

Chapter: 251

I have to say that the smell of crocodile meat is really fragrant and delicious, and it is still not roasted, and the fragrance is released. Everyone can't help but swallow.

It was quickly baked. Yu Sheng first handed Xiao Zixin a piece, and then handed a piece to each of the other beauties, before tearing a piece and eating it by himself.

Chen Qinshou, Zhou Hai and others couldn't help swallowing all of them watching the rest of their lives eating with relish.

But let them come up for the rest of their lives, they certainly won't.

"For the rest of my life, you're done, and you killed the crocodile, a second-level national protected animal. If you don't go to jail, I will follow your last name!" Chen Qinshou suddenly said coldly.

Everyone was startled, there was an urge to throw away the crocodile meat in their hands.

Crocodile is indeed a second-class national protected animal. It is illegal for them to roast crocodile meat.

"Stupid." Yu Sheng didn't look back, just faintly replied.

"Grass, you dare to call me stupid, you are dead, Ben Young will let the police arrest you now!" Chen Qin Shou was very angry, and he called the police when he took out the phone.

Liu Qianshuang and others couldn't help but frowned, and subconsciously threw the last bit of crocodile meat on the grass.

They are also afraid that the police will come and be implicated.

"Shao Chen, the alarm seems useless." Zhou Hai said when he saw this.

"Huh? What do you mean?" Chen Qinshou frowned and looked back at Zhou Hai.

"This kid has a very strong relationship. Wu Guanpei, the head of the provincial government, has a very good relationship with him. The two are also called brothers." Zhou Hai explained.

Chen Qinshou frowned and fell into deep thought. If Yu Sheng really had such a relationship, wouldn't he be a joke to call the police? He would be beaten in the face in the end.

But if he didn't call the police, he would be unhappy in his heart!

"Really?" Chen Qinshou asked in a deep voice.

"Well, my dad and I were there at the time, and we were still eating at the same table." Zhou Hai nodded.

"Damn, I didn't think that this guy should have this relationship, so Ben Shao looked down on him!"

Chen Qin gritted his teeth bitterly, his eyes burst into flames.

Crocodile meat is a trivial matter, and it can't arouse his anger so much.

He was angrily watching the scene where Liu Qianshuang and Yu Sheng were talking and laughing.

Because not only left Liu Qianshuang to escape, but also led the crocodile to Liu Qianshuang and others. At this time, Chen Qinshou, no matter how thick-skinned he was, he could talk to Liu Qianshuang with a face.

But watching the woman he likes talking and laughing with other men, he couldn't help feeling uncomfortable.

"Damn, I will definitely let him die, let's go!" Chen Qinshou snorted coldly, and then left with Zhou Hai and others angrily.

He had already thought of the means to concoct the rest of his life.

That is to persuade his dad to spend money to ask Dong Xiajun, deputy of the Sihai Group, to take

action. Based on his father's relationship with Xia Jun, he believes that Xia Jun will definitely give this face.

As long as Yu Sheng is kicked out of the Four Seas Group, all he has is the means to accommodate the rest of his life!

"Don't worry about eating. What are you afraid of? This crocodile is going to eat us. We are also fighting back in self-defense. It's useless when the police come." Yu Sheng looked at several people and said.

"I have almost eaten." Bai Susu said.

Several other people also nodded one after another, indicating that they were full.

Yu Sheng glanced at Xiao Zixin and Liu Qianshuang, saw that they stopped eating, smiled, and ate by themselves.

Although crocodile meat replenishes vitality, ordinary people actually eat it.

But he is a martial artist, and he will use cultivation formulas to refine and use it in the body, and the effect is very good.

Moreover, the rest of the crocodile meat, for the rest of his life, there is no plan to throw it away.

He was going to take it back to give Yu Zhong, Du Fei and the others a full meal.

As for the blood and internal organs he collected, he used it to refine alchemy.

Although he has learned how to make alchemy these days, he hasn't done it yet, so he is going to go back and try it.

The next show is not interesting.

Especially Yu Sheng snatched Chen Qin Shou's limelight and became the protagonist. Chen Qin Shou and others were not interested in playing again and prepared to take the team back to the market early.

Chapter: 252

"Dad, it has been found out that the man is the son-in-law of the Yang family, called Yu Sheng."

Zhang Family, Zhang Wanqiu said to her father Zhang Shengquan.

In the past two days, she finally found out the details of Yu Sheng. The moment she knew that Yu Sheng turned out to be the son-in-law of the Yang family, her heart trembled.

