

Dont mess 751

Chapter: 751

The people here are no one else, but the three giants of the Heavenly Kill Organization, the Thunder King Asi, King Kongbuck and Fejuola.

"A Fei, take your brothers away and leave it to me here." Yu Sheng raised his hand and patted Du Fei's shoulder, motioning him to put himself down.

Du Fei didn't listen to Yu Sheng's orders this time, but insisted on saying, "Isn't it just three foreigners? The brothers I brought are all here, I'm afraid they will do anything."

"A Fei believes me. Although I was seriously injured, it is still possible to deal with the three of them. I don't know how many of them have come. You should go and protect Xiaoshui. I can solve it here." Yu Sheng said seriously.

Du Fei hesitated, and finally put the rest of his life down. He knew that his skills were not comparable to those of ordinary people.

Yu Sheng stood straight, smiled at Du Fei indifferently, and said, "You are responsible for protecting Xiao Shui. After I solve these three people, I will go to you."

Seeing that there was something serious about Yu Sheng, Du Fei's heart was relieved, and he even complained about Yu Sheng. He clearly watched what was going on, and he was alive and well. He even asked him to carry it just now, too much!

Du Fei relaxed a lot, hammered Yu Sheng's chest lightly, and cursed: "Lao Yu, I'll leave it to you here. I'll protect Xiao Shui."

"Yeah." Yu Sheng nodded.

After watching Du Fei and his team leave, Yu Sheng sat on the ground and vomited a mouthful of blood. Just now, to reassure Du Fei, when Yu Sheng stood up, his broken ribs pierced his internal organs, and the pain made him almost unable to hold on.

If this were not the case, with Du Fei's character, he would definitely not leave him behind. Although he was in the underground world, he was an ordinary person after all, unable to beat the early masters of the three masters in front of him.

Staying here is just to die with him.

Just when Yu Sheng saw these three people come out, he guessed that they were from the God Killing organization, because the aura on these three people was the same as the one he had killed before, called the Absolute King.

Yu Sheng pulled out a smile on his face and said, "The three giants of the God Killing Organization are all coming to me. Did they wish my son his birthday?"

But Yu Sheng's hand was in a place where they couldn't notice, and he secretly took out a pill from behind, and put it in his mouth without disguising it.

Johnson's Pill can recover from the current injury for the rest of his life as quickly as possible, but it will take two to two hours to recover almost the same.

As soon as he took the pill, Yu Sheng felt that the internal energy that had been exhausted was slowly recovering. As long as he could delay a little time, although Yu Sheng could not kill the three people in front of him, he was confident that he could slip away.

Obviously these three people saw Yu Sheng's ideas, and they didn't even give him this opportunity to delay time.

"Of course you are here to die!" Feijuola said.

Immediately the three people changed to Yu Sheng, and rushed in this direction. They planned to make a quick decision without giving Yu Sheng the slightest chance.

The three outstanding masters in the early stage of the Grand Master Realm, if the rest of their lives dealt with the old man Li Chao, they would definitely be able to solve the three of them.

But now he is seriously injured, even if he has taken the Johnson Pill, but he is not given time to recover. Seeing the three of them rushing towards him, Yu Sheng had no choice but to hold back the severe pain on his body and stood up to avoid the fatal blow of the three of them.

boom!

In the place where I had stayed for the rest of my life in the next second, a huge pit had already appeared.

There is no second way to go, there is only battle to the end.

Chapter: 752

Once connected to the offensive of the three giants with more than a dozen moves, Yu Sheng also felt his own weakness.

“Why do you have to kill me, I have no grievances with you.” Yu Sheng asked, hoping to delay for a while or find another way.

“Boy, we are risking such a big risk this time to come to China to kill you. Don’t think about delaying time. You will definitely die today.” Lei Wang Asi said lightly, looking at Yu Sheng with his eyes as if looking at a dead person. generally.

At this time, King Kongbuck next to him came to the side of the road and lifted a small car directly, with both hands accumulating energy, and then it smashed over like Yu Sheng was.

Upon seeing this, Yu Sheng had a slight sneer, and quickly drew away, and heard a huge bang behind him, and the car fell to the ground and exploded and burned.

When Yu Sheng was glad that he had escaped that blow, a graceful and sexy figure came behind him, with a cold dagger in his hand and pierced his neck.

When he reacted, it was too late, and on one side of his body, the dagger still pierced his shoulder.

