

Dont mess 741

Chapter: 741

Yu Sheng brought Xiao Shui back to the villa and wanted to give Xiao Shui a surprise, but he didn't even think about it and surprised himself for a day.

At this time, the outside of the villa was full of people, and there were countless luxury cars coming and going. A group of people, old and young, walked into the villa with smiles on their faces.

What's happening here?

Yu Sheng couldn't understand it and directly took out his mobile phone and called Du Fei.

"A Fei, what the hell is your kid doing? Why are there so many people in my house?" Yu Sheng asked angrily.

"Your son's birthday, of course, is going to be a big deal! In your name, I invited all the people with good looks in Qiancheng from us, and I also posted invitations from other places."

Du Fei didn't hear the displeasure in Yu Sheng's tone. He thought he was going to praise himself for the rest of his life. This time he did a great job.

Yu Sheng had a headache for holding his forehead, and I had already known it before I started this matter myself, and it wouldn't be such a mess.

He didn't plan to engage in such a big battle. For the rest of his life, he just wanted to make Xiao Shui happy, and he could just call a few familiar people together.

But if you come, you will be at ease. It is already like this, and it will be too late to say anything for the rest of your life.

Xiao Shui pulled Yu Sheng's clothes and asked excitedly: "Dad, is that the birthday party you prepared for me?"

Yu Sheng smiled and nodded, and said, "Of course, do you like it?"

"Like! I thought Dad didn't remember my birthday! It turned out to be a surprise for me." Xiao Shui excitedly took Yu Sheng's hand and jumped and jumped.

In front of the villa is a 30-meter-high Ultraman model, which looks mighty and domineering. Yu Sheng specially asked Du Fei to prepare it.

Because Yu Sheng often saw Xiaoshui watching cartoons while watching Ultraman, I prepared this. I don't know if Xiaoshui likes it or not.

At this moment, Xiao Shui's cheerful voice came from his ears.

"Dad, did you prepare that Ultraman for me? I really like it too much."

Seeing that his son liked it, Yu Sheng happily said in his heart, "Dad takes you inside and can also manipulate Ultraman to walk."

Yu Sheng was planning to drive Ultraman to take his son to enjoyment. He didn't expect to see Liu Suying and Song Zijing when he was halfway there.

"Mom, these two beggars not only beat me, but also robbed the luxury car you bought me." Song Zijing pointed to Yu Sheng and said.

"Just these two poor beggars dared to bully my son. Someone came up to me and beat them severely."

Liu Suying ordered directly to the bodyguard behind.

This is the site of the Yu family's head. If you do something here, isn't it just not giving the Yu family face in Shangjing?

Shangjing Yujia! That is a family that can be ranked higher in the world than they are!

No matter how domineering and domineering Song Zijing is, if he is trained since childhood, these truths

can still be understood.

And her mother was too impulsive because she spoiled herself, Song Zijing quickly blocked: "Mom, don't worry, this is the birthday party hosted by the Yu family. Isn't it not good for others to make trouble here?"

In Liu Suying's eyes, she didn't bother to care about Yu Jiana. As long as someone bullied her son, she would be punished.

Liu Suying looked at Yu Sheng's direction and narrowed her eyes, and said bitterly, "Go, we will come forward and meet them!"

Chapter: 742

"Just you two beggars know where this place is? You dare to sneak in, believe it or not, I called the servants of the Yu family to blast you out and beat you again!" Liu Suying arrogantly looked at Yu Sheng and Xiao Shui Leng Leng. Said.

When Song Zijing saw Yu Sheng, he couldn't beat him. The reason he had compromised before was because he alone couldn't beat Yu Sheng, who was so cruel.

Now he brought four bodyguards with him, and it was more than enough to beat a little beggar, so he felt his mind in an instant.

"Smelly beggar, quickly return my Ferrari to me! Otherwise, I will ask someone to break your legs and make you a real beggar!" Song Zijing threatened.

Seeing these two people, Yu Sheng couldn't help but frown. Today is Xiao Shui's birthday and he doesn't want to waste time on such people, but these people are still in the shadows.

"You are beggars, and my father is a superhero. He will knock down all of you bad guys." Xiao Shui stayed in the rest of his life, facing Song Zijing, mother and son, without flinching.

Yu Sheng's face showed a relieved smile, and it seemed that what happened in the morning had inspired Xiao Shui's little mind.

Whoever came up with it, Liu Suying didn't even consider that she was an elder, so she took a step forward and pushed Xiao Shui to sit on the ground.

"Cut! Your father is a stinky beggar, and you are nothing more than a small wild species. If you talk nonsense, I will cut off your little tongue."

As soon as he said this, Xiao Shui's mind again remembered what happened in that dim basement. The deepest fear in his heart surged into his heart, and Xiao Shui directly sat on the ground and started crying.

