

Dont mess 631

Chapter: 631

"You do not deserve..."

These three words slapped Yang Zihuan's face like a slap in the face. She couldn't recover for a long time, her eyes silently looked at the live screen.

Turning off the phone, Yu Sheng sighed, he was out of step with the heat and noise around him.

Originally, with the mentality of going to see, I didn't expect that Yang Zihuan would have become like this now, so he took the initiative to ask for gifts.

Before, Situ Jian gave her a gift, and she promised to go down to see him, not even caring about Li Kai's safety.

In the past, when did Yang Zihuan, who Yu Sheng beloved, become like this? He could do such a thing for the sake of money.

He felt that if he sent a message to Yang Zihuan in his identity, Yang Zihuan would be able to accompany him to sleep. This feeling was like being put on a green hat.

I don't know when the concert is over, and the people around are almost gone, leaving only the rest of my life sitting in a daze.

"Hey, Mr. Yu!"

At this time, there was a sweet voice in the ear, which pulled Yu Sheng back from his thoughts, and looked up to see that the person in front of him was Liu Qianshuang.

"The concert is over? Then go back and have a good rest. This time the performance is good, and the company will give you better resources in the future."

For the rest of the concert, I was quite satisfied, and I also had a good impression of Liu Qianshuang. It was the boss's fancy to his subordinates, not between men and women.

Liu Qianshuang nodded excitedly, her beautiful faces were flushed with excitement, like a ripe red apple, delicate and charming.

For the rest of his life as a normal man, Liu Qianshuang had an urge to take a bite after seeing this appearance.

Fortunately, his concentration is strong, and he restrained his thoughts in time.

With a light cough, Yu Sheng said, "I will leave if I have anything else to do."

When he heard that Yu Sheng was about to leave, Liu Qianshuang immediately panicked, and quickly blocked Yu Sheng in front of him, blocking his way.

"Why, is there anything else?" Yu Sheng asked puzzledly.

Liu Qianshuang raised her head, a little afraid to look at Yu Sheng's face, a small blush was almost bleeding, and she also knew that it was wrong for her to stop Yu Sheng suddenly.

"I want to treat you to dinner, just as thank you for giving me a gift today."

Liu Qianshuang didn't know what was wrong with him. Before, he could face Yu Sheng well, but now he is a little cringe of getting along with Yu Sheng alone.

After taking a peek at Yu Sheng, he lowered his head again, and his heart thumped quickly. Liu Qianshuang felt that she liked the man in front of her.

"There is no need for this, and the reward for you is just an investment, as long as you do it well." Yu Sheng explained.

He didn't want to have too much involvement with Liu Qianshuang, nor did he want her to misunderstand anything.

Liu Qianshuang looked at Yu Sheng with a look of loss, the water rippling in his big eyes, as if tears would flow from those beautiful eyes in the next moment.

She said with a hint of pleading in her voice: "I just want to treat you to a meal. Would you not agree to this small request?"

Seeing Liu Qianshuang's appearance, his head grew big in the rest of his life. He was not afraid of dozens of men threatening him with sticks, but the most unlikely thing was that a woman looked at him pitifully and wept.

Yu Sheng hurriedly said: "Yes, I promise you, can you stop crying?"

Seeing Yu Sheng's promise, the loss on Liu Qianshuang's face disappeared instantly, the tears were also collected, and a smile was on her small face.

"There is a good western restaurant not far from here. The steaks there are super delicious. I'll take you there!"

I don't care what I eat for the rest of my life, just thinking about how to cope with the meal.

When the two of them left the field, they were about to drive, and they saw a shadow trotting in their direction not far away.

The two lumps of things on my chest are shaking, and I feel dizzy for the rest of my life...

Chapter: 632

The visitor was Yu Li, Yu Sheng's secretary. She twisted her exquisite figure and walked in front of Yu Sheng on a catwalk.

"Yu Dong, I went home and cooked the soup after work. It took an hour or two to cook it. I heard that you were watching the concert and I personally delivered it to you." Yu Li said, raising her hand. In the thermos.

Stepping forward, Yu Li realized that there was a woman standing beside Yu Sheng, and her appearance was not inferior to her.

The photos on the big publicity advertisements outside were exactly the same as the woman in front of them. Yu Li thought about it and guessed it.

This woman is the female singer recently trained by Sihai Group.

And at this time, Liu Qianshuang was also looking at her, the two women faced each other, flashing flashes of light instantly, crackling.

Both of them saw each other's little thoughts about the rest of their lives, and women knew women best.

In a secret contest, there is no way to tell the victory or defeat, Yu Li cast a glance at Liu Qianshuang, and then put all of her mind on Yu Sheng's body.

"No need for this, I'm planning to have dinner with Liu Qianshuang, then you can drink the soup yourself! Go back to rest early after a busy day." Yu Sheng directly rejected Yu Li's kindness.

Today's peach blossom luck is too good, I can't believe it for the rest of my life, first Liu Qianshuang, then Yu Li, trouble after trouble.

