

Dont mess 601

Chapter: 601

Seeing that Zhou Hai was still so arrogant, Yu Sheng laughed and asked coldly: "What if we don't pay?" Zhou Hai gave a cold smile before he said: "A bunch of poor people, really fucking pretending, you wait, I will let you know the consequences of not paying."

With that, he took out his cell phone and dialed out.

After the call was connected, Zhou Hai said, "Mr. Wu, I'm here to play with you. As soon as the car arrived in the parking lot, it was forced to scrape by a few poor people. He didn't want to pay me any money, and gave me a fucking mouth. , You quickly bring a few people over."

After hanging up the phone, Zhou Hai looked at Yu Sheng with a sneer, and said, "Poor, I will give you a chance in the end, whether to pay or not to pay?"

Seeing that Yu Sheng did not speak, he threatened again: "I called the person in charge of Gaoquanshan Hot Springs, Zhou Zunming, my family. We have a good relationship and won't lose money. Don't talk about taking hot springs today, and even leave. It's difficult here!"

Seeing that the other party called someone, Bai Yulan didn't want to make things worse. In her opinion, the problem that money can solve is not a problem.

So he said: "Seven hundred thousand, right? Give me the card number, and I will pay you."

Zhu Xiaoshu hurriedly said: "Sister Yulan, he is clearly blackmailing us and can't compensate him. Even if he wants to, he can only pay 10,000 yuan at most. I will pay it by myself."

"Ten thousand?"

Zhou Hai spit out heavy sputum on the ground, and almost reached Zhu Xiaoshu's feet with a mouthful of big yellow teeth and cursed: "Are you coaxing me with Laozi? Do you know what Laozi is? I thought about it for ten thousand yuan? Let me tell you, today you don't even want to get away if you lose one cent of 700,000 yuan. If you don't have enough money, leave the certificate information, and then give me an IOU. The interest is 50,000 yuan a day, which is very profitable!"

"You are extortion!"

Magnolia couldn't stand it anymore, and angrily said: "I decided not to compensate you. If you mess around, I will call the police and let the police handle it!"

"Report, whatever you want."

Zhou Hai contemptuously said: "I'm afraid you count me as losing! Play this set with me? Tell you, I Zhou Hai eats black and white."

Magnolia is speechless, and she has no idea what to do when she encounters such a rascal.

When righteousness didn't know where to go, Yu Sheng spoke again and said: "Let's talk about it when he asks someone to come. I'll see if the person he called can fly into the sky."

When Zhou Hai saw that Yu Sheng was about to block his own money again, he thought that it was the incident involving Yu Sheng who asked him to investigate Yu Sheng yesterday. He smiled and said, "Boy, such a big critic, dare you tell me your identity information?"

"Are you worthy? It's just a dog, dare to ask for my identity information?" Yu Sheng said with disdain.

Zhou Hai gritted his teeth and said: "Xiaobi, you are looking for death on your own. If you don't beat you half to death later, I won't be surnamed Zhou!"

Yu Sheng sarcastically said: "You really don't deserve your surname Zhou, you fucking like to pretend, so just change your last name to pretend."

"My mother!"

Zhou Hai immediately burst into blue veins, raising his hand to slap Yu Sheng.

Yu Sheng sneered at the corner of his mouth, grabbed Zhou Hai's hand, pulled and pushed, and immediately dislocated Zhou Hai's wrist.

Zhou Hai snorted and grinned at his painful wrist.

At this moment, a middle-aged fat man Yixie hurriedly walked over with a few strong security guards.

As soon as he saw the fat man, Zhou Hai endured the pain and stepped forward to say hello: "Brother, you have not seen you in the past few days, and you have become fat again. It seems that what has passed this day is really nourishing!"

The fat man smiled and said: "Little brother, I don't have you moisturizing these days. You climbed the big tree of the Zuo family, and you earn tens of millions of dollars every year. Life is beautiful, and I have to rely on you to come and enjoy your face Eat something with your mouth."

As he said, the fat man hurriedly said, "My brother, what's the matter?"

Zhou Hai pointed his hand at Yu Sheng, and said: "This poor man is too damn able to install it. I won't be compensated for scraping my car, and the bones are still damn hard. I just kept pretending to be so fucking. It's boneless, I want him to give me an explanation."

Chapter: 602

The middle-aged fat man nodded and looked at Yu Sheng.

After looking around for a few times, I found that although the two women around Yu Sheng were very bright and charming, they were not ordinary people, but Yu Sheng's clothes were very ordinary, just a set of hundreds of thousands, not very bad, but they can't make it to the table. , My heart suddenly has a bottom.

In addition, the three of the rest of his life drove a 400,000 yuan 530, and he was even less concerned.