A door-to-door son-in-law turned out to be a Feng Shui master, which is indeed a bit surprising.

This is what Zhang Shengquan thinks at this time.

"My son-in-law?" Zhang Shengquan frowned, a little unbelievable.

"Yes, but I believe he is really capable of solving our family's affairs." Zhang Wanqiu said firmly.

"Well, let him come and have a look first." Zhang Shengquan nodded, no matter what, their Zhang family won't be worse than it is now.

So no matter whether what the daughter said was true or not, he felt that it would not be a bad thing to let the door-to-door son-in-law come and try.

"It's mainly because Zhang Daoyi offended him last time. I don't think he will help our family easily."

Zhang Wanqiu said.

Zhang Shengquan frowned and said, "Give him more money."

He didn't believe it anymore. A door-to-door son-in-law dare to bargain with their Zhang family.

Zhang Wanqiu smiled bitterly, "Dad, that person is not simple. I feel that he is not a simple door-to-door son-in-law, and from the conversation that day, I feel that you don't come out in person, or Zhang Daoyi doesn't apologize to him personally. It might help our family."

"Is he really the son-in-law?" Zhang Shengquan frowned again. Is the son-in-law still so hungry?

He didn't believe it.

“Yes, he is really the son-in-law of the Yang family. By the way, he is still a civilian hero.” Zhang Wanqiu nodded.

“Popular hero?” Zhang Shengquan looked at his daughter in confusion.

“In the bank robbery case a few days ago, he solved the case after overcoming eight robbers.”

Zhang Wanqiu thought of something, and then said: “By the way, I watched the TV rebroadcast. On that day, he blocked the bullet for others. The provincial government gave him the title of popular hero, and he was broadcast live on TV.

By the way, the provincial government gave him a bonus of 10 million, and he donated it on the spot. There was no need for a single point. Therefore, I think that if we use money to hit him, it is likely to be worth it.”

“Is there anything else?” Zhang Shengquan was a little surprised.

Is this a son-in-law?

Don’t want ten million, donate it directly, this is the super second generation.

Zhang Wanqiu nodded, then turned on the phone, searched out the rebroadcast, and showed it to Zhang Shengquan.

After watching the replay, Zhang Shengquan became silent.

For the rest of my life on TV, there is nothing extraordinary.

On the contrary, being so young gives people an unreliable feeling.

You know, Feng Shui academics are generally considered proficient only when they are in their 50s or 60s, and only those who have real talents can be regarded as masters.

Does this door-to-door son-in-law really work?

“Forget it, I will invite him personally, and I hope he won’t let me down.”

After thinking about it, Zhang Shengquan made a decision.

Chapter: 253

The rest of his life returned to Qian? City that night, and the first thing he came back, he sent crocodile meat to Du Fei and the others.

At the same time, he also asked Du Fei to buy him an alchemy stove.

Then he went back.

Just a while after returning home, I heard a knock on the door.

But his mother-in-law Gao Qing was watching TV in the living room, and he didn’t even come out to open the door.

“Who are you looking for?” Gao Qing opened the door, seeing Zhang Shengquan, Zhang Wanqiu and Zhang Daoyi, asking in confusion.

The three of them were not easy to come by, and Gao Qing didn’t dare to be careless.

“Hello, my name is Zhang Shengquan, is Yu Sheng here?” Zhang Shengquan smiled, with a good attitude.

“But Jinyang Zhang’s family advocates birth rights?” Gao Qing looked at Zhang Shengquan in shock.

The Jinyang Zhang family is the most famous antique family in Qiancheng. In the antique industry, no one knows, no one knows. Why are they looking for Yusheng’s waste?

“Yes, it is Zhang.” Zhang Shengquan’s smile remained unchanged.

“Ah, it’s Patriarch Zhang, please come in!” Gao Qing hurriedly greeted the three of them to enter the house.

After entering the room, Zhang Shengquan and Zhang Daoyi looked at the layout of the living room, and suddenly they looked down upon the rest of their lives.

Especially Zhang Daoyi was very upset when he thought of apologizing to a door-to-door son-in-law.

“Auntie, is the rest of your life alive?” Zhang Wanqiu asked Gao Qing.

As soon as Gao Qing was about to call Yu Sheng, Yu Sheng came out from her side.

“Master Yu.” Zhang Wanqiu hurriedly greeted Yu Sheng when he saw it.

“Yeah.” Yu Sheng nodded and looked at Zhang Shengquan and Zhang Daoyi.

“This is my father.” Zhang Wanqiu introduced. As for Zhang Daoyi, she didn’t have an introduction, anyway, she knew him for the rest of her life.