If I knew that there were so many things, I would never come to the concert for the rest of my life, so I might as well stay at the Sakura Club and practice alchemy.

Liu Qianshuang was already jealous when she watched from the sidelines. When this woman came, she wanted to stick to Yu Sheng's body and acted like a baby to Yu Sheng!

"Mr. Yu, let's go! Otherwise, the store will be closed."

"Um."

Yu Sheng nodded, pressed the car key, and got in the car first. Liu Qianshuang also opened the co-pilot's door and sat in it.

Seeing that the two of them wanted to have it, Yu Li was naturally unwilling, and quickly opened the rear door of the car and sat in.

"Yu Dong, I will cook soup with you after work. I have been busy for a few hours. I still don't have dinner? Can I go with you?"

Yu Li had said this, and Yu Sheng couldn't say anything else. Since she was going, let's go. I can't drive her off.

And Liu Qianshuang, who was sitting in the co-pilot, was full of displeasure, and his chest was constantly ups and downs, and he was obviously very angry.

This woman was too much, she got in the car first and then played, and then asked about this. If it wasn't for the sake of face, Liu Qianshuang wanted to drive this nasty woman off.

For the rest of his life as a straight man, he put his mind on driving, and he didn't even notice the inconsistency between the two women.

When they arrived at the restaurant, the three of them walked in together. For the rest of their lives, there were two big beauties standing on the left and right, which attracted the envy of the men around.

"This man is too capable. Take a look at the two women next to him. One is a pure goddess, and the other is a coquettish stunner."

"It would be nice if I were him, it's so cool!"

"It's nice to be rich, to be able to bring two big beauties at once."

The people around him kept talking, and they were too lazy to argue for the rest of his life, but to be honest, his appearance was indeed too high-profile.

When he came to the restaurant, Yu Li quickly managed to be by Yu Sheng's side, but Liu Qianshuang, who reacted a step slower, could only be the opposite of Yu Sheng.

Yu Li smiled triumphantly at Liu Qianshuang, as if provoking, Liu Qianshuang also didn't bother to care about her.

At this moment the waiter came over and said respectfully: "Three distinguished guests, what do you want to eat?"

I ordered some casually, so the waiter took the menu and left, leaving only three people for the rest of his life.

When the scene fell silent for a while, Liu Qianshuang spoke first, "Mr. Yu, thank you for your fancy, I never thought that you would give me a reward of five million, which really cost you money."

When she said this, Liu Qianshuang took a special look at Yu Li. She deliberately said this to let this woman know how much she liked her for the rest of her life.

Sure enough, Yu Li's face immediately became calm, and the eyes that looked at Liu Qianshuang were full of jealousy.

"It's only five million, just work hard." Yu Sheng said lightly, five million is really drizzle to him.

"Of course, five million is just for Yu Dong to have fun, but five million is different to Miss Liu. I don't know if you want to invite Yu Dong for dinner or have other meanings."

Yu Li found the right time and did not forget to humiliate Liu Qianshuang.

Chapter: 633

The meaning in Yu Li's words is that she Liu Qianshuang, because Yu Sheng has rewarded five million yuan, and asking Yu Sheng to eat is actually to accompany Yu Sheng to sleep because she wants to pawn

her.

Liu Qianshuang, who is usually quiet and reserved, was frustrated in the face of the humiliation of others, and stood up as soon as he patted the table.

A pair of beautiful bright eyes stared at Yu Li fiercely, her small face flushed with anger, but she didn't say a word for a long time.

When Yu Li saw Liu Qianshuang pat the table, she took the opportunity to post in Yu Sheng's direction, and she wished to stick to Yu Sheng's body.

Holding Yu Sheng's arms in both hands, the softness on his chest rubbed against his arms.

Yu Li is like a frightened deer, taking the rest of her life as her only support.

"Yu Dong looks so fierce! She's scared to death, I'm so scared! Did I just say something wrong to make Miss Liu angry?"

It was the first time that Liu Qianshuang had a good impression of a man, and it was the first time that someone with such a high level of skill robbed her of a man.

Obviously knowing that Yu Li was deliberate, but she just couldn't beat her, the more she wanted to get angry, but she didn't have a temper tantrum here for the rest of her life.

"Do you still need to ask others what you said wrong? Is it possible that you are a three-year-old child with no brains?" Liu Qianshuang replied hard.

After saying this, Liu Qianshuang felt a little better in her heart. She wanted to leave, but this happened to be caught by Yu Li's trap.

Today, she is going to have a bargain with this woman!

"You..." Yu Li was told that the three-year-old child had no brains, and she became very angry for a while, and she held back when she was angry.

Instead, she grabbed Yu Sheng's arm and acted aggrievedly: "Yu Dong, why does Ms. Liu talk to me with thorns? It was the first day I met her, and she looked at me like this."

Yu Sheng gave a bitter smile and took his arms out of Yu Li's arms. Although Yu Li's arms were soft and warm, it was also a public place.

Two women understand their thoughts for the rest of their lives, but what can he do?

