

Dont mess 301

### Chapter: 301

Qin Daoran couldn't believe it.

His corpse is complete, no one can break it, unless these corpses have no bones to chew on.

However, this scene overturned his cognition of the bones.

"Impossible, absolutely impossible! My corpse gu is complete, no one can crack it!" Qin Daoran roared angrily.

Yu Sheng glanced at Qin Daoran, and said with disdain: "It's just a little trick, and I dare to say so much to kill me and see how I break it for you."

As he spoke, he took out a magic talisman from his body.

This magic talisman was the thunder talisman he painted when he helped Xiao Zixin's family break the evil last time. There were three times of overlapping thunders.

This stack of thunder talisman is not very useful when fighting against a master, but it is surprisingly powerful when dealing with evil things such as the corpse gu yin evil.

And just now those black mosquitoes flew around one meter in front of Yu Sheng's body and automatically bypassed them. They sensed the aura of thunder trapeze on his body, and didn't dare to approach Yu Sheng at all, so they had to find Zhang's family to bite them.

"Break it for me!"

With Yu Sheng's shout, Lei Fu slammed out.

"boom!"

There was a loud noise, the thunder symbol exploded, and immediately, to everyone's horror, a wave of thunder appeared out of thin air, and the thunder struck the Zhang family compound, and the black mosquitoes were blasted into dust by the thunder.

"I'll go, he, he can actually generate thunder out of thin air!"

"Don't hack me, I will kneel down and admit my mistake to Master Yu!"

"Help, I was wrong!"

"Master Yu, you are a god, bypass us mortals!"

Everyone in the Zhang family threw themselves down on their knees, their eyes full of horror, and they kept knocking their heads up for the rest of their lives.

Zhang Shengquan was also scared to crawl on the ground, awe in his heart.

I regret it to the extreme.

However, these few sky thunders, like eyes, only cleave mosquitoes into dregs, and they didn't hurt anyone.

Then disappeared out of thin air.

Qin Daoran's expression was extremely shocked and terrified!

After the death of those female Gus, he even squirted out blood.

He used his own essence and blood to refine this corpse gu. When the corpse gu was killed, he would also be backlashed.

Especially the death of those female Gus caused him severe internal injuries.

"You, you..." Qin Daoran stared at Yu Sheng firmly.

He didn't even dream of thinking that the strength of the rest of his life would be so terrifying!

Compared with him, he is like an ant!

If the billowing thunder struck him, I was afraid that he wouldn't even be able to keep a whole body!

He panicked, and turned around and fled outside the courtyard. He just wanted to escape now, and he would never come back after escaping from Qiancheng!

“Want to escape?”

Yu Sheng smiled coldly, stepped forward, leaving an afterimage on the spot, and chased after him.

He was much faster than Qin Daoran, and he was about to catch up with Qin Daoran.

“Junior Sister, save me!”

Qin Daoran trembled with fear, and urgently asked for help!

“Stop me!”

Ye Qianxia, who was next to her, yelled, and stopped in front of Yu Sheng.

Seeing that Yu Sheng was stopped, Qin Daoran couldn't care about his junior sister, so he took a deep breath and accelerated his speed to flee outside alone.

Yu Sheng looked at Ye Qianxia coldly and snorted coldly: “Get out of the way, I don't want to kill a woman!”

Qin Daoran actually used the fetus to refine Gu! It really hurts the world and is extremely corrupt. Today he must kill him and let him get the punishment he deserves!

As the so-called evil spirits crooked way, everyone gets punishable!

Ye Qianxia looked at Yu Sheng, and a murderous intent flashed in her eyes: “You broke my master's curse first, and now you want to kill my senior brother. You and I Longhushan have already forged an unending hatred. Will let you go.”

“Go away!” Yu Sheng's eyes were cold. Although he was unwilling to fight against women, if Ye Qianxia still didn't know what was good or bad, he wouldn't be polite.

“If you want to chase down my senior, you can beat me first.” Ye Qianxia's tone was firm, and she didn't give in at all.

“Hmph, your master actually used those cruel and innocent curses on an ordinary person. I don't think your nanny skin would be a good thing. If that's the case, let me do it for the sky!”

Yu Sheng gave a cold snort, stopped talking with Ye Qianxia, and patted Ye Qianxia's slightly raised chest with a bang.

“You are shameless!”

Seeing Yu Sheng tried to pat her chest, Ye Qianxia's face darkened, and she was extremely annoyed. She flickered and fought with Yu Sheng.

## **Chapter: 302**

Everyone in the Zhang family was dumbfounded watching Yu Sheng and Ye Qianxia screaming.

Is this the legendary martial arts? It's even more exciting than watching martial arts TV.

For the rest of my life, he didn't even think that Ye Qianxia was not weak at a young age. This was also a rare martial arts genius.

But what surprised Yu Sheng was Ye Qianxia's body style.

Ye Qianxia's internal strength is less than half of his, but she has a set of ghostly body skills, and she has cleverly avoided his moves many times.

But soon, Yu Sheng discovered that Ye Qianxia was not proficient in her body and had used the same technique many times.

He sneered in his heart, pretending to pat Ye Qianxia's chest with another palm, and then quickly clasped his palms and patted a foot away to the right.

Sure enough, Ye Qianxia immediately ran into herself.

boom!

For the rest of his life, she slapped Ye Qianxia's chest with a firm palm.

"what!"

Ye Qianxia screamed, and she backed back again and again, and didn't stop until she retreated to a distance of four or five meters.

