

Dont mess 551

Chapter: 551

Tokugawa Haruko looked at Yu Sheng jokingly, and said, "Okay, how are you going to gamble?"

Yu Sheng smiled faintly, and said: "As far as I know, you are known as the first beauty war god in Dongying, and your martial arts ranks in the top ten in Dongying, but I am just a little-known person in China.

Well, if you can take my three moves, I will count as a loss, and the purple ginseng in my hand will be given to you. If you can't take my three moves, even if you lose.

Of course, you lose, but you have to pay a certain price.

Dare to bet? "

"You defeated me within three strokes, are you insulting me?" Haruko Tokugawa narrowed her beautiful eyes slightly, and a touch of murderous intent flashed in her eyes.

As the first female god of war in Dongying, the top ten peerless master of Dongying was actually humiliated by a Chinese kid, which she could not accept.

Yes, in her opinion, this is humiliating her for the rest of her life!

Yu Sheng laughed and said, "You can think so. The question is, do you dare to bet with me?"

Although everyone didn't know much about martial arts, they had never eaten pork or watched pigs run.

Yu Sheng said that he would defeat Tokugawa Haruko within three strokes. Everyone felt that Yu Sheng was too arrogant and looked down upon Tokugawa Haruko too much.

After all, Haruko Tokugawa is also one of the top ten masters in Dongying Kingdom. He is also one of the few martial arts masters in China. The rest of his life should be so big, which is undoubtedly a court death.

So people are not optimistic about the rest of their lives at all.

Even Zhu Xiaoshu said with some worry: "Master, Haruko Tokugawa is very strong in martial arts. My grandfather once said that she is the first person under the master of Dongying, and her master is still the strongest of Dongying, Tokugawa, generally Grandmaster is not necessarily her opponent."

Yu Sheng smiled faintly: "That is a general master, and I am not."

Zhu Xiaoshu spit out her tongue, and saw that her master was very confident, and she was not easy to save her face.

After being underestimated by Yu Sheng again, Haruko Tokugawa became a little angry and said, "Okay, I promise you, you can say the bet you want."

"Sister, don't be impulsive!" Takeshi Tokugawa hurriedly persuaded.

He always felt that the rest of his life was not so easy to deal with.

The rest of his life seemed ordinary, but it gave him an unfathomable feeling, and he always had a bad premonition in his heart.

"Brother, I have a sense of measure. Besides, this bastard insults me. It is an insult to our Datoying Budo. Today I must abolish him!" Haruko Tokugawa said with Tokugawa Takeshi in Eastern dialect.

"I always think this guy is a bit weird. He is not an ordinary person. Don't be too impulsive." Takeshi Tokugawa shook his head and said.

"Brother, believe me, I will be able to defeat him, I have already seen that this bastard is indeed a master of martial arts, but it is far from my opponent." Tokugawa Haruko said confidently.

Takeshi Tokugawa fell silent, knowing that if he wanted to get the best purple ginseng today, he had no

choice but to fight with Yu Shengwu.

Finally he nodded and said: "Then you be careful, don't follow his way."

Tokugawa Haruko nodded, then looked at Yu Sheng.

Yu Sheng smiled and said, "How about giving me 10 billion yuan if you lose?"

Ten billion, this kid is afraid of being poor and crazy, so he put forward this kind of bet?

Did he treat Dongying people as a fool?

Tokugawa Haruko smiled sarcastically: "You want to exchange one hundred million for my Tokugawa family's ten billion? The abacus is very good."

Yu Sheng smiled and said, "Well, if I lose, how about I also give you 10 billion?"

Of course Haruko Tokugawa did not believe Yu Sheng's words, nor did he believe that Yu Sheng could get so much money.

But she just wanted to waste the rest of her life and get the best purple ginseng, so she sneered and said, "Okay, that's it."

As soon as her voice fell, everyone looked shocked.

No one thought that Haruko Tokugawa would make this bet with Yu Sheng.

They all believed that the Tokugawa family could get such a big bet.

But for the rest of his life?

He is just the son-in-law of the Yang family, can he get it out?

Chapter: 552

Anyway, there are no people who believe that the rest of their lives can get this money.

Situ Jian hurriedly reminded: "Beauty, he is just a door-to-door son-in-law, who can't get so much money at all. He lied to you."

Tokugawa Haruko looked back at Situ Jian, a touch of disdain appeared in his eyes, and he didn't even mean to return to Situ Jian.

Situ Jian was a little depressed, but Haruko Tokugawa had her pride, even in the land of China, his Situ family could not provoke the Tokugawa family.

"Let's do it." Tokugawa Haruko looked at Yu Sheng and said confidently.