"Boy, when you go out, you don't have any vision. Do you know who you provoke?" The middle-aged fat man snorted coldly to Yu Sheng.

Most of the people who can come here for consumption are bigwigs with a net worth of more than tens of millions. When he sees the Yusheng three, he doesn't look like that kind of real bigwigs.

"who is it?"

For the rest of his life, he looked at the middle-aged fat man jokingly.

"This is Zhou Hai, an assistant to Zuo Wenyu, a young man from the Zuo family, a big boss with an annual salary of tens of millions, what are you? Just open a 530 rubbish, you can provoke my brother?"

After he finished speaking, he immediately said: "If you don't want to cause trouble, just listen to me and lose the money, and then move the car away. Don't waste everyone's time."

Yu Sheng laughed and said, "You are also very funny. You don't need to ask any questions and say that I provoke a big guy who shouldn't be offended, and you want me to lose money. Do you want to know what the big guy in your eyes is in my eyes? "

The middle-aged fat man frowned and asked subconsciously: "What is it?"

Yu Sheng sneered: "He Zhou Hai is no more than a dog raised by the Zuo family. Don't say he is a dog. Even if I don't see the whole Zuo family, he dare to attack the boss in front of me?"

The middle-aged fat man laughed when he heard it, and he didn't believe what Yu Sheng said.

If Yu Sheng is really as awesome as he said, then it's really hell.

He smiled disdainfully, and said: "Sure enough, you are a poor guy who likes to pretend. You open your dog eyes to see what car is parked around? What car are you driving? Which car do we have here, which is less than 100 Wan's? What qualifications do you have to park a broken BMW here?"

Hearing the fat man's words, Zhu Xiaoshu lowered his head in ashamed.

There was a touch of humiliation and self-blame on her face.

If she hadn't had to let Yu Sheng and Magnolia ride in her new car, the two would not have been humiliated.

For the rest of his life, after looking around the parking lot, he said in a cold voice: "I don't see any sign that you have no parking under one million cars."

"Don't fucking talk nonsense to me. Not only will I lose money today, but I will also pay for the medical expenses of Lao Tzu. It is two million less, Lao Tzu quit!"

Zhou Hai shouted angrily, kicked the left headlight of the BMW, and immediately broke the left headlight.

Zhu Xiaoshu felt terribly distressed when he saw this scene.

This is what I saved for many years before I saved enough money to buy it!

Zhou Hai cursed again: "Damn, I have tolerated you for a long time, you are a poor hanger, what are you going to put on here? If you grind, believe it or not I smashed your car?"

He looked at the middle-aged fat man, and said, "Brother Zhou, I think this is too uncomfortable today. Let the security guards give me a good meal. I will be responsible for what happened!"

Hearing what Zhou Hai said, the fat man didn't hesitate, cast a look at the security guards, and the security guards walked over to Yu Sheng.

At this moment, suddenly a voice came from inside.

"Oh, what's the matter, so hot?"

When the fat man heard this, he suddenly shook his whole body, turned his head to look over there, and said eagerly, "Master Chen, are you finished soaking? How do you feel?"

"It's okay." Chen Bin replied casually, and asked curiously: "What are you doing?"

While Chen Bin was talking, he brought the little brothers to this side.

The fat man hurriedly explained: "A poor man hit Brother Zhou. I'm about to avenge him. This kid is not good enough to pretend that he can pretend."

Chapter: 603

When Zhou Hai saw Chen Bin, he hurried forward to say hello: "Brother Bin, it's been a long time since I saw you. Come to the hot spring too."

Chen Bin looked at the sea next week. Isn't this guy the same dog next to Zuo Wenyu?

He remembers that when Zuo Wenyu asked him to do business, he mainly asked Zhou Hai to contact him.

"Well, what's wrong with your hand? It was interrupted? You have lost all of Zuo Wenyu's face." Chen Bin nodded and asked.

Although he and Du Fei are both whitewashing now, they are both from the underground circle, and Du Fei's reputation has made many big families a little jealous.

Although the real strength and financial resources of the Sakura Club are far inferior to those of the Zuo and Chen families, what is there to say?

Little devil is hard to deal with!

Besides, those who are in the underground circle never play cards according to common sense.

In addition, Du Fei is strong, so many people dare not provoke him.

And Chen Bin is Du Fei's next best fighter, even if Zuo Wenyu comes, he still has to give him a bit of face. So in his eyes, Zhou Hai is just a junior.

Zhou Hai's face was a little embarrassed, but in front of Chen Bin, he didn't dare to make trouble. Even his master didn't dare to offend Chen Bin easily. He had to smile bitterly and said: "When I met a poor man from the countryside, Damn it, wiped my car and dislocated my hand. It's really arrogant."

