Chapter: 331

"Grandma, you have to be the master for me!" Yu Xuan connected the chopped finger in Qiancheng and returned to Beijing that afternoon.

As soon as he went to Beijing, he went to Li's house.

His mother is dead, and now he can only ask his grandfather's house to help him.

"What's the matter? What's wrong with your hand?" Old lady Li frowned and asked.

"Grandma, my mother is dead, and my second uncle is also dead..." Yu Xuan cried.

"what?"

As soon as the old lady heard it, her blood spurted, and she fainted.

The old lady is already eighty this year, but she is not a martial artist, and she is suddenly stimulated so much, how can she stand it?

"Grandma, grandma, you wake up..." Yu Xuan's cousin Li Yun hurriedly helped the old lady and pressed her for a meeting, but the old lady still didn't wake up.

She looked back at Yu Xuan and shouted: "Hurry up and help grandma get in the car and go to the hospital!"

"Oh." Yu Xuan was also a little stupid. Grandma suddenly passed out. How could this be good?

He hurriedly got up and carried the old lady out of the villa with Li Yun. The housekeeper heard the sound, and Li Yun said, "Go and inform the others. Grandma has fainted."

"Okay second lady." The butler was startled, and hurriedly took out the phone to call everyone in the Li family.

He himself followed in the car to the hospital.

In the car, the housekeeper drove. Li Yun and Yu Xuan were sitting in the back row. At this time, Li Yun asked coldly, "How did my dad die?"

Her father is dead!

She felt that this was simply the Heavenly Night Lake.

Her father is a martial arts master, how many people can kill him?

"Killed by Yu Sheng." Yu Xuan said.

"Your trash brother for the rest of his life?" Li Yun asked with the grief in his heart.

"Yes." Yu Xuan nodded.

"impossible!"

Li Yun shouted, "My dad is a master of martial arts, how could he kill my dad for the rest of his life? Yu Xuan, let me tell you, if you don't tell the truth, even if I don't kill you, my Li family won't. Let you go!"

Yu Xuan said bitterly, "Cousin, it's this time, how dare I lie to you? Then Yu Sheng didn't know what monster it was. I saw him fight with my second uncle for a long time, and finally beat the second uncle to death. I can't believe it.

By the way, my mother was forced to hang himself by him. He also chopped off a finger of me. I just connected it a few hours ago. "

"Is the rest of my life a grandmaster?" Li Yun trembled, and she couldn't believe this fact. She was also a martial artist from elementary school, and she knew how difficult it is for a martial artist to break through a grandmaster. two.

Yu Sheng was even younger than Yu Xuan, even if he started martial arts training from his mother's womb, it is impossible for him to break through the master in his twenties!

"I don't know, let me tell you. My mother sent Song Feng to kill him first, and then Song Feng died in Qiancheng. He must have killed him. After a few days, my mother sent Fu Renxue again. He killed Yu Sheng and took Yu Zhong's old dog as a hostage, but Fu Renxue was defeated by Yu Sheng and he saved Yu Zhong.

The rest of my life came to Beijing a few days ago and said it was a Hongmen banquet. I asked if I dared to go to the banquet. I bought his people and asked them to give me medicine for the rest of my life. Then I let the rest of my life be beaten to death and imprisoned in iron cage.

The next day, I took Ji Tian to Qiancheng to take over Yu Sheng's company. Who knew that Yu Sheng escaped back to Qiancheng and abolished Ji Tian's martial arts.

You know, I broke his ribs several times the night before.

The second uncle was beaten to death again this morning.

You say he is a monster."

Yu Xuan briefly told Li Yun about these things.

"Impossible! Absolutely impossible! Isn't he only in his twenties? How could he be a master!" Li Yun's face was rather ugly, although she didn't recognize Yu Sheng's strength and didn't believe her father was killed.

But there was already a faint feeling of bad feeling in my heart.

If Yu Sheng was not a martial arts master, how could he be so perverted?

A sorrow struck in her heart, and Li Yun only felt that the sky was spinning, and her limbs were weak.

"Cousin, if you want to kill the rest of your life now, you can only ask your grandfather to do it, or no one can kill him." Yu Xuan sighed.

"Grandpa is in retreat and will not leave until three years later!"

Li Yun said that a strong murderous intent suddenly flashed in his eyes: "But how can the vengeance of killing my father wait for three years? I will ask the killer of the godslayer organization to assassinate him and avenge my father!"

Chapter: 332

The old lady woke up very quickly, and when she heard Yu Xuan briefly talk about the cause of Li Jing and Li Hongsu’s death, she was crying sadly.

Since ancient times, people with white hair and black hair have always been the greatest sorrow in the world.

She didn’t think she was eighty years old and would still experience this kind of pain relief.

