

## Dont mess 581

### Chapter: 581

Chen Guangxing nodded and asked, "Doctor Liang, how much time do I have for my dad?"

Doctor Liang thought for a while and said, "Up to ten days."

"Well, there is Doctor Lao Liang." Chen Guangxing nodded, he was already prepared for this result, and his expression did not change too much.

"Dad, we have invited psychiatrist Yu."

Seeing Chen Guangxing, Chen Churan stepped forward and said.

"Dad, how is Grandpa?" Chen Jianpeng also asked.

Chen Guangxing was justified by Chen Jianpeng's brother and sister, but looked at Zhu Xiaoshu.

"There is a little genius doctor Laozhu, but my dad is lung cancer, and your Chinese doctors have no way to treat it." Chen Guangxing refused to Zhu Xiaoshu, who was Jane refused to introduce her.

Especially when he saw that the rest of his life was only in his twenties, and his son was about the same age, his eyelids couldn't help but jump a few times.

Such a young genius doctor?

Of course he didn't believe it.

I only think that both grandpa and grandson Zhu Qingshan wanted to take the opportunity to get close to their Chen family, and they deliberately fabricated the role of God Doctor Yu.

Why would I wish Qingshan to leave early by saying that there are still patients to be treated?

I must be afraid that in case the stuffing is revealed, the face will not be hidden.

"Who said that Chinese medicine can't cure lung cancer?" Yu Sheng looked at Chen Guangxing displeased.

Although he is indifferent to fame and fortune, he cannot tolerate others to slander Chinese medicine.

"Traditional Chinese medicine treats lung cancer? You are afraid that you are mad!" Wu Yue was the first to laugh.

"Jianpeng, your brothers and sisters are not young anymore, why are they still so naive?" A middle-aged man next to Chen Guangxing sneered.

This middle-aged man was named Chen Mingde, Chen Guangxing's eldest brother, and Chen Jianpeng's uncle.

The Chen Jianpeng brothers and sisters had very ugly faces, and they didn't know how to refute Chen Mingde's words.

Of course, the most important thing is that they have some doubts deep in their hearts.

They didn't doubt Yu Sheng's medical skills, but doubt that Chinese medicine can really cure lung cancer?

Regarding cancer, even Western medicine cannot cure it, and there have never been cases of cancer that have been cured by Chinese medicine.

Doctor Liang, a lung cancer expert next to him, sneered: "Chen, I dare to use my life as a guarantee. The current Chinese medicine, no, it is impossible to cure lung cancer with Chinese medicine. After lung cancer enters the advanced stage, even Western medicine has no way. It's even impossible for the long-declined Chinese medicine to cure the old man's lung cancer."

Yu Sheng glanced at Doctor Liang and sneered: "Why don't we compare and compare now, is Chinese medicine strong or Xiqiang strong, dare you?"

Being provoked by a little-known kid, Dr. Liang couldn't help his face, and suddenly hummed coldly:

“Okay, how do you compare?”

Yu Sheng glanced at Chen Mingde next to him, and sneered, “Look at what’s wrong with him?”

Doctor Liang looked at Chen Mingde, and said without thinking, “Mr Chen is in good health. Don’t just confide in you, kid.”

Yu Sheng sneered and said, “He has a lot of problems, so I’ll just talk about the one he cares about the most.”

Chen Mingde’s eyes changed slightly, standing still looking at Yu Sheng.

The others also watched for the rest of their lives.

“You are severely deficient in kidney qi, and you often feel tired on weekdays, with backaches and backaches, and you are prone to hair loss and eye loss.”

Yu Sheng said, with a sneer on his face, and said: “The most serious point is that you are not healthy.

When you have sex with your wife, you will not spend more than two minutes each time.”

The expressions of Chen Mingde and his wife changed as soon as they finished speaking for the rest of their lives!

Especially Chen Mingde, his eyes were full of horror.

The symptoms that the rest of his life said were on him.

all hit!

## **Chapter: 582**

The other Chen family members present looked at each other.

Is there a problem with Chen Mingde?

Seeing Chen Mingde’s reaction, everyone no longer doubted.

The eyes looking at Yu Sheng were full of shock.

Wu Yue’s face was super ugly, staring at Yu Sheng, and screamed: “What kind of bullshit are you talking about? Nothing! There is no problem with Mingde at all!”

But his reaction was only three hundred taels of silver in this place.

Even Chen Mingde gave her a fierce look.

At this time, everyone looked at Yu Sheng’s eyes, just like looking at a monster.

Why did he see his physical condition just by looking at Chen Mingde?

Could it be that his medical skills really reached this point?

Even lung cancer experts looked at Yu Sheng in disbelief.

Originally he didn’t believe that Yu Sheng really took a fancy to Chen Mingde’s condition, but judging from the reactions of Chen Mingde and his wife, Yu Sheng not only got it right, but also got it all right!