Obviously, she had already rejected too much Li once, and also expressed her thoughts about her, but this Yu Li was chasing him.

If you export to help Liu Qianshuang, it will surely make Yu Lihan's heart. The two people help no one. They are all very capable people in the company.

After thinking about it for a long time, Yu Sheng just said a painless sentence: "Liu Qianshuang is this character and is not aimed at you."

Seeing that Yu Sheng didn't help herself, Yu Li was obviously a little bit disappointed. Her methods to deal with men were very useful, but they were of little use as soon as Yu Sheng was here.

It's like playing the piano to a cow!

"So, you have the delusion of persecution yourself! Don't always surround the men if there is something wrong, go to the psychiatric hospital, maybe you will find something wrong!"

Liu Qianshuang seized the opportunity and directly mocked the past, saying that Yu Liqi's face was green and red.

He almost laughed out of Liu Qianshuang's words for the rest of his life. He didn't expect that a little girl who was quiet on weekdays would be so clever and sharp today.

From the beginning, Yu Li had the upper hand, and then Liu Qianshuang's counterattack in a jedi, this war between women is simply wonderful.

If it wasn't for him, Yu Sheng would even think it was more exciting than watching a movie in a cinema. The war between the two women didn't stop until the waiter brought them over.

And not far from the three of them, five more people walked into the western restaurant.

The people here are no one else, but Zuo Wenyu and Zhou Hai, and three bodyguards in black suits and sunglasses.

Zhou Hai's eyes saw Yu Sheng by the window inadvertently, and he gave Yu Sheng a bitter look, and his eyes lit up in an instant.

"Zuo Shao, look at who that person is over there!" Zhou Hai pointed his finger at the place where Yu Sheng was.

At this time, Zuo Wenyu also saw Yu Sheng, his eyes narrowed, and he said with a cold snort, "I thought I could meet him in this place, it's really a narrow road!"

Zhou Hai immediately echoed the doglegs: "Yes, yes! Young Master Zuo can meet the rest of his life in this place, that means his good life is over."

"You dare to covet the woman you Zuo fancy, this time you must teach him a lesson!"

Chapter: 634

The three of them were eating, but suddenly a group of people surrounded them.

Yu Sheng's six senses were sensitive when they entered the door, and the conversation between Zuo Wenyu and Zhou Hai was all heard by Yu Sheng.

Putting down the chopsticks in his hand, Yu Sheng didn't say a word, and looked at the five people calmly. He wanted to see how these people trouble him.

However, Liu Qianshuang and Yu Li didn't have the skills for the rest of their lives, and they were suddenly shocked by the crowd, and the visitors were still aggressive.

Zuo Wenyu directly raised his foot and stepped on the table, and the plate on it was shaken twice by his movement.

"Isn't this the waste of the Yang family eating soft rice? How dare you come to eat in such a high-end western restaurant." Said Zuo Wenyu here took a look at Liu Qianshuang and Yu Li.

Zuo Wenyu had no idea that Yu Sheng would be surrounded by two big beauties, one of whom was Liu Qianshuang, a very famous singer recently.

Liu Qianshuang's appearance is almost indistinguishable from Zhang Wanqiu's, and he was a little fanciful to see him for a while.

Liu Qianshuang was a little hairy by Zuo Wenyu's gaze, and turned to Yu Sheng for help: "Mr. Yu..."

Yu Sheng raised his hand to signal Liu Qianshuang to calm down, then looked at Zuo Wenyu, and said lightly: "Why do I need to report to you where I eat?"

Seeing that Yu Sheng didn't know what was good or bad, Zhou Hai directly cursed at Yu Sheng: "What the hell are you, you dare to talk to Zuo Shao like this, it's really impatient!"

Zhou Hai yelled in his ears, the noisy Zuo Wenyu's ears hurt, turned around and slapped Zhou Hai directly on the face.

Scolded: "I told you to talk, just stay here for me honestly."

Zhou Hai didn't even think that he just taught Yu Sheng a few words, and was slapped by Zuo Wenyu, his face was so hot, but he didn't even dare to let go.

Had to retreat honestly, and never dared to speak anymore.

Originally, Zuo Wenyu also wanted to teach the rest of his life a good lesson, but he didn't think that Yu Sheng had two big beauties by his side, so he changed his mind.

Now he wants to have fun with Yu Sheng, so that these two beauties who were fooled by Yu Sheng know what kind of person he is.

Maybe these two beauties just left with him!

Suddenly Zuo Wenyu thought that the previous Liu Qianshuang seemed to be called Yu Sheng “Ms. Yu”, and when he thought about it, Zuo Wenyu could guess something.

It is definitely the rest of his life to pretend to be a big money, saying that he is a veteran of which company, so that he can coax Liu Qianshuang, a famous singer, to accompany him to dinner.

And another beauty, maybe he was deceived like this.

What a waste for the rest of my life, I really have the ability to see if I don’t expose you today!

“Hey! For the rest of your life, the Yang family that you joined is bankrupt, and there is no soft food to eat, so are you eager to find the next home? How come you want to lie to Miss Liu and this beauty?”