“Kill him! You must kill that evil man to get revenge!” the old lady said down.

“Mom, don’t worry, that evil barrier dared to kill the second brother and kill the third sister. Even if my Li family devotes everything to him, he will be broken into pieces!” Li Hongbo, the uncle of the Li family, said in a deep voice.

Everyone in the Li family has already rushed to the hospital. At this time, everyone is excited, and they can’t wait to break the rest of their lives to pieces now.

But they knew that Yu Sheng was a great master, and they could only yell at them.

“You go to Qiancheng today and bring back the bodies of Jing’er and Su’er. Don’t let them throw their bodies in Qiancheng.” The old lady cried.

“Mom, take a good rest, I will arrange someone to go.” Li Hongbo said.

“It’s so good.” The old lady nodded, tearing again at the thought of her dead son and daughter.

Li Hongbo said to the butler: “You go to arrange the flight route and bring back the bodies of your second brother and third sister tonight.”

The Li family also has its own special plane, as long as you apply for the flight.

The butler responded and went to make arrangements.

Li Hongbo looked at his elder son Li Fei again and said, “Xiao Fei, you can do this.”

“Yeah.” Li Fei nodded.

“Uncle, I will go with Brother Fei.” Li Yun said with sorrow.

“Well, Yu Xuan will also go there, or you won’t find Yu Sheng.”

He paused and said: “You remember that you killed them before the rest of your life because Hong Su killed his mother that year. He should only be revenge. As long as you don’t conflict with him, he shouldn’t embarrass you.”

“Well, since he is already a great master, he will certainly not embarrass us when he has the demeanor of a master, unless he wants to live with our Li family endlessly.” Li Fei nodded.

Li Hongbo nodded and asked them to go back and prepare first.

...

Yu Sheng spent seven hours in the backyard of the Sakura Club. The effect of Johnson’s Pill was finally refined, and his injury had basically recovered in half.

After all, the medicinal power of a Qiangsheng Pill is limited, and it can recover half of it because of its deep internal strength and an understanding of medical skills.

Yu Sheng got up and was about to go out and ask Du Fei and the others to eat, but Yu Zhong walked in.

“Master, the Li family is here for a corpse.” Yu Shengzhong said.

“Who are all here?” Yu Sheng asked.

Originally, he asked Du Feihou to bury Li Jing and others, but after returning, Yu Zhong said that the Li family would definitely come to ask for the corpse, and then there was no burial.

“Two juniors, by the way, Yu Xuan is here too,” Yu Zhong said.

“Well, give it to them.” Since the Li family only came to two juniors, it means that the Li family still doesn’t want to do anything with him.

When the two walked out of the backyard, they saw the Li family moving the bodies of Li Jing into the car.

Li Fei and Li Yun looked at Yu Sheng and didn’t recognize them at first.

After all, Yu Sheng has left Shangjing for so many years, especially Li Liyun. She was only fourteen years old when Yu Sheng left, and she could not recognize the rest of her life.

However, Li Fei quickly recognized Yu Sheng, and Yu Sheng and his father Yu Zhongtian were still a bit related.

“Brother Fei, who is that person?” Seeing Li Fei staring at Yu Sheng, Li Yun asked.

“He is Yu Sheng.” Yu Xuan whispered.

Li Fei also nodded and said, “Little girl ignore him for now, we are not his opponents, and it is not easy to provoke him.”

“He is the rest of his life, the murderer who killed my dad?” Li Yun’s eyes were instantly bloodshot, full of hatred.

“Well, don’t be impulsive.” Li Fei nodded.

Li Yun nodded and stared at Yu Sheng. When Yu Sheng approached, she finally couldn’t help but say: “Yu Sheng, kill your father’s vengeance, I vowed to Li Yun, one day, I will kill you myself. !”

When Li Fei and Yu Xuan saw this, their faces paled in shock.

For the rest of his life, he was a great master. If he angered him, he wouldn’t let anyone go, and none of them would go back today.

“Brother Yu, the younger sister is overwhelmed with grief and anger, and there is something offensive in her words. Please forgive me.” Li Fei hurriedly apologized to Yu Sheng without saying anything.

Chapter: 333

There is no way, the rest of his life is too strong, he has to be cautious.

Right now is not the time for revenge, the most important thing right now is to successfully bring the corpse back.

After Yu Sheng looked at Li Fei, he finally remembered that this was Li Fei, the future heir of the Li family.

Li Fei’s performance surprised him a bit, and he couldn’t help but look at it a few more times.

Compared to Li Yun’s anger and threat, this Li Fei is terrifying.

People like Li Yun can’t hide sorrow or hatred. They are full of weaknesses, and they are not scary at all.

On the contrary, Li Fei’s forbearance is the real cleverness.

