

Chapter: 221

“Why do you keep saying that you have a boyfriend?” Zhou Hai asked with a sullen face.

In his mind, Xiao Zixin was already his fiancée, and the two families had discussed this matter well.

In order to get Xiao Zixin, he dumped the girlfriend who was studying with him as soon as he returned to China, which made him unacceptable.

“If I have a boyfriend or not, should I report it to you? Who are you?”

When Xiao Zixin heard Zhou Hai’s questioning tone, she was also exasperated.

As soon as Zhou Hai came back, she advertised that she was his fiancée. Although she didn’t come to her grandmother’s house, she knew that everyone who coaxed about it was known to everyone, which made her very embarrassed and angry at the same time.

“Zixin, what are you doing, Zhou Hai also cares about you.” Xiao Zixin’s uncle said hurriedly when she saw this, obviously she was still facing Zhou Hai.

Zhou Hai said with a sullen face, a trace of resentment flashed in his eyes as he watched Yu Sheng.

“Zixin, you think Zhou Hai is so sensible, and he gave such a good gift as soon as he came. You see, these supplements are all foreign brands, and the price is at least tens of thousands of yuan.” Xiao Zixin’s second aunt Also persuade.

Hearing what the second aunt said, Xiao Zixin said angrily: “Yu Sheng, the gift you prepared for grandma, give it to grandma.”

“Oh, I almost forgot.” Yu Sheng smiled awkwardly, always worrying about Xiao Zixin’s seven aunts and eight aunts, he really forgot about it.

Originally, after Yu Sheng had bought the jade blood chain for Xiao Zixin, he didn’t plan to give her another gift.

“Grandma, this jade bracelet has the effect of calming, relaxing muscles and promoting blood circulation. It is suitable for old people of your age to wear.” Yu Sheng opened the delicate box in his hand in front of everyone.

“It’s just nonsense, so calm, soothing muscles and promoting blood circulation. I think which stall I bought it from.” Xiao Zixin’s aunt whispered.

Several other people also felt that they were bragging for the rest of their lives. How can there be such a magical bracelet now?

Even if this kid was sincere, he was probably fooled by others.

Zhou Hai also watched Yu Sheng open the box with a look of disdain. The supplements he brought up today were imported goods worth 100,000 yuan. He didn’t believe that Yu Sheng could come up with gifts that were more expensive than his.

“Huh! It’s real emerald!”

Although Xiao Zixin’s aunts and aunts can’t buy real jade jewelry, they often visit the jewelry store. They have not eaten pork and have seen pigs run.

As soon as Yu Sheng opened the box, he was shocked by the radiance from the bracelet.

Zhou Hai also looked incredulous. He also played stone betting when studying abroad in the past few years. Although he lost a lot of money because of this, he had seen the real jade, the jade on this bracelet. He just glanced at it and knew that it was all true, and it was all the extremely expensive jadeite.

The old grandma was much calmer than everyone else, she just smiled and said, “Xiaoyu, your jade

bracelet is not cheap, how can you let grandma take your such an expensive gift?"

Yu Sheng smiled and said, "Grandma, this is not expensive. My friend opened a jewelry store. He gave me a conscience price. If you don't believe me, ask Zixin."

"Zixin, is this really not expensive?" the old lady asked.

Xiao Zixin's face was a little embarrassed, and she hesitated to tell the truth.

"Zixin, he wouldn't really buy it from a street stall, would he?" Zhou Hai sarcastically asked.

Chapter: 222

Xiao Zixin looked at Zhou Hai and said coldly: "You just bought it from a street stall. You bought this bracelet from Fu Ji for the rest of your life. It is from Fu Ji's town store. It's 1.27 million."

Originally, she didn't want to tell the truth, because the price was indeed a bit outrageous, and she was afraid that it would scare her grandmother.

She also didn't expect to ask Yu Dong for a favor, she didn't expect Yu Sheng to give her grandmother such an expensive gift.

She originally wanted to stop it.

But thinking of Yu Sheng's identity, more than one million is really not a problem, so Yu Sheng is left.

"One hundred and two hundred and seventy thousand?"

Everyone's eyes widened, staring at the jade bracelet in Yu Sheng's hand, and they all took a breath.

"Zi Xin, do you think this bracelet is worth more than one million?" The auntie looked at the bracelet in Yu Sheng's hand in shock, she couldn't believe it!

"I bought it before I came here. Look at the invoice yourself." Xiao Zixin took out the invoice from the box and handed it to her uncle.

