

Dont mess 381

Chapter: 381

Wu Juan actually knew about Yu Sheng being the son-in-law of the Yang family after graduation. The reason she deliberately asked this question was to embarrass Yu Sheng and let Li Kai understand Yu Sheng's true identity.

"What? Liu Hua, don't talk nonsense. Yu Sheng is so handsome, and when he was a student in our class, how could he not even have the dignity of a man, go eat soft rice." Wu Juan said pretendingly.

Liu Hua smiled and said: "In this era, there is no appearance, who can be a little white face."

Wu Juan looked like this and looked at Yu Sheng with a smile and asked, "Yu Sheng, have you really become a little boy?"

The term Xiao Bai Lian is a derogatory term in most occasions, and it is used to scold a man with spinelessness.

This is what Wu Juan meant on this occasion.

Yu Sheng glanced at Liu Hua and Wu Juan, two old classmates, and said with a smile: "Yes, I went to eat soft rice after graduation, but you two, it should be pretty good to mix now."

Liu Hua and Wu Juan even smiled when they saw that Yu Sheng admitted that they had eaten soft food without any shy, which made them a little depressed.

They wanted to humiliate Yu Sheng by eating soft food for the rest of their lives, but they didn't expect it to be punched in the air, soft, with no rebound.

Gao Xiaoxiao looked at Yu Sheng curiously. Seeing that Yu Sheng was so humiliated by others, she was so calm and calm. I don't know why, she suddenly felt that her cousin, she might be very human.

In ancient times, Goujian tasted human dung and didn't change color, Han Xin didn't growl after being humiliated by the cross.

But now, her cousin-in-law is humiliated in public and can still smile.

As for someone else, who could do better than his cousin-in-law?

Nothing!

Seeing that Liu Hua and Wu Juan wanted to humiliate the rest of their lives as soon as they met, Li Kai was a little embarrassed.

Even, he was afraid of being upset for the rest of his life.

In fact, he didn't even invite Liu Hua and Wu Juan, but the two met him by chance and brought them along casually.

He didn't like the idea that they would engage in these monster moths as soon as they came.

"Liu Hua is also good at mixing. I heard that he has become an executive of a listed company and his annual salary should be 700,000 to 800,000 yuan." Li Kai took the call and laughed.

Annual income of seven or eight hundred thousand?

Gao Xiaoxiao was a little surprised and couldn't help but glance at Liu Hua a few more times.

I can't tell, this guy looks wretched, and he has such a high income.

Liu Hua sighed and said: "Sigh, let alone, the company was going to go public before, but it was a big pit, and the boss kept screaming, and his great prospects were just useless. I am about to resign and go and follow Zhou Qiang."

"Zhou Qiang?"

Li Kai was taken aback and asked, "Where is Zhou Qiang now?"

Zhou Qiang is also their university classmate.

“Zhou Qiang is the manager of Mingzhu Jewelry. Mingzhu Jewelry is the best-performing branch of Zhang’s. I heard that Zhou Qiang will enter the Zhang’s shareholders meeting.” Liu Hua said.

“Yeah, then he is really good.” Li Kai said sincerely.

Of course, Zhou Qiang is impossible to compare with Yu Sheng, this guy is the big boss behind the Four Seas Group.

However, Zhou Qiang was able to climb up step by step by his own ability, and of course he couldn’t compare with the second generation like Yu Sheng.

Li Kai knows this.

“What are your plans now?” Liu Hua asked Li Kai.

“me.”

Li Kai glanced at Yu Sheng. He remembered that Yu Sheng told him that he would go to the Sihai Group to look for him after he was discharged from the hospital.

He knew that as long as he went to find Yu Sheng, Yu Sheng would definitely not treat him badly.

But he was also a little bit unable to pull off. After all, the two of them used to be good buddies. If he left for the rest of his life, his brotherhood would be diluted.

If he doesn’t seek refuge for the rest of his life, and works hard on his own, it is estimated that he will only get worse and worse.

This is why he invited the rest of his life to drink today.

He is a little uncertain now.

Chapter: 382

“Come for a drink, work, and talk about it slowly.” Seeing Li Kai looking at him with an unsteady look, Yu Sheng raised his wine glass and said.

“Yes, right, come and drink.” Li Kai heard the words and smiled with his glass.

Liu Hua picked up the wine glass and met with Yu Sheng and Li Kai, but Wu Juan was watching the performance on the stage and didn’t mean to drink with the three of them.

It’s not that Wu Juan doesn’t know how to drink, it’s because she looks down on Yu Sheng in her bones, so she doesn’t bother to drink with Yu Sheng.

Liu Hua understands Wu Juan, but he just smiled, and he can’t talk about the identity of the son-in-law of the rest of his life.

“Doesn’t this little beauty have a drink?” Liu Hua looked at Gao Xiaoxiao and smiled.

“I don’t drink.” Gao Xiaoxiao said.

“How about I order you a cup of milk tea?” Li Kai asked when he saw it.

There are wine, drinks, milk tea and other water drinks.

“Okay, thank you.” Gao Xiaoxiao said obediently.

Li Kai smiled and asked the waiter to bring a cup of milk tea.

But at this moment, a man and a woman came over, and Wu Juan hurriedly got up to greet.