Yu Sheng helped the little water on the ground, held it in his arms, looked at the majestic mother and son in front of him, and said in a cold voice: "What a Jinling Song family, it's really so majestic!"

How dare to bully his son in front of him at the birthday banquet he held for Xiaoshui, what a Jinling Song family, since it is so prestigious, it doesn't need to exist in the world!

The mother and son didn't even hear the irony in Yu Sheng's words. Instead, they were very proud. Liu Suying disdainfully said: "Since we know that our Jinling Song family is so powerful, then now kneel down and beg for mercy, and let my son vent his anger.

Maybe I can give you a breath. As for this little bastard, just lick my high heels clean. "

Song Zijing smiled and said, "Mother, this is a great idea. Jinger won't come out yet."

The guy told himself to kneel for him. Now that Feng Shui is turning, it is finally his turn. Even the little bunny he brought with him will lick their shoes.

Thinking of Songzi, Kyoto is a little excited, and a little looking forward to it.

Stupid like a pig, for the rest of my life I can only think of these two words to describe this brainy mother and son. Since they dare to make such an excessive request, don't blame him for being rude.

Yu Sheng's mouth raised with a playful smile, walked over to Liu Suying, mother and son, and asked, "Are you sure you want me to kneel for you? Let my son lick your shoes."

Liu Suying and Song Zijing have always been used to compliments. They thought Yu Sheng knew that their Jinling Song family was terrible, so they nodded proudly.

In the next second, Liu Suying and Song Zijing's feet felt a lot of pain. At this time, Yu Sheng was stepping on their feet one by one.

For the rest of his life, he did not show any mercy, and trampled on Liu Suying's and Song Zijing's shoes. The mother and son made noises like killing pigs, and in an instant, many people began to pay attention to them in this direction.

At this time, Song Yuanxing, who was talking with others, looked towards Yu Sheng, and after finding that his voice and appearance were very familiar, he quickly said goodbye to the person who was talking to him.

When I got there, I realized that it was really his wife and son, but they were too embarrassed now. Both of them rolled on the ground with their deformed feet trampled on by Yu Sheng.

Chapter: 743

"How did you make it like this? Why are your feet rotten!" Song Yuanxing felt distressed when his wife and son's feet were rotten.

"Oh, you are here, otherwise we will all be killed by a beggar." Liu Suying said aggrievedly.

Immediately looking at Yu Sheng, his eyes were full of murderous intent, and he shouted at the bodyguard behind: "Are you all blind people eating plain rice? Have you seen how we are all being bullied, and why don't you pay that person back? His little bastard was beaten to death!"

If the eyes can kill, Liu Suying's hatred for Yu Sheng is enough to kill Yu Sheng 10,000 times.

Song Yuanxing only knew that he cared about his wife and son, and he was not anxious to see who was so courageous that he dared to move his Song family.

At this time, the bodyguard had already rushed towards Yu Sheng, and that posture seemed like he would not give up if he didn't beat Yu Sheng to death.

Seeing that his bodyguard was actually at the birthday banquet held by the head of the Yu family, Song Yuanxing felt that his brain was bombarded.

"Don't don't! You guys, stop me!" Song Yuanxing hurriedly ran over to stop him.

Obviously, his shout was of little use. The four bodyguards were brought by Liu Suying from Liu's house, and he didn't listen to his instructions at all.

The four bodyguards are all trained, and any one of them can deal with ten ordinary people, not to mention four shots against one person for the rest of his life!

If someone was killed at the birthday party of the head of the Yu family, the Song family would be to blame.

The bodyguard who was walking to the gods in Song Yuan had already fallen to the ground and couldn't get up.

This.....

Song Yuanxing was also a little surprised. An ordinary person who seemed to be able to deal with a trained bodyguard so easily, he couldn't react to such a fast speed.

Song Zijing knew that Yu Sheng was great, but he just thought he was better than himself, but he didn't

even think that he was so good.

I was afraid that Yu Sheng would give him two more slabs on his head and hid behind Liu Suying, dragging the awkward foot that was trampled on by Yu Sheng.

“This is Patriarch Yu’s birthday banquet. If you dare to do something to me, Patriarch Yu will not let you go. It is the Yu Family in Beijing!”

Yu Sheng touched his head with a look of confusion. What the hell is this at the birthday party of the head of the Yu family? What did Du Fei tell others?

“This is the birthday party I held for my son. I can hit whoever I want. Even if I kill you here, no one dares to say anything.” Yu Sheng said coldly.

Although I don’t know how Du Fei publicized it, it was too much for the mother and son.

This sentence of Yu Sheng made the Song family feel stunned. What kind of situation is this? Could it be that the person in front of him is the head of the Yu family.