He knows that there are four basic elements of Chinese medicine diagnosis, namely: looking, smelling, asking, and cutting.

So he does not doubt the process of diagnosis for the rest of his life.

For the rest of his life, he had a clear view of Chen Mingde’s entire physical condition with just one word of hope, indicating that his accomplishments in Chinese medicine were indeed extraordinary.

“I believe this little genius doctor, Huaxia Traditional Chinese Medicine has a long history, profound knowledge, and a long history. Is it comparable to foreign medicine? Since the little genius doctor says that Chinese medicine can cure lung cancer, let the little genius doctor give me a try.”

At this moment, at the top of the stairs, on a wheelchair, an old man whose hair was almost falling out suddenly said.

“dad.”

“grandfather.”

Chen Guangxing and others looked up and shouted.

This old man is the old man Chen Aiguo.

“Please come up with the little doctor god.” Chen Aiguo said as he motioned to the nanny to push her back to the room.

When Chen Guangxing saw this, although he still didn’t believe it, he had to ask his father for treatment for the rest of his life.

“Doctor Yu, I was a bit reckless just now, so please ignore the predecessors and help my dad take a look.”

Chen Guangxing apologized to Yu Sheng, he was indeed the head of the Chen family.

If you change to someone else, even if you want the rest of your life to see his old man, you can’t feel that there was something wrong with you before.

“Doctor Yu...” Brother and sister Chen Jianpeng also apologized, but they were stopped by Yu Sheng’s wave of hands.

Yu Sheng nodded and looked up at the back of Old Man Chen, feeling a little surprised.

Old man Chen actually admired Chinese medicine as much as he had thought of.

This is why he ultimately did not want to care about Chen Guangxing and others, and was willing to treat Chen Aiguo.

If Chen Aiguo hadn’t said that just now, he would have left now.

Seeing Yu Sheng nodded, everyone in the Chen family was relieved.

Regardless of whether the rest of their lives can really cure the old man’s illness, they don’t want to go against the old man’s meaning at this time.

After all, in the situation of the old man, as children and grandchildren, they also have to make him feel comfortable.

Moreover, Yu Sheng only glanced at Chen Mingde and saw all his physical conditions clearly, indicating that Yu Sheng’s attainments in Chinese medicine are very high.

In addition, Yu Sheng is also the genius doctor recommended by Zhu Qingshan, and they actually have no reason to doubt it.

After entering Chen Aiguo’s room for the rest of his life, he asked Chen Jianpeng to help Chen Aiguo lie down on the bed, diagnosed him, and said, “Fortunately, you found me in time. NS.”

Hearing Yu Sheng’s words, everyone in the Chen family felt a little grateful.

But they didn’t have much to say. After all, whether it was Zhu Qingshan or Dr. Liang, a lung cancer expert, they said that the old man had at most ten days to live.

“The little genius doctor, just let it go for treatment, life and death is a fate, I want to start the old man too.” Chen Aiguo’s mentality is very good.

The reason why he wanted Yusheng to treat him was mainly because he could not understand Dr. Liang’s behavior of despising Chinese medicine.

“Don’t worry, Hades doesn’t dare take you away with me. Take off his shirt, Xiaoshu, bring me the silver needle.” Yu Sheng said confidently.

### **Chapter: 583**

Chen Jianpeng hurriedly stepped forward to take off Chen Aiguo’s shirt, revealing the old man’s squishy upper body.

Zhu Xiaoshu also took out the silver needle box she had brought before.

“Disinfection.” Yu Sheng said.

Zhu Xiaoshu nodded, and hurriedly lit the alcohol lamp to disinfect the silver needles.

After receiving the sterilized silver needle for the rest of his life, he began to administer the needle to Chen Aiguo.

The acupuncture method he used this time was different from the one used for the old man Bai last time, and it was much more advanced than the Sanyang Kaitai method.

Zhu Xiaoshu’s eyes lit up, and he admired his master to the utmost in his heart.

“Master, what kind of acupuncture is this?” Zhu Xiaoshu couldn’t help asking.

“Tiangang thirty-six stitches, you still can’t learn this stitch, just take a look.” Yu Sheng said lightly.

This set of acupuncture requires very high Qigong, which is more than ten times more demanding than Sanyang Kaitai acupuncture.

At least the inner strength of the master’s cultivation level is needed to control the essence of this set of needles.

Thirty-six stitches in Tiangang!

Zhu Xiaoshu was surprised.

Don’t say she has seen this set of needles, she hasn’t even heard of it.

Her grandfather is also a silver needle master, and there are several ways to know silver needles.

She has been studying medicine with her father since she was a child, and she has never heard her grandfather say that there is a magical needle technique called Tiangang thirty-six stitches.

As the rest of his life stuck thirty silver needles on Chen Aiguo’s three strange acupoints, half an hour later, Chen Aiguo opened his mouth and vomited a mouthful of black blood. Everyone in the Chen family changed their colors and was shocked.

