

Dont mess 561

Chapter: 561

For the rest of your life?

Hearing these two words, Yang Zihuan suddenly felt a little flustered.

After all, she was dating Situ Jian with Yu Sheng on his back, and also accepted the diamond ring Situ Jian gave her. If this were to let Yu Sheng know, she would definitely doubt it.

It should be said that a man would doubt this kind of thing.

What if Yu is not angry and really divorces himself?

Yang Zihuan's mind was in confusion.

Before knowing Yu Sheng's identity, she really wanted to divorce Yu Sheng many times, and hoped that Yu Sheng would divorce her.

But since she knew that Yu Sheng was a member of the Yu family in Beijing, she didn't think much about divorce.

At least until Yu Sheng went back to get the property, she really didn't want to divorce Yu Sheng.

After all, the Yu family is a big family in Beijing, with assets of hundreds of billions. Even if the rest of his life is only divided into one or two billion, it is also a huge sum of money for her.

"Huanhuan, does this kid make you feel bad?" Seeing Yang Zihuan's face uncertain, Situ Jian asked suddenly.

Yang Zihuan did not speak, but silently nodded.

She thinks Li Kai is really nosy.

Situ Jian smiled slightly and said, "Okay, then I will help you drive away this fly."

After he finished speaking, he clapped his hands, and suddenly the bar security came over.

"Young Master Jian, what is your order?" The security guard came to Situ Jian and asked respectfully. Obviously Situ Jian often comes here for consumption, and is already the object of attention of all the staff here.

"This fly made my goddess very unhappy, interrupted his legs for me and threw it out." Situ Jian said lightly.

Yang Zihuan was a little nervous and unbearable, but she felt very upset with Li Kai when she thought of Li Kai's meddling.

Li Kai frowned. If the security guard here wants to do something, he really can't beat the opponent.

But thinking that if he didn't care about this matter today, Yang Zihuan would definitely suffer.

So he walked up to Yang Zi again, grabbed her hand, and said firmly: "You are the wife of the rest of your life, you must follow me today!"

Yang Zihuan shook his hand away, his face full of irritability: "I have said that Young Master Situ is a good person, why should you be nosy? Besides, who are you? You are my turn. Do you care?"

Yang Zihuan is really angry!

Li Kai was stunned on the spot, Yang Zihuan's words made him wonder what to do.

At this moment, Situ Jian said to the security guard: "What are you doing in a daze, call me!"

The two security guards reacted and rushed up to Li Kai, pulling the swinging stick around their waist and drew up to Li Kai.

"Mom, let me force you, even the woman with Young Sword dared to move, are you looking for death?"

The two security guards scolded and beat Li Kai fiercely.

Li Kai wanted to fight back, but with his bare hands, he was not the opponent of the two at all. He was

quickly beaten on the ground by the two.

Yang Zihuan looked at Li Kai's miserable situation, feeling a little sorry.

But the thought of Li Kai's nosy business made her very irritable, and she turned her head away again, not looking at Li Kai, and not letting Situ Jian stop beating, she just pretended not to see.

Yang Yue, who was next to him, was shocked when he saw this, and hurriedly took out the phone and called Yu Sheng.

But it took her a long time to find out that she had no number left for the rest of her life.

But soon she found Yu Sheng in the WeChat group, and started a voice call with Yu Sheng.

Fortunately more than ten seconds later, the rest of my life was connected.

"Yu Sheng, your wife is dating another man. The man drugged your wife's glass while your wife went to the bathroom. Li Kai couldn't stand it and asked Yang Zihuan to go with him, but Yang Zihuan not only didn't go with him, but also Don't believe that the man drugged him.

Now that man called the security guard is beating Li Kai, come here, Li Kai is going to be killed by them!

"As soon as Yu Sheng connected, Yang Yue hurriedly told Yu Sheng the situation here.

"Which bar?" The restless voice came from his hand.

"Imperial Bar!" Yang Yue said hurriedly.

"Okay, I'll be there in 20 minutes!" Yu Sheng said and hung up the voice call.

Chapter: 562

At this time Yu Sheng was at the Cherry Blossom Festival. He was originally planning to refine the pill, the thousand-year-old purple ginseng, he planned to use half to refine a few longevity pills, and half to refine a few Dapei Yuan Dan.

With his current internal strength cultivation base, only taking Da Pei Yuan Dan will have the effect.

But suddenly receiving a voice call from Yang Yue made Yu Sheng very angry.

He was not angry about Yang Zihuan dating someone else.

He was angry because Yang Zihuan, his good brother Li Kai was beaten again.

After getting in the car, Yu Sheng navigated the Emgrand Bar and passed directly.

On the way, he met a traffic light ahead, and stopped waiting for the red light for the rest of his life. He rolled down the car window and took out a cigarette.

Suddenly, there was a premonition of danger flashing in his heart, and he leaned back subconsciously, and then a bullet passed in front of his eyes, directly through another car window.

