

Dont mess 31

## Chapter: 31

“Don’t you look at your poor and sour kind, are you worthy of coming to our Yiren Habitat for dinner?”

“Hurry up, don’t affect the appetite of our other guests!”

“Yes, that is, we chose to come here for dinner, but it was for the first restaurant in Qiancheng. If this kind of poor silk can also come in, what is the difference with ordinary restaurants.”

“Yes, do we still need to pay a high price to eat here?”,

“Hurry up and ask your security to come and blow this poor out, otherwise we will also go to eat elsewhere.”

The diners also started booing. Xu Qianqian shook his head, feeling a little disdainful? So he asked Yang Jian brothers and sisters who still wanted to watch the show to take her to the private room.

At this time, she suddenly felt in her heart that it was really a shame to have been classmates with people like Yu Sheng.

“Let you go away, don’t you hear?” Hearing everyone’s words, the waiter didn’t dare to let the rest of his life stay longer.

Yu Sheng glanced at the waiter indifferently, then turned and walked out of the pleasant house.

Everyone chased them out one after another, and there was a stance to blast out the rest of their lives.

But seeing Yu Sheng actually got on rs7, everyone’s eyes widened. m.9biquge. com

Just now they saw that Yu Sheng was dressed in ordinary, thinking that Yu Sheng was just a poor woman.

Unexpectedly, he is a big man driving a luxury car.

Holding the grass, this guy turned out to be an invisible rich man, what a fucking surprise!

The waiter was also a little dumbfounded, she just blasted an invisible rich man out, what if she was retaliated by others?

At this moment, the waiter suddenly felt a little worried.

Knowing that Yu Sheng is an invisible rich man, how dare she blast Yu Sheng out.

Although the manager did not come out, but she also saw the car that Yu Sheng drove. It should be a high-profile RS7, and it can only be sold for more than 1.8 million. It can be sold for more than two million.

She frowned, and hurried to the office on the third floor.

“Is he still in peace?” He Wu was leaning on the chair and smoking.

He already knew that Yu Sheng was no longer the Yu family.

Kneeling to Yu Sheng yesterday, although it was an act of bribing people’s hearts, the main thing was the favor that saved his life for the rest of the year.

As for the one million to Li Kai, it was also a matter of giving him one million for the rest of his life.

He is also a principled person, so of course he must be repaid.

But for the rest of his life at this time, he was no longer at the same level.

After paying the rest of his life yesterday, of course he would not put the rest of his life in his eyes.

How about his face?

Ask him to bow his head and bow at a door-to-door son-in-law, so he won’t want to mess around on the road in the future.

Therefore, when Yu Sheng called him today, he had already figured out how to make Yu Sheng quit.

Only when Yu Sheng recognizes his identity and status, will Yu Sheng never come to him again next time.

He Wu made a good calculation, but he didn’t know that he made Yu Sheng a faceless today, and the rest of his life will make him fall into an unstoppable ground.

The manager nodded hurriedly and said: “He didn’t say anything, he left by himself, but...”

“But what?” He Wu looked at the manager.

After thinking about it, he said, “I think he drove a high-end RS7. That car should cost more than two million yuan. It doesn’t seem to be a poor woman.”

“what?”

He Wu was startled and sat upright.

Wasn't Yu Sheng expelled from the house by the Yu family?

Isn't he the son-in-law of the Yang family?

Can a man who eats a soft meal can afford to drive a two million luxury car?

At this moment, He Wu frowned, with a bad feeling in his heart.

He faintly felt that he seemed to have done a stupid thing today.

## Chapter: 32

When he returned home at night, Yang Zihuan stared at Yu Sheng with a cold expression on his face.

Yu Sheng was puzzled, so he listened to Yang Zihuan angrily said: “Yu Sheng, you really let me down!”

Yu Sheng was startled, and suddenly guessed that Xu Qianqian must have told Yang Zihuan about noon.

“You are a door-to-door son-in-law, what do you have to pretend? Do you think Xu Qianqian does not know who you are?”

Besides, even if Xu Qianqian doesn't know your identity, how many cattles do you have, do you have any points in your heart?

Still pretending to be in front of others, you really lost my face! “

Yang Zihuan pointed at Yu Sheng's fingers trembling a bit. Knowing that Yu Sheng liked pretending so much, she would not let Yu Sheng pick up Xu Qianqian.

“I'm sorry.” Yu Sheng apologized, he was indeed to blame for this incident today, and he believed He Wu too much.

I didn't expect it to be played by He Wu.

“Ugh!”

