

Dont mess 311

Chapter: 311

Today, Yang Zihuan did not go to the company to accompany his son at home.

She was about to take her son to the playground when she suddenly heard a knock on the door.

"Mom, go open the door." Yang Zihuan said to Gao Qing who was sitting on the sofa and watching TV while she was finishing Xiaoshui's clothes.

"Who?" Gao Qing walked over to open the door, and saw three people standing in front of her house.

"Who are you looking for?" Gao Qing frowned, all three of them were strangers.

"I'm here to find my brother-in-law." Yu Xuan smiled slightly.

"Who are you?" Gao Qing asked.

"You are Yu Sheng's mother-in-law." Yu Xuan's smile remained unchanged.

"What is your relationship with that trash?" Gao Qing asked.

Yu Xuan looked back at Ji Tian and smiled: "Look, this is the treatment that a door-to-door son-in-law should have. My dear brother has been here as a door-to-door son-in-law for four years and suffered four years of insult. , To be honest, I really admire him."

"Can tolerate what ordinary people can't bear, the second son is indeed admirable. Unfortunately, he doesn't know the current affairs, fights with the older son, and went the wrong way." Ji Tian nodded.

"Yeah, when I think of the old man who said he is the future of my Yu family, I want to laugh. I really want to go to the Doomsday Prison to see him, and let him see the son he likes. What a waste." Yu Xuan said with emotion.

"Who are you?" Gao Qing asked again, not understanding what Yu Sheng said.

Yu Xuan pushed Gao Qing away and entered the room slowly.

Suddenly seeing Yang Zihuan, there was a golden light in his eyes.

The best, worthy of being the first beauty in Qiancheng!

Yang Zihuan, who was just about to go out, dressed up, his figure is fiery, his face is even more delicate and perfect, and Yu Xuan, who is controlled by a young woman, has his eyes straight.

"Who are you?" Yang Zihuan's expression changed, and Yu Xuan's gaze made her a little scared.

"You are my sister-in-law Yang Zihuan, right? My name is Yu Xuan, and I will take care of your mother and child for the rest of my life." Yu Xuan said with a smile, his eyes didn't have the hot body that left Yang Zihuan.

Yang Zihuan trembled. Yu Xuan's words revealed too much information. She subconsciously asked,

"Where is he for the rest of my life?"

Yesterday, Yu Sheng just told her that she was going to a far door. Because of the cold war with Yu Sheng during this period, she didn't ask Yu Sheng where she was going, and Yu Sheng didn't tell her where she was going.

"Yu Sheng, he will never come back, so let me help him take care of your mother and child. Sister-in-law, I will be your backer in the future." Yu Xuan smiled and went to pull Yang Zihuan's hand early.

Yang Zihuan exclaimed and hurriedly backed away.

"Bad guy, you are not allowed to bully my mother!" Xiao Shui stood in front of Yang Zihuan with a fierce look.

Yu Xuan looked at Xiao Shui and said with a smile: "Little thing, come and call uncle."

Xiao Shui said angrily: "I don't have an uncle like you. I don't know you. Get out of my house!"

Yu Xuan said: "If you don't listen to the uncle's words, you will be beaten."

Xiao Shui looked at Yu Xuan without fear, and said, "Bad guy, you dare to beat me, my father will kill you when he comes back!"

Yu Xuan smiled and said, "Your father will never come back."

Yang Zihuan's face changed. Yu Xuan's words made her feel a tremor. He died for the rest of his life? She pointed to the door and said loudly: "You leave as soon as possible, our house does not welcome you."

"Brother-in-law, my brother asked me to take care of your mother and son, how can I leave?"

Yu Sheng smiled, stepped forward, and reached out to touch Yang Zihuan's face, very frivolous.

"Bad guy, you dare to bully my mother, I will kill you!"

Xiao Shui yelled, then hugged Yu Xuan's thigh and bit him in one bite.

"Hi, you are looking for death!"

Yu Xuan was in pain, and slapped Xiao Shui away with a slap.

Xiao Shui snorted and fell on the sofa, bleeding from the corners of his mouth.

"Little water!"

Yang Zihuan trembled, hurriedly ran over and picked up Xiao Shui.

Yu Xuan had just used quite a lot of force, and Xiao Shui's brain was still roaring at this time.

If it hadn't happened to fall on the sofa, he would have been injured by a shock.

"You, why are you beating?" Gao Qing shouted angrily.

"roll!"

Now that he had turned his face, Yu Xuan stopped pretending, raised his hand and slapped Gao Qing on the face.

Gao Qing was frightened, and looked at Yu Xuan in horror, not daring to put another fart.

"Sister-in-law, since I have asked me to take care of you for the rest of my life, you will be my woman from today. Let's go. Let my eldest brother take care of you now."

Yu Sheng pulled out a dark smile at the corner of his mouth, walked over and hugged Yang Zihuan and walked to her bedroom.

Chapter: 312

"You let me go, let me go!" Yang Zihuan's scared soul flew into the sky, and kept slapping Yu Xuan.

But Yu Xuan was originally a martial artist, so how could Yang Zihuan break free.

Yu Xuan threw Yang Zihuan on the bed, and he was about to tear Yang Zihuan's clothes.

"Hugh hurts my sister-in-law!"

At this moment, Du Fei rushed in with Chen Bin and others.

"Get it for me!" Du Fei glanced at Ji Tian and the driver, and said angrily.

Chen Bin and others rushed to Ji Tian and the others.

Ji Tian snorted coldly, raised his hand and twitched, and a bastard who had just got close to him was taken away.