After receiving the invoice and looking at the amount on it, everyone still couldn't believe it.

"Xiaohai, you've been abroad, and you are well-informed. Isn't this invoice fake?" The auntie handed the invoice to Zhou Hai.

Zhou Hai just glanced at it, then nodded, and said, "This is true."

At this moment, he was very uneasy in his heart.

No matter how you look at the rest of your life, you don't seem to be someone who can spend more than one million to buy gifts!

He looked at the rest of his life again, feeling very unwilling.

It turned out to be true!

The eyes of everyone were full of incredible, they didn't think that the boyfriend Xiao Zixin was looking for was so powerful.

This is too rich!

At this moment, the eyes of the seventh aunt and eight aunts were gleaming as they watched Yu Sheng.

This is a real trench!

"Grandma, let me put it on for you."

Yu Sheng said that before the old lady turned back, he took the initiative to put it on her.

The old lady couldn't say anything she wanted to refuse.

Because as soon as she put on the bracelet, she felt a warm breath flowing from her arms all over her body, which made her mental state suddenly much better.

"Xiaoyu, where do you work?" Xiao Zixin's aunt asked in surprise.

Most people can't afford such an expensive gift.

"I'm the manager of Qiancheng Sihai Group." Yu Sheng said.

“Sihai Group, I can hear the news of this company in the past few months. It is said that it is a first-class large company in the country.” Xiao Zixin’s second aunt exclaimed.

“Yes, what is the name of the hottest star recently...”

“Zuo Mingyue.”

“Yes, it is Zuo Mingyue. She said it was sponsored by Sihai Group. Sihai Group is one of the world’s top 500 companies!”

Everyone exclaimed.

Xiao Zixin’s uncle frowned and questioned: “No, even if you work in a big company and earn tens of thousands of wages a month, you can’t afford this jade bracelet.”

“Mother-in-law, I’m just a secretary for the chairman, do you know how much my salary is per month?”

Xiao Zixin asked rhetorically.

“How many?”

Everyone looked at Xiao Zixin.

Chapter: 223

“One hundred twenty thousand!”

Xiao Zixin said: “Yu Sheng is a department manager of our company, and his salary is several times that of mine. He drove more than two million R8 cars, and he just parked outside. If you don’t believe you, go and watch.”

Oh my God, Sihai Group is too arrogant!

A department manager only earns so much income, which is more than many bosses earn!

At this moment, everyone no longer doubted, and there were stars in Yu Sheng’s eyes.

Although Zhou Hai has a good family background, he has money for the rest of his life, a few hundred thousand a month, which is better than you.

The aunt’s gaze at Yu Sheng was no longer so repulsive. After all, they could see that Xiao Zixin didn’t like Zhou Hai at all.

Although they were a little unhappy to see this result, after all Xiao Zixin was unwilling, and they couldn’t force it.

“Huh, it’s just grandstanding. If you really like Xiao Zixin, why don’t you buy one for her.”

At this moment, Zhou Hai sarcastically said.

He saw that Xiao Zixin’s hand was only wearing an ordinary electronic watch, and there were no decent necklaces on her neck, and there were two ordinary bead flowers on his ears, and he laughed at Yu Sheng for not really loving Xiao Zixin at all. .

Of course, what he said mainly wanted to arouse Xiao Zixin’s emotions, Chi Guoguo’s provocation and separation.

“Yes, I just haven’t had time to give it to her.” Seeing that Zhou Hai was still not willing to give up, Yu Sheng smiled and prepared to make a big move.

As he spoke, he took out an exquisite small box and looked at the small box, Xiao Zixin was also puzzled. She remembers that when she and Yu Sheng bought gifts, they only bought the bracelet for her grandmother. Why is there a delicate box here for Yu Sheng?

Open the box for the rest of his life, everyone was stunned.

That is a necklace.

I saw that the entire necklace also exudes a dazzling colorful glass light, this light is very soft, not dazzling at all, it seems to give people a feeling of physical and mental comfort.