Yang Zihuan stared at Yu Sheng for half a minute, after all, there was nothing to say. Remember http in one second: //

But the disappointment in her eyes made it sad for the rest of her life to see it.

Today's matter is indeed his carelessness, and he can't see that He Wu is no longer the same He Wu.

This also sounded a wake-up call for him. Don't trust others too much, even the one who saved your life.

But He Wu made him lose such a big face, he wouldn't just let it go.

No words for a night.

The next day, as soon as Yu Sheng arrived at the company, he saw Xu Qianqian also coming.

"Are you working here too?" Xu Qianqian raised her eyebrows looking at Yu Sheng.

"Yes, drive for the boss." Yu Sheng said lightly.

"Not bad, let's do it well." Xu Qianqian nodded, and still had a sentence 'Much better than you eat soft rice' in his heart, so he turned his head and left.

After two steps, she stopped to look at Xiang Yu Sheng, with a smile on her face.

"By the way, Yu Sheng, since you drove for the boss, please introduce me to the boss."

Xu Qianqian was a little depressed. Originally, she was applying for the secretary of the boss. She didn't think she suddenly received a call from the HR manager last night, saying that after reading her resume, she felt that she was more suitable for the marketing department, so she asked her to go to the marketing department to be a deputy director. , Much better than her as a secretary.

She originally wanted to refuse.

But thinking that they are all in the Four Seas Group, there are still many opportunities to meet the boss, so I agreed.

But before she can make any achievements, she definitely has no chance to meet the boss.

I just heard that Yu Sheng drove for his boss, so I was ready to start with Yu Sheng.

"You want to see the boss."

A hint of irony flashed in Yu Sheng's eyes, but he quickly covered it up and smiled and said, "Yes, I'll introduce it to you if I have a chance."

“Then I would like to thank you first, and I will invite your husband and wife to dinner another day.” Xu Qianqian had a feeling in his heart and left with a smile.

Seeing Xu Qianqian’s somewhat happy back, Yu Sheng pulled a sneer from the corner of his mouth.

“Then you wait slowly.”

He was going to see what Xu Qianqian had made.

The day’s work passed quickly.

In the afternoon, Yu Sheng also got off work early to pick up Xiaoshui.

Du Fei’s small shop is also closed.

But Yu Sheng still parked the car in front of the small shop.

At this moment, an old lady came over, and Yu Sheng rolled down the car window, thinking she was always asking for money.

He reached for the wallet and prepared to give her a hundred, and then listened to the old lady: “You call Yu Sheng, right, Du Fei’s friend?”

The rest of his life was startled and nodded: “Yes.”

“This is the key Du Fei asked me to give you.” The old lady took out a key and handed it to Yu Sheng.

Received the key, this is the key to the small shop that Du Fei left him.

Seeing a little blood stained on the key, a bad premonition suddenly rose in his heart.

“By the way, old man, when did Du Fei and the others go back to the country?” Yu Sheng asked.

## Chapter: 33

The old lady thought for a while and said: “It seems that his wife is in an accident. I saw him hit someone. In the end, those people threatened him with his wife, and he was aggrieved and got into the car with those people.”

Originally Du Fei didn’t let her tell Yu Sheng these things, but Du Fei and his wife usually take care of her and treat her better than her own son, she remembers it in her heart.

Seeing that Yu Sheng was a good friend of Du Fei, she also hoped that Du Fei could help Du Fei and his wife.

Yu Sheng was shocked, and hurriedly asked, “Old man, do you know who took Du Fei away?”

Shaking her head, the old lady said, “I don’t know, but I heard what they said about the fifth brother and the fifth brother. It should be the fifth brother who took his wife away.”

“Okay, thank you, I get it.”

Yu Sheng nodded, took out the wallet and drew out one thousand yuan and handed it to the old lady: “Old man, this is my kindness, please accept it.”

The old lady shook her hand hurriedly: “I don’t want your money. If you are really A Fei’s friend, go and help him. I don’t think those people are good people at all.”

When Yu Sheng was about to say something, I saw that the kindergarten was over. I had to smile at the old lady and got out of the car to pick up my son.

Seeing this, the old lady thought she didn’t want to help Du Fei for the rest of her life, so she couldn’t help but shook her head: “A Fei is not being kind to others.”

Feeling a little bit worthless for Du Fei, he even gave away his small shop for the rest of his life.

As a result, when he heard that something happened to Du Fei, not only did he have anxiety and concern on his face, he could even laugh.

The old lady had some complaints about Yu Sheng in her heart, but she didn’t say much, so she turned and left.

After Yu Sheng received Xiao Shui and got in the car, he took out the phone and called Xia Jun.