Chen Bin laughed and said, "I really want to see who is so courageous and dare to be so arrogant."

Chen Bin walked to the neighborhood, then pulled out the enclosed security guard and looked at the three people in the middle.

Immediately afterwards, he came to the rest of his life with an indifferent expression.

Yu Sheng looked at Chen Bin with a playful look, and said, "Chen Bin, you are quite nosy? Why, I don't want to be white, and I want to go back to the underground circle again?"

Chen Bin was suddenly scared into a cold sweat!

He didn't even think that he was surrounded by these security guards for the rest of his life!

At this moment, he almost collapsed, and he just talked about it for the rest of his life. What a fuck!

This is not only a member of the Yu family in Beijing, but also a real martial arts master, a big boss who can kill himself countless times with a single finger.

Moreover, in order to be qualified to follow the rest of his life in the future, he would get up and follow Yu Zhong to learn martial arts every day.

Just because he knew Yu Sheng was too strong, not to mention him, even his eldest brother Du Fei was doing his best to practice martial arts in order not to drag the rest of his life.

Chen Bin's heart was hurt to the extreme, but he reacted quickly and hurriedly bowed his head in salute:

"Yu, Brother Yu, I don't know it's you..."

Seeing Chen Bin's trembling look, everyone around was suddenly speechless...

The famous Chen Bin, Sakura Club's No. 1 boss besides Du Fei, a murderous demon, is so respectful to a poor man? !

Is he so bizarre?

At this moment, whether it was the middle-aged fat man or Zhou Hai, they all stared wide-eyed and couldn't believe that they saw this scene.

"Do you know this kid?" Yu Sheng glanced at Chen Bin lightly, and asked Zhou Hai.

Chen Bin trembled, knowing that Zhou Hai had offended Brother Yu, he walked over and slapped Zhou Hai's face with a slap, then grabbed his hair, held him in one hand, and slapped him. He smashed in front of Yu Sheng.

With a bang, Zhou Hai was smashed, and the concrete floor trembled slightly!

Zhou Hai was confused at once.

He resisted the severe pain on his body and asked: "Brother Bin, you, what are you doing to beat me?"

Chapter: 604

Chen Bin stepped on Zhou Hai's head and said in a cold voice: "Dare to provoke my brother Yu, do you want to die?"

Don't say you are just a dog from the Zuo family, even if your master provokes my brother Yu, I will kill him! "

The middle-aged fat man was completely dumbfounded when he saw this scene!

He didn't know what was going on, and the security guards didn't dare to move.

Zhou Hai erupted like a pig, "Brother Bin, don't fight, what's the matter?"

Chen Bin kicked Zhou Hai and said coldly: "Brother Yu is as kind to me as a new parent. You dare to provoke Brother Yu, you are provoke me, you said, are you fucking looking for death?"

He knew that Yu Sheng did not like others to reveal his identity, so he had to find such an excuse. But this is not important, it is important to satisfy the rest of his life, otherwise he knows that he can't finish eating today.

Suddenly he regrets something in his heart, so what am I going to worry about?

What a fucking panic!

The few subordinates he brought were also obediently standing aside, not daring to show up.

Zhou Hai realized that he had provoked people who shouldn't be provoked. He thought it was no wonder that he was so able to pretend before, and it turned out that Chen Bin was backing him.

He hurriedly cried and pleaded: "Brother Bin, I was wrong. I followed Big Brother Yu to recognize the contractor. Can I apologize to him? It's me who is wrong, it is my fault, I blame me, and I am willing to compensate him for his loss!"

"You're a fucking scumbag? Just rely on you to apologize to Brother Yu? Are you the fucking qualified?"

Chen Bin yelled and gave Zhou Hai another kick, and then saw Zhou Hai's Martha, and sneered: "You fucking bought a new Martha and thought you were great? My brother Yu is 40 million. Bugatti's special version is disdainful, and it has been thrown in my Sakura Club garage for a long time. How dare you damn a broken Martha in front of Brother Yu?"

Come here, smash this forced Martha for me, I'm going to hear the fuck today! "

As he shouted, several of his men took the steel pipes in the hands of the security guards and smashed them violently at Martha.

The plastic surgery girl who was sitting in Martha screamed in terror, and suddenly pushed the car door and ran down.

"Damn, this woman doesn't look like a good bird. Draw your mother's pretense. It's grossly disgusting.

The powder on this face is probably a few centimeters thick, right?

Come, bring her to me and kneel down! "

As soon as Chen Bin saw the face, he knew that the other party was not a good person, and he wanted to teach her a lesson.

