

Dont mess 691

Chapter: 691

Wei Yiran didn't react too much to what Zhang Wanqiu said, but moved her body, and then said, "Do you know that late Qiu? I used to be suspicious of things like love, but until I met him.

I don't know why, but it changed later. Even if I put on makeup and skirts, it was a kind of betrayal. But I love him, and I can't have him. I want to use my life to prove my unwavering love for him!"

"Maybe this way he won't leave me!" Wei Yiran said the last sentence in a very small voice, as if he was speaking to himself.

Seeing her good girlfriend want to jump off the building, Zhang Wanqiu hurried to help Yu Sheng on the side: "Yu Sheng, please persuade her, he can't listen to what I say now!"

At this moment, Wei Yiran leaned under his body and was about to fall downstairs.

Seeing this scene, Zhang Wanqiu covered his mouth, and the people in the dormitory couldn't bear to turn their heads.

Yu Sheng ran over in a vigorous step and directly grabbed the back arm of Wei Yiran's hand. Wei Yiran's whole person was hung in the air, and he just didn't fall down.

There was an uproar downstairs.

They didn't even think that someone would be caught by someone.

For the rest of her life, she wanted to pull Wei Yiran up little by little, but at this time she had completely lost her mind.

The other hand that was not grasped by Yu Sheng, struggling to break the hand that Yu Sheng was holding her, still shouting loudly: "Let me go, let me die, I am not clean anymore. , Only if I die can I prove that I love him, and he won't leave me!"

Yu Sheng directly pulled Wei Yiran back with his hands. At this time, everyone on the side also surrounded Wei Yiran, for fear that she would do something stupid again.

Because there was no success in death, Wei Yiran was completely mad. He didn't have the composure at the beginning, and he yelled at him.

Zhang Wanqiu came up to appease her, but Wei Yiran grabbed her hand and bit it down.

Zhang Wanqiu's pain was so painful that tears were about to fall, and there were two hundred more tooth marks on his white and tender arm.

Someone came to help her bandage, and Wei Yiran was directly tied up at this time.

"Yu Sheng, do you see what happened to my girlfriend? Is there any way to recover?" Zhang Wanqiu asked concerned.

Yu Sheng nodded.

From the observation of Wei Yiran, Yu Sheng can see that Wei Yiran's current situation seems to be hypnotized, and a thought has been instilled in his subconscious mind.

But now Wei Yiran has lost the ability to judge things normally, and the thoughts instilled in him by his boyfriend dominate everything about her.

This kind of thing is similar to what Yu Sheng had read about hypnosis in the "Nine Profound Sky Classics" before, and there are also methods for learning intensity hypnosis in the book.

Although it was just a casual glance at that time, Yu Sheng also remembered a general idea. Now this situation can only be used as a living horse doctor.

Yu Sheng came to Wei Yiran's place, looked at Wei Yiran's eyes intently, and gently touched Wei Yiran's forehead with his fingers, and slowly said, "Wei Yiran wake up! Loving someone will not stress her, let

alone hurt herself. To prove something, he doesn't love you, he is just torturing you, he is nothing but a scumbag from beginning to end!

Is it really worth dying for a scumbag? How sad your parents would be if you died! ”

At this time, Wei Yiran seemed to have been awakened by Yu Sheng's voice, with a hint of light in her eyes, and then her eye sockets were full of moist, and she groaned softly: “Mom and Dad...”

Chapter: 692

For the rest of his life, he didn't even think that he had awakened Wei Yiran from hypnosis by only memorizing a little content from the book.

The thought that Wei Yiran's boyfriend Lin Yang instilled in him can only be regarded as mild hypnosis, and the rest of his life just used it from the “Nine Profound Sky Classics”.

It is like a battle that is more vast and vast than a well. The hypnosis of Lin Yang'suo in Wei Yiran has been made clear to the rest of his life.

At this time, Wei Yiran was completely awake, looking at the rest of his life in front of him with gratitude, and said: “Thank you, thank you for me, or I might be dead.”

“Don't do such silly things anymore, think about your parents who have worked so hard to raise you so much, think about the people around you who care about you, and live well.” Yu Sheng said.

Wei Yiran nodded heavily, hugged Zhang Wanqiu next to him at once, and said guiltily: “I'm sorry for the late autumn, it's me who is not good, so you are worried.”

Zhang Wanqiu gently patted Wei Yiran's back, tears fell involuntarily, but this time the tears were tears of relief.

“Just figure it out, do you know you almost scared me to death.”