Yu Sheng smiled faintly and said, "Beauty, are you really ready? Then I'm about to start."

"That's a lot of nonsense." Haruko Tokugawa curled his lips in disdain, not paying attention to the rest of his life at all.

For the rest of his life, he didn't care about it. After a smile came out of the corner of his mouth, he gave a soft drink and suddenly moved.

For the rest of his life, Tokugawa Haruko's proud eyes finally showed surprise.

At this time, Yu Sheng was completely an afterimage in her eyes, and she could not see where and where Yu Sheng's deity was.

"Beauty, don't you admit defeat?"

Suddenly, a voice rang in his ears, Haruko Tokugawa was shocked, and his strong sense of crisis made him make a dangerous counterattack immediately.

But the next moment, her movements froze in the air.

I saw Yu Sheng standing beside her, with his left hand clasped around her neck.

Everyone trembled.

Because no one could see how Yu Sheng suddenly appeared next to Tokugawa Haruko and clasped her neck.

Takeshi Tokugawa's face showed an expression that could not be repeated.

He has a hunch that he will not be an ordinary person for the rest of his life.

Unexpectedly, Yu Sheng is so strong!

"You, what are you doing?!" Tokugawa Haruko, who had recovered from shock, asked for a while.

"Hua Xia Qinggong, how is it, not bad."

Yu Sheng smiled, this set of footwork he used was only exchanged with Johnson Pill and Ye Qianxia.

At that time, he was going to chase Qin Daoran, but was stopped by Ye Qianxia. Ye Qianxia dragged him abruptly with this wonderful set of footwork, causing Qin Daoran to escape.

He saw the wonders of this set of footwork at that time, so after meeting Ye Qianxia again, he proposed to use Johnson's Pill in exchange for her.

Finally, Ye Qianxia changed.

Of course, for Ye Qianxia, she recovered her Qi Hai and became a martial artist again without a loss.

And for the rest of his life, that would definitely be a profit.

Because of Johnson's Pill, as long as he can buy crocodile innards, he can refine it infinitely.

"Hmph, there are two more tricks. You let it go. It was just me careless just now. This time, let's see how I break your magic!" Qianchuan Haruko gave a cold snort, of course he wouldn't just give in.

Yu Sheng smiled faintly, and then let go of Tokugawa Haruko.

Then both of them stepped back two meters each.

"Are you ready, I'm here." Yu Sheng laughed playfully.

"That's a lot of nonsense!" Haruko Tokugawa snorted coldly. She hadn't even avoided a move for the rest of her life just now. This took a serious blow to her self-esteem. This time, she must break the sorcery for the rest of her life.

But when Yu came to life, she couldn't find the deity of Yu Sheng again.

"The second trick." When Yu Sheng's voice appeared, he stood beside Tokugawa Haruko again, and his family's posture clasped Tokugawa Haruko's neck.

Haruko Tokugawa was shocked.

This time, she had raised her concentration to the extreme, staring at Yu Sheng unblinkingly, but she still couldn't see Yu Sheng's figure clearly.

She didn't even know when the rest of her life came to her.

This made her very desperate.

"I'm not convinced, don't use black magic if you have one!" Haruko Tokugawa refused.

The rest of his life smiled faintly, let go of Haruko Tokugawa, and said: "Okay, this third trick, I will fulfill you, how do you want to compare?"

"The third trick is that we are open and honest, you attack me normally, I will dodge or fight back!"

Tokugawa Haruko said.

As long as Yu Sheng fights her head-on, she believes that Yu Sheng is not her opponent at all.

She is still very confident in her internal strength.

"Okay, then I will fulfill you, I'm optimistic, I'm going to make a move."

Yu Sheng said that he took a step forward, then pointed his right hand into a palm, and patted it out with a palm.

Chapter: 553

Seeing that Yu Sheng finally competed with her normally, Tokugawa Haruko gave a sneer at the corner of her mouth, then stepped out, pointed her palms, and slapped Yu Sheng's palm.

She was in Dongying, but she was the first person under the grandmaster, and her internal strength was stronger than ordinary grandmasters.

So she had full confidence, slapped Yu Sheng's hand with a palm, and flew Yu Sheng out a few meters away.

But the next moment.

When her palm was about to pat Yu Sheng's palm, her mind suddenly shook violently.

A sense of danger suddenly rose in her mind, and she wanted to withdraw her hands, but it was too late.

I saw a strong palm erupting from Yu Sheng's palm.

This palm strength is strong enough to break her palm.

瞬息!