At this moment, Du Fei ran in the direction of Yu Sheng.

“Lao Yu, why are you still here? This is a birthday banquet for your son, and you are running too far.” Du Fei complained.

The three people who didn’t believe the words that Yu Sheng had said before, saw Du Fei, the underground king of Qiancheng, said so, it was impossible to believe it or not.

They are just a small second-rate family in Jinling, how can they offend the head of the Jingyu family!

Song Zijing was shocked, thinking about what he had done before, he actually offended the head of the Yu family. That is really dead, and maybe even the Song family will go to the funeral with them.

Chapter: 744

Liu Suying’s face was as pale as paper in fright. She couldn’t understand the status and power of Shangjing Yu’s family.

Thinking of what she had done before, she actually wanted to kill the head of the Yu family, and she called his son Xiaotuzizi and asked him to lick his high heels.

There was a chill in the back, and for a while, there was no idea in his mind. He climbed up to Song Yuanxing and said in a panic: “Husband, you save me! I really didn’t mean it.”

“Snapped!”

Song Yuanxing directly slapped Liu Suying’s face and cursed: “How come I, Song Yuanxing, married an unreasonable woman like you, and gave birth to a mischievous son. It’s really bad luck for eighteen lives. Now quickly kneel down and ask Patriarch Yu to forgive you, or even if you die, it has nothing to do with my Song Family!”

Liu Suying clutched her red and swollen face slapped by Song Yuanxing, and tears flowed down. Her majestic Jinling Liu family’s eldest lady, Jinzhiyuye, Song Yuanxing even dared to beat her.

In one day, Liu Suying was about to be mad when she was trampled on her feet first and then slapped again.

He cursed at Song Yuanxing: “You are so useless, you dare to beat me if you have any skills? I’m fighting with you today.”

At this time, Liu Suying didn’t care about the Yu Family Patriarch, and directly scrambled with Song Yuanxing. Either scratching her face or pulling her hair simply had no effect.

Seeing Du Fei next to him was speechless for a while, he said, “Lao Yu, why are you so boring! Watching others fighting here, today is Xiao Shui’s birthday.”

Speaking, Du Fei took Xiao Shui in Yu Sheng’s arms into his arms, tapped the tip of Xiao Shui’s nose, and

said: "Xiao Shui, your father doesn't care for you, so let's just be my son in the future."

"No! My father loves me so much." Xiao Shui emphasized a little unhappy.

"Oh, little white-eyed wolf! Uncle Du worked so hard to prepare a birthday banquet for you, making you reluctant to call Dad." Du Fei pretended to be angry and said.

Xiao Shui kissed Du Fei's cheek, and said gruffly, "Thank you Uncle Du for the birthday party for Xiao Shui. I really like it."

"A Fei, don't you plan to explain to me what the hell is going on? How did it become the birthday party for the head of the Yu family?" Yu Sheng asked with a frown.

"Lao Yu! Anyway, you are also a member of the Yu family, so don't you seem to have the face to invite someone like this!" Du Fei said indifferently.

"Huh!"

Yu Sheng reprimanded Du Fei, and left the birthday cake prepared for Xiaoshui. As for the Song family, Xiaoshui will tidy up after their birthday.

...

"Dad, Mom, don't fight, people are all gone." Song Zijing reminded.

Only then did Liu Suying realize that Yu Sheng's group had gone, and then let go of the hand that was pulling Song Yuanxing's hair.

Song Zijing looked at Liu Suying and Song Yuanxing with disgust, and said, "Parents, do you still have half the face of the Song family like you are now? It's a shame!"

Just now, Liu Suying scratched his hair and scratched his face. Song Yuanxing's clothes were messy at this time, and several blood stains appeared on his face.

Liu Suying glared fiercely, but in the end he didn't say anything. After all, Liu Suying's family was much better than the Song family.

All things were caused by his son who didn't know what to do, and now he was embarrassed to dislike him, Song Yuanxing slapped Song Zijing directly on the face.

"Niezi, I will take care of you when I go back." Song Yuanxing said angrily.

The name of the head of the Yu family is really too big. There are countless upper-class people who come to the banquet, and many people have seen the drama just now.

At this time, it is hard for them to stay here to continue attending the banquet, not to mention offending the Yu Family Patriarch.

When the Song family and his party were about to leave the banquet in despair, the words of the three young people at the door completely caught their attention.

"There are even people who use Yu Xuan's name to hold a banquet. They are too courageous!"

"Huh! The name of the head of my Yu family is not something everyone can use. I have to give them some color today."

"Yes, you are the real Yu Family Patriarch, then who would this person be?"

These words made the three of the Song family stop. Song Zijing, Liu Suying and Song Yuanxing are all three people who look at me, and I look at you.