After a while, Yu Sheng smiled and said: “Now you can tell me what happened to your boyfriend like you?”

“No, he is not my boyfriend anymore, he is a scumbag.” Wei Yiran gritted his teeth.

Now she was sober, thinking of what Lin Yang had done to him before, Wei Yiran had hated that man to his bones.

“I met him by accident. Later, he has been pursuing me. He is a good man and can speak very well. As far as I know, he is not a local, but his family environment is quite good. At that time, I was also covered by lard. Heart, for a while was bewildered by his cheerful words.”

“Thinking that he is really good to me and really loves me. Then I did everything wrong. Even wearing a skirt was to betray him. Now that Lin Yang wants to come is a scumbag!”

After listening to Wei Yiran's introduction, Yu Sheng also had a general understanding of the man named Lin Yang.

Since he likes to give people a hint to harm people's names so much, he will meet Lin Yang well today.

Yu Sheng hummed and said, “Call him and say you want to see him for the last time before you die.”

“What if he doesn't come?” Wei Yiran asked.

“Then tell him, if this is the case, then break up, and you two will have no relationship in the future. This kind of scam will make you suicide and treat your suicide as a sense of accomplishment. If you say that you broke up, then It must be a huge blow to him!” Yu Sheng said.

A scumbag like Lin Yang takes pleasure in controlling and playing with women, but if someone escapes his perverted control, it will be a huge blow to them.

They will regard this kind of thing as a gambling game, in which there are only winners and losers. If the winner is not himself, then they will put the loser's hat on themselves.

For those people, there is no way to tolerate failure!

...

A bar not far from the University of Finance and Economics.

Lin Yang looked around, searching for a prey, suddenly his eyes stopped on a beautiful girl not far away. Touching his chin with his finger, Lin Yang walked over without hesitation, and directly sat next to the beautiful girl, and said with a smile: "Beauty, when I first saw you, I thought we were there I've seen it before."

"Oh? I don't know you!" The beautiful girl looked at the man in front of him with a puzzled look. Lin Yang is a big name, besides, is a good length, so it doesn't arouse the girl's disgust.

Lin Yang waved his hand and denied what the beautiful girl said, and then he said with a face: "We must have seen it somewhere, but I won't remember it for a while."

After a pause, Lin Yang seemed to think of something, and suddenly said: "I remember, you look like the girl I always dream of in my dreams. It seems that God arranged for you to meet you today!"

Hearing Lin Yang's words, the beautiful girl covered her mouth and chuckled, and said: "You're quite good at chatting. You must be very popular with girls."

Lin Yang shook his head again and again, and said seriously: "In fact, I don't like to talk very much on weekdays. I even blush when I see girls, but the feeling you give me is so special that my body doesn't seem to listen. Just like that, I'm here."

"It's nice to meet you, my name is Lin Yang." Lin Yang made a self-introduction, then stretched out a hand, and the Vacheron Constantin watch on his wrist suddenly appeared.

Chapter: 693

When the beautiful girl saw the watch, her body shook obviously, and she looked at the man in front of her in shock.

This watch, worth more than seven million, is an extremely rare limited edition.

But for Lin Yang with a good background, this kind of watch is nothing at all. There are several more expensive watches in his family, each of which is worth tens of millions.

The beautiful girl recognized Vacheron Constantin, and hurriedly pretended not to see it, pulled the broken hair in her ears behind her ears, and changed her attitude to talk to Lin Yang.

"Man, since we are so destined, why not have a drink?"

Lin Yang saw all this in his eyes, smiled slightly and said, "I will invite you tonight."

After speaking, he beckoned and said to the waiter: "Here are the two best aces of spades."

The aces of spades have to buy more than 20,000 in the bar, which can be said to be the most expensive wine.

Seeing that Lin Yang was so generous, the beautiful girl had a lot of affection for him, and even thought that this was her prince charming.

At this moment, Lin Yang's cell phone rang, and when he looked down, he found that it was Wei Yiran who was calling, and he frowned.

How could this woman who got in the way die? Her mother is really annoying!

The pretty girl saw Lin Yang's face strange, she asked curiously, "Did something happen?"

"Someone came to me to borrow money." Lin Yang casually hung up the phone.

After a while, the phone rang, and Lin Yang sighed and said, "The beauty waits for me, and I'll be back when I answer the phone."

"OK."

Lin Yang took the phone out of the bar and yelled at the call: "You betrayer, why are you calling me? Why don't you die!"

Wei Yiran turned on the loudspeaker at this time, and Yu Sheng suddenly became angry when he heard this.

