

Dont mess 591

Chapter: 591

At this moment, Situ Jian's hand holding the gun trembled a little.

To be honest, it was the first time he had seen a dead person.

So many people died at once.

Although he said that he was very cruel, if he let him commit suicide, he might not have the courage.

Gao Qing and Yang Zihuan were also a little dumbfounded.

They all know that for the rest of their lives, they are very strong, and they are definitely a master of fights.

But I didn't think Yu Sheng was so courageous, his hands were handcuffed, and eight bodyguards could be killed...

By the way, are they really dead?

The mother and the woman are a little scared.

This is the second time they have seen Yu Sheng kill with their own eyes!

Will the police catch him?

Both of them were worried and scared in their hearts, and their legs could not help but tremble.

Seeing that his son was already shocked, Situ Chong stepped forward, grabbed the mobile phone in Situ Jian's hand, and aimed his gun at Yu Sheng.

He looked at Yu Sheng and said coldly: "Boy, you really have a few damn brushes. But what about that, can you shoot again, can you ever shoot? Today I will let you know that I offended my son. What's the end!"

After all, he has to pull the trigger.

At this time, Situ Jian also came back to his senses and yelled: "Yusheng, if you kneel down to me now and beg for mercy, and then you abandon your legs, maybe I can give you a good time with the sword!"

In his opinion, even if he would cramp for the rest of his life, he would not relieve his hatred.

He wanted to drink the rest of his life's blood, eat the rest of his life, and then cut the rest of his life into pieces to feed the dog!

But he had to hold on for the rest of his life.

The fighting power for the rest of his life was too abnormal, and he was a little scared in his heart.

I am afraid that the gun will not be killed for the rest of my life!

He has also seen on TV that people with high martial arts, you shoot him with a gun, as long as he is prepared, you can't beat him at all.

The figure disappeared just after the rest of his life, and Situ Jian felt that he might not be able to hit the rest of his life.

"Trash, I don't dare to kneel and kowtow to my son as soon as I heard it!" Situ Chong pointed at Yu Sheng with a gun, and shouted.

"Let me kneel? Is he worthy?"

A sneer appeared at the corner of Yu Sheng's mouth, and then raised his hands.

"哐!"

With a crisp sound, the handcuffs handcuffed to Yu Sheng broke!

The father and son Situ Jian were shocked by this scene, stunned!

And Yang Zihuan and Gao Qing both opened their eyes wide, and they couldn't believe it!

What kind of monster is this?

Both hands can break the handcuffs!

This is made of stainless steel!

“Dad, this guy is a monster, you should beat him to death, don’t give him any chance!”

Situ Jian’s heart trembled with fright, and said hurriedly.

At this moment, Yu Sheng sneered and said: “Now you still want to kill me? It’s too late!”

After all, he raised his hand slightly, but in the eyes of everyone, his speed was almost to the extreme, but he saw a flash of his hand, and Situ Chong, who had not had time to pull the trigger, was even more eye-catching, and the pistol reached Yu Sheng’s hand. inside.

Looking at the pistol pointed to his head, Situ Chong’s scared soul flew into the sky, sweating on his forehead.

“For the rest of your life, don’t be impulsive, it is illegal for you to kill at will!” Yang Zihuan said hurriedly when he saw it.

She didn’t want to become a murderous madman, and make mistakes again and again.

Yu Sheng didn’t look back, and said lightly: “You two should go back first.”

Gao Qing nodded and hurriedly ran outside.

Yang Zihuan came to Yu Sheng and said softly: “Forget it, hand them over to the police.”

“Go back if you don’t want to see the bloody scene.” Yu Sheng said coldly.

Both father and son are going to kill him, of course he will not let them go.

“For the rest of your life, listen to me...”

Yang Zihuan didn’t finish speaking, and the whole person suddenly trembled, only to see Yu Sheng shot Situ Chong through the forehead.

A stream of blood came out of Situ Chong’s forehead, and then his body fell softly.

Chapter: 592

Yang Zihuan trembled, staring blankly at Situ Chong who was lying on the ground, looking at the hideous blood hole on his forehead, his whole body trembled a little.

She looked back at Yu Sheng again. At this moment, in her heart, Yu Sheng completely changed!

“Do you still want to see?” Yu Sheng looked at Yang Zihuan lightly, with no emotion in his eyes.

Yang Zihuan only felt that Yu Sheng had been enchanted, and sooner or later he would become a murderous demon!

She took a deep look at Yu Sheng, turned around and ran out.

She couldn’t figure out even more in her heart. For the rest of her life, if he killed people like this, he was still the Patriarch of the Situ family. Isn’t he afraid that the Situ family will avenge him?

Isn’t he afraid of going to jail or being shot?

At this time, Yu Sheng looked at Situ Jian, Situ Jian was already scared stupid.

He looked at his father’s body and couldn’t help shaking.

He stared at him like a ghost, staring at Yu Sheng in disbelief.