I noticed in my mind, it turned out that the former head of the Yu family was an impersonation.

Chapter: 745

"Parents, the guy before was a fake, I said he looked like a beggar no matter what, we were cheated!" Song Zijing said annoyedly.

Liu Suying was also angry. She didn't even think that she was slapped by Song Yuanxing because of a

counterfeit, and she almost trampled on one of her feet. She couldn't swallow her breath.

He raised his hand and pinched Song Yuanxing's arm, and said angrily: "It's all because you are so stupid that you were deceived by a counterfeit. Why did I marry you this rubbish!"

Song Yuanxing also felt that his head was big for a while, and he had lost the ability to make normal judgments.

Du Fei, the underground king of Qiancheng, called the man Lao Yu, and the invitation they received was also from Du Fei. How could it be fake?

After thinking about it, Song Yuanxing suddenly realized that, right! How could the head of the Yu family in Shangjing show up to hold a birthday party in this small place in Qiancheng?

Even if the man was the fake head of the Yu family, but he still had some deep friendship with the underground king Du Fei, Song Yuanxing hesitated at this time.

"Forget it, why offend Du Fei and find it hard for the Song family." Song Yuanxing sighed and said.

"How can I forget it! There is nothing wrong with you. What are you bullying about me and your son? As long as it's not from the Yu family in Beijing, a small underground force in Qiancheng, my Liu family still doesn't care."

Liu Suying limped her son aggressively, trying to catch up with the three people who had spoken before.

Song Yuanxing still wanted to stop them and let them make trouble less, so he listened to Liu Suying said: "You are a waste of money, if you stop me again, I will let my family make your Song family bankrupt."

Hearing that, Song Yuanxing didn't bother to take care of it, so let's let them do what the mother and son do, and went back to the hotel alone.

The three people who spoke before were not others, it was Li Yun, Li Fei and Yu Xuan.

The purpose of their coming to Qiancheng this time was not to receive an invitation to attend the birthday banquet, but because the old man Li came to kill Yu Sheng when he left the customs.

It just happened to hear that there was a birthday banquet hosted by the head of the Yu family here, so I came to see who actually dared to use his name.

At this moment, the limping Song family mother and son stopped in front of them.

All three of them had a look of disgust on their faces, and Yu Xuan said disgustedly: "You two lame, go away! Do you know that I am going to clean up people, believe it or not, I will clean up you too."

"Presumably you are the head of the Yu family, right? We were just made like this by the guy who replaced you under the guise." Liu Suying said.

Even if they went back to find the counterfeit, they couldn't beat him. Since this person is real, why not use the knife to kill him.

"Yes, they not only impostor, but they also ruin your reputation, grab my money, and rob my car. It's totally unreasonable." Song Zijing cried.

Is it possible that something like this is true?

At first, Yu Xuan thought it was just a birthday party under his name, but he didn't even think of ruining his reputation.

It was also spread that the owner of his Yu family robbed others' money and robbed other people's cars. Wouldn't they be laughed out of!

"If this is the case, then you can follow us, and I will naturally teach the guy who borrowed my reputation severely." Yu Xuan said.

Both Li Yun and Li Fei came here to see how their cousin taught the guy who didn't know what was good or bad.

By the way, who are you? She was so courageous that she dared to borrow the identity of the head of the Yu family in Shangjing.

Chapter: 746

The birthday party was full of seats, and everyone had a smile on their faces, thinking that they were proud to be able to participate in this banquet.

At the banquet, there were people from the upper class, and at first they did not believe that the head of the Yu family would hold a birthday banquet in this small place in Qiancheng.

But the person who sent the invitation letter was Du Fei's starter, the underground king of Qiancheng, how could a person with a face and a face fool them.

Yu Xuan didn't show up for the rest of his life, but Yu Xuan came to the banquet and looked at so many people on the court. His heart was even more interested in the person who used his name.

It seems that he should have some ability, and he was able to call so many people, but his ability is also because of his name as the head of the Yu family.

Yu Xuan walked to the middle of the banquet, clapped his hands, and attracted everyone's attention.

Then he said: "Hello everyone, I am Yu Xuan, the real owner of the Yu family. I go here to see what it is that I dare Borrow the name of my Yu family for a birthday party."

As soon as the voice fell, the people who came to the banquet were all fried, and many of them had actually met Yu Xuan. Seeing Yu Xuan saying this, they knew they were deceived.

"This is the head of the Yu family. It seems we were really cheated."

"Who is it? You are so bold as to use the name of the head of the Yu family."

"I'm impatient to live! It's really a matter of life and death."

The scene became a mess, and everyone was accusing them of who they were, and even dared to borrow the name of the head of the Yu family.

