

## Dont mess 521

### Chapter: 521

Yu Sheng looked at the two brothers and sisters of Yang Jian, just like looking at two idiots, smiled faintly, showing two rows of small white teeth, humans and animals said harmlessly: "Neither."

Yang Jian frowned and said coldly: "You are not a fucking member, how did you get in?"

Yang Yinzhu disdainfully said: "Brother, this kind of people just came in while they were unprepared, eating and drinking."

After that, she glared at Yu Sheng and said sarcastically: "Trash, you came to the wrong place today. This is the newly opened high-end club of the Bai family. It only opened in the past two days. The people who came are all big and decent people. You dare to get in and make trouble. If discovered by security, I will kill you!"

Yu Sheng pretended to be innocent and said: "I am a member here, why do they beat me?"

"What are you going to pretend to me? Tell you the truth, there are four grades of members here, ordinary member, senior member, vip member and senior vip member. You are not in these four grades, and you said that you are a member here. , Are you trying to make people laugh?" Yang Jian sneered.

Yu Sheng joked: "Although I am not in these four grades, I am a supreme VIP member. It is the fifth grade that you don't know."

"Bah, why don't you just continue to install it here? The lobby is clearly written, there are four members here, you are still the fifth grade, who do you think you are?" Yang Jian was amused by Yu Sheng. Said angrily.

Yu Sheng was still a dead pig who was not afraid of boiling water, and said: "That's because your brothers and sisters are ignorant, or your brothers and sisters are too low-level, and you are not qualified to know the existence of this fifth-tier member."

Yang Jian and Yang Yinzhu frowned slightly, you look at me, I look at you, they were a little moved by Yu Sheng.

Is it true that what this rubbish said is true, and there are really fifth-tier members?

"Show me your membership card?" Yang Jian frowned.

For the rest of his life, he didn't hide it, and simply handed Yang Jian the supreme VIP membership card that Magnolia had previously given him.

Yang Jian took it, really is the supreme VIP membership card?

The two siblings looked at Yu Sheng again, and didn't believe that Yu Sheng was true.

Because the rest of his life is indeed the son-in-law of their Yang family, there is no doubt.

Then there is only one possibility, this trash card is a fake, imitation.

"I also issued an ip membership card. This is the name that an idiot made up for you. It's quite ridiculous." Yang Jian looked up and down the membership card, gave a sarcasm, and threw it to Yu Sheng.

But Yang Yinzhu threatened: "Smelly, you are so brave, you dare to forge the membership card of the Bai family, don't you really want to live?"

She said with a cold snort, and said: "Trash, you knelt down and apologize to me, and then get out of here, otherwise, we will say hello to Bo Li, the big housekeeper of the Bai family, do you know that I and Li Does it matter to you?"

To tell you the truth, Li Da's housekeeper Li Bo and Hu Hai's father are friends. After a while, Hu Hai will

come over. As long as he tells Li Bo, you don't know how you died. "

The Li Bo she was talking about was Li Furen, the steward of Magnolia, and the younger brother of Li Fugui, the master of Hefengtang.

It's very much trusted by the Bai family, and it is very powerful in the Bai family.

The status is detached.

It can be said that in the Bai family, apart from a few core figures such as Bai Yulan, the most powerful foreign surname.

So when Yang Yinzhu talked about Li Furen, he instantly had the effect of a fox fake tiger's might.

I also raised my face.

## Chapter: 522

As soon as Yu Sheng heard that Yang Yinzhu's husband, Hu's family, and Li Furen were friends, he sneered and said: "I forgot to tell you, this supreme VIP membership card was given to me by Miss Bai, and the name is also Miss Bai. You made it yourself. Didn't you ask me which idiot's name is? If Li Furen knows that you dare to scold Miss Bai behind your back, I'm afraid your brothers and sisters won't be able to get out today."

"You just pretend, if you are special, then continue to pretend, I'm afraid that you won't even be able to save your life for a while!" Yang Yinzhu sneered, and didn't take the rest of his life seriously.

Their brothers and sisters had already believed that Yu Sheng this was a forgery, so they were not afraid at all.

Yang Jian even sneered: "Fool, you have been disrespectful to Miss Bai again and again. I'm afraid you will get into trouble today, and no one will be able to save you!"

Yu Sheng smiled and said, "I think it is your brother and sister who is disrespectful to Miss Bai?"

Yang Yinzhu immediately said to Yang Jian, "Brother, what can I say with the idiot? Just call the security guard over and tell the security what he just said. I see if those security guards will let him go? Hu Hai will come soon. , I will let Hu Hai say something to Li Bo again, give this stinky hanging silk a severe lesson, interrupt his hands and feet, and turn him into a real useless person!"

Abandon me?

Make me a real waste person?

Yu Sheng's eyes narrowed, and he didn't think that Yang Yinzhu could be so hot.

That being the case, don't blame him for being cruel!

At this time, Yang Jian heard Yang Yinzhu's words and shouted: "Security, where's the security?"