Yu Sheng actually gave him his father!

He suddenly felt a sense of powerlessness all over his body.

He had always offended Yu Sheng before, and always targeted Yu Sheng. He thought Yu Sheng was really a son-in-law.

But today, at this moment, he found himself really wrong.

It’s wrong.

“For the rest of my life, I’m sorry, I know I was wrong, please don’t kill me! Please give you another

chance, I will not dare to provoke you!”

Situ Jian flipped down from the wheelchair and crawled in front of Yu Sheng, holding Yu Sheng’s calves with both hands, and begging Yu Sheng to forgive him.

He is still young, even if his feet are scrapped, he still doesn’t want to die!

If you die, you have nothing, and if you are alive, there is at least hope to heal your feet.

“Give you another chance?”

Yu Sheng laughed and said sarcastically: “I once gave you three opportunities, but you didn’t cherish it. How did you ask me to give you another chance?”

“Yu Sheng, Dad Yu Sheng, grandpa, please let me go. You see that my feet are already useless, and I will only be useless in the future. Let me live on, please!” Situ Jian was about to cry.

He was really scared at this time, especially when he watched his own father lying beside him, he felt like he was about to collapse.

“Originally, although you have offended me many times and clamored in front of me many times, I actually didn’t put you in my eyes, but you tried to beat my wife again and again, then I would not Will let you go.

Now, you have only one way, and that is Huangquan Road!” Yu Sheng said coldly.

As soon as he said this, Situ Jian was so frightened that he could not stop shaking up and down.

Huangquan Road?

Thinking of this, he broke down even more, crying bitterly, and begged: “Grandpa Yu, I already have two feet. I am a completely disabled person. Please let me go this time, please. NS!”

Yu Sheng sarcastically said: “Aren’t you afraid that your father will be lonely and lonely on Huangquan Road? He died because of you.”

“I don’t want it, I don’t want it!” Situ Jian yelled hysterically.

How can he have the courage to face death at his young age!

He just wants to live in the world now.

Yu Sheng sarcastically said, “Do you think it’s better to die than to live?”

Situ Jian nodded hurriedly.

Of course it is better to die than to live.

Can live, who wants to die?

Yu Sheng sneered: “This shows that you are not suffering enough now!”

As he said, raising his foot, he directly smashed Situ Jian’s hand bones. Situ Jian suddenly screamed like a pig in pain. He wanted to roll, but found that there was no nerve reaction in his feet, and he couldn’t move at all.

“By the way, I forgot to tell you. I am the chairman behind the four seas group you have been investigating. Are you desperate? Are you unwilling?” Yu Sheng said suddenly.

“What, what?”

Situ Jian resisted the severe pain and looked at Yu Sheng shocked, his eyes full of disbelief!

Yu Sheng turned out to be the chairman of the Four Seas Group that he had been trying to find out?

How can this be?

“Okay, it’s time to send you on the road. You can only take this message to Huangquan Road and share it with your father slowly.” Yu Sheng smiled faintly, and the gun in his hand aimed Situ Jian’s forehead.

“Don’t kill me! Please...”

“boom!”

Yu Sheng directly squeezed the trigger, then crushed the pistol, threw it beside Situ Jian, turned and

walked outside.

Of course, he also didn't forget to let Du Fei take care of this endgame.

Chapter: 593

During this period of time, Yang Zihuan has been in fear, fearing that one day the police will suddenly come and arrest the rest of his life.

This made her a little absent-minded during the live broadcast, and she sang and sang the wrong words many times.

But until a week later, there was nothing wrong with Yu Sheng, and the police still didn't come to catch Yu Sheng. While she was relieved, she was also very curious and couldn't help asking Yu Sheng what? Unexpectedly, Yu Sheng's answer made her vomit blood.

Yu Sheng even disliked her not having enough level, and she was still not qualified to know a lot of things.

For the rest of my life, he said that ordinary people in this world see only appearances, and only those who reach a certain level can see the truth of the world, or are qualified to see the truth of the world. Yang Zihuan was a little unconvinced, but she couldn't find the point of refuting Yu Sheng, so she couldn't ask any more.

The Science and Technology Park is building a base, and the Sihai Group has given Xia Jun the management. During this time, the rest of his life is still very leisurely.

It just so happens that he has more time to practice.

On this day, Yu Sheng just came out of practicing internal skills in the backyard of the Sakura Club, and saw Zhang Shengquan's daughter Zhang Wanqiu waiting for him.

Seeing him coming out of the backyard, Zhang Wanqiu hurriedly greeted him.

"Master Yu, are you free tonight?" Zhang Wanqiu said, looking at Yu Sheng with a shy expression.

"Yes, what's the matter?" Yu Sheng looked at Zhang Wanqiu curiously.

"Master Yu, I would like to invite you to accompany me to a party tonight." Zhang Wanqiu said looking forward to Yu Sheng.

Yu Sheng looked at Zhang Wanqiu and wondered: "Why, someone bullied you?"