“Check He Wu for me. I want a copy of his information and give you half an hour.” Yu Sheng said and hung up.

As the richest man in Qiancheng, Xia Jun has a lot of energy. He believes that this little thing will be handled by Xia Jun.

Sure enough, ten minutes later, he received an email from Xia Jun.

But he didn’t even click to open it right away.

Although he has good driving skills, he was a famous racing driver when he was a teenager.

But he didn’t dare to care about his son in the car.

After sending his son home safely, he was relieved to see Gao Qing was there, or he had to wait for Yang Zihuan to return from get off work before he could rescue Du Fei.

“Mom, I have something to leave, Xiao Shui will leave it to you.” Yu Sheng said.

“You rubbish, you have a lot of farts all day long, so get me back to cook early.” Gao Qing was watching TV and cursed back.

For the rest of his life, Gao Qing didn't return, but he touched Xiaoshui's head and said, “Oh, you and grandma are watching TV at home. Dad will be back in a while.”

Xiao Shui nodded, obediently walked to Gao Qing and sat down.

“Grandma, I want to see Ultraman.” Xiao Shui looked at Gao Qing eagerly.

Gao Qing is watching a variety show, and she is watching enthusiastically. Where does she care about Xiaoshui, she said impatiently: “What to watch, go back to the house and do your homework.”

“I want to see Ultraman.” Xiao Shui didn't care.

“Believe it or not, I will draw you a note?” Gao Qing threatened.

“Mom, how do you compare with Xiaoshui? If he wants to see it, he can transfer it to him.” Yu Sheng brought out a carton of milk for Xiaoshui, frowning.

“You shut up, you are a spineless thing eating soft rice, are you qualified to say me?” Gao Qing stopped doing it immediately, jumped up, glared at Yu Sheng, and wanted to give Yu Sheng a slap in the face.

## Chapter: 34

In her eyes, the rest of her life is just a servant of their family, how can she be qualified to teach her?

“I have soft rice?”

Yu Sheng laughed and said sarcastically: “I and Zihuan have been married for several years. Who has bought food for a day in your family? Who gave me a cent for the money? Is it because I am eating soft rice, or you are eating soft rice, and I feel a little bit in my heart. Do you count?”

He had tolerated Gao Qing for too long, and Du Fei had an accident, and his mood was even worse.

“What did you say? Try it again?” Gao Qing raised his hand and slapped Yu Sheng.

But this time, Yu Sheng stopped giving her a face, grabbed his wrist, and his eyes became cold.

At this moment, Yang Zihuan opened the door and walked in, frowning and said, "What are you doing?"

"Zi Huan, you came just right, this trash dared to hit me, if you don't leave him, this day is really no way to pass!" Seeing Yang Zihuan, Gao Qing burst into tears and began to cry. , What a genius.

"Yu Sheng, if you don't let go of mom's hand, do you still want to hit mom?" Yang Zihuan shouted.

Although she knew that it was Gao Qing who was going to fight Yu Sheng, Yu Sheng took her hand, but Yu Sheng has become more and more powerful towards her family recently, which makes her very unhappy.

Yu Sheng snorted and let go of Gao Qing's hand. m.9biquge. com

At this moment, Xiao Shui suddenly ran over to grab Yang Zihuan's clothes corner, crying and complaining: "Mom, grandma didn't show me Ultraman, and then my dad said she was going to beat dad."

Yang Zihuan looked at Gao Qing and said angrily: "Mom, you are a few dozen years old, and you are robbing Xiaoshui to watch TV, you are really..."

She was also very disappointed with Gao Qing. If it were not for her mother, she would have lost her temper.

According to Yang Zihuan, Gao Qing was even more angry, and her eyes were full of anger when she looked at Yu Sheng.

But Yu Sheng didn't look at her again, turned around and walked to the door.

"Where are you going?" Yang Zihuan asked.

"I have something." Yu Sheng said and opened the door and went out.

Yang Zihuan didn't think too much, so he didn't care about the rest of his life.

After going out, the rest of his life only opened the mail to look.

Soon, he guessed where He Wu might be.

at this time.

Sakura Club in the basement.

Du Fei was covered in blood, crawling on the ground like a dead dog, except for the anger in his eyes, he felt that he was no longer alone.

He Wu sat on the chair in front of Du Fei. He raised his legs, holding a lit cigar in his hand, and looked at Du Fei indifferently.

On both sides are several of his capable personnel.

“Brother Fei, do you know why should I move you after so many years?” He Wu took a cigar and smiled faintly.

Du Fei was silent, at this moment he seemed to have some difficulty even speaking.