Zuo Wenyu mocked.

Eat soft rice? Do you want to eat soft rice for the rest of your life?

Liu Qianshuang and Yu Li both were dizzy, wondering if the person Zuo Wenyu was talking about was the rest of their lives.

Liu Qianshuang said nothing to believe that the chairman of the dignified Sihai Group and the person who gave her five million rewards would be a soft meal.

Yu Li didn’t believe it even more. She knew Yu Sheng’s wealth better than Liu Qianshuang, and even wondered if this young master Zuo had taken the wrong medicine.

Facing Zuo Wenyu’s ridicule, Yu Sheng only replied in a faint sentence: “What does the bankruptcy of the Yang family have to do with you? Whether I eat soft rice or not seems to have nothing to do with you!”

Zuo Wenyu hit the cotton with a punch, which was a little different from what he had imagined!

Shouldn’t these two beauties find out that they were cheated by Yusheng? How come there are no reactions at all?

For the rest of his life, there was no point of being exposed to anger.

And Zuo Wenyu felt that they looked at them as if they were looking at this fool!

The eldest young master of the dignified Zuo family, how could he accept being regarded as a fool, and instantly became angry.

He stood up and shouted at everyone in the restaurant: “Come and take a look, everyone! Qiancheng’s famous waste soft rice king, even cheated, and now lie to these two beauties!”

Chapter: 635

Zuo Wenyu’s voice was very loud, and for a while attracted the attention of everyone in the restaurant, and one after another looked in their direction.

Some people envied the rest of their lives to be able to bring two stunning beauties, thinking that it was a rich boss, but thought it was a soft meal, these two beauties were cheated by him.

“A person who eats soft rice has the face to cheat, and there is such a shameless man in the world.”

“Yeah! Really ashamed of our men, bah!”

Arguments keep coming and going.

Yu Sheng didn’t care about taking a sip of the red wine from the table. Zuo Wenyu’s behavior was like a ridiculous clown in his eyes.

Liu Qianshuang and Yu Li were not angry when they saw Yu Sheng, and they couldn’t say anything. They just sat there quietly, a small Zuo family, which was nothing in the eyes of their chairman.

They watched Zuo Wenyu die there with cold eyes, and they even looked forward to how they would punish Zuo Wenyu for the rest of their lives.

Still not responding, Zuo Wenyu was puzzled, could these two women be fools, how could they be fooled into this by Yu Sheng!

“The rest of my life is a soft meal. I brought you to this place for dinner. Maybe you won’t have the money to pay for it.”

Liu Qianshuang smiled carelessly, “It’s okay, today I specially invited Mr. Yu to dinner.”

These words made Zuo Wenyu very angry. How charming is Yu Sheng, that he can make a stunning beauty pay him money, and look at Liu Qianshuang’s appearance and look honored?

Zuo Wenyu racked his brains and couldn’t understand, but he didn’t bother to waste time on this issue. Seeing Yu Sheng’s appearance that he didn’t treat him as the same thing, Zuo Wenyu felt very angry and had to teach him a lesson today.

I was too lazy to pretend to be in front of the two beauties, and cursed directly at Yu Sheng: “What the fuck are you, I’ve long seen you upset!”

Zuo Wenyu pointed to the three black bodyguards behind him and said: “Seeing the person behind me, if you crawl under my crotch today, I will spare your life.

Otherwise, I will let you in vertically and out sideways! ”

Zuo Wenyu just wanted Yu Sheng to lose face in front of these two beauties and everyone, so that he had no way to pretend to be in front of him.

Hearing this, Yu Sheng pulled out a smile at the corner of his mouth. People who knew Yu Sheng could guess that Zuo Wenyu is going to be bad today.

Seeing Yu Sheng stood up, Zuo Wenyu thought that Yu Sheng was afraid of being reluctant to die. He wanted to crawl under his crotch, and quickly spread his legs, looking at Yu Sheng with a joking expression.

“I know that you are a waste. If you are afraid of death, you can quickly crawl over and lick my shoes with your tongue and learn two dog barks. I am happy, maybe I can help you buy this table of orders. NS.”

Hearing this, everyone looked at Yu Sheng, thinking that he was going to crawl under Zuo Wenyu’s crotch.

The people who left even took out their mobile phones and turned on the camera function to record the picture, and then post it online.

Zhou Hai also watched with excitement. He was ordered by Yu Sheng to lick the urinal before, so naturally he is the most happy person to see Yu Sheng’s bad luck.

Don’t forget to remind you: “Zuo Zuo, someone with a bad mouth like him should let him lick the urinal until you are satisfied!”

Hearing Zhou Hai’s suggestion, Zuo Wenyu nodded in satisfaction and smiled: “This is a good idea. I will crawl over it quickly, and then roll to the men’s bathroom to lick the urinal.”

Seeing that Zuo Wenyu really asked Yu Sheng to lick the urinal, Zhou Hai was about to laugh out of excitement. It was ten times as damn good as playing with a woman.