This scumbag is still giving Wei Yiran psychological hints, just to make Wei Yiran ashamed, and then give up his life.

However, what Lin Yang didn't know was that now Wei Yiran had walked out of his hints.

Wei Yiran glanced at Yu Sheng, and when she saw Yu Sheng nodded with him, she said, "Lin Yang, I am going to die. Only when I die can I prove that I have not betrayed you, and that I love you."

Lin Yang sneered, and said indifferently: "Then go to death, don't fucking make me sad anymore."

"I will die, but I want to see you again before I die..." Wei Yiran said.

Hearing this, Lin Yang frowned, as if Wei Yiran was a dog skin plaster in his eyes, and immediately said impatiently: "I don't want to see you now. I feel sick when I see you. You betrayed us. Love, hurry up and die!"

Wei Yiran said indifferently, "Since this is the case, then we will break up. From now on, you and I will have nothing to do with you, thank you."

Hearing this, Lin Yang on the other side of the phone was stunned. He glanced at the phone in disbelief and confirmed that it was Wei Yiran's call.

How is this going?

How could Wei Yiran say such a thing?

Even broke up with myself.

Hasn't she been brainwashed by herself all the time?

Is she awake now? That's why I broke up with myself so calmly!

Hell, he would never allow this to happen!

So Lin Yang hurriedly pleaded, "Ran Ran, do you really don't love me anymore? You want to leave me cruelly, do you really want to break my heart?"

At this time, Wei Yiran glanced at Yu Sheng subconsciously, and then said according to the lines they had discussed before: "Don't you hurt my heart? I'm ready to die. My only wish is to see you before I die. On the one hand, if you do not agree, then I can only break up with you!"

When Lin Yang heard this, he hurriedly said: "Please, Ranran, don't break up with me, you want to see me, don't you? Then I will find you now, where are you now?"

"Girls' dormitory building, if I didn't see you, then let's break up!" Wei Yiran said coldly.

Chapter: 694

Seeing that Wei Yiran might want to get rid of his own control, Lin Yang was particularly anxious, ignoring that there was a beautiful prey waiting for him in the bar, and hurried back to school.

When he arrived at the girls' dormitory building, Lin Yang saw another man standing beside Wei Yiran, feeling very strange.

Walking over, Lin Yang couldn't wait to grab Wei Yiran's hand, the expression on his face was even more painful: "Ranran, how can you bear to break up with me? You let me come, I am here now."

Wei Yiran watched Lin Yang grab his hand, his eyes were full of disgust, and he couldn't even think about it, so he broke free of his hand.

He immediately took a step back and stood by Yu Sheng's side.

Lin Yang was very surprised when he saw this scene. He didn't even think that Wei Yiran would treat

himself like this.

Shouldn't you throw yourself into my arms and cry, saying you will love me forever?

Yu Sheng suddenly spoke at this moment: "Are you that boyfriend Wei Yiran?"

"Ranran, who is he?" Lin Yang frowned and asked Wei Yiran.

At this moment, Yu Sheng patted Wei Yiran on the shoulder and said, "Leave it to me, you go back first!"

Wei Yiran nodded gratefully, then gave Lin Yang a fierce look before returning to the dormitory.

Seeing that Wei Yiran wanted to leave, Lin Yang wanted to stop him and asked her what she meant, whether it was just trying to coax herself to meet a strange man.

Yu Sheng stretched out his hand and grabbed Lin Yang's shoulder directly, and said coldly: "The matter between us is still not over yet, where are you going?"

Lin Yang, who felt that he was being played around, aroused anger in his heart. Suddenly, someone grabbed his shoulder and wanted to break free.

But it wasn't useful. In his struggle, Yu Sheng increased his strength in his hands, and Lin Yang felt as if there was an iron pliers on his shoulder grabbing him.

"You...Who are you, what do you want to do?" Lin Yang stared at Yu Sheng and asked.

Yu Sheng Gu Jing Wubo pulled a curve on his face, and then said in a cold voice, "I'm here to walk the way for the sky, so naturally I'm here to clean up you!"

Yu Sheng's words thoroughly verified Lin Yang's thoughts.

Wei Yiran lied to him when he called him.

Moreover, the man in front of him is not ordinary. Is it possible that he has cured Wei Yiran by taking care of his own business?

The more he thought about it, the more possible it was. Lin Yang didn't bother to be polite for the rest of his life anymore, and threatened directly: "Wei Yiran, that bitch woman, when you asked you to help, I was afraid that I might not tell you that I am a member of a big family.