There was only a crisp sound of broken hand bones and a soft voice from Haruko Tokugawa's throat, and then the whole body flew out with a whirr.

"Haruko!"

Takeshi Tokugawa yelled and hurried to the place where Haruko Tokugawa fell.

It's a pity that he was still a step slower, and Haruko Tokugawa's body rubbed him and flew out, and then fell five meters away with a bang.

"puff!"

Tokugawa Haruko opened her mouth and spit out blood, her face turned pale.

She raised her head to look at Yu Sheng a few meters away, her eyes full of murder and shock.

She is the first person under the master of the sect, and in the entire Dongying, she is also known as the first female god of war.

She has her own pride.

But today, when she came to China, a second-tier city, she was hurt by a little-known kid.

This made her feel turbulent and couldn't calm down at all.

Her pride was shattered by the slap of a young Chinese man.

"Haruko, are you okay?" Tokugawa asked hurriedly, with a look of concern.

Shaking his head, Haruko Tokugawa had any physical injuries. For a warrior of her level, this injury was nothing.

What she could not accept was the scars of her pride being crushed.

This is a fact that she cannot accept.

"Three tricks, you have none of the next, this is your loss." Yu Sheng took a few steps forward and came to Tokugawa Haruko's side.

"I don't have so much money with me, and I can't spend so much money now." Haruko Tokugawa said.

It's not that she wants to shame, but that 10 billion yuan is a big sum for their family, and she is not the master at all.

Whether this money should be given to Yu Sheng, she can't be the master at all.

"Nothing, you can write me an IOU." Yu Sheng said generously.

Takeshi Tokugawa and Haruko Tokugawa looked at Yu Sheng in a daze, and some couldn't believe that Yu Sheng was so easy to talk.

Does he really think he can get this tens of billions from the Tokugawa family?

Of course, for the rest of their lives to be so generous, it is the ending that their brothers and sisters most want to see.

If you write an IOU, you can write an IOU. What they want to do now is to leave here as soon as possible.

Then Takeshi Tokugawa found paper and pen and wrote ten billion IOUs on behalf of his sister Tokugawa Haruko, and then let them go for the rest of his life. Everyone knew that Yu Sheng couldn't get the money at all. But the other party was the Tokugawa family, and they also knew that for the rest of his life, they could only let the family write an IOU, and it was impossible for him to chase the Tokugawa family to ask for the money. Even if it was replaced by them, they would not dare to ask for this money. Seeing that Haruko Tokugawa had lost to Yu Sheng, Situ Jian didn't dare to ask her for the 100 million yuan. He took a peek at Yu Sheng and found that Yu Sheng didn't pay much attention to him, so he sneaked out of the crowd. At this moment, a hand suddenly pressed on his shoulder, and a voice rang like a devil in his slap. "We still don't understand our grievances, how can you just leave." Hearing this sound, Situ's sword trembled so much that he almost flew into the sky.

Chapter: 554

This voice is what Yu Sheng said. Seeing Situ Jian about to slip for the rest of his life, how could he give him a chance? Originally, he had let Situ Sword go before, but Situ Sword was so dying that he wanted Tokugawa Haruko to mutilate him, so he couldn't let Situ Sword take lightly. It just so happened that Situ Jian and him were also business rivals and enemies, so today, he was going to teach Situ Jian an unforgettable lesson, so that he would not dare to yell in front of him in the future. Situ Jian hurriedly turned his head, looked at Yu Sheng, and tremblingly pleaded: "Yu Sheng, Mr. Yu, that was all wrong just now. Haruko Tokugawa has to trouble you, she also deceived me 100 million, and I too There is no way, please let me go..." Yu Sheng nodded and smiled: "Okay, I can let you go. Didn't I let you go in there before?" Having said that, Yu Sheng looked at him and smiled playfully: "However, you should know, if you want me to let you go, what are you going to do, don't I need to teach you again?" Thinking that even the first female war god of Dongying was not the opponent for the rest of her life, she was interrupted by Yusheng, and even wrote a ten billion IOU, Situ Jian finally realized that she wanted to spend the rest of her life. impossible. So he didn't hesitate, knelt on the ground with a puff, and pleaded with tears: "Dad, grandpa, I was wrong, I beg you a lot, son, no, grandson and me as a fart." Yu Sheng was startled and surprised: "Lying on the grass, are you so conscious?" Before he forced Situ Jian to kneel down and call him Grandpa, that also threatened Situ Jian. Situ Jian knelt down and begged for mercy before he had a choice. Now he just spoke, and Situ Jian knelt down so consciously, which surprised him a bit. Situ Jian smiled bitterly: "Grandpa, let's tell you, grandpa is already proficient in business, please let grandpa let grandson go." Yu Sheng smiled, and said: "Okay, since you are so conscious, let's let you go for the time being today." He did want to abolish Situ Jian at first, but he didn't realize that Situ Jian was so spineless and faceless, so he knelt down and begged him for mercy. Situ Jian has done this step, he really can't afford to scrap Situ Jian anymore. With that said, Yu Sheng took Zhu Xiaoshu into the car, and then drove away. Everyone around looked at Situ Jian, mocking and mocking.