Zhang Wanqiu nodded, and said somewhat disinterestedly: "It's that Zuo Wenyu, who is really annoying and often harass me. I want you to be my boyfriend temporarily so that he can do it."

"Really temporary?" Yu Sheng looked at Zhang Wanqiu, deliberately teasing.

Zhang Wanqiu was shocked, shook his head, nodded hurriedly, and said awkwardly: "Yes, it is temporary. Please also ask Master Yu to do this for me. Wan Qiu is grateful."

Seeing Zhang Wanqiu's cramped look, Yu Sheng smiled and said, "Okay, no question, what time is it at night?"

Zhang Wanqiu hurriedly said, "Cuiping Restaurant at 7:30 in the evening."

Yu Sheng nodded, looked at the time, it was still early, and said, "I will wait for you here at seven."

Zhang Wanqiu nodded excitedly and said, "Okay, thank you, Master Yu!"

As she said, she turned around and went out.

Looking at Zhang Wanqiu's beautiful figure and long slender legs, Yu Sheng's eyebrows slightly glanced, and he always felt that Zhang Wanqiu's body seemed a little abnormal.

But it was a bit far away, and he didn't even see what the problem was.

"Master Yu, what are you looking at, so fascinated?"

Suddenly, a voice rang in my ears, and for the rest of my life, it turned out to be a white magnolia.

At this time, Magnolia came out of the next room again, took a look at Zhang Wanqiu who had just gone out, and then looked at Yu Sheng jokingly.

This guy, in plain fashion, looks like a gentleman. At this time, looking at the back of other beautiful women, the corners of his mouth are crooked.

Yu Sheng was slightly startled, and didn't notice that Magnolia was also coming.

He looked at Magnolia curiously. Today's Magnolia is wearing a white T-shirt. The proud capital on the chest is very eye-catching. A pair of sky blue jeans wraps her elastic legs tightly. More rounded and straight.

"Your appointment?" Yu Sheng looked at Zhang Wanqiu, who was still not far away, and smiled.

"Yes." Magnolia smiled.

Chapter: 594

She and Zhang Wanqiu came back from the construction site.

But Magnolia just went to the bathroom.

"Then why are you looking for me?" Yu Sheng asked.

White Magnolia looked at Yu Sheng bitterly, and said, "Is it because I can't find you anymore?"

Yu Sheng smiled faintly and said, "You know I didn't mean that."

Magnolia hummed softly: "I don't know what you mean."

The rest of his life spread his hands, and could only express helplessness towards Magnolia's faint resentment.

Taking a look at Bai Yusheng, Bai Magnolia said: "My grandfather is celebrating his birthday on the fifth day of next month. He wants to invite you to participate, do you have time?"

Yu Sheng thought for a while, glanced at the pride on Magnolia's chest, and suddenly thought of an online phrase: Time is like a woman's ru ditch, and there is still a squeeze.

Of course, he still wouldn't say such words in front of a beautiful woman, just smiled and said: "If you want to go, you can squeeze out time. If you don't want to go, there is no time to go."

Magnolia rolled her eyes again and said, "Then do you want to go or don't you want to go?"

Yu Sheng said conservatively: "If there are special circumstances that day, I will go. It's hard to say something, so let's talk at the time. I can't call it dead now."

Magnolia nodded, but she didn't have any further questions. Anyway, there are still more than twenty days, so she won't be in a hurry.

"By the way, let's go to the hot spring tomorrow. I just want to communicate with you about some work matters." Bai Yulan said suddenly.

Do I have to go to the hot springs to talk about things at work?

For the rest of his life, there was some doubt.

However, during this period of time because the relationship with Yang Zihuan is getting worse, he also wants to go out and relax. Soaking in the hot spring is undoubtedly a good choice.

"Yes." Yu Sheng nodded.

"Then I will come here to pick you up at ten o'clock tomorrow, so I'll leave first." Magnolia's eyes lit up, as she expected Yu Sheng to agree.

When she proposed it, she actually didn't believe the rest of her life would agree.

Now that the rest of her life has agreed, she has to go back and prepare a swimsuit or something, and she has to prepare it carefully.

After Magnolia left the Sakura Club, she immediately called her assistant to buy Xing swimsuits with her.

“Xiaohe, do you think I should wear a bikini or should I wear a little more conservative?” Bai Yulan asked her assistant He Yan.

Wearing a bikini, although it can attract Yu Sheng’s attention, she is also a little worried about whether Yu Sheng will think she is too revealing.

If the dress is too conservative, she is afraid that the rest of her life will not react, then she will waste such a good opportunity?

She still didn’t give up about recruiting the rest of her life for her Bai family. Even during this time, she knew that Yang Zihuan had a bad relationship with Yu Sheng, and she gave her a chance.

That’s why she subconsciously proposed asking Yu Sheng to go to the hot springs.