But when they were about to say something, they saw that Old Man Chen was not only okay, but because he vomited this black blood, his face became a little ruddy.

Everyone in the Chen family looked ecstatic, is this effective?

Their gazes towards Yu Sheng were suddenly full of shock and admiration.

In fact, they didn’t know that the black blood that Chen Aiguo vomited just now was the more nasty cancer cells in his body. Yu Sheng used the silver needle to force it out of Chen Aiguo’s body.

“The cancer cells in your body have basically been eliminated, but the vitality of the cancer cells is too strong. After a year, half a year later, they will definitely recur, but I will give you an injection at that time to suppress it.”

After a pause, he said again: “If you want a radical cure, you basically need four injections, which is two years.”

Cancer cells are too abnormal. Even if the rest of his life learns the supreme medical technique from the Nine Profound Heavenly Sutras, it will take time to cure the cancer.

However, the Longevity Pill he refined could cure Chen Aiguo’s cancer at once, but the Longevity Pill was too expensive, this time he only refined four, and he was somewhat reluctant to give it to Chen Aiguo.

“Doctor Yu, you mean my dad can live for more than half a year?” Chen Guangxing asked excitedly.

Yu Sheng raised his head and glanced at Chen Guangxing, a little speechless. Isn’t what he said clearly enough?

Chen Aiguo said silently, “Are you stupid? Yu Shenyi just said that within two years, he can cure me the root cause of the disease.”

Now he is a doctor who doesn’t doubt Yu Sheng at all. Just after he vomited that black blood, he found that his body muscles were repairing quickly, and the whole person was refreshed like never before.

Yu Sheng also said: "Even if I don't give him an injection in half a year, he can live for at least another five years in his current situation."

"Five years!"

At this moment, Chen Guangxing and others were full of ecstasy. They must be excited if the old man can live for a few more years.

Yu Sheng said to Zhu Xiaoshu again: "Let your grandfather prescribe a prescription for nourishing the lungs. He knows what medicine to prescribe. Within the next six months, he will follow this prescription and drink three bowls a day. After meals, once in the morning, once in the evening, and once in the evening."

"Good Master." Zhu Xiaoshu nodded.

Yu Sheng got up to wash his hands, and suddenly heard a micro-message sound. He took the handkerchief that Chen Churan handed over and dried it, then took out his cell phone and took a look. It was sent by Yang Zihuan.

Seeing the content of the message, Yu Sheng's face changed slightly, and a murderous intent flashed in his eyes.

He spoke to the Chen family and walked outside.

#### **Chapter: 584**

"Doctor Yu, are you in a hurry? I'll take you there." Chen Jianpeng was the first to react and quickly chased Yu Sheng.

Zhu Xiaoshu also hurriedly followed, and she could see that her master's face was very ugly.

"Master, what's the matter with you? I'm going with you?" Zhu Xiaoshu said hurriedly.

Yu Sheng shook his head and said, "No, I'll let them send you back soon."

"Doctor Yu, I'll take you there." Chen Jianpeng said again.

Yu Sheng shook his head and said, "I can go there by myself. You can send my apprentice back soon."

He said that he opened the door and got into the car, and then left the Chen's house.

Although Chen Jianpeng didn't know what was going on, seeing Yu Sheng's face gloomy and leaving suddenly, he knew that something big must have happened.

"I wish the genius doctor, let's go in first, and I'll take you back later." Chen Jianpeng looked at Zhu Xiaoshu and said.

"Yeah." Zhu Xiaoshu nodded. She glanced at the back of Yu Sheng driving out, and followed Chen Jianpeng back to the room.

She knew her master's abilities, but she wasn't too worried, but she was a little curious about what caused her to leave in such a hurry.

At this time, everyone in Chen Aiguo's room came back to their senses, and they all looked puzzled, not knowing what happened for the rest of their lives.

Seeing Zhu Xiaoshu coming in, Chen Guangxing asked curiously: "Little genius doctor, what happened to genius doctor Yu?"

Zhu Xiaoshu shook his head and said: "I don't know, but my master is very capable, and there is nothing rare to stop him."

Seeing that Zhu Xiaoshu is so confident in Yu Sheng, Chen Guangxing is not happy to ask more.

At this moment, Dr. Liang suddenly said, "Mr. Chen, I think the old man's complexion is much better, and I want to check with him again."

He still couldn't believe that Chinese medicine can cure cancer.

Chen Guangxing and others also wanted to see if Yu Sheng was bragging, so they nodded.

So Dr. Liang took out the instrument and checked Chen Aiguo.

After more than ten minutes, watching the changes in the cancer cells in Chen Aiguo's body, the whole person was dumbfounded on the spot.

"Doctor Liang, what's the situation?" asked Chen Mingde next to him.

Chen Guangxing and others also looked at Doctor Liang.

The change in Dr. Liang's face made them suddenly worried.