He was a strong man. What difference did Du Fei bring from the ants in his eyes? He knocked them down.

Du Fei took the opportunity to kick open the bedroom door, drew his pistol and pointed it directly at Yu Xuan's head.

"I shot you again!"

Yu Xuan looked back at Du Fei and had to raise his hand.

When Yang Zihuan saw the gun in Du Fei's hand, he curled up on the bed and shivered in shock, his mind

broke.

No matter it was Yu Xuan or Du Fei, she didn't know a single one. These people rushed into her house and treated her wrongly. She was terrified to the extreme.

Ji Tian, who had just rushed in, saw Du Fei pointing his spear on Yu Xuan's head.

Du Fei knew that Ji Tian was a real powerhouse this time. He grabbed Yu Xuan's back collar with the muzzle directly on top of Yu Xuan's head, and said coldly: "Get out!"

Ji Tian was unmoved, Du Fei poked Yu Xuan's head with his muzzle, threatening: "Believe it or not, I shot him!"

"Ji Tian, do you want to kill me, don't you quit as soon as possible?" Yu Xuan was a little scared and shouted loudly.

Ji Tian glanced at Du Fei coldly before retreating.

Du Fei pressed Yu Xuan out of the bedroom and saw Chen Bin and others lying on the ground losing their combat power, shocking Ji Tian's combat power in his heart.

Thinking of Yu Sheng's words, he didn't dare to provoke Ji Tian easily, so he had to use Xuan Yu to threaten Ji Tian to withdraw from Yang Zihuan's house.

I walked all the way from the stairs on the tenth floor to the community.

Seeing hundreds of people waiting in the community, Ji Tian narrowed his eyes.

At this time, Du Fei let go of Yu Xuan, and said coldly: "Next time I dare to harass my sister-in-law, I will kill it!"

Seeing these hundreds of gangsters staring intently, Yu Xuan snorted coldly, and had to take Ji Tian and the driver to leave.

"These are people from underground forces. It seems that the second son is not useless in Qiancheng these years." Ji Tian said in the car.

"Ji Tian, you should be able to deal with those underground forces." Yu Xuan asked.

"It's not a problem to knock them down, but that guy has a gun in his hand. If he shoots at you, I won't care." Ji Tiandao.

There were only more than a hundred gangsters, and he didn't look at it at all.

But if it really fought, he would not care about Yu Xuan.

He can avoid bullets himself, but Yu Xuan can't.

"Well, then let my younger sister-in-law go first, and when you can handle the underground power lair, I will take care of her again." Yu Xuanyin smiled.

"I will destroy their nest tonight." Ji Tian said.

"Okay." Yu Xuan nodded heavily. There was still an evil fire in his heart at this time, and he could not wait to take Yang Zihuan.

He didn't feel that way when he saw Yang Zihuan. After seeing Yang Zihuan's charm with his own eyes, he was full of pictures of Yang Zihuan galloping under him.

"Master, where are we going now?" the driver asked.

"Go back to the hotel first."

"OK."

Du Fei turned upstairs when he watched the Big Land Rover leave.

It's not that he doesn't want to kill Yu Xuan, he doesn't dare.

He knew that Ji Tian was not afraid of the gun in his hand. If he killed Yu Xuan, all of them would have to be buried.

"Who are you?" Seeing Du Fei's return, Yang Zihuan suddenly became nervous again.

“Sister-in-law, don’t be afraid, it’s Yu... Brother Yu asked us to protect you.” Du Fei explained.
“Where is he for the rest of his life? Also, what exactly is his identity and why did he provoke those people?” Yang Zihuan secretly breathed a sigh of relief, and let go of his hanging heart.
Recalling what Yu Xuan said before, she finally doubted Yu Sheng’s identity.

Chapter: 313

After getting off the plane for the rest of my life, I called Du Fei the first time.

“What’s the situation now?” Yu Sheng asked anxiously.

Du Fei’s voice came over the phone: “Sister-in-law is fine, Xiao Shui was slapped in the face by Yu Xuan. There was a slight concussion. The doctor has checked it and said that the problem is not serious and he can recover after a few days of recuperation.”

“He dared to beat my son, I will not let him go!”

Yu Sheng snorted and asked, “Are you still in the hospital now?”

Du Fei replied: “Well, I just finished the check, and I need to give him an infusion.”

“Which hospital?” Yu Sheng asked.

“People’s Hospital, Department of Brain.”

“Okay, I got off the plane and will be there soon.” Yu Sheng said and hung up the phone.

After learning about Yang Zihuan and Xiao Shui, he finally breathed a sigh of relief.

Flying all the way, for more than two hours, he has been worried, and his mind is full of scenes of Yang Zihuan’s mother and child in crisis, which can be described as suffering.

Now that he heard that there was nothing wrong with the two of them, he finally breathed a sigh of relief.

I went to the parking lot to get my car, and drove all the way to the People’s Hospital for the rest of my life.

Soon he arrived at the Ren Hospital and found the ward. Du Fei took a group of people to guard outside the ward himself.

Yu Sheng nodded to Du Fei and walked into the ward.

“Woo, Dad, you are back, there was a bad guy bullying your mother...” Seeing Yu Sheng, Xiao Shui was in a state of relief and cried.

I walked a few steps for the rest of my life, squatted down, touched Xiao Shui’s head, and whispered softly: “Xiao Shui doesn’t cry, father is back, no one will dare to bully you in the future.”

“Well, the bad guy hit me again, but I bit him and bit him up,” Xiao Shui said triumphantly.