“Colorful colored glaze!” Zhou Hai couldn’t help exclaiming, his gaze at Yu Sheng grew darker. Colorful colored glaze is too scarce, and the price is even more than ten times that of diamonds. And the necklace that Yu Sheng took out, the colorful colored glaze alone is at least tens of millions of dollars in price, and you may not be able to buy it if you have money. Zhou Haizhen thought that his rival in love had such strength, he did not believe that Yu Sheng was just a department manager of the Four Seas Group. Damn, this kid is obviously pretending to be a pig and eating a tiger. What is the department manager of the Sihai Group, this is forcing his mother to be the son of the boss of the Sihai Group! Zhou Hai’s eyes became increasingly gloomy. It’s hard to be happy with someone who has such a powerful rival in love. Even at this moment, there is only despair in his heart! “Xiaohai, is that colorful colored glaze expensive?” Xiao Zixin’s aunt asked in a low voice. Although they often go to the jewelry store, they have never seen such a rare and precious thing. Thinking of Xiao Zixin’s uncle, Zhou Hai still gritted her teeth and said in a low voice, “This chain of colorful colored glaze luminous light is worth at least 70 to 80 million yuan.” “What? Seventy to eighty million!” Xiao Zixin’s aunt exclaimed, and the other aunts and aunts trembled. Even the old lady was not calm now. “Zixin, come, I’ll put it on for you.” Yu Sheng thought for a while, now that it’s taken out, let’s give it away. This colorful colored glaze necklace was originally a gift from his father to his mother. It was given to him by his mother before her death, saying that it was given to his future daughter-in-law.

Chapter: 224

But Yu Sheng escaped to Qiancheng that year, and did not dare to reveal his identity. So after marrying Yang Zihuan, he never took it out to Yang Zihuan. Because he knew that as long as he gave it to Yang Zihuan, it would cause a sensation sooner or later, and sooner or later Li Hongsu would find clues. Although he is no longer afraid of Li Hongsu finding him, his relationship with Yang Zihuan is on the verge of rupture, and he doesn’t want to take it out to send her. Isn’t he going to fight Xiao Zixin for an idea or something. The main reason why he gave it to Xiao Zixin was that he couldn’t stand this Zhou Hai. He wanted to use his absolute strength to let Zhou Hai understand the gap between them and prevent Zhou Hai from playing Xiao Zixin’s idea. This can be regarded as helping him complete the task smoothly. Now that Xiao Zixin had promised to help her perform this play well, then a good person would do it to the end. “Huh?” Xiao Zixin was also stunned, Yu Sheng passed the colorful colored glaze luminous chain through her hair and put it on her, she was still at a loss. She was caught off guard by this forced pretense for the rest of her life. The seventy-eight million necklace, she just wanted to take it off and return it to Yu Sheng, when she suddenly thought that Yu Sheng was cooperating with her in acting. Although she was surprised in her heart, she still held it back and waited until the matter was over before returning it to him. “It’s beautiful!” Looking at Xiao Zixin wearing a colorful colored glass luminous chain, even her aunts and

aunts couldn't help but exclaimed.

Zhou Hai wanted Xiao Zixin even more, but he originally wanted to dig a hole for Yu Sheng to jump. He didn't expect this kid not only to jump down, but also to push himself to the edge of the cliff.

Your mother took out the colorful colored luminous glaze chain. It's just a damn thing if he didn't make a move. Once he made it, Zhou Hai was completely beaten and could not fight back.

The old lady looked at her granddaughter and was amazed. It was so beautiful.

"The guests are almost here, and I'm going to eat."

At this moment, Xiao Zixin's mother walked in and said.

When she saw the dazzling necklace on her daughter's neck, she was stunned.

"Little Si, I'm surprised, guess how much the necklace Yu Sheng gave Zixin this necklace?" Xiao Zixin's second aunt smiled.

"This...should be quite expensive." Xiao Zixin's mother said with a look of surprise.

Although she doesn't know how much this necklace is worth, she knows it must be expensive.

This is the most beautiful necklace she has ever seen in her lifetime, and there is no one!

"Xiao Hai said it would cost 70 to 80 million. This is a real colorful glass chain," said the second aunt.

"This is the legendary colorful glass chain?!"

Mother Xiao opened her mouth wide in shock, staring at Xiao Zixin's neck, unable to move away.

As a former business woman elite, Xiao Mu has also heard the legend of colorful colored glaze.

One appeared more than 20 years ago, and it is said to have been photographed by a local tyrant in Beijing with a rank of 100 million.

There are not many people who know about this, and I can't imagine that this necklace is now on my daughter's neck!

"For the rest of your life, you, who are you?"

Mother Xiao suddenly turned around and stared at Yu Sheng blankly.

How can a person who can produce such an expensive necklace wear such an ordinary one?

Chapter: 225

Seeing her mother questioning Yu Sheng, Xiao Zixin's mood suddenly became a little nervous.

If you wear it out, won't all this be in vain?