Could it be that the father's situation is just an illusion? Didn't the cancer cells in his body actually change?

"Unbelievable! It's incredible!"

Looking at the meter data, Dr. Liang said with a tremor: "The number of cancer cells in the old man's body has decreased by more than half compared with before, and the cancer cells that were active before are all gone. Chinese medicine is really amazing!"

"Really?" Chen Mingde asked in shock.

Chen Guangxing and others also stared wide-eyed and couldn't believe it.

I heard what Yu Sheng said before, although they didn't have any rebuttals, but in fact they were still a little skeptical.

After all, cancer is terminally ill. Even if the modern society is already quite advanced in science and technology, the medical profession still has no way to deal with cancer.

Unexpectedly, a young Chinese medicine practitioner could suppress cancer cells with Chinese medicine that is no longer regarded by people.

You know, my father, this is an advanced stage of cancer, an advanced stage of lung cancer that Western medicine is unable to recover!

"Well, it seems that he was wrong. With him, the old man can be saved from this illness!"

Doctor Liang nodded, he had already made a decision in his heart. After returning, he must start from the beginning and study Chinese medicine well.

"Jianpeng, Churan, you have remembered it for me. God Doctor Yu is the greatest benefactor of our Chen family. No matter what the Doctor Yu needs in the future, you must help God Doctor Yu solve it anyway!" Chen Guangxing said with a serious face.

"Dad, we know." Chen Jianpeng and Chen Churan nodded hurriedly, without Chen Guangxing. Seeing that Yu Sheng's medical skills were so good, they also knew what to do in the future.

"Also, prepare a big gift, and thank genius doctor Yu tomorrow." Old man Chen said suddenly.

If the genius doctor like Yu Sheng had made friends with the Chen family, they would surely be able to save their family's life in the future.

## **Chapter: 585**

Yang Zihuan and Gao Qing entered the villa and soon saw Situ Jian in a wheelchair.

Situ Jian looked at Yang Zihuan and said with a smile: "Zihuan, we meet again."

Yang Zihuan was taken aback for a moment, and his pretty face instantly became a little complicated.

On the one hand, she really needs to keep Situ Jian, the second biggest fan on the fan list, so that she can give her gifts in the future.

On the other hand, she didn't even think that Situ Jian was even nasty, and used her trust in him to give her medicine.

This made her angry at Situ Jian and wanted to use him.

“Mom, did you lie to me just to see him? Didn’t you know that he almost ruined me by drugging me that day?” Yang Zihuan directly questioned Gao Qing.

Gao Qing was a little embarrassed, and said: “Zi Huan, don’t worry, Xiaojian said, he invited you over today because he wanted to apologize to you.”

Situ Jian also hurriedly nodded and said: “Yes, Zi Huan, I was indeed wrong that day. I shouldn’t be wrong about that kind of stupid thing. I lied to you today, just wanting to apologize to you sincerely, hoping to get your forgiveness.”

Yang Zihuan didn’t take care of Situ Jian. She no longer had any trust in Situ Jian. She turned to look at Gao Qing, feeling very upset: “Mom, you actually lied to me with him. Am I still your daughter?”

Gao Qing said hurriedly: “Zi Huan, listen to my explanation, Xiaojian really wants to apologize to you...”

Situ Jian also hurriedly said: “Zi Huan, I really want to apologize to you. I asked my aunt to help me invite you over.”

There was still a chill in Yang Zihuan’s eyes, he took a deep look at Gao Qing, and said, “Mom, you really disappointed me too much, time and time again, I won’t believe you anymore!”

As she said, she walked towards the gate.

Gao Qing saw that Yang Zihuan was about to leave, then her one million would not be available, so she hurriedly stopped Yang Zihuan’s path and persuaded: “Zihuan, it’s mother that’s wrong. Mom shouldn’t lie to you, but mother is also for your good. Ah, Xiaojian said, as long as you forgive him, he will give you gifts.”

Yang Zihuan had completely distrusted Situ Jian. In her heart, Situ Jian was very disgusting, and she was still a little scared of Situ Jian in her heart.

She threw away Gao Qing’s hand and said angrily: “I don’t need him to brush me gifts, and I can’t accept his gifts!”

Gao Qing glared at her and said, “What are you talking about? Xiaojian’s attitude is already low enough to apologize to you. Look at you, what else is there? Who is wrong? A good person is a good person if he knows his mistakes and can correct himself.”

As she said, she urged again: “Oh, we are here, just listen to what Mom said, and communicate with Xiaojian. If there is any misunderstanding, you can’t solve it.”

Now she is full of those two million in her head.

As long as his daughter accepts Situ Jian’s apology, the two will settle their suspicions, and then she will be able to get the two million.

Besides, Situ Jian had drugged his daughter before, indicating that he liked his daughter in his heart, and at least his daughter’s body could fascinate him.

In case the last two people want to wipe out the spark of emotion, it is better than guarding the waste for the rest of your life.