Boy, if you are acquainted, let go of your dirty hands, kneel down and apologize to me, otherwise you will suffer! "

Yu Sheng just asked coldly: "As a child of a big family, can you harm women like this?"

Lin Yang sneered: "I like it, don't you accept it? I just like to see these women being manipulated by me, just like watching them self-mutilate and commit suicide for me. Can you control it? Also, can you control it? "

"Do you think there is a big family to support you? You can be unscrupulous." Yu Sheng asked coldly.

Lin Yang threatened: "I'm from the Lin family of Jiangcheng, the first family of Jiangcheng, I don't know how many times stronger than Qiancheng this place! You offend me, you don't even know how to die, if you kneel down and beg for mercy now I will consider letting you go."

The picture of the rest of my life kneeling down and begging for mercy does not appear.

This made Lin Yang feel incredible. He is from the Lin family of Jiangcheng. Is it possible that the man in front of him was frightened and stupid?

Yu Sheng smiled, and didn't think of Jiangcheng's first family in the slightest. Is it possible that Jiangcheng is very good and how good is going to Beijing?

"Then do you know the Yu family in Shangjing? I am the current owner of the Yu family, Yu Sheng!" Yu Sheng said word by word.

Lin Yang shook his body when he heard this sentence, with a shocked expression on his face, as if he was still immersed in the sentence for the rest of his life.

What is the concept of Shangjing Yujia?

The Yu family could easily crush their Lin family to death with their hands.

“No...no...impossible, how could the head of the Yu family in Shangjing appear in this small place.” Lin Yang’s voice was a little stuttered, and he still didn’t want to believe that the ordinary young man in front of him turned out to be. The head of the Yu family in Shangjing.

His reaction was entirely in Yu Sheng’s expectation. He sneered and said: “Since you are from the Lin family of Jiangcheng, you will know if you call and ask your father. He should have a picture of me.”

Chapter: 695

Since the man in front of him dared to say this, it means that he is not afraid of being exposed at all. Is it possible that he is really the head of the Yu family in Shangjing?

When thinking of this, Lin Yang burst into a cold sweat unconsciously.

Just now, I asked the person in front of me to kneel down and apologize to him. If he really offended him, then his family would definitely be killed by him.

After all, he is a high-achieving student and a young master from a large family who has been trained by nobles since he was a child. His IQ, EQ, and ways of doing things are by no means comparable to ordinary people. He immediately realized that he might be in trouble, and might even bring to the whole family. trouble.

Thinking of Lin Yang here, he completely lost the arrogance of the past. He knelt in front of Yu Sheng, begging for mercy: “I’m sorry, I didn’t know Taishan before, and I hope you don’t have the same knowledge as me.

Our two families also have business dealings, and there are still some friendships. If you really want to punish me, Lin Yang, if you want to fight or fight, please, but don’t hurt the harmony of the two families.”

For the rest of his life, he did not expect that Lin Yang would change so quickly.

Isn’t there any such a clever guy! He didn’t have time to do it before, so he didn’t suffer a little bit of flesh and blood.

No wonder he can constantly control and hurt girls with psychological cues. This kind of person has too good brains. Most people who fight for IQ cannot beat him. In the end, they can only be at his mercy. However, for the rest of his life, he was not half kind to him.

Yu Sheng sneered and said: “You guy, you can really bend and stretch, but you really think that if you kneel down and beg me, I will let you go?!”

Lin Yang crawled forward, lowering his head at Yu Sheng’s feet, and said: “Master Yu, I know I was wrong. I will definitely correct my evil in the future. At the same time, I am willing to spend 100 million to compensate Wei Yiran! I hope you can forgive me. !”

Yu Sheng smiled and said, “You, you don’t understand my style of doing things for the rest of my life. If you are in my hands today, money can’t be solved!”

Could it be that Lin Yang thought that he would be able to redeem his crimes with a hundred million?

Lin Yang hurriedly asked: “Master Yu, how do you want to solve it?!”

Yu Sheng smiled coldly, and then said word by word: “I want to use his own way to treat his body!”

Lin Yang, who was kneeling on the ground, was shocked.

Is it possible that he will be a pua for the rest of his life, isn’t he the same as himself?

Besides, using this pua method for men is completely ineffective.

What’s more, his elective course is psychology. If he wants to brainwash others, he has skills. How can he brainwash himself when he is prepared.

At that time, when the Yu Patriarch made a hint in his heart, he only had to pretend to make him think that he was punished, and this matter was resolved.

When thinking of this, Lin Yang relaxed a little.