This Situ sword is really unseeded!

Is this still the eldest son of the Situ family?

Is this still the chairman of New Goose Media?

This time, I knelt down and called a door-to-door son-in-law to grandpa twice.

It's a damn shame to even the damn executive of the famous Penguin Group and the chairman of the branch company New Goose.

Situ Jian knelt on the ground. He didn't get up until the message of the car for the rest of his life. The hatred in his eyes was overwhelming.

Especially the ridicule around him made him even more embarrassed.

But in order not to be crippled by the rest of his life, he had to endure this frustration.

A big man can bend and stretch. Although this stubbornness is shameful, it is better than being beaten.

And Yang Jian, who was next to him, looked at Yang Chang's leaving for the rest of his life, and his heart became more and more scared.

He looked at Situ Jian, whether he admits it or not, he actually despised the eldest son of the Situ family in his heart.

Although Situ Jian helped them a lot in the Yang family, and their Yang family still owed Situ Jian 100 million, but today's Situ Jian really made him look down.

Chapter: 555

During this period of time, Yang Zihuan's popularity has been on the rise. She has become one of the major anchors on the volcano live broadcast platform.

At the beginning, a tycoon gave her a gift, which caused her crowd to surge like a torrent of water, but now, it has been several days for him to enter her live broadcast room, and there are still many local tyrants starting to give it to her. She brushed the present.

Among them, the most lavish is a local tyrant named Shenzhen Big Young. Every time she brushes gifts, she is also the second largest local tyrant in her live broadcast room, second only to Ya Mu.

However, every time the boss brushed a gift, he just silently gave her a gift and didn't talk to her. Even if she took the initiative to ask for a WeChat account, he didn't give it to her, which made her a little depressed.

And this young man in Shenzhen is not only generous in his shots, but also often chats with him, and this young man in Shenzhen is also really good at chatting, understands women's heart, and is very considerate, which makes Yang Zihuan's affection for him rise again and again.

After the broadcast yesterday, a young man from Shenzhen City asked Yang Zihuan to come out to meet. Yang Zihuan knew that the other party was from Shenzhen City and not from Qiancheng, so he thought the other party was joking with him.

Yang Zihuan was a little flustered to think that the other party was actually in Qiancheng.

She felt that she had traveled from Shenzhen to Qiancheng and gave her five or six hundred thousand gifts. It would definitely not be a simple appointment with her.

She wanted to refuse, but Gao Qing, who was next to her, repeatedly encouraged her to go on a date with each other.

In Gao Qing's view, her daughter has become a big internet celebrity. Of course, it is better to get to know more wealthy people, so that there will be more room for development in the future.

Yang Zihuan thought about it, but was moved by Gao Qing, and then agreed to date a young student in Shenzhen.

This is the first time I meet with fans, she is going to dress more beautifully.

Yang Zihuan tried on clothes in front of the mirror and kept asking Gao Qing.

Gao Qing smiled and said: "Daughter, you dress like this, and tomorrow you will definitely be fascinated by the students in Shenzhen. If the students in Shenzhen are attracted to you, you can try to date him."

"Mom, what are you talking about, I'm just going to meet the fans, you say that, if you let Yu Sheng know, what do you want him to think." Yang Zihuan said.

She really just wants to see the young master of Shenzhen City now, and wants him to often give her gifts in the future.

It can be said that in the live broadcast industry, Yang Zihuan is still a blank piece of white paper. She does not know or understand many unspoken rules in the live broadcast industry.

Those local tyrants who gave her so many gifts must be of no good intentions. How is not an exaggeration to say that, except for the millions that Yu Sheng gave her, the other big guys who can give her more than 100,000 are basically all Have thoughts about her body.

No one's money came in vain. If they didn't want to have something with Yang Zihuan, how could they give her so much money in vain?

Is it because she sings very well?

However, just on this live broadcast platform, Yang Zihuan's singing skills can only be seen in general, but the sound is better.

Others want to listen to the song, and just order the big star's, it sounds much better than hers.

Gao Qing disdainfully said: "I think that Yu Sheng, he made up his mind not to go back to split the family property. In this life, he is destined to be just a driver. On your terms, it is really a disadvantage to live with him for a lifetime.