That trash, although it is the Yu family, but don’t want to put Yu Jianuo’s great wealth, it is really stupid, she has already lost patience a bit.

This is also one of the reasons why she wants to deceive Yang Zihuan to come.

Yang Zihuan was quite speechless, and was extremely disappointed in his heart.

Gao Qing usually has no morals, no bottom line, and even a love for money, all of which he bears.

But she knew that Situ Jian had a bad heart, and she wanted to lie to her, she was really disappointed.

With a cold snort, she pushed Gao Qing away and walked towards the gate.

At this moment, Situ Chong, who had never spoken, took Yang Zihuan’s hand and said with a playful smile: “Since it’s all here, why are you in a hurry?”

Situ Chong looked at Yang Zihuan, looking at her slender and straight legs, slender waist, perfect figure, and pretty face. It was hard to imagine that this woman had already given birth to a child. This woman really exudes charming charm everywhere, which makes his heart more and more hot.

### Chapter: 586

When Situ Chong grabbed his hand, Yang Zihuan suddenly became a little scared and asked: "Who are you, please let me go!"

"I am Situ Jian's father, Situ Chong." Situ Chong did not let Yang Zihuan go. He was a little hot at this time, he just wanted to bring Yang Zihuan into the house, and let her go first.

The look in Si Chucong's eyes made Yang Zihuan very terrified. He couldn't help raising his voice and said, "Thank you, let me go, I want to go out!"

At this time, Situ Jian suddenly laughed.

At the same time, his face changed to another face, and he smiled contemptuously: "Yang Zihuan, do you really take yourself seriously?! Tell you, I asked you to come, just to see it. You, don't shame on your face! If you don't face, you will suffer in the future!"

Yang Zihuan's expression changed, and a bad premonition rose in his heart, and he said in a deep voice, "Situ Jian, what do you want to do?"

"What do I want to do?"

Situ Jian laughed, and said in a wretched tone: "Of course I want to fuck you!"

Hearing this, Yang Zihuan was suddenly shocked, and his heart was extremely frightened.

She knew that Situ Jian must have been kind enough to apologize to her, all as a pretense, a pretense to lie to her to come here.

A flash of panic flashed in her heart, taking advantage of Situ Chong's carelessness, she violently withdrew her hand, and headed towards the big step.

But she didn't even run a few steps, and Situ Chong grabbed her wrist again and couldn't move.

"You let me go!" Yang Zihuan said angrily.

Situ Chong stared at her pretty face and said with a smile: "Little Niangpi, you are so full of feminine charm everywhere, I really want to put you on it now!"

At this time, she looked at Yang Zihuan's beautiful and moving appearance, looked at the face and figure that were so perfect that she was fascinated, and his eyes were hot and scary.

He has played with at least forty or fifty women in the past few decades, but there is no one as bright and charming as Yang Zihuan. At this time, he is almost out of control.

Seeing the heat in his father's eyes, Situ Jian said: "Dad, wait a while, wait a while and call Yu Sheng, I shot Yu Sheng, you can play with his wife slowly."

After a pause, he said again: "By the way, I won't beat him to the point by then, first I will maimed his legs, and then let him watch his wife being played by other men, and finally when he is desperate. I shot him again, that would be cool!"

Situ Chong gave a thumbs up, his son's idea was irritating.

Playing with his wife in front of the enemy, it must be very refreshing, and he must try it.

Listening to the conversation between the father and son, Yang Zihuan was extremely frightened.

Gao Qing was even more incredulous.

Didn't Situ Jian say to apologize to Zi Huan?

But now, what is going on?

She hurried forward and said, "Xiaojian, what's the matter with you? That's not what you said to

auntie!”

“Say a fart!”

Seeing Gao Qing walked in front of him, he raised his hand and slapped Gao Qing’s face with a sneer, “You really thought that Lao Tzu asked you to trick Yang Zihuan over, because he wanted to apologize to her and then give her a gift. Are you less fucking daydreaming!”

As he said, he said with a cold face: “You are a snobby woman who is open to money, and you deserve to question me?”

I will tell you the truth. I will trick your daughter over today. Not only will I want to fuck him, but my dad will also fuck her. After a while, we will kill the waste of Yu Sheng, then we will shoot you down with one shot, and then we will hit Yang Zihuan. Stay and be a sex slave! “

Chapter: 587

At this time, Situ Jian even took out a black pistol and played with Gao Qing. Gao Qing’s face was pale when he was directly scared, and he blurted out: “You, you can’t do this, it’s illegal!”

“I’m guilty of your comparison!”

Situ Jian scolded and scolded: “My villa is in the suburbs. After killing you and Yu Sheng’s waste, you will be chopped into sludge and rushed into the sewer. Yang Zihuan will stay as a sex slave. Who Can you know?”