There was a severe pain, and the rest of his life didn’t bother to worry about it so much. He could only pray that Fejuola’s dagger had deadly poison.

Fortunately, Fejuola didn’t like to smear poison on the dagger.

The rest of his life dealt with them alone, and the three of them were struggling after all. As soon as they escaped one’s offensive, the other attacked him, and he was caught off guard.

If this continues, they will definitely not hold on for a few minutes before being killed by them. Now we must figure out a way to quickly solve the three of them.

But how can the masters in the early stages of the Grand Master Realm be so easy to deal with?

I’m too lazy to think about it so much. Since there is no way, I will die with them!

“Tian Lei Palm!” The rest of my life’s internal force lingered in the palm, and a big killer directly blasted towards King Kongbuck.

Who would have thought that King Kong took the palm of him abruptly, and then grabbed his shoulders with both hands.

The face of King Kongbuck, who was holding the powerful copper wall and iron wall just for the rest of his life, also changed drastically, but there was no sign of loosening his shoulders for the rest of his life.

For the rest of his life, he only felt that his shoulders were firmly imprisoned by something, and if he went on like this, the other two people would definitely take this opportunity to solve him directly.

Frowning, Yu Sheng stopped hesitating, and kicked directly to the position of King Kongbuck's crotch. No matter how the body of the copper wall and iron wall, as long as he is a man, that place will be very fragile. For the rest of his life, one foot after another, soon King Kongbuck's face becomes difficult to look at.

And seeing the rest of his life being imprisoned by King Kongbuck, the Thunder King As and Feijuola had already determined the opportunity to come to Yu Sheng and planned to kill his life.

King Kong, who had been kicked to his lower body by Yu Sheng in a series, could no longer bear to let go of his hand. At this moment, Yu Sheng's body got free and escaped the two men's worthy moves.

However, King Kongbuck was not so lucky, and the attacks of the Thunder King Asi and Fejuola all hit him.

Even with the strong body of King Kongbuck, he was blasted far away by the palm of Thor Asi and Fejuola, seriously injured.

However, the Thunder King Asi and Fejuola didn't even look at King Kongbuck, and they charged up again, wanting to fight for the rest of their lives.

For the rest of his life, the internal power in his body was nearly exhausted, and coupled with the seriousness of his previous injuries, he had no power to dodge at all.

This move blasted Yu Sheng's shoulders and chest, and the huge force blasted him out far away and broke a green tree by the side of the tree.

"I'm afraid I was really planted here today." Yu Sheng murmured.

Chapter: 753

For the rest of his life, he was lying on the ground, at this time he was completely unable to get up from the ground again.

Not only did All's internal strength have been exhausted, but the game he had just been hit directly shattered his internal organs.

Even if he was born as a master in the late Grandmaster Realm, it would be even more difficult to repair the internal organs, not to mention that there are still three people who want to kill him now.

Yu Sheng smiled miserably, blood flowed down the corner of his mouth, his appearance looked a little miserable.

At this time, Feijuola came to Yu Sheng's face and stepped on Yu Sheng's head as soon as he lifted his high heels. The pointed heel pierced Yu Sheng's face.

"Boy, if you lick my high heels clean now and beg me for mercy, I will make you die happy." Feijuola said contemptuously.

Being able to kill a person higher than her realm was originally a very exciting thing. The person stepping on her foot is a master in the late Grandmaster realm!

If you just kill it directly, Feijuola feels that the fun will be much less.

If Yu Sheng could cry and beg her for mercy at this time, this would definitely be the thing Feijola wanted to see most.

The Thunder King Asi grabbed Fejuola's waist and blew into his ear, saying, "Hurry up and kill! The King Kong kid is still seriously injured."

Feijuola snorted coldly, and said, "Does King Kong's life and death have anything to do with me? It's hard to subdue a master of the later stage of the Grandmaster, and it doesn't make me cool."

"Why don't you quickly settle the matter here, and I will make you feel good when I go back to the villa?" A smirk appeared on Lei Wang Asi's face.

They have given over the rest of their lives, and the purpose of coming to China this time is considered to be successfully completed, so they relax.

Although King Kongbuck had already suffered the moves of the Thunder King Asi and Fejuola, his body was not comparable to that of ordinary people in the early days of the master.

So even if he was seriously injured, he could stand up and move, and walked to Yu Sheng's side. King Kongbuck raised his fist and hit Yu Sheng's chest.