For the rest of his life, the matter of letting him lick the urinal became a big shadow in Zhou Hai’s life. For the rest of my life, for the rest of my life, you also have today!

Zuo Wenyu believed that Yu Sheng did not dare to refute his words, they were five people, and the three bodyguards he brought with him were all good.

Besides, their Zuo family is also a big family in Qiancheng, and for the rest of his life, a door-to-door son-

in-law of the Yang family, how dare to oppose him, besides, it is still under the premise that the Yang family goes bankrupt.

Chapter: 636

“Oh? Let me lick the urinal. With your self-confidence, you don’t think that the three wastes behind you can really do to me, right?”

Yu Sheng walked in the direction of Zuo Wenyu step by step.

At this moment, Zuo Wenyu only felt that Yu Sheng’s aura was inexplicably strong, making him a little scared, stepping back two steps and hiding behind the three bodyguards.

Still reluctant to admit defeat, he said: “Say my bodyguards are rubbish, I am afraid that they will blind your dog’s eyes. They are retired special forces. It is no effort to clean up you.”

“Oh, isn’t it?” Yu Sheng smiled and walked over, facing the three black bodyguards, without a trace of fear on his face.

“For the rest of your life, you are still pretending to be fucking dying, Shao Zuo quickly let your bodyguard clean up this unaware thing.”

Zhou Hai cursed from the side, he was too uncomfortable with Yu Sheng’s appearance, if it weren’t for Yu Sheng, he would like to take care of the rest of his life by himself.

Zuo Wenyu didn’t want to waste time either, and ordered: “You guys will hit me, press to death, and I will take care of it if something goes wrong.”

At the sound of a fight, the people nearby stepped back for fear of being hurt.

At this time, both Liu Qianshuang and Yu Li were a little worried about Yu Sheng, although they knew that Chairman Yu was capable.

But no matter how great the skill is, how can one beat five people! What’s more, three of them are special forces.

If you call someone now, you would have been beaten to death for the rest of your life.

Looking at Zuo Wenyu’s aggressive appearance, how could it be possible to replay Yu Sheng? Is Yu Sheng really going to be beaten to death here?

After living for more than 20 years, it was the first time that Liu Qianshuang had a heart for a man. How could he watch Yu Sheng be beaten to death like this?

Say nothing!

Liu Qianshuang felt like he had made a huge decision. He stood up all at once, and stopped in front of Yu Sheng without thinking about it, saying, “Left young man, I beg you to stop first, okay?”

Zuo Wenyu made a gesture to stop the three bodyguards. Liu Qianshuang is a pretty stunner. It would be a pity if he was injured by mistake.

“Why? You want to plead for this waste?” Zuo Wenyu asked Liu Qianshuang in confusion.

Liu Qianshuang nodded heavily: “I beg Zuo Shao to spare Mr. Yu and spare his life. You can let me do anything, as long as you can let him go.”

“You can do anything? If you can have fun with me tonight, I will let Yu live. This is already my biggest concession. What do you think? Miss Liu.”

Zuo Wenyu looked at Liu Qianshuang up and down, becoming more and more satisfied. His mouth became dry after seeing him, and he wished to handle Liu Qianshuang now.

I don’t know what method Yu Sheng used to make a beauty like Liu Qianshuang die to save him.

Liu Qianshuang closed his eyes and nodded resignedly: “Okay! I am willing, as long as you can spare your life.”

For Yu Sheng, the three bodyguards can be solved with hands. Yu Sheng didn't even think that Liu Qianshuang would stand up and stand in front of him.

And also willing to go to bed with Zuo Wenyu this beast in order to save his life.

A girl is willing to lose her innocence for him, how big a decision Liu Qianshuang has made! The rest of my life dare not think about it.

For the rest of her life, she will not let such a good girl who is worried about herself fall into the hands of a beast!

Hiding in the corner shivering Yu Li, when she raised her head to look at Liu Qianshuang, her eyes were full of admiration.

The same woman also likes the rest of his life.

She couldn't do it for the rest of her life, willing to go to sleep with Zuo Wenyu.

At this time, Zuo Wenyu eagerly stretched out his hand and pulled the beauty in front of him into his arms, and smelled the fragrance of her.

Liu Qianshuang did not dare to evade, for fear that Zuo Wenyu would return and not promise to spare Yusheng his life.

Just as Zuo Wenyu's hands were about to fall on Liu Qianshuang's body, Zuo Wenyu was kicked out like a doll.

Chapter: 637

What just happened?

People who saw this scene couldn't believe their eyes, and Zuo Wenyu was kicked out.

Qiancheng's famous waste soft rice king, even dared to do something to the young master of the dignified Zuo family, he really lived to the end.

Everyone felt that the rest of his life was particularly ignorant of good and bad, Liu Qianshuang was willing to betray him in order to save him, and he would continue to die.

Zuo Wenyu was kicked by Yu Sheng and flew far away. If he didn't work out regularly and had better physique than ordinary people, he might have been fainted by Yu Sheng's kick.