“I think you should wear a bikini. Wearing a bikini can better highlight your figure. Man, there is no one who is not good at this. Since Yu Dong has agreed to go to the hot spring with you, it shows that he is deep in his heart. Or subconsciously want something to happen to you, you wear a bikini, just to stimulate his hormones, such a good opportunity, the president, you have to seize it.” He Yan said.

Magnolia hesitated in her heart and thought for a while and said: “It’s better to buy a set first, and see through tomorrow.”

He Yan nodded, but still said, “I think wearing a bikini is the best. Mr. Bai, you have such a perfect body. Any man who looks at it will want to be Feifei.”

Magnolia was a little moved, but she decided to buy both sets, and will make a decision tomorrow.

“By the way, book me a seat at Gaoquan Villa.” Bai Yulan said.

He Yan nodded and took out her mobile phone to make a reservation.

Magnolia went to try on her clothes.

Chapter: 595

Of course Yu Sheng didn’t know that Magnolia didn’t really have something to talk to him, so he invited him to the hot spring.

He agreed to go to the hot springs, indeed because he was in a bad mood recently and wanted to relax, but he didn’t want to think too much.

The only thing I think about is that when Magnolia asked to go to the hot springs, a hot picture of Magnolia wearing a bikini soaking in the hot springs suddenly appeared in the sea of his chest.

However, this picture only flashed past, and he didn’t think too much about it.

In the evening, Yu Sheng pretended to be Zhang Wanqiu’s boyfriend and went to accompany her to a class reunion.

The gathering is on the fifth floor of Tiansong Restaurant. It is luxuriously decorated and the dishes are high-end. It is a place where many wealthy children like to gather.

This reunion of classmates was initiated and organized by Zuo Wenyu, a young man from the Zuo family. He organized this classmate gathering for a very simple purpose. He wanted to confess to Zhang Wanqiu in front of his classmates, so that Zhang Wanqiu would not come to Taiwan and could only agree to be his girlfriend.

When he was in school, Zuo Wenyu didn’t even realize that Zhang Wanqiu was so beautiful. When he was studying, although Zhang Wanqiu was at the school level, he always gave people a little aura.

Unexpectedly, after graduating, Zhang Wanqiu had grown up completely, and his whole person seemed more full of female charm than when he was in school. This made Zuo Wenyu suddenly have the urge to take Zhang Wanqiu down.

But he pursued Zhang Wanqiu many times, but was rejected by Zhang Wanqiu.

Looking at the romantic atmosphere of the venue layout, everyone knew that Zuo Wenyu specially prepared Zhang Wanqiu, especially the girls, they were envious.

Both Zhang Wanqiu and Zuo Wenyu are well-known rich second generations, so even if those girls are envious, they dare not think about competing with Zhang Wanqiu.

All of them were flattering Zuo Wenyu.

“Young Master Zuo and Late Autumn are really a match made in heaven. Later Autumn will come soon, and everyone should make the atmosphere.” Zuo Wenyu’s attendant Zhou Hai said.

Zhou Hai has been Zuo Wenyu’s attendant since he was a child. After graduating from university, he was also Zuo Wenyu’s younger brother. He has hugged Zuo Wenyu’s thigh since he was a child.

The other students nodded one after another. Since this gathering was mainly organized for Zhang Wanqiu, it lacked the meaning of a real class gathering.

But everyone wanted to hug Zuo Wenyu’s thigh, so it didn’t matter whether this party was meaningful. As long as the good things between Zuo Wenyu and Zhang Wanqiu can be matched, Zuo Wenyu will definitely remember them.

Zuo Wenyu was also very happy for everyone’s cooperation and said: “I just received the WeChat of Late Autumn. She has already arrived downstairs. Let’s all go out and give her a surprise.”

“Is the heroine coming, walk around, we must give our heroine a surprise.” A classmate laughed.

“Yes, it will be very unexpected to see so many of us go to meet her in late autumn.” A classmate attached.

“Zuo Shao, this is a flower, don’t forget it.” Zhou Hai gave Zuo Wenyu a handful of blue roses.

This blue enchantress was just ninety-nine flowers, and it was given to Zhang Wanqiu, which means that he wants to have a long-lasting love with Zhang Wanqiu.

Zuo Wenyu sorted out the bow tie, took the flowers, and walked to the front with a smile on his face, standing at the entrance of the venue, waiting for Zhang Wanqiu to arrive.

At this time the restaurant is down.

After the car was parked, Zhang Wanqiu took the initiative to take Yu Sheng’s arm, a little bird and a human, it seemed that the two really looked like a couple.

“You don’t have to be in the play like this.” Yu Sheng smiled slightly after seeing Zhang Wanqiu’s happy face.

Zhang Wanqiu was startled, but said seriously: “Oh, Zuo Wenyu is very smart. If we don’t behave more truthfully, he won’t believe it.”

The rest of my life nodded, and didn’t want to think too much, so they entered the elevator with Zhang Wanqiu and went to the fifth floor.

Seeing the elevator open, Zuo Wenyu and others were a little excited.