For the rest of his life, the internal energy was much stronger than her. After taking a firm palm, he immediately vomited blood.

"You, you are shameless, I will kill you!" Ye Qianxia covered her chest with one hand, her face was full of shame.

This disciple was too shameless, and he used such shameless means when he fought against the woman. But just as she was about to forcibly rush towards Yu Sheng again, a sudden pain in her chest immediately affected her body and speed.

Upon seeing this, Yu Sheng gave a cold snort and slapped her anger quickly with a palm.

boom!

Ye Qianxia stepped back for a few steps, then fell to the ground with her ass, her eyes full of helpless except for pain.

Yu Sheng actually smashed her anger with a palm, and directly abolished her martial arts!

"Your master is an evil person, and your brother is also an evil person. I don't think you will be better there. If you abolish your martial arts today, I hope you will reform and be a good man in the future."

No.

If it weren't for the fact that the other party was just a little girl of two decades, he would kill him directly.

Evil people cannot be forgiven.

Ye Qianxia sat slumped on the ground, two lines of tears slid down, her eyes blank.

Yu Sheng no longer cared about her, raised his eyes to see that Qin Daoran was already there, so he could only sigh in his heart.

Qin Daoran was released today, and I don't know how many people he will kill in the future.

And at this time,

Everyone in the courtyard had their mouths open in shock.

Zhang Daoyi trembled all over and dared not speak. He realized at this time that he hadn't put him in his eyes for the rest of his life, so he was able to yell a few times.

"Master Yu, you...you are a god!"

Zhang Shengquan's voice trembled, and he thumped and knelt on the ground in front of Yu Sheng, facing Yu Sheng with his hands together, his face was pious.

Zhang Wanqiu stared straight for the rest of his life, feeling like a stormy sea in his heart.

This door-to-door son-in-law has really shocked her heart.

For the rest of her life, she just glanced over her eyes, and she found that her heart was pounding.

"Master Yu, I really know that I was wrong. I shouldn't listen to Zhang Daoyi as a disaster star. Please save my Zhang family!" Zhang Shengquan asked again for the rest of his life.

"Humph."

Yu Sheng gave a cold snort and ignored it.

Bang bang bang.

Zhang Wanqiu knelt and walked in front of Yu Sheng, grabbed Yu Sheng by the corners of his pants, crying: "Master Yu, I really don't want my dad to die, please do it well and save my dad..."

Seeing Zhang Wanqiu's nose and tears, he sighed for the rest of his life and said lightly: "Okay, as the saying goes, God has a good life, I will help your family again."

As he said, he threw the small half of the bones to Zhang Shengquan, and said, "Boil for ten hours, save a bowl of soup at the end, drink it, and the light between your eyebrows will be restored."

"Thank you, Master, Master, for your great kindness to my Zhang family, my Zhang family is unforgettable!" Zhang Shengquan kowtowed again, full of affection.

"By the way, Master, you can use this credit card. If it is used up, I will apply for the quota." Zhang Shengquan was grateful and handed the black card to Yu Sheng.

"No, that's right, those who were bitten by the corpse gu, hurry up and send them to the hospital, otherwise the god Daluo will not be able to save them."

Yu Sheng refused directly, and finally took a look at Ye Qianxia with a dull look, and left the Zhang family.

### **Chapter: 303**

In the afternoon of the next day, Yu Sheng hadn't waited until Yu Xuan arrived, and couldn't help feeling a little anxious.

What he fears most is when he relaxes, Yu Xuan suddenly kills and hurts his family.

"You arrange for a few people to go to the high-speed rail station and have a look." Yu Sheng said to Du Fei.

At the airport, the passenger terminal, and several high-speed entrances, he asked Du Fei to arrange people, especially in the airport area, where there were at least two people.

Because he felt that if Yu Xuan was coming to Qiancheng, at least ninety-nine percent of them would come by plane.

But it had been a few days, and there was still no message from Yu Xuan, so he had to let people visit the most unlikely high-speed rail station.

"Okay." Du Fei nodded, and let Chen Bin make arrangements.

"Master, the latest news is here."

At this moment, Yu Zhong came out of the backyard with a heavy face.

"What message?" Yu Sheng got up and looked at Yu Zhong.

Yu Zhong was silent, and showed the rest of his life a piece of information.

Yu Sheng took Yu Zhong's phone, his face suddenly changed.

"Master, I think this is a trap." Yu Zhong said.

"I know."

Yu Sheng nodded and returned the phone to Yu Zhong: "But even if I knew it was a trap, I had to jump inside."

"Master, you can't go to Beijing now, the master is the number one in Beijing, and Li Hongsu can't touch the master at all." Yu Zhong hurriedly persuaded.

"My dad is the No. 1 powerhouse in Beijing, but now he is locked in a doomsday jail." Yu Sheng said.

Yu Zhong frowned and couldn't help thinking.

But he still felt that Li Hongsu would definitely not be able to move the master, this must be a trap, just waiting for the young master to jump into it.

"Master..."

As soon as Yu Zhong opened his mouth, he was interrupted by Yu Sheng's wave of his hand, "You don't have to persuade me, even if Li Hongsu said that there is only one percent possibility, I will go to Beijing. I can't take my father's life to bet this one percent. Possible."

“However, as long as you fall into Li Hongsu’s trap, you will undoubtedly die.” Yu Zhong persuaded. “Uncle Zhong, don’t forget, my current strength is not even afraid of Ji Tian, what can Li Hongsu do to me? Even if I am not Ji Tian’s opponent, self-protection is more than enough.” Yu Sheng said firmly. “Master, Shangjing is Li Hongsu’s home court after all. She can still bring in a lot of strong people from Li’s family at any time. You are very strong now, but you can’t beat four hands with two fists.” Yu Zhong painstakingly persuaded.