Even if he didn't faint, Zuo Wenyu didn't feel that good, and he vomited blood with a sigh of "Wow".

Zhou Hai and the three bodyguards were shocked to see this scene, they didn't think that Yu Sheng, a wasteful person, would dare to do something to Zuo.

Zhou Hai stared at Yu Sheng angrily: "What are you guys doing in a daze? Give me the rest of your life and beat me to death!"

The three bodyguards forced the rest of their lives, one by one with a fierce look, so that they could not wait to tear the rest of their lives into pieces.

For the rest of his life, he was not afraid, and he took a step forward. It happened that he wanted to move his muscles and bones too, so he had fun with the three people.

"Who is so courageous to dare to make trouble on my site?"

At this time, a majestic voice came from the second floor, and for a short while everyone was quiet and looked in the direction of the voice.

Chen Jianpeng walked down slowly on the stairs on the second floor.

"My God! I didn't expect that the most powerful Chen family in Qiancheng was also in the restaurant."

"Let me tell you! I heard that the relationship between the Chen family and the Zuo family has always been good. Yu Sheng beat Zuo Wenyu, and now he met someone from the Chen family. This kid is definitely done."

“Maybe there will be no one named Yu Sheng in Qiancheng tomorrow.”

The people present began to talk quietly again, and everyone thought that Yu Sheng was absolutely dead this time.

When Zuo Wenyu saw Chen Jianpeng, he was slightly taken aback, but he was relieved when he thought of the relationship between the two of them.

Although this western restaurant is Chen Jianpeng’s site, if he really killed the rest of his life in this place, Chen Jianpeng would not care about him.

Zuo Wenyu staggered up from the ground, walked in the direction of Chen Jianpeng with some difficulty, and said, “Brother Chen is me.”

“How did Zuo Shao be beaten like this?” Chen Jianpeng said.

When it came to this, Zuo Wenyu was so angry that he said, “Brother Chen, don’t mention it, just fucking pretend to be in front of me, I was attacked by that bastard.”

“The little brother doesn’t have to make trouble on Brother Chen’s site, but also hope that you can give me face and let me teach that kid well.”

Chen Jianpeng was also a little curious, who on earth could dare to confront Zuo Wenyu, so he followed the crowd and looked over.

When he saw Yu Sheng, Chen Jianpeng walked up with joy and threw Zuo Wenyu aside.

“Doctor Yu, I really didn’t expect you to come to my little hotel. I knew you were coming, so why would I invite you to the second floor to buy you a drink.” Chen Jianpeng respectfully said to Yu Sheng.

Zuo Wenyu only felt a burst of thunder in his mind, and Chen Jianpeng actually called Yu Sheng’s waste as the genius doctor Yu. What happened?

And also called you to the rest of your life? It was the first time that Zuo Wenyu asked a big man like Chen Jianpeng to treat a person respectfully.

Zuo Wenyu knows who Chen Jianpeng is.

Xia Jun is the richest man in Qiancheng, and the Chen family is more powerful than Xia Jun. All of them in the Chen family hold real power.

At this moment, Zuo Wenyu was dumbfounded.

Chapter: 638

“You don’t need to drink, I still have a little trouble to deal with it.” Yu Sheng directly refused Chen Jianpeng.

The rest of his life just refused Chen Jianpeng directly?

That’s Chen Jianpeng! For the rest of his life, this person is afraid that there is a problem with his brain!

It is a great honour for them to say a word to Chen Jianpeng. Who is this for the rest of their lives?

Is it really the waste of the Yang family from eating soft rice?

At this time, the people who watched the heat also noticed that things weren’t as simple as they thought?

Being rejected directly by Yu Sheng, Chen Jianpeng was also not angry, and asked suspiciously: “Did Dr. Yu have any minor troubles?”

“Although Chen doesn’t have as great supernatural powers as God Doctor Yu, he is also a person who can speak in Qiancheng. If God Doctor Yu can believe me, let me deal with this matter.”

Now that Chen Jianpeng finished helping him to deal with this matter, Yu Sheng was happy to sit back on the sofa again, and pointed his finger at Zuo Wenyu’s group casually.

“It’s this group of people who have to come over and trouble me.”

Things suddenly turned into a 360 degree reversal.

Zuo Wenyu's face turned dark, and that appearance was even uglier than eating flies. How could things suddenly become like this?

"Brother Chen, this guy Yu Sheng is a liar, how come you were deceived by him? Our two families are family friends. You wouldn't really do it for Yu Sheng, right?"

Zuo Wenyu said he didn't believe anything, Chen Jianpeng would fight against their Zuo family for a trash.

Just as he said this, he was slapped severely on the face, bleeding from the corner of his mouth and loose teeth.

The person who beat Zuo Wenyu was not someone else, but Chen Jianpeng's men.

Chen Jianpeng snorted coldly and looked at Zuo Wenyu with a trace of disgust, and said, "I don't care about the little Zuo family. You dare to be disrespectful to the genius doctor Yu, then I will act for the genius doctor Yu. Teach you a lesson."