But when he watched Zhang Wanqiu come out with the arm of a handsome man, he was dumbfounded.

The other students were also dumbfounded.

What’s happening here?

Chapter: 596

Zuo Wenyu didn’t recognize the rest of his life for the first time, but looked at Zhang Wanqiu with a calm face, his face was rather ugly.

“Wenyu, what’s the matter with you? Isn’t this party planning to bring family members?” Zhang Wanqiu looked at Zuo Wenyu, pretending to be surprised.

“Who is he?” Zuo Wenyu pointed to Yu Sheng and asked in a deep voice.

“Oh, I forgot to introduce it to everyone. This is my boyfriend Yu Sheng, Yu Sheng, this is Zuo Wenyu, the eldest son of the Zuo family.” Zhang Wanqiu introduced the two to each other.

“Hello.” Yu Sheng smiled faintly and stretched out his hand to Zuo Wenyu.

“Who the hell are you? You deserve to shake hands with me? Are you worthy?” Zuo Wenyu stared at Yu Sheng fiercely, his eyes full of disdain.

Qiancheng’s somewhat famous family didn’t have a surname, so as soon as he heard Yu Sheng’s name, he concluded that Yu Sheng was not a powerful person.

In addition, after spending the rest of his life in Qiancheng for eight years, his speech has almost been transformed into Qiancheng. Even if he still speaks of Beijing, he doesn’t speak Mandarin, and few people can hear it.

When he used the Qianpu dialect, there was really no doubt that he was not from Qiancheng.

Hearing Zuo Wenyu’s words, Zhang Wanqiu suddenly panicked, and said angrily: “Zuo Wenyu, please be respectful!”

Then looked at Yu Sheng apologetically, she was afraid that Yu Sheng would be angry because of it.

Yu Sheng shook his head, signaled that there was nothing wrong, and then withdrew his hand without a trace.

“Zhang Wanqiu, what do you mean? Just take a beggar on the street to perfume me?” Zuo Wenyu has a fierce temper.

He spent countless thoughts today. In order to catch up with Zhang Wanqiu, he also spent money to organize this classmate gathering, just to give Zhang Wanqiu a surprise, so that Zhang Wanqiu could agree to be his girlfriend.

Unexpectedly, Zhang Wanqiu had brought a man here. This was just slapping him in the face.

Slap him in the face in front of the class!

“Where did I perfume you? He is my boyfriend.” Zhang Wanqiu said firmly.

Zuo Wenyu sneered and looked at Yu Sheng again, suddenly remembering that he had seen Yu Sheng when Zhang Shengquan went to look at the land.

He disdainfully said: “Zhang Wanqiu, is he an employee of your company? I saw him in person last time to accompany your dad to see the land. Don’t lie to me.”

Zhang Wanqiu was startled, not knowing what to say, but Yu Sheng smiled and said, “Yes, I am President Zhang’s driver, but who told you that the driver can’t chase Missy?”

Zuo Wenyu disdainfully said: “You are a driver, what qualifications do you have to be the son-in-law of the Zhang family? Don’t you know how to be a master, right?”

Yu Sheng smiled faintly: “I like to have soft meals at home, can’t I?”

“Grass!”

Zuo Wenyu was very angry. Suddenly he didn’t know how to refute Yu Sheng, so he had to look at Zhang Wanqiu and said, “Late Autumn, tell me the truth, where I didn’t do well, can I change it? You just find someone to perfume me like this. I am very depressed!”

Yu Sheng said on behalf of Zhang Wanqiu: “This is not perfunctory, this is because she has no feelings for you at all. I am the only one in her heart, understand?”

Zuo Wenyu said angrily: “You fucking shut up! You are an inferior person, what qualifications do you have to speak in front of me? Believe it or not, I only need a word, you don’t even have the qualifications to stay for dinner today. !”

“Zuo Wenyu, what are you? Even the doctor Yu dare to yell, is your Zuo family so rude and rude?”

At this moment, Chen Churan’s brother and sister came over, and Chen Churan didn’t even save Zuo

Wenyu any face.

“Doctor Yu, I didn’t expect to meet you here. Our brothers and sisters have a meal in the shelter, let’s eat together.” Chen Jianpeng said respectfully.

Yu Sheng thought for a while, and said to Zhang Wanqiu: “Let’s go, this gathering doesn’t mean anything, and there is no fun to drink with Xiao Chen and the others.”

Zhang Wanqiu nodded, and followed Chen Jianpeng’s brother and sister to the next private room.

Zuo Wenyu and others were dumbfounded.

What’s wrong with this?

Chapter: 597

Zuo Wenyu had no idea that Chen Jianpeng’s brother and sister would respect Yu Sheng so much, what kind of genius doctor called him.

Could it be that that kid is really a genius doctor?

Zuo Wenyu didn’t believe it at all, but he didn’t dare to offend the Chen Jianpeng brother and sister.