For the rest of his life, he didn't have time to think about it. Seeing that there were no pedestrians in front of him, he hit the accelerator and rushed out.

The r8 is just a sports car series, and it accelerates to the extreme in an instant, and it rushes out 100 meters in just over two seconds.

At this time, he saw from the rearview mirror that a Cadillac also ran a red light and chased him up.

For the rest of his life, he knew that he had just shot himself at Cadillac.

At this moment, because he was running a red light, several vehicles suddenly came in front of him.

There was no way, Yu Sheng had to brake hurriedly to slow down, and thrilled to avoid at least four car accidents, and then parked the car on the side of the road.

However, although he avoided, the performance of other vehicles was not as good as his, and the skills of other drivers may not be as good as his. It was all because of his speeding and running red lights that caused several crashes.

For the rest of his life, he couldn't take care of that much. When the car stopped, he quickly got out of

the car, and then hid behind the car to observe the movement of Cadillac.

At this time, Cadillac collided with a car, and a big man and a middle-aged man jumped out of the car. The big man did not attract Yu Sheng's attention, but the middle-aged Na Xie immediately attracted Yu Sheng's attention.

The middle-aged man wore a Tang suit. After getting out of the car, his eyes turned to Yu Sheng's direction.

His eyes are piercing and sharp, and his eyes are as sharp as electricity. At first glance, he is a master-level powerhouse.

"A master-level powerhouse? Is it from the Tokugawa family?"

Yu Sheng's eyes narrowed slightly, and it seems that he was only offended by the Tokugawa family recently.

The Tokugawa family called the wind and the rain in the Eastern Kingdom, and their status is prominent. The family is even more powerful. The last time they defeated Tokugawa Haruko for the rest of their lives, they made her sign a tens of billions of IOUs. Tokugawa Haruko will inevitably get angry. , They asked the strong man in their family to retaliate against him.

But at that time, he was considered to be a face to Tokugawa Haruko, Tokugawa Haruko wanted to kill him, which made him suddenly flashed a murderous intent.

He is the kind of person who doesn't do things easily, but Tokugawa will want his life, and he will never compromise. He must split up with the Tokugawa family.

"Boy, come out."

At this moment, the middle-aged man came to Yusheng's car ten meters away and said aloud.

His spectrum call is not very standard, he has a wide-ranging Chaoshan accent.

Chaoshan has many martial arts experts. It is said that Bruce Lee's ancestral home is also Chaoshan, as well as the master of Wing Chun, Ye Wen, and Fang Shiyu during the Qing Dynasty. Since ancient times, Chaoshan has been one of the martial arts holy places.

This middle-aged man should also be a strong man from Chaoshan.

It's just that he is not from the Tokugawa family?

When Yu Sheng saw the other person coming, he also walked out from the back of the car, stepped forward a few meters, and stood face to face in front of the middle-aged man.

Even a sneak attack can't kill him, and in a head-on confrontation, he is not afraid at all.

"Dignified Chinese, but you are selling your life to Dongying people. Is your purpose of learning martial arts, is to treat yourself as a dog?" Yu Sheng laughed when he glanced at the other party.

He is not actually a person who likes Pipi.

But he found that the opponent's strength was not below him at all, and sometimes verbal warfare was also a kind of heart attack.

And it's the easiest and easiest way.

"What? You said that I would sell my life to the Dongying people?" The middle-aged man was slightly startled, looking at Yu Sheng with some inconceivability.

"Isn't it?" Yu Sheng looked at the middle-aged man with disdain, his eyes full of irony.

Chapter: 563

Faced with Yu Sheng's ridicule, the middle-aged man smiled and said: "I only admire one person in the entire Eastern World of Martial Arts, and that is Tokugawa, because he is the first strongest in Eastern World, and even the supreme power above the master.

But he wants my dignified Chinese people to sell his life, he is not worthy! ”

For the rest of his life, his eyebrows raised. This guy is not from the Tokugawa family, could it be...

The killer of the goddamn organization?

For the rest of his life, his pupils shrank slightly and his eyes narrowed.

He knew that the Li family would not let him go, and sooner or later he would invite the strong from the godslayer organization to kill him.

Even if the old man Bai had told the Li family before, there is still an old man in the Li family. I heard that the old man is in retreat, just to break above the grandmaster. Once he breaks above the grandmaster, then the Bai family will be killed by him. Overwhelmed.

It seems that either Grandpa Li has broken through, or the Li family believes that he can break through, so they don't take Grandpa Bai's warning seriously.

“Are you the killer of the goddamn organization?” Yu Sheng asked lightly.

The middle-aged man smiled faintly, and said, “Yes, it seems you still have some eyesight.”

“As a killer, your first assassination has failed. Not only did you not run away, but you dared to kill me openly. I have to say, you are very confident.” Yu Sheng sarcastically said.