It just so happens that you are already a big anchor now. Take advantage of this opportunity to get to know more wealthy people. If you meet someone who is right, divorce Yu Sheng's trash. That trash is just a fool. Don't be a fool if you put a huge fortune. .

After leaving him, we should also cut off our thoughts, or every time I see him, I think of him like a fool, my mother feels very unpleasant in her heart. "

Yang Zihuan didn't say anything, and he didn't say anything.

But she actually had a lot of complaints about Yu Sheng in her heart.

If Yu Sheng went back to divide the family property, she wouldn't be able to rely on live broadcast to make ends meet.

Chapter: 556

Dorsett Bar.

This bar is a recently opened entertainment venue. The decoration is very luxurious, but it is said to be magnificent. It has attracted many wealthy children since it opened.

Yang Zihuan parked the car and stood at the door waiting.

Today is the day when she meets the 'Shenzhen Master'. To be honest, Yang Zihuan was very nervous when meeting with fans offline for the first time.

In particular, the other party is still the second biggest man in her live broadcast room, second only to Mu Mu.

But at the same time, she also had some expectations in her heart. Who will the other party be and what will she look like, is she really the young master?

With anticipation in my heart, and then a little nervous, quite contradictory.

Today's Yang Zihuan is very beautifully dressed, with a very gentle long skirt and crystal-like high heels on his feet, standing at the entrance of the bar, instantly becoming the focus.

Generally, the women who enter and exit the bar are either heavy makeup or rouge and vulgar fans. You dare to see this type of beauties. There are still very few women, and many men will turn back frequently.

Gudong.

This kind of superb beauty, even if it just enjoys a night of gentleness, is worthless.

Feeling the eyes of everyone around him, Yang Zihuan's face felt a little uncomfortable.

Although she is already a woman and a mother, she rarely comes to places like bars and is not used to the eyes of men looking at her.

Why isn't that 'Shenzhen Master' still coming?

Yang Zihuan looked around and heard the roar of an engine next to him.

A McLaren sports car came slowly, and when it stopped, a handsome young man got out of the car.

The man is very handsome, with sharp facial features. He is the man who blushes at the sight of a woman. He wears a casual suit and is unspeakably suave.

It is not who Situ Jian is.

"How could it be him? Is it Situ Jian, the young master of Shenzhen City?" Yang Zihuan was a little confused.

After all, she and Situ Jian are acquaintances. When she was the general manager of the Yang family, she had discussed cooperation with Situ Jian. It would be embarrassing to let Situ Jian know that she had become a female anchor.

While Yang Zihuan was thinking wildly, Situ Jian had already walked over and smiled: "Huanhuan, I'm sorry, there is a traffic jam on the road, I am a little late."

"You, are you a young master in Shenzhen?" Yang Zihuan opened his mouth, looking at Situ Jian in disbelief.

Situ Jian teased: "Why, I don't feel like me, or I don't deserve it?"

Yang Zihuan was embarrassed to the extreme, and hurriedly shook his head to explain: "No, President Jian, I didn't mean that, I was just a little surprised, really surprised."

"Haha, the accident is right, I just want to give you a surprise."

Situ Jian laughed, but a cloud of haze flashed in his eyes.

He had known that Yang Zihuan had been expelled from the Yang family, and he also knew that Yang Zihuan was broadcasting live online.

The reason why he kept giving Yang Zihuan gifts was because he wanted to retaliate for the rest of his life.

During this period of time, he was so miserable for the rest of his life that he just kneeled down and called his grandfather two or three times, not to mention that the rest of his life interrupted his legs and let him lie in the hospital bed for a period of time.

But he wanted to find revenge for the rest of his life, but he had no way of doing it.

The high-priced bodyguards were not enough to look at. He spent 100 million to ask Dongying's first female War God to take action. He originally thought that the female War God would shit the rest of her life.

Unexpectedly, the goddess of war was unable to take even one move for the rest of her life, and it was simply a waste.

In the end, he spent a billion yuan in vain.

Then he knew that after Yang Zihuan was live broadcast, he had the main meaning in his heart. He can't beat the rest of his life, and can't beat the rest of his life, so he is ready to take the rest of his wife and wear a super hat for the rest of his life.

Chapter: 557

"Let's go, I have already booked a place." Situ Jian slightly moved towards the bar with Yang Zihuan. Seeing that Situ Jian was still so gracious, Yang Zihuan suddenly felt a little nervous.

She didn't know why she was a little nervous.

Maybe it's because of the handsome and demeanor of Situ Jian?