After all, they came to China for the purpose of killing Yu Sheng, and they just accidentally injured King Kongbuck. At this moment, Thunder King Asi and Fejuola would naturally not stop them.

boom!

Although Yu Sheng's internal strength was nearly exhausted, his head would explode if he didn't stop him.

Even though he had internal strength, Yu Sheng still took the punch with his own hands, but the back of his hand hit the ground and almost changed his sex.

"Yeah, this kid doesn't even give up!" Fejuola said tauntingly, seeing that he was still blocking for the rest of his life.

The bones in his hand had been broken by the one of King Kongbuck, Yu Sheng's eyes were half open, and he looked at the three people who could control his destiny without a god.

"You...you...you can kill me...don't hurt my brother and son..." Yu Sheng said in a weak voice.

For the rest of his life, he was not afraid of death. He was only afraid that after he died, the three giants of the three gods would harm Xiaoshui, Du Fei and others.

This is his own business, and does not want to affect those innocent people.

Are you really going to die?

The rest of my life is so unwilling! No one rescued his father from the doomsday jail, and no one grew up with Xiao Shui.

There are many, many things still to be done, but unfortunately it is too late...

"Yu Sheng, are you joking with us? Is it possible that you still keep your son and brother to come to us for revenge? Now that you are here, then you will never have trouble!" Lei Wang Asi said contemptuously.

Hearing that they were still hurting Xiao Shui, Yu Sheng's eyes were blushing, and a line of blood and tears fell from the corners of his eyes.

Suddenly, Yu Sheng was full of vigor, even if he used his life force as a medium in exchange for power, he still had to protect Xiao Shui.

When the Thunder King Asi and Fejuola had found the abnormality to give Yu Sheng this opportunity, Fejuola took out the dagger and directly inserted them into Yu Sheng's acupuncture points.

In an instant, all the monstrous aura in Yu Sheng disappeared.

Even the last fight to the death has no use at all.

This time even the rest of his life was exhausted.

Fejuola accumulates energy in his palms, intending to kill Yu Sheng directly, and will not give him any chance of making a comeback.

"stop!"

At this moment, an extremely majestic voice came from the sky, and the three people who shook had a great shock, and they lost the ability to think for a while.

Chapter: 754

Elders who were dressed in long robes and long hair long gowns, who looked immortal, walked in their direction.

Step by step, it seemed leisurely and at ease, but his ten-meter step, in the blink of an eye, came in front of the three people of the Heavenly Kill Organization.

Feijuola, Asi, King of Thunder, and King Kongbuck both didn't react. At this time, the old man waved his sleeves at them, and a huge pressure pushed them towards them.

The three of Feijuola were pushed by this invisible coercion to several tens of meters away. This powerful strength made the three of them jealous and did not dare to take action easily.

"Who are you? We are going to kill for the rest of your life. Do you want to save him?" Feijola shouted to the old man.

"This old man is saved today, let me see who dares to touch him?"

The old man's turbid black eyes swept over the three of them, and they saw that all three of Fejuola trembled, and they almost couldn't stand firm.

Just now they felt that their minds were being seen through, they were like newborn babies in front of the old man, and there was no room for resistance.

They are the masters in the early stage of the Grandmaster Realm, and there are three of them, even if they are the masters of the later stage of the Grandmaster Realm, Yu Sheng, they have room to compete.

But the old man in front of him felt as if he could easily pinch them to death with his hands, which made the three people panic.

"Since the rest of my life is the person that the senior wants, then we will give this person to you, and we have things to do, so we will leave first" Feijuola said respectfully.

Finally, he winked at Thunder King Asi and King Kongbuck, and the other two also understood that they left without any hesitation.

If they stay here and insist on killing the rest of their lives, maybe there is no way to kill the rest of their lives, and their own lives will have to be here again.

Seeing that the three were gone, the old man in the robe turned his attention to Yu Sheng.

At this time, for the rest of his life, both hands were changed a bit by the punch of King Kongbuck, and the internal organs were severely injured. Three ribs were broken, and one of them was directly inserted into the internal organs.

Even if he was sent to the hospital from his current injury, he couldn't be saved. In this way, he should have died, but he was surprisingly still alive for the rest of his life.

And there is a mysterious force repairing his injury, although it is slow but for the rest of his life, it is the only thing that hangs his life.

The efficacy of a single Johnson Pill is limited, and it is not enough to repair the injuries suffered for the rest of his life.