When the Li family came to retaliate in the future, this Li Fei should not be underestimated.

“Okay, you are welcome to come at any time.” Yu Sheng looked at Li Yun and smiled faintly.

Li Yun wanted to say a few ruthless words, but was stopped by Li Fei.

Li Fei held a fist to Yu Sheng and said with a smile: “Brother Yu, thank you for returning the remains of my second uncle and sister-in-law. When I arrive in Beijing tomorrow, I will report it to you after the appointment!”

“Brother Li is polite, even if you don’t come, I will bury them, after all, they are my elders, how can I let them throw their corpses into the wilderness.” Yu Sheng smiled faintly.

“Yes, after all, they are all a family. Although there are some holidays, there are no hatreds in the world that cannot be resolved.”

As Li Fei said, he gave Yu Sheng a fist again: “Then you go back first.”

Yu Sheng nodded, and Li Fei let everyone get in the car. Li Yun and Yu Xuan finally took a deep look at Yu Sheng before getting in the car unwillingly, and then left the Sakura Club.

“Master, be careful of this Li Fei in the future, this one is too forbearing, smiling with you on the surface, maybe you have already stabbed you behind the back.” Yu Zhong said after Li Fei and others left.

“Well, the future successor of the Li family is indeed different.” Yu Sheng nodded.

“You killed Li Jing, and the Li family probably won’t seek revenge from you personally now. I guess they will probably ask the Heavenly Kill Organization to take action.” Yu Zhong said.

“What kind of existence does the god kill organization?” Yu Sheng asked.

“The most powerful international killer organization, I heard that there are two killers above their masters. They have successfully assassinated martial arts masters. They are very famous.” Yu Zhongdao.

“In this way, the Li family is very capable of asking a killer above the grand master to stab me.”

The rest of his life was suddenly lost in thought.

He could kill Li Jing, and the Li family must have thought he was a martial arts master, and he was still a relatively strong martial arts master.

So if the Li family wants revenge, they must hire the supreme powerhouse above the master.

In fact, with his current strength, he still couldn’t fight against the master, let alone the supreme power above the master.

He was able to kill Li Jing today. First, Li Jing was careless and contemptuous of him.

Second, it was also his endless style of play that disrupted Li Jing’s rhythm.

In the end, it was Du Fei’s shot that made Li Jing confused, and he finally shattered Li Jing’s heart with a punch.

It is still unknown who will die in the end.

Moreover, in the future, he didn’t want to fight in this way anymore, it was just two defeats with wounds and then resurrection. It was too dangerous.

“I’m sure, and Master Li is in retreat. It is impossible for the Li family to alarm Master Li. After all analysis, the Li family will definitely ask the godslayer organization to kill you.” Yu Zhong nodded.

Yu Sheng didn’t have a word, he was thinking, if the Heavenly Kill Organization really sent a strong person above the Grand Master to kill him, how would he respond?

It is impossible to break through the master in a short time, even if it can break through in a short time, it is not an opponent above the master.

A sense of urgency was suddenly pressed in my heart, and he was more cautious than ever in the rest of my life.

“Master, my suggestion is to leave Qiancheng temporarily, after three to five years, wait for you to break through the master before making plans.” Yu Zhong said.

“Leaving? Where can I go? My wife and children are here. I left, what should the Li family do with them?” Yu Sheng smiled bitterly.

“Why don’t you take them along?” Yu Zhong said.

Yu Sheng shook his head, and there was nothing wrong with taking his son to walk, but would Yang Zihuan go with him? Would you let him take Xiao Shui away?

The answer is definitely no.

So for the present plan, we can only find a way to break through the master.

A touch of firmness flashed in Yu Sheng's eyes.

Chapter: 334

Going home at night may be because of Yu Sheng's strength during the day, Gao Qing did not dare to look at Yu Sheng, and even looked at Yu Sheng with a little fear in her eyes.

The scene of forcing Li Hongsu to death for the rest of his life this morning was still very shocking. Up to now, there are still shadows in Gao Qing's heart.

Another reason is that although Yuan Yuan is not rich now, he is the Yu family after all. Wherever he has figured it out for the rest of his life, after returning to inherit the family property, their family can fly into the sky with them.

Therefore, Gao Qing did not dare to offend the rest of his life, let alone insult at will as before.

That night, Yang Zihuan forced Yu Sheng to go back to the bedroom to sleep. If it weren't for the rest of the life she was considering, the injury was not healed.

However, she took the initiative to lie in Yu Sheng's arms and persuaded Yu Sheng to return to inherit the family property.

Yu Sheng said that his injury was not healed and he needed a good rest. An angry Yang Zihuan rolled out of Yu Sheng's embrace and slept on his own.

The next day, Yu Sheng sent Xiaoshui to the kindergarten as usual, and then went to the company.