Yu Sheng looked at Zhang Shengquan, and Zhang Shengquan smiled and said, “Master Yu, it’s like this. Recently, my Zhang family is not going well. Please help my Zhang family to check the feng shui.”

“Wang Kong, please be smart.” Yu Sheng said lightly.

Zhang Wanqiu knew that Yu Sheng would surely be alive with his cousin Zhang Daoyi’s anger, so he winked at Zhang Daoyi.

Zhang Daoyi frowned, reluctantly in his heart, but still stepped forward to Yu Sheng and said, “Master Yu, I’m sorry, I was impulsive that day.”

Seeing that Zhang Daoyi didn’t apologize at all, Yu Sheng sneered: “Who are you? I don’t know you. Please leave my house immediately, otherwise don’t blame me for being rude to you.”

This kid was too arrogant that day, and for the rest of his life he didn’t have a good face to him.

Zhang Daoyi’s face changed drastically, and he said solemnly: “You’re just a fucking son-in-law, what are you pulling? Uncle, you believe me, this guy is a liar, not a Feng Shui master at all.”

He said and looked at Zhang Shengquan, as long as Zhang Shengquan was on his side, he was not afraid of the rest of his life.

“You said I was a liar?”

Yu Sheng smiled. He stared at Zhang Daoyi’s Yintang for a while, and saw that a suffocation had been solidified, and then sneered: “You saw a ghost last night, right, and you are still a female ghost.”

Zhang Wanqiu and Zhang Shengquan looked at Zhang Daoyi.

“You, you, how did you know?” Zhang Daoyi exclaimed, as if he really saw a ghost.

He really couldn’t believe that Yu Sheng knew about it.

He hadn’t talked about this matter to anyone, even his parents.

How did the rest of my life know?

At this moment, Zhang Daoyi’s eyes were full of horror.

Chapter: 254

Yu Sheng sneered and looked at Zhang Wanqiu: “Did you have hallucinations when your car failed that day? In fact, your car didn’t fail.”

“Yes!” Zhang Wanqiu’s heart was shocked, and he no longer doubted the rest of his life.

After the insurance company took her car for inspection that day, it told her that it had just crashed the front cover. In fact, there was no problem with her car.

And she also remembered that in the whole process of the so-called “failure”, she herself was dazzled. It is an illusion that the sidewalk is the lane.

Yu Sheng looked at Zhang Shengquan again, Zhang Shengquan also had a suffocating air between his eyebrows, but he was not as thick as Zhang Daoyi.

“You heard a woman crying at night last night. The cry was sad, but you don’t know where the cry came from, as if it was automatically sounded in your mind, right?” Yu Sheng said lightly.

Observe the evil spirits.

This is the Feng Shui technique in the Nine Profound Sky Classics.

By observing the evil spirit between the opponent's eyebrows, he can see through the supernatural events that have happened in him.

Generally, Feng Shui masters do not.

As soon as Yu Sheng's voice fell, Zhang Shengquan's entire expression suddenly changed.

He stared at Yu Sheng in a daze, his heart shocked to the extreme.

What Yu Sheng said was all right. He also hadn't told anyone about this matter, but Yu Sheng said it all. He is really a master!

Zhang Shengquan no longer doubted Yu Sheng. He paused and wanted to invite Yu Sheng to his mouth, but Yu Sheng sneered: "Do you still call me a liar now?"

"No, no, Master Yu is a real master. My nephew is ignorant. Please don't care about him in general!"

Zhang Shengquan hurriedly saluted.

Yu Sheng sneered and said: "I'll tell you the truth, Zhang Daoyi will not survive for five days, and he will die within five days, and you, Zhang Family Patriarch, right, you are also a dying person. After Zhang Daoyi's death, he will die next. It's you until everyone in your Zhang family dies."

This is not a big threat to him, because Zhang Daoyi's previous pendant has already raised the spirit evil spirit in their house, and the spirit evil spirit is immortal, and everyone in their family must die.

Zhang Shengquan's expressions changed drastically, and they were a little scared in their hearts.

"Master Yu, this disaster in my Zhang family was caused by the ancient jade before my nephew?" Zhang Shengquan asked for a while.

"Yes, the evil spirit in Yuli has been cultivated by him into a spirit. If this spirit is not eliminated, all of you Zhang Family will become its nourishment." Yu Sheng said.

The three of them trembled again, and Zhang Shengquan clasped his fists to Yu Sheng: "I beg the master to show the way!"

Yu Sheng looked up at the ceiling, unmoved.