"Mom, I told you that, Yu Sheng is the department manager of our company, with a monthly salary of nearly one million!" Before Yu Sheng could answer, Xiao Zixin said hurriedly.

Millions of monthly salary?

call!

Everyone took a breath.

This department manager is better than many bosses!

At this moment, everyone's eyes looking at Yu Sheng were full of envy.

Seeing the eyes of the relatives, Xiao Zixin was also deeply moved.

If they knew Yu Sheng's true identity, they wouldn't know what it would be like to be shocked.

Xiao's mother Jing's daughter reminded, and she reacted quickly.

No matter what identity he is for the rest of his life, this is not the time to be held accountable.

She took a breath, calmed her mood, and said, "Vice Bureau Zhou and they are here too, they can eat."

"Well, well, eat first." The old lady nodded, then got up and walked towards the lobby, Xiao Zixin and her second aunt hurriedly helped the old lady over.

Hearing his father came, Zhou Hai quickly walked out of the hall with a gray face. This is not a place for

him to stay. If he stayed any longer, he felt that he was going to vomit blood. The competitors were not in the same grade as him.

This kid is too damn good to pretend to be a pig and eat a tiger, his level of identity, it is estimated that his father will be unfair.

Zhou Hai's heart was as gray as death, and he could no longer hold up any confidence in pursuing Xiao Zixin. His heart was already dead and was completely shattered by the rest of his life.

"Mom, didn't you say that Bureau Wu is also coming, or let's wait a while before opening the table."

Xiao Zixin's auntie said while looking at the old lady.

"He said he didn't have to wait for him, he would come later."

The old lady said, "Let's open the table first."

When everyone walked out of the hall, they saw Xiao Zixin's uncles and uncles entertaining several people. Among them, the middle-aged man Zhou Hai standing next to him was Zhou Yilin, the deputy bureau of the Kaiyang County Public Security Bureau.

Then another middle-aged man named Lu Pinyuan next to him was also an important person. Zhou Hailin's old friend heard that Zhou Hai was coming to be married to Lin's granddaughter. They were all in the same position, and he followed the old lady. Happy birthday.

Watching the birthday star come out, Monday Lin and Lu Pinyuan stepped forward to say hello, and everyone politely turned over.

On Monday, Lin and Lu Pinyuan hadn't seen Mrs. Lin who had retired for 15 or 6 years for many years, so they didn't think about her changes.

The birthday star took the first place, followed by Zhou Yilin, the most distinguished guest at present. According to the customs of Qian Province, the birthday star always sits in the main seat, and her left and right sides are arranged for the main guest and the second guest, and the other guests and the Lin family accompanying the reception are arranged in order. As for the juniors, they can only sit on the vice seat.

On Monday, Lin almost walked over and sat on the right side of Shou Xing Lao without even thinking about it, but Grandma Shou Xing pointed to the left position and said politely, "Master Zhou, you sit here."

On Monday, Lin was stunned slightly, and a trace of dissatisfaction and dissatisfaction flashed in his eyes, but he immediately smiled and walked to the left position.

"Master Zhou, Wu Guanpei and Wu Ju said that he will also come today, so..." Lin Zhengshan explained hurriedly.

Wu Guanpei?

On Monday, Lin and Lu Pinyuan were shocked. They were the leaders of the Provincial Public Security Department!

They are a thousand miles away from Wu Guanpei

The Lin family is actually related to Wu Ju?

Chapter: 226

The two looked at each other, and both saw shock in each other's eyes.

This Lin family can't see it!

"Ju Wu is coming too, it should be." On Monday, Lin laughed relievedly, but there was a new thought in his heart. Wu Ju would also come to give Lin Zhengshan's mother birthday, this release The amount of information that comes out is worthy of his thinking.

After Lin Jin sat down on Monday, Lu Pinyuan also sat down in his starting position, followed by Xiao Zixin's uncle Lin Zhengshan, and several respectable elderly people in the village.

Although everyone was humbly, but there was no disorderly customs.

"Zixin, Yu Sheng, you two sit here." Seeing Xiao Zixin leading Yu Sheng to the side table, the old lady pointed to the last two vacancies and said to them.

"Grandma, let's sit here." Xiao Zixin said, she didn't want to mess with customs.

"You kid, why are you so ignorant." The old lady scolded with a smile.

"Or let's have a table with grandma." Yu Sheng guessed that the old lady let them sit at the main table, it must have her meaning, and it must be related to Xiao Zixin and herself, so he did not refuse.

"Okay." Seeing Yu Sheng said so, Xiao Zixin had to agree.