He had already called Xia Jun the day before yesterday. Although Yu Xuan had been to the company, it did not cause much influence. The only person affected was Xiao Zixin.

Entering the office, the two secretaries were not there, and the rest of his life seemed to be a little idle. Xiao Zixin's resignation and Yu Qin asked for sick leave, so that his boss also faced the situation of no secretary available.

However, during this period of time, he asked Xia Jun to directly decide on most things, and he didn't have much to ask him personally.

Leaning on the sofa, Yu Sheng took out the phone and called Xiao Zixin.

"Are you up, come out for morning tea?" Yu Sheng said with a slight smile after the call was connected.

But Xiao Zixin over there was so excited that Yu Sheng actually called her.

"Well, you wait for me for an hour, no, half an hour." Xiao Zixin said hurriedly.

"Well, then I will wait for you at the Zhichun Tea House." Yu Sheng hung up after speaking.

He has heard Xia Jun say that the reason why Xiao Zixin resigned was because of Yu Xuan's harassment.

Asking her to have morning tea today is to apologize first, and then persuade her to come back to work.

Xiao Zixin said she was waiting for her for half an hour, but Yu Sheng knew that for an hour, she probably wouldn't be there.

Women, who doesn't dress up carefully before going out?

For the rest of my life, I went to Xia Jun's office and talked with him about the preparations for the large-scale entertainment program of "Cosmic Girls". Everything is going well. It is expected that the advertisers will bid in a week and the program will be officially recorded in 20 days.

The two chatted for about half an hour. Seeing that it was almost time for the rest of their lives, they left the company and went to Zhichun Tea House.

After waiting at the tea house for ten minutes, Xiao Zixin finally arrived.

"Dong Yu, I apologize, there is a traffic jam on the road." Xiao Zixin smiled.

She is dressed very beautifully today, and she is full of charm every time she laughs.

Suddenly attracted the attention of many people.

Yu Sheng smiled and said he understood, and waited for Xiao Zixin to sit down opposite him before asking, "What kind of tea to drink."

"Green tea." Xiao Zixin said.

Yu Sheng nodded and motioned to the waiter to come and order tea.

He also ordered a cup of green tea, and then ordered four-color pancakes and fruits with red bean paste, jujube puree, crystal, and scallion oil.

"It is necessary for me to apologize to you for what happened in the previous two days. I am embarrassed that my own personal affairs have hurt you." Yu Sheng said apologetically.

"Yu Dong, what's the matter? Why did that person suddenly become the chairman?" Xiao Zixin asked.

"It's not a big deal, it's actually some of my own personal affairs, but it's already been handled."

Yu Sheng smiled and said: "Come back to work, this will not happen again in the future."

Seeing Yu Sheng didn't say anything, Xiao Zixin felt disappointed, but she nodded.

Soon the waiter brought up tea and snacks, and the two of them had a chat while eating snacks and drinking tea.

At this moment, Yu Sheng's phone rang, and he took it out to see that it was Yu Qin.

"Yu Dong, please come and save me. Xu Zhiheng broke into my house early in the morning. He is already crazy. I am hiding in the washing hands and dare not go out at all!" As soon as the call was connected, Yu Qin was crying. sound.

Yu Sheng frowned, and said: "You can send me a position, I will pass now."

"Okay, okay, I'll send it to you." Yu Qin hung up as he said, and Yu Sheng received the location from Yu Qin on WeChat.

Chapter: 335

"What's the matter?" Xiao Zixin asked.

"Yu Qin was blocked by her boyfriend, let me go over and help her." Yu Sheng said.

"Aren't they divided, that man is so cheap?" Xiao Zixin said.

"I don't know, let me go and have a look first. You can rest today and go to work tomorrow." Yu Sheng stood up and said.

"I'll go with you." Xiao Zixin also stood up and said.

"No, you go to your business, this little thing, there is no problem." Yu Sheng shook his head.

Xiao Zixin was a little disappointed, thinking about the way Yu Qin usually poses in front of Yu Sheng, she always has a bad premonition in her heart.

But if she didn't let her go for the rest of her life, she could only be sulking all her life.

...

"Boom!"

Xu Zhiheng kept tapping the bathroom door and yelled: "Yu Qin, you bitch, you kicked Lao Tzu away if you got a big money on the list. You're a fucking scumbag. You won't open the door and wait for me to break the door. In time, I want you to regret coming to this world!"

Xu Zhiheng was very angry. When he chased Qin, Yu Qin only knew to spend his money blindly.

Moreover, in order to maintain a perfect image in Yu Qin's mind, the two talked for more than two months. Nothing has been involved.

He talked with Yu Qin for the purpose of getting married, so he held Yu Qin as a treasure in the palm of

his hand, but after Yu Qin made a big money on the list, he did not leave any affection, which made him angry. Somewhat distorted.