A handsome man like Situ Jian was still very demeaned. It was the first time she saw him. Walking beside Situ Jian, she couldn't help but look at Situ Jian a few more times.

At the same time, I subconsciously compared him with his husband for the rest of his life.

It's no better than not feeling anything. In this comparison, Yang Zihuan felt that in front of Situ Jian, the rest of his life was really a waste.

Especially thinking that Yu Sheng clearly had a family property in Shangjing, he just didn't go back to divide the property, but generously gave Ruoda's family to his elder brother, Yang Zihuan complained a thousand words about Yu Sheng.

When the two entered the bar, Situ Jian ordered two bottles of top Remy Martin xo. He pouring Yang Zihuan gracefully, then handed it to Yang Zihuan, and said softly: "Come, Huanhuan, make a toast for our understanding. ."

Yang Zihuan was a little nervous, and whispered, "Chief Jian, I don't drink well."

Situ Jian smiled slightly and said, "It's nothing, you can drink as much as you can. I don't persuade you to drink."

Yang Zihuan was moved a little, and said, "Thank you, President Jian."

Situ Jian's demeanor made her feel good.

Although she said she was not drinking well, she still picked up the cup and touched it with Situ Jian, and drank it in one gulp.

After a cup, Situ Jian suddenly took out an exquisite box and smiled: "Huanhuan, I am very happy that you can come out today. Last time I was at the auto show center, I said I would send you a luxury car, but you know Yes, so today I have prepared another gift for you, and I hope you don't refuse."

After speaking, Situ Jian opened the box.

Wow.

At this moment, many girls around, all of them stared wide-eyed!

She could hardly help screaming, her face gleaming with deep envy.

Inside the box is a diamond ring!

The huge diamond exudes a fascinating light, which is the size of a pigeon egg!

With such a big diamond ring, any girl will be crazy about it when she sees it? !

"This....."

Yang Zihuan was dumbfounded when she said, and her heart warmed.

To be honest, she and Yu Sheng have been married for more than five years, not to mention buying a diamond ring, a silver piece of jewelry has never been given to her.

And the Situ Jian in front of him, although it was the second time he had met, how could she not be moved by giving her such an expensive gift.

"This, this is not appropriate, this is too expensive, I'm sorry, President Jian, I really can't take it." After a

few seconds, Yang Zihuan finally calmed down and hurriedly shook his head to refuse.

If Situ Jian gave her another gift, maybe she would accept it. ,

Situ Jian actually gave her a diamond ring!

Although she is getting more and more disappointed with Yu Sheng, she will not betray her until she divorces Yu Sheng.

“Why is it inappropriate? No matter how precious the diamond ring is, but if it is not worn on the finger of my favorite goddess, it will not reflect its value.” Situ Jian said affectionately.

Yang Zihuan’s heart trembled, as if countless deer were hitting in his heart.

Situ Jian’s way of confessing Chi Guoguo made her a little overwhelmed by those who came over.

“Come on, Huanhuan, this kind of diamond ring can only show its brilliance when you wear it on your finger.” Situ Jian said, he pulled Yang Zihuan’s hand, took out the diamond ring, and put it directly on her. On the finger.

Chapter: 558

At this moment, Yang Zihuan suddenly resisted.

But the diamond ring was already on her finger, and she suddenly realized that she was actually a little happy in her heart.

“thanks.”

Yang Zihuan lowered his head and said in a low voice.

At this moment, her heart beats a little faster, and her heart is a little confused.

For a while, I felt sorry for Yu Sheng, and for a while, I felt that Situ Jian was a hundred times better than Yu Sheng.

Gradually, as the badness of the rest of her life continued to appear in her mind, the guilt in her heart disappeared.

“Goddess Huanhuan is polite, just a little gift, don’t take it to heart, come, let’s drink.” Situ Jian smiled slightly, filled Yang Zihuan with another glass, and then raised the glass to clink with Yang Zihuan.

The two had another drink, and Situ Jian looked down at the bar hall.

At this time, in the bar hall, there is a lot of lively music, and many men and women are swinging at random rhythm. Some beautiful girls dressed as “bunny girls” walk around with wine, sitting on the deck next to them. Full of people, looking at the clothes, they all have good status.

The young men and women on the dance floor swayed to their heart’s content.

Situ Jian wanted Yang Zihuan to accompany him to dance on the dance floor. He could also take the opportunity to get closer to Yang Zihuan’s body, and then smiled slightly and said, “Huanhuan, should we go down and dance?”

Yang Zihuan hurriedly shook his head, and said apologetically: “Chief Jian, go and dance, I’m not used to it.”