When he went to Beijing, he was really worried about his young master.

Yu Sheng frowned and groaned: “Then what better way do you have?”

Yu Zhong stroked his beard and meditated: “Master, I think the best way is to let them come to Qiancheng. This is your home court. No matter how strong they are, they will be very passive when they get here. When the time comes, the young master can attack. , Retreat and defend, completely invincible.”

Yu Sheng nodded and said, “I know this is my home court. I can control the situation, but the key is how can I let them come to Qiancheng on their own initiative?”

Obviously, after experiencing the last two failures, Li Hongsu also sensed the strength of the rest of his life and didn’t want to take risks anymore.

She used Yu Zhongtian’s life to threaten Yu Sheng, just to go to Beijing, where she must have laid a net of heaven and earth, making it difficult for Yu Sheng to fly.

How could she still come to Qiancheng.

Li Hongsu must have been determined to save his father for the rest of his life, so this bureau was set. Of course the rest of his life knew this too, but that was his father.

Even if Li Hongsu’s words are only 1% likely to be true, he would not dare to gamble.

Yu Zhong fell into deep thought. Obviously Li Hongsu had let Yu Xuan come with Ji Tian before, but now Li Hongsu has temporarily changed his mind. It must be the result of careful consideration. How can he come to Qiancheng easily?

“Uncle Zhong, since Li Hongsu has already set up a net in Shangjing, he will never come to Qiancheng again. As she wished, I will go to Beijing to meet her.” Yu Shengzhu made the final decision.

“Master, it’s dangerous.” Yu Zhong looked at Yu Sheng anxiously.

“Okay, I have already decided, even if it is Longtan Tiger Lair, I have to go and take it.” Yu Sheng’s eyes were extremely firm.

Li Hongsu strangled her mother with his own hands in front of him back then. It was time to take revenge for this grudge.

## **Chapter: 304**

Knowing that this was a trap, Yu Sheng still came to Shangjing.

He hasn’t come back for many years. Looking at the bustling capital, he has a strange feeling.

It has been eight years, and he has left Shangjing for eight full years, and it has been eight years since he waited for this day.

“Li Hongsu, eight years ago, for the rest of my life, I swear to God that if I don’t kill you personally in this life, I am not worthy of the surname Yu, and not worthy of being a son of man!”

“I’m back now. I hope that the net of the sky and the earth you laid can give me some surprises.”

Yu Sheng took out a cigarette, took a sip, and walked to the taxi.

Shengfeng Building. As a well-known large company in Shangjing, many industries are involved, and Yuan Lin, the chairman of Shengfeng Company, has a high status in Shangjing.

Although he couldn't join the circle of those big families, there would still be a lot of people who gave him face before that.

Get off the taxi at the entrance of Shengfeng Building.

Yu Sheng did not have a work permit, and was stopped by the company's security guards.

The security guard's attitude was very unceremonious, directly letting Yu Sheng get out, with a swearing look, which was obviously inferior to others.

"Let Yuan Lin come out to see me." Yu Sheng said lightly.

The security guard laughed uncontrollably when he heard this.

"Hunboy, what the hell are you, do you deserve to see our chairman?" the security guard sneered.

"Whether you deserve it, let him come out, you naturally know." Yu Sheng said.

"You fucking get out of here, don't disturb Lao Tzu's work, talk nonsense, don't blame me for being polite, and don't look at what kind of stuff you are, you want to see our chairman, are you the fucking worthy?"

"Little brother, let's go, our chairman of Shengfeng is not someone like you can meet casually."

"Hey, I don't know where the soil buns came from. With such a big tone, even if you haven't seen it in the world, you should have watched TV. Our chairman often appears on TV."

The rest of his life stood still at the door like a Buddha statue.

Upon seeing this, several security guards frowned.

"Don't listen to good things, you have to be beaten to know how powerful you are, right?"

"Damn, hit this dog thing first and then blast it out."

"The chairman will be back later, but you can't let this dog mess up."

Several security guards rolled up their sleeves and walked toward the rest of their lives with a menacing look.

As soon as he was about to do it, a Bentley stopped at the door of the company, and several security guards suddenly put away their arrogance.

"Fuck it, it's over, the chairman is back, let him know that we can't even handle this little thing, I'm afraid we will lose our job."

"Fuck, if I lose my job, I have to beat up this bastard, his mother won't recognize him."

"Dogs, you killed us, you fucking just walk around."

Several security guards wished to beat up the rest of their lives now.

Yuan Lin is in his thirties this year and is definitely the best person of his age in Shangjing. After getting off the car, his height of nearly 1.9 meters makes people feel that his aura is very strong. This can be seen from the fearful security guards. Come out.

"Chairman."

"Chairman."

"Chairman."

Several security guards greeted them in a hurry, very respectful.

Yuan Lin said with a dissatisfied expression: "What's the matter, I still coaxed at the door of the company, don't you know if this will affect the company's image?"

Several security guards were shocked, and one of them quickly said: "Chairman, he wants to see you. We have persuaded him many times, but he just refuses to leave."

Yuan Lin smiled contemptuously, and said, "There are too many people who want to see me. What are you doing? Get out of here."

"Yes?"

Yu Sheng spit out these two words lightly, indifferently, just like the attitude of a superior person speaking to ants.

Just two words, this familiar voice made Yuan Lin tremble all over.

he.....