“You said that it was a general kill, and I, not a general killer, before my opponent shot, I want to see if you are worthy of letting me shot, if you can't even avoid bullets, then you are not worthy of letting me shot. I don't have to expose my whereabouts.” The middle-aged killer smiled faintly.

Yu Sheng also had to nod secretly in his heart. The other party's words were indeed reasonable. If he couldn't even avoid bullets, he wouldn't have to make a move.

He looked at the middle-aged man and said, “I can kill even a grandmaster, and you are just a grandmaster. Are you confident that you can kill me?”

The middle-aged man still looked calm and said: “I am different from ordinary grandmasters. I can also kill ordinary grandmasters.

By the way, don't forget, I dare to kill you. Of course, I dare to kill you only after mastering your strength. This is the rule of our god kill organization.

Also, if you want to delay time, you are already scared, right? ”

“Am I scared?”

Yu Sheng smiled, no longer talked, but a flash of figure, he immediately rushed to the other party first.

He felt a terrifying breath from the opponent, but he was still not afraid.

Even if the opponent's strength is indeed stronger than him, but what he cultivates is the ancient Qishu Nine Profound Heavenly Scriptures, and he has also learned a set of magical exercises for lightening his body. The general master is not his opponent at all.

Even if it is a rare old master, it is not necessarily his opponent.

Therefore, after knowing that the other party is not a strong person above the master, he already knew it in his heart.

Both of them are worthy of being masters and masters. Once they handed over, they immediately felt like watching a blockbuster martial arts movie.

The car owners who had been attracted by the car accident suddenly saw Yu Sheng and the middle-aged Yi Xie fighting on the road, and they were immediately drawn to their eyes.

I saw that both of them punched very quickly and very powerfully. What shocked everyone was that Yu Sheng suddenly punched the middle-aged man, and the middle-aged man was short to avoid it, and Yu Sheng's punch suddenly Hit a car next to him.

boom!

The car flew at the sound, and was blasted into flight by Yu Sheng's punch.

Then it fell five meters away and smashed into a smash.

Fortunately, the owner of that car got out of the car to see the accident before, or he would be seriously injured if he didn't die.

When everyone saw this scene, although they wanted to see the heat, they all retreated.

Because the two are too scary.

At this time, a sirens sounded, and several police cars drove over.

Chapter: 564

After the police got out of the car, they saw two people fighting. Every punch and every kick seemed to contain supreme power. The scene was even more messy, and all of them were a little dumbfounded.

"Stop it, stop it all!"

A police officer stepped forward, trying to drink to stop both sides.

boom!

But at this moment, the middle-aged man's punch to Yu Sheng was evaded by Yu Sheng, while a Hummer next to him was blasted into flight.

The Hummer crossed an altitude of more than three meters, fell five meters away, fell to the ground, and the front wheels fell directly.

Looking at the Hummer's body again, the side body was directly hit by a punch and fell off.

The police officer trembled, covering his mouth and dared not make a sound.

This is really two monsters!

There are so many cars that can't move, and the owner has to get out of the car quickly and hide away from the side, afraid of being innocent.

Countless people even took out their mobile phones to take pictures, preparing to post to Moments.

This fight is not a video. There is no post-cutting and no post-production special effects. This is a real duel between two martial arts masters.

Huaxia Wushu has always been one of the essence of Huaxia Wenjing. Although there are very few people who know martial arts, basically 90% of the people know the existence of Huaxia Wushu.

But citizens can basically only see the so-called martial arts in TV and movies.

Today even had the opportunity to witness the contest between the two martial arts masters, and everyone seemed a little excited.

"It turns out that his martial arts is higher than I thought!"

Captain Xia Feixue stared at Yu Sheng in a daze, her eyes full of heat.

She has also dealt with Yu Sheng many times. For a long time, she felt that Yu Sheng was an ordinary martial artist, the kind of martial arts that was slightly higher than her.

But now when she saw Yu Sheng take a shot, she realized that it wasn't that Yu Sheng was not eye-catching before, but that the opponents he encountered were too weak.

boom!

Another car was hit by Yu Sheng and was swept into the air.

This car is a kind of scooter of tens of thousands of dollars. The quality is a bit poor. When it fell on the ground, it fell apart.

The owner of the car who was far away was both distressed and shocked when he saw this.

Xia Feixue saw that the two of them were fighting more and more fiercely, and the air around them felt as if they were being torn apart by their fists and feet. Her expression changed slightly. The intensity of

their martial arts completely exceeded her knowledge of martial arts.

In her cognition, she feels that martial arts is the function of fitness defense, and fights are just three or five people.

The strongest martial arts should be in the hands of the military, which is used to train special forces or spies.

But at this time, her knowledge of martial arts suddenly collapsed.

No matter how powerful those special forces are, even if they can avoid bullets, it is impossible to fly a car with one punch and a car with one kick, right?

The strength that Yu Sheng and middle-aged people showed was so strong that she was sure that every punch and every punch was more than a thousand catties.

This is simply not the power that the physical body can emit.