"Mom, just ask Yu Sheng to sit at the main table, and Zi Xin can still sit at the deputy table." Xiao Mu frowned and said.

In Qian Province, when young women entertain guests, especially VIPs like Zhou Yilin, women are not eligible to serve at the table.

"What age is it, why do you still pay attention to these? Sit together, sit together." Zhou Yilin laughed. Seeing that Zhou's deputy bureau had spoken, Xiao's mother stopped saying anything.

Yu Sheng sat down next to Zhou Hai, and Xiao Zixin sat beside Yu Sheng.

According to Zhou Yilin's eyes on this method of sitting, he felt that it was unfavorable to his son.

"Zhengshan, this little brother is very unfamiliar, let me introduce it to everyone." Lin Zhengshan is Zhou Yilin's deputy, sitting here, with a feeling of completely treating himself as his master.

In fact, this is also normal, because here he is the highest and most noble.

"This should be Zixin's friend." Lin Zhengshan chuckled, not quite sure what was going on.

"Oh, it's a friend, that's a guest from far away, how can you get from Zhou Hai's position? Xiaohai, get up and change your position with this little brother. Sit down." Zhou Lin smiled without a trace.

Zhou Hai's position is higher than Yu Sheng's position. This seems to say that Yu Sheng's identity is more noble than his son's. In fact, he wants to create more opportunities for his son to get close to Xiao Zixin, because he has already learned from Mrs. Lin. In the arrangement, there is a hint of different meanings of looking for growth.

"Master Zhou, I don't think there is any trouble. They just sat together in small mouths." Xiao Zixin's grandmother said directly.

Anyway, you have to face Zhou's family. It's better to say it earlier, so that when Lin first proposes to make a marriage on Monday, it will make him unable to get off the stage. Then he will really offend Zhou's family to death. NS.

"what?"

As soon as Mrs. Lin's voice fell, everyone sitting beside Yu Sheng, Xiao Zixin and Zhou Hai looked incredulous.

It is not false to wish the old lady a birthday today, but it is also well-known to take this opportunity to discuss the marriage between the Lin family and the Zhou family.

But at this moment, Zhou Yilin's face was extremely embarrassed.

"Uncle, this is the rest of my boyfriend's life. I have never had the opportunity to introduce it to you before." Xiao Zixin stood up and pointed to Yu Sheng and said to Lin Zhengshan.

"Hello, uncle." Yu Sheng also stood up and greeted Lin Zhengshan.

Lin Zhengshan's face instantly turned gray, and he nodded to Yu Sheng mechanically, but couldn't say anything.

The marriage between Xiao Zixin and Zhou's family is related to their future.

Everything is said and done, but today Xiao Zixin brought a boyfriend.

How did they explain to the Zhou family?

The expressions of the others in the Lin family also changed several times.

On Monday, Lin and Lu Pinyuan, the two biggest distinguished guests on the spot, looked at Yu Sheng's expressions at all.

When other Lin family juniors heard this shocking message, they all looked hot, but Xiao Zixin's mother was very worried. This was going to irritate Master Zhou's rhythm.

Yu Sheng certainly wouldn't take Zhou Lin and Lu Pinyuan's anger in his eyes.

To be honest, Zhou Yilin, the little one, is really not qualified to flap his wrists with him, whether it is soft or hard.

"The Wu Bureau is here!"

At this moment, someone suddenly said, everyone looked up and saw an old man in his fifties walking in.

Chapter: 227

Seeing Wu Ju was here, everyone naturally put aside the affairs of Xiao Zixin and Yu Sheng, and stood up to greet them. Only on Monday, the father and son Lin secretly said bad luck and secretly cursed Wu Ju at the wrong time.

But Bureau Wu is not an ordinary person, he is the chief of the provincial government, the boss of their boss.

Everyone first pressed their dissatisfaction with Yu Sheng in their hearts, gave him a fierce look, and then moved their gazes to Wu Ju.

Wu Guanpei was also an employee of Mrs. Lin when he went to the provincial city of Qiancheng, and Mrs. Lin took good care of him.

Although Wu Guanpei and Mrs. Lin are very different now, he is a person of gratitude and has always maintained a good relationship with Mrs. Lin.

So Mrs. Lin wishes her birthday, of course he will come.

It stands to reason that the Lin family has such a relationship and shouldn't be in favor of Zhou Lin.

But Mrs. Lin is an upright person, and her children and grandchildren have to rely on their own efforts if they want to be in position.