When Yuan Lin turned his head and saw the familiar face under the peaked cap, he would almost kneel down if someone else was there!

### **Chapter: 305**

“Little, master!”

Seeing Yu Sheng’s face clearly, Yuan Lin’s heart trembled and hurriedly bowed to salute.

When the security guards saw this, their faces paled in shock, and they couldn’t believe their eyes.

Who is this guy and why is the chairman so respectful to him suddenly!

“Yuan Lin, you’re so big-hearted, haven’t you put me in your eyes after I’ve been away for the past eight years?” Yu Sheng looked at Yuan Lin coldly.

Yuan Lin was trembling, almost scared to pee.

Eight years ago, he was cultivated by Yu Zhong, and with his ingenuity, he was quickly reused by Yu Zhong.

That year, the Yu Jiaju changed, the Patriarch disappeared, and the second young master also disappeared for the rest of his life. Yu Zhong, who left the Yu family, took a few diehard loyalists to make a facelift and created Shengfeng outside the fifth ring of the Yu family. group.

But whether it was Yu Zhong or Yuan Lin, he knew in their hearts that the Shengfeng Group was prepared for their young master to rise again.

“Master, the subordinates have no eyes, please master the punishment!”

Yuan Lin bent his legs and knelt in front of Yu Sheng with a bang.

Several security guards were shocked and dumbfounded!

The chairman called him Young Master!

God, what kind of identity is this humble kid?

“This... who is he, our chairman is so respectful.”

“Fuck, we won’t offend a big man.”

“Damn, it’s over now, what should we do, what should we do.”

The security guards were sweating coldly and looked flustered. They didn’t even dream that this humble young man would be so powerful.

“Hmph, you really have no eyes, and let a few dogs look at the waste of people to look at the door. You disappointed me a bit.”

With a cold snort, Yu Sheng turned and walked towards the company building.

Yuan Lin hurriedly got up, gave a few security guards a fierce look, and said coldly, “You can go to the financial settlement and payroll!”

After speaking, he hurried to catch up with Yu Sheng.

...

Yuan Lin’s office.

Yuan Lin stood behind Yu Sheng, walking on thin ice.

Yesterday, Yu Zhong called him, saying that the young master is coming back today, and he is still going to pick up the young master. He didn’t think that the young master came first. He didn’t handle this little thing properly, and let a few security guards out. It’s damned to humiliate the young master.

“Master, the butler did not tell me when you will come...”

boom! The words were still not talking, Yu Sheng turned around and kicked Yuan Lin, Yuan Lin took a few steps back and knelt to the ground.

“Master, I’m sorry, I’m sorry.” Yuan Lin said with a panic kowtow.

“Do you know why I kicked you?” Yu Sheng said lightly.

“Young master, the subordinates have never greeted the young master...” Yuan Lin said.

“you.....”

Yu Sheng pointed at Yuan Linhuang and said, “You really disappointed me.”

“Master, I...” Yuan Lin looked aggrieved. Isn’t the young master angry because he didn’t go to the airport to pick him up?

“Uncle Zhong gave you the care of the Shengfeng Group. That is your credit service, but look at the security guards you use, what do they look like?”

Yu Sheng was quite angry, and said angrily: “Security is the facade of the company, the image of the company, you can see for yourself who you are using?”

“Master, I know I was wrong. I must reorganize the company a little bit these days.” Yuan Lin said hurriedly.

Yu Sheng snorted coldly, turned around, looked at the ant-like crowd under the Shengfeng Building through the floor-to-ceiling windows of the office, and said, “I hope you will remember that I gave you all this, no matter how full your wings are, how forgetful you are. , As long as it makes me unsatisfied, I want to get it back, even if the entire company is on your side, it can’t be stopped.”

The panicked Yuan Lin nodded quickly, ignoring the pain coming from his body, and said: “Master, I will always remember your teachings and never dare to be complacent.”

“I heard that Yu Xuan has been dying for the past few years?” Yu Sheng asked, turning the subject away.

“In the eight years since the young master left Beijing, Yu Xuan was even more complacent and even more prodigal than before.” Yuan Lin said.

“Hmph, waste is waste, it will never become a climate. The Yu family is in the hands of his mother and son, so sooner or later they will finish playing.” Yu Sheng said disdainfully.

When Yuan Lin heard this, his eyelids jumped! The young master came back this time, is he ready to take revenge and retake the family?

“Master, in fact, eight years ago, after you and the master disappeared one after another, the Yu family gradually fell from the first-class family, and now it is no longer in the second-class family.” Yuan Lin said.

“Unexpected thing.” Yu Sheng said lightly.

He said, turning around: “Go and bring a message to Yu Xuan, saying that I have come to Beijing. I set up a Hongmen banquet and asked him if he would dare to come.”

### **Chapter: 306**

After all, he has been away from Shangjing for eight years, and here is no longer his home court.

Knowing that Li Hongsu had laid a net of heaven and earth, of course he had to be cautious.

If Yu Xuan dared to come, he would take the opportunity to take Yu Xuan and use it to threaten Li Hongsu.

What surprised Yu Sheng was that Yu Xuan dared to come to the banquet, which surprised him a bit.

In his opinion, since Yu Xuan dared not go to Qiancheng, he should be afraid to attend his banquet.

He always felt that something was wrong, but he couldn’t remember it for a while.

“Master, the time is up, are you going to the hotel now?” Yuan Lin asked at six o’clock in the afternoon, looking at the table below.