"Many...thanks...senior." Yu Sheng said with difficulty, and his gaze at the old man was full of gratitude.

He hadn't seen the old man in front of him at all, so how could he rescue him in his critical juncture.

Yu Sheng thought about it many times, he really hadn't seen the old man in front of him, but the old man's internal strength was that he was a late-stage master who couldn't see through it.

Yu Sheng thought of a realm, but he couldn't believe it. After all, among the people he had met, masters in the master realm were very rare, let alone that kind of realm.

Thinking back to the old man, since he came here, he hadn't made any shots at all, but he was still able to scare off the three people of the Heavenly Kill Organization.

Is this old man really in the realm of a great master?

“You little baby, stop talking, and don’t know how you survived, your life is really big.” The old man didn’t know that Yu Sheng had taken Johnson’s Pill, so he was puzzled by Yu Sheng’s current situation. Sitting up Yu Sheng, the old man took out a jade bottle from his sleeve, opened the jade bottle, and rolled out a black pill.

“Eat it!” the old man said.

Chapter: 755

Seeing the black pill that the old man handed over, Yu Sheng didn’t have to go to check it, not to mention that he was only hanging in this situation now.

Raising his hand hard, he took the black pill from the old man’s hand, and Yu Sheng swallowed it directly without hesitation.

Upon seeing this, the old man smiled at the corner of his mouth and joked: “You little baby, aren’t you afraid that this medicine is poisonous?”

Yu Sheng took the pill at this time, and instantly felt a magical force in his body, repairing his injured internal organs and broken ribs.

Even the arm that was deformed by King Kong Buck was repairing at a speed visible to the naked eye.

Yu Sheng couldn’t believe that a small black pill could exert such a huge effect, which was stronger than all the pill that he refined.

Being able to pull a dying person back from the gate of death is not equivalent to having a second life?

Yu Sheng thought greedily, if he had this kind of pill refining method, he wouldn’t be afraid of encountering enemies in the future.

But thinking about it, he has the ability to grab this kind of thing from an old man in the realm of a great master.

Yu Sheng’s body slowly recovered, looking at the elder’s gaze, grateful, and sincerely thanked: “Senior said and laughed, if it’s not senior, you will help.

I have died in the hands of the three people of the Heavenly Slaughter Organization, and now I have given me a god pill to save my life. The younger generation really has nothing to pay for.”

The old man snorted coldly, looked at Yu Sheng’s eyes, and said coldly: “Since you are so grateful to me, then it’s time to hand over my grandson!”

“Your grandson? Who is your grandson?”

Yu Sheng looked at the old man with a puzzled look and said: “Senior, I don’t even know your name, why is your grandson here with me?”

He actually had some guesses about the old man in front of him, and Yu Sheng felt that ordinary people must not have his state.

It was like Li Zhan, the old man of the Li family, who had practiced for decades, but he was just a powerful man in the late master stage.

Such strength as Li Zhan is already extremely rare in the world. As for the realm of Great Master, I have never heard of it for the rest of my life.

Therefore, the old man in front of him is likely to be a hidden person.

But how could he have this old man’s grandson?

Yu Sheng couldn’t figure it out, so he said, “Old man, did you make a mistake? I really don’t know your grandson.”

“Don’t be sophistry! If you don’t call it the truth, don’t blame the old man for being rude.” The old man’s

voice became extremely serious.

He pulled the young man in front of him back from the ghost gate, he didn't even tell the truth, he was simply ignorant of good and bad.

Yu Sheng looked blind! After only a while, the speed of this old man's face change is too fast, right?

Could it be that I just saved myself? Are you going to kill yourself again now?

Yu Sheng thought it was very possible, but where would he go to find his grandson?

"Senior, I really don't know who your grandson is? Can you give a rough idea? Or what's the name?

Maybe I can think of something." Yu Sheng said helplessly.

The old man's face sank, and he stretched out his hand and took out a jade pendant from Yusheng's pocket, and the middle of the jade pendant was engraved with a stone.

"If you hadn't had my grandson's jade pendant on your body, the old man wouldn't care about today's affairs. Quickly tell me where my grandson is now!"

Chapter: 756

Only then did Yu Sheng realize that the great master in front of him was the grandfather of the thief he had just caught in Wanfeng Shopping Center before.

No wonder he felt that the little guy was extraordinary at the time, and his secret skills were even envious of him in the late stage of the Grandmaster Realm.