Then a big man raised her face straight away and drove her over, making her kneel on the ground with a plop.

She shouted angrily: "What are you doing? I tell you, I have millions of fans in Kuaishou, and if I provoke me, I will expose whether you can do it!"

"I'm going to fuck!" Chen Bin raised his hand and smacked her face with a slap in the face, and directly squeezed her entire prosthetic nose.

Chen Bin pointed at her and cursed: "It's just a small trash internet celebrity, who dare to scream here? Do you know who I am?"

"Who knows this crude rubbish thing of you!" the plastic face gnashed his teeth and cursed.

Zhou Hai, who was next to him, was frightened. He turned up and slapped her face, cursing, "Are you fucking crazy? This is Brother Bin, the second boss of the Sakura Club, you and the others. Even Brother Bin dared to scold him, are you trying to die?"

After getting back to the car before getting the facelift, I watched the video myself, and then took a selfie. I didn't know who Chen Bin was. After hearing Zhou Hai's words, I was shocked.

She also spent a lot of time following Zhou Hai, and of course she knew what kind of cherry blossoms would exist, but even the Zuo family, the master of Zhou Hai, did not dare to provoke it easily.

Suddenly he shivered and said: "Brother Bin, yes, I'm sorry, if I know it's you, I don't dare to offend you if I kill you!"

Chapter: 605

Chen Bin glanced at his face and said with disdain: "I heard you have millions of fans?"

The facelifted face hurriedly nodded, wondering if Brother Bin saw me as an internet celebrity and exposed me to him, he would let me go?

Thinking about this, she returned to normal, unlocked her phone, and clicked on her homepage to show Chen Bin: "Brother Bin, look, 3.5 million fans."

Chen Bin sneered, grabbed her mobile phone, entered the video recording page of her live studio, took pictures of her nose and face, which had been photographed, and said: "Come on, I said to the camera that I am a fool. , It's a bitch, it's a bitch, say it, say it ten times!"

The face was so stupid that she had no idea that Chen Bin would want her to do this.

I hurriedly begged: "Brother Bin, please let me go. I said this. When my fans see it, I will be over..."

"Say or not?" Chen Bin asked coldly.

The face of plastic surgery was ugly to the extreme, and he looked at Zhou Hai next to him.

Zhou Hai said coldly: "Brother Bin asks you to do what you do. Hesitate to fuck!"

The face was shocked, but there was still nothing to say.

She is unwilling!

If he said that, Chen Bin recorded it for her and sent it to her live broadcast room, then how could she mix in Kuaishou in the future!

"Don't tell me?"

Chen Bin nodded and said to one of his subordinates: "Tie her up and send her to the underground chicken shop. If you don't pick up a customer for three years, she will not be allowed to leave. If you dare to run, you will call me. Die her."

"Okay Brother Bin." A bastard replied, and grabbed the arm of the plastic face to lift her up.

With a face scared, the soul flew away, and hurriedly pleaded: "Brother Bin, I said, I will say it now!"

Chen Bin coldly looked at the plastic surgery face.

There was no way to face plastic surgery, so I cried and said, "I'm a fool, a bitch, I live broadcast to lie to everyone..."

After repeating this ten times, Chen Bin stopped recording and went directly to her Kuaishou, then smashed the phone to the ground and smashed it to pieces.

Now even if she wants to delete it, she has no chance.

In my ears, the sound of smashing the car was endless, and the brand-new Maserati was quickly smashed into a pile of scrap iron.

Zhou Hai trembled all over, no matter how stupid he knew, he might have really kicked the steel plate this time.

He hugged Chen Bin's leg and begged for mercy: "Brother Bin, I was really wrong, please spare me this time, please Brother Bin!"

"I was wrong with your mother, and shut up for Lao Tzu!"

Chen Bin kicked Zhou Hai, stepped on his chest, looked at Yu Sheng and asked, "Brother Yu, how do you deal with this force?"

Yu Sheng glanced at Zhou Hai coldly and sneered: "This kid is very interesting.

By the way, do you know that brother Yang Jian offended me some time ago, and his mouth was very smelly. Finally, I asked them to lick the urinal? Take this kid in and lick the urinal for me, at least ten. "

Of course Chen Bin knew that he had already heard Du Fei say about it. In fact, many people already knew about it.

Because Hu Hai and Yang Yinzhu divorced because Yang Yinzhu licked the urinal.
So Yang Jian and Yang Yinzhu's brothers and sisters are a bit of a fire.
But it's the fire with the most foul reputation.
Zhou Hai had also heard of this incident. He didn't think that brother Yang Jian licked the urinal because he had offended the rest of his life.
At this time, he regretted it to the extreme in his heart.
Why is he so blind, trying to provoke this devil!
"Brother Yu, I'm sorry, I was wrong, please don't let me lick the urinal, I can compensate you..."
Zhou Hai knelt and walked towards Yu Sheng, his heart frightened to the extreme.