Yu Qin leaned back against the bathroom door, extremely frightened.

After meeting Yu Sheng, and comparing Xu Zhiheng with Yu Shengyi, she found that Xu Zhiheng was not only rich, but the most important thing was that his character was really bad.

She also decided to break up with Xu Zhiheng after a long period of consideration.

It was terrible to think that Xu Zhiheng was so crazy.

At the same time, I was very fortunate that I had parted with Xu Zhi, or else I couldn't tell what he would be like in the future.

"Xu Zhiheng, don't do stupid things, we have broken up, why are you still pestering me?" Yu Qin said angrily.

"Break up? What the hell don't get what I can't get. If you don't get along with me, I'll ruin you today. If you don't open the door again, I will splash your face with sulfuric acid after I break it. To make you the ugliest woman in the world, I see which big money needs you!" Xu Zhiheng threatened.

"Xu Zhiheng, you are talking nonsense. I broke up with you for purely personal reasons, because I think the two of us are inappropriate and have nothing to do with others, and I don't have any big money on the list." Yu Qin defended.

"I don't know who you are, if you weren't the big money on the list, would you break up with me?" Xu Zhiheng said angrily.

"Xu Zhiheng, if you do anything wrong again, I will call the police!" Yu Qin threatened.

"Hmph, I'm not even afraid of death, I'm afraid you call the police?" Xu Zhiheng sneered and slammed the door again.

Seeing that the bathroom door was about to be knocked open sooner or later, Yu Qin was both anxious and worried.

Xu Zhiheng was too crazy, she didn't know how crazy Xu Zhiheng would do to her.

"Yu Dong, Yu Dong, if you don't come again, I'm going to be done!" Yu Qin was anxious.

"boom!"

At this moment, the door of the bathroom was finally knocked open by Xu Zhiheng.

Yu Qin screamed and was picked up and thrown to the ground.

"Smelly bitch, hide for me!" Xu Zhiheng looked at Yu Qin frantically.

"Xu Zhiheng, can you calm down first!" Xu Zhiheng's eyes made Yu Qin quite scared. She had never seen Xu Zhiheng so terrifying before.

"calm?"

Xu Zhiheng said frantically: "When I first fucks you, and then ruins your face, you will be able to calm down!"

As he said, he rushed to Yu Qin, tearing at Yu Qin's clothes frantically.

Yu Qin screamed in fright, but it didn't help at all.

Chapter: 337

"Yu Qin, I was wrong, I was really wrong, please see me for loving you so much, let the rest of my life let me go, I kowtow to you!"

Xu Zhiheng frightened his liver and gallbladder, and knelt down with a bang.

After all, Yu Qin was softhearted. When she was in love with Xu Zhiheng, Xu Zhiheng did treat her very well. Seeing that she would be cut off for the rest of her life, she hurriedly said: "Yu, Yu... please forgive

him this time.”

“He almost ruined you just now, and even threatened to die with you, don’t you hate him?” Yu Sheng turned around and looked at Yu Qin faintly.

“I.....”

Yu Qin gritted his teeth and said: “Actually, he, he loved me very much before...but I really didn’t have anything to do with him, really, he respected me very much, and he didn’t even take the initiative to hold me. of.”

Yu Sheng has a black line. What do you mean by this? Didn’t you make Xu Zhiheng even more convinced that we have a leg?

Don’t want Yu Qin to explain more clearly, he snorted and kicked Xu Zhiheng to the door, saying: “Go away, next time, I will decide with your hands and keep you in jail for the rest of your life. Spent in.”

How can Xu Zhiheng dare to make a mistake, endure the severe pain in his body, get up and walk away. But Yu Sheng saw the fierce look in his eyes when he went out, and knew that Xu Zhiheng must still not repent, and would definitely come to avenge Yu Qin or him.

“Yu Dong, if it weren’t for you today, I would have been ruined by him, woooo...” Xu Zhiheng left, and Yu Qin whimpered again.

Thinking of Xu Zhiheng’s madness before, her heart broke down. If she hadn’t arrived in time for the rest of her life, she wouldn’t know what terrible consequences would happen.

Yu Sheng put down the fruit knife, reached out and patted her on the shoulder, wanting to say a few words of comfort.

But he still couldn’t say anything, Yu Qin threw into his arms, buried his head in his arms and burst into tears.

At this moment, Yu Qin finally felt a sense of security.

Yu Sheng’s arms spread out, and he didn’t even know how to put it.

At the beginning, Yu Qin was left. On the one hand, he did want a secretary. On the other hand, he was just a little prank. He wanted to use the piano to beat Xu Zhiheng, but he didn’t really want Yu Qin to do anything special.