"There is a girl here who dared to arrange Miss Bai, come and have a look!"

"Who is arguing?"

At this moment, the middle-aged Yixie came over and shouted in a deep voice.

For the rest of his life, it was Li Furen, the housekeeper of Magnolia.

As Li Furen yelled, Yang Yinzhu suddenly smiled.

She looked at Yu Sheng with a smile, and mocked: "Trash, Li Bo is here, you are dead now, let me tell you!"

Yu Sheng smiled faintly, looked at Yang Yinzhu like a fool, and watched her perform.

As Yang Yinzhu said, he turned his head to look at Li Furen, and pointed to Yu Sheng and said, "Hello, Uncle Li, here is a fool who not only forges the membership card of Ginza, but also dares to be disrespectful to Miss Bai. You have to teach him a lesson. !"

Li Furen was getting older, and his eyes were not good enough, so he could see clearly when he was

farther away.

Therefore, he didn't recognize it for the rest of his life.

However, Yang Jian and Yang Yinzhu were closer to him, and when they saw that they were dressed glamorously, they should be the sons and daughters of a certain family.

Therefore, at this moment, Li Furen felt that he trusted Yang Jian a little bit more.

"Who is so courageous, I don't want to live anymore, security, take it for me!" Yang Furen shouted, his voice majestic.

As soon as he finished speaking, several menacing security guards rushed over.

Yang Yinzhu was a little excited, staring at Yu Sheng, sarcastically, "Trash, I see how you died today!"

Yu Sheng sneered and said, "You brothers and sisters are all dead, and I won't die either."

Yang Yinzhu sneered and said, "You still have a hard mouth. Later, I will see if you can still have a hard mouth!"

Yu Sheng gave a cold snort, stopped paying attention to Yang Yinzhu, and walked towards Li Furen.

"Li Furen, you are an old man, you are so prestigious, you still want to take me down?" Yu Sheng looked at Li Furen and hummed unceremoniously.

Grass, this rubbish is so damn good to pretend, even Li Furen, a big housekeeper, dare to scold him.

Who gives him the courage!

When Yang Jian and Yang Yinzhu saw Yu Sheng's death like this, they all gloated in their eyes.

In the eyes of the two, the rest of their lives is death.

But the more they die for the rest of their lives, the more comfortable they feel.

Li Furen suddenly recognized Yu Sheng and was almost scared to pee.

Isn't this the voice of Master Yu?

He fixed his eyes, isn't it exactly who Master Yu is?

Recognizing Yu Sheng, he shuddered, and the momentum just disappeared. He immediately clasped his fists and bowed: "Master Yu, Li doesn't know it is you, it's really offensive!"

### **Chapter: 523**

Li Furen is really afraid of Yu Sheng, and he respects Yu Sheng from the heart.

Not only did the rest of his life save Miss Bai, but he also saved Mr. Bai.

He still remembered that Elder Bai said before that as long as their Bai family can have a son-in-law like Master Yu, it will be more than a hundred years more brilliant.

Moreover, he also knows that this Master Yu is not only a genius doctor and Feng Shui master, he is also the chairman of the Sihai Group and the largest shareholder of the 100 billion science and technology park.

Master Yu is a real boss!

As soon as Li Furen spoke, the audience suddenly froze.

Whether it is Yang Jian or Yang Yinzhu, even those few are dumbfounded.

Butler Li is so respectful to a trash?

The tall butler Li Da, unexpectedly apologized to a Diaosi?

What's the matter?

Just when a few people still didn't understand what was going on, Yu Sheng said coldly: "I heard that you have a very high status in the Bai family. Your brothers are the highest-ranking foreigners in the Bai family. Do you think Father Bai or Miss Bai is going to give you a lot of face?"

Because before Yang Yinzhu said that Li Furen had a close relationship with the Hu family, he was not

allowed to spare him for the rest of his life.

When his temper came up, everything was easy to say. Once his temper came up, it didn't matter whether Li Furen was innocent or not. Who told others to pretend to be in front of him under your banner? Li Furen should be unlucky when he hit him at the muzzle.

When Li Furen heard what Yu Sheng said, he panicked. Master Yu was really angry.

Without saying anything, he knelt in front of Yu Sheng with a fright, and said with trepidation and piousness: "Master Yu, Li just didn't see clearly that it was you, and he spoke a bit violently. Please give me a chance to change it.!"

Yu Sheng looked down at Li Furen and said lightly: "I heard that you have a very close relationship with the Hu family?"

Li Furen was shocked, and shook his head hurriedly to deny: "No, I don't know the Hu family at all, so please ask Master Yu to check it out."

Yu Sheng sneered and said: "Then how did someone just pretend to be in front of me under your banner?"

"Who? Please also ask Master Yu to make it clear that I must abolish him!" Li Furen said hurriedly.

Yu Sheng pointed to the shocked Yang Jian brother and sister, and said with a sneer: "The two of them have been pulling your tiger skin and pretending to be coercive in front of me, mocking me, threatening me, and threatening you to call someone to destroy me. What do you think about this matter?"