“My son is amazing. In the future, my father will teach you martial arts, specializing in fighting bad guys.”

Yu Sheng smiled slightly.

“Well, I want to fight those bad monsters like Ultraman.” Xiao Shui clenched his fist and said firmly.

“Haha, we Xiaoshui will be better than Altman in the future.” Yu Sheng also shook a fist to Xiaoshui and said with a smile.

“You come out with me.”

At this moment, Yang Zihuan next to him took Yu Sheng’s hand.

Yu Sheng looked up at Yang Zihuan, Yang Zihuan looked indifferent.

“Xiaoshui, Mom and Dad go out.” Yu Sheng said to Fushui.

“Yeah.” Xiao Shui nodded obediently, and said again: “Dad, I want to eat ice cream.”

“Okay, Dad will wait and buy it for you.” Yu Sheng nodded and walked out of the ward with Yang Zihuan.
After coming out, Yu Sheng said to the young man next to Du Fei who had previously sold his ancient

paintings: "Brother, go and buy an ice cream for my son."

He said that he would give money to the youth.

"Okay." With an excited look on the young man's face, he ran off without receiving the rest of his life. Upon seeing this, Yu Sheng had to put away his wallet and said to Du Fei: "You can ask me to find out where Yu Xuan is now."

As he spoke, he walked to the corridor with no people, and Yang Zihuan followed him.

"Aren't you going to tell me something?" Yang Zihuan asked after the two stood still, looking at Yu Sheng's eyes.

The impact on her today is too great, and there are countless questions in her mind.

Leaning on the bar for the rest of his life, took out a cigarette and said, "Just ask what you want."

Yang Zihuan took a deep look at Yu Sheng before asking, "Where did you go yesterday?"

"Go to Beijing."

"What are you going to do?" Yang Zihuan asked.

"Do something."

"What to do? We are husband and wife, you won't even lie to me?" Yang Zihuan stared at Yu Sheng's eyes.

With a cigarette in his mouth, Yu Sheng glanced at Yang Zihuan, then turned to look outside.

He turned his back to Yang Zihuan and didn't speak.

If it was before, Yang Zihuan asked him this way, he would tell Yang Zihuan everything without hesitation.

But now, don't know why, he didn't want Yang Zihuan to know everything about him.

He couldn't say why, but he simply didn't want to tell her about him.

Just as he didn't want to inquire about anything about Yang Zihuan now.

"As you said, we are a husband and wife, so we should treat each other frankly. There is something I always want to ask you. Can you tell me the truth about your relationship with our chairman?"

Yu Sheng turned around and calmly looked at Yang Zihuan's eyes.

Chapter: 314

Yang Zihuan's heart was shocked, and his eyes looked a little flustered.

"Okay Yu Sheng, you have been in a cold war with me during this period of time. You actually suspected that I had an affair with your chairman? Then I ask you, I go home on time every night, are you blind? It's you, sometimes not at night Destiny, can you give me a reasonable explanation?"

Of course Yang Zihuan couldn't admit the fact that she already had another figure in her heart, but she really did not have anything to go out of the cabinet, so she seemed very calm at this time.

There was a touch of irony in Yu Sheng's eyes, and he said lightly: "Yu Xuan is my half-brother. He has enemies with me. My mother was killed by his mother, but I can assure you that from now on, he will no longer have an enemy. There is a chance to hurt you.

As for Du Fei, he is a socialist and my friend, and he will not hurt you either."

As he spoke, he turned and walked over, not answering any questions from Yang Zihuan.

Looking at the back of Yu Sheng's departure, Yang Zihuan's face was gloomy.

Yu Sheng's answer seemed to have resolved the doubts in her heart, but she always felt that there was something unreasonable.

But she couldn't think of anything for a while.

But she finally understood something.

I finally know why Yu Sheng wants to join her house.

It was the same thing to love her for the rest of his life, and one more thing, it must be that the rest of his life was at odds with the family and was kicked out, and then he would willingly join her.

However, since Yu Sheng is also friends with the big brother of society, it can be seen that he is actually not as useless as they thought.

By the way, Yu Sheng seems to know how to use Feng Shui, and the Zhang family respects him very much.

Alas, it was true that my family didn't know him too much before, and they all regarded him as a waste. But thinking of just the rest of her life, she couldn't help the figure that made people love and hate appear in her mind.

Obviously, compared with that figure, the rest of his life is really not worth mentioning.

"By the way, Yu Sheng mentioned this incident suddenly. Did the chairman imply something to him? Or, what unusual behavior of the chairman was noticed by Yu Sheng?"

Yang Zihuan trembled, and the more he thought about it, the more he realized it was possible. The chairman didn't really ignore her.

Does the chairman want Yu Sheng to quit on his own initiative?

Or why did he give Yusheng more than two million luxury cars, and then he let Yusheng drive at will?

Yang Zihuan suddenly felt that the reason why the chairman was so generous to Yu Sheng was because she wanted Yu Sheng to divorce herself or something, or she had never seen a boss treat a driver so generously.

Thinking about this, Yang Zihuan's already chilled mood became a little restless.

For the rest of his life, he came to Du Fei and the others and said: "You take your brothers to dinner first, and I will check out later."

"My own restaurant, what do you want to pay for?"

Du Fei smiled, and said to the gangsters: "Come back, go back to eat first, a pleasant meal."

"Philadelphia is mighty."

The brothers laughed in joy.

"I invite you to eat a big meal, you will lose hundreds of thousands of dollars, and I am afraid that it will not be mighty." Du Fei scolded with a smile.

"Hey, what I said is the same as it really is." The crowd roared.