“Because you were once the king of the underground circle, as long as you are in Qiancheng, I will not feel at ease in my heart.” He Wu said.

He was Du Fei’s subordinate. A few years ago, Du Fei wanted to clean himself for her wife.

Of course He Wu and the others did not do it, so they joined forces to get Du Fei down.

In the end, Du Fei thought that these brothers had all lived and died with him, so he let go and left the entire cherry blossom meeting to them.

In the end, He Wu used some despicable means to defeat several others, and then took the position of the king of the underground circle.

He Wu is a cautious person. Although this matter has passed for a few years, he couldn’t sit still after knowing that Du Fei was still in Qiancheng.

After all, he knew that in the entire Sakura Club, only Du Fei was the most prestigious one.

If Du Fei comes back someday, he believes that even his most capable subordinates will be on Du Fei’s side.

“He Wu, I used to treat you very well!” Du Fei said angrily.

“I used to sell my life for you, of course you won’t treat me badly, or who would dare to sell my life to you, right?” He Wu smiled.

“How are you going to let her go?” Du Fei raised his head and looked at He Wu with difficulty.

He Wuyi waved his hand, and a big man next to him opened the zipper and urinated on the ground.

He Wu laughed and said, “As long as you lick it clean, I will let her go.”

## Chapter: 35

Du Fei's expression changed, staring at He Wu firmly.

He didn't expect He Wu to humiliate him like this.

In any case, he was also the eldest brother of He Wu, and he didn't take care of He Wu little back then.

But today's He Wu makes him chill.

"He Wu, you have been with me for five years. In those five years, although you sold your life for me, I also helped you solve a lot of things. If you treat me like this today, you are not afraid that your brothers will treat you like this in the future. Is it?" Du Fei took a deep breath and said.

"Shut up your fucking mouth, I need you to teach me how to do it?" He Wu got up and stepped on Du Fei's head, Du Fei's face was pressed hard on the floor, and the whole thing was deformed.

He Wu was furious, he was a cautious person, Du Fei stepped on his tail when he said this.

He had indeed thought about whether one day the brothers below him would treat him like this.

"I'll tell you the truth. Your eighth wife is dead. Go down and stay with her now!" He Wu's eyes flashed a fierce touch, and he took a machete handed over by his subordinates and faced Du Fei's back. It's about to be stabbed.

boom!

At this moment, the basement door was knocked open by someone, and two gangsters were smashed into the room. Remember http in one second: //

"Who doesn't want to live anymore?"

He Wu was furious. He looked up and saw that he walked in from the door for the rest of his life with an indifferent expression.

There was a murderous look in He Wu's eyes, and he said coldly, "Yu Shao, what do you mean by this?"

"He Wu, I gave you your life. Since you don't cherish it, I will collect it today." Yu Sheng said coldly.

"you?"

He Wu sneered and sarcastically said: “Do you think you are still the Yu family? Now you are just a waste of soft food. Do you really think I dare not kill you?”

“You dare not, and you don’t have that ability.” Yu Sheng joked.

“Damn, he was really shameless, he interrupted his limbs and threw it out to feed the dog!”

He Wu shouted angrily, to the point that he did not associate Yu Sheng with Du Fei.

In his opinion, Yu Sheng found it, it must be because he played with Yu Sheng yesterday.

As everyone knows, Yu Sheng deliberately distracted him because he was afraid that he would use Du Fei to threaten him.

After receiving He Wu’s orders, the big men all surrounded Yu Sheng.

For the rest of his life, he didn’t pay attention at all, and walked towards He Wu.

“Damn, dare to come to me, Sakura will make trouble, I’m tired of living!”

A big man shouted angrily and grabbed Yu Sheng with a handful.

For the rest of his life, he didn’t look at him, just lifted it up and grabbed the big man’s wrist.

“哧!”

The big man still didn’t react, and for the rest of his life, he twisted his entire right hand into a twist.

The big man screamed, his huge body turned 360 degrees in the air, and he slammed heavily on the ground, holding his arm in pain.

“Looking for death!” The other two big men, one with a knife and the other with a steel pipe, cut to Yu Sheng one after another, making their moves fiercely.

Yu Sheng’s body slightly passed the steel pipe, but he snatched the machete from the other man’s hand.

The big man was startled, just about to retire.

Suddenly, the light of the knife flashed, and his entire right hand was chopped off by Yu Sheng.

“what!”

The big man screamed, breaking his arm and running wild with blood, and he couldn’t cover it.

The big man holding the steel pipe was shocked, wherever he dared to do it, he dropped the steel pipe and was about to run.

But how can his speed be as fast as the rest of his life?