The Chen family’s strength is much stronger than their Zuo family, and he dare not provoke Chen Jianpeng.

It’s just that he really didn’t think about why Chen Jianpeng’s brother and sister would respect Yu Sheng so much.

“Check it out for me, I want to know the origin of this surname Yu, and what is his relationship with the Chen family!” Zuo Wenyu slammed the flower in his hand on the ground, turning around and walking outside.

Zhang Wanqiu is gone, so what’s the point of this party?

Did you stay and be laughed at by your classmates?

Zhou Hai nodded and followed Zuo Wenyu.

Seeing that the initiator Zuo Wenyu was gone, everyone looked dumbfounded, is this party still going on?

But thinking of the cost of this gathering is not low, if they stayed for the gathering, they might have to pay for it in the end.

Thinking about it this way, everyone disbanded unanimously.

It’s just that Zhang Wanqiu’s boyfriend’s identity is also very doubtful in my heart.

Yu Sheng and Zhang Wanqiu left after having a meal with the Chen Jianpeng brothers and sisters.

On the way back, Zhang Wanqiu blamed himself.

“Master Yu, I’m sorry, I didn’t know that Zuo Wenyu would be so crazy, and repeatedly disdain you.”

Zhang Wanqiu said apologetically.

Yu Sheng shook his head and said with a smile: “Don’t take it to heart, Zuo Wenyu is nothing, I won’t take it to heart.”

Zhang Wanqiu nodded and said, “Thank you, Master Yu, but after tonight, he should give up his heart.”

“It should be.” Yu Sheng nodded, but remembering the unwilling and angry expression in Zuo Wenyu’s eyes at the end, Yu Sheng felt that he might not let himself go like this. Most of them would find someone to investigate his identity, and then find someone to collect it. Be yourself.

“By the way, just send me to the cherry blossom meeting.” Yu Sheng said again.

His car is at the Sakura Club, and he is going to drive there.

“Okay.” Zhang Wanqiu nodded and drove towards the direction of the Sakura Club.

At the cherry blossom meeting, Yu Sheng drove back in his own car.

During this period of time, his relationship with Yang Zihuan became more and more stiff, and he also knew that Yang Zihuan was the same as him, waiting for whoever broke the silence in the end. Before, Yang Zihuan wanted to get a divorce, but most of the time he was angry. But during this time, she also felt Yu Sheng's indifference to her, so she didn't dare to threaten Yu Sheng with divorce easily. Because she knew that if she threatened Yu Sheng with a divorce, it is estimated that Yu Sheng would really be separated from her. Although she was very dissatisfied with the rest of her life for many times, she was really not ready for a divorce. Seeing Yu Sheng came back, still full of alcohol, Yang Zihuan frowned slightly, but he didn't say anything. After taking care of washing the dishes, he returned to his room and started broadcasting. She is also a famous anchor now, but she doesn't have to work so hard. But in order to make more money, she still broadcasts for a long time every day, at least twice the time of other major broadcasters. For the rest of his life, there was no communication with Yang Zihuan, and he did his own thing. After sending Xiaoshui to school the next day, he went to the Sakura Club. During this time, he was relatively leisurely. The Sihai Group has Xia Jun to take care of it, and Bai Yulan and Zhang Wanqiu take care of the pre-construction work of the science and technology park. He is also very relieved that he can't get in many things, so he just has a good time. At ten o'clock in the morning, Magnolia was about to arrive at the cherry blossom meeting.

Chapter: 598

Magnolia arrived on time and walked out for the rest of her life. "Master Yu, I have already bought your swimsuit for you. Would you like to drive there too?" Bai Yulan asked. Yu Sheng shook his head and said with a smile: "There are free drivers, what other cars do you drive?" "Okay, then I'll be your driver for free." Magnolia also laughed. Just as Yu Sheng was about to open the passenger cabin and sit in, I saw Zhu Xiaoshu coming over in a BMW 530. It's a new car. I bought it a few days ago, and I just went to pick up the car this morning. "Master, I bought a new car. Would you like to come and sit?" Rolling down the car window, Zhu Xiaoshu looked at the rest of his life expectantly. Yu Sheng smiled slightly and said, "Someday, I'm going to the hot springs." "I want to go too, Master, take me." Zhu Xiaoshu said hurriedly, looking at Yu Sheng with a pitiful face. She opened the car door and got down, walked to the window of Magnolia, and begged: "Sister Magnolia, will you and my master go to the hot spring? Will you take me?" Seeing Zhu Xiaoshu's pitiful face, Magnolia had to smile and said, "Well, let's go." "Sister Yulan, you are so kind. By the way, I just bought a new car today. Are you all in my new car, okay?" Zhu Xiaoshu said with a look of anticipation. "Okay." Magnolia smiled and pulled the door to get out of the car. She is also very friendly to Zhu Xiaoshu. Zhu Xiaoshu and her grandfather are still benefactors of their family, and they have excellent medical skills. She really wants to maintain a good relationship with Zhu Xiaoshu.