This is completely beyond the scope of science!

Suddenly, I saw the middle-aged man hit Yu Sheng's chest with a punch, and everyone was shocked.

With the naked eye, I could see that Yu Sheng's chest was directly sunken in by the punch...

But then, Yu Sheng's full-strength punch hit the middle-aged man's face unbiasedly, directly smashing the middle-aged man's jaw.

For the rest of his life, he flew upside down, and the middle-aged man also flew out. Both of them fell to the ground one after another, and a small hole was smashed into the asphalt road.

"Yu Sheng..." Xia Feixue exclaimed in her heart, and was about to go up and examine Yu Sheng's injury.

For the rest of her life, her breastbone was smashed and sunken in. In her opinion, not only was the breastbone broken, but the heart was probably shattered.

But just as she was about to pass, she saw the rest of her life lying on the ground hurriedly took out a few pills from her arms and swallowed them, and cross-legged exercises to heal the injury in time, but the corners of his mouth still couldn't stop the bleeding of blood.

Everyone trembled when they saw this scene. Originally, they thought that these two martial arts masters were just competing, but they didn't expect it to be a real game.

On the other hand, the middle-aged man had a dislocated jaw, and his entire face was completely deformed, making it very hideous.

But he didn't care about the sharp pain on his face, but quickly got up from the ground, reached out his hand to lift a car next to him, and walked towards Yu Sheng.

Thinking of the middle-aged man's next step, everyone's eyes widened.

Chapter: 565

Seeing the middle-aged man actually lifted a car and walked towards Yu Sheng, everyone's eyes widened.

How strong is this hand?

Is this the legendary Hercules?

Or the Hulk in a science fiction movie?

"carefully!"

Xia Feixue couldn't help but shouted when seeing the middle-aged man throwing the car in his hand at Yu Sheng like a toy car.

However, Yu Sheng still closed his eyes and adjusted his breath.

boom!

The place where Yu Sheng was sitting was suddenly smashed out of a big hole, the car fell apart and the

dust was flying.

Everyone reached out their hands and covered their mouths, their minds trembled to the extreme.

Was that person smashed into flesh? !

Xia Feixue suddenly felt a sharp pain in her heart. She wanted to run up to check Yu Sheng's situation, but when she saw that the middle-aged man was walking towards the place where Yu Sheng was sitting, she stopped again.

The middle-aged person was too scary, and she did not dare to provoke him.

Although she is a policeman, she does not dare to provoke him easily when encountering terrorists like middle-aged people.

"I know you are still dead, but if I hit this one, you won't die, and there is no difference between being dead."

The middle-aged man came to the car that had fallen apart and began to open the fragments of the car one by one.

Suddenly, the middle-aged man's mind trembled, and without hesitation, he flashed to the side.

But he was still a beat slower, and saw a figure behind a car, like a flying fairy from the sky, rushing towards the middle-aged man.

The speed is so fast that everyone can only see that it is a figure, but they can't see the long portrait of the other party at all.

boom!

Hearing a loud bang, the wrench in the silhouette slammed on the middle-aged's head.

The middle-aged man broke the blood, and the wrench in the figure's hand was directly bent.

The brain of a middle-aged person was severely hit, and the whole person was dizzy and unsteady, but the figure took the opportunity to hit the middle-aged man's head with a wrench, and the sound of the popping sound made everyone heard. The hair is creepy.

It was at this time that everyone finally saw the appearance of the figure clearly.

Isn't it the rest of your life that was hit by a middle-aged man in a car? !

OMG!

How did he do that?

I obviously saw him hit by a car!

In fact, the rest of his life was never hit by a car.

Just when the car was about to hit his head, he suddenly used the magical footwork he got from Ye Qianxia.

That magical footwork is actually a light gong from the ancient times, learned deep, unpredictable, and difficult to distinguish between ghosts and ghosts.

From the beginning, Yu Sheng knew that the other party was not under him at all, and even stronger than him.

So he fought the middle-aged man for a long time, and even his sternum was broken, which even hurt his lungs.

But he still didn't use the soft voice technique.

It is to leave a trick to give the middle-aged a fatal blow at the critical moment.

Especially after fighting against a middle-aged man, he found that he wanted to kill the opponent, it was too difficult, only lose both sides, paralyze the opponent, take advantage of it, perform thaumaturgy, and kill him with one move!

This is also the reason why he was willing to lose both sides with the middle-aged before the rest of his

life and did not practice light exercises.

At this time, Yu Sheng directly knocked the middle-aged man out, but he didn't let him go, but before the middle-aged man fell, another wrench hit the opponent's sea of qi, directly smashing the middle-aged man, and wasted. The opponent's martial arts.

Although the middle-aged man was in a coma, he was suddenly awakened by the pain of being broken by the sea of qi.

Then he fell to the ground with a bang, looked at Yu Sheng in disbelief, and asked helplessly, "You, how did you do it?"