Du Fei is also very easy-going in private, so many brothers are not afraid of him, and they dare to make jokes with him.

Seeing Du Fei and others leave one after another, Yu Sheng turned and returned to the ward.

Two minutes later, the brother came in with a box of ice cream.

"Shao Yu, here."

"Thanks." Yu Sheng said, taking the ice cream.

"Yu Shao is polite, then I will go to dinner with Brother Fei and the others," said the young man.

"Go ahead." Yu Sheng nodded, then opened the ice cream and fed Xiao Shui.

After three hours of infusion, all the medicines were infused. The doctor came over and took a look, and asked Yu Sheng to bring Xiaoshui for another injection tomorrow, and then Yu Sheng and Yang Zihuan took Xiaoshui back.

At six o'clock in the afternoon, Du Fei called Yu Sheng and told him Yu Xuan's location. Yu Sheng didn't have the first time to find Yu Xuan, but made dinner first, and then went out after dinner.

Chapter: 315

The three of Yu Xuan stayed at the Grand Hyatt Hotel and had to pass the Sakura Club, so Yu Sheng went to the Sakura Club first.

At this time, Du Fei and the others were ready, and set off after waiting for the rest of their lives.

But Yu Zhong wanted to go back to Beijing to rectify the Shengfeng Group, and Yu Sheng wanted to talk to him, so he asked everyone to wait for a while.

“Uncle Zhong, I feel that there are probably many Li Hongsu undercover agents in the Shengfeng Group. It is very dangerous for you to go to Beijing now.” Yu Sheng persuaded.

Although Yu Zhong Qihai was repaired and his martial arts recovered a lot, his current strength was still too weak, and he fell into Li Hongsu’s hands, fearing that there would be no possibility of surviving.

“Master, I created the Shengfeng Group. If there is an undercover, only I can find out.” Yu Zhong said.

“You can wait a few days first, and wait until I solve Li Hongsu before going.” Yu Sheng still felt uneasy.

“Young Master is going to Beijing?” Yu Zhong raised his eyebrows and asked.

“No, but I will let Li Hong always come to Qiancheng. I will subdue Yu Xuan first tonight. I don’t believe that she doesn’t even care about her own son.” There was a fierce flash in Yu Sheng’s eyes.

“Ji Tian is already a half-grandmaster, and your injury has not healed. I am afraid that fighting with Ji Tian will not get any advantage.” Yu Zhong shook his head and said.

“First of all, my injury is 80% better, and it is no longer affected. Second, since Ji Tian is not yet a master, he cannot be my opponent.” Yu Sheng’s eyes were full of confidence.

“Did you break through the Grand Master?” Yu Zhong was a little surprised. Some time ago, there was still a lot of distance from the Grand Master for the rest of his life.

“I still don’t have a breakthrough master, but it’s almost a breakthrough, and my practice is no stronger than Yu’s practice, plus I’m still younger than Ji Tian. No matter what you think about it, Ji Tian can’t be. My opponent.” The rest of his life is from the channel.

He wasn’t bragging either. The Nine Profound Heaven Scriptures were originally ancient faculties, and the exercises were so intricate that they were far from comparable to modern martial arts.

Moreover, a few days ago, he absorbed so much spiritual power contained in the Xie Zong Bone, his internal power can be described as leaps and bounds, and his internal strength is infinitely close to the strength of the master.

Although Ji Tian is known as the half-step grandmaster, there is still a lot of gap between the real combat power and the half-step grandmaster.

So Yu Sheng is confident to defeat Ji Tian.

“Well, young master, you have to be careful. By the way, I have played against Ji Tian. His strongest is the first three moves. You only need to avoid his first three moves, or don’t let him suppress you in the first three moves. He won’t be able to succeed.” Yu Zhong reminded.

“In other words, Ji Tian is the type that once gains the upper hand, he will fight more and more bravely, and once he is suppressed by his opponent, he will not be able to come back.” Yu Sheng said.

“Yes.” Yu Zhong nodded.

“Okay, there is no chance of a comeback that day tonight.” Yu Sheng smiled and got up and walked outside.

Outside, Du Fei and others have been waiting for a long time.

“Go.” Yu Sheng said, then walked to his car, Du Fei and others also got on the car.

At this time, Yu Xuan was playing with a mobile phone in the room, and the three of them had just eaten.

However, Ji Tian and the driver are not eligible to live with Yu Xuan.

Yu Xuan opened the presidential suite, and he opened the superior suite on the next floor for Ji Tian and the driver.

Lying on the big bed, Yu Xuan put his hands on his head, and Yang Zihuan's fiery figure appeared in his mind.

This kind of young woman with a hot body and stunning appearance was one of those he had been involved in in Upper Kyoto. He subconsciously licked his lips, and an evil fire suddenly rose in the pubic field.

"For the rest of my life, the trash can marry a wife like Yang Zihuan. The shit luck is really not so good. But in the future, Yang Zihuan wants me to be exclusive to Yu Xuan. When I shoot the video, I will take it back and give it to the trash. When I look at it, I don't know if he will go crazy in anger, it must be wonderful."

"But the trash seems to be seriously injured, I hope he can survive Lao Tzu's return."

"After Ji Tian extinguishes the underground forces, Lao Tzu will put Yang Zihuan under him tonight and ravage him."

Yu Xuan pulled out a touch of evil in the corner of his mouth. After checking the time, it was almost time, and he was going to call Ji Tian and ask him to destroy the underground forces.

At this moment, Yu Xuan heard a knock on the door. He thought it was Ji Tian, so he got up and opened the door.