So no one dared to let Old Lady Lin use Wu Guanpei's relationship.

"Haha, old leader, happy birthday, good health, and a long life." As soon as Wu Guanpei came in, he greeted the old lady Lin, the birthday star.

"Haha, Bureau Wu is polite." Mrs. Lin smiled.

"Wu Bureau, good evening, you are here too." Zhou Yilin said with a smile.

"Wu Bureau." Lu Pinyuan also said hello with a smile.

Wu Guanpei looked at the two of them and was also a little surprised.

As a bigwig in the system, he certainly recognized Zhou Lin and Lu Pinyuan, and he was a little surprised that they were also related to the Lin family.

Wu Guanpei nodded and said with a smile: "It's Yilin and Pinyuan, it seems that the old leader's birthday is so hot."

"Yes, it's very hot." Zhou Lin and Lu Pinyuan laughed with them.

Zhou Hai looked back and saw that Yu Sheng hadn't greeted Wu Ju, with a sneer in his eyes.

This kid is floating, he doesn't even look at Wu Ju?

He was suddenly a little excited, and when he deliberately provoked it, he was going to see how the rest of his life would end.

Surrounded by everyone, Wu Guanpei walked to the main table.

"Yu Sheng, you are such a big air. Even if Wu Ju is here, you don't even go out to greet you? Do you still have Wu Ju in your eyes?" When he came to the main table, Zhou Hai scolded Yu Sheng, who stood up to greet him. road.

At this time, everyone noticed that Yu Sheng did not go out with them to meet Wu Guanpei.

Just now everyone's attention was on Wu Ju, and they didn't realize that for the rest of their lives, they didn't move.

Everyone in the Lin family changed their expressions, and the old lady Lin frowned.

Wu Guanpei respected her because she had helped Wu Guanpei many times when Wu Guanpei was just a small employee.

But this does not mean that her family can disrespect Wu Guanpei.

Moreover, Wu Guanpei is now the head of the provincial government. People can come to give her birthday, which is the supreme glory of the Lin family.

How could she allow her family to be so presumptuous.

At this moment, the old lady Lin, who had a good impression of Yu Sheng, was very disappointed in her eyes.

It's one thing to have money, and another to attitude.

She admitted that for the rest of her life, she was very rich and very generous.

But in her view, Yu Sheng's character has a big problem.

Self-esteem is too high, this is a taboo in maintaining interpersonal relationships.

At this moment, seeing everyone in the Lin family treat Yu Sheng with cold eyes, Xiao Zixin frowned and she didn't know what to say.

When Lin and others saw this, a smile appeared at the corners of their mouths.

He was a little angry just now that the Lin family repented of their marriage.

I didn't think that Xiao Zixin's boyfriend would be so dead.

This is really a great opportunity for them to fight back.

"Ah, Yu Dong, you are here too!"

Chapter: 228

Wu Guanpei suddenly saw Yu Sheng with a look of surprise, and then the surprise on his face turned into a smile, and he stretched out his hand to hold Yu Sheng together.

Wu Guanpei knew Yu Sheng only at the commendation meeting held this morning.

Had it not been for the commendation meeting this morning, he would have never imagined that a civilian hero who dared to block bullets for others with his body and was not afraid of gangsters would be the chairman of the Four Seas Group.

The Sihai Group is a large tax group in the entire Guizhou Province. The annual tax collection is astronomical. Even the top leader has to try his best to win the rest of his life and prevent him from moving the company to other provinces.

Of course he should be polite to the rest of his life.

Besides, Yu Sheng, a big man who sacrificed his life as a man, deserves his respect from the heart.

"Yeah, I didn't expect Wu Ju would also come." Yu Sheng shook hands with Wu Ju and smiled politely.

He did have some surprises, Wu Guanpei still had friendship with the Lin family.

It seems that the Lin family network is also good.

“Yu Dong, there is no chance to drink in the morning. Tonight we have to have a good cup.” Wu Guanpei shook Yu Sheng’s hand and smiled enthusiastically.

“Just call me Yu Sheng.” Yu Sheng winked at Wu Guanpei and smiled.

Wu Guanpei was startled, and quickly understood that Yu Sheng did not want to reveal his identity as the chairman, so he nodded.

“Come and come, Mr. Yu, let’s sit on the side of the old leader.” Wu Guanpei took Yu Sheng to the main side.

Yu Sheng smiled and had to follow Wu Guanpei.

Everyone was dumbfounded at this time, each of them widened, and they couldn’t believe it.