Li Furen immediately knew that Master Yu was so dissatisfied with him that he totally owed the gift of these two brothers and sisters!

He looked at Yang Jian and Yang Yinzhu angrily, and roared: "You dare to use my reputation to offend Master Yu. You are looking for death. Don't hurry down and kneel down to apologize to Master Yu!"

Yang Jian's expressions were stagnant, and they couldn't figure out why Yu Sheng became Master Yu? Isn't this guy the son-in-law of his Yang family?

But what made them a little scared was Li Furen's attitude at this time.

Yang Jian bumped Yang Yinzhu's arm, which meant: Didn't you just say that the Hu family has a good relationship with Li Furen? Just say it.

Yang Yinzhu came back to his senses and hurriedly said with a shy smile: "Uncle Li, I am Haihu's wife. Hu Hai said that you and his father are close friends... and Li Bo, you are a great person. How can I kneel down for Yu Sheng, this stinky lady? He is just a door-to-door son-in-law of our Yang family. He just offended Miss Bai. You should think about killing him."

Li Furen shivered when he heard the words and let himself kill Master Yu. Is this woman crazy? I couldn't help but roared: "Fuck your mother's shit, I don't know Hu Hai at all. If you fucking talk nonsense again, I will kill you first today!"

Yang Yinzhu's heart was shocked, and there was some fear in her eyes. At this moment, she saw Hu Hai and hurriedly went up and said, "Hu Hai, you are here at the right time. Tell Uncle Li, you know him."

"What's the matter?" Hu Hai frowned and asked.

"That's the case. The waste of Yu Sheng offended Miss Bai. Uncle Li doesn't believe it. Tell him." Yang Yinzhu said.

## **Chapter: 524**

Hu Hai looked up and looked at a person kneeling in front of Yu Sheng, but he could only see his back, and he didn't know who it was.

But the moment he saw Yu Sheng, Hu Hai's eyes flashed a bit of cruelty.

At this moment, Li Furen just turned around, and Hu Hai was shocked when he saw that it was Li Furen who was kneeling in front of Yu Sheng.

What kind of situation is this?

Li Furen, the housekeeper of the Bai family, actually knelt to Yu Sheng's trash?

Hu Hai rubbed his eyes, he thought he was wrong.

"Li, Uncle Li, what are you?" Hu Hai asked puzzledly.

"Oh it's you!"

Li Furen pointed at Yang Yinzhu and said coldly: "She is your wife, right? I tell you, the two of them offended Master Yu today, and the gods can't save them anymore!"

"what?"

Hu Hai was startled and asked in a puzzled way: "Uncle Li, what's the situation? He is just a door-to-door son-in-law, why are you kneeling to him?"

Li Fu's benevolent vomiting blood, this bastard, at this time, dare to humiliate Master Yu, it's really not a time to die!

Master Yu is not only a billionaire himself, but also a big boss who their Bai family is all about. This bastard kid actually said in front of him that he is a trash. Does this mean he doesn't want to live?

Thinking of this, Li Furen stood up immediately and rushed over in twos or twos. He raised his hand and slapped Hu Hai's face severely. Then, he shouted to the security guard beside him: "Come on, give me three of them. He knelt down and apologized to Master Yu!"

Hu Hai was stunned at once, he didn't know what was going on, Li Furen raised his hand and slapped him in the face.

You know, his father knows Li Furen, and the relationship is pretty good!

But before he had time to ask, he was pressed by two security guards to kneel on the ground.

At the same time, Yang Yinzhu and Yang Jian, who had just won the victory, were also knelt in front of Yu Sheng.

Both Yang Yinzhu and Yang Jian were frightened. Didn't Hu Hai know Li Furen? Why didn't he give Hu Hai any face?

Li Furen respectfully said to Yu Sheng at this time: "Master Yu, I have subdued them. They don't even have eyes and dared to bump into you. Please also ask Master Yu to show them how to deal with them?"

Yu Sheng said indifferently: "I am a person who never takes the initiative to bully others, but if others want to bully me, I will never back down.

This supreme VIP card was given to me by your eldest lady before. It said that it was the title of this supreme VIP member. She specially set it for me to show respect. As a result, in the mouth of these two people, supreme VIP member. Become a stupid name, I ask you, is this tantamount to calling your eldest lady a stupid? "

Yang Furen's face sank, and looked back at Yang Jian and Yang Yinzhu, and shouted angrily: "You two brothers and sisters dare to call the lady a stupid? Don't you want to live? Believe it or not, I personally bankrupted your Yang family. ?"

Brother and sister Yang Jian was frightened by Li Furen and shuddered, not thinking that this card was actually true!

But this makes them even more puzzled. Yu Sheng is obviously their son-in-law, why is he so respected by the Bai family?