Chapter: 606

Zhou Hai really did not think that Yu Sheng actually forced Yang Jian's brother and sister to lick the urinal, forcing Hu Hai to stop Yang Yinzhu's culprit.
Before this incident, they also became their after-dinner talks for a period of time, and they all laughed at the Yang brothers and sisters for drinking and eating shit.
And now Yu Sheng actually asked him to lick the urinal again, and he was frightened immediately.
He doesn't want to follow in the footsteps of the Yang family brothers and sisters and become someone else's after-dinner talk!
"Brother Yu, I don't know Taishan. Please forgive me this time. You see that my car was also smashed, and you are out of breath. Please raise your hand and forgive me, please. You are!"
Zhou Hai was crawling at Yu Sheng's feet, crying.
He really regrets and is really scared!
"Go away, don't get my shoes dirty."
Yu Sheng kicked Zhou Hai and looked at the plastic face again.
Seeing Yu Sheng looked over, his face was suddenly scared to death.
She was also afraid that the rest of her life would let her lick the urinal!
During the live broadcast some time ago, she also said in the live broadcast room that the Yang brothers and sisters had provoked people who shouldn't be offended and were forced to lick the urinal.
At that time, she was also gloating.
I thought that now I might also be licked in the urinal.
Is this really retribution?
In order not to lick the urinal, the face-lifted face hurriedly crawled on Yu Sheng's feet, crying and begging: "Brother Yu, I'm sorry, Zhou Hai wanted to provoke you, it has nothing to do with me! Brother Yu, please also see that I am a woman. Come on, don't care about me!
By the way, Brother Yu, as long as you let me go, I will promise you everything you ask me to do, and I will agree to let me go to bed with you, just ask you to let me go, OK?"
Face plastic surgery is also free, as long as you don't lick the urinal, you don't care about giving up your body.
Zhu Xiaoshu, who was next to him, heard the words of a face-lifting face, and said disdainfully: "Just the ugly ghost with your nose-sucking nose wants to be in my master's bed too? Are you worthy?"
After a pause, she coldly snorted: "If you want to be on my master's bed, at least you must be a top goddess at the level of Ms. Yulan. You don't even have the qualifications to lick shoes for my master."
The speaker of Zhu Xiaoshu had no intention, but Magnolia was the listener.
She quietly glanced at Yu Sheng, her pretty face flushed immediately.

“What nonsense are you talking about?” Yu Sheng rolled his eyes, and Miss Bai is here. Is this what the apprentice said?

He looked back at Magnolia and found that Magnolia was also looking at him.

Seeing his gaze, Magnolia lowered her head shyly, not daring to look at him.

Yu Sheng shook his head and said to Chen Bin: “Bring me both of them in to lick the urinal, each licking ten, and when will they be licked clean and when will they leave.

By the way, did she say that she is a great internet celebrity? Want to let her fans come to human me? They recorded it for me when they licked the urinal, and then found a few streaming accounts and sent it to me across the Internet so that all netizens would know how they licked the urinal. ”

The two of them were really arrogant before. One scolded his disciple and had to waste money, and the other clamored to let fans human him, without giving them a bit of color, really regarded him as a mud bodhisattva?

Hearing Yu Sheng’s words, Zhou Hai and the plastic face were almost scared to death. The plastic face even hugged Yu Sheng’s calf, begging: “Brother Yu...”

But she didn’t finish her words, so Chen Bin picked it up and threw it aside.

“Take the two of them to the bathroom and lick the urinal!” Chen Bin ordered, and several big men forcibly carried the two of them.

The middle-aged fat man, the person in charge called by Zhou Hai, saw this scene, and his heart trembled to the extreme.

But what made his mind tremble even more was that at this time Yu Sheng looked at him again.

Chapter: 607

“Brother Yu, what should I do with this guy?” Chen Bin hurriedly asked when Yu Sheng looked at the middle-aged fat man.

Yu Sheng glanced at the middle-aged fat man and said coldly: “A dogleg, let him resign and get out of Qiancheng. From now on, he will let his brothers on the road chop once when he sees him in Qiancheng.”

The middle-aged fat man has always dared to speak. Hearing this, he hurriedly shouted: “Chen Bin, don’t mess around. Our Quanshan Hot Spring is the property of the Chen family. You know, Chen Jianpeng, the youngest of the Chen family, I’m Das young Chen. People, you moved me, Young Master Chen will definitely not let you go!”