Who is this guy?

Why is Wu Ju so polite to him?

Zhou Lin and others’ faces are quite ugly.

Especially Zhou Hai, he thought he was going to move back to a city, but he didn’t expect that Yu Sheng would strike him again.

“Wu Ju, you and Xiaoyu?” Old Lady Lin asked curiously.

Everyone looked at Wu Guanpei.

Wu Guanpei was startled, and said with a smile: “As soon as I see you guys are not watching live TV today.”

He smiled and then said: “The robbers robbed the bank a few days ago. At that time, it was Mr. Yu who brought down many armed robbers and saved everyone.

Mr. Yu is a hero of our people in Qian Province, you don’t even know. ”

“Ah? Is there anything like this?” The old lady Lin was startled, her eyes changed when she looked at Yu Sheng.

The young man is of noble character!

Zhou Hai and others hurriedly took out their mobile phones and searched, their expressions changed.

This guy is so awesome, I really can’t see it!

Zhou Yilin and the others also really took it.

They had also heard about this. At the beginning, this kid dared to block bullets for others with his body.

He was a cruel person.

It just made them feel a little bit astonished that the original hero of the people was actually this kid.

However, based on Zhou Zhoulin’s IQ, he felt that Wu Guanpei would not respect Yu Sheng so much just based on this.

This kid must have some other identity.

Who will he be?

On Monday, Lin frowned slightly, and suddenly thought of Wu Guanpei’s name for Yu Sheng just now.

Yu Dong?

Is he the chairman of a certain group?

Chapter: 229

For the rest of his life, he was still a civilian hero, and the Lin family still had respect in his eyes.

Xiao Zixin’s mother also raised her eyebrows, wondering if she would still have such noble qualities for the rest of her life.

As for his quality, does his identity still matter?

Besides, he saved his life and helped his family solve the curse.

With this in mind, the more Xiao's mother looked at Yu Sheng, the more satisfied.

Such a son-in-law seems to be the best home she wants to find for her daughter.

In the next meal session, under the leadership of Wu Guanpei, the atmosphere has been very active, and the enthusiasm for drinking and eating is extraordinary.

Watching Xiao Zixin and Yu Sheng's eyes become more admired and gleaming, Zhou Hai, who is next to her, feels very uncomfortable.

Every bite of food is like swallowing shit.

Compared with the whole hot banquet, Zhou Hai feels that he is a lonely weed, which is not reasonable, and there is no weed that anyone pays attention to.

Even after the banquet, Zhou Hai's heart was still a little twisted.

"Zixin, we have an outing tomorrow, are you going?" After the feast, Zhou Hai stopped Xiao Zixin and Yu Sheng.

He was already a little distorted in his heart, and he was really angry if he didn't teach the rest of his life a harsh lesson.

"Sorry, I'm going back to work tomorrow." Xiao Zixin said apologetically.

"Just ask for a leave. Tomorrow's outing will be the rich second generation of our Kaiyang, even if we have a relationship with them, it will be a big help in the future." Zhou Hai said with a smug face.

"Thanks, I really want to go to work." Xiao Zixin shook her head. She is doing well at work now, and she is not interested in getting to know the rich second generation here.

An unhappy flashed in Zhou Hai's eyes and turned to Yu Sheng: "Yu Sheng, aren't you a hero? Do you dare to go on an outing with us tomorrow?"

He said provocatively and looked at Yu Sheng.

Yu Sheng smiled faintly, originally disdainful of Zhou Hai in his heart.

But at first glance, this guy still didn't give up on Xiao Zixin.

If this is the case, let a good person do it to the end and help Xiao Zixin completely get rid of this guy's entanglement.

"What can't you dare?" Yu Sheng raised his eyebrows.

Zhou Hai was overjoyed and looked at Xiao Zixin again: "Xiao Zixin, your boyfriend has agreed, so you can rest assured that he will play with us alone?"

Xiao Zixin frowned and looked at Yu Sheng. Yu Sheng smiled and said, "Just ask for leave tomorrow. It's rare to come to Kaiyang. Have fun."

"Yeah." Xiao Zixin nodded, she said so for the rest of her life, of course she wanted to listen.

Seeing the two agreed, Zhou Hai felt a little excited.

"Well, we will gather in the square tomorrow morning at ten o'clock." Zhou Hai said and went back.

He must prepare well, and tomorrow he will let Xiao Zixin see clearly that the so-called hero in her mind is nothing but a bear!