Yang Jian was terrified, and immediately pushed the matter on Yang Yinzhu, and then Yang Yinzhu

beside him trembled: "Uncle Li, this matter has nothing to do with me, this matter is not what I said, it was him. That said!"

Yang Yinzhu's heart was shocked, and he looked at his elder brother, this is his own elder brother, how could he be like this?

Yang Yinzhu was not only afraid, but also angry. The feeling of being betrayed by his own brother was even more uncomfortable than killing her!

But Yang Yinzhu would not just admit defeat.

She pretended to be aggrieved and said: "Bo Li, there is no such thing as a supreme VIP member in the information displayed in the lobby on the first floor. This must be made up by the guy Yu Sheng himself. You can't be fooled by him!"

"Yes, Uncle Li, you may not know the identity of Yu Sheng, but I know that he is really the son-in-law of our Yang family. He is worthless and a waste of soft food. He fabricated this fake membership card, and the nature is too good. It's terrible, I don't even have Bai Family and Uncle Li in your eyes. It's really hateful!" Yang Jian also hurriedly said.

The two brothers and sisters said, with a touch of confidence in the corners of their mouths.

As the so-called murder and condemnation, they believed that as long as Li Bo checked it carefully, he would be able to find out the fraud for the rest of his life.

But for one thing, they didn't know the relationship between Yu Sheng and the Bai family.

And the true identity for the rest of his life.

## **Chapter: 525**

Li Furen was trembling with anger by Yang Jian and the two of them gritted their teeth and scolded: "Do you two know that this supreme VIP membership card is specially designed for Master Yu by our eldest lady? The entire Ginza club has only this one. Zhang Zhizun card, but you still brazenly offend Master Yu and offend my eldest lady here, do you think that Li Furen dare not touch you today?"

"Huh?" Yang Jian and Yang Yinzhu were dumbfounded. Is this supreme VIP card really set by Miss Bai for Yu Sheng this waste?

How is this possible?

However, they also had to believe it, because Li Furen said it himself.

At this time, they knew that they had really made a big mistake.

Not only did he slander the rest of his life, but he also offended Miss Bai. What a damn!

But this waste, how can he be able to get Miss Bai to be so close?

The two of them couldn't figure out why they could get Miss Bai's Qing Lai for a piece of trash. This is nothing short of a fantasy!

"Master Yu, these two guys dare to offend you again and again, you said, how do you deal with them?"

Yang Furen looked at Yu Sheng and asked respectfully.

Yu Sheng pulled out a cold expression at the corner of his mouth, and said, "The mouths of these two people are too stinky. They have to find something to synthesize them."

Li Furen was startled, and then said, "Would you like to get a few kilos of perfume to pour them down?"

Yu Sheng smiled faintly: "A few kilos of perfume, don't you pour them to death? Although their mouths are very smelly, they are not to the point of death, sin is not to death..."

Yang Jian and Yang Yinzhu stared at Yu Sheng blankly, not expecting that Yu Sheng would let them go, which made them feel a little surprised.

Li Furen hurriedly asked, "Does Master Yu have any good ideas?"

Yu Sheng smiled and said: "They should be eating too much shit in their mouths, so let them lick some urine today. Let's put it together. By the way, let them go to the men's bathroom to lick the urinal."

Li Furen's eyes lit up and he complimented: "Master Yu is a good idea. Come on, please clear out the guests in the men's bathroom on the second floor, and then let their brothers and sisters go and lick all the urinals in the men's bathroom.!"

Yang Jian and Yang Yinzhu just thought they had let them go for the rest of their lives, and they were still a little grateful.

Unexpectedly, in a blink of an eye, this waste for the rest of his life would let them lick the urinal. How disgusting!

The two looked at each other, and both saw the panic in each other's eyes.

Licking the urinal is so disgusting, as long as they do lick it, then they won't even want to raise their heads in the future.

Yang Yinzhu hurriedly looked at Hu Hai and said, "Husband, please beg Li Bo, we don't want to lick the urinal!"

Hu Hai bowed his head, not wanting to talk to Yang Yinzhu at all.

He even hated Yang Yinzhu and Yang Jian in his heart. If it weren't for these two people, he would not be stunned by Li Furen today, nor would he be forced to kneel for the rest of his life.

Last time Yu Sheng was forced to kneel down and call the shadow of Grandpa, he still didn't come out. Today, he was forced to kneel down for Yu Sheng. He probably won't be able to get out of this shadow in his entire life.

Moreover, at this time, he was also afraid of being forced to lick the urinal, so he dared not make a sound.

At this moment, Li Furen looked at Hu Hai and asked Yu Sheng: "Master Yu, what should I do with this guy?"

When Hu Hai heard it, his whole body trembled in shock, and he hated Yang Yinzhu very much in his heart.

If Yang Yinzhu hadn't spoken to him suddenly, how could Li Furen find him?

Never think of him at all!

The thought of asking Yang Jian and Yang Yinzhu to lick the urinal for the rest of his life just made him feel sick.