In the eyes of the middle-aged fat man, you Chen Bin is just a bullshit. I have the Chen family behind me. Do you dare not give the Chen family face?

Sure enough, Chen Bin looked at Yu Sheng. The Chen family was not low in power. He dared to offend the Chen family, but he had to speak up.

The middle-aged fat man saw that Chen Bin stopped talking, and he knew it. He faintly smiled: “Chen Bin, you come to play with us. I can give you a discount when you are a VIP customer, but you even want me. Fuck, it’s just a white-eyed wolf, do you have a fucking seed to fiddle with me?”

After a pause, he said again: “Go away, from today, my Quanshan Hot Spring will not be open to you anymore!”

“Shoot them all out for me!”

The middle-aged fat man waved his hand, and several security guards were about to do it.

Seeing that the middle-aged fat man was still so arrogant, Yu Sheng was also angry, and said coldly:

“Your master is Chen Jianpeng, right? I have to see if he dares to let me go!”

After taking a look at the middle-aged fat man, he took out his cell phone and found Chen Jianpeng's number and called him.

"Wait for him to fight first, I also have to see what he has." The middle-aged fat man looked at Yu Sheng disdainfully, waved his hand, and signaled the security guards not to move, and waited for Yu Sheng to finish the call first.

He just wanted to see how to pretend for the rest of his life.

Soon, the phone was connected, and Yu Sheng said lightly: "Quanshan Hot Spring is your family's property, right?"

"Yes, doctor Yu, do you want to go to the hot spring, I will arrange it for you right away." Chen Jianpeng said hurriedly.

Yu Sheng's phone was amplified. When Chen Jianpeng's voice came out, the middle-aged fat man immediately heard it, and his face was a little hard to look at.

How does this kid know Shao Chen?

Yu Sheng said, "I'm in Quanshan Hot Spring. Is the person in charge here whose surname is Zhou?"

The opposite Chen Jianpeng was shocked, and hurriedly asked, "Doctor Yu, did he offend you?"

Yu Sheng said, "He makes me very upset. In short, from now on, I don't want to see him in Qiancheng anymore. You can figure it out by yourself. Give you three minutes to deal with it. You can't handle it well. I'll handle it for you."

He snapped and hung up the phone.

The middle-aged fat man suddenly had a bad feeling in his heart.

He just heard it out. Chen Dashao's attitude towards Yu Sheng seemed to be very respectful. Could it be that he really offended the big man?

Just when the fat man was thinking about it, his phone rang, his mind trembled, and it was indeed Chen Dashao.

He hurriedly connected, flatteringly said: "Big Young."

"You were fired, and also, leave Qiancheng for me within today, and never come back again, otherwise I will let someone break your legs!" As soon as the call was connected, Chen Jianpeng's cold and merciless voice came. .

"Shao Chen, why, why?" The fat man asked bitterly without giving up.

"Because you have offended someone you can't afford to offend!" Chen Jianpeng said coldly.

Chapter: 608

Chen Jianpeng's words caused the fat man to fall to the bottom, staggering, and the whole person suddenly lost his energy.

Chen Bin passed his call and said to the phone: "Chen Shao, I am Chen Bin in the Sakura Club, and I am in your Quanshan Hot Spring with Brother Yu. This fat man is too arrogant. Brother Yu is already angry anyway. Would you like me to teach him a lesson for you?"

"Okay, okay, then trouble Brother Bin, yes, tell genius doctor Yu, I will go right away." Chen Jianpeng said, hung up the phone, then went out and got on the car, and came towards Quanshan.

There is no way, his grandfather's life is saved for the rest of his life. How many years his grandfather will live in the future is basically the rest of his life. In addition to being grateful for the rest of his life, he must also please the rest of his life.

One of his spokespersons dared to offend the rest of his life. Of course, he couldn't fail to face it.

Chen Bin threw the fat man on the ground, slapped the fat man on the face.

“Didn’t you fucking be arrogant just now? Let me yell at you?” Chen Bin snorted coldly and kicked the fat man to the ground.

He just hesitated to ask Yu Sheng just now, the fat man thought he was scared, and even dared to be arrogant to him, just looking for death.

Chen Bin kicked the fat man a few more times. He was relieved of his suffocation before he didn’t do any more.

But he was also merciful, otherwise the fat man was already a useless person.

The fat man kept wailing, and Chen Bin stopped directly. He quickly climbed in front of Yu Sheng and pleaded: “Brother, I’m sorry, I was blinded by the dog’s eyes before, and I was disrespected by the boy Zhou Hai. Brother, please let me as a fart!”

For the rest of his life, he didn’t dare to be fat. He didn’t like this kind of person and didn’t want to give him a chance.