“Han Lili, here.” Wu Juan beckoned and shouted.

Upon seeing this, a man and a woman also came over.

The woman named Han Lili’s face was a bit coquettish under the light. She held the man’s arm intimately and walked over.

The man is also tall and big, with a burly figure, and a large golden lotus hanging around his neck, which is full of fanfare.

Han Lili and Yu Sheng Li Kai are also university classmates, but she only has a good relationship with Wu

Juan, so she usually has no contact with Yu Sheng Li Kai and others.

She came over today, and it was Wu Juan who sent her a message and asked them to come and play.

“Ah, isn’t this Yu Dafa?” Han Lili smiled exaggeratedly when she saw Yu Sheng.

Yu Sheng smiled and greeted: “Han Lili, it’s been a long time.”

Gao Xiaoxiao was a little surprised looking at Yu Sheng, his cousin was really a schoolmaster at the beginning?

Then why does he want to join his cousin’s house?

She stared at Yu Sheng’s profile blankly, and there was always a curiosity in her heart that drove her to figure out what kind of person Yu Sheng was.

Anyway, she felt that the rest of her life was not what they all looked like on the surface.

“By the way, let me introduce to you. This is my boyfriend Zuo Jun. He is the owner of the drunk gold fan bar. By the way, he still has more than one hundred brothers. If you have any trouble in the future, please call me. I let my boyfriend do it for you.” Han Lili proudly introduced the burly man.

“Ah, it turned out to be Boss Zuo, so lucky to have a good time.”

“Han Lili, your boyfriend is so amazing, not only rich, but also powerful, you must take care of us more in the future.”

Although Liu Hua, Wu Juan and Li Kai knew that Han Lili was here to show off, they were still a little surprised when they heard Zuo Jun’s identity.

This is the big brother of society, who would dare to provoke him.

Wu Juan was also a little surprised. She remembered that Han Lili’s boyfriend last month was just a handsome guy in a small shop, and she didn’t expect to be the big brother of society today.

In the face of a social brother like Zuo Jun, who is not angry and pretentious, even if Wu Juan and Han Lili have a good relationship, they seem a little restrained at this time.

She is even more regretful now that she would not call Han Lili if she had known it.

Han Lili enjoys this gaze very much, and she takes the initiative to drink.

But Zuo Jun’s gaze swept back and forth on Gao Xiaoxiao from time to time.

Gao Xiaoxiao clearly felt Zuo Jun’s unruly look in his eyes, and suddenly felt a little bit on pins and needles.

Zuo Jun is the big brother of society, and these little girls who have not experienced social beatings are still very scared in their hearts.

Chapter: 383

In Zuo Jun’s eyes, Gao Xiaoxiao had to dump his girlfriend Han Lili for hundreds of streets no matter his body, face, skin, facial features. He looked at Gao Xiaoxiao, and he really felt itchy.

Zuo Jun’s ill-intentioned gaze was in his eyes for the rest of his life, but he didn’t take it seriously.

“Don’t be polite, everyone, and don’t be afraid of me. In the future, I will go to my drunken gold fan bar and report my name. I will give everyone free.” Seeing Gao Xiaoxiao’s eyes are obviously a little afraid of him, Zuo Jun laughed.

As the saying goes, a beautiful woman shouldn’t be abrupt. If he wants to get the favor of Gao Xiaoxiao’s innocent little beauty, he of course has to be more generous and bold.

“Boss Zuo is really bold, we will definitely go to your place for a drink if we have the opportunity.” Wu Juan flattered.

“Well, I will definitely let you have fun and drink happy by then.” Zuo Jun smiled boldly.

He smiled, his eyes still swept around Gao Xiaoxiao, then picked up the bottle and poured a glass,

brought it to Yu Sheng, and smiled: "Brother, you are my girlfriend's classmate and my friend, come here. , I toast you a cup."

Yu Sheng looked at Zuo Jun, a sneer flashed across his eyes.

Zuo Jun still doesn't have his tail up, he knows what shit Zuo Jun is going to do.

Zuo Jun suddenly toasted him, and he wanted to use this to offer Gao Xiaoxiao a glass.

In this way, he doesn't appear to be abrupt.

"Yes." Yu Sheng replied faintly, and slowly raised his glass to touch Zuo Jun.

Regarding Yu Sheng's somewhat arrogant actions, Zuo Jun's eyes flashed a harsh, very uncomfortable, but he did not show it, and his eyes were also smiling.

"What do you call a beautiful woman?" Zuo Jun and Yu Sheng had a toast, and then asked Gao Xiaoxiao.

Gao Xiaoxiao was a little afraid of Zuo Jun, and whispered: "My name is Gao Xiaoxiao."

"Understand and understand, know everything, a good name, a good name."

Zuo Jun was very literary and praised, holding up the wine glass and said: "In the next Zuo Jun, also respect the beauty of Xiaoxiao."

"Sorry, I don't know how to drink." Gao Xiaoxiao shook his head.

"Drinks are fine." Zuo Jun smiled.

"Okay." Gao Xiaoxiao had to pick up the milk tea and touched Zuo Jun Yaokong, and took a sip.

When Han Lili saw that her boyfriend was toasting Gao Xiaoxiao's wine alone, and even letting him drink a drink, she was immediately angry.