Chapter: 566

Yu Sheng glanced at the middle-aged man, then smiled at Xia Feixue who came over, and said, "Sorry, I caused you trouble."

He actually didn't want to be so high-profile, but being forced to take action here today by a killer, he knew that it would be difficult for him to keep a low profile after today.

Xia Feixue shook her head and asked concerned: "You are so badly injured, I will take you to the hospital first."

Yu Sheng was a little moved in his heart and shook his head and said, "I have nothing to do. By the way, all the vehicles lost here today are counted on me. You can count them and let them go to the cherry blossom meeting tomorrow to find me. I will pay them all. , By the way, I have something to do, so I will leave first."

As he said, he walked to his car.

Everyone was very excited when they heard Yu Sheng's words. Many of them were old and broken cars that had been driven for five or six years, but Yu Sheng had to pay them in full. This is the rhythm of buying them a new car again!

Today not only saw the legendary martial arts, but also got a new car. The car owners whose cars were crashed were suddenly excited.

Seeing that Yu Sheng didn't look like something major happened, Xia Feixue was surprised and didn't know what to say.

This is totally a monster!

She had clearly seen his breastbone broken before!

"By the way, this guy is from the god killer organization, he is a killer, his martial arts was abolished by me, and now he is a useless man, you can bring it back to investigate." Yu Sheng walked to his car and said back.

After speaking, he got in the car and drove away.

...

At this time, the Dorsett Bar.

Li Kai was interrupted by the security guard, lying on the floor in pain.

Yang Yue was about to take him to the hospital, but was stopped by Situ Jian, and Situ Jian even asked the security to take Li Kai and Yang Yue's mobile phones.

Yang Zihuan looked at the two college students, feeling a little unbearable.

But thinking that Li Kai had been nosy just now, the sympathy and intolerance in her heart disappeared again.

Li Kai knew that Yang Zihuan was Yu Sheng's wife, so he blamed Yang Zihuan too much, but his feet were interrupted, it was too painful, so he had to lie in Yang Yue's arms, endure the severe pain, and wait for

the rest of his life to rush over. .

Yang Yue looked at Yang Zihuan with anger in his eyes.

If possible, she would like to slap Yang Zihuan directly!

Yang Zihuan was so heartless.

Li Kai is obviously for her good. Not only does she not know good people, she is also so ruthless and unjust, she is simply not a human being!

Situ Jian asked her to drink and chat together again. After chatting for a while, Situ Jian suddenly pointed to Yang Yue and Li Kai and asked, "Zi Huan, are they two classmates of your university?"

Yang Zihuan heard the words, looked back at the two people on the ground next to him, and nodded.

But when she turned around, Situ Jian quickly took out a white pill and put it in Yang Zihuan's cup.

At this moment, Yang Yue happened to see Situ Jian's use, but a flash of resentment flashed from the corner of her eyes, and there was no reminder to Yang Zihuan.

But Situ Jian smiled at Yang Yue, not afraid that she would tell Yang Zihuan again.

Because he believed it, even if Yang Yue said it, Yang Zihuan couldn't believe it.

As long as Yang Zihuan drinks this cup, he will lose consciousness in minutes.

"Well, since they are your classmates, then I will let them go today. Come to Zihuan, it's not too early.

Let's scatter the last toast." Situ Jian said suddenly.

Yang Zihuan nodded, she was a little too drunk, and she would be drunk again.

He picked up the cup and touched Situ Jian, and then drank it in one gulp.

Seeing Yang Zihuan drank all the wine, Situ Jian put down the wine glass and looked at Yang Zihuan with a smile on his face.

And Yang Zihuan, who drank the last glass of wine, was a little surprised to see Situ Jian's smile.

But at this moment, she suddenly found that her head was a little dizzy, and she felt that her whole consciousness was a little blurred.

"How does it feel to be drugged if you don't know what is good?"

At this moment, Yang Yue saw that Yang Zihuan was strange and laughed mercilessly.

Chapter: 567

Yang Zihuan trembled, and then realized that at this moment he still felt a sense of powerlessness all over his body, and immediately knew that he must have been drugged.

"Zi Huan, what's the matter with you? Are you drunk? Or should I help you to rest?" Situ Jian reached out and grabbed Yang Zihuan's hand, and asked with a look of concern'.

"Go away!"

At this time, Yang Zihuan only felt that Situ Jian was quite disgusting. She believed in Situ Jian so much and didn't even think that Situ Jian would even give her medicine. It was simply disgusting.

She looked back at Yang Yue and Li Kai, and suddenly felt regretful in her heart.

If she had listened to Li Kai before, she wouldn't be drugged again!

It's a pity that there are no regrets about selling medicines in this world.

"Yang Zihuan, give you a face, right?"

When Yang Zihuan asked him to get out of the way, Situ Jian suddenly became stubborn. Anyway, he shaved his face. He was not afraid of Yang Zihuan, and said coldly: "I have given you nearly a million gifts during this period. Did you pick up the money? I have so many gifts that I want you to sleep with me.