Before, he had suspected that the thief was a person from the hidden door, but Yu Sheng knew little about the hidden door and didn't know that there was a person surnamed Shi in the hidden door.

At that time, Yu Sheng took a look at the jade pendant from the little guy. Later, Zhu Xiaoshu beat the guy and snatched the jade pendant over to Yu Sheng, and he kept carrying the jade pendant with him. If it hadn't been for this jade pendant to attract the old man in front of him, he would have become a corpse now, and he would be very lucky.

The black pill that the old man gave Yu Sheng before is powerful, and he now feels that his body has recovered more than half, it is a god pill!

For the rest of his life, who didn't dare to neglect, he took the old man directly to the Sakura Club and found the little boy.

Seeing that there was nothing wrong with the little boy, he seemed to be a little bit fatter than before he escaped, so he didn't have to make a difference with the rest of his life.

Yu Sheng also specifically asked if he wanted to attend Xiaoshui's birthday banquet. The old man snorted and said that the old man didn't like making noise.

Yu Sheng also had no demands, and hurried to the place where the birthday party was held. The people who came to the scene had almost left, and there were some people who had a better relationship with Yu Sheng.

Zhu Qingshan, Zhu Xiaoshu, the Zhang family, the Chen family, Xia Jun, Bai Yulan, and even Liu Qianshuang are here.

Seeing Yu Sheng coming, Du Fei quickly ran over and patted Yu Sheng on the shoulder and smiled: "Lao Yu, you really didn't lie to me, how did you deal with those three people?"

For the rest of his life, he was speechless and didn't worry about Du Fei by telling him about his nearly death, but took it lightly.

In fact, for the rest of my life, I think it's good to have so many people just now, just a bunch of familiar people.

Magnolia loves her five-year-old Xiaoshui very much. She plays games and plays with Xiaoshui. Even if

Xiaoshui accidentally soiled her skirt, she was alive.

Everyone was happy, as if the thrilling scenes that happened today did not exist.

Yu Sheng watched Magnolia playing with Xiao Shui so happily, it was also a moment of emotion, remembering what she had said.

She would treat Xiao Shui as if she was her own son, and now it seems that she doesn't lie.

Thinking of this for the rest of my life, I can't help but think of Yang Zihuan, the woman who has been married to him for so many years.

Because of her negligence, Xiao Shui was almost killed by organs being cut off, and afterwards she just called and asked, after Xiao Shui had something to do, she didn't have any questions.

At this moment, Liu Qianshuang came to Yu Sheng's side and said shyly: "I haven't seen you these days. What are you doing for Yu Sheng?"

These days, Liu Qianshuang would find a reason to visit the chairman's office almost every day, but she did not encounter Yu Sheng several times in a row, which made her a little frustrated.

If Du Fei hadn't told him to attend this birthday party, Liu Qianshuang would have no reason to see Yu Sheng. This time he finally saw it, so he wanted to come forward and say a few words.

"Recently, I have been busy with some personal affairs, and I have also paid attention to the company's affairs. Your current popularity is good, continue to maintain." Yu Sheng said.

The attitude of both subordinates and subordinates in dialogue made Liu Qianshuang feel disappointed.

At this moment, Magnolia's gaze inadvertently saw the two of them, and she felt a little unhappy. She was here with his son, and that guy even chatted with the beauty again.

A smirk appeared on Bai Magnolia's mouth, and she patted Xiao Shui on the shoulder and said, "Xiao Shui, your father is chatting with your pretty sister. Shall we go and see?"

Chapter: 757

Xiao Shui nodded, and walked in the direction where Yu Sheng and Liu Qianshuang were with Bai Yulan. At this time, Liu Qianshuang was still feeling uncomfortable because of Yu Sheng's unfamiliar words just now, and was thinking about how to have a good conversation with Yu Sheng.

When I just wanted to speak, I saw a stunning beauty holding Xiao Shui and she was caught between her and Yu Sheng, pushing her farther away.

Liu Qianshuang was shocked for a while! Without knowing what happened, I heard the beautiful woman speak: "Xiao Shui, this sister doesn't have anyone to speak with her, Xiao Shui, you can play with her for a while, okay?"

Xiao Shui Milky responded with a good voice, and then came over to hold Liu Qianshuang's hand, and said, "Sister, I will accompany you to play!"

Then she was led away by a child, Liu Qianshuang was speechless for a while! She just wanted to take this opportunity to talk to Yu Sheng.