"Yu Da Da, I haven't seen you in a few years, where can I get rich?" Han Lili guessed that Gao Xiaoxiao should be Yu Sheng's female companion. Seeing that Yu Sheng and Gao Xiaoxiao were both dressed normally, she suddenly looked down upon them.

"Don't you know, he married Yang Zihuan after graduation." Wu Juan said strangely.

"Married to Yang Zihuan?" Han Lili didn't react for a while, did she marry Yang Zihuan?

This kid is really lucky, and he can get the favor of Yang Zihuan, the first beauty.

Han Lili was a little bit ridiculous, but looking at the ordinary clothes for the rest of her life, she suddenly became a little confused. The Yang family seems to be a powerful force. Could it be that the Yang family and him have torn their skins, and there is no support for him?

"That's what the son-in-law means." Liu Hua smiled.

"puff!"

Zuo Jun just drank the drink in his mouth and squirted it out in one sip.

He just looked up at Yu Sheng a little bit, thinking that Yu Sheng turned out to be a door-to-door son-in-law who didn't even want the dignity of a man, and his eyes suddenly showed contempt.

Such rubbish waste is also worthy of being your opponent?

Zuo Jun looked at Gao Xiaoxiao, his eyes narrowed, this little girl made him more and more irritated.

"What? Yu Sheng, you actually joined the Yang family?" Han Lili's eyes widened, she couldn't believe it.

When I was in college for quite a while, the rest of my life was a high school student in my class, and he was also very handsome. Such a person, after graduation, is definitely not bad.

Back then, she was very fond of Yu Xing.

I didn't think of the rest of my life but gave up the dignity of a man and became a son-in-law,

It was so unexpected for her.

Chapter: 384

"In society nowadays, men and women are equal. Are you allowed to have a woman like you be raised by a man and not allow my brother-in-law to be raised by my sister?" Seeing Han Lili mocking Yu Sheng, Gao Xiaoxiao immediately complained for Yu Sheng.

In her opinion, her brother-in-law's monthly salary is not for soft food at all. The reason why he chose to join the Zuoyang family must be Sister Aizihuan.

They say that if you love someone, you can do anything for her.

Brother-in-law loves Sister Zihuan, and it's too normal to choose to join the Yang family.

Isn't it just a bad name for eating soft rice?

Brother-in-law, a responsible man, doesn't take those false names in his heart at all.

"Who are you raising by a man? Make it clear!" Han Lili jumped up as if stepped on a fox's tail.

"You don't have to rely on men to support you? Why are you not here?" Gao Xiaoxiao smiled.

Seeing that Zuo Jun didn't intend to stand up for Han Lili, Gao Xiaoxiao's nervousness also relaxed.

Han Lili was so angry that she didn't expect Gao Xiaoxiao to be so sharp-edged, but she didn't know how to refute it for a while, and she couldn't tear her skin face to face, so she had to give up.

"Come here, drink and drink." The most embarrassing person here is Li Kai, who hurriedly turned off the topic and raised his glasses to respect everyone.

Originally, he only invited Yu Sheng to drink by himself, and then took a look at Yu Sheng's attitude. He hesitated whether to go to the Sihai Group to hold Yu Sheng's thigh, or sell the blue and white porcelain that Yu Sheng gave him, so as to make some capital and start a small business. .

I didn't think of meeting Liu Hua and Wu Juan in the middle of the run, and they were about to follow.

Li Kai thought at the time, since they are all classmates, the rest of his life shouldn't mind.

Who knows that Wu Juan called Han Lili, who has always been snobbery, again. The point is that Han Lili's boyfriend is still social, and the atmosphere is only so embarrassing.

Li Kai took a peek at Yu Sheng, and he was relieved when he saw Yu Sheng's face as usual, as if he didn't care about the matter at all.

After everyone had a drink together, Zuo Jun toasted Gao Xiaoxiao again.

"Beauty Xiaoxiao, I respected you before, so you used a drink instead. You should give me face for this cup." Zuo Jun poured a glass of wine in front of Gao Xiaoxiao.

Gao Xiaoxiao was a little nervous, and hurriedly shook his head and said, "I'm sorry, I really don't know how to drink."

Zuo Jun said with a faint smile: "Beauty Xiaoxiao, as a human being, we all respect each other. No matter how I said Zuo Jun, I can be regarded as a big brother. The next two hundred brothers do things for me. Don't you give me the left army?"

Gao Xiaoxiao's heart was shocked. Zuo Jun's words were both ostentatious and threatening. She was a young girl who just came out of society, how could she resolve it.

She subconsciously grabbed Yu Sheng's arm, feeling a little at a loss.

"Okay, my cousin doesn't know how to drink, if you want to drink, I'll accompany you." Yu Sheng said.

Zuo Jun's expression changed, and he said with disdain: "What the hell are you, you deserve to drink with me?"

A door-to-door son-in-law who ate soft food, the man's face was completely lost by him, how could Zuo Jun give Yu Sheng a good face?

As soon as Zuo Jun spoke out, Li Kai's face suddenly changed. He was always a little worried about Zuo Jun, not expecting that the contradiction would really come out.

"Boss Zuo, who are all friends, why bother to get angry, come here, brother toast you a cup." Li Kai

hurriedly raised the cup and respected Zuo Jun with a smile on his face.