The knife light slashed, and a calf fell directly to the ground.

The big man almost ran to the door before he threw himself to the ground and screamed.

Seeing that the three capable officers were all scrapped by the rest of their lives, He Wu's body couldn't help shaking.

At this time, he realized that the abandoned son of the Yu family was originally a master's matter.

He suddenly regretted offending the rest of his life.

But it was too late.

"Are you going to dictate yourself, or do you want me to do it myself?" Yu Sheng walked slowly towards He Wu. Every step he stepped on, He Wu's ears sounded like hell's urging talisman.

## Chapter: 36

He Wu dropped Du Fei in fear and backed away again and again.

"Yu Sheng, don't deceive people too much. I have more than a hundred brothers in the Sakura Club. Believe me or not, just let them come down and chop you into meat sauce!" He Wu threatened with a trembling voice.

"Sell, I'll give you a chance." Yu Sheng joked in his eyes.

He Wu didn't believe in evil, so he took out the phone and prepared to call someone.

At this moment, his cell phone rang, and it was the little beauty who called.

"Fifth brother, run quickly, that man has beaten all the hundreds of brothers out there and climbed down. He is simply a devil, no one is his opponent at all. Run away, he has already gone to the basement at this time!"

thump!

He Wu was shocked, and the phone in his hand fell to the ground.

He stared at Yu Sheng, couldn't believe it was true.

For the rest of his life, all of his more than one hundred brothers were knocked down by oneself.

Is this still a human? !

“Brother, his life is left to me!”

At this moment, Du Fei reluctantly climbed down from the ground, and his whole body was injured too badly, but he didn't care at all.

“Okay.” Yu Sheng glanced at Du Fei and nodded lightly.

“It turns out that you two know each other!” He Wu regretted it to the extreme in his heart.

Knowing that Yu Sheng knew Du Fei, he should use Du Fei to threaten Yu Sheng.

But at this time, he had already let Du Fei go, and he had the rest of his life by his side. He wanted to control Du Fei again, and it was already difficult to get into the sky.

“Brother Fei, I just lied to you, your wife is not dead!” He Wu trembles when he sees the murderous intent in Du Fei's eyes, and says hurriedly.

Du Fei was shocked, staring at He Wu firmly.

“Are you lie to me?” Du Fei asked in a deep voice, with some expectation in his heart.

Back then, he retired from the arena so that his wife could give up everything. His wife was his devil, and also his pursuit and dream.

If his wife really died, he didn't know what to do.

“I'm not lying to you, and, as long as you want, Sakura Club will still be yours, just ask you to spare my life!” He Wu nodded hurriedly.

“Take me to see her!” Du Fei said in a deep voice, then turned and walked outside.

At this moment, He Wu suddenly pulled out a pistol from his waist and aimed it at Du Fei's head.

“Wake up, I want to kill you, do you think I will let her go?”

He Wu laughed, looking like Zhizhu holding him.

He pointed the gun at Du Fei's head, but his eyes were on Yu Sheng.

“Yu Shao, I admit, I underestimated you, but if you can fight again, do you think you can overheat your weapon?”

There was a hint of irony in his eyes. He looked at the pee that the little brother had peed on the ground before, and laughed: “But if you kneel down and lick the pee, I will spare you a dog today.

Otherwise, I will shoot one by one and send you down to see the King of Yama! “

## Chapter: 37

At this time, He Wu was quite mad.

As the saying goes, no matter how high martial arts is, one is afraid of kitchen knives.

Now is the age of hot weapons, what use is it even if you can fight again?

If one bullet goes down, even if you are the world’s number one master, you still have to go down to see the Lord Yan.

“Even if you are the youngest of the Yu family, you have to lick your urine clean for Lao Tzu at this time.” He Wu laughed, making no secret of the arrogance in his eyes.

Except for a runaway when he was in Beijing, no one had ever had a fight with him until the end.

What about the Yu family? It’s not about to kneel for Lao Tzu at this time!

“You fucking kind of come at me!”

At this moment, Du Fei suddenly turned around and stared at He Wu firmly.

He Wu snapped down the insurance and yelled: “Do you fucking think I dare not kill you!”

He yelled that he was going to shoot, and his fingers were also dunked. m.9biquge. com

At this moment, the blade flashed, and just when his finger was about to squeeze the trigger, his right hand holding the gun was cut off with a knife, and the pistol fell to the ground.

“what!”

He Wu let out a scream, the blood rushed at the broken wrist, and he held his wrist in pain.

He stared at Yu Sheng, finally showing fear in his eyes!

how so!

How could he shoot so fast!