“If this can relieve Young Master Yu’s anger, then Lin Yang is willing to accept your punishment!” Lin Yang said respectfully.

“Oh? Really? Don’t regret it!” There was a playful expression on Yu Sheng’s face.

Looking at all of this, Lin Yang only felt cold all over his body, and a bad premonition was used in his heart.

Just listen to Yu Sheng’s words: “Don’t you like to give girls psychological hints? I’m going to add a psychological hint to you, so that you have to eat shit every hour. !”

Chapter: 696

Lin Yang looked at Yu Sheng dumbfounded, and felt that Yu Sheng was just humbling.

He actually let himself eat shit? Is there such a psychological hint? He has never heard of it.

At this time, Yu Sheng smiled evilly and continued: “Also, after I finish this psychological hint, if someone stops you from eating shit, you will do everything possible to kill yourself until you eat it. Until the shit.

At the same time, if you see shit on the road, you will rush to eat it without thinking.”

“So, in your future life, apart from eating shit, there will be no other pursuits. You will not pursue spending money, pleasure, or women. For the rest of your life, you just want to Eat shit!”

Listening to what Yu Sheng said, Lin Yang felt a burst of fire, what is this, he wants to let himself eat shit to death?

Dare to be more disgusting?

But after another thought, he felt that for the rest of his life, he would talk nonsense again. He wouldn’t really think that he could really eat shit on his own by just a few light words?

Lin Yang already regarded Yu Sheng, the owner of the Yu family in Beijing, as a fool, and even thought he was whimsical.

However, Lin Yang was just thinking about it in his heart, and didn’t know how stupid it was to directly break the rest of his life.

It is impossible for him to teach the rest of his life psychological hints to deal with himself!

So Lin Yang asked, “Master Yu, is it over now? Can you let me go?”

“Don’t worry.” Yu Sheng stretched out a hand and clicked on Lin Yang’s eyebrows.

At this moment, Lin Yang suddenly stood up straight, his whole body was as if shocked by a demon, and his body was completely disobedient.

Sudden hunger rushed into his heart, and Lin Yang felt that things were not as simple as he had imagined at this time.

Just when he realized the seriousness of the matter, he had completely lost his sense of self.

Immediately afterwards, he suddenly widened his eyes and muttered anxiously: “Where is there shit?

How can there be shit? I will die if I take another bite! I’m going to die! How can there be shit?!”

After speaking, I also forgot who it was for the rest of my life. He turned his head and ran to the dormitory, because there was a voice in his mind telling him that there are toilets in the dormitory building, and some of them are feces to eat...

A shocking incident broke out in the dormitory building of the University of Finance and Economics.

The man in the school, Lin Yang, chairman of the student union, a super rich second-generation man, ran to the male dormitory and drove out a male student who was shit.

And he just lay down on the toilet as he thought, grabbed the shit, stuffed it into his mouth and ate it... From the first floor to the sixth floor, Lin Yang visited all the toilets in the men's dormitory. The whole men's dormitory knew the news that he was eating shit.

Lin Yang, who has always cared about his own image, would take it off and wash it immediately even if he gets dirty with rice grains on his clothes.

But now, his hands, face, and body are all yellowish-brown things, and his whole body is filled with an overwhelming stench.

The people who watched Hot Huan were tens of meters away, pinching their noses and watching the concept of him lying on the toilet and eating shit.

The onlookers spit out directly when they watched it. The concept is too shocking, and it exceeds the range of their three views.

At this time, Lin Yang had already visited all the toilets in the boys' dormitory.

He seemed contented, running all the way to the public toilet of the school.

Everyone who saw Lin Yang in the school was also attracted by his strange appearance and the stench on his body, and they were curious about what happened.

Chapter: 697

"Is this Lin Yang, the chairman of our school's student union?" a girl who didn't know what happened asked the man who ran out of the boys' bedroom.

"That's, you didn't read it wrong, and you don't know what Lin Yang went crazy. He ran to the toilet and ate shit. No one could stop him."

Said that the male student here seemed to think of something disgusting, and he vomited after bending over.

This is the first time that the University of Finance and Economics has seen such a shocking incident, which is hundreds of times more sensational than Wei Yiran's suicide before.

The most famous university in Qiancheng, the person who can enter is the proud son of heaven, not to mention the chairman of the student union, plus the rich second-generation Lin Yang.

It was such a wind and rain character who went to eat shit, and this message spread to everyone's ears like a plague.

Even the principal knew about this.