This is also an unspoken rule in the live broadcast world. You fucking don't even understand here. Are you embarrassed to ask for gifts in the live broadcast room?"

Yang Zihuan trembled, and Situ Jian's words immediately made her speechless. She actually knows these unspoken rules in the live broadcast world. It's just that Qian Mu only gave her gifts, and she didn't even want her WeChat account. She always thought these big guys were well-measured people, and people gave her gifts. , Are all because of her ability to sing.

But today, Situ Jian's words made her feel like an electric shock, and she couldn't say a word for a long time.

"Yang Zihuan, I will put what I said today. If you stay with me for a night, I will give you a gift of 10 million tomorrow. If you dare to resist, I will not only sleep with you, but also have no hair. Give you one point!" Situ Jian coldly snorted again.

Yang Zihuan was so frightened that he had to look at Yang Yue and Li Kai on the ground next to him for help: "Yang Yue, please call Yu Sheng and let her save me!"

Just as Li Kai was about to say something, Yang Yue covered his mouth to prevent him from speaking, and then she looked at Yang Zihuan and said coldly: "Yang Zihuan, your mother is just trying to bind yourself. Li Kai reminded you that Situ Jian is not a good person. , He drugged you. Not only did you not know good people, you also let Situ Jian let Li Kai's legs be interrupted. Your present situation is the retribution given to you by God. I think you are waiting for you to be After Situ Jian is ruined, will he want you for the rest of his life!"

At this time, Yang Yue couldn't express his gloat.

Yang Zihuan was miserable, with a look of despair on his face.

Yes, all of this is self-blaming!

If I didn't believe in Li Kai, how could I be drugged by Situ Jian again?

"Li Kai, you and Yu Sheng are good brothers, do you really want to see me being ruined by Situ Jian?"

Yang Zihuan was unwilling to say, looking at Li Kai.

Yang Yue was even more angry.

At this time, Yang Zihuan still didn't know how to repent, and he still had to play an emotional card with Li Kai, and he didn't realize his mistakes. It was too damning, she deserved to be drugged!

Angrily, she covered Li Kai's mouth and prevented Li Kai from talking to Yang Zihuan.

Situ Jian listened to the conversation between the two, with a smug smile in his eyes, then stretched out his hand to support Yang Zihuan's waist, and helped her into his arms.

"Let's go, let's go to the private room to be happy and happy. To be honest, although you are no longer the original disaster, but I've grown up and didn't have a punctual woman like you, let me taste you tonight. This goddess-level beauty, haha." Situ Jian smiled triumphantly, and helped Yang Zihuan to go to the private room on the third floor.

"You let me go, you go away!" Yang Zihuan was desperate to the extreme.

If she was ruined by Situ Jian tonight, she knew that her reputation would be completely gone.

And Yu Sheng will divorce her, right?

Just when Yang Zihuan was desperate, a figure suddenly came to Situ Jian's body.

Situ Jian saw the visitor clearly, his heart trembled fiercely, and subconsciously let go of Yang Zihuan.

Yang Zihuan's body collapsed instantly.

Chapter: 568

The person here is the rest of his life.

When Yang Zihuan saw Yu Sheng suddenly, he cried with joy.

At this moment, she was like a drowning man who suddenly grabbed a life-saving straw, her desperate

mood was instantly full of hope.

But when she was even more desperate, watching her fall to the ground, not only did she not ask for the rest of her life, but she didn't even glance at her.

This made Yang Zihuan very uncomfortable.

At this time, Yu Sheng was looking at Situ Si with a cold face, with no other feelings in his eyes except indifference.

"Kneel." Finally, Yu Sheng said indifferently.

Situ Jian looked at the coldness in Yu Sheng's eyes and trembled fiercely. He had no doubt that Yu Sheng would easily let him go tonight.

boom!

Situ Jian didn't even think about it, so he knelt before Yu Sheng.

"Dad, no, grandpa, I'm sorry, I... I just want to buy your wife a drink..." Situ Jian wanted to avenge the rest of his life. But when he saw Yu Sheng, she herself was afraid to die.

After being humiliated several times by Yu Sheng, he was both angry and scared in his heart.

Quite contradictory.

Seeing Situ Jian in front of Yu Sheng, he was afraid that he was like a grandson.

Not only Yang Zihuan and others were dumbfounded, but even the security guards who ran up to help were dumbfounded.

"boom!"

Without saying anything, Yu Sheng lifted the wine bottle on the table and slammed it on the top of Situ Jian's head.

Situ Jian snorted, and the top of his head was smashed into blossom, blood gurgling down, blood stains all over his face, abnormally hideous.

"Yu, Brother Yu, I was wrong..." After being smashed into a bottle, Situ Jian thought that Yu's anger should disappear, and hurriedly begged for mercy.

"Do you know where you went wrong?" Yu Sheng asked coldly.