“Li Kai, right? I heard Han Lili say about you. You fucking got cuckolded by two women in a row. It’s a trash among men and a representative of scumbags. You are also worthy to toast me?” Since my face is torn, Of course Zuo Jun no longer hides in secret.

Upon seeing this, Wu Juan and Liu Hua became a little worried.

To be honest, they themselves are a little afraid of Zuo Jun.

Chapter: 385

Li Kai’s expression changed instantly, a raging anger flashed in his eyes, and the hand holding the wine glass trembled slightly.

“Boss Zuo, don’t be angry, I just drink this cup.”

Seeing Zuo Jun’s madness, Gao Xiaoxiao was immediately frightened, and he was about to pick up a glass to accompany Zuo Jun to drink.

“Huh, you’re still acquainted.”

Seeing Gao Xiaoxiao’s soft clothes and a frightened expression, Han Lili felt relieved finally.

She looked at Gao Xiaoxiao and said proudly: “In the west of the city, my boyfriend has the final say.

Someone was arrogant in front of my boyfriend a few days ago, and they did not drink alcohol with my boyfriend. As a result, both legs were beaten. ...”

Gao Xiaoxiao trembled, and finally reached out to pick up the wine glass.

“That kind of trivial matter is not worth mentioning. I think that when I first debuted, there were only a dozen brothers, so I competed with others for turf...” Zuo Jun was eloquent, and the more he talked, the more he became more enthusiastic, talking about him. These glorious achievements are simply spitting and can’t stop.

“My husband is so amazing, I love you so much!” Han Lili listened, her whole body hung on Zuo Jun’s shoulders with a look of admiration.

Zuo Jun and Han Lili sang together, and even Wu Juan and Liu Hua felt a little nauseous.

What a shame!

After the two boasted about each other, they found that no one was attached, and the eyes of the rest of their lives looked like monkeys, which made both of them very angry.

This door-to-door son-in-law, who gave him the courage to hear Laozi’s so many beatings and killings, he was not afraid at all?

“You hold up the bar and don’t move, what do you mean, hurry up to my husband.” Han Lili looked at Gao Xiaoxiao and said.

“I, I, I drink!” Yu Sheng Zuo Jun and the two had just played a monkey game, but Gao Xiaoxiao was afraid.

Especially when Zuo Jun said that all the intestines were chopped out, her face was pale, and her mind was full of terrifying images.

“With me, who can force you to drink?” Seeing that Gao Xiaoxiao was about to drink, Yu Sheng took the cup in her hand and slammed it on the table.

Gao Xiaoxiao was shocked, a little grateful, but more afraid.

“Brother-in-law, it’s nothing, I can drink a glass or two of wine.” Gao Xiaoxiao said hurriedly.

“Okay, you like drinking so much, so drink with me.”

Yu Sheng snorted, picked up a bottle of beer that hadn’t been opened before, opened the bottle cap with his bare hands, and placed it in front of Gao Xiaoxiao.

“Come on, if you like to drink, we each have a bottle and we don’t need a cup.” Yu Sheng took out another bottle for himself and opened the cap.

“I, I, I...” Seeing that Yu Sheng was a little angry, where would Gao Xiaoxiao dare to drink?

Zuo Jun stared at Yu Sheng, and finally sneered: “Boy, you are crazy.”

“It’s okay.” Yu Sheng looked at Zuo Jun and said lightly, took out a cigarette, and sprayed a puff of smoke toward Zuo Jun’s face.

“You’re looking for death!” Zuo Jun’s face changed drastically, and he was immediately angry.

Gao Xiaoxiao was even more frightened, her whole body trembling. When did she ever see such a scene of swordsmanship among adults?

“Husband, Yu Sheng is too arrogant to be a waste of money, please teach him quickly, I can’t bear him pretending to be forceful in front of us!” Han Lili said very upset.

Yu Sheng is just a door-to-door son-in-law. The waste who eats soft food dares to be arrogant in front of them. If she doesn’t know Yu Sheng’s parents today, she feels upset.

Although Liu Hua and Wu Juan were a little worried, they were more looking forward to them.

To be honest, the two of them are also a bit uncomfortable for the rest of their lives.

When he was in school, he was a schoolmaster and handsome. Most of the girls in the class fell in love with him. The girl Liu Hua wanted to chase was never able to catch him. It was only after graduation that she and Wu Juan walked there by a coincidence. Together.

Why doesn’t he hate the rest of his life.

Wu Juan was the same, she was also enamoured of Yu Sheng back then, but for the rest of her life she directly treated her as the air, which is simply Chi Guoguo’s irony.

Seeing Han Lili openly let Zuo Jun fight for the rest of her life, Li Kai was not afraid, but Gao Xiaoxiao was frightened and spoke a little slurred.

“Sister, sister, brother-in-law, you apologize to them quickly, you apologize to them, let’s go back!”

Gao Xiaoxiao is really scared.

Chapter: 386

“Apologize?”

Yu Sheng took another breath of heavy smoke, and then sprayed it on Zuo Jun’s face, disdainfully said:

“Are they worthy of me to apologize?”

When Gao Xiaoxiao saw this, he was scared to death. Brother-in-law is not going to die!