“Master, sit in the back row.” Zhu Xiaoshu smiled at Yu Sheng.

Yu Sheng shrugged, opened the back door and sat in.

Starting the car and leaving for the cherry blossom party, Zhu Xiaoshu suddenly said: “By the way, I don’t have any swimsuits yet. Let me buy one first.”

Magnolia thought that she had two sets, so she said, “I have two sets. I will give you one set later.”

But as soon as the words were spoken, she felt that something was wrong.

Because of her two swimsuits, one is conservative and the other is a bikini, which one does she give Zhu Xiaoshu?

Give her conservative, then you have to wear a bikini, give her a bikini, then you have to wear a conservative.

Magnolia was thinking about it in confusion, and finally decided that Zhu Xiaoshu would pick first, and which one would be hers.

Which set you wear depends on God’s will.

Bai Yulan told Zhu Xiaoshu’s address, which was more than 40 minutes away. Because Zhu Xiaoshu was a novice, it took more than an hour to drive to the foot of Gaoquan Villa.

It took another ten minutes to reach the gate of Gaoquan Villa.

Gaoquan Mountain Villa is the only natural hot spring in the Qiancheng family. It is located in the middle of Gaoquan Mountain. There are several natural geothermal hot springs here. The Chen family bought it and built it into a mountain villa.

There are also several fish ponds in this villa. Those who come to play can still fish if they are bored.

There are also mahjong room, chess and card room, ktv entertainment room, etc., and the entertainment facilities are very complete.

The compulsions here are very high, and the consumption is also very high, so those who can come here to soak in the hot springs are all rich people.

However, even so, the supply of rooms here is in short supply. Not only the rich in Qiancheng, but even those in the surrounding cities, will come all the way to enjoy the baptism of the hot spring on weekends.

It happened to be Zhou Mo today. There were a lot of people who came to play, and the business was exceptionally good. There were hardly any vacancies in the parking lot.

Zhu Xiaoshu drove the car and ran back and forth in the parking lot for a few laps, and finally found an empty parking space, so she was happy, looked around, and immediately drove towards the empty space.

At the front of the parking space, Zhu Xiaoshu hit the steering wheel and was about to reverse into the garage.

And when her 530 was two meters away from the parking space, suddenly a Maserati sports car rushed over!

Chapter: 599

Maserati’s speed was very fast, and when he turned around, he was about to rush into the parking space Zhu Xiaoshu was about to park.

Zhu Xiaoshu was a novice, and when he saw this situation, he was shocked. Some of them were so busy that they didn’t react. They forgot to step on the brakes and fell over.

Hearing only a squeaking noise, the side of the other party’s car has already been marked with a long scratch on the rear of Zhu Xiaoshu’s car.

Only then did Zhu Xiaoshu come back to his senses. He hurriedly stopped the car and couldn't help but frown and complained: "How can there be such a parking space, the quality is too bad? Isn't the parking space paying attention to the basic rules of first come first?"

The Magnolia in the co-driver's cab also frowned. This Masha driver is a bit bullying the novice. If Zhu Xiaoshu is an old driver and doesn't spend so much time, it would be strange that Masha can get this parking spot.

At this time, the owner of Martha got out of the car. He was a young man wearing an exaggerated leather jacket and combing his greasy head.

After the youth got off the car, he glanced at the scratches on the side of the car, and his face suddenly became gloomy!

He gritted his teeth, walked to Zhu Xiaoshu's car, slapped the window hard, and yelled: "Cao Nima, stinky lady, are you fucking blind? Can't you see that I'm about to park in this parking space? His mother shaved Lao Tzu's newly bought car and quickly rolled it off for Lao Tzu!"

There was a scratch, and Zhu Xiaoshu was also very upset.

It's also the new car she just mentioned today. Besides, she is not a person who can suffer from dumb horses, so she immediately pushed to get off the car, and the young man directly reasoned: "What are you yelling? You don't have the quality to grab a parking space. Do you feel compelling in your heart? Still swearing at others here!"

The young man thought that Zhu Xiaoshu would still dare to talk back, and yelled, "It's your mother's stupid female driver again, and immediately met ten stupid drivers, nine of them are your women! Can you fucking drive? No! When the meeting opens, go back to your mother's womb and practice well before you come out, don't be embarrassed by his anger!"

Having said that, he said again: "I just bought this car for more than 1.4 million yuan. This damn let you shave it off. How much are you going to lose?"

Zhu Xiaoshu's face is quite ugly. If it weren't for her quality, she would have raised her hand and slapped the young man.

Angrily said: "Thank you to figure it out, this parking space is obviously waiting for you to see, I am ready to go in, you broke out halfway to grab the parking space, it was originally your problem, you don't talk about the rules at all. Still have the face to curse?"

The young man scolded angrily: "What's wrong with Lao Tzu scolding you? Isn't it just right to scold you"? Lao Tzu not only scolds you, but I will beat you!"