Magnolia glanced at Yu Sheng faintly, pretending to be aggrieved, and said: "Huh, people helped you coax your son, but you just chatted with other women here. It's simply too much."

"You misunderstood, Miss Liu and I are just subordinates." Yu Sheng explained subconsciously.

Magnolia smiled instead, holding her chin to look at Yu Sheng and asking: "Are you trying to explain to me because I was afraid that I might be jealous? If that's the case, then I won't be jealous."

I was speechless for the rest of my life and didn't know what to say.

At this moment, Yu Sheng's cell phone rang, and when he took it out, it turned out that Yang Zihuan had called it. Thinking about it, Yu Sheng felt that it was normal.

Today is Xiao Shui's birthday. If her mother doesn't call, then the rest of her life will really feel that Yang Zihuan is less and less worthy of being Xiao Shui's mother.

"Yu Sheng, today is Xiao Shui's birthday, you must have forgotten it! My family prepared a birthday cake for Xiao Shui, please bring Xiao Shui back!" Yang Zihuan said angrily.

She felt that with Yu Sheng's irresponsible disposition, it was absolutely impossible for him to prepare a birthday cake for the rest of his life.

For the rest of her life, she was not angry because Yang Zihuan spoke to her in that tone, at least she also prepared Xiaoshui's birthday cake.

"Xiao Shui is having fun here, otherwise you come to me to celebrate Xiao Shui's birthday." Yu Sheng said.

Yang Zihuan hung up Yu Sheng's phone directly. She felt that Yu Sheng was hopeless. She forgot to prepare a birthday cake for Xiao Shui, and even let herself deliver it.

The reason why Yang Zihuan's attitude towards Yu Sheng is getting worse and worse is all because Gao Qing and Yang Ling are talking bad things about Yu Sheng in her ears all day long. After hearing more, they naturally feel that Yu Sheng is a waste.

Today is Xiao Shui's birthday. Yang Zihuan didn't want to give Xiao Shui an unhappy birthday for the rest of his life, so he set off with a birthday cake.

When Yang Zihuan got to the place, I didn't even think that Yu Sheng would dare to fight so much. The 30-meter-long Ultraman at the door was really spectacular.

Yang Zihuan subconsciously wondered if Yu Sheng had shared the fortune with the Yu family, and deliberately didn't tell her that he just didn't want them to take a penny from the Yang family.

Didn't you promise to give yourself 10 billion for the rest of your life last time in the hospital? Then she is going to get back the 10 billion today.

Yang Zihuan entered the villa aggressively. When she saw the people in the house, she was stunned.

When she looked at Yu Sheng and found that there was a beautiful beauty like a fairy beside her, her heart was extremely complicated.

Chapter: 758

Magnolia's appearance was dusty, she thought she was like a fairy from a distance, and she revealed a kind of temperament of a famous family lady, which was many times better than her, the number one beauty in Qiancheng.

Just say that the extraordinary temperament of the famous family exuding from Bai Magnolia is what Yang Zihuan does not possess.

And there are two big beauties, Zhang Wanqiu and Liu Qianshuang. Compared with her, they are evenly divided, which makes Yang Zihuan feel a sense of frustration inexplicably.

Subconsciously, she wanted to see if her makeup and hairstyle were messy, and she didn't want to be compared to the messy woman that Yu Sheng brought her.

"Mom, here you are! Xiao Shui is so happy." Xiao Shui released Liu Qianshuang's hand and ran towards Yang Zihuan.

Hearing Xiao Shui's shout, many people looked at Yang Zihuan.

Seeing Yang Zihuan's arrival, Bai Yulan looked a little weird, and then she looked at Yu Sheng and asked, "Mother Xiaoshui is here. When are you going to get a divorce?"

She can't wait to get divorced?

For the rest of his life, he was speechless. He really couldn't understand what he was good about. He

was married and brought a son.

You can't find a man with the appearance of white magnolia and family background. Why should he hang himself on the iron tree?

"Still discussing." Yu Sheng replied lightly.

Magnolia took a step forward, took the arm of the Lord Yu Sheng, pressed it to his ear and said softly:

"Then you hurry up! People are still waiting for you to marry me!"

Her voice was not small, and many people around her heard it, even Yang Zihuan, who had just entered. Yu Sheng was a little embarrassed when he was asked. He didn't know what to say, so he simply ignored Magnolia's question and did something else.

For example, he is going to smoke a cigarette outside to be calm and calm.