Sure enough, being provoked by Yu Sheng again, Zuo Jun suddenly became angry: “I’m damn your mother!”

With a shout, Zuo Jun threw the wine glass in his hand at Yu Sheng.

Gao Xiaoxiao hurriedly closed his eyes in fright. Han Lili, Wu Juan and others were waiting to watch Yu Sheng’s forehead blooming.

While Yu Sheng looked at the cup that was about to be smashed, he only drew his backhand and drew it on the glass. The glass was not punctured by him, but he smashed it back.

“boom!”

The wine glass that was smashed in the opposite direction became heavy and shattered.

Looking at Zuo Jun again, flowers were already blooming on his forehead, blood was flowing, and he was abnormally ferocious.

“This.....”

Everyone is a little dumbfounded, how did the rest of his life do it?

Especially Gao Xiaoxiao, at this moment, looking at Yu Sheng, his eyes were full of the adoration of the heroes by the young girl with the spring.

Is your brother-in-law so good?

Did he learn martial arts? That one just now looks like a martial arts master in martial arts TV!

However, Zuo Jun, Han Lili and others looked sluggish.

For the rest of my life, where is this hand like a waste?

Especially Zuo Jun, he was originally a Lianjiazi. Seeing Yu Sheng's light and windy appearance at this time, he immediately knew that Yu Sheng was also a Lianjiazi, and he was still a stronger Lianjiazi!

"Husband, you are such a brother, call them right away and chop off the waste for the rest of your life!"

Han Lili said angrily.

What? Are they calling someone? Still killing brother-in-law?

Gao Xiaoxiao was shocked again, and took Yu Sheng's arm and whispered: "Brother-in-law, they are going to call someone, let's go quickly."

"What are you afraid of, just a few moths in the society, they came just to teach them, so that they can improve their memory." Yu Sheng said lightly.

With this pretense, a little girl like Gao Xiaoxiao suddenly fell, and her eyes were full of admiration.

Brother-in-law is really a man!

"But, there are so many of them, have you ever been able to fight? Have you learned martial arts?"

Worshiping worshipping, thinking that those bullies are fearless and fearless, Gao Xiaoxiao asked with some worry.

"Yeah." Yu Sheng nodded.

"Yeah, really, brother-in-law, you are so handsome! I also want to learn martial arts, can you teach me?"

Gao Xiaoxiao was a little bit overwhelmed with excitement, and immediately threw the immediate crisis away.

"The big girl's house, what martial arts is to learn, go to work well, and the husband and the son will do."

Yu Sheng smiled and found an excuse.

How can he teach Gao Xiaoxiao to learn martial arts?

"Brother-in-law, what age is it, and you have a husband and a son, you are too backward in thinking, we women are already half the sky." Gao Xiaoxiao said a little dissatisfied.

Seeing that Yu Sheng and Gao Xiaoxiao didn't pay attention to him at all, and treated him as the air, Zuo Jun was furious. He took out the phone and called, "Little Tiger, bring me all my brothers. , I have to fucking kill me today!"

He hung up the phone as he said, looking at Yu Sheng grimly. There is also Gao Xiaoxiao.

Today he not only wasted the rest of his life, but also took the opportunity to forcibly take away this bitch woman Gao Xiaoxiao.

Now that the underground king Du Fei is beginning to wash white, many of the Sakura Club's brothers have abandoned Du Fei and went to him. In time, he will surely replace Du Fei and become the underground king.

Since it is the king, what is it to play with a few women.

As for Han Lili's third-rate stuff, after taking down Gao Xiaoxiao today, he was going to kick her away.

Wu Juan and the others couldn't stand it anymore. Yu Sheng and the two were really too arrogant, and hope that Zuo Jun would quickly call someone to fight Yu Sheng and destroy it. See if he dare to pretend to be forceful.

Seeing Zuo Jun called someone, Gao Xiaoxiao finally reacted and suddenly became frightened again.

Just now, she had forgotten about it for a while, and at this moment, looking at Zuo Jun's murderous eyes, her heart trembled slightly.

This is the big brother of society, why is she not afraid.

"Brother-in-law..."

She wanted to persuade Yu Sheng to take her away as soon as possible.

Chapter: 387

Yu Sheng waved his hand to stop Gao Xiaoxiao from continuing to say: "Escape before battle is not your brother-in-law's style."

Gao Xiaoxiao is a bit speechless. Although he admires this brother-in-law very much in his heart, you still have to be a little bit brainy. People are called people. How about one or two hundred people? Have you ever played?

"Brother-in-law, they are crowded..." Gao Xiaoxiao whispered.

"Fighting depends on the brain."

Yu Sheng pointed to his head and said, "It's a fart to rely on people."

Gao Xiaoxiao was brainwashed again. She felt that what her brother-in-law said was reasonable, but she didn't want to understand where there was any truth.

"Boy, just make you crazy, wait a while, I see how crazy you are." Zuo Jun took off the tissue he had pressed on his forehead, and pulled out a few more and pressed it on.

There is no way, the smash before the rest of his life was a bit strong, and he smashed a big hole, and he couldn't stop the blood for a while.

Had he not been thinking of revenge for the rest of his life for the first time, and waiting for his brothers to come and kill the rest of his life, he would have gone to the hospital for stitches long ago.