Principal Wang, who didn't believe this at first, changed his face when he saw Lin Yang lying on the toilet and devouring feces in the public toilet.

Turning his head and vomiting with a "wow", the scene was too disgusting, even the principal who had seen the wind and waves couldn't bear this kind of scene.

Spit and vomit, disgusting, disgusting, but he is the principal of the school, since this kind of thing happened in the school, it is impossible for him to ignore it as the principal.

Coming behind Lin Yang, resisting his nausea, stretched out his hand and patted him on the shoulder, and said, "Student Lin Yang, what's wrong with you?"

At this time, Lin Yang had already eaten and couldn't eat anymore, and his consciousness had returned a little now.

He can no longer remember what happened with Yu Sheng before, nor can he think of vomiting and eating shit, he just feels disgusting in his mouth.

When I lowered my head and saw the shit sticking to my hand, I was almost disgusted and ran into the sink without thinking.

Gargling and brushing his teeth, the more he brushed, the more nauseous he felt. He couldn't help but vomited. Lin Yang began to vomit again when he saw that his vomit was full of shit.

Grabbing him, Li Qiang, who had a good relationship with him during the weekdays, asked, "What the hell is going on? How could I become like this."

Even if Li Qiang has a good relationship with Lin Yang on weekdays, he still feels disgusting looking at him like this.

What's more, Lin Yang ate his shit half an hour ago...

Li Qiang looked at Lin Yang and his eyes were full of disgust. After sorting out the language, he said, "You better don't know that Yang brother."

Everyone looked at him with a crazy look, and there was also a lot of disgust, which made Lin Yang no way to accept it.

He had a vague guess in his heart, but subconsciously there was no way to believe it was true.

At this time, a classmate plucked up the courage and said, "Boss, you just came back from outside and kicked Qiangzi off the toilet with one foot, and then you ate what he pulled..."

Speaking of that, the male student's mind automatically filled in the scene at the time, and he vomited without holding back.

Lin Yang turned pale when he heard this, and asked Li Qiang: "Is what the fat man said is true?"

Li Qiang nodded embarrassingly.

At this moment, Lin Yang felt that his brain exploded!

He lifted his foot and kicked hard towards Li Qiang, kicking him directly to the ground.

"Fuck, take me to the hospital, I'm going to have a gastric lavage!" Lin Yang roared furiously.

Several people who had a good relationship with Lin Yang followed Lin Yang to the hospital.

Chapter: 698

"Yu Sheng, Lin Yang eats at school...Did you make it?" Zhang Wanqiu didn't even say the word eating shit in the end.

"Yes, I did it." Yu Sheng didn't plan to hide Zhang Wanqiu, so he admitted directly.

Zhang Wanqiu is so smart, he can think of it with his brain, so there is no need to conceal it.

Lin Yang had also heard about eating shit in school for the rest of his life. He would punish the scum like this, so as to relieve his anger on the girl who was killed by him.

Now, the scumbag Lin Yang is only in his twenties, and the days to come will still grow. Slowly redeem the sins he committed! This is much more useful than killing him.

...

Sakura Club

Yu Sheng had just returned, and I was so anxious that I sat down and took a sip of water to take a good rest, and saw a familiar figure running over.

"Master, you can be regarded as coming back! That dumb man has no food for one day, what should I do if he starves to death?" Zhu Xiaoshu said anxiously.

For the rest of his life, he was a bit speechless, thinking that he seemed to have only been out for a few hours, so that he would have no dinner after all.

I am hungry now! But her apprentice is only concerned with the thief.

Yu Sheng directly flicked Zhu Xiaoshu's head and said, "Why don't you ask if your master has a meal?"

You are a guy who turned his elbow out."

Zhu Xiaoshu covered his head in pain, and glanced at the rest of his life faintly.