Situ Jian was a little disappointed, but he didn’t force it. Seeing Yang Zihuan couldn’t go down to dance, he picked up the bottle to pour wine and drank with Yang Zihuan.

After three cups, Yang Zihuan felt a little drunk and wanted to go to the bathroom to wake up.

“President Jian, I’ll go to the bathroom.” As she said, she got up and went to the bathroom.

At this time, Li Kai, who was sitting there and was out drinking and playing, suddenly saw Yang Zihuan.

He was a little surprised and said to himself: “Isn’t that Yang Zihuan? Why is she dating other men?”

“Yang Zihuan, what you are talking about is the one who got married with your good buddy for the rest of my life in our university class?” A beauty next to Li Kai heard Li Kai’s self-talk and said suddenly.

This beauty is also named Yang, Yang Yue, and is also a university classmate of Yu Sheng and Li Kai. Sihai Group bought a novel website some time ago, and then asked Li Kai to be the general manager for the rest of his life, letting him manage the novel website.

Unexpectedly, Yang Yue was the editor-in-chief of that novel website, and the two were college classmates. They happened to be single again, and they soon got together.

Or else, they've made an appointment to drink together again tonight.

"Well, look, it's her." Li Kai pointed to Yang Zihuan who was going to the bathroom and said.

"Is she cheating? That man is not the rest of his life?" Yang Yue looked at Situ Jian and said.

Li Kai didn't tell her the true identity of the rest of his life.

Li Kai didn't speak, but he suddenly became a little angry for Yu Sheng.

His gaze moved away from Yang Zihuan and moved to Situ Jian's body.

At this time, Situ Jian looked at Yang Zihuan's leaving back, and finally showed a sullen smile in his eyes, then took out a bag of white powder from his body and quietly poured it into Yang Zihuan's wine glass.

Seeing this scene, Li Kai's face sank.

Do you dare to administer medicine to your good buddy wife, wanting to die?

"Yueyue, don't move here, I'll go over and take a look." Li Kai said calmly.

Yang Yue frowned and said, "It's someone's private matter. At most, you can just call Yu Sheng and tell Yu Sheng about it. Don't you need to take care of that much?"

Chapter: 559

"If the rest of my life hadn't helped me many times, I couldn't have today, and if he hadn't helped me, I might have died on the street long ago.

Therefore, the rest of my life is my business. Someone who wants to prescribe medicine to his wife is the same as prescribing medicine to my wife. I will never leave it alone!"

Li Kai's tone was firm and decisive.

He has been betrayed by women many times, every time Yu Sheng helped him at a critical moment, and Yu Sheng gave him a future full of hope.

It can be said that Yu Sheng is not only his good buddy, good boss, but also his second-born parents.

In Li Kai's heart, even if he let him die for the rest of his life, he did not hesitate!

Therefore, tonight, no matter what the identity of the other party, he will never let it go.

Seeing Li Kai's expression firm, Yang Yue's mind was slightly startled. It was the first time she saw this kind of friendship between men, which completely exceeded her understanding of men.

Seeing Li Kai's expression firm, she nodded and stopped persuading Li Kai.

Even, for a moment, she suddenly felt that Li Kai was a man and a man!

On the other side, Yang Zihuan went to the bathroom and stepped on high heels back to the deck.

As soon as Yang Zihuan sat down, Situ Jian couldn't wait to pick up the wine glass and smiled:

"Huanhuan, come, it's rare to be so happy today. Let's have another drink at the end."

Yang Zihuan heard that it was the last one, so he nodded and picked up the glass.

She is indeed too strong to drink, if Situ Jian wants to drink all the time, she really can't drink a few cups.

She picked up the wine glass, touched Situ Jian, and was about to drink it in one gulp.

At this critical moment, Li Kai, who rushed over, grabbed Yang Zihuan's wrist.

Wow.

Yang Zihuan didn't have time to react at all, and the wine glass in his hand fell to the ground and broke into pieces in an instant.

“Li, Li Kai?”

Suddenly seeing Li Kai and thinking of the relationship between Li Kai and Yu Sheng, Yang Zihuan suddenly felt a little nervous.

Li Kai is a good buddy of Yu Sheng, but she was drinking with other men behind her back at the bar and was caught by Li Kai. If Li Kai told Yu Sheng about this, would Yu Sheng be very angry?

At this moment, Yang Zihuan suddenly became flustered.

But thinking that Yu Sheng is getting less and less to look forward to, what does she think she is afraid of doing for the rest of her life?

It just so happened that through this incident, to put some pressure on the rest of his life, to make him feel a sense of crisis, and then to go back to divide the remaining family property.