His hole is nearly four centimeters long, and it must be impossible without stitches.

"For the rest of my life, if I were you, now I kneel down and beg my husband, and beg my husband to spare you a dog, otherwise my husband will break your legs and make you a waste person!" Han Lili said with an arrogant expression on her face. .

For the rest of his life, he poured himself a glass of wine gently, and then gently picked it up, took a sip, then looked up at Han Lili and jokingly said: "Let the person he call faster, I can't wait. "

mad!

It's crazy!

People like Zuo Jun and Han Lili wanted to vomit blood: "Boy, I hope you can still be so mad in a while!"

For the rest of his life, he stopped paying attention to the two and looked at Li Kai.

Li Kai looked miserable and smiled: "Brother Yu, I only invited you by myself. I didn't expect that I met Liu Hua and the others halfway. They had to come together, and then I didn't know Wu Juan would call Han Lili..."

He thought he was going to blame him for the rest of his life, and explained embarrassingly.

"They are all classmates, come here and chant, what does it matter if they invite classmates to have a drink?" Yu Sheng laughed.

"Ah? You don't blame me?" Li Kai was a little surprised, but also relieved.

"We are brothers, don't I know you yet? Don't take this kind of trivial matter to heart." Yu Sheng smiled. we are brothers!

Hearing these words in Li Kai's ears immediately made him feel a rush of blood.

He secretly clenched his fist and said, "Brother Yu, when I was hospitalized before, you said that after I

was discharged from the hospital, I asked me to find you..."

Yu Sheng nodded and asked: "Well, have you thought about it?"

Li Kai nodded firmly, and said, "I'm done!"

"Okay, then go to the company to find me tomorrow." Yu Sheng smiled, thinking about the cup and Li Kai touched.

Li Kai nodded, took a sip, and filled a cup for the rest of his life.

"Brother Yu, if it weren't for your help, I don't know what it's like now. This glass of wine, brother, I will toast you." Li Kai picked up the glass and touched it to Yu Sheng, and ate it dry.

Yu Sheng smiled, without saying anything extra, and drank his glass.

Then he said: "Li Kai, since we are brothers, we don't need to be so polite in the future. If the brothers are too polite, then this brotherhood will change a bit."

He doesn't have a few friends, Du Fei and Li Kai's are the best ones.

But because of his identity, both Du Fei and Li Kai respected him more or less, which he actually didn't want to see.

He is not the kind of person who likes to make others respect him, and he doesn't like the feeling of being above himself.

These years lurking in Qiancheng, and even becoming the son-in-law of the Yang family, his mentality has changed a lot.

In fact, he only wants to live the life of an ordinary person, and does not want to be sought after by others or lift him high.

The two directly ignored the behavior of Zuo Jun and others, making Zuo Jun and others even more angry.

Too arrogant!

He has been out for so many years, and this is the first time he has seen someone as arrogant as Yu Sheng!

But what excited Zuo Jun was that the person he called soon came to the Sakura Club.

Now, he wants to see how he is arrogant in front of him for the rest of his life!

Chapter: 388

"Brother Jun, people from the Sakura Club will not let us in." Xiaohu called Zuo Jun.

Zuo Jun frowned and asked, "Who is it?"

"Chen Bin."

Zuo Jun's eyebrows tightened again. Chen Bin is Du Fei's capable man with superior strength. Although Du Fei wants to get rid of it, he still follows Du Fei as always.

Moreover, the current strength of the Sakura Club is also the king of the underground circle, and he is also not daring to provoke.

Now his people are stopped by Chen Bin, he really has no way of doing it.

"Husband, what's the matter?" Seeing Zuo Jun frowning, Han Lili asked.

"My people were blocked by Chen Bin from the Cherry Blossom Club and were not allowed to enter." Zuo Jun said.

"Then Chen Bin is a gangster, someone who dares to stop you? Husband, don't be afraid, you have so many brothers, let them break Chen Bin's legs and just rush in. Don't interrupt the rest of your life today. I'm not reconciled to my legs." Han Lili said disdainfully.

"You know what a fart?" Zuo Jun looked at Han Lili disdainfully, really a woman's opinion.

The Sakura Club is the king of the underground circle. He is only Du Fei who wants to be white before he dares to come out to be the eldest brother.

Interrupt Chen Bin's leg? I really didn't dare to think, I guess I didn't have any hands on it, and I would be interrupted by someone first.

"Husband, your few hundred brothers, are you still afraid of a cherry blossom meeting?" Han Lili said a little unconvinced, and she looked down upon Zuo Jun even more.

Zuo Jun immediately became angry, slapped Han Lili's face with a slap, and said coldly: "Smelly bitch, do you want to kill me? Do you know what cherry blossoms represent?"

"Huh?" Han Lili was stunned directly, her eyes were even more puzzled.

Zuo Jun said angrily: "The Sakura Club is the strongest force in the underground circle. There are thousands of brothers, all of whom are the elites of the underground circle. And Chen Bin is the second master of the Sakura Club. There are no one thousand brothers, but also 800. , You asked Lao Tzu to break his leg? Do you want Lao Tzu to die a little bit worse?"

"This..." Han Lili was completely dumbfounded, did the cherry blossoms be so terrifying? Is he really too ignorant?