Zhang Shengquan immediately understood. He slapped Zhang Daoyi's face with a slap when he turned his head and said angrily: "This happened because of you. Why don't you hurry down and apologize to Master Yu and ask Master to forgive you?"

Zhang Daoyi was really frightened!

He really didn't think that the Zhang family's recent fleeting years were unfavorable and that his blood and light disaster was caused by that piece of jade. Now he can't escape the blame and angers the only Master Yu who can resolve everything. He is really afraid of returning home. , Was beaten to death by the crowd in the family.

So he knelt on the ground trembling immediately, kowtow to Yu Sheng, and begged: "Master, I'm wrong Master! It's me who has no eyes, I don't know whether I live or die, I don't know good or bad, please forgive me, and help us by the way. Home, I kowtow to you..."

After that, Zhang Daoyi knocked his head on the floor, making a bang.

Gao Qing next to her was completely frightened.

Opening his mouth wide, I don't know what to say for a while.

Chapter: 255

This is Jinyang Zhang's family!

It was the famous Zhang family in the antiques world, who actually knelt to Yu Sheng's rubbish.

What kind of master is this trash?

After the shock, Gao Qing looked at her trash son-in-law and couldn't believe it. What happened today is incredible. What is the identity of the rest of your life? "I said, I don't know you." Yu Sheng said coldly.

Seeing Yu Sheng was unmoved, Zhang Shengquan didn't dare to have a temper at all. When he came before, he still looked down on Yu Sheng in his heart. It was just because he subconsciously felt that Yu Sheng was no more than a door-to-door son-in-law who ate soft rice, and could not contact any Feng Shui master at all, so he had a slight contempt for Yu Sheng.

But just now, Yu Sheng's words have convinced him. Moreover, he also believes that the only one who can save their Zhang family seems to be the rest of their lives.

"Master Yu, I apologize to you for this unfilial son, and please raise your hands high and save my Zhang family!"

Zhang Shengquan said 'bang' and knelt in front of Yu Sheng. Gao Qing's brain is already roaring. This is the Patriarch of the Zhang Family, he actually knelt to this trash! Gao Qing covered her mouth, her eyes filled with disbelief. Is this trash my son-in-law of the Yang family?

At this time, Xiao Shui in front of the side lying door, seeing this scene, there was a glimmer of light in his eyes. Maybe it is because he thinks that his father is so awesome, he is also very excited. For the rest of his life, he has no place in this family, and Xiao Shui is also very anxious in his eyes. Now that his father is getting stronger, he certainly feels proud. "boom!"

Zhang Wanqiu also knelt down and said, "Master Yu, Zhang Daoyi did not do well before. He is a trash. Please let Master Yu treat him as a fart. As long as the master can help us Zhang Daoyi. We will agree to whatever conditions the master proposes to resolve this matter!"

In order to save the family, Zhang Wanqiu was also willing to give up. At this time, in her heart, the family is more than everything. For the future of the family, she knew that her sacrifice was nothing. The rest of his life frowned slightly.

To be honest, although he was very upset with Zhang Daoyi in his heart, he did not feel bad about Zhang Wanqiu and Zhang Shengquan. They also don't have intersections, so it's not a holiday. Seeing that the father and daughter both knelt down and begged him, his heart was indeed soft. "Master, this is the most expensive bracelet in our Cui Ge Xuan, worth more than five million, please let the master take it!" Zhang Shengquan took out the prepared delicate box directly from the bag and handed it to Yu Sheng.

Although he didn't believe in the rest of his life before, he still prepared a gift. He has always been a cautious person, regardless of whether he really has that ability for the rest of his life, he is prepared first. I didn't think of this time, it really came in handy.

When Gao Qing heard that it was a bracelet of more than five million yuan, a pair of eyes suddenly lighted up, and before Yu Sheng could take it, she grabbed the box in front of Yu Sheng.

“Yu Sheng, don’t you agree to Patriarch Zhang as soon as possible?” Gao Qing clasped the box tightly and said to Yu Sheng.

Yu Sheng glanced at the box in Gao Qing’s hand, without saying anything.

He didn’t even see the millions of bracelets, so Gao Qing would take it if he wanted it.

“Thank you, Master!” Zhang Shengquan breathed a sigh of relief when Gao Qing took the box.

Yu Sheng wanted to say something, and finally sighed and said, “Since you are so sincere, I will look a little pretentious if I don’t help you. Let’s go, while the store is still closed, go buy something first.”

As Yu Sheng said that, he should walk outside first, and the three of Zhang’s family hurriedly got up to follow.