Gao Qing cried in fright and blurted out: “Xiaojian, Yu Sheng interrupted your leg. You are trying to avenge Yu Sheng, right? This is a personal grievance between you and Yu Sheng. It has nothing to do with our mother and daughter. You killed He will do it, just let us mother and daughter fart!”

“Release you?”

Situ Jian said contemptuously: “You are simply dreaming! Today you and the rest of your life will die!”

Gao Qing cried and said, “Xiaojian, don’t be impulsive. Auntie believes that you are not a bad boy. The reason why you took this road is because the rest of your life broke your leg. Auntie begs you. If you are wronged and you are in debt, let Auntie and Zihuan go. When you kill Yusheng, Auntie will marry Zihuan to you, OK?”

Situ Jian disdainfully said: “Marry Yang Zihuan to me? Is she a second-hand item that fits into the door of my Situ’s house? In my eyes, she is just a sex slave, a tool for our father and son to vent.”

As soon as he said this, Yang Zihuan became even more angry, and said angrily: “Situ Jian, you are a beast! A scum with a human face and a beast heart!”

Situ Jian smiled without shame: “Yes, I am a scumbag.”

Yang Zihuan roared angrily: “Situ Jian, are you not afraid of retribution? Are you not afraid of being struck by lightning?”

“The sky thunders?”

Situ Jian smiled and said: “Okay, even if I really want to be struck by lightning, I must play you well before that.”

Looking at the somewhat frenzied Situ Jian, Gao Qing regretted it now.

Regretfully, she couldn’t wait to smoke herself a few big mouths.

In order to covet the two million, I lost the lives of my mother and daughter like this. What a damn!

“Zi Huan, Mom didn’t know it would be like this, Mom I’m sorry, I was really wrong...” Gao Qing’s intestines were all regretful, and even more so because of fear and guilt, they all cried.

Yang Zihuan glanced at his mother, there was no other emotion in his eyes except disappointment.

At this moment, she also had nothing to say.

“Okay, Xiaojian, don’t bother with them, let her call Yu Sheng to come over.” Situ Chong said. Situ Jian nodded and smiled at Yang Zi: “If you mother and daughter want to survive, please call me for the rest of your life. Maybe he is here, and he can really turn the tide and save you. Hahaha.....” He said jokingly and laughed.

“Zi Huan, hurry up and call Yu Sheng’s trash, if it weren’t for him, how could we have fallen to this point!” Gao Qing hurriedly urged upon hearing this.

Yang Zihuan glanced at the gun in Situ Jian’s hand, and suddenly hesitated. Let the rest of your life come, isn’t it going to kill the rest of your life? If Situ Jian had a gun in her hand, she would definitely call Yu Sheng without hesitation. Yu Sheng is a martial arts master, she has seen it with her own eyes. The last time Li Hongsu was forced to die for the rest of his life, his martial arts were surprisingly high. But no matter how high martial arts is, he is afraid of kitchen knives. She felt that if the rest of her life really came, she would definitely be shot to death by Situ Jian! She hesitated whether to call Yu Sheng. But I thought that if I didn’t ask Yu Sheng to come, Situ Jian would not let him go. Moreover, if he reminds the rest of his life, he is prepared, because it is not necessarily the case that he can reverse it.

Thinking about this, Yang Zihuan finally took out his mobile phone and first gave Yu Sheng a position, and wanted to share their situation with Yu Sheng.

#### **Chapter: 588**

Soon, Yu Sheng found Situ Jian’s villa according to Yang Zihuan’s positioning. Situ Jian’s Villa is not far from Chen’s Villa, it’s only a 20-minute drive away. When he got outside the villa, he immediately called Yang Zihuan. He was very angry, Yang Zihuan even came to look for Situ Jian, and he also found Situ Jian’s villa. On the way here, he even thought about it. After Yang Zihuan was rescued, even if Yang Zihuan didn’t mention the divorce, he would still prepare for a divorce. What does he keep for such an unscrupulous woman? Soon the call was connected, and it was Situ Jian who answered the call. “You came alone?” Situ Jian’s voice came from the phone. “It’s wrong, I’m alone.” Yu Sheng said lightly. Situ rushed to the gate, saw Yu Sheng through the iron gate, and then shouted: “The gate is not locked, you come in by yourself, raise your hands above your head and don’t play tricks, otherwise, I will shoot Yang Zihuan immediately!” Yu Sheng was shocked, and when he heard that the other party had a gun, he didn’t dare to be careless, so he raised his hand and walked into the villa slowly. Situ Chong is relieved that there are other people. As soon as Yu Sheng came in, Situ Chong threw a handcuff to Yu Sheng, and said coldly: “Cuff your hands and hands first, don’t play any tricks on me, otherwise you can only collect the body from Yang Zihuan.” At this time, Yang Zihuan in the room looked at Yu Sheng through the window, suddenly regretted, and shouted: “Yu Sheng, you don’t come in, don’t handcuff yourself, they will kill you!” Yu Sheng glanced at Yang Zihuan from the window, without any waves in his eyes, bowed, picked up the handcuffs thrown by Situ Chong, and handcuffed his hands. Yang Zihuan was anxious when he saw this, but he didn’t know what to do.