Countless people were urinating on it, and their fingers were disgusting to death. If he were to lick it for the rest of his life, it would not only insult him, but he would not be able to lick it!

"Bo Li, Yu Sheng, Master Yu, this has nothing to do with me!"

He thought that Li Furen was called Master Yu Shengyu. At this time, he had also learned well, and he didn't dare to confront Yu Sheng.

"It has nothing to do with you, aren't you her husband?" Yu Sheng pointed to Yang Yinzhu and said lightly.

Hu Hai trembled and said without even thinking about it: "Master Yu, I will divorce her today when I go back. There are such bitches in the Hu family who dare not put Master Yu in my eyes. I must give him off today. NS!"

There is no way, even the Bai family treats the rest of their lives respectfully, their Hu family is considered a scumbag?

It doesn't matter if Yu Sheng is the son-in-law of the Yang family or not, regardless of his identity.

The important thing is that the Bai family respects Yu Sheng, and it is worth their Hu family to respect Yu

Sheng.

Because in front of the Bai family, none of them are Hu Jiashi.

### Chapter: 526

“What? Husband, what did you just say?” Yang Yinzhu trembled and looked at Hu Hai in disbelief.

“I said you don’t deserve to be my Hu family’s wife. I’m going to divorce you. After this matter is dealt with, we will go to the Civil Affairs Bureau to divorce the marriage!” Hu Hai said indifferently.

Yang Yinzhu’s brain roared, his face turned pale, and his whole body seemed to have lost his energy in an instant.

Yu Sheng glanced at Yang Yinzhu and sneered at Hu Hai: “Okay, as long as you take her off, today this matter has nothing to do with you.”

Hu Hai finally breathed a sigh of relief and hurriedly said, “Master Yu, don’t worry, I will take her to divorce when things are over here!”

It just happened to have been talking with Yang Yinzhu for a few years, and he was also a little tired of having fun.

In addition, if Yang Yinzhu licked the urinal today, it would be impossible for him to make affection with Yang Yinzhu again.

Because he knows that when they are affectionate, he will definitely get sick when he thinks about today.

Li Furen glanced at Hu Hai and said coldly: “Boy, since Master Yu has said so, I will spare you today, but if you don’t divorce this bitch woman in the afternoon, I will connect you to Hu’s family. Don’t let it go!”

Hu Hai was shocked and hurriedly said with a smile: “Li Bo rest assured, after my dad knows about this, even if I don’t divorce her, my dad will not agree.”

Yang Yinzhu looked desperate, she looked at Hu Hai blankly, not only heartbroken, but desperate to the extreme.

She really loves Hu Hai, but Hu Hai is going to divorce her and divorce her. How could this happen? For the rest of my life!

Blame Yu Sheng!

If it weren’t for this trash, how could Hu Hai do this to himself?

She hugged Hu Hai’s calf and cried: “Hu Hai, you must have lied to them, right? How could you divorce me if you love me so much? I see, you must be afraid that they will ask you to lick Urinal, that’s why you lied to them to divorce me, right?”

Hu Hai trembled, and fearing that Yang Yinzhu’s words would cause Yu Sheng’s dissatisfaction, he slammed Yang Yinzhu aside and shouted angrily: “You fucking let me go away, I don’t know you. This bitch woman! Even Master Yu has provoke you, you two brothers and sisters are really tired of living!”

Hu Hai is extremely angry, why is this bitch woman so low in IQ?

Fortunately, I didn’t pretend, I really wanted to divorce her, or I would have to lick the urinal today!

Looking at the strange expression on Hu Hai’s face, Yang Yinzhu was desperate to the extreme.

“Bo Li, I am the Yang family’s heir, the Yang family’s heir, and the Yang family’s general manager. You can’t let me lick the urinal!” Yang Jian put on his own identity. He hoped that Li Furen could take so much of his identity into consideration. Rao Live yourself.

After all, licking the urinal is really disgusting.

Yang Furen sneered disdainfully: “What is the Yang family? You dare to say this in front of me?”

Yang Jian’s face turned pale, yes, what is the Yang family?

Although the Yang family also has a market value of more than ten billion yuan, in front of the Bai family, it is completely scum.

Li Furen sneered: "It's okay if you don't lick it, but I immediately asked someone to come over with ten kilograms of concentrated perfume. Your siblings are five kilograms each. You can't leave unless you finish drinking it!"

Five catties of concentrated perfume per person?

Wouldn't it be poisoned after drinking it?

At this moment, even Yang Yinzhu, who was desperately desperate for Hu Hai, trembled and looked at Li Furen with a look of fear.

Yang Jian was even more scared and his liver trembled!

With their understanding of the Bai family, with the strength of the Bai family, when they made a mistake, the Bai family wanted to kill them, really effortless.

Obviously, compared with the nausea of licking the urinal, it is more important to save your life first!

Seeing that the two of them were still unmoved, Li Furen was also a little angry, and yelled: "Damn, give me a violent beating first, and then drag them into the men's bathroom!"