Chapter: 256

Gao Qing chased her outside, and saw no one cares about her, so she didn’t take care of her anymore.

She looked at the delicate box in her hand, hurriedly closed the door and opened it to look.

A few people from Yu Sheng went downstairs. In order to perform well in front of Yu Sheng, Zhang Daoyi was the first to rush to an x7 and open the door for Yu Sheng.

Yu Sheng glanced, then took out the key of r8 next to him, pressed the lock, opened the car door and sat in.

Upon seeing this, Zhang Shengquan, Zhang Wanqiu, and Zhang Daoyi all opened their mouths, somewhat unbelievable.

Isn’t he the son-in-law of the Yang family for the rest of his life? Can he afford a luxury car like r8?

More than two million!

But I soon thought that for the rest of his life, he could even donate the 10 million that the provincial government rewarded him on the spot. Driving a luxury car of more than 2 million is normal.

Besides, this R8 is mostly his wife’s.

No, isn’t the Yang family enterprise collected enough by Sihai Group? His wife can still afford to drive a luxury car?

Zhang Wanqiu checked the details of Yu Sheng. Yang Zihuan and Yu Sheng were not reusable at the Yang family, and it was impossible to drive such a good car.

“It seems that Master Yu may have another unknown identity!” Zhang Wanqiu said with emotion.

“It must be. I know a lot about the Yang family. Even the old lady of the Yang family only drives a Volkswagen with more than 400,000 yuan. Others drive more than 500,000 yuan.” Zhang Shengquan clicked. Nodding, I became more and more confused about Yu Sheng’s identity.

He also didn’t believe that the rest of his life was just a simple door-to-door son-in-law.

“You go back first, I’ll go to Mingdian to buy some materials.” Yu Sheng rolled down the car window and said.

“Oh, okay, that’s a troublesome master.” Zhang Wanqiu nodded and said.

Zhang Shengquan pulled down her sleeve and gave her a wink.

Zhang Wanqiu understood, and hurriedly walked to Yu Sheng r8, and said with a smile: “Master, I will go with you, and I will show you the way later.”

Yu Sheng nodded, he really didn’t know which villa the Zhang family was in.

Zhang Wanqiu got in the car, and Yu Sheng started the car and drove outside.

“Master, what are we going to buy?” Zhang Wanqiu asked.

“Things to drive away evil spirits.” Yu Sheng replied.

Zhang Wanqiu raised his eyebrows and smiled bitterly.

Master, as a Feng Shui master, don't you usually have anything to exorcise evil?
She didn't know. Although Yu Sheng knew the techniques of Feng Shui, he was not a Feng Shui master, and he did not rely on Feng Shui to eat, so of course he would not prepare these things normally. Seeing Zhang Wanqiu's expression, Yu Sheng immediately guessed the doubt in her heart, and he had no explanation.

Strength is not based on words. If you have strength, no matter how beautiful your words are, it is not useful.

Soon I arrived at a shop where I bought the goods, Yu Sheng bought cinnabar hair, yellow paper, cinnabar and other things, and then got on the car.

"Do you have a rooster in your house?" Yu Sheng asked.

"There are a few." Zhang Wanqiu nodded.

During this period of time, their family coaxed ghosts and heard people say that roosters have the effect of exorcising evil spirits, so they bought a few.

Unexpectedly, it really came in handy.

"Okay, let's go back then." Yu Sheng nodded and started the car to the Zhang Family Villa area.

Along the way, under Zhang Wanqiu's guidance, half an hour later, he finally arrived at the Zhang Family Villa.

Chapter: 257

The Zhang family is a well-known big family in Qiancheng.

The Zhang family coaxed ghosts. In fact, they had invited some Maoshan Taoists to come and see it, but it was not of any use.

In the evening, sullen laughter lingered around Zhang's villa.

Even someone who claimed to be a folk exorcist was scared away when he heard the cry.

When they arrived at the Zhang Family Villa, Zhang Shengquan and others were waiting at the door.

Everyone in the Zhang family heard that a Feng Shui master had been invited, and they were very curious about who this master was.

But when he saw a young man in his twenties getting off the car, many people were a little disappointed.

But thinking that this was invited by the Patriarch himself, most of the doubts in his heart disappeared.

Although they don't believe in the rest of their lives.

But they believe in Zhang Shengquan.

"Master Yu!" Zhang Shengquan took the initiative to open the door to Yu Sheng.

Yu Sheng got out of the car, opened the trunk, took out the purchased things and gave them to Zhang Wanqiu, "Give it to me first."