The speed of the sword technique for the rest of his life completely exceeded his cognition!

“you you you.....”

He Wu didn't hesitate, thumped and knelt in front of Yu Sheng, begging: “Yu Shao, I was wrong, please give me another chance!”

The rest of his life looked at He Wu indifferently, without any indication.

From beginning to end, He Wu had no difference in his eyes from a clown.

“Yu Shao...”

He Wu still wanted to ask, but Yu Sheng turned his head to look at Du Fei: “I'm waiting for you outside.”

As he said, he turned and walked out.

Du Fei knelt down and picked up the gun on the ground, and slowly broke He Wu's broken hand and fingers apart.

Yu Sheng had just walked out of the basement and heard several gunshots.

Without turning his head, he went straight to the entertainment hall above.

At this time, some of the bastards in the entertainment hall were still lying on the ground groaning, but some were slowly getting up.

The sexy little beauty saw Yu Sheng come up with fear in her eyes.

For the rest of her life today, in her eyes, she was completely a devil, and five or hundreds of little brothers, who beat him all alone, were all beaten down by him every minute.

When she beat Chen Bin for the rest of her life that day, she thought it was Chen Bin who saw He Wu and gave He Wu face, so she didn't dare to fight back.

She only knew today that she was wrong.

Wrong ridiculous!

“You, what are you doing?” The little beauty trembled all over, and hurriedly backed away.

Those gangsters who got up also showed fear in their eyes. Some who were just about to get up, saw the rest of their lives come up, and hurriedly fell down, pretending to be dead one by one.

For the rest of his life he pulled a chair and sat down.

He took out a cigarette, leaned on the chair and smoked it by himself. From beginning to end, he didn't even glance at the little beauty and the others.

After smoking a cigarette, just as he was about to take out the second fulcrum, a heart-piercing roar suddenly came from the basement.

“Gulian! Ah!”

This roar came up, making the little beauty and the others tremble.

Ten minutes later, Du Fei came out holding a woman.

The woman, like him, was also covered in blood.

It's just that the woman's face is pale, and she has no breath.

## Chapter: 38

Yu Sheng was shocked and couldn't help standing up.

He Wu still killed Du Fei's wife!

“Sorry!” Yu Sheng patted Du Fei on the shoulder.

Du Fei nodded, “You go back first.”

Yu Sheng looked at Du Fei, then turned and left.

That night, a major earthquake occurred in the underground circle of Qiancheng.

He Wu, the king of the underground circle, was killed, and several loyal men were abolished.

Brother Fei, the former king of the underground circle, returned to his position as the king of the underground circle.

The various people who were once related to He Wu have changed after hearing the wind.

The next day, as soon as Yu Sheng arrived at the company, he received a call from Du Fei.

On the phone, Du Fei said that he wanted to send his wife to the country for burial, and asked the rest of his life if he had time to go with him. Remember http in one second: //

For the rest of his life, of course, there were no questions, and when he asked Du Fei where he was, he was going to look for him.

“For the rest of your life, where are you going?”

As soon as Yu Sheng came out of the office, Xu Qianqian found him.

“What are you doing?” Yu Sheng looked at Xu Qianqian with a bad attitude.

Xu Qianqian frowned, but thinking about seeking for the rest of his life, there was no seizure.

“You didn’t mean to introduce me to the boss, the boss is coming now.” Xu Qianqian put on a smiling face with a charming smile on his face.

She was very close to Yu Sheng, and the perfume on her body rushed into Yu Sheng’s nostrils.

I have to say that Xu Qianqian is really beautiful, and compared with Yang Zihuan, it is a completely different kind of beauty.

Especially when he smiled, those two dimples were even more charming.

Yu Sheng frowned slightly, stepped back a little, and said, “The boss is still here.”

As he spoke, he turned and walked towards the elevator.

Xu Qianqian didn’t know if Yu Sheng was lying to her. He glanced at the closed office door and thought for a while, but he didn’t rush up to knock on the door.

Just watching the rest of my life walking into the elevator, I felt very upset.

This dead son-in-law actually gave her a show.

After this girl catches up with the boss, see if this girl will give you a look.

Of course Yu Sheng didn’t know that Xu Qianqian was criticizing him in his heart at this time.

He went downstairs and drove to the Sakura Club to find Du Fei.

Du Fei drove the q7, He Wu, and his wife’s body was in the back of the car.

Du Fei’s wife’s hometown is in Xiuwen County. Her wife has always wanted to leave Qiancheng to write a text. Du Fei did not satisfy her wish when she was alive. After death, she could only be dragged back to Xiuwen for burial.