The trio of Zhu Qingshan, Chen Jianpeng and Zhang Shengquan, who were sitting on the side, also frowned.

When Du Fei came to invite them, he said that Yu Sheng's son Xiaoshui had his birthday, but he didn't know that Du Fei was outside but said that it was the head of the Yu family.

Now that everyone has seen the master, it will be troublesome for the rest of my life.

These first-class families in Qiancheng, in front of the Yu Family in Shangjing, are nothing like a fart, and they can't help the rest of their lives if they want to help.

At this moment, Yu Sheng Du Fei and others walked in pushing a five-layer luxurious cake, which caught everyone's attention for a while.

"Patriarch Yu, this is the person who replaced you with an impostor."

The crowd did not know who shouted, and Yu Xuan looked in the direction where Yu Sheng was. When he saw who the person was, his legs were frightened.

Yu Xuan glanced at the severed finger on his hand subconsciously, and the scene of his mother being forced to death seemed to be vividly remembered for the rest of his life.

At this time, Yu Xuan was slapped on the shoulder, and Yu Xuan sat on the ground in fright. Looking back, he found that Li Fei was angry for a moment.

"You fucking scared me to death." Yu Xuan got up from the ground, glanced at Yu Sheng, who was still a little far away from him, thinking about how to escape.

At this moment, Li Yun said: "It's really useless, so I was scared. I have already sent a message to my grandfather, telling him that the evil barrier is here for the rest of my life."

When it was clear that it was the rest of his life, Li Yun was stunned for a moment, and then a monstrous hatred appeared in his heart. It was his father and enemy who killed him.

Happened to catch up with Grandpa's exit, so she directly sent a message from Grandpa.

These words were like a reassuring pill, and the panic in Yu Xuan's heart vanished in an instant. His grandfather was a master at the master level.

For the rest of my life! For the rest of my life! Your death date has come.

But every time he was scolded by his cousin, Yu Xuan felt very uncomfortable.

But he knew that Li Yun had always been ruthless and strong, and he did not dare to provoke Li Yun.

"I should be a person who doesn't know good and bad, and dare to pretend to be the name of the head of my Yu family. It turns out that it is you, the abandoned son of the Yu family." Yu Xuan pointed to Yu Sheng and said. Grandpa was coming, and he was immediately emboldened.

I've been upset for the rest of my life. There are so many flies here today, can't he let Xiaoshui celebrate his birthday?

Let Du Fei push the cake away, Yu Sheng walked to Yu Xuan's side and said lightly: "Yu Xuan, are you enough to live in such a hurry? Want me to send you down to reunite with your mother!?"

Upon hearing this, everyone was shocked.

This counterfeit dared to call the name of the head of the Yu family directly, and how brave it was to kill the head of the Yu family!

Chapter: 747

Yu Xuan was very angry with Yu Sheng's words, and remembered that Yu Sheng had almost made him a stick, so he gritted his teeth with hatred.

Then I thought about it, my grandfather was coming soon, and those who died would be the rest of their lives.

The waste of Yu Sheng even borrowed the name of his Yu Family Patriarch, and invited so many people, it means that this guy wants to make a fat man with a swollen face, so he will completely wipe out his reputation.

"An abandoned son who was driven out by the Yu family, now he dares to use the name of the Yu family to deceive so many people, he really doesn't want any face!"

At this time Song Zijing and Liu Suying also stood up and said, "Yes, this man is a liar. He took my money and my eight million car!"

"Moreover, he stepped on my son's and me's feet like this." Liu Suying looked aggrieved at this time, and it seemed that she was really wronged.

In an instant, Yu Sheng became a liar robber in the eyes of everyone, a guy without shame.

Seeing his son's birthday party was messed up by these people in front of him, Yu Sheng's face went gloomy, and his eyes looked at Yu Xuan with murderous intent.

"I disdain the owner of the Yu family. If I want it, you, a little Yu Xuan, can argue with me.

I will give you a way to survive. If you don't want it, don't blame me for letting you go. Now you are still so ignorant of what is good or bad. He came to ruin my son's birthday party. If you think your life is too long, I really don't. Mind killing you now. "Yu Sheng said coldly.

"You..." Yu Xuan took a step back, feeling some fear in his heart.

"What are you, do you know that you are not only a waste but also a cheap one?"

Yu Sheng scolded Yu Xuan without evasiveness: "I gave you the Yu family, but you only know how to eat, drink and have fun. It is really a shame to the Yu family!"

Yu Xuan was panting heavily, his face turned blue and red with anger, and he was cursed by Yu Sheng and couldn't say a word.

He is a woman who likes eating, drinking, having fun and sleeping, and the Yu family is indeed not as good as before under his control. These are all facts.