Yang Zihuan touched Xiaoshui's head and said, "Xiaoshui, mom bought you a birthday cake. Would you like to try it now?"

"Dad also prepared a cake for me, right there!" Xiao Shui stretched out his finger to a place far away.

When Yang Zihuan followed Xiaoshui's finger, she saw a five-tiered luxurious cake. She subconsciously glanced at the little cake she was holding, and instantly felt as if she had been beaten in the face.

When she came, she said that Yu Sheng had forgotten Xiao Shui's birthday, and she didn't even prepare a cake, so she had to bring it herself.

Originally, Yang Zihuan was already very upset when he saw Yu Sheng's side with a woman who was more beautiful than her, waiting for Yu Sheng to divorce.

Just thinking about transferring and changing the topic, I realized that my heart became even more congested.

At this moment, the beauty with excellent looks and temperament came to her side. Yang Zihuan didn't know what she wanted to do on her side, and looked at her with a watchful look.

Bai Yulan came to Yang Zihuan's side.

Taking the little cake from Yang Zihuan's side, he took a look and asked, "Sister, is this the cake you made yourself? Really interested."

Yang Zihuan didn't have any affection for this woman who was prettier than her, and she wouldn't tell Magnolia that the cake she brought was bought in a cake shop. Instead, she replied stiffly: "I gave birth to my own son. Of course I am."

Magnolia smiled and squeezed Xiaoshui's fleshy face, and said with a smile: "But I really like Xiaoshui!"

Speaking of Magnolia, she took out a contract from her bag and handed it to Xiao Shui, saying: "Xiao Shui, Auntie has no gifts for you, but I think children should like to go to amusement parks, so I put Qiancheng I bought the biggest amusement park and I will give it to you!"

Xiao Shui accepted the contract with an unbelievable look. The five-year-old is still different from these commercial things, but what he knows is that he owns an amusement park.

Xiao Shui kissed Magnolia's face excitedly and said, "Aunt Bai loves me the most. Xiao Shui likes Aunt Bai."

Bai Yulan glanced at Yang Zihuan, then asked Xiaoshui: "Xiaoshui, do you like Aunt Bai more? Or do you like your mother more?"

Chapter: 759

"This...Xiao Shui doesn't know..." Xiao Shui lowered his head, stirring his clothes with his hands, looking like a kid who did something wrong.

He liked the amusement park that Aunt Bai gave her, but her mother was her mother after all, and Xiao

Shui had no choice for a while.

Magnolia touched Xiaoshui's head and smiled: "Okay, Xiaoshui will eat cake soon! Today you are the little birthday star."

Skip the topic directly, Bai Magnolia pinned Xiao Shui's hand, and walked over to the five-layer luxurious cake that Yu Sheng had prepared.

Yang Zihuan is not a fool, she can feel the hostility of Magnolia to herself, but what he doesn't understand is why such a woman would like that guy Yu Sheng.

A group of people talked and coaxed, but Bai Yulan hid a knife in a smile at Yang Zihuan, and everyone looked at it, but they didn't say anything.

It wasn't until 11 o'clock in the evening that Xiao Shui couldn't help but fell asleep, and everyone left. Everyone disappeared one by one, the smile on Yu Sheng's face narrowed, instead of gloomy, he kept suppressing his mood in order to make Xiao Shui have a happy birthday.

What a Li family, what a goddamn organization, they all want his life so much, right?

As long as they dare to come next time, Yu Sheng vowed to let them have a taste of what life is better than death.

Those who want to attack his son and brothers, Yu Sheng said that he would kill the goddamn organization.

"Lao Yu, what should I do with the Song Zijing that I caught before, and the woman named Liu Suying?" Du Fei asked.

"Take me to see." Yu Sheng said.

The two came to the villa where Yu Xuan and Song Zijing were detained.

As soon as Yu Sheng came in, a figure ran over like them, and knelt in front of them without saying a word.

"Yu Sheng, I know that I was wrong, please see that we are the Yu family members and spare my life, okay?" Yu Xuan knelt in front of Yu Sheng and begged for mercy.

I thought that my grandfather in the later stage of the Grandmaster Realm was beaten like that by Yu Sheng, and he was not enough to look at him in front of Yu Sheng.

He is only in his 20s! There were still so many things that he didn't want to do. He didn't want to die, so when the door was opened, he knelt in front of Yu Sheng.

Yu Sheng frowned and looked at Yu Xuan, his face was full of disgust. As a member of the Yu family, he was already very tolerant of this brother.