Du Fei said that his wife likes to be quiet, so when he arrived in Xiuwen County, he and Yu Sheng bought a good coffin, put Li Honglian’s body in it, and buried it on the old grave of Du’s family.

“She is an orphan. After finishing high school, she went to work in Qiancheng. At that time, she was working as a waiter in Sakura.” Du Fei said, touching the tombstone that had just been erected.

For the rest of his life, he lit a cigarette for him, then lit one himself, and sat on the stone beside him, listening to Du Fei's broken thoughts.

"I remember that that day, Zhou Li fell in love with her and wanted her to accompany her, but she refused. Then she was forcibly taken into the private room where I was sheltered by Zhou Li's men. Later I rescued her and she Became my wife."

"That night, I said I was a bad person and might not be able to give her happiness. She said that being by my side is the greatest happiness."

"Later she said she was afraid, so I took her out of the arena."

"Although her temperament has changed a lot in the past two years, she has an eye for influence and a low sense of sentimentality, but she will always be my favorite woman."

"But she still died because I was a quack."

As Du Fei flicked the cigarette butt, the cigarette butt drew a path in a poignant arc and fell to the ground.

"She died because you were not strong enough." Yu Sheng said lightly.

"Yes, if I don't retreat from the arena, but become stronger, I can better protect her." Du Fei nodded, convinced.

He clearly understood.

But some things are late.

"The road in life will inevitably be ups and downs, and there is still a long way to go, but unfortunately, it is just a scenery before the end. All we have to do is to always believe that the sun will shine tomorrow, and go forward bravely without shrinking."

Yu Sheng also bounced the cigarette butt out, clapped his hands and walked to the car on the roadside.

At this moment, he suddenly heard a woman's scolding from the graveyard not far away.

He frowned slightly, and walked over to where the sound came from.

## Chapter: 39

After going through several cemeteries for the rest of his life, he soon saw a beautiful woman surrounded by seven or eight big men.

The woman is twenty-four or five years old, with delicate features and a serious face.

Wearing a sports suit, although surrounded by a few big men, there is no panic in his eyes.

“You are so courageous, what age do you dare to robber the grave!” the beautiful woman shouted in a deep voice.

“Oh, in the mountains and forests, brothers are getting bored, you are here to accompany us, good people.”

“Tsk tusk tusk, it’s so beautiful, I’ve lived such a long time, and it’s the first time I saw such a superb beauty in person except on TV.”

“Come on, little lady, let my brother pamper you.”

When a wretched man said, he reached out to touch the woman’s face.

But in the next moment, the woman suddenly swept her legs and directly swept the wretched man to the ground.

“Presumptuous, I am Xia Feixue, the captain of Xingzhen Brigade of Xiuwen County, so I won’t stand up honestly for me!” The woman let out the wretched man and shouted in a deep voice.

The expressions of the other people changed. They had known that there was a powerful female captain in Xiuwen County, but they didn’t think it was the beautiful woman in front of them.

The leader was a mustache, and he gave a wink to the other people, then picked up tools one after another, and surrounded Xia Feixue.

“What are you doing?” Xia Feixue’s eyes suddenly panicked.

Although she has good skills, these people have guys in their hands, and she may not be able to please them.

“What do you mean?” There was a fierce look in his beard’s eyes, and he sneered.

Damn, in this case, they can’t catch them all, they can only fight to the end.

There was a fierce flash in the eyes of several people, and they rushed to Xia Feixue.

Xia Feixue’s eyes were a little flustered. She was on vacation today, and found that some people were sneaky, so she followed up. So she didn’t know how to prepare, but she didn’t think it was a few tomb robbers.

However, as the captain of the Xingzhen brigade, Xia Feixue was not a vegetarian, even though she was empty-handed, a few four big men were brought down by her.

But after all, his hands were hard to beat the four punches, one of them didn't pay attention, and he was successfully attacked by his beard, and then he was quickly tied up.

"Hey, what about the captain, isn't it going to be subdued by Laozi?"

The beard stretched out his hand triumphantly and hooked Xia Feixue's chin, and looked at Xia Feixue's beautiful cheeks, with a touch of greed in his eyes.

"Little beauty, just wait for your brothers obediently. After your brothers have finished digging the baby, you can play with you." The beard laughed, got up and waved, then greeted everyone to get up and work.

"Damn, little girl, my brother will definitely let you taste it in a while!" Several men who had been knocked down by Xia Feixue got up and looked at Xia Feixue with excitement.

"Hmph, none of you can run away!" Xia Feixue felt a little flustered, but his mouth was hard.

Seeing everyone jumping into the tomb and digging again, Xia Feixue was worried to the extreme.