“Let’s go.” Yu Sheng nodded, and withheld the anxiety in his heart. As long as Yu Xuan dared to come, he would be able to subdue Yu Xuan, and even Ji Tian, the number one Yu family, would not be able to protect him.

The two left the Shengfeng Group, and Yu Sheng got in Yuan Lin’s car and headed all the way to the Shangri-La Hotel.

Yuan Lin booked him a large private room that can accommodate more than 20 people. Outside the private room is guarded by a special attendant. The private room is burning with sandalwood and has a light sandalwood fragrance.

“Master, sit down.” Yuan Lin pulled out the main seat for Yu Sheng, and Yu Sheng sat on it.

“Sir, do you serve food now, or do you have to wait again?” At this time, a beautiful waitress came in and asked Yuan Lin.

“Wait a second, give us shell tea first.” Yuan Lin said.

“Okay, please wait a moment.” The waiter responded and quit.

Yu Sheng took out a cigarette, took a mouthful, and said, “Do you think Yu Xuan really dare to come?”

Yuan Lin sat down in the rest of his life and said, “Yu Xuan has always been arrogant and domineering. The young master was forced out of Beijing by his mother back then. With his temperament, he would naturally not put you in the eyes of the young master. , So I think since he agreed, he will definitely come.”

“Yeah.” Yu Sheng nodded, feeling that what Yuan Lin said made sense, and that he was thinking too much.

After waiting for about ten minutes, the private room door opened, and then two people, one old and one young, came in.

The old man is at least sixty years old, his hair is half-white, but his eyes are piercing and vigorous, and he doesn’t want the old man in his sixties at all.

The young man is 27 or 18 years old, dressed in casual fashion, with a haughty expression.

The two men are called Ji Tian, the strongest nursing home in the Yu family, and the young man named Yu Xuan, who is the half-brother of Yu Sheng.

“My good brother, it’s been eight years, but you finally dare to come back.” Xuan Yu laughed, swaggeringly walked to the opposite side of Yu Sheng and sat down.

“Why am I afraid to come back?”

Yu Sheng spoke lightly, looking at Ji Tian.

“Ji Tian has seen the second son.” Ji Tian gave Yu Sheng a fist slightly.

Yu Sheng raised his head to look at Ji Tian, and said lightly: “Ji Tian, my dad treated you well.”

Ji Tian’s expression remained unchanged, and he faintly replied: “Master treats me not thinly, but he is self-sufficient and doesn’t treat our nursing homes as human beings, and the mistress has a life-saving grace to me.”

Yu Sheng sneered, and can speak of betrayal so grandly, this Ji Tian is also a shameless person.

“Brother, I heard that after you fled to Qiancheng, you actually let go of the dignity of a man and became the door-to-door son-in-law of the family. You really lived up to the expectations.”

Yu Xuan smiled, and said: “By the way, the old immortal said that you are the future of the Yu family. If he now knows that you lay down the dignity of a man to eat soft rice, he will probably vomit blood for three liters, haha .”

“Did you tell me to come to Beijing to humiliate me?” Yu Sheng reopened the cigarette and said lightly. Yu Xuan frowned, Yu Sheng’s attitude made him very upset.

“Yu Sheng, quickly hand over that black card, and I will spare you today!” Yu Xuan said solemnly.

“The black card is on me, you can get it if you have the ability, haha.” Yu Sheng vomited a smoke ring to Yu Xuan and hooked his finger.

Yu Xuan frowned, why didn’t Yu Sheng seem to have any reaction?

“Really? Okay, I’ll take it again after eating.” Xuanyu smiled and asked the waiter to serve.

But at this time Yu Sheng’s face suddenly changed.

The weakness of the limbs gradually radiated out, and the mind felt a little dizzy.

### **Chapter: 307**

Yu Sheng was shocked, turned around and looked at Yuan Lin, a murderous intent flashed in his eyes!

“You dare to betray me!” Yu Sheng stared at Yuan Lin, wishing to slap him to death now.

At this time, he discovered that he was actually poisoned by a kind of San Gong!

He looked at the burning sandalwood not far away, and immediately understood.

“Master, I’m sorry, they arrested my parents. If I don’t betray you, my parents will have to die. I have no choice.”

Yuan Lin knelt before Yu Sheng with a bang.

He didn’t lie, he hadn’t betrayed for so many years, and now it is out of helplessness.

“My good brother, you just said let me take the black card myself, right, brother, I will fulfill your wish now.”

Yu Xuan laughed and walked slowly towards Yu Sheng, he was also afraid that Yu Sheng would deceive him.

After all, Yu Sheng is not even Fu Renxue’s strong opponent.

Yu Sheng stared at Yu Xuan coldly, if it weren’t for his fatigue at this time, he would slap Yu Xuan to death.

After waiting for another two minutes, after confirming that the medicinal power in Yu Sheng’s body had really taken effect, Yu Xuan cai violently lifted his foot and kicked Yu Sheng’s body. He cursed and said, “You fucking didn’t feel very calm just now, now let me calm down and have a look?”

Yu Sheng was kicked to the ground by Yu Xuan, and he glanced at Yu Xuan without speaking.

As the so-called winner and loser fell into Yu Xuan’s hands, he knew he was finished.

But he did not ask Yu Xuan.

Seeing Yu Sheng didn’t speak or beg for mercy, Yu Xuan punched and kicked Yu Sheng.

With Yu Sheng’s strength, Yu Xuan can deal with this kind of waste with a single fist, but Yu Sheng is now unable to use his strength all over his body and can only be at his mercy.