At this moment, he spread his hands in the air.

Seeing Yu Qin crying more and more sad, he put his hand on Yu Qin’s shoulder for the rest of his life, and patted gently: “There is nothing wrong. Cheng, let him have no chance to hurt you again.”

“I, I’m really blind, I saw him before, if it wasn’t for you to come in time today...uuuu...” Yu Qin looked up at Yu Sheng, thinking of the grievances she had suffered before, and the more she cried, the more sad. . Yu Sheng stretched out his hand to wipe the tears from Yu Qin’s cheeks, smiled and said, “Being in love, it is inevitable that there will be moments of misunderstanding. Not every couple really respects each other as guests...”

Suddenly thinking of Yang Zihuan’s previous mental derailment, Yu Sheng felt a little self-deprecating in his heart. During this period of time, he had been in a cold war with Yang Zihuan, and it was not that he didn’t love Yang Zihuan anymore.

Only when he knew that Yang Zihuan’s spirit was derailed, he always had a bump in his heart. He wanted to see if Yang Zihuan would change his mind or keep his spirit derailed in the end.

This is also the reason why he is obviously the boss of the Sihai Group, but still doesn’t want Yang Zihuan to know his identity.

“You, are you unhappy in your heart?” Although Yu Qin was full of grievances and sadness, he still had a keen eye to see Yu Sheng’s feelings at this time.

"No, how can I be upset, haha." Yu Sheng smiled.

"Don't lie to me, I heard that you and your wife have been in a bad relationship during this period. Have you quarreled with her again?" Yu Qin asked softly.

For the rest of her life, she was a little speechless, and she was only emotional for a while, which reminded her of quarreling with Yang Zihuan, and there was no one else.

"Actually, Yang Zihuan is not the best woman. There are many better women in this world," Yu Qin said suddenly.

Yu Sheng stared at Yu Qin in a daze. Didn't you just feel very sad, why did you care about other people's housework again?

"For example?" Yu Sheng asked curiously.

A touch of firmness flashed in Yu Qin's eyes. He put his arms around Yu Sheng's neck and suddenly kissed Yu Sheng's lips.

Chapter: 338

When Yu Qin suddenly kissed him, Yu Sheng was stunned. He didn't want to cheat. Even if he hadn't been in love with Yang Zihuan for a long time, he didn't have the idea of finding another woman to solve his physical needs.

But at this moment Yu Qin was so fiery and active. He knew that if he refused Yu Qin at this moment, he would definitely hurt Yu Qin's heart. I don't know why. At this moment, he somewhat didn't want Yu Qin to feel sad.

Then he just struggled a little bit in his heart, and then he fell into a trap...

There were still tears on Yu Qin's mouth, and the bitterness could be felt for the rest of his life.

Just like his mood at this time.

I'm derailed, right?

I don't see it, it turns out that I also have the mentality to retaliate against Yang Zihuan.

Oh my God, but the object of Yang Zihuan's mental derailment is just another identity of himself.

It's totally different from the current situation.

Thinking wildly, Yu Sheng came to a conclusion: In fact, he is really scumbag!

Boom!

When the two were kissing, there was a sudden thunderbolt outside the window, which awakened the two at once.

Yu Sheng let go of Yu Qin, Yu Qin's face was a little bit shy and mocking.

"It's going to rain heavily," Yu Sheng said, looking out the window.

"Well, we have had heavy waterfalls in Qiancheng these days. I received a warning for waterfalls yesterday." Yu Qin said.

Both of them didn't mention the matter just now, but looked out the window in unison.

At this time, there was another thunderstorm, and the sky outside the window was dark.

"I have to go." Yu Sheng said.

At this moment, the rain fell violently, and only a few seconds later, it turned into heavy rain.

Upon seeing this, Yu Qin was inexplicably overjoyed, and joked: "It seems that God won't let you go."

"As you want?" Yu Sheng raised his eyebrows and said.

"What do I mean? Yu Dong, I suspect that you deliberately seduce me." Yu Qin held up a very proud capital and looked at Yu Sheng with a charming face.

Yu Sheng glanced at it, and Yu Qin's capital was indeed very proud. In his mind, Yu Qin was only wearing

a tattoo on his chest.

Seeing Yu Sheng listening to his chest, Yu Qin felt a little proud.

Which woman doesn't like the man she likes to appreciate herself?

"Let's stop here, I prefer our normal colleague relationship." Yu Sheng said.

He didn't want to cheat, even if he wanted to find another woman, at least he had to really have trouble with Yang Zihuan to have this plan.

"Yu Dong, what's wrong with us?" Yu Qin asked deliberately.

"This..." Yu Sheng was a little speechless when asked by her.

Seeing the bigger and bigger waterfall outside the window, Yu Qin smiled and went to close the door, feeling cramped for the first time in the rest of his life.