Thinking about this, Yang Zihuan quickly recovered her composure again, frowning her eyebrows lightly, and said displeased: “Li Kai, what are you doing?”

“You can’t drink this wine.” Li Kai let go of Yang Zihuan’s hand and his tone was firm, beyond doubt.

When speaking, his eyes were fixed on Situ Jian.

After so many incidents, Li Kai’s mood has also changed dramatically, and he is no longer as weak as before.

At this moment, even if Situ Jian’s aura is very strong, he is not afraid at all.

Because he knows that behind him is the Sihai Group, and his backer is the omnipotent rest of his life!

At this time, Situ Jian was also looking at Li Kai.

The two faced each other for more than ten seconds, Situ Jian smiled slightly and said, “My buddy, who are you? What do you mean?”

His tone is equally inconclusive, but he can’t see any anger or anger, and the superiors are full of momentum.

Li Kai’s eyes became a little serious.

This little white face is not simple, it feels like it should be the elder brother of the family.

If it is someone else, if someone else breaks the matter of drugging the goddess by himself, he will definitely become irritated, and he will even go mad on the spot.

But this little white face was surprisingly calm, and he was no ordinary person at first glance.

Without a strong background, it is impossible to do so calmly, because this kind of tolerance can’t be pretended.

Chapter: 560

“Who are you again?” Li Kai asked rhetorically.

Situ Jian still smiled, and said lightly: “My name is Situ Jian, the chairman of New Goose Media.”

Chairman of New Goose Media?

Li Kai was shocked. This little white face turned out to be the chairman of New Goose Media. This guy has a very deep background.

Moreover, New Goose Media is backed by the Penguin Group, and is about to compete with the Sihai Group. Could it be that this kid already knows Yu Sheng’s identity, so he deliberately started with Yang Zihuan, and then took the opportunity to defeat Yu Sheng?

A lot of speculation flashed in Li Kai’s mind, and even he himself couldn’t figure it out.

But he still said coldly: “I don’t care who you are. She is my good brother’s wife. You dare to beat my brother’s wife. Believe it or not, I will beat you!”

While speaking, Li Kai forced his composure, and even released a powerful momentum.

There is no way. It's okay when he doesn't know the identity of Situ Jian. After knowing the identity of Situ Jian, he knows that he is too far away from the other party, so he has to force his composure.

"The boss of the dignified New Goose Media, you even drugged a woman. This kind of despicable and shameless method is a bit inconsistent with your identity." Li Kai sneered again.

Situ Jian smiled without saying a word, as calm as before, as if he had never taken medicine at all.

Yang Zihuan, who was next to him, was anxious, and quickly explained: "Li Kai, what nonsense are you talking about, he is my friend, not what you think."

Situ Jian is the eldest son of the Situ family and the chairman of New Goose Media. He is handsome, personable, and very gentleman.

How can such a person prescribe drugs on himself?

In short, Yang Zihuan didn't believe that Situ Jian's status was such a big one, and he would use the despicable method of drugging.

Li Kai was a little anxious, looking at Yang Zihuan and said seriously: "Zihuan, you believe me, he is definitely not a good person."

He said, pointing to the broken cup on the floor and said: "When you just went to the bathroom, I saw with my own eyes that he put medicine in your glass. Don't be fooled by his appearance. There are many people with human faces and animals. I'm gone, come with me, I'll take you back."

After saying this, Li Kai will stretch out his hand to pull Yang Zihuan.

What Li Kai did not expect was that Yang Zihuan was very repulsive and did not leave him at all, but took a step back and avoided his hand.

"Li Kai, thank you for your kindness, I believe Situ Jian is always a good person.

Besides, I'm not a teenage girl anymore. I can see who is a good person and who is a bad person. You don't need to remind you, so go ahead." Yang Zihuan said a little displeased.

Situ Jian is not only noble, but he has also given himself millions of gifts in the live broadcast room.

He just gave him a diamond ring that big, how could he be the kind of villain with a nasty mind?

Yang Zihuan didn't believe Li Kai's words at all, and even resisted Li Kai very much.

Li Kai frowned slightly, feeling a little impatient.

What's wrong with Yang Zihuan?

Does she really like this little white face and want to wear a hat for the rest of her life?

The relationship between herself and her is at least better than her relationship with this Situ Jian, she doesn't believe her words, she wants to believe in a man who has just met?

No, you can't let her be with this Situ Jian today, otherwise something will definitely happen.

Thinking of this, Li Kai suddenly said: "Zi Huan, do you really believe me? If you really don't believe me, I have to call Yu Sheng now and let him handle it by himself."