When Zhou Hai and the three bodyguards saw that their young master had been beaten, all four of them rushed towards Chen Jianpeng's subordinate.

One-to-four, Chen Jianpeng's men did not lose the wind, and it took only five or six minutes for the four of them to fall to the ground, and those who were beaten could no longer get up.

Among them, Zhou Hai, who was an ordinary man, had the worst end. He didn't want the bodyguards from the three special forces.

Zhou Hai's two legs were abolished, his arms were dislocated, his face was beaten, his nose was blue and swollen, he was lying on the ground and groaning like a dead dog.

"You...you..."

When Zuo Wenyu saw that his men had been beaten on the ground, his only reliance was gone, and he instantly felt emboldened.

I was thinking about how to sneak out of here, and afterwards, when Chen Jianpeng was gone, I would take care of the rest of his life.

Zuo Wenyu cautiously backed up here, not far from the door, as long as they ran out and got in the car, they couldn't catch up even if there were too many people.

His little thought about how he could escape the rest of his life's eyes.

"Mr. Chen, this guy wants to run away." Liu Qianshuang suddenly reminded.

Zuo Wenyu almost died of anger, so he almost took the opportunity to run out, thinking that Liu Qianshuang shouted at this time.

With this reminder from Liu Qianshuang, the security guard closed the door directly. Now Zuo Wenyu couldn't get away even if he wanted to run, so he could only stay here and wait for punishment for the rest of his life.

Zuo Wenyu was forced to desperately desperately and said, "I don't know what you think, Chen Jianpeng, I dare to offend my Zuo family for a trash. If you move me a hair today.

Although my Zuo family can't compare with your Chen family, but I have to fight with you to the end, endlessly!"

Chen Jianpeng simply didn't care about Zuo Wenyu's threats, even if he had a relationship with the Zuo family, he was unwilling to offend the rest of his life.

After all, Dr. Yu is a good person who can treat even lung cancer, and he can have a relationship with Dr. Yu. That is what Chen Jianpeng wants.

Taking a cold look at Zuo Wenyu, Chen Jianpeng said: "I have offended the genius doctor and don't

kneel down and apologize!”

“Let me kneel down with a trash, it is impossible to kill me!” Zuo Wenyu said stubbornly.

As soon as his voice fell, someone kicked his knee, and Zuo Wenyu knelt down unsuspectingly.

When he was struggling to stand up, Chen Jianpeng’s men pressed him tightly and couldn’t move.

Chapter: 639

“Yu Sheng, you trash, dare to let me kneel for you, let me go.”

Zuo Wenyu is still arrogant, even though Chen Jianpeng has taken a fancy to the rest of his life, but in his cognition that person is a waste, a waste of soft food.

He had just finished cursing Yu Sheng, and the next second he was slapped in the face. It was Chen Jianpeng’s powerful subordinate.

“you...”

Zuo Wenyu still wanted to scold him, but others had no chance to follow him. The next second he slapped his face, one by one, Zuo Wenyu had no way to refute.

Two minutes later, Zuo Wen Yuguang had four teeth knocked out, and his entire face was swollen into a pig’s head, which was extremely funny.

Nowhere is there still a half-minute arrogant and domineering appearance on weekdays.

“Don’t...don’t...don’t hit me.” Zuo Wenyu said in a languid, trembling mouth.

Yu Sheng just squinted at Zuo Wenyu, and then picked up a fork and inserted a piece of meat into his mouth, thinking in his heart, Western food forks are really not easy to use, and they are not as convenient as chopsticks.

Seeing that Yu Sheng had no reaction, Chen Jianpeng was afraid that Yu Sheng would still be dissatisfied, and then looked at Zuo Wenyu on the ground and said, “Apologize to the genius doctor Yu and beg him for forgiveness, otherwise he will continue to fight!”

“Yu...Mr. Yu, Uncle Yu, please ignore the villain’s fate, please forgive me with magnanimity! I will definitely not dare next time.”

Zuo Wenyu was scared of being beaten, completely arrogant, and no matter how many people were in front of him, he just knelt down and begged for mercy.

“All the lessons have been learned, then forget it!” Yu Sheng wiped his mouth with those napkins. The meal was really uneasy.

Chen Jianpeng waved his hand, and a few guards came in in an instant, lifted Zuo Wenyu and his four unconscious bodyguards and threw them out.

A butt fell to the ground, and Zuo Wenyu let out a cry of pain. He stood up and wanted to yell at the security guard. He happened to see Yu Sheng still looking at him in this direction and had to hold back his words.

He grew up so much, and it was the first time he was so wronged. Zuo Wenyu gritted his teeth for the rest of his life, but he had no way of doing it.

Looking down and seeing the four unconscious men lying on the ground, Zuo Wenyu violently kicked one of them.

“If you don’t use anything, I’ll fucking open you all when I turn around.” After speaking, he still spit on the person.

Zuo Wenyu didn’t bother to care about the life and death of these people. He went to the parking place in embarrassment and planned to drive home.

Just as far as he was going out, Zuo Wenyu found three people in front of him with their backs to him,

blocking his way.