After hearing this, several security guards knocked down brother and sister Yang Jian without saying a word.

At this time, the brother and sister reacted, begging for mercy to lick the urinal.

But whether it was Yu Sheng or Li Furen, they did not speak, and let the security guard teach their brothers and sisters again.

The two brothers and sisters were savagely held by the security guards, and their noses and tears were beaten out, very miserable.

## **Chapter: 527**

Yang Jian, who was in pain all over, was struggling and begging: "Bo Li, how can I say that I am also your member? The member I spent a million to do is also your customer here. It's not that you humiliate me so much. Your hospitality!"

Li Furen's face turned green when he heard it, and he said angrily: "Do you think you are a member here, you can provoke Master Yu wantonly? Do you know how honorable Master Yu is? Even our old grandfather of the Bai family must be respectful. What kind of thing do you dare to offend Master Yu here?"

And your membership money, I will return it to you in a while. From now on, your Yang family has been banned, and no one can come to our Ginza clubhouse. Even if you follow others, you must go out!"

"Come here, drag the two of them into the men's toilet. If you don't lick all the urinals for me today, I won't let them leave!" Li Furen gave an order, and several security guards forced Yang Jianliang. The man was dragged into the men's room.

Yang Jian was going crazy, these guarantees actually dragged them into the toilet.

Moreover, the membership card he spent a million to apply for, Li Furen said that if it is invalidated, it will be invalidated, which is really deceiving!

But now, how dare he fart half!

But let him lick the urinal, he must be unwilling.

Not to mention licking, just smelling the smell of urine is a bit more than enough for him.

Especially Yang Yinzhu, the thought of licking a man's pee caused her heart to collapse.

Just then.

A security guard ran in with a few large bottles and said respectfully: "Uncle Li, the perfume is just ten kilograms."

Li Furen nodded and said, "Well, since their brothers and sisters don't want to lick the urinal, I won't force them. You will break their mouths for me and pour them in with perfume. Can't be less!"

"Yes!"

When several security guards responded, they had to forcibly break the mouths of Yang Jian's brother and sister.

The two of them had just been beaten up. At this time, their whole bodies were sore. They knew that Li Furen was not joking with them, but really dared to pour all these bottles of perfume into their stomachs.

After drinking so much perfume at once, don't think about it, both of them knew that their lives would definitely be lost.

Especially at this time a security guard opened the bottle cap and smelled the pungent perfume. The two did not hesitate, and hurriedly shouted: "Uncle Li, I lick, I lick the urinal!"

There is no way to live, but no one wants to die.

Before, they thought that drinking perfume was just to scare them.

But at this time, seeing that Li Furen was going to be true, how could the two of them not be afraid.

As long as you can survive, eating dung is not a problem!

Everyone knows that although licking the urinal is full of anger, but it will not kill you if you lick it.

Although Yang Jian and Yang Yinzhu have always been arrogant, no one wants to make fun of their lives.

I dare not make jokes about my life.

As long as you can live, you will have nothing to drink.

It's a big deal to rinse your mouth a few times and brush your teeth a few times!

Seeing that the two had chosen to lick the urinal, Li Furen snorted coldly: "Lick me now, I'll lick it all away!"

The toilets on this floor are very large. There are only twenty urinals. Several security guards dragged the two to the side of a urinal, and said coldly, "I'm hesitant to lick them!"

Yang Jian put out his tongue trembling, but he couldn't get his mouth down.

Although the toilet here is still quite clean, it is a urinal after all. Usually the toilet has the effect of fragrance. You can't smell any irritating urine, but when you get close to the urinal, you can still smell a strong odor. Yes, this made Yang Jian almost nauseous, unable to utter his mouth at all.

Li Yinzhu was the same. At this time, she was also dizzy with disgusting head. The smell was so violent that she was so dizzy that she didn't dare to lick it at all.

The two of them didn't see any movement for a long time, and Li Furen shouted coldly: "It's a bit more grind, I will let you lick the toilet!"

The two of them trembled, but Yang Yinzhu was more decisive, stuck out his tongue, closed his eyes and licked it...

## **Chapter: 528**

But just licking it, he held the urinal and couldn't help but retching.

Li Furen said coldly: "If you vomit in the urinal, I will let you lick it clean!"

Yang Yinzhu's mind trembled, enduring nausea, and did not dare to spit it out.

Then, both sisters licked obediently.

After licking a few mouthfuls, Yang Jian couldn't stand it anymore, turned around and knelt in front of

Yu Sheng, begging: "Yu Sheng, my good brother-in-law, I really know that I was wrong, and I will never provoke you anymore. Please please You have a large number of adults, let me go this time!"

"Yes, brother-in-law, we have licked and licked, so please let us go." Yang Yinzhu also said.

"It's all Yang Yinzhu. She wanted to be the deputy general manager, so she designed to frame Yang Zihuan, and then grandma fired Yang Zihuan. Don't worry, after I go back, I will tell my grandma that all this is Yang Yinzhu's idea. I beg grandma to invite Yang Zihuan back to the company and continue to be deputy general manager..."