Seeing that Yu Sheng was indifferent, the fat man kept kowtow and begged for mercy: “Brother, please let me go. I have lived in Qiancheng since I was a child. My parents, wives and children, relatives and friends are all in Qiancheng. If I can’t come back for the rest of my life, Why am I still alive!”

Yu Sheng didn’t bother to take care of the fat man, and said to Zhu Xiaoshu: “There is a parking space over there, stop over there.”

Zhu Xiaoshu nodded, glanced at the car lights that had been kicked by Zhou Hai, and felt terribly distressed.

However, watching Zhou Hai’s Maserati was directly smashed into scum, and at this time Zhou Hai and the plastic face were taken to lick the urinal, her heart was more balanced.

“I’ll give you a million-class one another day, between one hundred and two million. Think about which one you want and let me know.” Seeing Zhu Xiaoshu’s distressed expression, Yu Sheng laughed.

“Master, really? You are so kind, love you!” Zhu Xiaoshu was excited, hugged Yu Sheng’s arm, blushing, his eyes were full of excitement as he watched Yu Sheng.

She knew that her master was a super boss, and she had money, so she accepted it without even thinking about it.

“Go and stop, park the car and get on.” Yu Sheng said with a shrug.

“Yeah.” Zhu Xiaoshu nodded, then let go of the rest of his life to park.

Magnolia glanced at Zhu Xiaoshu excitedly, and said with a sour smile: “You are very fond of her.”

Yu Sheng pretended not to hear the sourness in Magnolia’s words, smiled faintly, and said: “I’m just such an apprentice. I don’t spoil her.”

Magnolia raised her eyebrows and said, “I’m a little bit like worshipping you as a teacher.”

Yu Sheng knew that she was joking, so he made a casual haha.

Soon, Zhu Xiaoshu parked the car, and the three of them went to the hot springs.

As for the fat man, he never looked at him much for the rest of his life.

He believed that Chen Jianpeng would definitely not let him down.

Chapter: 609

Before starting to soak in the hot springs, Chen Jianpeng ran over in a hurry and apologized to Yu Sheng. For the rest of his life, of course he will not be blamed, nor will he be blamed.

Finally, it was realized that Yu Sheng had brought two beautiful women to the hot spring, Chen Jianpeng smiled, arranged the best pool for Yu Sheng, and left.

Quanshan Hot Spring is a Japanese-style private hot spring.

The customer has a private suite. Behind the suite is a large yard, about 100 square meters. The private hot spring is located in this yard.

The water in the hot spring pool is drawn from the eyes of the underground hot spring and flows continuously into the hot spring pool, keeping the temperature of the hot spring very suitable.

The suite arranged by Chen Jianpeng was better than the one previously booked by Magnolia.

This is the top suite here. There are two super-large and luxurious bedrooms. Even the hot springs are much larger than other places, and the scenery is even more pleasant.

After entering the room, Magnolia and Zhu Xiaoshu looked at the surroundings and immediately became happy.

Zhu Xiaoshu hurriedly urged Bai Yulan and said, "Sister Lan, go, let's change into swimsuits, let's go soak for a while and relieve our fatigue."

"Yeah." Magnolia nodded and went to the same room with two swimsuits.

I have to go to another room for the rest of my life.

But he just changed into the long horn shorts he had brought, and soaked in the pool first.

The warm water gradually flowed over the body, and the rest of his life couldn't help but let out a long sigh of relief.

It's been a long time since I've been here to soak in the hot springs, and I feel really comfortable.

At this time, in another room, Magnolia took out two sets of swimsuits, one was a bikini and the other was a more conservative swimsuit. Let Zhu Xiaoshu set himself first.

Without hesitation, Zhu Xiaoshu chose a conservative swimsuit.

Magnolia smiled and said, "Don't you wear a bikini?"

Zhu Xiaoshu shook his head and said with a smile: "My body is not as good as Sister Lan's, so I don't wear a bikini. Sister Lan's figure is suitable for wearing a bikini, and it will surely overwhelm my master's seduction in a while."

Magnolia's face turned red, and she smiled: "You little devil, you are all nonsense."

As she spoke, she took off her coat and showed her plump figure. Zhu Xiaoshu's eyes were straight, and she couldn't help sighing: "Sister Lan, you are so big here. If I were a man, I would definitely love it."

Magnolia couldn't help laughing and cursing: "Go, put on your clothes and go."

But when Zhu Xiaoshu said that, thinking that she would be wearing a bikini and soaking in the hot springs with the rest of her life later, she was a little expectant and a little shy in her heart.

The two laughed for a while, then changed their clothes and came out.

At this time, Yu Sheng was enjoying the refreshment of hot springs with his eyes closed.