Zuo Jun no longer paid attention to Han Lili, but looked towards Yu Sheng, and said aggressively: "Yu Sheng, you are so arrogant, dare you go out with us?"

His people couldn't get up, so he had to think about it and stimulate the rest of his life.

"Brother-in-law, we won't go out." Gao Xiaoxiao finally breathed a sigh of relief when he heard that the Zuo Jun men were unable to come up.

"Hmph, if you don't go out, can you stay here for a lifetime?" Han Lili said sarcastically.

Yes, if they have been waiting for us down there, we won't be able to go out.

Thinking of this, Gao Xiaoxiao suddenly became a little scared.

Liu Hua and Wu Juan looked gloating.

Of course they would like to see the rest of their lives being maimed by the left army.

Li Kai looked at Yu Sheng. Although he knew that Yu Sheng should not be afraid of Zuo Jun, he still felt worried for him.

"What's not dare to do?"

Yu Sheng smiled faintly, got up and walked outside.

Seeing Yu Sheng really dared to go down, not only Wu Juan, Liu Hua and others were surprised, but Zuo Jun was also very surprised.

This kid is too arrogant, right?

Zuo Jun became more angry as he thought about it, strode to keep up with Yu Sheng, and waited until he would personally interrupt Yu Sheng's legs to relieve his hatred.

Han Lili and others also hurriedly followed, all gloating.

This scumbag is so good-natured. When her legs are broken for a while, the old lady will come to see how you can save face.

"Brother-in-law, don't be impulsive!" Gao Xiaoxiao hurried to catch up and shouted.

Zuo Jun has so many younger brothers, even if she believes that Yu Sheng is a master of martial arts, she can't be the opponent of so many people.

As the saying goes, two fists are hard to beat four hands.

"Don't be afraid, just a few gangsters, brother-in-law, I still don't take it seriously." Yu Sheng smiled faintly, and strode down the stairs.

Chapter: 389

At this time, in front of the gate of the Sakura Meeting, dozens of gangsters were hovering there. But Chen Bin just took a few people to stand there, and they didn't dare to step forward.

"You are all from the Zuojun, right? Give me peace of mind. If you want to cause trouble, you have to wait for the other person to leave my Sakura Club, or I will interrupt your doglegs." Chen Bin looked at Zuojun's younger brothers and scolded.

"Boss Chen rest assured, we won't mess around. The other party is very arrogant and has already accompanied our boss." Xiaohu hurriedly laughed.

Chen Bin nodded and didn't say anything, but he was still a little curious. Seeing who it was, he dared to clamor with Zuo Jun, and even forced Zuo Jun to call his brother directly.

At this time, Zuo Jun, Yu Sheng and others walked out of the Sakura Club. Seeing that a group of their little brothers had already been waiting there, Zuo Jun suddenly sneered: "Boy, I see that there is no such thing. Those are all my little brothers, as long as I make a gesture. , They can rush to break your legs."

"Yes, Yu Sheng, if you kneel down and beg my husband now, I will read it for the sake of classmates and help you intercede, otherwise, you will wait for lying on the bed in your life." Han Lili is also arrogant. Said.

"For the rest of your life, the hero doesn't suffer the immediate loss, so hurry up and kneel down to the left boss to beg for mercy." Liu Hua also pretended to persuade.

"Yeah, Han Xin could still endure the humiliation of stepping down back then, what counts if you kneel down to the left boss?" Wu Juan also said.

Gao Xiaoxiao looked at the fierce gangsters in front of him, her face pale in fright and at a loss.

Yu Sheng glanced at a few people playfully, took out a cigarette, and put it in his mouth.

At this moment, a big man suddenly walked over and lit a cigarette for Yu Sheng himself.

"Brother Bin?"

Seeing the big man lighting Yu Sheng, Zuo Jun's heart was shocked and his eyes were a little dull.

What's happening here? Chen Bin, a well-known underground circle, actually lighted a cigarette to a door-to-door son-in-law himself?

"Yu Shao, when did you come here? I didn't notify my brothers." After lighting a cigarette for Yu Sheng, Chen Bin said with a flattering smile.

"After a while, I will accompany my friend for two drinks." Yu Sheng said lightly.

"Who are you?"

At this moment, Han Lili looked at Chen Bin with disdain, frowning and said: "This scumbag offends my husband. If you know him, get out of the way, otherwise the people who are waiting for my husband will even beat you."

As soon as Han Lili's voice fell, Zuo Jun's face paled in shock.

This ignorant bitch dared to talk to Chen Bin like this and didn't want to live anymore?

He was too scared to speak.

"Shao Yu, is this your classmate?" Chen Bin glanced at Han Lili and asked Yu Sheng.

For the rest of his life, Han Lili said proudly, "He is a waste of soft rice, and he is also worthy of being my classmate of Han Lili?"

With a smile, Yu Sheng said, "When I hear no, I don't bother to be my classmate."

Chen Bin smiled and said, "Ignorant bitches are not worthy of being Yu Shao's classmates."

As soon as he finished speaking, there was still a smile on his face the moment before, but the next moment, a fierce murderous intent flashed in his eyes.