No, I will be the deputy general manager, I want Yang Zihuan to be the general manager! Good brother-in-law, do you think this will work? "

Yang Jian finally came to his senses, and Yu Zihuan must have vented Yang Zihuan by targeting them like this today.

Otherwise, they didn't offend the rest of their lives, but they didn't care about them for the rest of their lives. Today, the rest of their lives are so reluctant, they must have vented Yang Zihuan!

Yang Yinzhu woke up and hurriedly promised: "Brother-in-law, I will never target Sister Zihuan again in the future. I won't be the deputy manager anymore. I gave her this position and apologized to her. Brother-in-law forgive me this time!"

Li Furen had to look at Yu Sheng.

Yu Sheng hugged his arms with a sneer on his face.

Yes, he insisted on being so pretentious today, mainly because he wanted to vent his anger to Yang Zihuan.

If it's normal, he wouldn't bother to take care of the two, let alone entangled with them for a long time, and let them go.

Yu Sheng glanced at the two of them, pointed to a row of urinals and said, "Let them lick all the ten urinals in this row. There are five for one person. No one suffers. Everyone must get from it. Licking it outside, it won't work if you don't lick it a little bit less."

Everyone was stunned, this is too cruel!

One person licks five urinals...

The urinal here is one meter two high, let alone licking eight, even if you lick one, you will have to kill people...

Yang Jian collapsed immediately, and Yang Yinzhu burst into tears, and hurriedly knelt down to plead with Yu Sheng: "Yu Sheng, good brother-in-law, for the sake of my ignorance as a teenager, you just let me go this time, OK? I really beg you to raise your hand..."

Yu Sheng smiled slightly and said, "I have already raised my hand. If I didn't raise my hand, your Yang family will follow suit. Even if I don't do it myself, many people will be willing to bankrupt the Yang family for me with just one word."

Yang Yinzhu trembled and hurriedly said, "But, five are too many, I really can't stand it, lick one, OK?"

Yu Sheng smiled faintly: "I can't bear it, right, that's okay, I just know a few gangsters, I will call and ask them to take you to the bathing center to accompany a man, so that you can only be a man's plaything for the rest of your life! "

Yang Yinzhu's face changed drastically. She suddenly remembered the scene where the boss of the underground forces, Du Fei, shot someone to death in order to help the rest of her life. She didn't dare to say anything, and nodded hurriedly, "I lick, I lick five!"

Yu Sheng looked at Yang Jian again and sneered: "Where are you?"

Yang Jian also nodded hurriedly and said, "I lick, I lick!"

Yu Sheng said to Li Furen: "Give me a good stare, when will they finish licking, and when will they leave." "Good Master Yu." Li Furen nodded hurriedly and said respectfully.

Then Yu Sheng left the toilet, and he wanted to arrange the Feng Shui here for Bai Yulan, of course he would not keep watching here.

He was indeed venting Yang Zihuan, his goal had been achieved, so he also lost interest.

Hu Hai next to him watched Yang Jian and the two licking the urinal sparingly, and looked at the miserable and desperate faces on their faces, feeling very grateful.

If it weren't for his wit to divorce Yang Yinzhu, then now he is like them, kneeling on the ground and licking the urinal.

## **Chapter: 529**

Yu Sheng didn't take care of the two Yang Jian again, and after speaking, he glanced at the two, then turned upstairs.

After reaching the top floor, he quickly found Magnolia, and then he told Magnolia about the feng shui situation of the Ginza Clubhouse.

Hearing that the feng shui of the entire clubhouse was dull and unremarkable, Magnolia couldn't help but feel a little disappointed.

From the beginning, she felt that the Feng Shui master was average, so she thought of asking the rest of her life to come and see it.

As she expected, it was really ordinary.

For Yu Sheng, Magnolia almost has absolute trust, so the Feng Shui here in Yu Sheng is average, and she immediately believes in Yu Sheng.

So she asked: "Master Yu, I don't know if you have any good ways to improve the Feng Shui here?"

Yu Sheng smiled faintly and said, "It's quite simple, it doesn't take much effort."

After thinking about it, he went on to say: "Let's let someone plant two pine trees in front of the first floor, and plant them at the southeast and northwest corners, showing an angle. Then replace the two stone pillars at the door. To become a stone lion, the stone lion cannot have one male and one female, nor one large and one small. It must be two male lions. The gold foil is pressed under the stone lion. In this way, it can become a pattern of two lions gathering wealth. This pattern of gathering wealth between the two lions can more than double your business here."

Magnolia was overjoyed, nodded repeatedly, and then curiously asked: "Master Yu, is there any idea for these lions to gather wealth?"

Yu Sheng smiled and said: "This is Feng Shui for wealth, with two lions as the mainstay, two welcoming pine trees as a supplement, and a combination of gold leaf and the layout of the entire club. Going up one floor will also make the fortune here continue to last."