"Yu Dong, you shouldn't have breakfast, or try my craft?" Yu Qin asked.

"Oh, I have eaten, you can eat it." Yu Sheng shook his head and walked to the window.

The rain outside is getting bigger and bigger, like a basin dumping, a bit scary.

Through the glass, Yu Sheng looked up and saw the residential area downstairs. In a moment, the water level was more than a foot deep, and his wheels were half submerged.

The heavy rain just started, and there is no meaning to stop it.

Yu Sheng frowned, fearing that it would cause floods.

"The situation of service has just been suppressed, and several provinces and cities have been attacked by floods. This year is really eventful."

Yu Sheng murmured, feeling a little bit in his heart.

Soon, Yu Qin cooked two bowls of egg noodles and served them.

"Yu Dong, the taste of my egg noodles is superb, come and taste it." Yu Qin said.

Yu Sheng returned to seeing the two bowls of noodles Yu Qin had put on the coffee table, and said, "I have really eaten them."

"You see, I have cooked it all. If you don't eat it, it would be a waste. You usually advocate the company to save money." Yu Qin came over and took Yu Sheng's hand.

For the rest of his life, he smiled bitterly and had to eat.

Although a little bloated, as a warrior, his digestive ability is quite strong.

After eating the noodles, seeing the waterfall rain still didn't mean to stop, for the rest of my life I had to stay at ease and wait for the rain to stop.

It's just that the look that Yu Qin looks at him from time to time makes him a little hard to resist.

Chapter: 339

After Yu Qin washed the dishes, and saw Yu Sheng leaning on the sofa to play with her mobile phone, she graciously sat beside Yu Sheng, taking the opportunity to lean half of her body on Yu Sheng's shoulder, exhaling like blue.

"Yu Dong, you also watch the small video." Yu Qin smiled.

Yu Sheng looked back at Yu Qin, this little vixen really did not let go of any chance to seduce him.

"Yu Dong, am I good-looking?" Yu Qin smiled charmingly, and deliberately used his proud capital to squeeze Yu Sheng's arm.

Yu Sheng felt that it was a complete mistake to leave Yu Qin at the beginning. This is a demon girl who swears to give up without reaching her goal.

"Aren't you afraid that I will leave after eating and slapping?" Yu Sheng looked at Yu Qin's eyes.

"I'm your little secret, wherever you go, don't I have to follow wherever you go." Yu Qin smiled

charmingly.

“Okay, I’m afraid of you.” Yu Sheng smiled bitterly.

Yu Qin chuckled, thinking that Yu Dong wasn’t as cold as usual.

But she also knew how serious things were, and she didn’t want to seduce the rest of her life, but sat upright.

“Are you ill?” Seeing Yu Qin sitting upright, Yu Sheng interrupted the topic and asked.

“Well, I was planning to go to work today, who knew Xu Zhiheng suddenly blocked my door...” Yu Qin said.

“Don’t worry, I will fire him when I go back this afternoon.” Yu Sheng said.

Xu Zhiheng’s character is too problematic. Such a person is still an executive of his company, and it must be a hidden danger in the future and cannot be kept.

“Actually, he is quite pitiful... Yu Dong, would you like to give him another chance?” After all, Yu Qin was soft-hearted and began to intercede for Xu Zhiheng.

“Don’t you dislike him, and still think for him like this?” Yu Sheng smiled.

Yu Qin hurriedly explained: “I, I really don’t like him anymore. It’s just that he treated me well before. I...I’m just afraid that he will have a bad life and come to harass me again.”

Yu Sheng thought for a while, and said: “Okay, then I will give you face, and check him for a while. If something similar happens, I will definitely fire him.”

“Thank Yu Dong, I hope he has learned this lesson and won’t be so crazy in the future.” Yu Qin said.

“Um.”

Yu Sheng said that he got up and looked out the window. Seeing that the heavy rain didn’t mean to stop for a short time, he said, “I borrow your room for a use. It’s best not to disturb me.”

“Ah? Okay.” Yu Qin thought he was going to sleep in his bed for the rest of his life, so he hurriedly agreed.

For the rest of his life, he was no longer polite and walked to the bedroom.

As soon as he opened the door, Yu Qin suddenly shouted: “Wait first.”

Yu Sheng glanced at a pink small inner and a purple chest on the bed, smiled knowingly, then stopped, pretending not to see it.

Yu Qin hurriedly ran into the bedroom, put away his things, and then blushed and backed out.

Yu Sheng smiled faintly, walked in, and closed the door with his backhand.

You can’t go anyway, so take this opportunity to heal your injuries.

His injury has only recovered for the most part, and now he is assisted by abnormal healing medicines such as Johnson’s Pill, and he can only gradually heal his injuries.