The door opened, and Yu Sheng was standing in front of him intact.

Yu Xuan's heart trembled, and the phone in his hand fell to the ground.

Chapter: 316

"You, how are you!"

Yu Xuan couldn't believe his eyes. Wasn't he locked in a cage for the rest of his life? Why did he escape? The point is, he was injured so badly last night, why is he as good as ever now?

"Are you surprised?" Yu Sheng looked at Yu Xuan ironically.

"You, how did you escape? And how can your injury heal so quickly?" Yu Xuan asked in shock.

"I remember, you refined the healing medicine, right?" Yu Xuan suddenly thought of the pill refining chapter of the Nine Profound Heaven Scriptures, and suddenly understood.

"I'm sorry, I had known that I had searched out the pill on you first. I really missed Jingzhou."

"But don't be proud, I have Jitian, and you are here just right."

Yu Xuan sneered, then picked up the phone and called Ji Tian.

Yu Sheng didn't stop him, but waited for him to finish the phone call, then said coldly: "It seems that you have been to the Four Seas Group, and you have taken away my secret book."

"Huh, Yu Sheng, the Jiuxuan Tianjing is an ancient book. How do you deserve to own it? I am the Yu family orthodox. Of course I can have this ancient book." Ji Tian came up immediately, and Yu Xuan of course Not afraid of Yu Sheng, looking at Yu Sheng with pride.

Ji Tian is a strong master of the half-step master. He believes that no matter how powerful he is for the rest of his life, he cannot be Ji Tian's opponent.

Yu Sheng sneered, without saying anything, and turned to look behind him.

He felt that Ji Tian was coming.

With a strong murderous aura.

Du Fei and others stepped aside, and Ji Tian saw Yu Sheng immediately.

I just heard Yu Xuan on the phone saying that Yu Sheng is back, he still didn't believe it, thinking Yu Xuan

was lying.

At this moment, seeing Yu Sheng standing in front of him with his own eyes, his heart was shocked, and his eyes were full of disbelief.

Yu Sheng suffered multiple injuries last night, but he saw it with his own eyes. There were no fewer than four or five broken ribs, and he could die at any time.

But at this time Yu Sheng actually looked intact as before, why not surprise him.

“Ji Tian, get me this waste quickly!” Yu Xuan shouted.

Ji Tian nodded, the shock in his eyes had become murderous.

“Second Young Master, you shouldn’t find it. You should take your wife and children away from Qiancheng. It’s best to hide in the countryside. That way, we might not be able to find you again. But you do not live or die, and you will be blamed tonight. I can’t stop.” Ji Tian said coldly.

“Hahajitian, you are too high-minded to look at you, come here, are you not known as a half-step master, let me learn and teach you great skills.” Yu Sheng laughed.

Seeing Yu Sheng so confident, Ji Tian frowned slightly.

Since Yu Sheng knew that he was a half-step grandmaster, and dared to come and fight himself, it seems that this kid should also be a half-step grandmaster.

But how old is he?

“Huh, I don’t know how high the sky is!”

Although Ji Tian didn’t dare to underestimate the rest of his life, he was disdainful.

“Ji Tian, I heard that you only know how to make three strikes. Come on, let me see how horrible your three strikes are.” Yu Sheng said, and before Ji Tian responded, the entire portrait turned into an afterimage and disappeared in place. .

He was extremely fast, and when Ji Tian reacted, he had already rushed in front of Ji Tian.

Now that he knows Ji Tian’s weaknesses, he must of course make the most of it for the rest of his life and not give Ji Tian a chance to fight back.

Yu Sheng was blindly attacking, and his internal strength was stronger than Ji Tian. Ji Tian was only defensive for a time, and there was no chance to fight back.

“Ji Tian, you have to fight back, you blindly avoided, can you beat him?” Yu Xuan shouted when he saw this.

Ji Tian’s face was gloomy, and he wanted to fight back, but the rest of his life blindly attacked, changing every move without getting old, and the speed was surprisingly fast. Where did he have the chance to fight back?

Finally, Ji Tian, who was blindly retreating, was forced to the corner. He was already unable to retreat.

Seeing the rest of his life attacked quickly, he gritted his teeth and had to squat down.

For the rest of his life, even if he was right, he could only squat down and raised his knees violently.

哧！

Ji Tian’s entire face hit Yu Sheng’s knee at once, and the bridge of his nose was directly broken. The sudden pain made his mind dizzy, and his eyes flashed golden light.

For the rest of his life, he took the opportunity to bang dozens of punches on Ji Tian’s face, and his entire face was deformed.

In the end, Yu Sheng blasted Ji Tian’s sea of qi with a fierce punch, directly blasting his sea of qi to pieces, and abolished his martial arts.

When Yu Xuan saw this, his eyes were full of horror.

Chapter: 317

impossible!

How is he so strong!

Yu Xuan was already frightened and murmured, not knowing what he was talking about.

At this time Yu Sheng closed his fists and looked at Ji Tian indifferently.

He doesn't want to kill Ji Tian, but to remove the potential threat posed by Ji Tian, he must abolish Ji Tian's martial arts.

Ji Tian sat slumped in the corner of the corridor like a dead dog, his eyes filled with despair.

Yu Sheng actually abolished his martial arts!

He was defeated by Yu Sheng!

He couldn't understand it, and he was even more reconciled in his heart.

After practicing martial arts for a lifetime, Yu Sheng broke it with a punch.

He hates it!

"When you chose to betray that year, this ending was already doomed." Yu Sheng said indifferently, then turned and walked towards Yu Xuan.