After a while, there was footsteps behind him, Yu Sheng turned his head to look, and his eyes lit up.

The swimsuit that Zhu Xiaoshu wears is conservative, but she outlines her budding beautiful figure, slender legs, and white skin face, all of which show her youthful vitality.

After all, the white magnolia next to her was a few years older than Zhu Xiaoshu, and her dress was much bolder.

She is wearing a pink bikini, which is very eye-catching.

This bikini only covers the important parts and shows most of the other parts in the air, which makes the figure unparalleled.

Her figure is very perfect, well developed, and her appearance is also very beautiful, because she is more daring and irritating.

At this moment, Yu Sheng was indeed a little fascinated.

"Sister Lan, I'm not mistaken, I said that if you wear a bikini, you will definitely seduce Master. Look,

Master's obsessive eyes are straight." Zhu Xiaoshu smiled.

Magnolia also saw Yu Sheng's eyes looking at her figure wantonly, her face flushed immediately, and her cheeks on both sides were even hotter.

But there was a sense of pride in her heart.

Chapter: 610

Seeing Yu Sheng's somewhat surprised and stunning gaze, Magnolia was a little shy at first, but she soon smiled charmingly, and then quietly threw a look full of love at Yu Sheng, her eyes a little bold and a little bit bold. Divide shy and provocative.

This made the rest of his life, who had not had a room with Yang Zihuan for a while, suddenly a surge of heat rose up in his dantian.

Looking at the water-like gentleness of the white magnolia, and looking at the somewhat fiery bold eyes, Yu Sheng didn't even feel a little throbbing in his heart.

But he could only pretend that he couldn't understand, and quickly withdrew his sight.

One is an important partner in his own business and is considered a friend, and the other is his own apprentice. It would be a bit embarrassing if his true shape was revealed in the water for a while.

The two women naturally twisted their waists and walked over like models. In Yu Sheng's eyes, they were simply enjoying a wonderful underwear show.

Afterwards, the two came to the hot spring pool, stepped on their slender white legs, and plunged into the water one after another.

Magnolia wanted to sit next to Yu Sheng, but she was a little embarrassed, so she finally pulled Zhu Xiaoshu to sit two or three meters away from Yu Sheng and chatted.

For the rest of my life, I felt a little disappointed.

It is indeed a shame that the beautiful weather, natural hot springs, and the beautiful women can't be together but can't be together.

I wish Xiaoshu didn't think so much. As soon as she entered the water, she enjoyed the comfort of the bubbling hot springs. While enjoying herself, she chatted with Magnolia.

And Magnolia's thoughts are obviously on Yu Sheng.

While chatting with Zhu Xiaoshu, she secretly glanced at Yu Sheng with her eyes from time to time.

But for the rest of his life, he closed his eyes and rested in the hot spring.

Even so, Magnolia still has to take a look for the rest of her life from time to time.

But seeing Yu Sheng seemed to be asleep made her feel a little disappointed.

She chatted with Zhu Xiaoshu for a while, because the hot springs made the body too relaxed, so they both felt sleepy.

Recently, she has to be responsible for the auction business and also take care of the civil engineering of the science and technology park. She has been busy tossing, and she has long been exhausted.

At this time, surrounded by the hot spring water, I felt an unprecedented tiredness coming. After a while, I became a little sleepy.

But after a few minutes, she suddenly saw Zhu Xiaoshu fall asleep slowly by the pool with a towel on her pillow.

She raised her spirits, looked at Yu Sheng not far away, and gritted her teeth, then slowly walked towards Yu Sheng.

At this time, for the rest of his life, he closed his eyes and rested his mind, half asleep and half awake.

Suddenly he felt the surging of the water around him, and when he squinted, he reached the white and

tender body of Magnolia, and at this time he had already swam to his side.

Yu Sheng smiled. Just about to speak, Magnolia made a quiet gesture and said, "Xiao Shu is asleep, don't bother her. I think she seems to be quite sleepy."

Yu Sheng looked up and found that Zhu Xiaoshu was indeed asleep.

During this time, Zhu Xiaoshu will get up at five o'clock to practice martial arts with Yu Zhong. In the afternoon, she will recite and understand the pharmacological properties according to the needs of the rest of her life. When she has time to practice alchemy for the rest of her life, she will also follow suit. It is indeed a bit sleepy.

Magnolia sat down next to Yu Sheng, her smooth arm accidentally touched Yu Sheng's arm, causing her to tremble slightly, as if countless small deer hit slightly in her heart.

But seeing that Yu Sheng had no reaction, she was slightly relieved.

"By the way, didn't you say that you want to talk to me about work?" Yu Sheng suddenly looked back at Magnolia and smiled slightly.
