that there are a few words carved on this cobblestone-safe and rich!

The fonts are crude and shoddy, and at first glance they are carved up by hand.

This kind of engraved stone is everywhere in the scenic area, and it is not worth any money. No wonder the boss didn't put it out just now.

Yu Sheng picked up this stone, and the blood all over his body suddenly boiled.

Just now, he felt a different kind of breath exuding from this stone!

Said it is breath, in fact, it is more like a kind of energy, a kind of magnetic field, which has produced a strong attraction to him.

Yu Sheng knew that this should be the aura recorded in the "Nine Profound Sky Classics"!

Reiki is a mysterious energy that has been lost for a long time. It can not only completely transform a person's physical fitness, but it can even cultivate and produce many incredible effects for ordinary people!

Yu Sheng was overjoyed, and calmly weighed the pebbles in his hands, and then put them on the tarpaulin at will.

Yu Sheng picked up a new blood jade bracelet at random and asked, "How much is this bracelet?"

The boss was a little panicked, thinking that he would accidentally bring out the genuine product, and hurriedly said: "This blood jade bracelet is really handed down from my ancestors. One hundred thousand yuan is a must."

Yu Sheng nodded, this blood jade bracelet, depending on the composition, should be from the Qing Dynasty, the quality is average, about 50,000 to 80,000.

"Fifty thousand." Yu Sheng said.

“80,000, can’t be less, I won’t sell it if you are less.” The boss said seriously.

Yu Sheng pretended to hesitate before saying: “80,000 is a bit expensive, you have to give me one more thing, or I won’t buy it if I don’t lose money.”

The boss said without hesitation: “Yes, you can choose whatever you want.”

Anyway, the jade-blood bracelet on his booth was genuine, and the others were fakes.

Yu Sheng pretended to look at it, shook his head and said: “You don’t have any of these things that I like.”

As he said, he picked up the white pebble again, and said lightly: “Forget it, this stone is a bit nice, just let it go.”

“Oh, what’s the use of this stone? It’s a loss.” Xiao Zixin saw that Yu Sheng had chosen a stone for a long time, and she was suddenly anxious about Yu Sheng’s choice.

But thinking that Yu Sheng didn’t care about the money, she closed her mouth again.

“Drilling a hole and hanging on the car as a decoration is also good.” Yu Sheng smiled.

After scanning the QR code and paying, Yu Sheng handed the blood jade bracelet to Xiao Zixin and said, “This is a genuine product. It’s a good gift to your grandma.”

“Ah, you bought it for me?” Xiao Zixin was a little surprised, and a little embarrassed, how could she let Yu Dong pay for herself.

“If I don’t buy it for you, why should I buy it? Take it.” Yu Sheng smiled.

“Thank you, then I’m not welcome.” Xiao Zixin happily put away the blood jade bracelet, anyway, the rest of his life is not short of the money.

To Yu Sheng, tens of thousands of dollars is like Xiao Zixin facing a few cents.

Will you care for the rest of your life?

of course not.

All Yu Sheng cared about was the pebble. Holding the pebble in his hand, Yu Sheng had a strange feeling in his heart. It felt amazing.

He couldn’t say it for a while.

“Yeah, this stone is good, my master wants it!”

At this moment, suddenly there was a voice of sorrow.

Hearing this voice, Yu Sheng frowned and looked up to look for reputation.

Chapter: 208

I saw a young man wearing a white linen Tang suit, black cloth shoes, and all kinds of bracelets, walking towards this side in strides.

Although it was daylight, he wore a pair of antique gold-rimmed glasses with two round black glass plates, the kind of “civilization mirror” that the young children of the late Qing Dynasty liked to wear. It seems to be very high-profile, but also very literate.

The young man was followed by four or five bodyguards. Compared with his arty, these bodyguards were much more fierce and evil, and the people next to him hurriedly stepped away so as not to cause trouble.

“Ah, it turned out to be Shao Zhang!”

As soon as the boss saw the young man, he immediately opened his eyes and smiled, and the flattering words came out of his mouth like running water: “Young Master Zhang, why didn’t you say anything in advance when you came here today? I’ll come to the street to welcome you...”

“Okay, don’t talk nonsense, I will just take a look today.” The young man waved his hand impatiently.

He strode forward, took a look at the stone in Yu Sheng's hand, and raised his head to ask the boss: "Li Ergou, put this stone up for me! There is a paperweight on my dad's desk. It is just right to use it.!"
"This....."

The boss of Mung Bean Eye gave him a dry smile, and looked at the stone in the rest of his life with a dilemma: "Shao Zhang, this stone has already been given to him."

Yu Sheng knew that the boss was named Li Ergou, and he seemed to know this young man.