Seeing the indifference on Yu Sheng's face, Yu Xuan's heart jumped and said angrily: "Yu Sheng, I am the son of the Yu family, you are just a stubborn species of the Yu family, you dare to move me?"

He is the current heir of the Yu family, the entire Yu family belongs to him, and the rest of his life is just a stubborn seed of a cheap girl, dare to move him?

"Lao Yu, your eldest brother is mentally ill." Du Fei next to him looked at Yu Xuan in surprise. At this time, he even said such brainless words, I am afraid that he was scared and stupid.

"Look, I dare not move you." Yu Sheng twitched at the corner of his mouth and slapped it.

Snapped!

Yu Xuan was pumped hard, and Yu Sheng was pumped into the room at once.

"Yu Sheng, you fucking dare to hit me!" Yu Xuan looked up at Yu Sheng, eyes full of anger.

"Isn't I just beating you?" Yu Sheng smiled, it was the first time that he found Yu Xuan so silly and cute.

He chuckled disdainfully, walked in and gave Yu Xuan another kick.

Yu Xuan snorted painfully, rubbing the carpet and sliding to the corner of the wall.

"Yu Sheng, even if Ji Tian is not your opponent, you have to be clear. Grandpa's family is on my side.

They are all supporting me. Are you not afraid that my mother will bring the strong from Grandpa's family to kill you?"

Yu Xuan grinned painfully and looked up at Yu Sheng. He didn't believe that Yu Sheng still dared to beat him. The Yang family suffered a lot of this uselessness, right? Is he still tempered now?

"The Li family? I'm so scared." Yu Sheng said sarcastically.

"Hmph, since you are afraid, please obediently apologize to me and let me go. Otherwise, when my mother brings the strong Li family, your whole family will die without a place to be buried." Yu Xuan said proudly.

Du Xi on the side covered his face with one hand, how could there be such a fool as Yu Xuan in the world.

He can't even hear what is irony, how did he get into the ups and downs of Beijing?

Is it just no brainer?

"Apologize to you? Okay, how do you want me to apologize to you?"

Yu Sheng smiled, raised Yu Xuan, slapped it on the face.

For the rest of his life, he was stunned. Didn't he just say that he was afraid? How could he dare to hit

me? Is this trash crazy?

"You try to move me again!" Yu Xuan gritted his teeth and stared at Yu Sheng.

"as you wish."

Yu Sheng raised his hand, and it was just a few big ears pumping up. Yu Xuan's cheeks were pumped and swollen, and gold stars appeared in his eyes.

Du Fei and the others shook their heads, the IQ of the rest of the family is worrying.

"For the rest of my life, I fucked with you!"

The humiliated Yu Xuan shouted angrily, raised his hand and blasted Yu Sheng with a punch.

It is a pity that his strength is low, and he is completely ants in front of the rest of his life.

Yu Sheng grabbed his wrist and broke it hard.

"Ah! Let go, it's going to be broken, you fucking let me go..." Yu Xuan cried out in pain.

"waste!"

Yu Sheng gave a cold snort and banged Yu Xuan's stomach with a punch, which directly abolished his martial arts.

He knew that Yu Xuan's greatest strength was not forgetting. Since his Nine Profound Heaven Scriptures fell into Yu Xuan's hands, Yu Xuan had probably seen it.

To prevent future troubles, he directly abolished Yu Xuanwu Gong, so that Yu Xuan could not practice even if he knew the Nine Profound Heaven Scriptures.

"Yu Sheng, you are useless, you dare to use my martial arts, I will definitely kill you!" Yu Xuan sat on the carpet, eyes full of endless hatred.

Yu Sheng had no reason, Yu Xuan found the Jiu Xuan Tian Jing on the bed and walked out.

"Bring him back to the Sakura Club." Yu Sheng said to Du Fei.

"How to deal with him?" Du Fei asked.

"Don't worry, there is still no good show going on."

Yu Sheng looked to the north, a touch of cruelty flashed in his eyes.

Chapter: 318

"That wicked obstacle in Yu Sheng, he actually abolished Ji Tian's martial arts and controlled my son. What a damn!"

Shangjing, Yu's mansion.

Li Hongsu had already smashed a few cups, and he was furious.

"Why is he so strong? Isn't he just a door-to-door son-in-law who eats soft food? God doesn't open his eyes!" Li Hong's body was shaking, she was unwilling to do so!

"Madam, even Ji Tian is not Yu Sheng's opponent. Obviously Yu Sheng is probably already a master master. Even if he is not a master master, he is almost the same. Now only if he asks Li Erye to take action, he can overcome the rest of his life and save the son." The middle-aged butler next to him said.

"Yes, I want to ask my second brother to take action, and I want my second brother to tear up the waste!"

After returning to his senses, Li Hongsu looked at the housekeeper, "Prepare the car, I want to go back to Li's house."

"Yes."

The butler responded and went out to make arrangements.

Li Hongsu took a deep breath before going out.

At this time the butler had already drove the car over.

“Madam, please.” The butler got out of the car and opened the back door.

Li Hongsu sat in the back row, the housekeeper closed the door, got in the car, and drove Li Hongsu straight to Li’s house.

The Li family is now one of the first-class families in Shangjing. There are two masters in the Li family. In the past, when Yu Zhongtian was still in charge of the Yu family, the entire Li family relied on the smell of the Yu family, but now the strength of the Li family has already left the Yu family far behind.

“Second brother, you must help me kill Yu Sheng’s waste and save Xuan’er!” Sitting next to Li Jing, Li Hongsu cried.