"I, I shouldn't give your wife medicine, I'm sorry, I'm covered with lard, and I won't dare anymore!" Situ Jian said with a trembling voice.

Yu Sheng looked at Situ Jian indifferently, with a cruel look at the corner of his mouth, and said, "No, you broke my brother's legs by mistake."

As he said, he kicked Situ Jian to the ground, and then stepped on his right ankle.

"哐!"

Situ Jian's right ankle was directly crushed and fractured by Yu Sheng's foot.

Situ Jian screamed, and the sharp pain in his heart made him consciously conscious, and he almost fainted in pain.

Li Kai's heart warmed. No matter what his identity, Yu Sheng still regarded him as a brother. Even if his legs were broken for Yang Zihuan's affairs today, he felt that he was worth it at this moment.

But when Yang Zihuan heard Yu Sheng's words, she felt a little sad in her heart.

She thought that Yu Sheng was so angry, it should be because Situ Jian drugged her and wanted to make her idea.

Unexpectedly, in Yu Sheng's heart, she was not as good as Li Kai.

She felt a little angry, but she suddenly felt a little guilty about thinking about dating Situ Jian with the rest of her life on her back.

"You like to have broken hands and feet so much, then I will let your feet be completely abolished."

Yu Sheng said indifferently, and stepped on the other foot of Situ Jian.
Once again, Situ Jian's other ankle was directly broken!
This time, Situ Jian passed out in pain.
This time, Yu Sheng was very ruthless, and Situ Jian's feet would never be cured in this life.
Even if Zhu Qingshan took the shot, it was impossible to cure him from the foot.
At this time, Yu Sheng walked over and took out a pill and fed it into Yang Zihuan's mouth.
Soon, the medicinal properties in Yang Zihuan's body were solved.
Yang Zihuan stood beside Yu Sheng, and said with some fear: "I, he gave me a million gifts in my live broadcast room before, and then asked me out to meet him. I didn't know he actually..."
"You disappointed me too much." Yu Sheng gave Yang Zihuan an indifferent look, and then walked towards Li Kai.
Yang Zihuan caught up and explained: "Yu Sheng, I really didn't mean to date him on purpose. I...I won't be able to do it next time."
"Do you know what your biggest mistake is today?" Yu Sheng asked coldly.
"I, I shouldn't have come out..." Yang Zihuan said weakly.
"Get out of here!" Yu Sheng suddenly shouted angrily.

Chapter: 569

The rest of my life was really disappointed.
So far, Yang Zihuan still hasn't realized her mistake.
Although Yang Zihuan and Situ Jian were a little angry when he was dating, he was even more angry that Li Kai was interrupted by Situ Jian because of her, and instead of sending Li Kai to the hospital, she sat down to accompany Situ Jian with peace of mind. drink wine.
Even Li Kai was not allowed to go to the hospital for treatment.
"Do you know that his leg has been interrupted now? It's been so long. If you don't send him to the hospital, you can still sit here and drink with Situ Jian with peace of mind? Don't even let Yang Yue send Li Kai to the hospital?"
Yu Sheng shouted at Yang Zihuan.
Yes, he yelled out this sentence.
He was already angry to the extreme!
There has never been a time when I was so disappointed with Yang Zihuan!
Yang Zihuan was dumbfounded at being yelled at by Yu Sheng in public.
She was quite wronged in her heart. It was the first time in her life that she had such a big temper at her. Her temper suddenly rose, and she said angrily: "Who made him nosy? Who is he?"
"Snapped!"
For the rest of his life, he couldn't help it anymore, too much hands just slapped Yang Zihuan's face.
He didn't expect Yang Zihuan to say such shameless words at this time.
boom!
Yang Zihuan was staggered by Yu Sheng, and he was dumbfounded!
She had never imagined that the rest of her life would dare to beat her!
"For the rest of my life, you are fine, we are divorced!" Yang Zihuan shouted angrily.
"Okay, after you sort out the divorce agreement, come to me anytime!" Yu Sheng gave Yang Zihuan a cold look, then turned and picked Li Kai and walked outside.
Yang Zihuan looked at Yu Sheng's back blankly, and then cried out with a wow.

“Brother Sheng, don’t make such a big fire. This is mainly because Situ Jian is too insidious, and my sister-in-law doesn’t know that Situ Jian is so insidious.” Li Kai persuaded.

He didn’t speak for the rest of his life, but everyone knew he was very angry.

This time, Yu Sheng had already prepared for divorce in his heart.

He had never wanted to divorce Yang Zihuan a few times before, mainly because of his son.

But Yang Zihuan became more and more excessive, and he no longer wanted to bear it anymore.

The big deal is that he will find a woman who can raise Xiaoshui as her own from the heart and give Xiaoshui a stepmother all over the world!

Anyway, he was really fed up with Yang Zihuan.

He can tolerate Yang Zihuan’s greed for money, as well as her cowardice and ignorance.

But he can’t stand it, Yang Zihuan has always regarded him as a fool!