Gao Qing stared at Yang Zihuan and said, "Zi Huan, are you crazy? How can we live if he doesn't come in or handcuff himself!"

"Do you think Yu Sheng is dead, can we live?" Yang Zihuan turned around and said angrily.

Gao Qing trembled, thinking of Situ Jian's words before, her heart collapsed again.

When the rest of her life came, she thought that if Situ Jian only killed Yusheng, she should let her mother and daughter go.

But at this time, she also thought clearly, even if Situ Jian did not kill them, it would not be possible for them to leave easily. ,

After all, their mother and daughter saw Situ Jian killing Yu Sheng.

"Shut up your fucking mouth! Believe it or not, I shot you first!" Situ Jian threatened Yang Zihuan.

Yang Zihuan dared not speak any more.

When Situ Jian saw Yu Sheng put on handcuffs, he was relieved.

He didn't want to kill Yusheng yet, he wanted his father to confront Yang Zihuan in Yusheng's face first, and then he would kill Yusheng.

"Are you satisfied?" Yu Sheng raised his handcuffed hands and asked Situ Jian through the window.

Situ Jian laughed, pointed his gun at Yu Sheng through the window, and said, "Come in slowly for me."

Yu Sheng nodded, and then walked slowly towards the room.

Situ Chong followed Yu Sheng, for fear that he would run away.

Yu Sheng entered the room and frowned when he saw Gao Qing was there.

Could it be that Yang Zihuan didn't take the initiative to find Situ Jian?

Seeing Yu Sheng coming in with his hands handcuffed, Situ Jian was extremely excited.

He has been looking forward to this moment these days, hoping to be able to slash his enemies!

"Aren't you good at acting for the rest of your life?"

Aren't you fucking good at fighting?"

Call me again now! "

Situ Jian looked at the rest of his life coming in, and shouted almost crazy.

## **Chapter: 589**

Yu Sheng glanced at Situ Jian, who was sitting in a wheelchair with a crazy face, and a touch of disdain came out of the corner of his mouth.

"Sorry, I shouldn't have called you over..." Yang Zihuan said, and couldn't help crying.

"Why are you here?" Yu Sheng asked lightly.

"I..." Yang Zihuan didn't know how to explain. One was her husband and the other was her mother. She didn't know how to say.

Said to be deceived by Gao Qing, the rest of his life will definitely hate Gao Qing.

Saying that he came by himself, Yu Sheng will definitely be angry, thinking that he is that kind of woman.

When she was hesitating, Gao Qing, who had been kicked to the ground before, suddenly climbed in front of Yu Sheng, hugged Yu Sheng's calf, and cried: "Yu Sheng, my good son-in-law, you can I finally came to save mom! If you come one step later, mom may not be able to guarantee the late festival!"

As he spoke, he pointed to the Situ Jian father and son next to him, crying: "For the rest of his life, their father and son are simply not humans. They actually want to keep our mother and daughter as sex slaves! You must save us!"

Yu Sheng lowered his head and glanced at Gao Qing, and then asked faintly: "Why are you here again?"

Gao Qing was taken aback, and said hurriedly: "Good son-in-law, this is the case, this Situ Jian, he lied to

me that the last time he gave Zihuan the medicine was not what he meant, and he wanted to apologize to Zihuan and let me trick Zihuan. ,I.....”

Yu Sheng sneered disdainfully: “Did he give hundreds of thousands or millions to make you fool Yang Zihuan?”

Gao Qing was shocked, thinking that Yu Sheng would know about Situ Jian giving her money.

But at this time she didn’t want to admit it, and lied: “No, he didn’t have to give me money. I saw his legs were broken, thinking that he should really recognize his mistakes, and believe him, who knows ...”

Yu Sheng frowned, he would not believe Gao Qing’s nonsense.

He knew what Gao Qing was like.

He must have received Situ Jian’s money before betraying his daughter.

But he also understood that the reason Yang Zihuan came here was probably because Gao Qing had given it to him.

In this way, he felt a little better in his heart.

If Yang Zihuan had come by himself, he would definitely find it hard to accept the feeling of being betrayed.

“Enough, let me be the fucking quiet!”

Situ Jian snorted coldly, and Gao Qing shivered in fright, and hurriedly let go of Yu Sheng’s feet, not daring to speak any more.

“Yu Sheng, didn’t you fucking be arrogant before, just show me arrogant more?”

Situ Jian pointed at Yu Sheng with a gun, and said with a grim look: “You and they are just a door-to-door son-in-law, and they interrupted Lao Tzu’s legs twice. Today, Lao Tzu keeps breaking your limbs and is in front of you. Let you see how your wife gets fucked by others!”

“Break my limbs?”