This young man is so arrogant that he even wants to reach out and hit someone.

But Zhu Xiaoshu was not afraid at all, and even she was a little angry. She was ready to wait for the youth to do something, so she would teach the youth a lesson.

At this moment, Magnolia pushed the car door down and said solemnly: "It's just a broken Martha. I will pay you for how much it costs!"

Magnolia really looked down on the young man, she couldn't help but sneered.

In her eyes, a car worth more than one million is not in her eyes. Even if a young man wants the full price, she will not frown.

The youth suddenly saw the white magnolia, his eyes lit up, and he said, "Oh, don't you see that you are quite beautiful, so let's go with me tonight, what about it?"

"Just you are worthy of letting me sleep with you? You don't take a piss and take pictures of yourself, let's say, how much is it, this girl will pay you!" Magnolia looked at the young man with disdain. The look in the eyes of the person.

Qing couldn't figure out the details of the white magnolia, so she said, "It costs seven hundred thousand."

"Okay, the card number, I'll transfer it to you." Without saying a word, Bai Yulan asked the other party to report the card number.

At this moment, Yu Sheng pulled the car door and walked out, and said lightly: "He won't pay him a penny. He didn't give me a reasonable explanation for this matter today. I smashed his car."

"It's you!"

Suddenly seeing Yu Sheng, the young man's eyes widened.

Chapter: 600

This young man is no one else, but Zhou Hai, who is next to Zuo Wenyu.

In the evening, Zuo Wenyu also asked him to investigate Yu Sheng's identity, unexpectedly meeting Yu Sheng here today.

What surprised him was that for the rest of his life last night, he appeared as Zhang Wanqiu. Today, he accompanied another beautiful woman to the hot springs, and two at a time. This guy is really good at playing.

Zhou Hai felt that if he told Zuo Wenyu this message, Zuo Wenyu would tell Zhang Wanqiu the message again, and Zhang Wanqiu might break up with this force.

"Isn't it normal to get a little scratching while driving? Is there anything I can't talk about? You can swear casually because you are a running dog from the Zuo family?"

At this time, Yu Sheng looked at Zhou Hai with a gloomy expression.

He posted late last night, and this Zhou Hai is Zuo Wenyu's lackey.

Zhou Hai looked at Yu Sheng and sneered: "Xiao, you fucking can play, only your girlfriend went to the party last night, and today I brought two beauties to the hot springs, do you fucking believe I will give it to you? Take a picture and send the picture to your girlfriend?"

"Fool, your master has a problem with his brain, I think you are also stupidly panicked." Yu Sheng sarcastically said.

He seldom got in trouble with others, but Zhou Hai had just cursed Zhu Xiaoshu a bit too much, and he couldn't help but cursed the other person a few more words.

Sometimes it's cool to scold it.

Zhou Hai looked at Yu Sheng coldly, and contemptuously said: "I have anything to say to you poor guys, take beautiful women out for hot springs, and only drive your mother a broken BMW. All new cars can't reach five. One hundred thousand, still dare to pretend to be in front of me?"

After finishing speaking, he pointed to his Maserati and said coldly: "The Masha that I just mentioned is more than 1.4 million. You fucking don't pay me 700,000, don't think about solving this matter today!"

Yu Sheng said coldly: "I ask you, did we plan to park in the parking space first? You have no quality, and you suddenly rushed out to grab the parking space. You still want us to compensate? Why? It's your left dog.!"

"Yes, what happened to me just following the Zuo family? I am a dog raised by the Zuo family. Are you the fucking unsatisfied?"

Zhou Hai is not ashamed, but rather proud, very arrogant: "Just now you asked me why, just because I belong to the Zuo family, and because of your fucking broken car, you shouldn't stop here, just because of you. Can't provoke me!"

Seeing that the other party is so arrogant, Bai Yulan didn't want to accompany her, she said coldly: "We

won't compensate for this kind of thing. You are solely responsible, and you should compensate us!"
"Am I compensate you? Are you fucking crazy?"

Zhou Hai grinned and said with a sneer: "Don't talk to Lao Tzu about this, return to the traffic police, if you know what I said, your fucking legs are going to be hammered off."

At this time, Martha walked out of the car with a face-lifted woman with heavy makeup. She pointed to the three Yu Sheng and said contemptuously: "You are so poor, and you dare to chir here, do you know that my old lady has 3 million fans in Kuaishou? To accompany my old lady with money, believe it or not, I will take photos of the three of you and post it on the Internet, so that my fans will come to you?"

Zhou Hai immediately put on a trivial and flattering expression, and said, "Oh, my dear, why are you back down? Hurry up and wait in the car, my husband can handle this."

After finishing speaking, Zhou Hai put on a vicious expression again and cursed at Yu Sheng: "You guys, if you know you, you should quickly lose the money, 700,000 yuan, and then drive you in your broken car to get out. Don't disturb Lao Tzu and Girlfriend go to the hot springs, otherwise you will look good today!"