“Don’t speak for her, she is a fool, who can’t tell who is good or bad.” Yu Sheng said coldly.

“Ugh.”

Li Kai sighed. Although he was very angry with Yang Zihuan in his heart, she was his brother’s wife, so he chose to forgive Yang Zihuan.

Therefore, he still didn’t want to see Yu Sheng and Yang Zihuan divorced because of this incident.

But he also knew that at this time, whether it was Yang Zihuan or Yu Sheng, he was still in anger, and he didn’t say much.

Holding Li Kai in the car, Yang Yue saw that Yu Sheng was driving an r8, and she couldn’t help but have countless questions in her heart.

In her impression, Yu Sheng was just the son-in-law of the Yang family, and Yang Zihuan seemed to have been expelled from the family by the Yang family, so how could Yu Sheng be able to drive such an expensive car?

This is a two million-class luxury car.

But the atmosphere was a bit bad at this time, and she didn’t even ask the doubts in her heart.

Yu Sheng didn’t send Li Kai to the hospital, but sent him to Zhu Qingshan’s hospital.

It is estimated that Li Kai’s fracture will not heal in a month if he is treated in the hospital.

But here in Zhuqingshan, you can walk on the ground in at most a week.

Chapter: 570

When Situ Jian woke up the next day, he found himself lying in a hospital bed, so he sent him to Zhu Qingshan’s medical clinic.

He still believed Zhu Qingshan to treat a broken leg.

The last time he was interrupted by Yu Sheng, Zhu Qingshan cured him, and it only took a week.

If it were in the hospital, it would not be better in one or two months.

After Zhu Qingshan changed Li Kai’s medicine, he walked out of the inner ward, just in time to see Situ Jian being carried in by several big men.

Zhu Qingshan was startled, and hurriedly asked, “Xiaojian, what’s the matter with you? It was only a few days after the leg was broken the last time, but now he was broken again?”

Situ Jian said with a bitter face: “It’s a long story, oh, let’s not mention those, Uncle Zhu, the doctor said that this time my ankle bones are irreversible comminuted fractures, you must help me heal it!”

Zhu Qingshan hurriedly said: “Don’t worry, lie down and let me show you first.”

So several big men carried Situ Jian to one side of the bed and lay down.

Zhu Qingshan walked over and started to check him slowly, and soon his face became serious.

“Uncle Zhu, do I still have treatment for my feet?” Seeing Zhu Qingshan’s expression dignified, Situ Jian hurriedly asked.

Zhu Qingshan frowned and said, “Xiaojian, your feet are so cruel that the person who started the action is too cruel. It keeps breaking your bones and destroys the nerves around your ankles.

In other words, even if the fracture of your feet can be cured, you will not be able to walk, because the nerves on your feet are already necrotic.”

“This, this, Uncle Zhu, you must save me, I’m still young, and I don’t want to be paralyzed in a wheelchair for the rest of my life!”

Upon hearing Zhu Qingshan’s words, Situ Jian suddenly panicked.

If it’s really bad, his life will be over!

Zhu Qingshan frowned and said, “Xiaojian, nerve necrosis is a very difficult problem. No matter whether it is in Chinese medicine or Western medicine, there is no better way. Even if you go abroad, foreign doctors have no way to treat it. OK.”

Situ Jian still didn’t give up, crying and begging: “Uncle Zhu, I was the one you grew up looking at. You must help me!”

Zhu Qingshan feels very troublesome. Situ Jian’s situation is really difficult to handle. Even with his shocking medical skills, he can only mean curing his comminuted fracture, but for the broken nerves in his feet, He has no way of starting.

If the nerves can’t recover, he can’t walk either.

However, thinking of the relationship with the Situ family, he still sighed: “Xiaojian, tell you the truth. In your case, uncle can still be cured with certainty, but the cost is too high.”

Situ Jian was overjoyed and hurriedly said, “Uncle I wish, no matter what the price is, I am willing! As long as my feet can be cured, I am willing to accept the high price!”

Zhu Qingshan said: “That’s right, my own medical skills will definitely not cure your feet, but I have a magical medicine given to me by my benefactor. As long as I take it for you, 80% of the chances are Can heal you.”

Situ Jian was overjoyed and hurriedly said, “Uncle Zhu, then you can give it to me. I can give you as much money as you want!”

Zhu Qingshan shook his head and said: “This pill can be said to be an invaluable treasure. It is the old man who prepared to save his life at critical moments.”

He paused after speaking, sighed, and said, “Finally, depending on my relationship with your father, I will give it to you.”

Zhu Qingshan was favored by the Situ family when he was young, and he indeed owed Situ Jianfu an adult favor.

Although he had already paid back the favors of the Situ family over the years, the relationship between the two families has always been good.

And because he is a genius doctor, the Situ family also values him very much.

So even though he was very reluctant to give him the god pill for the rest of his life, he didn’t want to see Situ Jian really become a cripple.