Originally, there was a fire in his heart for a few days, and Zuo Wenyu directly cursed at the three people: "A good dog doesn't get in the way, hurry up and get me aside."

At this moment, the three of them turned their heads, two men and one woman. They were the three giants of the Heavenly Kill Organization, the Thunder King Asi, King Kongbuck and Feijuola.

The three of them looked at Zuo Wenyu at the same time, and a bit of murderous aura surged in his direction.

In an instant, Zuo Wenyu's back was wet, and he took a few steps back and swallowed, still feeling undecided.

"You are..."

Zuo Wenyu didn't even finish what he said. King Kongbuck reached out his hand and punched the car next to him. With a "bang", the car flew out and loaded several cars before it stopped.

Zuo Wenyu's eyes are about to fall to the ground. Is this something normal people can do? A casual blow hit a car directly.

When he looked at the three of them again, Zuo Wenyu only saw a phantom coming in his direction. Still waiting for him to react, Zuo Wenyu was slapped on the shoulder, and a woman's voice came from behind, it was Feijuola.

"You don't need to know who we are, all you need to know is that we can help you kill the rest of your life."

Chapter: 640

"Can you really help me kill Yu Sheng?" Zuo Wenyu asked uncertainly.

Suddenly three mysterious people appeared, and they were very capable. They said to help him kill the rest of his life. Zuo Wenyu didn't believe that there would be a good thing in the sky.

"Of course, but not yet, you need to arrange a secret place for us to live in first." Thunder King Asi said, playing with the hidden weapon in his hand.

"Okay! I promise you, as long as you can help me kill Yu Sheng, all this is not a problem, and I will pay you again." Zuo Wenyu said.

The strength of these three people is obvious to Zuo Wenyu, and the murderous aura revealed from them must have been trained by countless murders.

For the rest of my life, this time I want to see if you can escape so lucky.

Feijuola smiled disdainfully, and said: "You don't have to pay for it. We still look down on your little money."

How much money a small Zuo family can spend, the last thing they want from the people of the goddamn organization is money.

Being underestimated, Zuo Wenyu didn't dare to say anything. The strength of the three people in front of him was unfathomable, so he had better not provoke him.

Zuo Wenyu took the three giants of the Heavenly Kill Organization and settled them in a villa under his name in the suburbs.

"Why are you stopping me to kill that kid!" King Kongbuck asked puzzledly.

Just when Zuo Wenyu left the villa, King Kongbuck wanted to smash his head, but he was stopped by Thunder King Asi, which made him a little dissatisfied.

In the parking lot, when Zuo Wenyu said that a good dog was not in the way, King Kongbuck was full of murderous intent on him.

“King Kong, can you not be impulsive, that Zuo Wenyu is still useful, don’t forget what we are in now.”
Lei Wang Asi said.

Feijuola sat on the sofa, with a pair of slender legs on the coffee table, and said: “Now our form must be low-key.

We are now secretly in the mirror of Huaxia, and now Huaxia Hidden Gate is still being investigated, so you wish to lead them over. ”

With that said, King Kong was silent, and it was true that he still couldn’t do anything to Zuo Wenyu, and he still had to figure out how to kill Yu Sheng without disturbing the Huaxia Hidden Gate.

“As long as Zuo Wenyu’s chess piece is used well, it may be able to be delivered to the door for the rest of his life. When the time comes, the three of us will not be able to solve him.” Feijuola said lightly.

On the other side, Zuo Wenyu returned to the Zuo’s villa and found a private doctor to reduce the swelling of his face, and later replaced the three missing teeth.

During the process, Zuo Wenyu grinned with pain, and even punched and kicked the private doctor to vent the anger in his heart.

“Young Master Zuo, are you okay?”

Zhou Hai was pushed in while sitting in a wheelchair, and he asked with concern when he saw Zuo Wenyu’s appearance.

Seeing the visitor clearly, Zuo Wenyu took the ice pack that covered his face and slammed into Zhou Hai’s head, cursing, “You have a fucking face to ask? Wouldn’t you use me to be humiliated like this?”

Zhou Hai couldn’t even hide, and even if his legs were interrupted, there was no way to hide. The ice bag hit his head, and a big bag instantly bulged.

Zhou Hai said with a bitter face, and said aggrieved: “Master, you have also seen, we really tried our best. Chen Jianpeng’s subordinate is really too powerful, and the four of them are not his opponents. Suddenly Zuo Wenyu remembered the three mysterious men. He burst into self-confidence and gritted his teeth and said, “For the rest of his life, he won’t be able to jump for long.”

Zhou Hai didn’t know why Zuo Wenyu said that, but for the rest of his life, with Chen Jianpeng’s help, they couldn’t take the rest of his life.

“Left Shao, Chen Jianpeng is behind Yu Sheng to help.”

Zuo Wenyu snorted coldly and said, “The Chen family is a fart!”

He didn’t believe that no matter how powerful and powerful the Chen family was, it was impossible for him to be as powerful as the three mysterious people he had seen.