Zhang Wanqiu nodded, and took all the things he had bought for the rest of his life into the house.

It was only half past six in the afternoon, and there was still a short period of time before dark.

But looking around for the rest of my life, the entire Zhang Family Villa seemed to be shrouded in a haze, giving people an impenetrable feeling.

This feeling is somewhat depressing.

Of course, the Zhang family was not aware of it.

Because they don't have an open eye, except Baiguimei Yinsha willing to let them see, otherwise ordinary people would not be able to see these things.

The so-called opening eyes is a kind of magic in Feng Shui academics.

This is why Feng Shui masters can see Yin Sha ghosts.

Because the real Feng Shui masters all have their eyes open.

Yu Sheng circled the villa, Zhang Shengquan and the Zhang family all followed behind.

“There is no problem with Feng Shui in your family, it is still very prosperous on the whole, and the only thing that is causing trouble is the Yin Sha in the ancient jade.” After a round, Yu Sheng found nothing else.

Zhang Shengquan and others nodded seemingly.

But they still agree with Yu Sheng.

They built this villa by themselves, and when they were repairing it, they also found a master to see Feng Shui. In the past few years, their Zhang family has not had any problems, and the business has been booming.

“Where is that ancient jade?” Yu Sheng looked at Zhang Daoyi.

“I, I took it and buried it.” Zhang Daoyi said in a solemn way.

“Master, is that still useful?” Zhang Shengquan asked cautiously.

“Um.”

Yu Sheng nodded and said, “The evil spirit is no longer in the ancient jade, so you can’t use it if you bury it. However, the root of the evil spirit is in the ancient jade. If you want to get rid of the evil spirit, you need to use it? That ancient jade, you Where is it buried? Dig it for me.”

“Where is it buried?” Zhang Shengfu asked.

Zhang Shengfu is Zhang Daoyi’s father and Zhang Shengquan’s brother.

“On the back mountain.” Zhang Daoyi said.

“Go and dig it up.” Zhang Shengfu shouted.

Knowing that the various spiritual events in the Zhang family during this period were completely caused by his son, Zhang Shengfu was also out of anger.

When Zhang Shengquan talked about this before, he couldn’t help but slap Zhang Daoyi a few times.

“Okay, I’m going now.” Zhang Daoyi was a little afraid of his violent dad, and hurriedly nodded.

“Bring a few people.” Zhang Shengfu reminded.

“Yeah.” Zhang Daoyi answered, called a few bodyguards, took the tools and headed to the back of their villa.

The reason why he wanted to be buried in the back mountain was that he was afraid that he would be deceived before the rest of his life. There were basically no people going to the back mountain in their home, so it was safe.

Chapter: 258

After Zhang Daoyi left, Yu Sheng walked towards the lobby of Zhang’s house.

In the lobby, the Zhang family has already set up the table, and the things they bought for the rest of their lives are quietly placed on the table.

After Yu Sheng sat down, Zhang Wanqiu brought Yu Sheng a cup of hot tea: “Master, please have tea.”

“Well, put it here first.” Yu Sheng pointed to the edge of the table and took out the cinnabar and other things he had bought before.

“Get me some crown blood.” Yu Sheng looked at Zhang Shengquan and said.

“Master, how much do you want?” Zhang Shengquan asked.

“Ten drops.” Yu Sheng picked up the small scissors and started cutting the yellow paper.

Soon, he cut the yellow paper into pieces of spirit talisman.

Then take the cinnabar to study the ink, and start to draw with the cinnabar pen.

His paintings are not very complicated, but Zhang Shengquan and others can't understand what it is.

Finally, I wrote a big word "Hua" on the yellow paper. When the word was completed, the whole piece of yellow paper suddenly became spiritual.

Even ordinary people like Zhang Shengquan, looking at the yellow paper, seemed to see dim golden light at this moment.

This is the magic talisman of Huasha.

For the rest of his life, ten magic charms were melted in a row before he stopped.

Just then Zhang Daoyi and others also returned.

"Master, the ancient jade stopper you want." Zhang Daoyi handed the jade stopper to Yu Sheng only as promised.

Yu Sheng took the jade plug for the rest of his life, and then picked up a magic talisman to stick it on the jade plug, and then a point with the index finger of his right hand, a golden light flashed on the magic talisman, but it soon went dark and calmed down.

Seeing this magical scene, the Zhang family no longer doubted Yu Sheng.

All of them were a little excited.

This is a real master!

In fact, they had invited a lot of feng shui masters or ghost eliminators to see them before, but although they looked decent when doing things, they didn't have the magical appearance of shining light or something.