Yu Sheng followed Zhu Xiaoshu to the room where the thief was closed. There was a big bed and a table in the room. The table was filled with all kinds of food. The rest of my life, who had been hungry, walked over and sat directly on the bench. . Seeing Yu Sheng coming in, the boy thought he was here to ask something. He didn't expect Yu Sheng to eat the food for him. But he just took a look, and then moved his gaze away from Yu Sheng, and he closed his eyes and calmed down. For the rest of his life, after a satisfying break, he asked Zhu Xiaoshu: "Would you like to eat something?" Zhu Xiaoshu gave a blank look for the rest of his life and said nothing. Those masters were all prepared by her for the dumb man, and the masters ate all of them, which made Zhu Xiaoshu feel a little speechless. I don't know when Zhu Xiaoshu has a slight affection for this long, handsome boy. I have been with my grandfather since childhood, and then I met the master. Moreover, Yu Zhong learned martial arts very much. This was the first time she had contact with people of the same age. I even hope that the master can keep him, so that he can have a company. At this time, I was full for the rest of my life and started to do business. "Hey, little guy, are you really a dumb?" Yu Sheng asked the little boy lying on the bed. The boy didn't make sense for the rest of his life, as if he was asleep. He doesn't want to talk, which is a little troublesome. He also wants to ask who this little family is! Suddenly Yu Sheng saw something in the little boy's trouser pocket, and looked at the bulge, Yu Sheng came to the bed in a flash. He drew out the contents of the boy's pocket directly, and saw that it was a piece of jade pendant with a stone inscribed in the middle of the jade pendant. stone? Is this little boy surnamed Shi? For the rest of his life, he searched for people with the surname Shi in those hidden gates in his memory. "give me back!" A voice came, and then the jade pendant in Yu Sheng's hand was snatched over. Yu Sheng returned from meditation and found that the little boy had taken the jade back, and was looking at him angrily. "So you are not dumb!"

Chapter: 699

The boy gave Yu Sheng a white look, as if he felt that what Yu Sheng had just said was particularly retarded and didn't want to pay attention to him. Putting the jade pendant in his hand back into his pocket, even if he lay on the bed to sleep, he just deliberately covered the pocket with the jade pendant with one hand, for fear of grabbing it for the rest of his life. "Master, this guy is very awkward! Or let me beat him!" Zhu Xiaoshu looked like he wanted to fight. What the rest of his life didn't know was that during the time he was out, Zhu Xiaoshu stayed in this room and talked to the little boy for a few hours. But the little boy didn't make any sense to her. At first, Zhu Xiaoshu thought he was a dumb, so he had never cared about him. Now that he knew that he was not a dumb, he naturally became angry. "All right! Just keep your breath." Yu Sheng stretched, twisted his neck and left the room.

...

Qiancheng Central Hospital.

In the vip ward.

"Mom, you have to be my master in this matter. For the rest of my life, I was a trash. Bringing a girl almost made me abolished, and our family was about to wean off children and grandchildren!"

Yang Ling clutched Gao Qing's clothes, crying and coaxing her grievances.

The doctor had just checked out, and although there was no major problem, one of the eggs was kicked out, which will be affected more or less in the future.

"The waste of the rest of his life, he dared to do this, it is too much! Let other women kick my son's lifeblood, isn't this sincere to let our family cut off children and grandchildren!"

Gao Qing gritted his teeth and said, they had forgotten everything about saving Yang Ling from the casino for the rest of his life.

But Yang Zihuan, who was holding Xiaoshui by his side, focused on the rest of his life with other women, wondering if it was that singer Liu Qianshuang?

Doubtful, Yang Zihuan asked Yang Ling: "Is the singer Liu Qianshuang who has recently become popular with Yu Sheng?"

Yang Ling was stunned when he heard this, and then blurted out: "No, that woman is much better-looking than Liu Qianshuang, she looks like the eldest lady in a big family."

Not Liu Qianshuang, but also the eldest lady in the big family.

Yang Zihuan felt even more sour when he heard this.

She had never discovered the advantages of attracting girls in Yu Sheng before.

If you talk about the merits, it is better for her. Even before, she always thought that she was blind for the rest of her life. Only a person like the chairman of the Four Seas Group can be worthy of herself.

These days, there are more and more women around Yu Sheng, one better than the other, making Yang Zihuan feel extremely uncomfortable.

Gao Qing realized that her daughter's face was a little ugly, and knew that she was annoyed by taking other women for the rest of her life.

So he opened his mouth and said: "The rest of my life is getting more and more excessive. I haven't had a home these days. There must be someone outside.

Even indulging other women to kick Ling'er, he doesn't treat us as a family! Otherwise, now you call him and call her over and divorce."

Yang Zihuan originally wanted to say that Yang Ling was able to come back alive because of the rest of her life, but when she thought of him being with other women, she swallowed it back.

Do you really want to divorce Yu Sheng?

The thought that Yu Sheng is a member of the Yu family in Beijing, and that the division of the property will fall into the hands of Liu Qianshuang, her heart is imbalanced.

"If you get a divorce now, don't you lose money from the Yu family?" Yang Zihuan expressed her concerns.

Gao Qing snorted disdainfully, and said: "First, I force Yu Sheng to go to the Yu family in Beijing to separate the family property. Naturally, he derails to leave the house, and he won't get a penny by then."