She was tied up by five flowers and she couldn't even call for help.

Just when she didn't know what to do, she suddenly saw the rest of her life coming over.

When her eyes lit up, she looked expectantly at the rest of her life.

But she was afraid of attracting the attention of the tomb thief, and did not speak, but kept blinking at Yu Sheng.

Yu Sheng glanced at Xia Feixue, then looked towards the tomb pit.

"Lying on the grass, making a fortune, this is really a tomb from the Ming Dynasty, this blue and white porcelain is probably from the early Ming Dynasty or even earlier."

At this time, cheers from the tomb robbers came from the pit.

Yu Sheng wanted to tie Xia Feixue's pine first, but when he heard this sound, he walked straight to the grave.

Xia Feixue's face changed drastically, and she thought that Yu Sheng had also come to the tomb as well.

She looked at Yu Sheng with a gentle look. Although she was dressed in ordinary clothes, she was very handsome. She subconsciously thought Yu Sheng should not be a bad person, and she had some small expectations in her heart.

Didn't think of...

## Chapter: 40

Xia Feixue was a little disappointed in her heart, but more worried.

But seeing Yu Sheng walking towards the tomb, she suddenly felt that it was not a bad thing.

The tomb is not very big and can accommodate two people at the same time.

Yu Sheng jumped directly in.

To be honest, he was also curious about what would be dug up in the ancient tomb.

At this moment, a few people with beards came out, holding a blue and white porcelain covered with mud and a black box in their hands.

“Who are you?”

Suddenly seeing Yu Sheng standing in front of them, several people were suddenly shocked.

For the rest of their lives alone, they didn't care. The most important thing is that they all came in just now and forgot to leave people outside, and they don't know what's going on outside.

“Hand over things.” Yu Sheng looked at several people indifferently.

“Damn, you're looking for death!” Upon hearing this, a tomb thief took a picture of Yu Sheng with a Luoyang shovel. m.9biquge.com

Yu Sheng gave a cold snort, tilted his head, took advantage of the opponent's shovel, and slapped the opponent's head with a backhand.

boom!

The big man's head roared, and he staggered and fell.

“Damn, kill him first!” The beard shouted angrily, put down the blue and white porcelain and the black box, and pounced on Yu Sheng first.

But the next moment, Luoyang shovel slammed on his head, and the whole person also staggered and fell.

The others panicked and had to back off.

But since Yu Sheng made the move, he didn't plan to let them go.

He chased it up, shoveled one by one, and quickly knocked the eight people down.

Looking at the several tomb robbers who were stunned by him, Yu Sheng threw down the shovel and walked towards the blue and white porcelain and the black box.

His eyes only stayed on the blue and white porcelain before looking at the black box.

The box is very old, but it has a quaint atmosphere. There are carvings on it, but it is blurred.

Yu Sheng opened the box curiously, and was immediately stunned.

There was only one ancient book in it, the title of which was “Nine Profound Sky Classics”.

He took out the ancient book carefully, turned the first page, and saw it wrote in ancient words:

Taoist classics, all-encompassing, omnipotent...

The human body is a world, wonderful and infinite, as long as you study with your heart, you will discover a new world...

Yu Sheng flipped through a few pages, with excitement in his eyes.

This ‘Nine Profound Heavenly Sutra’ is really all-encompassing.

There are Taoist practice, Yin-Yang Fengshui, the emperor’s alchemy in ancient legends, and various magical essences of Chinese medicine that have long been lost.

“This is the real baby.”

Excited, Yu Sheng put away the ancient book, and then went to explore the depths of the tomb.

After discovering anything useful, it came out directly.

Seeing Yu Sheng came out, Xia Feixue suddenly became a little worried.

She didn’t know if she would be happy for the rest of her life.

“You, what are you doing?” Xia Feixue panicked when Yu Sheng came over.

From Yu Sheng’s indifferent eyes, she had no idea what Yu Sheng would do.

For the rest of his life, he didn’t speak, but under Xia Feixue’s nervous and flustered expression, he untied the rope from her.

“A few of them were knocked out by me. They won’t be able to wake up for a while, so deal with them yourself.”

After Yu Sheng said something, he walked to Du Fei.

“Hey, what’s your name? Thank you today.” Xia Feixue breathed a sigh of relief, looking at Yu Sheng’s back and shouted.

She did not return to her for the rest of her life, and soon disappeared from Xia Feixue’s vision.

“It’s a weird person, but it’s so handsome.” Xia Feixue muttered, a flash of light flashed in his eyes, and he took out his mobile phone and called the Xingzhen team over.