Li Yun looked at Yu Sheng in front of him and her teeth tickled with hatred. If it hadn't been for him to beat him, Li Yun would have wanted to kill Yu Sheng with his hands.

But still not convinced, pointing at Yu Sheng's nose and cursing: "Yu Sheng, you ran to Qiancheng to be the door-to-door son-in-law and insulted Yu Jia's face. What qualifications do you have to talk about Yu Xuan?"

Although Li Yun doesn't like Yu Xuan and despise Yu Xuan, but Yu Xuan is her cousin, of course she has to lean towards Yu Xuan.

As soon as the voice fell, Li Yun slapped her face.

"It's not your turn to talk about the Yu family's affairs!" Yu Sheng's tone was cold.

The people present at this time also found that things seemed not that simple. Yu Sheng seemed to be from the Yu family in Beijing.

When Song Zijing and Liu Suying saw that Yu Sheng dared to treat the head of the Yu family like this, they knew this was extraordinary.

I want to take advantage of the chaos now and let it go.

As soon as the mother and son turned their heads, they saw Du Fei's men standing behind them, and took them away without saying anything.

Li Yun, who was slapped in the slap, had tears streaming out of her tears. If she hadn't known that Yu Sheng was a martial arts master and was strong, she would have to fight Yu Sheng.

She didn't cry, but a deep hatred flashed in her eyes: "Hezuo, you will kill me now, otherwise one day, I will kill you myself!"

Li Fei wanted to stop Li Yun from saying this, but it was too late. What if he kills them before his grandfather comes for the rest of his life!

But he still hurriedly threatened: "Yu Sheng, my grandpa has already left the customs and is on the way here. If you dare to come here, my grandpa will definitely kill you today!"

"Really, then I will be here for the rest of my life waiting for his old man to arrive!"

There was a trace of fear in Yu Sheng's eyes, and the old man was out of the gate. Naturally, he knew that he had killed his daughter and son to make trouble for him, and he would chase him wherever he went.

So the rest of his life simply didn't hide, he had to see how capable this old man Li was.

"For the rest of your life, you dare to touch my granddaughter, you are really looking for death!"

At this moment, a majestic voice reached everyone's ears, and then an old man who looked sixty or seventy years old, who was immortal and powerful, walked in.

Wherever the old man went, everyone gave up a path. The aura on his body was too strong, which made people fear inexplicably.

Chapter: 748

"My God! This old man is definitely not an ordinary person! I felt like I was suffocating when he walked past me."

"This old man, I'm afraid it's not the legendary Gu Wu master? This counterfeit is dead."

"Gu Wu? Stop talking nonsense, you think this is a martial arts novel!"

People present, you and I talked about what the old man is.

At this moment, old man Li Zhanli lingered in his palms, and then he patted the ground, and a white napkin floated in front of him.

Two fingers clamped the napkin in front of him and shot in the direction of Yu Sheng, and all of this was in a flash.

The people onlookers thought they were dazzled, how could someone use a soft napkin as a hidden weapon.

As soon as he took the shot, Li Zhan had no plans to waste time with Yu Sheng. Now, as a grandmaster, he looks at the rest of his life in front of him like an ant.

Although it just fluttered a napkin to Yu Sheng's eyebrows, it was accompanied by the inner strength of a master-level master. If it were an ordinary person, it would be cut in half by this piece of paper.

Yu Sheng dodged sideways, and the piece of paper was directly inserted into the upper wall a few meters behind him, and directly into it...

The master at the pinnacle of the Grand Master Realm, kill people by twisting paper!

Yu Sheng was a little shocked. He didn't even think that the old man of the Li family was so powerful. It seemed that he had to do his best to deal with it today.

"Did off?" Li Zhan murmured in disbelief, but it was only a moment's effort before he rushed in the direction of Yu Sheng.

What can I do if I escaped? A young man in his twenties, Li Zhan still didn't take it seriously. Killing his sons and daughters will surely make him pay for it!

Li Zhan's speed was amazing, he came to Yu Sheng in the blink of an eye, and patted his heart.

This is planning to kill myself with one move! Sure enough, he did not dare to neglect it for the rest of his life, so he hurriedly devoted all his attention to the palm of Li Zhan.

boom!

Yu Sheng abruptly took Li Zhan's unreserved palm, and it was really powerful. Yu Sheng took a few steps back to stabilize his figure.

You can completely escape this palm at Yu Sheng's speed, but Yu Sheng just wants to test the extent of Li Zhan's strength.

I have to say, very strong, even above him.

"Senior, here are ordinary people, let's find a wide place and have a good time!" Yu Sheng suggested.

"Okay!" Li Zhan responded.

For Yu Sheng, Li Zhan also had a new understanding. The contempt on his face disappeared completely. Instead, he re-examined the rest of his life in front of him.