Li Jing didn’t speak, but he was a little speechless in his heart.

When will the person who can defeat the half-step great master become useless?

“For the rest of my life, even Ji Tian is not his opponent, he is probably a martial arts master, and I may not be able to defeat him when I shoot.” Li Jing took a sip of the teacup and said lightly.

“Second brother, he is a fart master of martial arts. He is the son-in-law of a small family in Qiancheng. He must have used some shameful means to defeat Ji Tian. You know, that Ji Tian Yixin Haughty and arrogant, Yu Sheng is another door-to-door son-in-law. He underestimates Yu Sheng, and it is normal for him to end up with Yu Sheng in the end.” Li Hongsu explained.

Li Jing’s eyelids twitched, and Li Hongsu’s words were roughly the same as he thought.

How old is the rest of your life? Even if he started training in his mother’s womb, it is impossible for him to break through to a master in his twenties.

Although I thought so in my heart, he said: “Don’t underestimate the hero of the world, he is Yu Zhongtian’s son, think about it, Yu Zhongtian is a genius in Beijing. At the age of 30, he was also a master. , For the rest of my life, suddenly Grandmaster is not possible.”

“He is a fart hero. He is really a waste of soft food. If he is really a martial arts master, in that fart-sized place in Qiancheng, who would dare to recruit him as a son-in-law?” Li Hongsu disdainfully said. .

Li Jing remained unmoved, and took a sip of tea with his teacup, his expression calm and relaxed.

Li Hongsu gritted his teeth and said, “Second brother, the black card that Yu Zhongtian gave to Yu Sheng eight years ago has been taken back by Yu Xuan. Just go and kill the waste, and I will give you five billion!”

“Really?” Li Jing’s eyes lit up. He was waiting for Li Hongsu’s words.

“You are my second brother, dear, I can lie to you.”

Li Hongsu was a little speechless, and took out his black card to show Li Jing: “The trash from the rest of his life came to Beijing yesterday, saying that he set up a Hongmen banquet and asked Xuan’er to go to the banquet. Then he followed Xuan’er’s way, and the card fell on Xuan’er’s. In his hand, Xuan’er was too careless, and finally let Yu Sheng escape.”

Hearing Li Hongsu’s words, Li Jing felt even more unafraid for the rest of his life.

He looked at the black card in Li Hongsu’s hand and confirmed that it was the one Yu Zhongtian used that year, and no longer doubted in his heart.

“Well, I will go to Qiancheng with you tomorrow morning and kill Yu Sheng’s kid.” Li Jing said.

“Well, then I will book the ticket now.”

Li Hongsu was overjoyed, so he took out his mobile phone and personally booked the air ticket for tomorrow morning.

Chapter: 319

The next morning, Li Hongsu and Li Jing came to Qiancheng with the housekeeper.

"Where does the rest of my life live?" After getting off the plane, Li Hongsu asked the housekeeper beside him.

"The young master didn't tell us, but I know the Yang family enterprise that came for the rest of my life." said the butler.

"Well, let's go to the Yang company first." Li Hongsu nodded.

Because of the rush, Li Hongsu didn't arrange for someone to pick them up in advance, so the three of them had to take a taxi to go to Yang's house.

"Who are you, who are you looking for?" When the three came to Yang's enterprise, they were stopped by security.

"Tell Yu Sheng that waste to get out." Li Hongsu said coldly.

"The rest of my life?"

The security guard was startled and said: "We don't have this person here, you are looking for the wrong place."

"Calling you to call someone is calling someone, what are you talking about?" the butler yelled.

"I said, we don't have this person here, don't you understand?" The security guard also had a temper and looked at the housekeeper coldly.

"Looking for death!" The butler raised his hand and slapped the security guard out.

Seeing this, several other security guards screamed and rushed over, but as soon as the butler raised his hand, several security guards were taken away in a few strokes.

"Let's go in and take a look." Li Jing said, and walked into the building. Li Hongsu and the two hurriedly followed.

The three of them walked into the front hall of the building and they encountered Gao Qing coming out of the elevator.

Li Hongsu saw Gao Qing's photos, and immediately recognized her as Yu Sheng's mother-in-law.

After Yang Zihuan took charge of the Yang family, Gao Qing worked hard, and finally asked Yang Zihuan to arrange a job for her.

There are also Yang Jian and several other Yang family members. Under the old lady's personal plea, Yang Zihuan finally asked them to come back to work again, but they didn't have the power to give them any more.

"Stop." Li Hongsu stopped Gao Qing and shouted.

Gao Qing looked up at the three of Li Hongsu, and said angrily: "Dare you tell me to stop? Which department do you belong to? Do you know who I am? I'm the chairman's mother!"

Snapped!

Without saying anything, Li Hongsu slapped Gao Qing up with a slap, and said coldly: "Listen well, call me out for the rest of my life, otherwise I will blow your mouth today!"

It was the trash again. Gao Qing could not wait to kill Yu Sheng at this time. Only yesterday he scared them to death. She thought that someone would come to him to trouble him today, and it would even be a burden to their family.

But looking at the coldness in Li Hongsu's eyes, Gao Qing was slapped in the face, and she didn't dare to get angry.

The coldness in Li Hongsu's eyes made her feel scared.

Gao Qing is not stupid, Li Hongsu's momentum is quite scary, she dare not provoke.

"The rest of my life is not here," Gao Qing said.

“Call him right away and let him get back.” Li Hongsu said without anger.

“what’s the situation?”

At this time it was time for lunch, Yang Zihuan, Yang Jian and others just came out of the elevator, seeing this scene, frowned and asked.