Magnolia was slightly surprised in her heart. She actually didn't understand what Yu Sheng said, but she was extremely convinced.

Just like Yu Sheng's medical skills, she is also an absolute letter of trust, and she admires Yu Sheng's ability more and more in her heart. This is a true dragon on earth.

She was a little envious of Yang Zihuan in her heart. Although Yang Zihuan was very beautiful, Yang Zihuan and her should be on the same level in terms of appearance.

But apart from looks, Yang Zihuan has no life experience, no talent, and no business savvy like her.

But Yang Zihuan can find a strange man like Master Yu.

But she met a man who didn't really make her feel tempted.

Master Yu, Yu Sheng, I know you have been pretending to be crazy and stupid, pretending not to know what I want for you, but whether you believe it or not, one day, I will make you willing to be my man! "Thank you, Master Yu, I will let people do it." Magnolia came back to her senses and thanked. Yu Sheng smiled faintly and said, "You are welcome, by the way, you can arrange for someone to reform as soon as possible, and I will go back first." Magnolia nodded and said, "Then you will send you back." Yu Sheng nodded and said, "Okay, send me to the Sakura Club." His car was parked at the Sakura Club. When he came over, he chose to take a white Magnolia car, so Magnolia must have sent him back. When entering the elevator, Yu Sheng said suddenly: "By the way, I am going to the second floor and have a look again. Should you go down there and wait for me first?" Bai Yulan didn't even think about it, and said, "I'll accompany you." Then we entered the elevator, and Magnolia pressed the second floor. After getting out of the elevator soon, seeing Yu Sheng walking towards the men's room with herself, Bai Magnolia's face turned red, and she suddenly wanted to crooked.

### **Chapter: 530**

Master Yu brought me to the men's room, what the hell did he want to do? Bai Yulan suddenly thought that I went to the Beijing bar that day, worried that he would suffer, and then rushed into the men's bathroom. result..... In the end, I saw an extremely shameful scene. What does Master Yu want to do today? Just when Magnolia wanted to join Feifei, Yu Sheng smiled faintly: "I was offended by two eyesless guys before, and then I asked Li Furen to let them lick the urinal here, so I came over to see how they licked. NS." Hearing Yu Sheng's explanation, Bai Yulan felt a bit cold in her heart. Master Yu is really different from ordinary people, even the way he punishes people is so "unique"! The last time he peeed, Zhu Danian, this time, let the person who offended him lick the urinal. What is he usually thinking about? "Master Yu, I find that you are also fun sometimes." Magnolia laughed. "Yes?" Yu Sheng smiled and said, "Do you think my way of punishing people is too light?" Magnolia shook her head and said: "No, I think your way of punishing people is too unique. Of course, only this unique way can make the other party remember deeply, and I will never dare to provoke you again. ."

Yu Sheng smiled faintly: "I hope they can have a little memory, don't have a little brain, always come to provoke me. Do you know? In fact, I have always wanted to live a peaceful life. Helpless people are too good. Some envy, jealousy and hatred who don't have eyes, I don't provoke them, they will come to provoke me, they are born to pull hatred." This wave of forced pretends full marks!

Magnolia smiled in her heart and said: "Yeah, there are always some flies. They don't have any strength, but they can't see that others are better than him. When they see that others are better than him, he gets jealous. This is a sick state. It is necessary to repair them so that they can increase their memory and know who can and cannot be offended."

The two said, they walked into the men's room.

At this time, Yang Jian and Yang Yinzhu were under the supervision of Li Furen and others, desperately licking the urinal.

There is no way, the two have also figured out. Anyway, those who are going to lick the urinal today, instead of being disgusted all the time, it is better to endure the disgust and finish licking it sooner.

At this time, both of them were extremely pale, and the ground next to them was full of filth, which was what they licked and vomited beside them.

Seeing Yu Sheng and Missy coming in, Li Furen hurried forward to greet: "Master Yu, Missy, you are here!"

Yu Sheng nodded, looked at Yang Jian and the two, frowning and said: "I only licked the second one. This speed is too slow."

Li Furen felt a little unbearable and said, "Master Yu, in fact, they are already working hard. They just licked it for a while and then vomited, and the bile was almost vomiting out. This speed is already fast enough."

For the rest of his life, Yang Jian didn't care about whether they vomit or not. He just wanted to punish the two of them, so that they would have a good memory, so as not to provoke him again later.

He snorted coldly and said, "This is too slow. Give them an hour. They can't finish licking. Today I licked the toilet on the third floor as well. When will I finish licking, and when will I let them go back."

"Yes!"

Li Furen's expression changed, and he yelled, "I heard that there is no such thing, and if you grieve again, let you lick the third floor!"

The two of Yang Jian hated Yu Sheng in their hearts. They had worked hard enough, but the urinal was too big, and Yu Sheng also asked to lick all the urinals again. They couldn't be faster anymore.

But now Yu Sheng didn't dare to refute what Yu Sheng said, so they had to gritted their teeth and nodded.