At the age of more than 20 years, he was able to take the palm of his 90% of his power, and only a few steps back without vomiting blood, it shows that his strength is not bad.

He thought of Yu Sheng's father, Yu Zhongtian, who was the number one powerhouse in Beijing.

What a dragon!

Unfortunately, Yu Sheng killed his sons and daughters, even if he admired Yu Sheng's strength.

I must kill the rest of my life today!

The two went out of the banquet in tandem and found a wide and empty place.

Everyone onlookers saw Yu Sheng's tricks against Li Zhan before.

They felt that the old man who came here was a powerful person, and they didn't expect to be so powerful, even more powerful than the heroes in Jin Yong's novels.

What made them even more unimaginable was that the counterfeit was on par with the old man, and it

was a reorganization of their worldview.

Yu Xuan and the others wanted to catch up with them. They hated Yu Sheng and gritted their teeth.

How could they miss such a good opportunity to watch Yu Sheng be beaten to death.

The group of three people chased after him, and Du Fei followed when he saw it. He had no idea in his heart, and he didn't know if the guy Yu Sheng could solve the terrifying old man.

Chapter: 749

The two came to an empty place.

Li Zhan directly released his aura, faintly surrounded by internal forces, and the coercion of the masters of the master realm forced the rest of his life like a tide.

For the rest of his life, he was calm and unhurried, looking directly at Li Zhan without letting go.

This situation still made Li Zhan a little shocked. If the rest of his life in front of him hadn't killed his sons and daughters, he might still cherish his talents and let him make a living.

But the matter has reached this point, the matter has reached an irretrievable room, suppressing the ridiculous heart of cherishing talents in my heart.

Li Zhan said coldly: "It seems that you are more powerful than I thought. Compared to my ineffective nephew, Yu Xuan, you are much more talented. If you are my nephew, Li Zhan will definitely concentrate on nurturing you.

It's a pity that you are not, so you must die today!"

Yu Sheng narrowed his eyes, without any fear, and said: "Then let me see how good you are, senior, and what to kill me."

What an arrogant boy, his mouth was so stiff when he died, Li Zhan was too lazy to talk nonsense, he used his feet, and he stepped out of a pit on the concrete floor under him.

Immediately afterwards, Li Zhan rushed in the direction of Yu Sheng, raised his leg and kicked Yu Sheng's head.

Yu Sheng quickly raised his hand to stop him, but he was still shaken back several steps by the powerful force, and if he continued to be passive, Li Zhan would sooner or later find a chance and a fatal blow.

Knowing that Li Zhan's strength is strong, he didn't hesitate, and his internal strength was integrated in his palms, and he patted Li Zhan's face.

"Lei Jue!"

Li Zhan felt the power of the palm that Yu Sheng slapped at him, and he was shocked. He didn't even think that Yu Sheng was also a master in the late Grandmaster Realm.

I thought that the kick I just got would be able to get rid of that kid Yu Sheng, but I didn't expect his strength to be so powerful.

Because of Li Zhan's underestimation, Yu Sheng's palm hit his chest directly, and a mouthful of blood came out in an instant.

"You are also a master at the late Grandmaster Realm at a very young age? The old man has been in retreat for decades and has his current cultivation base. How did you do it?" Li Zhan wiped the blood from the corner of his mouth and asked with a frown.

"Well, it shows that I have an extraordinary talent." Yu Sheng said indifferently.

Li Zhan's face sank, and he no longer had the slightest negligence. He knew that although he was only in his twenties for the rest of his life, his strength should not be underestimated. If he underestimated the enemy, he might fall into his hands.

The two played dozens of moves, and Yu Sheng did not lose the wind, and drew a tie with him, which

shocked Li Zhan's heart even more.

This is just over twenty years old! If you give him a few more years, this old bone of yourself will definitely not be his opponent, so you will kill this kid today for everything.

At this time, Yu Xuan, Li Yun, and Li Fei also followed, and they were shocked to see what Yu Sheng was playing against Li Zhan.

"How could Yu Sheng's trash fight with Grandpa? Grandpa is a master in the late Grandmaster Realm! Impossible, this is absolutely impossible!" Li Yun's expression was extremely gloomy, she couldn't believe her eyes. .

Yu Sheng was just a waste, and his grandfather had been practicing in retreat for decades, how could he only drew with Yu Sheng?

Shouldn't it be grandpa who slapped him to death for the rest of his life?

Li Yun stomped her feet in a hurry. If she had such great abilities, she would definitely go up and clean up the rest of her life. Unfortunately, she was just an ordinary person and couldn't kill her father's enemy.

Li Fei patted Li Yun on the shoulder and comforted: "Sister, don't worry, maybe grandpa just wants to have fun with Yu Sheng, playing with him, and he doesn't want him to die so easily. How can grandpa be so powerful? But for the rest of my life."