“Zi Huan, you just came here, and the rubbish has caused trouble for the rest of my life. I have let you and the rubbish off a long time ago. You just didn’t listen. How do you live!” Gao Qing said hurriedly when he saw Yang Zihuan.

Yang Zihuan frowned and looked at Li Hongsu.

“You are Yu Sheng’s wife Yang Zihuan?” Li Hongsu looked at Yang Zihuan, and his heart also showed a touch of surprise.

It turns out that this woman is so beautiful, it’s no wonder that trash is willing to be a door-to-door son-in-law and wants to marry her.

“I am, who are you? What are you looking for for the rest of your life?” Yang Zihuan nodded.

Li Hongsu looked at Yang Zihuan and said coldly: “You are also qualified to ask who I am?”

Yang Zihuan frowned, this person was too domineering, and he didn’t provoke her to provoke her, so what is it?

“I don’t know where the rest of my life is. He doesn’t work here. If you have anything important, tell me, I can help you tell him.” Yang Zihuan said.

“Snapped!”

When Li Hongsu raised his hand, he slapped Yang Zihuan’s face with a slap.

“What are you, do you have the qualifications to talk to me? Let him roll back immediately, or you will kneel for me. Whenever he comes, you will kneel as long as you can.”

Li Hongsu glanced at Yang Zihuan, and said without question, “Kneel down.”

Chapter: 320

Seeing Yang Zihuan being beaten, Gao Qing was so frightened that he didn’t dare to come out.

She can only splutter in front of people who can provoke, and for such a person who knows she can’t provoke, even if she is beaten, she can only swallow her anger.

Yang Jian and the others were gloating, and they were delighted to hear.

“Zi Huan, you still dare to call that waste back.” Gao Qing persuaded.

Yang Zihuan covered his face and gritted his teeth and said, “Who are you? This is my company. Why are you here to show off.”

Li Hongsu sneered and said, “A little Qiancheng Yang family, who has such a courage to speak to me in this tone, do you want to die?”

“Do you still dare to kill?” Yang Zihuan said without fear.

In front of so many people in her company, how could she be weakened, or who would convince her in the future?

Li Hongsu raised his hand to slap Yang Zihuan again.

Yang Zihuan took precautions this time, avoiding and saying: “I respect you as an elder, and respect you for being older, and I don’t care about you, but this is not the reason why you have to make an inch of it.”

Li Hongsu is angry, so he can make an inch? Does she need a reason for beating?

“It seems I won’t teach you a lesson, you don’t know who I am.” Li Hongsu snorted, and the housekeeper walked to Yang Zihuan and said condescendingly: “Kneel down.”

"I don't kneel, what can you do to me?" Yang Zihuan said with a high face and a face that refused to admit defeat. If she kneels today, from now on, she will no longer be majestic in this company. The housekeeper was expressionless, grabbed Su Yingxia's hair and pressed her head down, raised her knees, and bumped her into her abdomen.

Yang Zihuan cried out in pain, feeling the butler's constant pressure, and knelt on the ground helplessly. She has a fierce temper, but in the face of strength, how can she compare with a housekeeper?

Li Hongsu smiled triumphantly, and said to Yang Zihuan, "Aren't you very temperamental? Why did you kneel down again."

Yang Zihuan looked unwilling, raised his head and glared at Li Hongsu, and said: "I can kneel down for you, and I can burn you three incense sticks, do you want it?"

Li Hongsu was extremely angry, and said angrily: "Things that do not live or die, do you dare to curse me to death? Give me a hard blow!"

The housekeeper said nothing, raised his hand and slapped Yang Zihuan a few times. Yang Zihuan was knocked over to the ground, bleeding from the corners of his mouth.

"You are the trash mother-in-law, come and kneel down too." Li Hongsu looked at Gao Qing.

When Gao Qing heard this, she was almost hated for the rest of her life. What exactly did he do that was so angry that he had attracted such a powerful opponent.

The mother and daughter knelt in front of Li Hongsu, which made Li Hongsu find the feeling of the superior and nodded in satisfaction.

Li Jing treated each other coldly throughout the whole process, without intervening, a few ordinary people, he did not bother to take action.

He came today with only one goal, and that is the rest of his life.

"Okay, hurry up and call Yu Sheng." Li Jing frowned.

He always had a bad premonition in his heart and didn't want to waste time.

"Hurry up and call Yu Sheng's trash and let him come back to me right away!" Li Hongsu shouted to Gao Qing and Yang Zihuan after hearing this.

Yang Zihuan's eyes were full of anger, but Gao Qing hurriedly took out his mobile phone to call Yu Sheng.

"For the rest of your life, you damn trash, where did you die, and don't roll back to the company."

After the call was made, Gao Qing scolded.

Because all these are the consequences of the rest of his life, if it weren't for him, how could his daughter be beaten? Why should I kneel down?

But Gao Qing also understood that the sudden arrival of these three people didn't come to trouble her, so she wasn't that scared either.

As long as the rest of his life is allowed to bear the consequences, the Yang family can separate the relationship.

If Yu Sheng wants to afflict them, she has also thought of a good way. It is best to divorce her daughter and Yu Sheng on the spot, so that she will not be implicated.

After receiving such a big insult, it looks like this. She believes that her daughter will definitely divorce Yu Sheng.

"Okay, I see, I'll go back right away." Gao Qing's words immediately let Yu Sheng know what's going on.

Li Hong had always come to Qiancheng, and found the Yang family.

He has been waiting for this day for eight years.