But now that I saw Yu Xuan like this, Yu Sheng couldn't appreciate it in his heart, and felt that it would be too wasteful to give the Yu family to such a person.

"Since he likes to kneel so much, send him to the south of the city to be a beggar!" Yu Sheng said lightly to Du Fei.

beggar?

Yu Xuan was stunned when he heard these words, naturally reluctant in every way, he was the head of the Yu family in Shangjing.

But if he is now fighting against him for the rest of his life, isn't he bound to die? Not daring to say anything, Yu Xuan knelt on the ground and thanked Yu Sheng a lot.

As long as you live, Yu Xuan thought to himself.

Immediately afterwards, Yu Xuan was dragged out by the crowd and sent to a black van.

At this moment, Li Yun, who was watching from the side, snorted coldly. She took it easy, and her eyes were full of resentment when she looked at Yu Sheng.

“For the rest of your life, if you want to kill, you can hit as much as you want, but if you are still a man, you will save my grandfather’s life. He has been severely injured by you, and even if you will not be able to threaten you in the future.”

Chapter: 760

As for how to treat Old Man Li, Yu Sheng was still a little undecided in his heart. Yu Sheng glanced at Li Zhan who was lying unconscious on the bed not far away.

The old man in front of him indeed has no way to threaten the rest of his life. Now this serious injury has brought indelible damage to Li Zhan. Even if he recovers for a few days, his body is healed, but his internal strength will be greatly affected.

There is a kind of torture. It is not to let people die to relieve their hatred. For Li Zhan, an old man who is nearly 90 years old, death is a relief.

If he killed his sons and daughters by himself, he could only watch that he could not avenge him.

Perhaps this was the greatest punishment for him.

“I’m not interested in taking your grandfather’s life, but you want to kill me again and again. We have a good calculation!” Yu Sheng said coldly.

For the rest of his life to kill her, Li Yun was still mentally prepared, after all, after he was seriously injured, she held a dagger and tried to kill him twice.

“As long as you promise to let my grandfather go, you want to kill or kill you at will!” Li Yun looked straight at Yu Sheng, with a trace of fear.

For her, there can be no revenge in life, it is no different from death.

When Li Yun said this, Yu Sheng didn’t want to kill her anymore, but the punishment must be punished.

Yu Sheng drew her dagger directly from Li Yun’s waist. Seeing this, Li Yun subconsciously wanted to snatch her dagger.

Then Li Yun thought that Li Yun might want to kill herself with her dagger, so she closed her eyes and waited for the arrival of death.

Puff!

The dagger was inserted into the body, and severe pain swept through his body. Li Yun frowned, biting her lower lip tightly to prevent herself from screaming.

When Li Yun quickly adapted to the pain, the dagger in front of her chest was pulled out again.

Suddenly, Li Yun was not ready at all, and this time he called out.

Immediately afterwards, the dagger was inserted into the position just now, and the pain was more than doubled immediately, and Li Yun was about to faint directly from the pain.

“Are you playing with me?” Li Yun said through gritted teeth.

For the rest of his life, there was no dagger directly inserted into her heart, but he was playing with her and deliberately not killing her.

Yu Sheng didn’t take the dagger away from Li Yun’s body, but said to the men behind him: “Drag them to beat them, then throw them out of the villa, remember not to kill them.”

Then Yu Sheng looked at Song Zijing’s mother and son who were curled up in the corner, and smiled coldly.

Song Zijing and Liu Suying had been watching not far from the corner of the wall, and they were already terrified.

The real Patriarch of the Yu family was thrown by Yu Sheng to beggars in Nancheng, let alone their little Song family?

Seeing Yu Sheng walking in this direction step by step, Song Zijing, mother and son were shaking like chaff.

“Since the two of you are so unrepentant and trouble me time and time again, A Fei will interrupt their hands and feet and throw them out.” Yu Sheng said flatly.

“Mr. Yu, we know we are wrong, please forgive us this time, OK? Please!” The mother and son knelt at Yu Sheng’s feet begging for mercy.

After explaining the things here, for the rest of my life I didn’t even look at it, so I just went out.

These people deserve it!

When Yu Sheng returned to the Sakura Club, it was already around 12 o’clock in the evening. The reason why he didn’t live in the villa was because he wanted to go back to see if the old man was leaving.

What surprised Yu Sheng was that his old man did not leave during the day, and the light in the room was still on.