At night, the rest of his life was going to go back, and it was only more than an hour away anyway, but was saved by the Lin family, he had to send a message to Yang Zihuan, saying that he had something to do not going back today.

Although his current marriage with Yang Zihuan is basically in a non-existent state, there is still no formal divorce, as a husband should do, he still has to do.

To be honest, for the sake of his son, although he did not want to divorce Yang Zihuan, he knew in his

heart that with the indifferent relationship between the two of them now, the divorce would be a matter of time.

Old lady Lin pulled Xiao Zixin and the others to chat, but Lin Zhengshan and others let Yu Sheng play chess with them.

A few hours passed quickly.

The old lady is not very well, she has already fallen asleep.

It was too late for everyone to see each other, and they all fell asleep.

Chapter: 230

“Zixin, the room is well packed for you, so you should rest early.” The uncle said, leaving Yu Sheng and Xiao Zixin to a room.

“Is there any room available?” Yu Sheng asked.

“No, let’s talk about it, what’s the embarrassment? You young people now live together if you talk about it.” Auntie smiled with an expression that I knew everything.

The rest of his life stretched out her hands, but Xiao Zixin’s pretty face turned red at once, like a red cloud, and the atmosphere became a little subtle.

The auntie left as she said, the two stood at the door of the room, both a little embarrassed.

“Or I’ll sleep on the sofa in the living room.” Thinking about sleeping in the same room with Xiao Zixin, even if he doesn’t have evil thoughts for the rest of his life, it seems impossible to sleep peacefully.

“How can it work? They will show you what they found. Don’t worry, you will sleep on the bed and I will sleep on the floor, but don’t think of squeezing a bed with me.” Xiao Zixin bit her lip and said with a blushing face.

“Of course, but let me sleep on the floor. I have thick skin.” It’s not like squeezing the same bed, or Xiao Zixin’s figure full of infinite temptation to men, I can’t guarantee that I can control it for the rest of my life. Do not move evil thoughts.

“How embarrassing you are, you come to help me all the way, and let you sleep on the floor, it’s impossible.” Xiao Zixin’s eyes flashed a touch of emotion.

“What’s the embarrassment, you are my secretary.” Yu Sheng smiled.

“Well, go wash and sleep.” Xiao Zixin gave him a light push and smiled.

Hearing the words “Go wash, wash and sleep” came out of Xiao Zixin’s mouth, it felt unnatural for the rest of my life.

At the same time, the heart pounded, and the blood flow speeded up quietly.

I have to say that Xiao Zixin is indeed very beautiful, her figure, appearance, and temperament are all first-class standards. Unlike Yang Zihuan’s maturity, Xiao Zixin is a beauty full of youth and vitality, which naturally evokes men’s pursuit and yearning.

Compared with Xu Qianqian’s natural charm, her simple temperament seems to be less tempting, but she has the grace of a scholarly family.

Yu Sheng went into the bathroom, and after washing it out, she found Xiao Zixin kneeling on the floor to help him make up the quilt and quilt.

The T-shirt that Xiao Zixin wore today, although she was not very plump there, but in this posture, the two huge ones still opened up the neckline and pulled it down fiercely.

Yu Sheng opened the door and saw this sight as soon as he came out, his heart beating faster too inexplicably.

“You... don’t watch.” Xiao Zixin heard the sound of the bathroom opening and knew Yu Sheng was out.

But for a long time he didn't see any movement, and raised his head to look at him, only to find that there was something wrong with his gaze. Following his gaze, Xiao Zixin lowered her head and glanced at her neckline, and her face suddenly fluttered with red clouds.

At this moment, although she was not allowed to look at her mouth, she was inexplicably anticipating in her heart.

"Ahem, um, let me do it myself, and you go wash and sleep." Yu Sheng hurriedly retracted his gaze, a little embarrassed.

He really didn't want to watch it on purpose just now. It's just that this scene was so eye-catching and tempting. He couldn't help but take another look. Just about to take his gaze back, he thought that he would be caught by Xiao Zixin. It's embarrassing.

"Pervert, come by yourself. I'll take a shower. Keep your eyes safe. Don't peek, you know." Xiao Zixin stood up, took the change of clothes, and went to the shower.

After a while, there was a rushing sound from the bathroom.

For the rest of his life, he laid the floor, took off his shoes and socks, and wore clothes and pants to fit on the floor.

It's just that the direction in which he was lying just faced the bathroom, and suddenly a beautiful figure who was covered in a cage but could roughly see the figure was printed into the eye through the quicksand glass.