As soon as his voice fell, there was a loud noise in the sky, and the eardrums of the three shaking people hummed.

When I looked at the place where the sound came from, I saw Li Zhan's figure being thrown back several tens of meters in their direction by Yu Sheng's palm.

Li Zhan fell to the ground fiercely, spit out a mouthful of blood and fainted. At the same time, Yu Sheng also retreated dozens of steps before falling to the ground and spit out a mouthful of blood.

It's just that he is better than Li Zhan, and he hasn't made any progress to faint, but he can also feel that his ribs have been broken by Li Zhan's palm.

Chapter: 750

Looking at Li Zhan, who was vomiting blood and was in a coma and was seriously injured, Li Yun could hardly believe her eyes. Why did things turn out like this?

Her grandfather is a master at the later stage of the Grand Master Realm, shouldn't he kill the rest of his life with his hands? How could he be seriously injured by the waste of Yu Sheng?

Li Yun hurriedly stepped forward and picked up Li Zhan, her tears fell decisively, and she breathed a sigh of relief when she found Li Zhan was still alive.

The resentment towards Yu Sheng in his heart reached a point where he must not kill her father and her aunt, and now still crush her grandfather for the rest of his life.

As soon as Yu Xuan saw that even his grandfather couldn't play for the rest of his life, he didn't have the last hole cards, so he wanted to leave this place quickly and kill him for the rest of his life.

"Where are you going?" Li Yun said coldly, looking at Yu Xuan with gloomy eyes.

Yu Xuan's face was full of embarrassment. In order to save this little life, he had to lose so much face, and he said directly: "Did you see that Grandpa was seriously injured by the guy Yu Sheng?"

How can those of us who don't even know martial arts fight Yu Sheng? Don't run away quickly, it's important to save your life first! "

"Really a useless waste!" Li Yun's complexion flushed. If the person in front of her was not her cousin, she would definitely take action and directly kill the waste.

To escape before the battle, there is no such thing as a man's spirit!

Li Yun gave Yu Xuan a fierce look, and drew a small and sharp dagger from her waist. This was her 18th birthday, a birthday present from her father.

Now that his grandfather was seriously injured by Yu Sheng, that Yu Sheng was not in any good condition, but Li Yun saw Yu Sheng also spit out blood.

Although she could not beat the rest of her life in a winning state, she was confident in dealing with a seriously injured rest of her life.

Not wanting to give the rest of his life too much breathing time, Li Yun clenched the sharp dagger in his hand and rushed in the direction where he was.

"Killing my father and hurting my grandfather, now I will take your life with my own hands!" Li Yun said fiercely.

Running to Yu Sheng, Li Yun held the dagger in his hand and pierced his heart, intending to kill Yu Sheng with a single blow.

boom!

Yu Sheng raised his leg and kicked Li Yun's dagger's hand, and directly kicked the dagger in her hand more than ten meters away.

It was another kick on Li Yun's lower abdomen. She was kicked a few meters away by Yu Sheng's kick and fell to the ground so hard that she could not get up from the ground for a long time.

The sharp pain from the lower abdomen was less than half of the humiliation in his heart. Li Yun's tears slipped from the corner of her eyes, and she clenched his fists to the ground.

She really hated her incompetence, even if she had a dagger in her hand, she couldn't kill her for the rest of her life when she was seriously injured.

Getting up from the ground with difficulty, Li Yun's eyes were very firm, picking up the dagger kicked off by the predecessor for the rest of his life, and rushing towards him again.

"Come back?" Yu Sheng only felt a headache for a while, couldn't figure out whether this Li Yun could kill himself even without his life?

Yu Sheng is now seriously injured, and he has no ability to stand up from the ground. Just kicking Li Yun's feet took him a lot of effort. During the activity, he felt that the broken ribs in his body hurt his internal organs, and the pain was extremely painful.

Exquisite sweat came out of his forehead, Yu Sheng had to use his internal strength again, kicking at the dagger that Li Yun stabbed, this time he didn't plan to be merciful.

To be kind to the enemy is to be cruel to yourself!

Fortunately, Du Fei ran over at this time and subdued Li Yun before Yu Sheng took the shot. It was a big trouble for Yu Sheng.

Li Fei saw that his sister was caught, and was very anxious in his heart. He rushed up and was directly imprisoned by Du Fei's men.

Yu Sheng breathed a deep sigh of relief, but fortunately, everything was resolved, and the serious injury he suffered would be restored after a period of time.

Du Fei, who was seriously injured for the rest of his life, planned to leave this place.

At this moment, the three figures blocked them not far away. After Yu Sheng saw the three of them clearly, their pupils shrank sharply.

"People from the God Killing Organization!"