However, he was also amazed by Li Ergou's superficial skill.

Really meeting different people, just different expressions, let him go acting, definitely not worse than those big names.

Li Ergou quickly took out a hardened plastic jade horse, splashing in his mouth, "Zhang Shao, this is the beloved object of the former imperial concubine. You see, this jade is crystal clear, so good jade has a loved one, let's not talk about it. Too much, for the sake of Shao Zhang, the price is the same as the price you bought the chicken bowl cup yesterday. You can take it with you for nine thousand yuan!"

"Don't talk nonsense, get out of here!" Shao Zhang was impatient at hearing, kicked Li Ergou to the side, and said angrily: "I just like this stone, you give it to me, I give it to You are twenty thousand!"

When Li Ergou heard 20,000 yuan, his heart suddenly became hot, and he turned to Yu Sheng and said, "Brother, why don't you give it to Shao Zhang?"

Yu Sheng frowned and said coldly: "This is what I bought, and I don't want to transfer it to others."

"Who asked you to transfer it? You don't have any money, whoever pays, who buys it!" Zhang Shao said impatiently, then took out a wallet from his arms, took a stack of red banknotes and threw it on Li Ergou's face .

"No need to look for 20,000 yuan, I'll take it."

Li Ergou's eyes lit up, and he quickly took the red banknote in his hand, and smiled at Yu Sheng:

"Brother, I also have an inkstone paperweight from Emperor Kangxi. It is better to keep it than this."

Yu Sheng smiled, and said, "Li Ergou, right? You don't need me to break those things, right? I chose this stone. I don't want to give it to others, and I don't have that habit."

Don't say that this stone is of great use, even if it is not of great use, it is a waste stone, he will not let it be given to Shao Zhang.

He really couldn't bear to see that Shao Zhang was so violent when he arrived.

Pretend in front of him?

Yu Sheng also wanted to see how many people in Qiancheng dared to pretend in front of him.

Shao Zhang?

Last name Zhang, he thought of the Zhang family in the antique world.

A playful smile appeared at the corner of his mouth.

Chapter: 209

Seeing Yu Sheng did not let go, Li Ergou also had no choice.

After all, Shao Zhang didn't like the blood jade bracelet, but Yu Sheng bought the blood jade bracelet. He promised to give the rest of his life a thing, and the rest of his life was not a valuable thing, he still had to take into account his reputation.

Li Ergou had to turn around, nodded and said to Zhang Shao: "Zhang Shao, this stone is really not a good thing, there is something better in my house..."

He still didn't finish his words, Zhang Shaomeng kicked his waist and screamed: "You have been courageous? I have bought several things from you, and now you actually turn your elbow away to help

a poor man. say?"

Li Ergou was kicked and sat on the ground, clutching his waist and grunting, complaining: "Zhang Shao, he won't give it to me, I have no idea."

He said, and winked at Yu Sheng vigorously, wanting him to let the stone out.

Just by looking at Yu Sheng's clothes and manners, you know how much money he has in his family, and he has no power and power.

But Shao Zhang is different. This is the famous second-generation ancestor in the literary and entertainment world, and he has not had much money since he was born.

Li Ergou didn't want to offend Shao Zhang, nor did he want to break the rules, so he winked at Yu Sheng.

Yu Sheng had seen Li Ergou's hint a long time ago, but he ignored it and said faintly: "No." Remember for a second [http://](#)

Li Ergou was really helpless, so he could only sit on the ground and hum, so as not to be picked up by Zhang Shao to vent his anger.

"Look at your trash!"

Zhang Shao scowled with his eyebrows horizontally, and had to raise his head, slanting his eyes and looking at Yu Sheng.

In the next instant, after seeing Xiao Zixin's body, he couldn't move away.

Seeing Xiao Zixin's youthful and beautiful dress and innocent facial features, Zhang Shao was instantly lost.

"Hello beauty, my name is Zhang Daoyi, our Zhang family is the first family in the antique industry, my uncle is the head of the Zhang family, and my father is the general manager of the Zhang family..." Zhang Shao introduced himself with pride.

It's a pity that Xiao Zixin didn't wait for him to finish the introduction, so she waved her hand to stop her: "Sorry, I don't want to know you."

She could see what Zhang Daoyi meant.

It's a pity that she already has a part in her heart, and she doesn't want to be seen by the people who belong to her associating with other men.

Zhang Daoyi's outstretched hand froze in the air, his face was quite embarrassed, and soon turned into anger.

"Little girl, do you know the fate of rejecting me?" Zhang Daoyi looked at Xiao Zixin with a twisted corner of his mouth.

Xiao Zixin was a little frightened. After all, Zhang Daoyi was a rich second generation, and she was just a migrant worker.