"That's right! Sister, when the time comes, let Yu Sheng's wastes go out of the house directly, and the money allocated is ours." Yang Ling, who was lying on the hospital bed, also agreed.

Yang Zihuan was in deep thought. After five years of husband's love, would it be too much if Yu Sheng

was really allowed to leave the house.

At this moment, the little water in his arms rubbed his sleepy eyes and woke up, and asked with a confused look: "Mom, who are you calling to cleanse your body?"

Chapter: 700

Just now the three of them spoke too loudly, and awakened Xiao Shui who was asleep. After hearing Xiao Shui's question, the three of them didn't know how to answer.

Yang Zihuan touched Xiaoshui's head and said softly, "Xiaoshui got it wrong. By the way, the kid in the ward next door just came to play with you."

Hearing that his little friend came to play with him, Xiao Shui was full of energy, and put all the questions behind him.

With a look of excitement, he said, "Mom, then I'm going out to play."

Yang Zihuan nodded and watched Xiao Shui leave the ward. When the door of the ward was closed again, her expression sank again.

The relationship between her and Yu Sheng has run out. The divorce will be sooner or later, but Xiao Shui is pitiful.

After thinking about it, Yang Zihuan decided to put aside the divorce first.

"For the sake of Xiaoshui, let's forget about this matter."

Hearing this, Gao Qing immediately became displeased. As long as Yu Sheng was forced to go to the Yu family to divide the property, and then let him go out of the house, he would avenge his son.

At this time, Yang Zihuan can't relent in what he said!

Gao Qing stepped forward and took Yang Zihuan's hand and said, "Daughter, you must not be merciful in this matter! He has cheated for the rest of his life and must divorce!"

"But what about Xiao Shui?" Yang Zihuan still hesitated.

"Didn't Yu Sheng always want Xiao Shui to have his surname? If that's the case, give him the child, so you can pursue your own happiness, think about the chairman of the Four Seas Group." Gao Qing said pointedly.

Who is the chairman of Cosmopolitan Group? I am afraid that his bare assets have hundreds of billions. If his daughter wants to marry him, how can he bring a tow bottle?

Besides, when she thinks that Xiao Shui is Yu Sheng's wasteful son, she doesn't like it.

Therefore, my daughter must be persuaded to give up Xiaoshui!

"Sister, you can divorce Yu Sheng! Let him go to the Yu family to separate the family property and let him clean up. Then you can be with the chairman of Sihai Group. Don't you also like the chairman?"

Yang Ling Also persuade.

Yang Zihuan bit her lower lip with her teeth, and her heart was a little shaken. It wouldn't be nice to bring Xiaoshui with the chairman of Sihai Group.

Anyway, Yu Sheng loves Xiaoshui so much, then give him Xiaoshui!

Seeing her daughter swayed, Gao Qing showed a relieved smile on her face, and quickly said, "Daughter, don't hesitate, and quickly call Yusheng's waste and let him go to Beijing to divide the family property."

"Hmm!" Yang Zihuan replied and took out his cell phone to call Yu Sheng.

"Why do you call me? Anything?"

Yu Sheng's cold voice was heard on the phone, which made Yang Zihuan very uncomfortable. It was obvious that he had derailed, so it seemed like he had made a mistake.

She became more determined to divorce Yu Sheng and be with the chairman of Sihai Group.

“Come to the central hospital, I need to talk to you about some things.” Yang Zihuan hung up the phone without waiting for the rest of his life to say anything.

At this time, the better boy who played with Xiaoshui in the ward next to them had recovered and was discharged. He had just come to see Xiaoshui to say goodbye before.

Xiao Shui was taken aback when he saw the empty ward. He didn’t know what happened, and then he thought of a possibility.

“It turns out to be playing hide and seek with me again!”

So Xiao Shui searched in this room, and no one was found for about a minute or two.

Xiao Shui left the ward, aimlessly searching for his little friend in this huge hospital.

After walking for a while, Xiao Shui came to the outside of the hospital in a daze.

In a corner not far away, two men were really smoking cigarettes.

One of the Huabi brothers complained: “Our business is getting harder and harder now. Recently, the wind has been very tight, and the parents have taken their children very tightly, and they don’t know how the second child brought back the two children. .”

Another person with glasses and a gentle look answered: “Damn, the second child is so lucky!”

It was said that the spectacle man’s leftover light swept to Yang Xiaoshui not far away, and a flash of light flashed in his eyes instantly, pushing the flower-armed man aside.

“Seeing no, our luck is coming!”