“Yu Sheng, do you know that when the old immortal said that I was a trash and you were the future of the Yu family, I secretly vowed in my heart that I would kill you myself in this life.”

“Come here, hit me bitterly!”

With a loud shout, Yu Sheng suddenly rushed in two big men outside the door, both holding steel pipes in their hands.

They rushed over, raised the steel pipe in their hands and smashed Yu Sheng’s body fiercely.

Hearing the sound of broken bones, Yuan Lin, who was kneeling on the ground, trembled, turned his head a little bit painfully, and couldn’t bear to look any more.

For the rest of his life, he gritted his teeth and did not make even a painful grunt, letting the two steel

pipes alternately hit him.

He could only hold his head in his hands, curl up on the ground, and endure the pain and humiliation firmly.

“My son, you will die if you hit him again.” Looking at the bloody rest of his life curled up on the ground, Ji Tian finally spoke.

The forbearance of the rest of his life made him a little trembling.

Even if he was interrupted with so many bones and his whole body was covered with flesh, he couldn't stand it.

But for the rest of his life, there was no hum.

The most frightening thing is that even with such a severe injury, he still didn't faint, how strong this perseverance is.

“Okay.” Yu Xuan saw that it was almost done, and asked the two big men to stop.

He kicked Yu Sheng over, and saw that Yu Sheng could still maintain a calm look in his eyes, he couldn't help but slapped Yu Sheng's face again.

“Damn, kind of spine.”

Yu Xuan snorted coldly, squatted down and took out Yu Sheng's wallet and Yu Sheng's black card.

Looking at the black card in his hand, Yu Xuan couldn't restrain his excitement.

In this card, there are hundreds of billions of deposits in more than one family!

This is the hundreds of billions of cash that can make their Yu family stand on top again!

After eight years, he finally got it, so why not let him get excited.

Throwing Yu Sheng's wallet on the ground, Yu Xuan stepped on Yu Sheng's face and continued condescendingly, “My dear brother, aren't you working as a son-in-law in Qiancheng? I will go to Qiancheng tomorrow to broadcast live. Go to your wife and record the video to show you how your wife pleases me.

By the way, I heard that you also have a son, I will personally break his limbs, so that he will always be a waste who can only lie on the bed?”

A murderous intent flashed in Yu Sheng's eyes, and he said in a deep voice, “Yu Xuan, if you dare to move my wife and children, I will not let you go as a ghost!”

“Haha, wait until you do a ghost.”

Yu Xuan laughed and waved his hand: “Bring me to take care of him. Don't let him die in these two days. I want him to see with his own eyes how I raped his wife and children.”

### **Chapter: 308**

“Yu Xuan, if you dare to touch my wife and children, I will definitely make you worse off than death!” For the rest of his life, Yu Xuan's people were locked in an iron cage in the basement. His whole body was seriously injured. It was very difficult for him to even sit up, so he could only crawl on the wet concrete floor like a dead dog.

Thinking of what Yu Xuan had said before, he was very anxious, but he could not do anything about it. Especially seeing the two big men guarding him still guarding the side, he didn't even dare to take the Johnson Pill out to heal his injuries.

At this time, the poison of Sangong incense in his body has passed, and his internal strength has recovered, but his ribs have been broken by four, and he can't turn the sky.

Had to work silently to heal his injuries.

Without the powerful medicinal properties of Qiangsheng Pill, he was unable to effectively recover his

broken ribs.

It wasn't until ten o'clock in the evening that the two big guys saw Yu Sheng crawling motionless and seemed to fall asleep before leaving the basement.

Hearing the footsteps of the two leaving, Yu Sheng finally managed to sit up.

Then took out the Johnson Pill from his pocket.

His wallet and mobile phone were taken by Yu Xuan, but Yu Xuan unexpectedly found no small bottle containing Johnson's Pill, and Yu Sheng could only be thankful that he should not die.

If the Johnson Pill was discovered by Yu Xuan, then he really didn't have any chance of comeback.

The bottle containing the Johnson Pill had been smashed, but the Johnson Pill was still intact.

Yu Sheng looked at the Qiangsheng Pill in his hand, and a fierce flash of light flashed in his eyes: "Yu Xuan, you'd better not touch my wife and children, otherwise tomorrow will be your death date!"

As he said, he swallowed all the remaining three Johnson's Pills, and healed his injuries.

The Qiangsheng Pill was originally a healing pill, a single one can repair the broken sea of qi, and the effect is not insignificant.

He took three pills at once, and the effect of the medicine was surprisingly amazing. Although he could not fully heal his broken ribs, it could at least be repaired to 80% in a short period of time.

...

"I think back then, who would have thought that the waste would escape to the small place of Qiancheng, causing us to toss in the major northern provinces and cities for eight years in vain."

At Qiancheng Longdongbao Airport, Yu Xuan and Ji Tian walked out of the airport, looking at the farmland not far away from the airport, and said with emotion.

"Yeah, the most important thing is, who would have thought that he would become a door-to-door son-in-law, even without the dignity of a man, he really doesn't deserve the surname Yu." Ji Tian nodded in agreement.

"Gah."

At this moment, a big Land Rover stopped in front of the two, and the driver got out of the car and opened the back door respectfully.

"Let's go, first go and take the Sihai Group." Yu Xuan sat in the back row.

The Four Seas Group has been making big moves recently, and its market value has soared all the way, and it has exceeded 100 billion. Of course, Yu Xuan will not let it go.

Ji Tian got into the passenger cab, and the driver started the car and asked, "Master, where are you going?"

"Go to the Sihai Group." Yu Xuan said.