And this Master Yu looks young, but he is truly capable.

This is the first time they have seen this method.

At this moment, Zhang Shengquan and others showed respect to Yu Shengsheng invisibly.

"Burn incense every day, and after seven or forty-nine days, the evil spirit will be completely resolved."

"During these seven, seven and forty-nine days, the family should avoid killing and blood, and family members should bathe and burn incense every day. Remember."

"By the way, especially in the first five days, you must not pull off the magic talisman, otherwise Zhang Daoyi will die."

Yu Sheng handed the jade plug with the magic talisman to Zhang Shengquan.

Zhang Shengquan took it cautiously, feeling a little shaken in his heart.

Zhang Daoyi was even more scared to death.

Xin said that for these five days, I must take good care of this jade plug and magic talisman!

Zhang Shengfu also had the same idea. For these five days, he must keep the charms if he doesn't eat, drink or sleep!

"Master Ji Yan, I must be respectful!"

Zhang Shengquan hurriedly responded, admiring Yu Sheng to the extreme.

"These nine magic charms are posted on the door of the bedroom where someone lives. Zhang Daoyi doesn't need to paste them if they have been in." Yu Sheng gave the remaining charms to Zhang Shengquan.

Zhang Shengquan hurriedly handed the jade plug in his hand to Zhang Shengfu, and took over the remaining charms.

"Master, what if Zhang Daoyi has entered more than nine rooms?" Zhang Shengfu asked.

"Don't worry, nine or nine are back into one. These nine charms can be attached to the main nine bedrooms. After forty-nine days, eventually the evil spirits in the entire villa of your Zhang family will be

absorbed by these nine charms. , And then spread to Yusaili.

At twelve o'clock in the evening of the forty-ninth day, you had better stay away from Yusai, because at twelve o'clock, Yusai will explode.

Once Yusai exploded, the Zhang family's affairs could be considered as a complete solution, remember.
”

Yu Sheng got up to wash his hands as he said.

“Thank you, Master, great kindness, unforgettable.

My Zhang family can be considered a little accomplished in Qiancheng. If the master needs anything in the future, just say it, my Zhang family will definitely support it unconditionally! ”

Zhang Shengquan saluted Yu Sheng deeply.

Chapter: 259

He was talking from the bottom of his heart.

Yu Sheng helped his family resolve this matter, which can be said to have saved their Zhang family.

To their Zhang family, this is a grace.

Seeing that Zhang Shengquan was so sincere, Yu Sheng paused and said, “In fact, there is a faster way. This matter can be completely resolved in three days without forty-nine days.”

He said that he walked to the water pipe.

Zhang Shengquan was overjoyed and hurriedly followed, “Master, what can I do?”

“Just find a piece of xie?zhi bone.” Yu Sheng said while washing his hands.

“What is Xie Zinggu?” Zhang Shengquan was the first time he heard of this kind of thing.

Yu Sheng shook his hand, took the handkerchief handed over by Zhang Wanqiu, wiped his hand and said, “It is a divine beast in ancient myths and legends. The eyes are bright and energetic, and there is usually a horn on the forehead, commonly known as a unicorn.

There is also a solution in reality, and if you can find its bones, a small piece can wipe out the evil spirits.
”

Xie Zhe is a sacred beast with high wisdom and understands human nature.

It is said that it is full of anger, can distinguish right from wrong, can recognize good and evil, loyal and evil, and when it finds a treacherous person, it knocks him down with a horn and then eats his stomach. It can distinguish straight and straight, and it is also known as the god sheep. It is a symbol of bravery and justice, and a symbol of justice “upright and bright”?

Arranging these little beasts in sequence at the high corners of the eaves symbolizes the elimination of disasters and the transformation of good fortune in every case. It also means cutting off evil and upholding justice.

In ancient times, it was also a kind of auspicious extinguishing and suppressing evil, very rare and precious.

“The auction house may have it, but the price is definitely very expensive, because the bones of Xie Zhe have other uses, and some real Feng Shui masters will definitely want it.” Yu Sheng reminded again.

Zhang Shengquan thought for a while and said, “Master, how about that? I'll give you a card. If you encounter this kind of thing, you can sell it for our family.”

As he said, he took out a black card and handed it to Yu Sheng, “Master, this black card is the only all-round credit card of my Zhang family, and it can overdraft a limit of one billion. This will get rid of you.”

His black card is not the same as that of Yu Sheng.

His black card can only be used domestically, while the card for the rest of his life is universal.