She looked towards Yu Sheng subconsciously, hoping that Yu Sheng could help her.

"What's the end?" Yu Sheng leaned against Xiao Zixin, looking at Zhang Daoyi with a playful look.

Zhang Daoyi's face suddenly became ugly, and a sharp light flashed in his eyes.

There were crowds all around, and for the rest of his life confronted him in public. Isn't this embarrassing him?

"Turtle! Who are you? Is this chick your girlfriend?"

Zhang Daoyi sneered fiercely: "Even if she is your girlfriend, I don't even inquire about it. In this antique street, who is the woman whom Zhang Daoyi looks after by me, who dares to refuse me?"

His gaze shifted from Yu Sheng to Xiao Zixin: "Little girl, you have to think carefully and reject me, but there is no good fruit!"

When he finished speaking, he waved his hand behind him.

The bodyguards suddenly "hulled" and surrounded Yu Sheng and Xiao Zixin.

The crowd around him also changed color.

The Zhang family in Qiancheng, the master of the antique world, is awesome, who dares to provoke?

These two dare to offend Shao Zhang, they must be dead!

Several bodyguards surrounded the two men in a fierce manner.

Xiao Zixin's face changed slightly, and she felt a little scared in her heart.

Although she believes that the rest of her life can settle such trivial matters, what if she misses the rest of her life?

Chapter: 210

Yu Sheng had a faint expression, glanced at the bodyguards around him, and said, "You have to think clearly too. Those who oppose me will have no chance of ending, so don't kneel down and beg me for a while!"

"Kneel down please?"

Zhang Daoyi looked jokingly, holding his chin in disdain, and said, "Come on, I'm going to see how you make me kneel down and beg you!"

Seeing Zhang Daoyi's arrogance, the surrounding crowd held their breath, thinking, for the rest of his life, if he dared to face Zhang Shao, he would suffer a big loss now.

Yu Sheng watched Zhang Daoyi suddenly frowned. From Zhang Daoyi's forehead, he saw a black air lingering, which was a sign of a shipment.

He smiled faintly: "Boy, if you go dark in the hall, there will be a bloody disaster today. If you kneel down and beg me now, I can save your life, otherwise, you may not escape today."

This is the feng shui facial technique he learned in the Nine Profound Heaven Scriptures. If Zhang Daoyi really kneels down and begs him, he can help him resolve the disaster at will.

"Grass, who the hell are you scolding, give me a fight!" Zhang Dao yelled angrily, and a few bodyguards behind him were about to rush over for the rest of his life.

boom!

At this moment, a car on the side of the road suddenly failed and rushed directly onto the crosswalk.

When several stall owners saw this, they screamed and hurried away.

But Zhang Daoyi was so close there, he was about to be hit.

Zhang Daoyi was undecided in shock, and was silly. He stared blankly at the car and lost his brain for a while, and didn't know what to do.

"Ah!" Xiao Zixin looked at Zhang Daoyi about to be hit by the car, exclaimed, and covered her mouth, her eyes full of horror.

The security guards were even scared and didn't rush away in a hurry, and didn't care about Zhang Daoyi at all.

At the critical moment, Yu Sheng still shot.

Although he was also very upset with Zhang Daoyi's.

But let him watch a living human life end in front of him, and he couldn't do it.

At this moment, Yu Sheng grabbed Zhang Daoyi's hand and pulled it violently. When the car was less than ten centimeters away from Zhang Daoyi, he abruptly snatched Zhang Daoyi from the mouth of the god of death.

Then, the car hit the shop in front and stopped.

Seeing that Yu Sheng had rescued Zhang Daoyi at the critical moment, everyone gave Yu Sheng a

thumbs up.

At this time, there was a beauty who got off the car. The beauty was very beautiful, but her face was pale and shocked.

“Sister Qiu, why are you? Do you know that you almost killed me just now!”

Seeing the beauty, Zhang Daoyi was taken aback and hurriedly greeted her.

He didn’t think that it was his cousin Zhang Wanqiu who nearly killed him just now!

Zhang Wanqiu also didn’t think that he almost ran into his cousin just now, and he was also greatly relieved at this time.

“call!”

Zhang Wanqiu took a deep breath, and there was nothing serious about it, or it would be over.

“My car failed.” Zhang Wanqiu said.

As she said that, she walked towards Yu Sheng and said gratefully: “Thank you just now, if it weren’t for you, my brother would be done!”

She could see clearly, if Yu Sheng hadn’t just pulled Zhang Daoyi away, Zhang Daoyi would have been knocked out by her.

Yu Sheng glanced at Zhang Wanqiu, then moved his eyes to Zhang Daoyi next to him, and said sarcastically, “Boy, remember, you owe me a life.”