"Yes." The driver responded, speeding away.

Half an hour later, Land Rover arrived at the gate of Sihai Group and was stopped by security.

"Who are you looking for?" the guard on duty asked.

Ji Tian got off the car, without a second word, he slapped the guard on duty out, then pressed the button, the door opened automatically, and the driver drove the car into the building.

"Manager, it's okay, someone is making trouble!" Upon seeing this, a security guard not far away hurriedly used the walkie-talkie to inform Xu Jing.

"What's the matter?" Xu Jing's voice came from the intercom.

"Someone injured Xiao Liu and forcibly broke into the company." The security guard replied.

"Grass, who the hell is such a guts, all the security guards will assemble at the gate immediately!" Xu Jing yelled and rushed out of the office first.

The Land Rover car was parked, and the driver hurriedly got down to open the door for Yu Xuan. Yu Xuan got out of the car and watched the security guards rushing in. His eyes fluttered.

“Who are you? What do you do?” Xu Jing glared at Yu Xuan and asked.

“Get away!” Ji Tian snorted coldly, and slapped Xu Jing up with a slap.

Xu Jing was shocked when he saw this. Ji Tian shot too fast. He saw it, but he couldn't avoid it.

Snapped!

Xu Jing was directly slapped and flew out.

Upon seeing this, the security guards rushed towards Ji Tian yelling.

But Ji Tian is a real powerhouse, and the more than two dozen security guards were evened out by three times, five and two.

This is because he didn't have any ruthless hands, or none of the twenty-odd security guards could survive.

“Go, go to Xia Jun's office.”

Yu Xuan didn't even look at the security guards who were lying on the landlord's humming, and walked into the building with his foot raised.

### **Chapter: 309**

In Xia Jun's office, Yu Xuan sat in his place grimly, while he stood silently on the side.

He had long known that Yu Sheng was noble, and he didn't think it turned out to be the son of the Yu family in Beijing.

But obviously Yu Sheng lost to his brother Yu Xuan.

When Yu Xuan took over the Sihai Group with a strong proof of Yu Sheng, he also had no idea.

After all, he only has 21% of the shares in the company. Now that Yu Xuan has taken over the shares of Yu Sheng, he can only be a younger brother for Yu Xuan.

It's just that Yu Xuan's strength makes him a little unhappy, even scared.

“Inform all executives and shareholders that I am going to hold a management meeting for everyone today.” Yu Xuan said to Xia Jun.

“it is good.”

Xia Jun responded and asked his secretary to notify them one by one.

“Take me to see my brother's office.” Yu Xuan said again.

“Okay.” Xia Jun nodded, gestured to please, and led Yu Xuan to Yu Sheng's office. Ji Tian and the driver followed.

“Mr. Xia, Dong Yu hasn't come yet.” Xiao Zixin hurriedly said seeing Xia Jun coming to Yu Sheng.

“You Dong Dong will never come again. From today onwards, I will be you Dong Dong.” Yu Xuan raised his hand to touch Xiao Zixin's chin, and Xiao Zixin, who was exquisite and perfect, caught his attention. Excellent, I didn't think that trash had such a stunning secretary.

“Please respect yourself.” Xiao Zixin's expression changed, and she hurriedly backed away.

“Oh, I have a personality, Master, I like it.” Yu Xuan laughed.

“Xiao Xiao, this is our new chairman.” Xia Jun explained to Xiao Zixin.

“The new chairman? What about Yu Dong?” Xiao Zixin looked shocked, and suddenly a bad premonition rose in her heart.

“Yu Sheng transferred his shares to Young Master Yu Xuan, so now Young Master Yu Xuan is our chairman.” Xia Jun explained.

“This...” Xiao Zixin's brain roared and her mood was extremely complicated.

He transferred the shares to someone else, so why did he tell himself?

She felt a little bit painful, but she laughed miserably soon, who is she? It's just a little secretary. What are the qualifications?

After Xia Jun left, Yu Xuan walked into the office and looked around.

For the rest of his life, the office was very simple, with no extra decorations.

He sat on the chair and waved to Xiao Zixin who was in a daze at the door and shouted, "Little secretary, come in."

Xiao Zixin walked into the office and asked, "Yu Dong, what are your orders?"

Yu Xuan pointed to his thigh and said with a smile: "Come here and sit with me."

Xiao Zixin's face changed, and said, "Yu Dong, please respect yourself."

"You are my secretary now, of course you do what a secretary should do." Yu Xuan smiled.

Xiao Zixin's expression changed. This job is too important to her, but she still said without thinking, "Sorry, I will leave today."

"What if I won't let you leave?" Yu Xuan narrowed his eyes.

"I don't need my salary this month." She turned around and walked outside.

Looking at Xiao Zixin's resolute back, Yu Xuan's expression became quite ugly.

He had hired countless secretaries, but this Xiao Zixin was the first person who dared to disobey him.

"It's interesting, the Ministry of Human Resources will bring me her information." Yu Xuan's eyes flashed with a touch of sorrow.

Ji Tian nodded and went to the personnel department in person.

After Ji Tian went out, Yu Xuan inspected the people in the office. He opened the draw session, and when he saw the Jiu Xuan Tian Yin that Yu Sheng had placed in the draw session, he opened it with curiosity.

He is also a martial artist, and the content of this Nine Profound Heavenly Sutra made him obsessed with reading, and his face was a little ruddy with excitement.

"The treasure, this is the treasure!"

Yu Xuan asked the driver to go out and stay outside, not allowing anyone to disturb him, so he quietly studied in the office.