"It's okay. If you don't meet Xie Zinggu within a month, I will return the card to you." Yu Sheng nodded and put away the black card.

Zhang Shengquan's decisiveness also made him look a little high. In that case, just help him.

Everyone in the Zhang family took a breath when they saw Yu Sheng put away the card.

That's a credit card that can overdraft a billion, and the owner is too generous.

Many people opened their mouths, trying to say something, but couldn't say anything.

Zhang Daoyi looked at the black card in Yu Sheng's hand, and an inexplicable anger rose in his heart.

He had been thinking about hitting this black card for a long time, and it was totally unreasonable to think that the Patriarch had given him a stranger.

Finally, after having dinner at Zhang's house, I went back for the rest of my life.

To the surprise of Yu Sheng, Gao Qing was not at home, and Yang Zihuan took Xiao Shui and sat in the living room watching TV.

Chapter: 260

"What's going on with the Zhang family today, what kind of master did Mom say you are?" Yang Zihuan looked at Yu Sheng with some curiosity in his heart.

When she came back from get off work before, she heard Gao Qing say that she was going to help their family for the rest of her life. The Patriarch of the Zhang family knelt down to Yusheng, and even gave out five million jade bracelets.

After so many years of marriage, it was the first time she found out that she had been so capable for the rest of her life.

Of course, the last time the bank subdued the robbers was a different matter.

"They asked me to show his house Feng Shui." Yu Sheng smiled lightly.

"Master of Feng Shui?"

Yang Zihuan frowned, and suddenly became a little worried, "When did you become a god stick?"

"God stick?"

Yu Sheng smiled, and said, "Others believe what I said. It's not a good idea. It doesn't depend on whether you believe it or not."

"Do you know who the Zhang family is? Do you dare to lie to them? Can you bear the anger of the Zhang family?" Yang Zihuan became more and more worried as she thought about it. NS?

She gave Yu Sheng a fierce look, then picked up the phone and called Gao Qing.

Her mother took the five million bracelet and went out to show off. If she accidentally breaks or loses it, when the Zhang family comes to ask for trouble, things will be big.

Seeing that Yang Zihuan didn't believe in herself, she opened her mouth for the rest of her life, and she was speechless.

Yu Sheng shook his head and was about to go back to the room.

"You stop for me!" Yang Zihuan said angrily.

For the rest of his life, he frowned and looked at Yang Zihuan.

At this time, the phone was connected, and Yang Zihuan answered the phone first.

"Mom, come back quickly and don't lose that bracelet!" Yang Zihuan exhorted.

"What's wrong?" Gao Qing's unhappy voice came from the phone.

She was showing off with a few old friends who danced in the square at this time. Yang Zihuan even asked her to hurry back with the bracelet. This embarrassed her.

"Don't you know that for the rest of his life, he deceived Zhang's family? When Zhang's family comes to

the door, what will you return to them? That's five million jade bracelets!" Yang Zihuan said solemnly. Gao Qing in the square was shocked. She liked the jade bracelet very much, but it was worth five million. If the Zhang family really finds it, she won't be able to give it to others.

The most important thing is that if the Zhang family really finds it, I am afraid it will be more than just returning the jade bracelet.

Thinking of this, Gao Qing didn't dare to neglect, so the income jade bracelet rushed to bid farewell and go home.

After hanging up the phone, Yang Zihuan glared at Yu Sheng: "I won't stop you or interfere with you for what you want to do, but before you go out to do things next time, please think about it for your son, okay?"

Did you know that your deceptive behavior is illegal?

Do you want your son to bear the infamy of a jailed father?"

Yang Zihuan's tone was very heavy, she was really angry.

She will not interfere with anything for the rest of her life, as long as it is not something that violates the law or discipline that affects the family.

She wants to stop the deceitful Zhang's behavior like Yu Sheng's today.

She can't let the rest of her life be chaotic and affect the normal life of the family.

"Don't worry, the Zhang family won't come to trouble." Yu Sheng gave Yang Zihuan a deep look and was about to return to the room.

"How do you know they won't come to make trouble?" Yang Zihuan questioned.

"Because I didn't lie to them, of course they didn't dare to make trouble." Yu Sheng said.

"What kind of shit feng shui master do you pretend to, go to help their house to watch feng shui, you still lie to them?" Yang Zihuan said sarcastically.

"If I say you don't cheat, you don't cheat." Yu Sheng said coldly.

"You, are you trying to kill our family?" Yang Zihuan was completely angry, stood up and stared at Yu Sheng.

What she fears most is that she will not repent for the rest of her life, and she will lie to others next time.