Yu Sheng looked back at Situ Jian, didn’t put the gun in his hand in his eyes at all, and smiled sarcastically: “Is it just a waste of you?”

Situ Jian said with an angrily smile: “Yu Sheng, I fucking admire you, it’s this time, you dare to be arrogant in front of Lao Tzu, Lao Tzu really admires your stupidity!”

Yu Sheng sneered: “Is there anything I dare not arrogant? Lao Tzu is the real human world, like you, can only spend the rest of your life in a wheelchair?”

“Ha ha ha ha!”

Situ Jian burst into laughter and blurted out: “For the rest of your life, you will return the real dragon on earth? I think you are a real worm on earth! Right now, in my eyes, you are a ridiculous caterpillar. I use tiptoes. Can crush you!”

Yu Sheng looked at him coldly, and said lightly: “Okay, then you let them go, let’s have a good fight?”

Situ Jian said sullenly, “Let them go, are you fucking crazy? Not only will I kill you today, but I will also brutally demon their mother and daughter!”

Yu Sheng sarcastically said: “Situ Jian, you are simply not a fucking man. The grievances between men should be resolved privately by men. What kind of ability to kidnap women? Is your Situ family all such foolish? Rely on women?”

## **Chapter: 590**

The faces of Situ Jian and his son sank, and their self-esteem was hurt by the rest of their lives.

“For the rest of your life, your fucking use of radical methods is also useless, do you think that I can kill you to relieve your hatred? Tell you, before I kill you, I will make you regret coming to this world!”

Situ Jian sneered and said: "By the way, when you see your wife Yang Zihuan, I will use Yang Zihuan's hand to register you with Douyin and Kuaishou, and send the video to the Internet so that people all over the world You all know that you were cuckolded before you died for the rest of your life! Also, I will use Yang Zihuan's mobile phone to enter her live broadcast room, and show it to her fans live, so that she will not be able to raise her head for a lifetime!"

He hated the rest of his life.

He came to Qiancheng, originally to replace his brother Situ Nan to control New Goose Media against the Sihai Group.

I thought that he hadn't found the boss behind the Four Seas Group, so he was planted in Yu Sheng's hands one after another, and he was interrupted by Yu Sheng's legs twice. Just killing Yu Sheng was really not enough for him to dispel his hatred.

Therefore, he must do everything possible to make the rest of his life and death all kinds of despair, regret offending him, regret coming to this world!

Yu Sheng smiled disdainfully: "I didn't want to kill you, but you have successfully angered me."

Situ Jian said with an angrily smile: "For the rest of my life, I'll just take you to this point. When I die, I don't forget to pretend to be forced!"

Yu Sheng said indifferently: "It is your father and son who are dying, not me."

Situ Jian frowned, his muzzle gritted his teeth on his forehead preparing for the rest of his life, and said: "Trash, pretend to be forced? Believe it or not, I will kill you with a single shot now!"

Yu Sheng faintly looked at Situ Jian with a hideous face, and sneered, "I don't believe it."

Situ Jianqi's whole body trembled, and then he smiled: "Trash, it's quite clever. You know to irritate me first, let me kill you first, and then you can kill you, right? Don't worry, Lao Tzu will never do it. Your pawn!"

After a pause, he said viciously: "However, I can let someone break your leg bones first, let you try the feeling of being broken your legs!"

"Come on!"

Situ Jian let out a loud shout, and immediately rushed in seven or eight bodyguards, each holding a steel pipe in his hand.

"Smash this trash legs off for me first!" Situ Jian pointed at Yu Sheng and shouted angrily.

The bodyguards responded and pounced on Yu Sheng.

Seeing Yu Sheng's hands being handcuffed, they saw a touch of cruelty in their eyes, and the steel pipe in their hands smashed towards Yu Sheng.

"I'm sorry, I'm sorry, I hurt you..."

Yang Zihuan closed his eyes and cried in despair.

She has not dared to look at Yu Sheng being tortured by broken legs.

Although Yu Sheng was good at beating, her hands were handcuffed at this time, and Situ Jian pointed a gun at Yu Sheng. She knew that Yu Sheng was over today.

She will be done too!

Knowing that this would happen, she shouldn't have reported a fluke and called Yu Sheng to come and rescue them.

Seeing everyone carrying steel pipes to smash the rest of his life, Gao Qing was also extremely frightened.

Although she has always disliked Yu Sheng, she felt a little palpitating in her heart when she saw Yu Sheng being beaten.

But for the rest of his life he didn't even look at a few people, his eyes were fixed on the gun in Situ Jian. When the sticks in the hands of the bodyguards were about to hit him, he finally moved.

boom! boom! boom!

After hearing only a few bangs, seven or eight bodyguards lay motionless on the ground.

A few people in the room looked at them, and saw the eight bodyguards, all lying on the ground, bleeding from seven holes, abnormally hideous.

And they seem...

All dead!