Although Yu Xuan was dull, he had an unforgettable ability. In less than an hour, he had written down all the contents of the Nine Profound Heavenly Sutras, and he was ready to study it in the evening.

Then he let Ji Tian in.

Reading Xiao Zixin's information, Yu Xuan sneered and said, "Little Niangpi, if you can escape from the palm of this young master, this young master doesn't have to be mixed up."

"My son, Xia Jun said earlier that all the management personnel are here, please come over to the meeting." Ji Tian said.

"Don't open it, first go and see my sister-in-law who is known as the number one beauty in Qiancheng."

Yu Xuan walked outside with a touch of evil at the corner of his mouth.

In fact, Yu Xuan also has a hobby, he is more interested in young women than young girls.

## **Chapter: 310**

Yu Sheng received his power and stood up. After a night of exercise therapy, coupled with the abnormal medicinal effects of the Johnson Pill, his injury has been almost 80% healed.

Fortunately, a few days ago, he refined the Johnson's Pill, otherwise he really had no room for maneuver.

He touched the steel bars of the iron cage, but his thumb was thick and thin. Yu Sheng held one in one hand and broke it out. The two steel bars were directly deformed by him.

He came out of the cage, clapped his hands, and walked to the basement door.

The basement door is the kind that is locked from the inside and opens in one click.

Out of the basement, there is a corridor, and then a room.

In the room at this time, the two big guys were still sleeping on the sofa, waking up only when they heard the sound of opening the door.

"I'm grass, how the hell did you come out?" Suddenly seeing the rest of their lives standing in front of them, the two of them woke up in shock.

The two looked at Yu Sheng tightly, their eyes full of horror.

You know, for the rest of his life last night, he was beaten to death by them. He had a few ribs broken and he was still locked in an iron cage. How did he get out?

Isn't it a ghost? ?

The two of you look at me, and I look at you, with horror in their eyes.

I thought that Yu Sheng died in the basement last night, but now this is not a human being at all.

Especially seeing Yu Sheng's whole body covered in blood, and watching them without speaking, made them even more puzzled.

Yu Sheng glanced at the two indifferently, then suddenly shot, with a knife in each hand, directly stunned the shocked two.

He picked up his mobile phone and wallet on the table casually, opened the door and walked out.

This is a suburban manor, totally unpopular, and outgoing still parks the car that two big men drove last night.

Seeing the car, Yu Sheng returned to the room and found the key from a big man.

After getting in the car, Yu Sheng didn't start and left, but called Du Fei the first time.

"Go and protect my son and wife, you'd better bring more people, and your gun, the other party is very strong." Yu Sheng said anxiously as soon as the call was connected.

"What's the situation?" Du Fei's puzzled voice came on the phone.

"Now there is no time to tell you, in any case, you must protect their mother and child well." Yu Sheng said urgently.

"Don't worry, unless I am dead, no one should hurt them at all!" Du Fei said firmly.

"Well, then I thank you first." Yu Sheng said directly and hung up the phone.

He believed that Du Fei would do what he said.

But Yu Xuan must have taken Ji Tian to Qiancheng. For a master like Ji Tian, a gun can't help him.

"Ji Tian is not in Beijing, I will go to Li Hongsu now, and I will definitely kill her..."

Yu Sheng suddenly thought of this question. This was a chance to kill Li Hongsu.

But soon he shook his head, Li Hongsu could take his life anytime, but if his wife and children fell into Yu Xuan's hands, it would be irretrievable.

Yu Sheng shook his head, gave up the opportunity to go directly to Yu's house to kill Li Hongsu, and then turned on his mobile phone to book a ticket.

I can only book a flight in two hours. Seeing that there is still time for the rest of my life, I start the car and go directly to the Shengfeng Group.

Yuan Lin dared to betray him, he had to settle this account.

It just happened that there was still time, so I settled this account before leaving.

Forty minutes later, Yu Sheng finally arrived at the Shengfeng Group, and he went straight into the

building.

Several security guards tried to stop him and were knocked out by him.

When he arrived at Yuan Lin's office, Yu Sheng kicked the office door open with one kick.

At this time, Yuan Lin was making love with his little secretary, and suddenly seeing Yu Sheng kicking in, Yuan Lin's expression changed drastically, and he stood up in a rush.

The little secret screamed and hurriedly hid behind Yuan Lin.

But Yuan Lin knelt down with a bang.

"Master..." Yuan Lin's heart trembled. He clearly saw Yu Sheng was beaten to death last night. How could Yu Sheng be so alive today? This is terrifying!

Besides, wasn't Yu Sheng locked up by Yu Xuan? How did he escape?

"When you entered my Yu's house, you should know the end of the betrayal." Yu Sheng said indifferently.

Yuan Lin was horrified and cried directly: "Master, please spare your life, Yu Xuan and the others arrested my parents and used them to threaten me. I have no way of doing it..."

"Well, I can understand, after all, those are the parents." Yu Sheng said lightly.

Yuan Lin was overjoyed, thinking that he would spare him for the rest of his life.

But the next moment, Yu Sheng's figure flashed, holding Yuan Lin's head with one hand and supporting his chin with the other, twisting it forcefully.

瞬!

Yuan Lin's neck was directly broken by him.

"Ah!" The little secretary screamed in fright and collapsed to the ground.

Yu Sheng glanced at her, took out the phone and called Yu Zhong.

"Uncle Zhong, Yuan Lin betrayed me and has already let me kill. You can ask Laishengfeng Group to deal with the funeral."

He put away the phone and walked out swaggeringly.