It is conservatively estimated that it will take at least a week to recover from the exercise treatment alone.

It wasn’t until four o’clock in the afternoon that the rest of my life was able to recover.

He is going to pick up Xiaoshui.

He didn’t know what the rain was waiting to stop, but at this time it was raining sharply in the sky.

“Dong Yu, it’s not good. I just watched the news. An hour ago, Baihua Dam collapsed and half of Qiancheng was caught in a major flood. Many houses were flooded.” Yu Sheng came out and lay on the sofa. Yu Qin, who was playing with a mobile phone, got up and said.

“What? Where are they flooded?” Yu Sheng hurriedly asked.

“Look at it.” Yu Qin handed the phone to Yu Sheng.

Yu Sheng took a look, and his heart trembled fiercely!
The kindergarten of Xiaoshui School turned out to be one of the major disaster areas!

Chapter: 340

Watching the news, many people in the kindergarten area were washed away by the flood.
A pulse of blood came to the top of his head, and for the rest of his life he almost fainted.
“I’m leaving!” Yu Sheng threw the phone to Yu Qin and walked to the door.
“It was all flooded outside, and my community was also flooded, and the car was almost completely submerged.” Yu Qin said.

boom!

For the rest of his life, his brain roared like five thunders. He hurried to the window to look, and saw that the community downstairs was overwhelming. Some lighter cars even floated and were washed away by the flood.

“I’ll give you the wallet first, and you will bring it to me when you go to the company the next day.” Yu Sheng threw the money to Yu Qin as he said, with his ID card and driver’s license in the wallet, and he was sure to be in the water when he went down.

As for the mobile phone, his mobile phone is precision waterproof, so I am not afraid.

Yu Qin took the wallet and said in a puzzled way: “How can you go in such a big flood outside.”

“I’m going to save my son, even if it’s swimming, I’m going to swim there too!” Yu Sheng said, opening the door and walking out.

Yu Qin was shocked, and hurriedly put his hands together, praying that Xiao Shui would not be in trouble.

After going down the stairs, the rest of his life took out his mobile phone and turned it on for the first time.

Before he was healed, he did not want to be disturbed, so he turned off his mobile phone. As soon as he turned on the phone, there were dozens of missed calls. Some kindergarten teachers called He, Xia Jun, Xiao Zixin and Du Fei, but Yang Zi Play the most.

For the rest of your life, why not hesitate to call Mr. He first, and the phone rang for more than 20 seconds before connecting.

“Teacher He, hello, I am Xiaoshui’s father Yu Sheng, what’s your situation now?” Yu Sheng waited nervously for Teacher He’s reply. Since Teacher He can still answer the phone, there is probably something wrong with the kindergarten.

“We are in the hardest hit area here, but when we saw something was wrong, all our students were taken to the second floor, but I called the police. It has been more than an hour, and no one came to rescue us. Parent Yu, please come and find a way. Help us!” Teacher He’s anxious voice came from the phone. The kitchen on the first floor was all flooded. She and all the children didn’t even have lunch. Now they are hungry and cold. Many children are crying. .

Yu Changchang heaved a sigh of relief and said to Teacher He, “Don’t worry, Teacher He, I will save you now. By the way, give my son the phone.”

“Dad, I’m so hungry, woooo~~~~” Xiao Shui answered the phone and started crying, looking very hungry.

Yes, I ate some breakfast at 7:30 in the morning, and it’s already past 5 in the afternoon.

“Xiao Shui, listen to the teacher, don’t run around, be strong, my father will give you food now.” Yu Sheng comforted.

“Yeah.” Xiao Shui nodded obediently.

Yu Sheng gave a few more words of comfort and hung up the phone.

Since Xiao Shui was in trouble, he didn’t need to be in a hurry. He first called Wu Guanpei, the head of the provincial bureau.

Soon after the call was connected, Yu Sheng said urgently: “Director Wu, I am Yu Sheng. The Sunshine Kindergarten where my son is located is also the hardest hit area. They are all trapped on the second floor. Please think of a way to get everything The child is transported to a safe place.”

“Mr. Yu, rest assured, I will arrange for someone to go there. The boss instructed me to focus on rescuing the careful students of the majors. However, we also arranged groups to rescue the major kindergartens, but there are too many kindergartens and there are not enough staff.” Wu Guanpei He explained that he is one of the bigwigs who knows Yu Sheng’s identity, the chairman of the Sihai Group, and the people’s hero. Of course, he has to take special care of him.

“Then I will thank Bureau Wu first.” Yu Sheng said and hung up the phone.

At this time, he gave Yang Zihuan back.

“After such a big incident, your phone keeps shutting down, where did you die?”

As soon as it was connected, Yang Zihuan’s angry and anxious voice came.