Then, in the incredible eyes of everyone, Chen Bin turned around and slapped Han Lili away. During this period of time, Chen Bin rarely followed Yu Zhong to practice martial arts. Under Yu Zhong's meticulous guidance, Chen Bin made great progress. With a slap in the face, Han Lili, who was more than 100 catties, flew more than three meters away.

boom!

Han Lili fell to the concrete floor, and her whole body fell apart.

It took a long time before he came back to his senses.

"Husband, this trash dare to hit me, you should kick me on his legs!" Han Lili didn't get up, so she hurriedly cried to the left army.

"Who is your husband? Zuo Jun?" Chen Bin asked coldly.

Zuo Jun was taken aback when he heard this, and hurriedly separated from Han Lili: "Brother Bin, don't listen to her nonsense, she is a crazy woman, I don't even know her!"

boom!

Han Lili's brain roared like an electric shock.

Liu Hua, Wu Juan and others are now open-mouthed, and they can't believe it!

Chapter: 390

Zuo Jun was actually afraid of this big man, who on earth was this big man?

He seems to respect the rest of his life. What is going on?

Liu Hua and the others looked dumbfounded, and they became more confused about the form.

"Really, then you ask someone to interrupt her legs now." Chen Bin looked at Zuo Jun jokingly.

Han Lili not only insulted Yu Shao, but also threatened to interrupt his legs. Of course he would not let Han Lili go.

"Yes, Brother Bin!"

Zuo Jun responded, beckoned to Xiaohu, and said, "Xiaohu, break this crazy woman's legs for me."

What?

Zuo Jun wants to break his legs?

Han Lili was completely dumbfounded and didn't know what was going on.

"Husband, I'm not crazy, don't listen to that rubbish nonsense!" Han Lili said loudly.

Zuo Jun's eyes flashed a bit of cruelty, and he stepped forward to lift Han Lili, slapped it, and said angrily: "Keep your dog's eyes open and look at it. The waste you are talking about is Chen Binbin, the second figure in the underground circle. elder brother!"

"Wh, what? He is Brother Chen Binbin?" Han Lili was stunned, her heart suddenly scared to the extreme.

When he was inside before, Zuo Jun told her about Chen Bin's greatness. He didn't realize that she was still in front of Chen Bin and said Chen Bin was a trash. Isn't this looking for death?

But why does he respect Yu Sheng so much?

It's not that she didn't understand this question, and Zuo Jun, Liu Hua and others did not understand it.

At this moment, Xiaohu came up, Zuo Jun threw Han Lili on the ground, looking at the steel pipe in Xiaohu's hand, Han Lili was finally scared, and hurriedly hugged Zuo Jun's calf and begged: "My husband, I was wrong, you hurry up and help me plead with Brother Bin!"

Zuo Jun raised his head and glanced at Chen Bin. Seeing Chen Bin's indifference, he kicked Han Lili away and said coldly: "Fight me!"

Xiaohu no longer hesitated, lifted the steel pipe and hit Han Lili's legs.

Listening to Han Lili's tragic screams, both Liu Hua and Wu Juan's legs were a little weak.

The reversal was so fast that they couldn't react at all.

Gao Xiaoxiao was confused and surprised at the same time. What is going on?

She wanted to ask Yu Sheng, but the scene was a little nervous at this time, she didn't even dare to speak.

"Zuo Jun, you are mobilizing the people and calling so many brothers to deal with Yu Shao?"

Han Lili's legs were broken by Xiaohu, and Chen Bin ignored her and looked at Zuo Jun.

At this time, Zuo Jun didn't know that Yu Sheng and Chen Bin were together.

But he couldn't understand why Chen Bin respected him so much as Yu Shao, a son-in-law who came to his door.

"Brother Bin, all this is a misunderstanding. If I know that Yu Shao's identity is special, I don't dare to provoke Yu Shao if I give me ten courage!" Zuo Jun smiled bitterly.

"Snapped!"

Chen Bin raised his hand and slapped it up, and said angrily: "I and Brother Fei can have today, all of them are made by Yu Shao. What the hell are you, dare you to provoke Yu Shao in my Sakura Club?" boom!

Zuo Jun's brain roared, and he didn't realize that his identity for the rest of his life was so important.

But he was even more puzzled, he was obviously the son-in-law at the door!

After being slapped by Chen Bin, Zuo Jun didn't dare to come out, and even lowered his head, like a kid who committed a crime.

"Yu Shao, this kid offended you, what do you plan to do?" After slapped Zuo Jun, Chen Bin looked at Yu Sheng and asked.

"Break your legs and disband his drunk gold fan bar." Yu Sheng said lightly, then turned and walked towards his car.

"Okay." Chen Bin looked at Yu Sheng's back and nodded, then looked at the left army.

"Zuo Jun, do you want to do it yourself, or you want me to help you." Chen Bin said coldly.

"Chen Bin, I really didn't know it was Yu Shao..." Zuo Jun raised his head and trembled in defense.

Chen Bin snorted coldly, no longer being wordy, and he lifted his leg and chopped off the left leg's right leg bone.

Zuo Jun was also a Lianjiazi, and of course he would not sit still at a critical moment. Seeing Chen Bin's hand, he immediately fought back.

Chen Bin sneered and interrupted the left army to the ground in twos or twos, then walked up and slammed his foot on the left army's right ankle.
